- the agreement shall have effect, in relation to anything falling to be done on or after that date, as if for that reference there were substituted a reference to such person as that company may appoint or, in default of appointment, to the officer of that company who corresponds as nearly as may be to the member or officer of the Board or Council in question.

- (c) that the value of any asset and the amount of any liabilities of the Board or Council concerned vested in the successor company by virtue of that section had been the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the statement of accounts prepared by that Board or Council in respect of the financial year immediately preceding the relevant year;
