 - (a) the buyer’s expenditure was old expenditure and, disregarding the words “to which this section applies” in subsection (1) of section 22 and [F¹ subsections (2) to (3C)] of that section, a first-year allowance could have been made to the lessee if he had bought the machinery or plant at that time and had incurred capital expenditure in doing so, or
 - (b) the buyer’s expenditure was new expenditure and, had the lessee bought the machinery or plant at that time and had incurred new expenditure in doing so, that expenditure would have fallen to be included, in whole or in part, in the lessee’s qualifying expenditure for any chargeable period for the purposes of section 24(2) to (5).

For the purposes of paragraph (a) above, section 148(5) and (6) shall be disregarded.

- (3) The buyer uses the machinery or plant for short-term leasing.

- (6) Without prejudice to subsections (1) to (5) above but subject to subsection (8) below, a ship is also used for a qualifying purpose at any time when it is let on charter in the course of a trade which consists of or includes operating ships if—
- (a) the person carrying on the trade is resident in the United Kingdom or carries on the trade there, and
 - (b) that person is responsible as principal (or appoints another person to be responsible in his stead) for navigating and managing the ship throughout the period of the charter and for defraying all expenses in connection with the ship throughout that period or substantially all such expenses other than those directly incidental to a particular voyage or to the employment of the ship during that period.
- (7) Subsection (6) above shall with the necessary modifications apply also in relation to aircraft.
- (8) Subsection (6) above does not apply if the main object, or one of the main objects, of the letting of the ship or aircraft on charter, or of a series of transactions of which the letting on charter was one, or of any of the transactions in such a series was to obtain—

40 Meaning of “short-term leasing” and “the requisite period”.

(1) In this Chapter “short-term leasing”, in relation to any machinery or plant, means leasing the machinery or plant in such a manner—

(a) that—

- (i) the number of consecutive days for which it is leased to the same person will normally be less than 30, and
- (ii) the total number of days for which it is leased to the same person in any period of 12 months will normally be less than 90, or

(b) that—

- (i) the number of consecutive days for which it is leased to the same person will not normally exceed 365, and
- (ii) subject to subsection (2) below, the aggregate of the periods for which it is leased in the requisite period to lessees in circumstances not falling within section 39(2) will not exceed two years.

(2) In a case where the requisite period exceeds four years the reference in subsection (1) (b)(ii) above to that period shall be construed as a reference to any period of four consecutive years which falls within the requisite period.

(3) For the purposes of subsection (1) above, persons who are connected with each other shall be treated as the same person and where any machinery or plant is leased as one of a number of items which form part of a pool of items of the same or a similar description and are not separately identifiable, all the items in the pool may be treated as used for short-term leasing within the meaning of that subsection if substantially the whole of the items in the pool are so used.

(4) For the purposes of this Chapter the requisite period is—

(a) in the case of expenditure not falling within paragraph (b) below, the period of four years beginning with the date on which the machinery or plant is first brought into use by the person who incurred the expenditure, or

(b) in the case of—

- (i) new expenditure, or
- (ii) old expenditure as respects which section 70(3) of the ^{M1}Finance Act 1982 had effect,

the period of ten years beginning with the date on which the machinery or plant is first brought into use by the person who incurred the expenditure;

except that where the machinery or plant ceases to belong to that person at any time before the end of those four years or ten years (as the case may be), the requisite period shall end at that time.

If the circumstances are such that machinery or plant is used for a qualifying purpose, this subsection shall have effect [^{F3}for the purposes of sections 31(2) and 37(6)] with the substitution for each reference to ten years of a reference to four years.

(5) For the purposes of subsection (4) above, machinery or plant shall be treated as continuing to belong to the person who incurred the expenditure so long as it belongs to—

41 Writing-down allowances etc. for leased assets and inexpensive cars.

(1) Where—

- (a) section 42 applies to expenditure on the provision of machinery or plant for leasing in the course of a trade, or
- (b) section 22(4)(c) precludes, or would but for section 75 preclude, the making of a first-year allowance in respect of expenditure incurred by a person on the provision of machinery or plant for leasing in the course of a trade, or
- (c) paragraph (a) above does not apply and expenditure is incurred on the provision for the purposes of a trade of a motor car to which section 34 does not apply,

then, subject to the following provisions of this Chapter, subsections (2) to (6) below shall have effect with respect to the allowances and charges to be made in the case of the trade (“the actual trade”) under section 24.

(2) It shall be assumed for the purposes of sections 24, 25 and 26—

- (a) that the person carrying on the trade incurred the expenditure on the provision of the machinery or plant wholly and exclusively for the purposes of a trade carried on by him separately from the actual trade and any other trade carried on by him; and
- (b) that without prejudice to section 24(6)(c)(i) to (iii), the separate trade is permanently discontinued when the machinery or plant begins to be used wholly or partly for purposes other than those of the actual trade;

and the allowance or charge under section 24 which, on those assumptions and having regard to subsections (3) and (4) below, would fall to be made for any chargeable period in the case of the separate trade shall be made for that period in the case of the actual trade.

(3) If an allowance under section 24 falling by virtue of this section to be made for any chargeable period in the case of the actual trade is not claimed^{F4}... , or is reduced in amount in accordance with a requirement under subsection (3)^{F4}... of that section, then in determining the allowance or charge under that section which would fall to be made for any subsequent chargeable period in the case of the separate trade, any allowance falling to be made in the case of that trade for the first-mentioned chargeable period shall be treated as not claimed^{F4}... or, as the case may require, as proportionately reduced.

- (4) Where in the case of any person sections 24, 25 and 26 apply in accordance with this section to different items of machinery or plant—
- (a) those sections shall apply separately in relation to expenditure falling within paragraph (a) of subsection (1) above and to expenditure falling within paragraph (b) or (c) of that subsection; and
 - (b) if there is more than one item of machinery or plant falling within subsection (1)(a) above or within subsection (1)(b) or (c) or one item of machinery or plant falling within subsection (1)(b) and one falling within subsection (1)(c), those sections shall apply as if the separate trade for which each such item is treated as used were the same trade, and accordingly that trade shall not by virtue of subsection (2)(b) above be treated as permanently discontinued until all the items falling within subsection (1)(a) or subsection (1)(b) and (c) begin to be used wholly or partly for purposes other than those of the actual trade.
- (5) Where sections 24, 25 and 26 have effect in accordance with this section in respect of expenditure incurred by a person providing machinery or plant for the purposes of a trade, then, if the machinery or plant is disposed of by him to a person who is connected with him and the disposal is not on an occasion on which the trade is treated as continuing by virtue of section 113(2), 114(1) or 343(2) of the principal Act or section 77(1) of this Act—
- (a) the disposal value to be brought into account under sections 24, 25 and 26 in the case of the separate trade shall be of an amount equal to the price which the machinery or plant would have fetched on a sale at the same time in the open market or, if less, the capital expenditure incurred or treated as incurred on the provision of the machinery or plant by the person disposing of it; and
 - (b) the person acquiring it shall be treated for the purposes of this Part as having incurred on its provision expenditure equal to that disposal value.
- [^{F5}(6) This section does not apply—
- (a) to machinery or plant in relation to which sections 24, 25 and 26 apply in accordance with section 34, 79 or 80; or
 - (b) to machinery or plant the expenditure on which is expenditure to which Chapter IVA of this Part applies.]

and there shall be made all such apportionments as are necessary in consequence of this subsection.

- (4) Where by virtue of subsection (2) above a first-year allowance has been made in respect of the whole or part of the expenditure on the provision of any machinery or plant and at any time in the requisite period while it is leased as mentioned in subsection (1) above no lessee uses it for the purpose of a trade or trades the profits or gains of which are chargeable to income tax or corporation tax, section 47 shall have effect as if the machinery or plant or, as the case may be, the separate item referred to in subsection (3)(a) above had at that time been used otherwise than for a qualifying purpose.
- (5) Where by virtue of subsection (2) above a first-year allowance has been made in respect of the whole or part of the expenditure on the provision of any machinery or plant and at the end of the requisite period the machinery or plant is leased as mentioned in subsection (1) above but subsection (4) has not had effect, then, if it appears that the extent to which the machinery or plant has been used for the purposes of a trade or trades the profits or gains of which are chargeable to income tax or corporation tax is less than that by reference to which the amount of the first-year allowance was determined—
 - (a) section 47 shall have effect as if a part of the expenditure corresponding to the reduction in the extent of such use were expenditure on the provision of a separate item of machinery or plant used otherwise than for a qualifying purpose on the last day of that period;
 - (b) any disposal value subsequently brought into account in respect of the machinery or plant under section 24 shall, instead of being apportioned in accordance with subsection (3) above, be apportioned by reference to the extent of such use as determined at the end of that period.
- (6) Where a first-year allowance has been made in respect of expenditure on the provision of machinery or plant otherwise than by virtue of subsection (2) above and the machinery or plant is subsequently leased in the requisite period to two or more persons jointly, subsections (4) and (5) above shall apply as if the first-year allowance had been made by virtue of subsection (2) above and had been so made in respect of the whole expenditure.
- (7) Where the machinery or plant is leased to two or more persons jointly and at least one of the joint lessees is a person falling within section 42(1)(a) and (b) (“a non-resident lessee”)—
 - (a) any reference in subsections (2) to (6) above to the requisite period shall be construed in accordance with section 40(4)(b)(ii) whether or not there is also a joint lessee who is not a non-resident lessee;
 - (b) if the circumstances are such that no first-year allowance has been or may be made in respect of any part of the expenditure on the provision of the machinery or plant in question, section 42 shall apply in relation to that expenditure as if all the joint lessees were non-resident lessees; and
 - (c) if, by virtue of subsections (3), (4) or (5) above, sections 24, 25 and 26 have effect (directly or through the operation of section 47) in relation to the whole or any part of the expenditure on the machinery or plant in question, those sections shall have effect, in accordance with section 42(2), as if that expenditure were expenditure falling within section 42(1).

46 Recovery of excess relief: new expenditure.

- (1) Where new expenditure incurred by any person in providing machinery or plant has qualified for a normal writing-down allowance and the machinery or plant is at any time in the requisite period used for the purpose of being leased to a non-resident, otherwise than by permitted leasing—
 - (a) an amount equal to the excess relief shall, in relation to the person to whom the machinery or plant then belongs, be treated as if it were a balancing charge to be made on him for the chargeable period in which, ^{F8}... , the machinery or plant is first so used; and
 - (b) for the purposes of sections 24, 25 and 26 (as they have effect with respect to expenditure which does not fall within section 42(1)), an amount equal to the unused expenditure shall, in relation to that person, be treated as if it were a disposal value to be brought into account for the chargeable period referred to in paragraph (a) above; and
 - (c) sections 24, 25 and 26 (as they have effect as mentioned in paragraphs (a) to (e) of section 42(2)) shall apply as if a sum equal to the aggregate of the amounts in paragraphs (a) and (b) above were qualifying expenditure of that person for the next chargeable period and, for the purpose of subsequently bringing any disposal value into account, as if the machinery or plant had always been used for the purposes of the separate trade.
- (2) The excess relief is the excess, if any, of—
 - (a) any normal writing-down allowances made in respect of the new expenditure for the chargeable period related to the incurring of the expenditure and any subsequent chargeable period up to and including that mentioned in subsection (1)(a) above, over
 - (b) the maximum writing-down allowance or allowances that could have been made in respect of the expenditure for those chargeable periods if no normal writing-down allowance had been or could have been made.
- (3) The unused expenditure is the amount by which the new expenditure incurred in providing the machinery or plant exceeds the allowances referred to in subsection (2) (a) above.
- (4) For the purposes of subsection (2) above, the normal writing-down allowances that were made in respect of new expenditure on any item of machinery or plant shall be determined as if that item were the only item of machinery or plant in relation to which sections 24, 25 and 26 had effect.
- (5) Where the person to whom any machinery or plant belongs at a time when it is first used for the purpose of being leased to a non-resident, otherwise than by permitted leasing, has acquired it as a result of a transaction which was, or a series of transactions each of which was, between connected persons and a normal writing-down allowance in respect of expenditure on the provision of the machinery or plant has been made to any of those persons—
 - (a) subsection (2) above shall have effect as if it referred to that allowance and to the expenditure in respect of which it was made;
 - (b) for the purposes of subsection (2) any consideration paid or received on a disposal of the machinery or plant between connected persons shall be disregarded; and
 - (c) if a balancing allowance or balancing charge is made in respect of the machinery or plant there shall be made such adjustments of the total relief

- (6) Where the person to whom any machinery or plant belongs at such a time as is mentioned in subsection (5) above acquired it as there mentioned and—
- (a) new expenditure incurred on the provision of the machinery or plant by any of the connected persons would have qualified for a normal writing-down allowance but such an allowance was not claimed^{F17}... ; and
 - (b) a balancing allowance is made to any of those persons in respect of that expenditure,

this section shall with the necessary modifications apply as it applies where a normal writing-down allowance has been made.

- (7) If at any time in the requisite period a ship is used for the purpose of being leased to a non-resident otherwise than by permitted leasing, then, without prejudice to subsections (1) to (6) above—

 - (b) nothing in section 31(7) shall affect the operation of subsection (1) above;
 - (c) sections 24, 25 and 26 (as they have effect in accordance with [^{F18}whichever of sections 38E and 41 is applicable]) shall apply as if the amount of any allowance in respect of the ship which has been postponed under section 31 and not made were qualifying expenditure for the next chargeable period after that in which the ship is first so used.

^{F19}(8) For the purposes of the application of this section to any expenditure to which section 22 applies by virtue of subsection (3B) [^{F20}or (3C)] of that section, this section shall have effect as if—
