*Special provisions for requiring purchase of whole of partially affected agricultural unit*

**145 Counter-notice requiring purchase of remainder of agricultural unit.**

- (1) This section applies where—
- (a) an acquiring authority is deemed under this Chapter to have served notice to treat in respect of any agricultural land on a person (“the claimant”) who has a greater interest in the land than as tenant for a year or from year to year (whether or not he is in occupation of the land), and
  - (b) the claimant has such an interest in other agricultural land (“the unaffected area”) comprised in the same agricultural unit as that to which the notice relates.
- (2) Where this section applies the claimant may serve on the acquiring authority a counter-notice—
- (a) claiming that the unaffected area is not reasonably capable of being farmed, either by itself or in conjunction with other relevant land, as a separate agricultural unit; and
  - (b) requiring the acquiring authority to purchase his interest in the whole of the unaffected area.
- (3) Subject to subsection (4), “other relevant land” in subsection (2) means—
- (a) land which is comprised in the same agricultural unit as the land to which the notice to treat relates and in which the claimant does not have such an interest as is mentioned in subsection (1); and
  - (b) land which is comprised in any other agricultural unit occupied by the claimant on the date on which the notice to treat is deemed to have been served and in respect of which he is then entitled to a greater interest than as tenant for a year or from year to year.
- (4) Where a notice to treat has been served or is deemed under this Chapter or under Part III of the <sup>M65</sup>Compulsory Purchase (Vesting Declarations) Act 1981 to have been served in respect of any of the unaffected area or in respect of other relevant land as defined in subsection (3), then, unless and until the notice to treat is withdrawn, this section and section 146 shall have effect as if that land did not form part of the unaffected land or, as the case may be, did not constitute other relevant land.
- (5) Where a counter-notice is served under subsection (2) the claimant shall also serve a copy of it on any other person who has an interest in the unaffected area (but failure to comply with this subsection shall not invalidate the counter-notice).
- (6) A counter-notice under subsection (2) and any copy of that notice required to be served under subsection (5) must be served within the period of two months beginning with the date on which the notice to treat is deemed to have been served.
- (7) This section is without prejudice to the rights conferred by sections 93 and 94 of the <sup>M66</sup>Lands Clauses (Consolidation) Act 1845 or section 8(2) and (3) of the <sup>M67</sup>Compulsory Purchase Act 1965 (provisions as to divided land).

- (2) On such a reference the Tribunal shall determine whether the claim in the counter-notice is justified and declare the counter-notice valid or invalid accordingly.
- (3) Where a counter-notice is accepted as valid under subsection (1) or declared to be valid under subsection (2), the acquiring authority shall be deemed—

- (7) The period allowed for compliance with the notice is—
  - (a) such period of not less than twenty-eight days beginning with the date of service of the notice as may be specified in the notice; or

## 278 Objections to orders under ss. 275 and 277.

- (1) For the purposes of sections 275 to 277, an objection to the making of an order shall not be treated as duly made unless—
- (a) the objection is made within the time and in the manner specified in the notice required by section 276 or, as the case may be, section 277; and
  - (b) a statement in writing of the grounds of the objection is comprised in or submitted with the objection.
- (2) Where an objection to the making of such an order is duly made in accordance with subsection (1) and is not withdrawn, the following provisions of this section shall have effect in relation to it.
- (3) Unless the appropriate Minister decides without regard to the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, before he makes a final decision he—
- (a) shall consider the grounds of the objection as set out in the statement; and
  - (b) may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- (4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.

- (a) after considering the grounds of the objection as so set out, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates; or
  - (b) in a case where a further statement has been required, it is not submitted within the specified period,
- the appropriate Minister may make a final decision without further investigation as to those matters.
- (6) Subject to subsections (4) and (5), before making a final decision the appropriate Minister shall give the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the appropriate Minister.
  - (7) If the objector takes that opportunity, the appropriate Minister shall give an opportunity of appearing and being heard on the same occasion to the statutory undertakers, local authority or Minister on whose representation the order is proposed to be made, and to any other persons to whom it appears to him to be expedient to give such an opportunity.

- (i) planning permission for that development would have been granted by a development order but for a direction given under such an order that planning permission so granted should not apply to the development; and
    - (ii) it is not development which has received specific parliamentary approval (within the meaning of section 264(6));
  - (b) in respect of any order under section 97, as modified by section 269, by which planning permission which was granted on the application of those undertakers for the development of any such land is revoked or modified.
- (2) Where by virtue of section 271—
  - (a) any right vested in or belonging to statutory undertakers is extinguished; or

  - (b) the Secretary of State and the appropriate Minister include in the decision or order a direction that subsection (1) shall not apply to it.
- (6) The Secretary of State and the appropriate Minister may only give a direction under subsection (5) if they are satisfied, having regard to the nature, situation and existing development of the land and of any neighbouring land, and to any other material considerations, that it is unreasonable that compensation should be recovered in respect of the decision or order in question.

## 280 Measure of compensation to statutory undertakers, etc.

- (1) Where statutory undertakers are entitled to compensation—
- (a) as mentioned in subsection (1), (2) or (4) of section 279;
  - (b) under the provisions of section 115 in respect of an order made under section 102 or paragraph 1, 3, 5 or 6 of Schedule 9, as modified by section 270; or
  - (c) in respect of a compulsory acquisition of land which has been acquired by those undertakers for the purposes of their undertaking, where the first-mentioned acquisition is effected under a compulsory purchase order confirmed or made without the appropriate Minister's certificate,
- or the operator of a telecommunications code system is entitled to compensation as mentioned in section 279(3), the amount of the compensation shall (subject to section 281) be an amount calculated in accordance with this section.
- (2) Subject to subsections (4) to (6), that amount shall be the aggregate of—
- (a) the amount of any expenditure reasonably incurred in acquiring land, providing apparatus, erecting buildings or doing work for the purpose of any adjustment of the carrying on of the undertaking or, as the case may be, the running of the telecommunications code system rendered necessary by the proceeding giving rise to compensation (a “business adjustment”);
  - (b) the appropriate amount for loss of profits; and
  - (c) where the compensation is under section 279(2) or (3), and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers or, as the case may be, the operator in complying with the requirement, reduced by the value after removal of the apparatus removed.
- (3) In subsection (2) “the appropriate amount for loss of profits” means—
- (a) where a business adjustment is made, the aggregate of—
    - (i) the estimated amount of any decrease in net receipts from the carrying on of the undertaking or, as the case may be, the running of the telecommunications code system pending the adjustment, in so far as the decrease is directly attributable to the proceeding giving rise to compensation; and
    - (ii) such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking or, as the case may be, the running of the telecommunications code system in the period after the adjustment has been completed, in so far as the decrease is directly attributable to the adjustment;
  - (b) where no business adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking or, as the case may be, the running of the

telecommunications code system which is directly attributable to the proceeding giving rise to compensation.

(4) Where a business adjustment is made, the aggregate amount mentioned in subsection (2) shall be reduced by such amount (if any) as appears to the Lands Tribunal to be appropriate to offset—

- (a) the estimated value of any property (whether moveable or immoveable) belonging to the statutory undertakers or the operator and used for the carrying on of their undertaking or, as the case may be, the running of the telecommunications code system which in consequence of the adjustment ceases to be so used, in so far as the value of the property has not been taken into account under paragraph (c) of that subsection; and
- (b) the estimated amount of any increase in net receipts from the carrying on of the undertaking or the running of the telecommunications code system in the period after the adjustment has been completed, in so far as that amount has not been taken into account in determining the amount mentioned in paragraph (b) of that subsection and is directly attributable to the adjustment.

(5) Where a business adjustment is made the aggregate amount mentioned in subsection (2) shall be further reduced by any amount which appears to the Lands Tribunal to be appropriate, having regard to any increase in the capital value of immoveable property belonging to the statutory undertakers or the operator which is directly attributable to the adjustment, allowance being made for any reduction made under subsection (4)(b).

(6) Where—

- (a) the compensation is under section 279(4); and
- (b) the acquiring or appropriating authority carry out the works,

then, in addition to any reduction falling to be made under subsection (4) or (5), the aggregate amount mentioned in subsection (2) shall be reduced by the actual cost to the authority of carrying out the works.

(7) References in this section to a decrease in net receipts shall be construed as references—

- (a) to the amount by which a balance of receipts over expenditure is decreased;
- (b) to the amount by which a balance of expenditure over receipts is increased; or
- (c) where a balance of receipts over expenditure is converted into a balance of expenditure over receipts, to the aggregate of the two balances;

and references to an increase in net receipts shall be construed accordingly.

“proceeding giving rise to compensation” means—

- (a) except in relation to compensation under section 279(4), the particular action (that is to say, the decision, order, extinguishment of a right, imposition of a requirement or acquisition) in respect of which compensation falls to be assessed, as distinct from any development or project in connection with which that action may have been taken;
- (b) in relation to compensation under section 279(4), the circumstances making it necessary for the apparatus in question to be removed or re-sited;

“the appropriate Minister’s certificate” means such a certificate as is mentioned in section 16 of or paragraph 3 of Schedule 3 to the <sup>M162</sup>Acquisition of Land Act 1981.
