

New Roads and Street Works Act 1991

1991 CHAPTER 22

PART III

STREET WORKS IN ENGLAND AND WALES

Streets subject to special controls

63 Streets with special engineering difficulties.

- (1) The provisions of Schedule 4 have effect for requiring the settlement of a plan and section of street works to be executed in a street designated by the street authority as having special engineering difficulties.
- (2) The Secretary of State may prescribe—
 - (a) the criteria for designating a street as having special engineering difficulties,
 - (b) the procedure for making or withdrawing such a designation, and
 - (c) the information to be made available by a street authority as to the streets for the time being so designated by them.
- (3) Where a local highway authority are asked to designate a street as having special engineering difficulties—
 - (a) by a transport authority on the ground of the proximity of the street to a structure belonging to, or under the management or control of, the authority, or
 - (b) by an undertaker having apparatus in the street,and decline to do so, the transport authority or undertaker may appeal to the Secretary of State who may direct that the street be designated.
- (4) The designation of a street as having special engineering difficulties shall not be withdrawn except after consultation with any transport authority or undertaker at whose request the designation was made; and a designation made in pursuance of a direction by the Secretary of State shall not be withdrawn except with his consent.
