

New Roads and Street Works Act 1991

1991 CHAPTER 22

PART III

STREET WORKS IN ENGLAND AND WALES

Streets subject to special controls

64 Traffic-sensitive streets.

- (1) Regulations made for the purposes of section 54, 55 or 57 (notices required to be given in respect of street works) [^{F1}or paragraph 2 of Schedule 3A] may make special provision in relation to street works in a street designated by the street authority as traffic-sensitive.
- (2) The Secretary of State may prescribe—
 - (a) the criteria for designating a street as traffic-sensitive,
 - (b) the procedure for making or withdrawing such a designation, and
 - (c) the information to be made available by a street authority as to the streets for the time being so designated by them.
- (3) If it appears to the street authority that the prescribed criteria are met only at certain times or on certain dates, a limited designation may be made accordingly.

In such a case the reference in subsection (1) to the execution of works in a street designated as traffic-sensitive shall be construed as a reference to works so executed at those times or on those dates.

- [^{F2}(4) Where any council of a London borough or the Common Council of the City of London are asked by the Traffic Director for London to designate a street as a traffic-sensitive street and they decline to do so, the Director may appeal to the Secretary of State who may direct that the street be designated.]
