

# New Roads and Street Works Act 1991

## 1991 CHAPTER 22

### PART III

#### STREET WORKS IN ENGLAND AND WALES

##### *Reinstatement*

#### **72 Powers of street authority in relation to reinstatement.**

- (1) The street authority may carry out such investigatory works as appear to them to be necessary to ascertain whether an undertaker has complied with his duties under this Part with respect to reinstatement.

If such a failure is disclosed, the undertaker shall bear the cost of the investigatory works; if not, the street authority shall bear the cost of the investigatory works and of any necessary reinstatement.

- (2) Where an undertaker has failed to comply with his duties under this Part with respect to reinstatement, he shall bear the cost of—
- (a) a joint inspection with the street authority to determine the nature of the failure and what remedial works need to be undertaken,
  - (b) an inspection by the authority of the remedial works in progress, and
  - (c) an inspection by the authority when the remedial works have been completed.

- (3) The street authority may by notice require an undertaker who has failed to comply with his duties under this Part with respect to reinstatement to carry out the necessary remedial works within such period of not less than 7 working days as may be specified in the notice.

If he fails to comply with the notice, the authority may carry out the necessary works and recover from him the costs reasonably incurred by them in doing so.

- (4) If it appears to the street authority that a failure by an undertaker to comply with his duties under this Part as to reinstatement is causing danger to users of the street,
