1991 CHAPTER 22

PART III

STREET WORKS IN ENGLAND AND WALES

Provisions with respect to particular authorities and undertakings

90 Provisions as to reinstatement of sewers, drains or tunnels.

- (1) The duties of an undertaker under this Part with respect to reinstatement of the street extend, in the case of street works which involve breaking up or opening a sewer, drain or tunnel, to the reinstatement of the sewer, drain or tunnel.
- (2) The responsible authority may by notice require an undertaker who has failed to comply with his duties under this Part with respect to reinstatement to carry out the necessary remedial works within such period of not less than 7 working days as may be specified in the notice.

If he fails to comply with the notice, the authority may carry out the necessary works and recover from him the costs reasonably incurred by them in doing so.

- (3) If it appears to the responsible authority that a failure by an undertaker to comply with his duties under this Part as to reinstatement is causing danger to users of the street, the authority may carry out the necessary works without first giving notice and may recover from him the costs reasonably incurred by them in doing so.

They shall, however, give notice to him as soon as reasonably practicable stating their reasons for taking immediate action.

- (4) The responsible authority for the purposes of this section is—
 - (a) in the case of a public sewer, the sewer authority, and
 - (b) in the case of any other sewer, drain or tunnel, the authority, body or person having the management or control of it.
