(i) subscribe for shares under the offer (or, in a case falling within subsection (1ZA) above, under the public offer) as members of the public, or

- (5C) If the amounts determined in accordance with subsection (5B) above as the appropriate notional prices for the shares of each of the companies subject to the public offer are such that, had the price for the combination of shares subject to the public offer been determined by aggregating the appropriate notional price (as so determined) for each one of the shares comprised in the combination, the price for the combination would have been different from the actual fixed price or (as the case may be) lowest successfully tendered price, then those amounts shall each be varied by multiplying them by the fraction of which—
- (a) the numerator is the actual fixed or lowest successfully tendered price for the combination of shares subject to the public offer; and
- (b) the denominator is the different price mentioned above;
- and those amounts, as so varied, shall be the appropriate notional prices for the purposes of this section.”
- (9) In section 77 of that Act (scope of provisions about unapproved employee share schemes) in subsection (1), for the words “Subject to subsections (2) and (3) below” there shall be substituted the words “Subject to subsections (2) to (4) below”, and after subsection (3) (exemption where the acquisition is made in pursuance of an offer to the public) there shall be added—
- “(4) Where, in a case falling within subsection (1ZA) of section 68 above, subsection (1) of that section—
- (a) applies or applied in relation to such a benefit as is there mentioned, or
- (b) would so apply or have applied, had there been any such benefit,
- any acquisition made on or after 16th January 1991 in pursuance of any of the offers which, in that case, fall to be regarded by virtue of subsection (1ZB) of that section as together constituting a single offer of shares to the public for the purposes of subsection (1) of that section shall be regarded for the purposes of subsection (3) above as an acquisition made in pursuance of an offer to the public.”
- (10) The amendments made by subsection (9) above shall be deemed to have come into force on 16th January 1991.

 - (b) the relevant participator is not connected with the guarantor;and section 839 of the Taxes Act 1988 (connected persons) applies for the purposes of this subsection and subsection (2) above.
- (4) Without prejudice to the generality of paragraph (a) of subsection (2) above, a contract shall not be regarded as entered into in good faith if, as a result of any arrangement, the liability to make good any such default as is referred to in subsection (1) above will be met, directly or indirectly, by such a person that, if he were the guarantor under the contract, the contract could not be an abandonment guarantee by virtue of paragraph (d) of subsection (2) above.
- (5) In this section and in section 3(5B) of the principal Act—
 - (a) in relation to an oil field, a “relevant agreement means a joint operating agreement, a unitisation agreement (within the meaning of paragraph 1(1) of Schedule 17 to the ^{M27}Finance Act 1980) or an agreement entered into by some or all of the parties to a joint operating agreement or such a unitisation agreement; and
