Agricultural Holdings (Scotland) Act 1991

1991 CHAPTER 55

An Act to consolidate the Agricultural Holdings (Scotland) Act 1949 and other enactments relating to agricultural holdings in Scotland. [25th July 1991]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

AGRICULTURAL HOLDINGS

1.—(1) In this Act (except sections 68 to 72) “agricultural holding” means the aggregate of the agricultural land comprised in a lease, not being a lease under which the land is let to the tenant during his continuance in any office, appointment or employment held under the landlord.

Meaning of “agricultural holding” and “agricultural land”.

(2) In this section and in section 2 of this Act, “agricultural land” means land used for agriculture for the purposes of a trade or business, and includes any other land which, by virtue of a designation of the Secretary of State under section 86(1) of the Agriculture (Scotland) Act 1948, is agricultural land within the meaning of that Act.

1948 c. 45.

2.—(1) Subject to subsection (2) below, where, under a lease entered into on or after 1st November 1948, land is let for use as agricultural land for a shorter period than from year to year, and the circumstances are such that if the lease were from year to year the land would be an agricultural holding, then, unless the letting was approved by the Secretary of State before the lease was entered into, the lease shall take effect, with the necessary modifications, as if it were a lease of the land from year to year.

Leases for less than year to year.

PART I (2) Subsection (1) above shall not apply to—

- (a) a lease entered into (whether or not the lease expressly so provides) in contemplation of the use of the land only for grazing or mowing during some specified period of the year;
- (b) a lease granted by a person whose interest in the land is that of a tenant under a lease for a shorter period than from year to year which has not by virtue of that subsection taken effect as a lease from year to year.

(3) Any question arising as to the operation of this section in relation to any lease shall be determined by arbitration.

Leases to be continued by tacit relocation.

3. Notwithstanding any agreement or any provision in the lease to the contrary, the tenancy of an agricultural holding shall not come to an end on the termination of the stipulated endurance of the lease, but shall be continued in force by tacit relocation for another year and thereafter from year to year, unless notice to quit has been given by the landlord or notice of intention to quit has been given by the tenant.

PART II**TERMS OF LEASES AND VARIATIONS THEREOF**

Written leases and the revision of certain leases.

4.—(1) Where in respect of the tenancy of an agricultural holding—

- (a) there is not in force a lease in writing; or
- (b) there is in force a lease in writing, being either—
 - (i) a lease entered into on or after 1st November 1948, or
 - (ii) a lease entered into before that date, the stipulated period of which has expired and which is being continued in force by tacit relocation,

but such lease contains no provision for one or more of the matters specified in Schedule 1 to this Act or contains a provision inconsistent with that Schedule or with section 5 of this Act,

either party may give notice in writing to the other requesting him to enter into a lease in writing containing, as the case may be, provision for all of the matters specified in Schedule 1 to this Act, or a provision which is consistent with that Schedule or with section 5 of this Act; and if within the period of 6 months after the giving of such notice no such lease has been concluded, the terms of the tenancy shall be referred to arbitration.

(2) On a reference under subsection (1) above, the arbiter shall by his award specify the terms of the existing tenancy and, in so far as those terms do not make provision for all the matters specified in Schedule 1 to this Act or make provision inconsistent with that Schedule or with section 5 of this Act, make such provision for those matters as appears to the arbiter to be reasonable.

(3) On a reference under subsection (1) above, the arbiter may include in his award any further provisions relating to the tenancy which may be agreed between the landlord and the tenant, and which are not inconsistent with this Act.

(4) The award of an arbiter under this section or section 5 of this Act shall have effect as if the terms and provisions specified and made therein were contained in an agreement in writing between the landlord and the tenant, having effect as from the making of the award or from such later date as the award may specify.

PART II

5.—(1) When a lease of an agricultural holding to which this section applies is entered into, a record of the condition of the fixed equipment on the holding shall be made forthwith, and on being so made shall be deemed to form part of the lease; and section 8 of this Act shall apply to the making of such a record and to the cost thereof as it applies to a record made under that section.

Fixed equipment
and insurance
premiums.

(2) There shall be deemed to be incorporated in every lease of an agricultural holding to which this section applies—

(a) an undertaking by the landlord that, at the commencement of the tenancy or as soon as is reasonably practicable thereafter, he will put the fixed equipment on the holding into a thorough state of repair, and will provide such buildings and other fixed equipment as will enable an occupier reasonably skilled in husbandry to maintain efficient production as respects both—

(i) the kind of produce specified in the lease, or (failing such specification) in use to be produced on the holding, and

(ii) the quality and quantity thereof,

and that he will during the tenancy effect such replacement or renewal of the buildings or other fixed equipment as may be rendered necessary by natural decay or by fair wear and tear; and

(b) a provision that the liability of the tenant in relation to the maintenance of fixed equipment shall extend only to a liability to maintain the fixed equipment on the holding in as good a state of repair (natural decay and fair wear and tear excepted) as it was in—

(i) immediately after it was put in repair as aforesaid, or

(ii) in the case of equipment provided, improved, replaced or renewed during the tenancy, immediately after it was so provided, improved, replaced or renewed.

(3) Nothing in subsection (2) above shall prohibit any agreement made between the landlord and the tenant after the lease has been entered into whereby one party undertakes to execute on behalf of the other, whether wholly at his own expense or wholly or partly at the expense of the other, any work which the other party is required to execute in order to fulfil his obligations under the lease.

(4) Any provision in a lease to which this section applies requiring the tenant to pay the whole or any part of the premium due under a fire insurance policy over any fixed equipment on the holding shall be null and void.

(5) Any question arising as to the liability of a landlord or tenant under this section shall be determined by arbitration.

(6) This section applies to any lease of an agricultural holding entered into on or after 1st November 1948.

PART II
Sums recovered
under fire
insurance policy.

6. Where the tenant of an agricultural holding is responsible for payment of the whole or part of the premium due under a fire insurance policy in the name of the landlord over any buildings or other subjects included in the lease of the holding and the landlord recovers any sum under such policy in respect of the destruction of, or damage to, the buildings or other subjects by fire, the landlord shall be bound, unless the tenant otherwise agrees, to expend such sum on the rebuilding, repair, or restoration of the buildings or subjects so destroyed or damaged in such manner as may be agreed or, failing agreement, as may be determined by the Secretary of State.

Freedom of
cropping and
disposal of
produce.

7.—(1) Subject to subsections (2) and (5) below, the tenant of an agricultural holding shall, notwithstanding any custom of the country or the provisions of any lease or of any agreement respecting the disposal of crops or the method of cropping of arable lands, have full right, without incurring any penalty, forfeiture or liability,—

- (a) to dispose of the produce of the holding, other than manure produced thereon;
- (b) to practise any system of cropping of the arable land on the holding.

(2) Subsection (1) above shall not have effect unless, before exercising his rights thereunder or as soon as is practicable after exercising them, the tenant makes suitable and adequate provision—

- (a) in the case of an exercise of the right to dispose of crops, to return to the holding the full equivalent manorial value to the holding of all crops sold off or removed from the holding in contravention of any such custom, lease or agreement; and
- (b) in the case of an exercise of the right to practise any system of cropping, to protect the holding from injury or deterioration.

(3) If the tenant of an agricultural holding exercises his rights under subsection (1) above so as to injure or deteriorate, or to be likely to injure or deteriorate, the holding, the landlord shall have the following remedies, but no other—

- (a) should the case so require, he shall be entitled to obtain an interdict restraining the exercise of the tenant's rights under that subsection in that manner;
- (b) in any case, on the tenant quitting the holding on the termination of the tenancy the landlord shall be entitled to recover damages for any injury to or deterioration of the holding attributable to the exercise by the tenant of his rights under that subsection.

(4) For the purposes of any proceedings for an interdict brought under subsection (3)(a) above, the question whether a tenant is exercising, or has exercised, his rights under subsection (1) above in such a manner as to injure or deteriorate, or to be likely to injure or deteriorate the holding, shall be determined by arbitration; and a certificate of the arbiter as to his determination of any such question shall, for the purposes of any proceedings (including an arbitration) brought under this section, be conclusive proof of the facts stated in the certificate.

(5) Subsection (1) above shall not apply—

PART II

- (a) in the case of a tenancy from year to year, as respects the year before the tenant quits the holding or any period after he has received notice to quit or given notice of intention to quit which results in his quitting the holding; or
- (b) in any other case, as respects the year before the expiry of the lease.

(6)-

- (a) In this section “arable land” does not include land in grass which, by the terms of a lease, is to be retained in the same condition throughout the tenancy;
- (b) the reference in paragraph (a) above to the terms of a lease shall, where the Secretary of State has directed under section 9 of the 1949 Act or an arbiter has directed under that section or under section 9 of this Act that the lease shall have effect subject to modifications, be construed as a reference to the terms of the lease as so modified.

8.—(1) The landlord or the tenant of an agricultural holding may, at any time during the tenancy, require the making of a record of the condition of the fixed equipment on, and of the cultivation of, the holding.

Record of condition, etc., of holding.

(2) The tenant may, at any time during the tenancy, require the making of a record of—

- (a) existing improvements carried out by him or in respect of the carrying out of which he has, with the consent in writing of his landlord, paid compensation to an outgoing tenant;
- (b) any fixtures or buildings which, under section 18 of this Act, he is entitled to remove.

(3) A record under this section shall be made by a person to be appointed by the Secretary of State, and shall be in such form as may be prescribed.

(4) A record made under this section shall show any consideration or allowances which have been given by either party to the other.

(5) Subject to section 5 of this Act, a record may, if the landlord or the tenant so requires, be made under this section relating to a part only of the holding or to the fixed equipment only.

(6) Any question or difference between the landlord and the tenant arising out of the making of a record under this section shall, on the application of the landlord or the tenant, be referred to the Land Court for determination by them.

(7) The cost of making a record under this section shall, in default of agreement between the landlord and the tenant, be borne by them in equal shares.

(8) The remuneration of the person appointed by the Secretary of State to make a record under this section shall be such amount as the Secretary of State may fix, and any other expenses of and incidental to the making of the record shall be subject to taxation by the auditor of the sheriff court, and that taxation shall be subject to review by the sheriff.

PART II

(9) The remuneration of the person appointed by the Secretary of State to make a record under this section shall be recoverable by that person from either the landlord or the tenant, but any amount paid by either of those parties in respect of—

(a) that remuneration, or

(b) any other expenses of and incidental to the making of the record, in excess of the share payable by him under subsection (7) above of the cost of making the record, shall be recoverable by him from the other party.

Arbitration as to permanent pasture.

9.—(1) Where under the lease of an agricultural holding, whether entered into before or after the commencement of this Act, provision is made for the maintenance of specified land, or a specified proportion of the holding, as permanent pasture, the landlord or the tenant may, by notice in writing served on the other party, demand a reference to arbitration under this Act of the question whether it is expedient in order to secure the full and efficient farming of the holding that the amount of land required to be maintained as permanent pasture should be reduced.

(2) On a reference under subsection (1) above the arbiter may by his award direct that the lease shall have effect subject to such modifications of its provisions as to land which is to be maintained as permanent pasture or is to be treated as arable land, and as to cropping, as may be specified in the direction.

(3) If the arbiter gives a direction under subsection (2) above reducing the area of land which is to be maintained as permanent pasture, he may also by his award direct that the lease shall have effect as if it provided that on quitting the holding on the termination of the tenancy the tenant should leave—

(a) as permanent pasture, or

(b) as temporary pasture sown with seeds mixture of such kind as may be specified in that direction,

(in addition to the area of land required by the lease, as modified by the direction, to be maintained as permanent pasture) a specified area of land not exceeding the area by which the land required to be maintained as permanent pasture has been reduced by the direction under subsection (2) above.

Power of landlord to enter on holding.

10. The landlord of an agricultural holding or any person authorised by him may at all reasonable times enter on the holding for any of the following purposes—

(a) viewing the state of the holding;

(b) fulfilling the landlord's responsibilities to manage the holding in accordance with the rules of good estate management;

(c) providing, improving, replacing or renewing fixed equipment on the holding otherwise than in fulfilment of such responsibilities.

11.—(1) Subject to subsections (2) to (8) below, the tenant of an agricultural holding may, by will or other testamentary writing, bequeath his lease of the holding to his son-in-law or daughter-in-law or to any one of the persons who would be, or would in any circumstances have been, entitled to succeed to the estate on intestacy by virtue of the Succession (Scotland) Act 1964.

PART II
Bequest of lease.

1964 c. 41.

(2) A person to whom the lease of a holding is so bequeathed (in this section referred to as “the legatee”) shall, if he accepts the bequest, give notice of the bequest to the landlord of the holding within 21 days after the death of the tenant, or, if he is prevented by some unavoidable cause from giving such notice within that period, as soon as practicable thereafter.

(3) The giving of a notice under subsection (2) above shall import acceptance of the lease and, unless the landlord gives a counter-notice under subsection (4) below, the lease shall be binding on the landlord and on the legatee, as landlord and tenant respectively, as from the date of the death of the deceased tenant.

(4) Where notice has been given under subsection (2) above, the landlord may within one month thereafter give to the legatee a counter-notice intimating that he objects to receiving him as tenant under the lease.

(5) If the landlord gives a counter-notice under subsection (4) above, the legatee may make application to the Land Court for an order declaring him to be tenant under the lease as from the date of the death of the deceased tenant.

(6) If, on the hearing of such an application, any reasonable ground of objection stated by the landlord is established to the satisfaction of the Land Court, they shall declare the bequest to be null and void, but in any other case they shall make an order in terms of the application.

(7) Pending any proceedings under this section, the legatee, with the consent of the executor in whom the lease is vested under section 14 of the Succession (Scotland) Act 1964, shall, unless the Land Court on cause shown otherwise direct, have possession of the holding.

(8) If the legatee does not accept the bequest, or if the bequest is declared null and void under subsection (6) above, the right to the lease shall be treated as intestate estate of the deceased tenant in accordance with Part I of the Succession (Scotland) Act 1964.

12.—(1) A person to whom the lease of an agricultural holding is transferred under section 16 of the Succession (Scotland) Act 1964 (referred to in this section as “the acquirer”) shall give notice of the acquisition to the landlord of the holding within 21 days after the date of the acquisition, or, if he is prevented by some unavoidable cause from giving such notice within that period, as soon as is practicable thereafter and, unless the landlord gives a counter-notice under subsection (2) below, the lease shall be binding on the landlord and on the acquirer, as landlord and tenant respectively, as from the date of the acquisition.

Right of landlord
to object to
acquirer of lease.

PART II

(2) Within one month after receipt of a notice given under subsection (1) above the landlord may give a counter-notice to the acquirer intimating that the landlord objects to receive him as tenant under the lease; and not before the expiry of one month from the giving of the counter-notice the landlord may make application to the Land Court for an order terminating the lease.

(3) On an application under subsection (2) above, the Land Court shall, if they are satisfied that the landlord has established a reasonable ground of objection, make an order terminating the lease, to take effect as from such term of Whitsunday or Martinmas as they may specify.

1964 c. 41.

(4) Pending any proceedings under this section, the acquirer, with the consent of the executor in whom the lease is vested under section 14 of the Succession (Scotland) Act 1964 shall, unless the Land Court on cause shown otherwise direct, have possession of the holding.

(5) Termination of the lease under this section shall be treated, for the purposes of Parts IV and V of this Act (compensation), as termination of the acquirer's tenancy of the holding; but nothing in this section shall entitle him to compensation for disturbance.

Variation of rent

Variation of rent.

13.—(1) Subject to subsection (8) below, the landlord or the tenant of an agricultural holding may, whether the tenancy was created before or after the commencement of this Act, by notice in writing served on the other party, demand a reference to arbitration of the question what rent should be payable in respect of the holding as from the next day after the date of the notice on which the tenancy could have been terminated by notice to quit (or notice of intention to quit) given on that date, and the matter shall be referred accordingly.

(2) On a reference under subsection (1) above, the arbiter shall determine, in accordance with subsections (3) to (7) below the rent properly payable in respect of the holding as from the "next day" mentioned in subsection (1) above.

(3) For the purposes of this section the rent properly payable in respect of a holding shall normally be the rent at which, having regard to the terms of the tenancy (other than those relating to rent), the holding might reasonably be expected to be let in the open market by a willing landlord to a willing tenant, there being disregarded (in addition to the matters referred to in subsection (5) below) any effect on rent of the fact that the tenant is in occupation of the holding.

(4) Where the evidence available to the arbiter is in his opinion insufficient to enable him to determine the rent properly payable or he is of the view that the open market for rents of comparable subjects in the surrounding area is distorted by scarcity of lets or by other factors, the rent properly payable for the purposes of this section shall be the rent which he would expect to be paid, in a market which was not affected by such distortion, having particular regard to the following—

- (a) information about open market rents of comparable subjects outside the surrounding area;
- (b) the entire range of offers made as regards any lease of subjects which are comparable after regard is had to the terms of that lease;

PART II

- (c) sitting tenants' rents fixed by agreement for subjects in the surrounding area which are comparable after regard is had to any element attributable to goodwill between landlord and tenant or to similar considerations; and
- (d) the current economic conditions in the relevant sector of agriculture.

(5) The arbiter shall not take into account any increase in the rental value of the holding which is due to improvements—

(a) so far as—

(i) they have been executed wholly or partly at the expense of the tenant (whether or not that expense has been or will be reimbursed by a grant out of moneys provided by Parliament) without equivalent allowance or benefit having been made or given by the landlord in consideration of their execution; and

(ii) they have not been executed under an obligation imposed on the tenant by the terms of his lease;

(b) which have been executed by the landlord, in so far as the landlord has received or will receive grants out of moneys provided by Parliament in respect of the execution thereof,

nor fix the rent at a higher amount than would have been properly payable if those improvements had not been so executed.

(6) The continuous adoption by the tenant of a standard of farming or a system of farming more beneficial to the holding than the standard or system required by the lease or, in so far as no system of farming is so required, than the system of farming normally practised on comparable holdings in the district, shall be deemed, for the purposes of subsection (5) above, to be an improvement executed at his expense.

(7) The arbiter shall not fix the rent at a lower amount by reason of any dilapidation or deterioration of, or damage to, fixed equipment or land caused or permitted by the tenant.

(8) Subject to subsection (9) below, a reference to arbitration under subsection (1) above shall not be demanded in circumstances which are such that any increase or reduction of rent made in consequence thereof would take effect as from a date earlier than the expiry of 3 years from the latest in time of the following—

(a) the commencement of the tenancy;

(b) the date as from which there took effect a previous variation of rent (under this section or otherwise);

(c) the date as from which there took effect a previous direction under this section that the rent should continue unchanged.

(9) There shall be disregarded for the purposes of subsection (8) above—

(a) a variation of rent under section 14 of this Act;

(b) an increase of rent under section 15(1) of this Act;

(c) a reduction of rent under section 31 of this Act.

PART II
Arbitrations under
sections 4 and 5.

14. Where it appears to an arbiter—

- (a) on a reference under section 4 of this Act that, by reason of any provision which he is required by that section to include in his award, or
- (b) on a reference under section 5 of this Act that, by reason of any provision included in his award,

it is equitable that the rent of the holding should be varied, he may vary the rent accordingly.

Increase of rent
for certain
improvements by
landlord.

15.—(1) Where the landlord of an agricultural holding has, whether before or after the commencement of this Act, carried out on the holding an improvement (whether or not one for the carrying out of which compensation is provided for under Part IV of this Act)—

- (a) at the request of, or in agreement with, the tenant,
- (b) in pursuance of an undertaking given by the landlord under section 39(3) of this Act, or
- (c) in compliance with a direction given by the Secretary of State under powers conferred on him by or under any enactment,

subject to subsections (2) and (3) below, the rent of the holding shall, if the landlord by notice in writing served on the tenant within 6 months from the completion of the improvement so requires, be increased as from the completion of the improvement by an amount equal to the increase in the rental value of the holding attributable to the carrying out of the improvement.

(2) Where any grant has been made to the landlord out of moneys provided by Parliament, in respect of an improvement to which subsection (1) above applies, the increase in rent provided for by that subsection shall be reduced proportionately.

(3) Any question arising between the landlord and the tenant in the application of this section shall be determined by arbitration.

Termination of tenancy

Leases not
terminated by
variation of terms,
etc..

16. The lease of an agricultural holding shall not be brought to an end, and accordingly neither party shall be entitled to bring proceedings to terminate the lease or, except with the consent of the other party, to treat it as at an end, by reason only that any new term has been added to the lease or that any terms of the lease (including the rent payable) have been varied or revised in pursuance of this Act.

Prohibition of
removal of
manure, etc., after
notice to quit, etc..

17. Where, in respect of an agricultural holding, notice to quit is given by the landlord or notice of intention to quit is given by the tenant, the tenant shall not, subject to any agreement to the contrary, at any time after the date of the notice, sell or remove from the holding any manure or compost, or any hay, straw or roots grown in the last year of the tenancy, unless and until he has given the landlord or the incoming tenant a reasonable opportunity of agreeing to purchase them on the termination of the tenancy at their fair market value, or at such other value as is provided by the lease.

18.—(1) Subject to subsections (2) to (4) below, and to section 40(4)(a) of this Act—

PART II
Tenant's right to
remove fixtures
and buildings.

- (a) any engine, machinery, fencing or other fixture affixed to an agricultural holding by the tenant thereof; and
- (b) any building (other than one in respect of which the tenant is entitled to compensation under this Act or otherwise) erected by him on the holding,

not being a fixture affixed or a building erected in pursuance of some obligation in that behalf, or instead of some fixture or building belonging to the landlord, shall be removable by the tenant at any time during the continuance of the tenancy or before the expiry of 6 months, or such longer period as may be agreed, after the termination of the tenancy and shall remain his property so long as he may remove it by virtue of this subsection.

(2) The right conferred by subsection (1) above shall not be exercisable in relation to a fixture or building unless the tenant—

- (a) has paid all rent owing by him and has performed or satisfied all his other obligations to the landlord in respect of the holding; and
- (b) has, at least one month before whichever is the earlier of the exercise of the right and the termination of the tenancy, given to the landlord notice in writing of his intention to remove the fixture or building.

(3) If, before the expiry of the period of notice specified in subsection (2)(b) above, the landlord gives to the tenant a counter-notice in writing electing to purchase a fixture or building comprised in the notice, subsection (1) above shall cease to apply to that fixture or building, but the landlord shall be liable to pay to the tenant the fair value thereof to an incoming tenant of the holding.

(4) In the removal of a fixture or building by virtue of subsection (1) above, the tenant shall not do to any other building or other part of the holding any avoidable damage, and immediately after the removal shall make good all damage so occasioned.

19.—(1) Where a tenant of an agricultural holding has entered into an agreement or it is a term of the lease of the holding that the tenant will, on quitting the holding, sell to the landlord or to the incoming tenant any implements of husbandry, fixtures, farm produce or farm stock on or used in connection with the holding, notwithstanding anything in the agreement or lease to the contrary, it shall be deemed to be a term of the agreement or of the lease, as the case may be, that the property in the goods shall not pass to the buyer until the price is paid and that payment of the price shall be made within one month after the tenant has quitted the holding or, if the price of the goods is to be ascertained by a valuation, within one month after the delivery of the award in the valuation.

Payment for
implements, etc.,
sold on quitting
holding.

(2) Where payment of the price is not made within one month as aforesaid the outgoing tenant shall be entitled to sell or remove the goods and to receive from the landlord or the incoming tenant, as the case may be, by whom the price was payable, compensation of an amount equal to any loss or expense unavoidably incurred by the outgoing tenant upon or

PART II

in connection with such sale or removal, together with any expenses reasonably incurred by him in the preparation of his claim for compensation.

(3) Any question arising as to the amount of compensation payable under subsection (2) above shall be determined by arbitration.

Removal of tenant for non-payment of rent.

20.—(1) When 6 months' rent of an agricultural holding is due and unpaid, the landlord shall be entitled to raise an action of removing in the sheriff court against the tenant, concluding for his removal from the holding at the term of Whitsunday or Martinmas next ensuing after the action is raised.

(2) In an action raised under subsection (1) above, the sheriff may, unless the arrears of rent then due are paid or caution is found to his satisfaction for them, and for one year's rent further, decern the tenant to remove, and may eject him at the said term in like manner as if the lease were determined and the tenant had been legally warned to remove.

(3) A tenant of a holding removed under this section shall have the rights of an outgoing tenant to which he would have been entitled if his tenancy had terminated by operation of notice to quit or notice of intention to quit at the term when he is removed.

(4) Section 5 of chapter XV of Book L of the Codifying Act of Sederunt of 14th June 1913, anent removings, shall not apply in any case where the procedure under this section is competent.

PART III

NOTICE TO QUIT AND NOTICE OF INTENTION TO QUIT

Notice to quit and notice of intention to quit.

21.—(1) Subject to section 20 of this Act and to subsections (6) and (7) below a tenancy of an agricultural holding shall not come to an end except by operation of a notice which complies with this subsection notwithstanding any agreement or any provision in the lease to the contrary.

(2) In this Act, a notice which complies with subsection (1) above is referred to as a "notice to quit" if it is given by the landlord to the tenant and as a "notice of intention to quit" if it is given by the tenant to the landlord.

(3) A notice complies with subsection (1) above if—

- (a) it is in writing;
- (b) it is a notice of intention to bring the tenancy to an end;
- (c) where the notice is to take effect at the termination of the stipulated endurance of the lease, it is given not less than one year nor more than 2 years before that date;
- (d) in the case of a lease continued in force by tacit relocation, it gives not less than one year nor more than 2 years' notice.

1907 c. 51.

(4) The provisions of the Sheriff Courts (Scotland) Act 1907 relating to removings shall, in the case of an agricultural holding, have effect subject to this section.

(5) Notice to quit shall be given either—

1886 c. 50.

- (a) in the same manner as notice of removal under section 6 of the Removal Terms (Scotland) Act 1886; or

(b) in the form and manner prescribed by the Sheriff Courts (Scotland) Act 1907,
and such notice shall come in place of the notice required by the said Act of 1907.

PART III
1907 c. 51.

(6) Nothing in this section shall affect the right of the landlord of an agricultural holding to remove a tenant whose estate has been sequestrated under the Bankruptcy (Scotland) Act 1985 or the Bankruptcy (Scotland) Act 1913, or who by failure to pay rent or otherwise has incurred irritancy of his lease or other liability to be removed.

1985 c. 66.
1913 c. 20.

(7) This section shall not apply—

- (a) to a notice given in pursuance of a stipulation in a lease entitling the landlord to resume land for building, planting, feuing or other purposes (not being agricultural purposes); or
- (b) in relation to subjects let under a lease for any period less than a year, not being a lease which by virtue of section 2 of this Act takes effect as a lease from year to year.

22.—(1) Where not later than one month from the giving of a notice to quit an agricultural holding (or, in a case where section 23(3) of this Act applies, within the extended period therein mentioned) the tenant serves on the landlord a counter-notice in writing requiring that this subsection shall apply to the notice to quit, subject to subsection (2) below and to section 25 of this Act, the notice to quit shall not have effect unless the Land Court consent to the operation thereof.

Restrictions on
operation of
notices to quit.

(2) Subsection (1) above shall not apply where—

- (a) the notice to quit relates to land being permanent pasture which the landlord has been in the habit of letting annually for seasonal grazing or of keeping in his own occupation and which has been let to the tenant for a definite and limited period for cultivation as arable land on the condition that he shall, along with the last or waygoing crop, sow permanent grass seeds;
- (b) the notice to quit is given on the ground that the land is required for use, other than agriculture, for which permission has been granted on an application made under the enactments relating to town and country planning, or for which (otherwise than by virtue of any provision of those enactments) such permission is not required;
- (c) the Land Court, on an application in that behalf made not more than 9 months before the giving of the notice to quit, were satisfied that the tenant was not fulfilling his responsibilities to farm the holding in accordance with the rules of good husbandry, and certified that they were so satisfied;
- (d) at the date of the giving of the notice to quit the tenant had failed to comply with a demand in writing served on him by the landlord requiring him within 2 months from the service thereof to pay any rent due in respect of the holding, or within a reasonable time to remedy any breach by the tenant, which was capable of being remedied, of any term or condition of his tenancy which was not inconsistent with the fulfilment of his responsibilities to farm in accordance with the rules of good husbandry;

PART III

1985 c. 66.

- (e) at the date of the giving of the notice to quit the interest of the landlord in the holding had been materially prejudiced by a breach by the tenant, which was not capable of being remedied in reasonable time and at economic cost, of any term or condition of the tenancy which was not inconsistent with the fulfilment by the tenant of his responsibilities to farm in accordance with the rules of good husbandry;
- (f) at the date of the giving of the notice to quit the tenant's apparent insolvency had been constituted in accordance with section 7 of the Bankruptcy (Scotland) Act 1985;
- (g) section 25(1) of this Act applies, and the relevant notice complies with section 25(2)(a), (b) and (d) of this Act;

and, where any of paragraphs (a) to (f) above applies, the ground under the appropriate paragraph on which the notice to quit proceeds is stated in the notice.

Consent by Land Court or arbitration on notices to quit.

23.—(1) An application by a landlord for the consent of the Land Court under section 22 of this Act to the operation of a notice to quit shall be made within one month after service on the landlord by the tenant of a counter-notice requiring that subsection (1) of that section shall apply to the notice to quit.

(2) A tenant who has been given a notice to quit in connection with which any question arises under section 22(2) of this Act shall, if he requires such question to be determined by arbitration under this Act, give notice to the landlord to that effect within one month after the notice to quit has been served on him.

(3) Where the award of the arbiter in an arbitration required under subsection (2) above is such that section 22(1) of this Act would have applied to the notice to quit if a counter-notice had been served within the period provided for in that subsection, that period shall be extended up to the expiry of one month from the issue of the arbiter's award.

(4) Where such an arbitration as is referred to in subsection (2) above has been required by the tenant, or where an application has been made to the Land Court for their consent to the operation of a notice to quit, the operation of the notice to quit shall be suspended until the issue of the arbiter's award or of the decision of the Land Court, as the case may be.

(5) Where the decision of the Land Court giving their consent to the operation of a notice to quit, or the award of the arbiter in such an arbitration as is referred to in subsection (2) above, is issued at a date later than 6 months before the date on which the notice to quit is expressed to take effect, the Land Court, on application made to them in that behalf at any time not later than one month after the issue of the decision or award aforesaid, may postpone the operation of the notice to quit for a period not exceeding 12 months.

(6) If the tenant of an agricultural holding receives from the landlord notice to quit the holding or a part thereof and in consequence thereof gives to a sub-tenant notice to quit that holding or part, section 22(1) of this Act shall not apply to the notice given to the sub-tenant; but if the notice to quit given to the tenant by the landlord does not have effect, then the notice to quit given by the tenant to the sub-tenant shall not have effect.

(7) For the purposes of subsection (6) above, a notice to quit part of the holding which under section 30 of this Act is accepted by the tenant as notice to quit the entire holding shall be treated as a notice to quit the holding.

PART III

(8) Where notice is served on the tenant of an agricultural holding to quit the holding or a part thereof, being a holding or part which is subject to a sub-tenancy, and the tenant serves on the landlord a counter-notice in accordance with section 22(1) of this Act, the tenant shall also serve on the sub-tenant notice in writing that he has served such counter-notice on the landlord and the sub-tenant shall be entitled to be a party to any proceedings before the Land Court for their consent to the notice to quit.

24.—(1) Subject to subsection (2) below and to section 25(3) of this Act, the Land Court shall consent under section 22 of this Act to the operation of a notice to quit an agricultural holding or part of an agricultural holding if, but only if, they are satisfied as to one or more of the following matters, being a matter or matters specified by the landlord in his application for their consent—

Consents for purposes of section 22.

- (a) that the carrying out of the purpose for which the landlord proposes to terminate the tenancy is desirable in the interests of good husbandry as respects the land to which the notice relates, treated as a separate unit;
- (b) that the carrying out thereof is desirable in the interests of sound management of the estate of which that land consists or forms part;
- (c) that the carrying out thereof is desirable for the purposes of agricultural research, education, experiment or demonstration, or for the purposes of the enactments relating to allotments, smallholdings or such holdings as are referred to in section 64 of the Agriculture (Scotland) Act 1948;
- (d) that greater hardship would be caused by withholding than by giving consent to the operation of the notice;
- (e) that the landlord proposes to terminate the tenancy for the purpose of the land being used for a use, other than for agriculture, not falling within section 22(2)(b) of this Act.

1948 c. 45.

(2) Notwithstanding that they are satisfied as aforesaid, the Land Court shall withhold consent to the operation of the notice to quit if in all the circumstances it appears to them that a fair and reasonable landlord would not insist on possession.

(3) Where the Land Court consent to the operation of a notice to quit they may (subject to section 25(4) of this Act) impose such conditions as appear to them requisite for securing that the land to which the notice relates will be used for the purpose for which the landlord proposes to terminate the tenancy.

(4) Where, on an application by the landlord in that behalf the Land Court are satisfied that by reason of any change of circumstances or otherwise any condition imposed under subsection (3) above ought to be varied or revoked, they shall vary or revoke the condition accordingly.

PART III
Termination of
tenancies
acquired by
succession.
1964 c. 41.

25.—(1) This section applies where notice to quit is duly given to the tenant of an agricultural holding who acquired right to the lease of the holding—

- (a) under section 16 of the Succession (Scotland) Act 1964; or
- (b) as a legatee, under section 11 of this Act.

(2) Notice to quit is duly given to a tenant to whom this section applies if—

- (a) it complies with section 21 of this Act; and
- (b) it specifies as its effective date—
 - (i) where, when he acquired right to the lease, the unexpired period of the lease exceeded 2 years, the term of outgo stipulated in the lease;
 - (ii) where, when he acquired right to the lease, the unexpired period was 2 years or less, the term of outgo stipulated in the lease or the corresponding date in any subsequent year, being a date not less than one nor more than 3 years after the said acquisition;
- (c) where he was a near relative of the deceased tenant from whom he acquired right, it specifies the Case set out in Schedule 2 to this Act under which it is given; and
- (d) where he was not a near relative of the deceased tenant from whom he acquired right, he acquired right to the lease after 1st August 1958.

(3) Section 22(1) of this Act shall apply and section 24 of this Act shall not apply where subsection (2)(c) above applies and notice to quit is duly given in accordance with subsection (2)(a) to (c) above; and in such a case the Land Court shall consent to the operation of a notice duly given—

- (a) where the holding was let before 1st January 1984, if they are satisfied that the circumstances are as specified in any Case set out in Part I of Schedule 2 to this Act;
- (b) where the holding was let on or after that date and the notice specifies any of Cases 4, 5 or 7 in that Schedule, unless the tenant satisfies them that the circumstances are not as specified in that Case (provided that, for the purposes of Case 7, the tenant shall not be required to prove that he is not the owner of any land);
- (c) where the holding was let on or after that date, if they are satisfied that the circumstances are as specified in Case 6 in that Schedule;

except that where any of Cases 1, 2, 3, 6 or 7 in that Schedule is specified, the Court shall withhold consent on that ground if it appears to them that a fair and reasonable landlord would not insist on possession.

(4) Where consent is given because the circumstances are as specified in Case 2 or 6 in Schedule 2 to this Act, the Land Court shall impose such conditions as appear to them necessary to secure that the holding to which the notice relates will, within 2 years after the termination of the tenancy, be amalgamated with the land specified in the notice; and section 27 of this Act shall, with any necessary modifications, apply to a condition imposed under this subsection as that section applies to a condition imposed under section 24 of this Act.

(5) Part III of Schedule 2 to this Act shall have effect for the purposes of interpretation of this section and that Schedule.

PART III

26.—(1) For the purposes of section 22(2)(c) of this Act, the landlord of an agricultural holding may apply to the Land Court for a certificate that the tenant is not fulfilling his responsibilities to farm in accordance with the rules of good husbandry, and the Land Court, if satisfied that the tenant is not fulfilling his said responsibilities, shall grant such a certificate.

Certificates of bad husbandry.

(2) In determining whether to grant a certificate under this section, the Land Court shall disregard any practice adopted by the tenant in compliance with any obligation imposed on him by or accepted by him under section 31B of the Control of Pollution Act 1974.

1974 c.40.

27.—(1) Where, on giving consent under section 22 of this Act to the operation of a notice to quit an agricultural holding or part of an agricultural holding, the Land Court imposes a condition under section 24(3) of this Act, and it is proved, on an application to the Land Court on behalf of the Crown that the landlord—

Penalty for breach of condition.

(a) has failed to comply with the condition within the period allowed, or

(b) has acted in breach of the condition,

the Land Court may impose on the landlord a penalty of an amount not exceeding 2 years' rent of the holding at the rate at which rent was payable immediately before the termination of the tenancy, or, where the notice to quit related to a part only of the holding, of an amount not exceeding the proportion of the said 2 years' rent which it appears to the Land Court is attributable to that part.

(2) A penalty imposed under this section shall be a debt due to the Crown and shall, when recovered, be paid into the Consolidated Fund.

28.—(1) This section shall apply where a contract for the sale of the landlord's interest in land which comprises or forms part of an agricultural holding is made after the giving of a notice to quit and before its expiry.

Effect on notice to quit of sale of holding.

(2) Unless, within the period of 3 months ending with the date on which a contract to which this section applies is made, the landlord and the tenant have agreed in writing whether or not the notice to quit shall continue to have effect—

(a) the landlord shall,—

(i) within 14 days after the making of the contract; or

(ii) before the expiry of the notice to quit,

whichever is the earlier, give notice to the tenant of the making of the contract; and

(b) the tenant may, before the expiry of the notice to quit and not later than one month after he has received notice under paragraph (a) above, give notice in writing to the landlord that he elects that the notice to quit shall continue to have effect.

PART III

(3) Where this section applies, unless—

- (a) the landlord and tenant have agreed that the notice to quit shall continue to have effect;
- (b) the tenant has so elected, under subsection (2)(b) above; or
- (c) the landlord having failed to give notice of the making of the contract in accordance with subsection (2)(a) above, the tenant quits the holding in consequence of the notice to quit,

the notice to quit shall cease to have effect.

(4) Where this section applies and there is an agreement between the landlord and the tenant that the notice to quit shall continue to have effect, the notice shall not be invalid by reason only that the agreement is conditional.

Notice to quit part of holding to be valid in certain cases.

29.—(1) A notice to quit part of an agricultural holding held on a tenancy from year to year shall not be invalid on the ground that it relates to part only of the holding if it is given—

- (a) for the purpose of adjusting the boundaries between agricultural units or of amalgamating agricultural units or parts thereof, or
- (b) with a view to the use of the land to which the notice relates for any of the purposes mentioned in subsection (2) below,

and the notice states that it is given for that purpose or with a view to such use, as the case may be.

(2) The purposes referred to in subsection (1)(b) above are—

- (a) the erection of farm labourers' cottages or other houses with or without gardens;
- (b) the provision of gardens for farm labourers' cottages or other houses;
- (c) the provision of allotments;
- (d) the provision of small holdings under the Small Landholders (Scotland) Acts 1886 to 1931, or of such holdings as are referred to in section 64 of the Agriculture (Scotland) Act 1948;
- (e) the planting of trees;
- (f) the opening or working of coal, ironstone, limestone, brick-earth, or other minerals, or of a stone quarry, clay, sand, or gravel pit, or the construction of works or buildings to be used in connection therewith;
- (g) the making of a watercourse or reservoir;
- (h) the making of a road, railway, tramroad, siding, canal or basin, wharf, or pier, or work connected therewith.

1948 c. 45.

Tenant's right to treat notice to quit part as notice to quit entire holding.

30. Where a notice to quit part of an agricultural holding is given to a tenant, being a notice which is rendered valid by section 29 of this Act, and the tenant within 28 days after—

- (a) the giving of the notice, or

PART III

- (b) where the operation of the notice depends on any proceedings under the foregoing provisions of this Act, the time when it is determined that the notice has effect,

whichever is later, gives to the landlord a counter-notice in writing that he accepts the notice as a notice to quit the entire holding, to take effect at the same time as the original notice, the notice to quit shall have effect accordingly.

31.—(1) Where—

- (a) the tenancy of part of an agricultural holding terminates by reason of a notice to quit which is rendered valid by section 29 of this Act; or
- (b) the landlord of an agricultural holding resumes possession of part of the holding in pursuance of a provision in that behalf contained in the lease,

Reduction of rent where tenant dispossessed of part of holding.

the tenant shall be entitled to a reduction of rent of an amount, to be determined by arbitration, proportionate to that part of the holding, together with an amount in respect of any depreciation of the value to him of the residue of the holding caused by the severance or by the use to be made of the part severed.

(2) Where subsection (1)(b) above applies, the arbiter, in determining the amount of the reduction, shall take into account any benefit or relief allowed to the tenant under the lease in respect of the part whose possession is being resumed.

32.—(1) Subsections (2) to (5) below shall apply where—

- (a) notice to quit an agricultural holding or part of an agricultural holding is given to a tenant; and
- (b) the notice includes a statement in accordance with section 22(2) of this Act and paragraph (d) thereof to the effect that it is given by reason of the tenant's failure to remedy a breach of a kind referred to in section 66(1) of this Act.

Further restrictions on operation of certain notices to quit.

(2) If not later than one month from the giving of the notice to quit the tenant serves on the landlord a counter-notice in writing requiring that this subsection shall apply to the notice to quit, subject to subsection (3) below, the notice to quit shall not have effect (whether as a notice to which section 22(1) of this Act does or does not apply) unless the Land Court consent to the operation thereof.

(3) A counter-notice under subsection (2) above shall be of no effect if within one month after the giving of the notice to quit the tenant serves on the landlord an effective notice under section 23(2) of this Act requiring the validity of the reason stated in the notice to quit to be determined by arbitration.

(4) Where—

- (a) the tenant has served on the landlord a notice of the kind referred to in subsection (3) above;
- (b) the notice to quit would, apart from this subsection, have effect in consequence of the arbitration; and

PART III

- (c) not later than one month from the date on which the arbiter's award is delivered to the tenant the tenant serves on the landlord a counter-notice in writing requiring that this subsection shall apply to the notice to quit;

the notice to quit shall not have effect (whether as a notice to which section 22(1) of this Act does or does not apply) unless the Land Court consent to the operation thereof.

(5) On an application made in that behalf by the landlord, the Land Court shall consent under subsection (2) or (4) above or (6) below to the operation of the notice to quit unless in all the circumstances it appears to them that a fair and reasonable landlord would not insist on possession.

(6) Where a notice to quit is given in accordance with section 66(3) of this Act in a case where the arbitration under that section followed an earlier notice to quit to which subsection (1) above applied, if the tenant serves on the landlord a counter-notice in writing within one month after the giving of the subsequent notice to quit (or, if the date specified in that notice for the termination of the tenancy is earlier, before that date), the notice to quit given under section 66(3) of this Act shall not have effect unless the Land Court consent to the operation thereof.

PART IV

COMPENSATION FOR IMPROVEMENTS

Improvements.

33. In this Part the following are referred to as "improvements"—

"1923 Act improvement" means an improvement carried out on an agricultural holding, being an improvement specified in Schedule 3 to this Act, and begun before 31st July 1931;

"1931 Act improvement" means an improvement so carried out, being an improvement specified in Schedule 4 to this Act and begun on or after 31st July 1931 and before 1st November 1948;

"old improvement" means a 1923 Act improvement or a 1931 Act improvement;

"new improvement" means an improvement carried out on an agricultural holding, being an improvement specified in Schedule 5 to this Act begun on or after 1st November 1948.

Right to compensation for improvements.

34.—(1) Subject to subsections (2) to (4), (7) and (8) below, and to sections 36 and 39 to 42 of this Act, a tenant of an agricultural holding shall be entitled, on quitting the holding at the termination of the tenancy, to compensation from the landlord in respect of improvements carried out by the tenant.

(2) A tenant whose lease was entered into before 1st January 1921 shall not be entitled to compensation under this section for an improvement which he was required to carry out by the terms of his tenancy.

(3) A tenant shall not be entitled to compensation under this section for an old improvement carried out on land which, at the time the improvement was begun, was not a holding within the meaning of the *Agricultural Holdings (Scotland) Act 1923* as originally enacted, or land to which provisions of that Act relating to compensation for improvements and disturbance were applied by section 33 of that Act.

(4) Nothing in this section shall prejudice the right of a tenant to any compensation to which he is entitled—

PART IV

(a) in the case of an old improvement, under custom, agreement or otherwise;

(b) in the case of a new improvement, under an agreement in writing between the landlord and the tenant;

in lieu of any compensation provided by this section.

(5) Where a tenant has remained in an agricultural holding during two or more tenancies, he shall not be deprived of his right to compensation under subsection (1) above by reason only that the improvements were not carried out during the tenancy on the termination of which he quits the holding.

(6) Subject to section 36(4) of this Act, a tenant shall be entitled to compensation under this section in respect of the 1931 Act improvement specified in paragraph 28 of Schedule 4 to this Act, or the new improvement specified in paragraph 32 of Schedule 5 to this Act (laying down of temporary pasture), notwithstanding that the laying down or the leaving at the termination of the tenancy of temporary pasture was in contravention of the terms of the lease or of any agreement made by the tenant respecting the method of cropping the arable lands; but, in ascertaining the amount of the compensation, the arbiter shall take into account any injury to or deterioration of the holding due to the contravention (except insofar as the landlord may have recovered damages therefor).

(7) Where under an agreement in writing entered into before 1st January 1921 a tenant is entitled to compensation which is fair and reasonable having regard to the circumstances existing at the time of the making of the agreement, for an old improvement specified in Part III of Schedule 3 to this Act or in Part III of Schedule 4 to this Act, such compensation shall, as respects that improvement, be substituted for compensation under subsection (1) above.

(8) Compensation shall not be payable under this Part of this Act in respect of repairs of the kind specified in paragraph 29 of Schedule 3 to this Act or in paragraph 29 of Schedule 4 to this Act unless, before beginning to execute any such repairs, the tenant gave to the landlord notice in writing under paragraph (29) of Schedule 1 to the Agricultural Holdings (Scotland) Act 1923, or under paragraph (30) of Schedule 1 to the Small Landholders and Agricultural Holdings (Scotland) Act 1931, of his intention to execute the repairs, together with particulars thereof, and the landlord failed to exercise the right conferred on him by the said paragraph (29) or, as the case may be, the said paragraph (30) to execute the repairs himself within a reasonable time after receiving the notice.

1923 c. 10.

1931 c. 44.

35.—(1) This section applies to compensation which is payable or has been paid to an outgoing tenant of an agricultural holding by the landlord under or in pursuance of this Act or the Agricultural Holdings (Scotland) Act 1923, the Small Landholders and Agricultural Holdings (Scotland) Act 1931, the Agriculture (Scotland) Act 1948 or the 1949 Act.

Payment of compensation by incoming tenant.

1948 c. 45.

PART IV

(2) Subject to subsection (3) below, any agreement made after 1st November 1948 between an incoming tenant and his landlord whereby the tenant undertakes to pay to the outgoing tenant or to refund to the landlord any compensation to which this section applies shall be null and void.

(3) Subsection (2) above shall not apply in the case of an improvement of a kind referred to in Part III of Schedule 5 to this Act, where the agreement is in writing and states a maximum amount which may be payable thereunder by the incoming tenant.

(4) Where, on entering into occupation of an agricultural holding, a tenant, with the consent in writing of the landlord pays to the outgoing tenant compensation to which this section applies—

- (a) in respect of an old improvement, in pursuance of an agreement in writing made before 1st November 1948; or
- (b) where subsection (3) above applies,

the incoming tenant shall be entitled, on quitting the holding, to claim compensation for the improvement or part in like manner, if at all, as the outgoing tenant would have been entitled if the outgoing tenant had remained tenant of the holding and quitted it at the time at which the tenant quits it.

(5) Where, in a case not falling within subsection (2) or (3) above, a tenant, on entering into occupation of an agricultural holding, paid to his landlord any amount in respect of the whole or part of a new improvement, he shall, subject to any agreement in writing between the landlord and the tenant, be entitled on quitting the holding to claim compensation in respect of the improvement or part in like manner, if at all, as he would have been entitled if he had been tenant of the holding at the time when the improvement was carried out and the improvement or part thereof had been carried out by him.

under this Part.

36.—(1) Subject to subsections (2) to (4) below, the amount of any compensation payable to a tenant under this Part of this Act shall be such sum as fairly represents the value of the improvement to an incoming tenant.

(2) In the ascertainment of the amount of compensation payable in respect of an old improvement, there shall be taken into account any benefit which the landlord has given or allowed to the tenant (under the lease or otherwise) in consideration of the tenant carrying out the improvement.

(3) In the ascertainment of the amount of compensation payable under this section for a new improvement, there shall be taken into account—

- (a) any benefit which the landlord has agreed in writing to give the tenant in consideration of the tenant carrying out the improvement; and
- (b) any grant out of moneys provided by Parliament which has been or will be made to the tenant in respect of the improvement.

(4) In ascertaining the amount of any compensation payable under section 34(6) of this Act, the arbiter shall take into account any injury to or deterioration of the holding due to the contravention of the lease or agreement referred to in that subsection, except in so far as the landlord has recovered damages in respect of such injury or deterioration.

37.—(1) Compensation under this Part of this Act shall not be payable for—

unless, before the improvement was carried out, the landlord consented to it in writing (whether unconditionally or upon terms as to compensation or otherwise agreed on between the parties).

(2) Where such consent was given on terms agreed as to compensation, the compensation payable under the agreement shall be substituted for compensation under section 34 of this Act.

PART IV

unless the tenant gave notice to the landlord in accordance with subsection (3) below of his intention to carry it out and of the manner in which he proposed to do so.

(2) Subsection (1) above shall not apply in the case of an improvement mentioned in subsection (1)(a) or (b) above, if the parties agreed by the lease or otherwise to dispense with the requirement for notice under subsection (3).

(3) Notice shall be in accordance with this subsection if it is in writing and—

- (a) in the case of an improvement mentioned in subsection (1)(a) above, it was notice under section 3 of the Agricultural Holdings (Scotland) Act 1923, given not more than 3 nor less than 2 months,
- (b) in the case of an improvement mentioned in subsection (1)(b) above, it was notice under the said section 3, given not more than 6 nor less than 3 months,
- (c) in the case of an improvement mentioned in subsection (1)(c) above, it was given not less than 3 months,

before the tenant began to carry out the improvement.

(4) In the case of an improvement mentioned in subsection (1)(a) or (b) above, compensation shall not be payable unless—

- (a) the parties agreed on the terms as to compensation or otherwise on which the improvement was to be carried out;

1923 c. 10.

PART IV
1931 c. 44.

(c) in the case of an improvement mentioned in subsection (1)(b) above, where the landlord gave notice of objection and the matter was referred under section 28(2) of the Small Landholders and Agricultural Holdings (Scotland) Act 1931 for determination by the appropriate authority, that authority was satisfied that the improvement should be carried out and the improvement was carried out in accordance with any directions given by that authority as to the manner of so doing.

(5) If the parties agreed (either after notice was given under this section or by an agreement to dispense with it) on terms as to compensation, the compensation payable under the agreement shall be substituted for compensation under this Part of this Act.

(2) Where notice of objection has been given under subsection (1) above, the tenant may apply to the Land Court for approval of the carrying out of the improvement, and on such application the Land Court may approve the carrying out of the improvement either—

- (a) unconditionally, or
- (b) upon such terms, as to reduction of the compensation which would otherwise be payable or as to other matters, as appears to them to be just,

or may withhold their approval.

(3) If, on an application under subsection (2) above, the Land Court grant their approval, the landlord may, within one month after receiving notice of the decision of the Land Court, serve notice in writing on the tenant undertaking to carry out the improvement himself.

(4) Where, on an application under subsection (2) above the Land Court grant their approval, then if either—

- (a) no notice is served by the landlord under subsection (3) above, or

(b) such a notice is served but, on an application made by the tenant in that behalf, the Land Court determines that the landlord has failed to carry out the improvement within a reasonable time, the tenant may carry out the improvement and shall be entitled to compensation under this Part of this Act in respect thereof as if notice of objection had not been given by the landlord, and any terms subject to which the approval was given shall have effect as if they were contained in an agreement in writing between the landlord and the tenant.

and that section shall apply accordingly as respects any improvement carried out after the date on which the direction is given.

(3) Where a direction is given under subsection (1) above, if the tenancy is terminated—

- (e) it includes an offer, subject to subsection (5) below, to pay to the outgoing tenant all compensation payable under this Act or under the lease;
- (f) it is open for acceptance for a period of 3 months from the date on which it is produced.

(5) If the landlord accepts an offer which complies with subsection (4) above the incoming tenant shall pay to the landlord on demand all sums payable to him by the outgoing tenant on the termination of the tenancy in respect of rent or breach of contract or otherwise in respect of the holding.

(6) Any amount paid by the incoming tenant under subsection (5) above may, subject to any agreement between the outgoing tenant and incoming tenant, be deducted by the incoming tenant from any compensation payable by him to the outgoing tenant.

(7) A tenancy created by the acceptance of an offer which complies with subsection (4) above shall be deemed for the purposes of section 13 of this Act not to be a new tenancy.

42.—(1) Where under an agreement in writing a tenant of an agricultural holding is entitled to compensation which is fair and reasonable having regard to the circumstances existing at the time of making the agreement, for an improvement for which compensation is payable by virtue of section 40 of this Act, such compensation shall, as respects that improvement, be substituted for compensation under this Act.

(4) Where compensation is payable under this section—

- (b) the tenant shall not be entitled to claim any greater amount than one year's rent of the holding unless he has given to the landlord not less than one month's notice of the sale of any such goods, implements, fixtures, produce or stock as aforesaid and has afforded him a reasonable opportunity of making a valuation thereof;
- (c) the tenant shall not in any case be entitled to compensation in excess of 2 years' rent of the holding.

(5) In subsection (4) above "rent" means the rent after deduction of such an amount as, failing agreement, the arbiter finds to be the amount payable by the landlord in respect of the holding for the year in which the tenancy was terminated by way of any public rates, taxes or assessments or other public burdens, the charging of which on the landlord would entitle him to relief in respect of tax under Part II of the Income and Corporation Taxes Act 1988.

1988 c. 1.

(6) Where the tenant of an agricultural holding has lawfully sub-let the whole or part of the holding, and in consequence of a notice to quit given by his landlord becomes liable to pay compensation under this section to the sub-tenant, the tenant shall not be debarred from recovering compensation under this section by reason only that, owing to not being in occupation of the holding or part of the holding, on the termination of his tenancy he does not quit the holding or that part.

(7) Where the tenancy of an agricultural holding terminates by virtue of a counter-notice given by the tenant under section 30 of this Act and—

- (a) the part of the holding affected by the notice to quit given by the landlord, together with any part of the holding affected by any previous notice to quit given by the landlord which is rendered valid by section 29 of this Act, is either less than a quarter of the area of the original holding or of a rental value less than one quarter of the rental value of the original holding, and
- (b) the holding as proposed to be diminished is reasonably capable of being farmed as a separate holding,

compensation shall not be payable under this section except in respect of the part of the holding to which the notice to quit relates.

(8) Compensation under this section shall be in addition to any compensation to which the tenant may be entitled apart from this section.

PART V

- (b) in so far as no system of farming is so required, the system of farming normally practised on comparable holdings in the district,

(3) In assessing the compensation to be paid under subsection (1) above, due allowance shall be made for any compensation agreed or awarded to be paid to the tenant under Part IV of this Act for any improvement which has caused or contributed to the benefit.

(4) Nothing in this section shall entitle a tenant to recover, in respect of any improvement, any compensation which he would not be entitled to recover apart from this section.

45.—(1) The landlord of an agricultural holding shall be entitled to recover from the tenant, on his quitting the holding on termination of the tenancy, compensation—

- (a) compensation shall be so claimed only on the tenant's quitting the holding on the termination of the tenancy;
- (b) subject to section 46(4) of this Act compensation shall not be claimed in respect of any one holding both under such a lease and under subsection (1) above;

46.—(1) This section applies where, by virtue of section 4 of this Act, the liability for the maintenance or repair of an item of fixed equipment is transferred from the tenant to the landlord.

(2) Where this section applies, the landlord may within the period of one month beginning with the date on which the transfer takes effect require that there shall be determined by arbitration, and paid by the tenant, the amount of any compensation which would have been payable under section 45(1)(b) of this Act in respect of any previous failure by the tenant to discharge the said liability, if the tenant had quitted the holding on the termination of his tenancy at the date on which the transfer takes effect.

(3) Where this section applies, any claim by the tenant in respect of any previous failure by the landlord to discharge the said liability shall, if the tenant within the period of one month referred to in subsection (2) above so requires, be determined by arbitration, and any amount directed by the award to be paid by the landlord shall be paid by him to the tenant.

(4) For the purposes of section 45(3)(b) of this Act any compensation under this section shall be disregarded.

(5) Where the tenant has remained in his holding during 2 or more tenancies, his landlord shall not be deprived of his right to compensation under section 45 of this Act in respect of any dilapidation, deterioration or damage by reason only that the tenancy during which the relevant act or omission occurred was a tenancy other than the tenancy at the termination of which the tenant quit the holding.

48. Notwithstanding any provision to the contrary in a lease of an agricultural holding, the landlord shall not be entitled to recover any sum, by way of higher rent, liquidated damages or otherwise, in consequence of any breach or non-fulfilment of a term or condition of the lease, which is in excess of the damage actually suffered by him in consequence of the breach or non-fulfilment.

(3) Where any land comprised in a lease is not an agricultural holding within the meaning of this Act by reason only that the land so comprised includes land to which subsection (4) below applies, the provisions of this Act with respect to compensation for improvements and for disturbance shall, unless it is otherwise agreed in writing, apply to the part of the land exclusive of the land to which subsection (4) below applies as if that part were a separate agricultural holding.

(4) This subsection applies to land which, owing to the nature of the building thereon or the use to which it is put, would not, if it had been separately let, be an agricultural holding.

50. Where the interest of the landlord in an agricultural holding has become vested in several parts in more than one person and the rent payable by the tenant of the holding has not been apportioned with his consent or under any statute, the tenant shall be entitled to require that

supplementary to

- (c) the notice is one to which section 22(1) of this Act applies by virtue of section 25(3) of this Act and the Land Court consent to its operation and specify in the reasons for their decision the Case in Schedule 2 to this Act as regards which they are satisfied; or
- (d) section 22(1) of this Act does not apply to the notice by virtue of section 29(4) of the Agriculture Act 1967 (which relates to notices to quit given by the Secretary of State or a Rural Development Board with a view to boundary adjustments or an amalgamation).

(3) In assessing the compensation payable to the tenant of an agricultural holding in consequence of the compulsory acquisition of his interest in the holding or part of it or the compulsory taking of possession of the holding or part of it, no account shall be taken of any benefit which might accrue to the tenant by virtue of section 54 of this Act.

(4) Any sum payable in pursuance of section 54 of this Act shall be so payable notwithstanding any agreement to the contrary.

PART VI

(5) The following provisions of this Act shall apply to sums claimed or payable in pursuance of section 54 of this Act as they apply to compensation claimed or payable under section 43 of this Act—

Additional payments in consequence of compulsory acquisition etc. of agricultural holdings.

(2) Subject to subsection (3) below and sections 57 and 58 of this Act, where this section applies section 54 of this Act shall apply as if the acquiring authority were the landlord of the holding and compensation for disturbance in respect of the holding or part in question had become payable to the tenant on the date of the acquisition or taking of possession.

(3) No compensation shall be payable by virtue of this section in respect of an agricultural holding held under a tenancy for a term of 2 years or more unless the amount of such compensation is less than the aggregate of the amounts which would have been payable by virtue of this section if the tenancy had been from year to year: and in such a case the amount of compensation payable by virtue of this section shall (subject to section 57(4) of this Act) be equal to the difference.

PART VI
Provisions
supplementary to
s. 56.

57.—(1) For the purposes of section 56 of this Act, a tenant of an agricultural holding shall be deemed not to be a tenant of it in so far as, immediately before the acquiring of the interest or taking of possession referred to in that section, he was neither in possession, nor entitled to take possession, of any land comprised in the holding: and in determining, for those purposes, whether a tenant was so entitled, any lease relating to the land of a kind referred to in section 2(1) of this Act which has not taken effect as a lease of the land from year to year shall be ignored.

(b) in the case of a taking of possession, be disregarded;

unless compensation assessed in accordance with paragraph (a) or (b) above would be less than would be payable but for this subsection.

(5) For the purposes of subsection (1) above, the current year of a tenancy for a term of 2 years or more is the year beginning with such day in the period of 12 months ending with a date 2 months before the resumption mentioned in that subsection as corresponds to the day on which the term would expire by the effluxion of time.

Questions between
landlord and
tenant.

(2) Any question or difference between the landlord and the tenant of an agricultural holding which by or under this Act or under the lease is required to be determined by arbitration may, if the landlord and the tenant so agree, in lieu of being determined by arbitration be determined by the Land Court, and the Land Court shall, on the joint application of the landlord and the tenant, determine such question or difference accordingly.

61.—(1) Any matter which by or under this Act, or by regulations made thereunder, or under the lease of an agricultural holding is required to be determined by arbitration shall, whether the matter arose before or after the passing of this Act, be determined, notwithstanding any agreement under the lease or otherwise providing for a different method of

(2) An appeal by application to the Land Court by any party to an arbitration under section 13(1) of this Act (variation of rent) against the award of an arbiter appointed by the Secretary of State or the Land Court on any question of law or fact (including the amount of the award) shall be competent.

(3) An appeal under subsection (2) above must be brought within 2 months of the date of issue of the award.

(4) The Secretary of State may by regulations made by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament make such provision as he thinks desirable for expediting, or reducing the expenses of, proceedings on arbitrations under this Act.

(5) The Secretary of State shall not make regulations under subsection (4) above which are inconsistent with the provisions of Schedule 7 to this Act.

(6) Section 62 of this Act shall apply to the determination by arbitration of any claims which arise—

- (a) under this Act or any custom or agreement, and
- (b) on or out of the termination of the tenancy of an agricultural holding or part thereof.

(7) This section and section 60 of this Act shall not apply to valuations of sheep stocks, dung, fallow, straw, crops, fences and other specific things the property of an outgoing tenant, agreed under a lease to be taken over from him at the termination of a tenancy by the landlord or the incoming tenant, or to any questions which it may be necessary to determine in order to ascertain the sum to be paid in pursuance of such an agreement, whether such valuations and questions are referred to arbitration under the lease or not.

(8) Any valuation or question mentioned in subsection (7) above falling to be decided by reference to a date after 16th May 1975, which would, if it had fallen to be decided by reference to a date immediately before that day, have been decided by reference to fiars prices, shall be decided in such manner as the parties may by agreement determine or, failing such agreement, shall, notwithstanding the provisions of that subsection, be decided by arbitration under this Act.

Claims on
termination of
tenancy.

62.—(1) Without prejudice to any other provision of this Act, any claim by a tenant of an agricultural holding against his landlord or by a landlord of an agricultural holding against his tenant, being a claim which arises, under this Act or under any custom or agreement, on or out of the termination of the tenancy (or of part thereof) shall, subject to subsections (2) to (5) below, be determined by arbitration.

(2) Without prejudice to any other provision of this Act, no claim to which this section applies shall be enforceable unless before the expiry of 2 months after the termination of the tenancy the claimant has given notice in writing to his landlord or his tenant, as the case may be, of his intention to make the claim.

PART VII

(3) A notice under subsection (2) above shall specify the nature of the claim, and it shall be a sufficient specification thereof if the notice refers to the statutory provision, custom, or term of an agreement under which the claim is made.

(4) The landlord and the tenant may within 4 months after the termination of the tenancy by agreement in writing settle any such claim and the Secretary of State may upon the application of the landlord or the tenant made within that period extend the said period by 2 months and, on a second such application made during these 2 months, by a further 2 months.

(5) Where before the expiry of the period referred to in subsection (4) above and any extension thereof under that subsection any such claim has not been settled, the claim shall cease to be enforceable unless before the expiry of one month after the end of the said period and any such extension, or such longer time as the Secretary of State may in special circumstances allow, an arbiter has been appointed by agreement between the landlord and the tenant under this Act or an application for the appointment of an arbiter under those provisions has been made by the landlord or the tenant.

(6) Where a tenant lawfully remains in occupation of part of an agricultural holding after the termination of a tenancy, references in subsections (2) and (4) above to the termination of the tenancy thereof shall be construed as references to the termination of the occupation.

and remuneration
of arbiter.

(2) The panel of arbiters constituted under subsection (1) above shall be subject to revision by the Lord President of the Court of Session, after consultation with the Secretary of State, at such intervals not exceeding 5 years, as the Lord President and the Secretary of State may from time to time agree.

(3)-

- (a) the remuneration of an arbiter appointed by the Secretary of State under Schedule 7 to this Act shall be such amount as is fixed by the Secretary of State;
- (b) the remuneration of an arbiter appointed by the parties to an arbitration under this Act shall, in default of agreement between those parties and the arbiter, be such amount as, on the application of the arbiter or of either of the parties, is fixed by the auditor of the sheriff court, subject to appeal to the sheriff;
- (c) the remuneration of an arbiter, when agreed or fixed under this subsection, shall be recoverable by the arbiter as a debt due from either of the parties;
- (d) any amount paid in respect of the remuneration of the arbiter by either of the parties in excess of the amount (if any) directed by the award to be paid by that party in respect of the expenses of the award shall be recoverable from the other party.

PART VII
**Appointment of
 arbiter in cases
 where Secretary of
 State is a party.**

64. Where the Secretary of State is a party to any question or difference which under this Act is to be determined by arbitration or by an arbiter appointed in accordance with this Act, the arbiter shall, in lieu of being appointed by the Secretary of State, be appointed by the Land Court, and the remuneration of the arbiter so appointed shall be such amount as may be fixed by the Land Court.

**Recovery of
 compensation
 and other sums
 due.**

65. Any award or agreement under this Act as to compensation, expenses or otherwise may, if any sum payable thereunder is not paid within one month after the date on which it becomes payable, be recorded for execution in the Books of Council and Session or in the sheriff court books, and shall be enforceable in like manner as a recorded decree arbitral.

**Power to enable
 demand to remedy
 a breach to be
 modified on
 arbitration.**

66.—(1) Where a question or difference required by section 60 of this Act to be determined by arbitration relates to a demand in writing served on a tenant by a landlord requiring the tenant to remedy a breach of any term or condition of his tenancy by the doing of any work of provision, repair, maintenance or replacement of fixed equipment, the arbiter may—

- (a) in relation to all or any of the items specified in the demand, whether or not any period is specified as the period within which the breach should be remedied, specify such period for that purpose as appears in all the circumstances to the arbiter to be reasonable;
- (b) delete from the demand any item or part of an item which, having due regard to the interests of good husbandry as respects the holding and of sound management of the estate of which the holding forms part or which the holding constitutes, the arbiter is satisfied is unnecessary or unjustified;
- (c) substitute, in the case of any item or part of an item specified in the demand, a different method or material for the method or material which the demand would otherwise require to be followed or used where, having regard to the purpose which that item or part is intended to achieve, the arbiter is satisfied that—
 - (i) the latter method or material would involve undue difficulty or expense,
 - (ii) the first-mentioned method or material would be substantially as effective for the purpose, and
 - (iii) in all the circumstances the substitution is justified.

(2) Where under subsection (1)(a) above an arbiter specifies a period within which a breach should be remedied or the period for remedying a breach is extended by virtue of subsection (4) below, the Land Court may, on the application of the arbiter or the landlord, specify a date for the termination of the tenancy by notice to quit in the event of the tenant's failure to remedy the breach within that period, being a date not earlier than whichever of the two following dates is the later, that is to say—

- (a) the date on which the tenancy could have been terminated by notice to quit served on the expiry of the period originally specified in the demand, or if no such period is so specified, on the date of the giving of the demand, or
- (b) 6 months after the expiry of the period specified by the arbiter or, as the case may be, of the extended period.

PART VII

(3) A notice to quit on a date specified in accordance with subsection (2) above shall be served on the tenant within one month after the expiry of the period specified by the arbiter or the extended time, and shall be valid notwithstanding that it is served less than 12 months before the date on which the tenancy is to be terminated or that that date is not the end of a year of the tenancy.

(4) Where—

- (a) notice to quit to which 22(2)(d) of this Act applies is stated to be given by reason of the tenant's failure to remedy within the period specified in the demand a breach of any term or condition of his tenancy by the doing of any work of provision, repair, maintenance or replacement of fixed equipment, or within that period as extended by the landlord or the arbiter; and
- (b) it appears to the arbiter on an arbitration required by notice under section 23(2) of this Act that, notwithstanding that the period originally specified or extended was reasonable, it would, in consequence of any happening before the expiry of that period, have been unreasonable to require the tenant to remedy the breach within that period;

the arbiter may treat the period as having been extended or further extended and make his award as if the period had not expired; and where the breach has not been remedied at the date of the award, the arbiter may extend the period as he considers reasonable, having regard to the length of period which has elapsed since the service of the demand.

67. Where jurisdiction is conferred by this Act on the sheriff, there shall be no appeal to the sheriff principal.

Prohibition of appeal to sheriff principal.

Sheep stock valuation

68.—(1) This section and sections 69 to 72 of this Act shall apply where, under a lease of an agricultural holding, the tenant is required at the termination of the tenancy to leave the stock of sheep on the holding to be taken over by the landlord or by the incoming tenant at a price or valuation to be fixed by arbitration, referred to in this section and sections 69 to 72 of this Act as a "sheep stock valuation".

Sheep stock valuation.

(2) In a sheep stock valuation where the lease was entered into before or on 6th November 1946, the arbiter shall in his award show the basis of valuation of each class of stock and state separately any amounts included in respect of acclimatisation or hefting or of any other consideration or factor for which he has made special allowance.

(3) In a sheep stock valuation where the lease was entered into after 6th November 1946, the arbiter shall fix the value of the sheep stock in accordance—

- (a) in the case of a valuation made in respect of a tenancy terminating at Whitsunday in any year, with Part I of Schedule 9 to this Act if the lease was entered into before 1st December 1986, otherwise with Part I of Schedule 10 to this Act; or

PART VII

- (b) in the case of a valuation made in respect of a tenancy terminating at Martinmas in any year, with the provisions of Part II of Schedule 9 to this Act, if the lease was entered into before 1st December 1986, otherwise with Part II of Schedule 10 to this Act,

and subsection (2) above shall apply in such a case as if for the words from “show the basis” to the end of the subsection there were substituted the words “state separately the particulars set forth in Part III of Schedule 9 (or, as the case may be, Schedule 10) to this Act”.

(4) Where an arbiter fails to comply with any requirement of subsection (2) or (3) above, his award may be set aside by the sheriff.

(5) The Secretary of State may, by order made by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament, vary the provisions of Schedule 10 to this Act, in relation to sheep stock valuations under leases entered into on or after the date of commencement of the order.

Submission of questions of law for decision of sheriff.

69.—(1) In a sheep stock valuation where the lease was entered into after 10th June 1937 the arbiter may, at any stage of the proceedings, and shall, if so directed by the sheriff (which direction may be given on the application of either party) submit, in the form of a stated case for the decision of the sheriff, any question of law arising in the course of the arbitration.

(2) The decision of the sheriff on questions submitted under subsection (1) above shall be final unless, within such time and in accordance with such conditions as may be prescribed by Act of Sederunt, either party appeals to the Court of Session, from whose decision no appeal shall lie.

(3) Where a question is submitted under subsection (1) above for the decision of the sheriff, and the arbiter is satisfied that, whatever the decision on the question may be, the sum ultimately to be found due will be not less than a particular amount, it shall be lawful for the arbiter, pending the decision of such question, to make an order directing payment to the outgoing tenant of such sum, not exceeding that amount, as the arbiter may think fit, to account of the sum that may ultimately be awarded.

Determination by Land Court of questions as to value of sheep stock.

70.—(1) Any question which would fall to be decided by a sheep stock valuation—

- (a) where the lease was entered into before or on 6th November 1946 may, on the joint application of the parties; and
- (b) where the lease was entered into after that date shall, on the application of either party,

in lieu of being determined in the manner provided in the lease, be determined by the Land Court.

(2) The Land Court shall determine any question or difference which they are required to determine, in a case where subsection (1)(b) above applies, in accordance with the appropriate provisions—

- (a) where the lease was entered into before 1st December, 1986, of Schedule 9 to this Act;
- (b) where the lease was entered into on or after that date, of Schedule 10 to this Act.

71.—(1) Where any question as to the value of any sheep stock has been submitted for determination to the Land Court or to an arbiter, the outgoing tenant shall, not less than 28 days before the determination of the question, submit to the Court or to the arbiter, as the case may be—

PART VII

 - (ii) in the case of a valuation made in respect of a tenancy terminating at Martinmas during the current year and in each of the two preceding years; and
- (b) such sale-notes and other evidence as may be required by the Court or the arbiter to vouch the accuracy of such statement.

(2) Any document submitted by the outgoing tenant in pursuance of this section shall be open to inspection by the other party to the valuation proceedings.

72. In sections 68 to 71 of this Act—

Interpretation of
sections 68 to 71.

- (a) “agricultural holding” means a piece of land held by a tenant which is wholly or in part pastoral, and which is not let to the tenant during and in connection with his continuance in any office, appointment, or employment held under the landlord;

SCHEDULE 9

VALUATION OF SHEEP STOCK IN SCOTLAND IN RESPECT OF OLD LEASES

PART I

VALUATION MADE IN RESPECT OF A TENANCY TERMINATING AT WHITSUNDAY

1. The Land Court or the arbiter (in Part I and Part II of this Schedule referred to as "the valuer") shall ascertain the number of, and the prices realised for, the ewes and the lambs sold off the hill from the stock under valuation at the autumn sales in each of the 3 preceding years, and shall determine by inspection the number of shotts present in the stock at that time of the valuation.

2. The valuer shall calculate an average price per ewe, and an average price per lamb, for the ewes and lambs sold as aforesaid for each of the 3 preceding years. In calculating the average price for any year the valuer shall disregard such number of ewes and lambs so sold in that year, being the ewes or lambs sold at the lowest prices, as bears the same proportion to the total number of ewes or lambs so sold in that year as the number of shotts as determined bears to the total number of ewes or lambs in the stock under valuation.

3. The valuer shall then ascertain the mean of the average prices so calculated for the 3 preceding years for ewes and for lambs, respectively. The figures so ascertained or ascertained, in a case to which paragraph 4 below applies, in accordance with that paragraph, are in this Part of this Schedule referred to as the "3-year average price for ewes" and the "3-year average price for lambs".

4. In the case of any sheep stock in which the number of ewes or the number of lambs sold off the hill at the autumn sales during the preceding 3 years has been less than half the total number of ewes or of lambs sold, the 3-year average price for ewes or the 3-year average price for lambs, as the case may be, shall, in lieu of being ascertained by the valuer as aforesaid, be determined by the Land Court on the application of the parties; and the Land Court shall determine such prices by reference to the prices realised at such sales for ewes and for lambs respectively from similar stocks kept in the same district and under similar conditions.

5. The 3-year average price for ewes shall be subject to adjustment by the valuer within the limits of 20 per cent (in the case of leases entered into before 15th May 1963, 50 pence) upwards or downwards as he may think proper having regard to the general condition of the stock under valuation and to the profit which the purchaser may reasonably expect it to earn. The resultant figure shall be the basis of the valuation of the ewes, and is in this Part of this Schedule referred to as the "basic ewe value".

The valuer shall similarly adjust the 3 year average price for lambs, and the resultant figure shall be the basis for the valuation of the lambs and is in this Part of this Schedule referred to as the "basic lamb value".

6. In making his award the valuer shall value the respective classes of stock in accordance with the following rules, that is to say—

- (a) ewes of all ages (including gimmers) shall be valued at the basic ewe value with the addition of 30 per cent (in the case of leases entered into before 15th May 1963, 75 pence) of such value per head;
- (b) lambs shall be valued at the basic lamb value; so however that twin lambs shall be valued at such price as the valuer thinks proper;
- (c) ewe hogs shall be valued at two-thirds of the combined basic values of a ewe and a lamb subject to adjustment by the valuer within the limits of 10 per cent (in the case of leases entered into before 15th May 1963, 25 pence) per head upwards or downwards as he may think proper, having regard to their quality and condition;

- (d) tups shall be valued at such price as in the opinion of the valuer represents their value on the farm having regard to acclimatisation or any other factor for which he thinks it proper to make allowance;
- (e) eild sheep shall be valued at the value put upon the ewes subject to such adjustment as the valuer may think proper having regard to their quality and condition; and
- (f) shotts shall be valued at such value not exceeding two-thirds of the value put upon good sheep of the like age and class on the farm as the valuer may think proper.

SCH. 9

PART II

VALUATION MADE IN RESPECT OF A TENANCY TERMINATING AT MARTINMAS

7. The valuer shall ascertain the number of, and the prices realised for, the ewes sold off the hill from the stock under valuation at the autumn sales in the current year and in each of the 2 preceding years, and shall calculate an average price per ewe so sold for each of the said years. In calculating the average price for any year the valuer shall disregard one-tenth of the total number of ewes so sold in that year being the ewes sold at the lowest price.

8. The mean of the average prices so calculated shall be subject to adjustment by the valuer within the limits of 10 per cent (in the case of leases entered into before 15th May 1963, 25 pence) upward or downwards as he may think proper having regard to the general condition of the stock under valuation and to the profit which the purchaser may reasonably expect it to earn. The resultant figure shall be the basis of the valuation of the ewes and is in this Part of this Schedule referred to as the "basic ewe value".

9. In making his award the valuer shall assess the respective classes of stock in accordance with the following rules, that is to say—

- (a) ewes of all ages (including gimmers) shall be valued at the basic ewe value with the addition of 30 per cent (in the case of leases entered into before 15th May 1963, 75 pence) of such value per head;
- (b) ewe lambs shall be valued at the basic ewe value subject to adjustment by the valuer within the limits of 10 per cent (in the case of leases entered into before 15th May 1963, 25 pence) per head upwards or downwards as he may think proper having regard to their quality and condition; and
- (c) tups shall be valued at such price as in the opinion of the valuer represents their value on the farm having regard to acclimatisation or any other factor for which he thinks it proper to make allowance.

PART III
