 - (b) that work is in connection with a main river,
 as they have effect in relation to an obligation to do work otherwise than in connection with a main river but as if the [F126Agency] were under a duty to take steps to commute the obligation and the references in those sections to the drainage board for the internal drainage district where the works fall to be done were omitted.
- (5) In this section—
 - (a) references to the exercise of a power in relation to a main river shall include a reference to its exercise in connection with a main river or in relation to the banks of such a river or any drainage works in connection with such a river; and

- (6) The functions of the [F126Agency] by virtue of this section are in addition to the functions of the [F126Agency] which by virtue of the provisions of the M45Land Drainage Act 1991 are exercisable by the [F126Agency] concurrently with an internal drainage board.
