

Water Resources Act 1991

1991 CHAPTER 57

PART III

CONTROL OF POLLUTION OF WATER RESOURCES

CHAPTER I

QUALITY OBJECTIVES

82 Classification of quality of waters.

- (1) The Secretary of State may, in relation to any description of controlled waters (being a description applying to some or all of the waters of a particular class or of two or more different classes), by regulations prescribe a system of classifying the quality of those waters according to criteria specified in the regulations.
- (2) The criteria specified in regulations under this section in relation to any classification shall consist of one or more of the following, that is to say—
 - (a) general requirements as to the purposes for which the waters to which the classification is applied are to be suitable;
 - (b) specific requirements as to the substances that are to be present in or absent from the water and as to the concentrations of substances which are or are required to be present in the water;
 - (c) specific requirements as to other characteristics of those waters;

and for the purposes of any such classification regulations under this section may provide that the question whether prescribed requirements are satisfied may be determined by reference to such samples as may be prescribed.

83 Water quality objectives.

- (1) For the purpose of maintaining and improving the quality of controlled waters the Secretary of State may, by serving a notice on the [^{F1}Agency] specifying—
 - (a) one or more of the classifications for the time being prescribed under section 82 above; and
 - (b) in relation to each specified classification, a date,

establish the water quality objectives for any waters which are, or are included in, waters of a description prescribed for the purposes of that section.
- (2) The water quality objectives for any waters to which a notice under this section relates shall be the satisfaction by those waters, on and at all times after each date specified in the notice, of the requirements which at the time of the notice were the requirements for the classification in relation to which that date is so specified.
- (3) Where the Secretary of State has established water quality objectives under this section for any waters he may review objectives for those waters if—
 - (a) five years or more have elapsed since the service of the last notice under subsection (1) or (6) of this section to be served in respect of those waters; or
 - (b) the [^{F1}Agency], after consultation with such water undertakers and other persons as it considers appropriate, requests a review;

and the Secretary of State shall not exercise his power to establish objectives for any waters by varying the existing objectives for those waters except in consequence of such a review.
- (4) Where the Secretary of State proposes to exercise his power under this section to establish or vary the objectives for any waters he shall—
 - (a) give notice setting out his proposal and specifying the period (not being less than three months from the date of publication of the notice) within which representations or objections with respect to the proposal may be made; and
 - (b) consider any representations or objections which are duly made and not withdrawn;

and, if he decides, after considering any such representations or objections, to exercise his power to establish or vary those objectives, he may do so either in accordance with the proposal contained in the notice or in accordance with that proposal as modified in such manner as he considers appropriate.
- (5) A notice under subsection (4) above shall be given—
 - (a) by publishing the notice in such manner as the Secretary of State considers appropriate for bringing it to the attention of persons likely to be affected by it; and
 - (b) by serving a copy of the notice on the [^{F1}Agency].
- (6) If, on a review under this section or in consequence of any representations or objections made following such a review for the purposes of subsection (4) above, the Secretary of State decides that the water quality objectives for any waters should remain unchanged, he shall serve notice of that decision on the [^{F1}Agency].
