- (2) In the following provisions of this section “the available gains” means the gains on which the individual is chargeable to capital gains tax for the tax year, excluding any special rate gains.
- (3) The available gains not used by the individual under subsection (4) are to be charged to capital gains tax—
- to the extent that they consist of upper rate gains, at the rate in section 4(4)(a);
 - to the extent that they consist of gains which are not upper rate gains, at the rate in section 4(5).
- (4) The individual may, subject to subsection (5) (which limits the overall amount that can be used under this subsection)—
- use any of the available gains that are upper rate gains to be charged at the rate in section 4(2)(a);
 - use any of the available gains that are not upper rate gains to be charged at the rate in section 4(2)(b).
- (5) The total amount of gains used under subsection (4) must equal the qualifying amount.
- (6) The “qualifying amount” is the unused part of the individual's basic rate band less the total amount of any special rate gains.
- (7) If special rate gains are included in the chargeable gains amount, subsection (4) applies only if the unused part of the individual's basic rate band exceeds the total amount of the special rate gains.
- (8) In this section—

[^{F98}10A Temporary non-residents. U.K.]

- (1) This section applies if an individual (“the taxpayer”) is temporarily non-resident.
- (2) The taxpayer is chargeable to capital gains tax as if gains and losses within subsection (3) were chargeable gains or, as the case may be, losses accruing to the taxpayer in the period of return.
- (3) The gains and losses within this subsection are—
 - (a) chargeable gains and losses that accrued to the taxpayer in the temporary period of non-residence,
 - (b) chargeable gains that would be treated under section 13 as having accrued to the taxpayer in that period if the residence assumption were made,
 - (c) losses that would be allowable in the taxpayer's case under section 13(8) in that period if that assumption were made, and
 - (d) chargeable gains that would be treated under section 86 as having accrued to the taxpayer in a tax year falling wholly in that period if the taxpayer had been resident in the United Kingdom for that year.
- (4) The residence assumption is—
 - (a) that the taxpayer had been resident in the United Kingdom for the tax year in which the gain or loss accrued to the company, or
 - (b) if that tax year was a split year as respects the taxpayer, that the gain or loss had accrued to the company in the UK part of it.
- (5) But—
 - (a) a gain is not within subsection (3) if, ignoring this section, the taxpayer is chargeable to capital gains tax in respect of it (and could not cease to be so chargeable by making a claim under section 6 of TIOPA 2010), and
 - (b) a loss is not within subsection (3) if the test in paragraph (a) would be met if it were a gain.
- (6) Subsection (2) is subject to sections 10AA and 86A.
- (7) To determine the losses mentioned in subsection (3)(c)—

- (a) calculate separately, for each tax year falling wholly or partly in the temporary period of non-residence, the portion of sum A that does not exceed sum B, and
 - (b) add up all those portions.
- (8) For the purposes of subsection (7)—
- “sum A” is the aggregate of the losses that were not available in accordance with section 13(8) for reducing gains accruing to the taxpayer by virtue of section 13 in the relevant tax year, but would have been available if the residence assumption had been made, and
- “sum B” is the amount of the gains that did not accrue to the taxpayer by virtue of section 13 in that tax year but would have so accrued if that assumption had been made.
- (9) If section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the taxpayer for the year of return, any foreign chargeable gains falling within subsection (3) by virtue of paragraph (a) of that subsection that were remitted to the United Kingdom at any time in the temporary period of non-residence are to be treated as remitted to the United Kingdom in the period of return.
- (10) Part 4 of Schedule 45 to the Finance Act 2013 (statutory residence test: anti-avoidance) explains—
- (a) when an individual is to be regarded as “temporarily non-resident”, and
 - (b) what “the temporary period of non-residence” and “the period of return” mean.
- (11) In this section—
- “foreign chargeable gains” has the meaning given by section 12(4);
- “remitted to the United Kingdom” has the same meaning as in Chapter A1 of Part 14 of ITA 2007;
- “the year of return” means the tax year that consists of or includes the period of return.

16ZC Individual who has made election under section 16ZA and to whom remittance basis applies **U.K.**

- (1) This section applies to an individual for a tax year if—

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- [^{F167}(a) the individual has made an election under section 16ZA in respect of the tax year or any earlier tax year,
 (b) the election has effect in relation to the individual for the tax year, and
 (c) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the individual for the tax year.]
- (2) The following steps apply for the purpose of calculating the amount on which the individual is to be charged to capital gains tax for the tax year.

Step 1

Deduct any relevant allowable losses from the chargeable gains referred to in subsection (3) in the order in which they appear there (starting with paragraph (a) of that subsection).

If allowable losses are deductible from the chargeable gains referred to in subsection (3)(b) but are not enough to exhaust them all—

- (a) those chargeable gains are to be ordered according to the day on which they accrued,
- (b) the losses are to be deducted from those gains in reverse chronological order (starting with the last chargeable gain to accrue), and
- (c) if allowable losses are deductible from chargeable gains that accrued on a particular day but are not enough to exhaust all of the chargeable gains that accrued on that day, the amount deducted from each of those chargeable gains is the appropriate proportion of the losses.

In paragraph (c) “the appropriate proportion”, in relation to a chargeable gain, is the amount of that gain divided by the total amount of the chargeable gains that accrued on the day in question.

Step 2

Treat the amount referred to in section 2(2) or (4)(a) or 16ZB(3)(a) as being equal to—

- (a) the amount it would be if there were no relevant allowable losses, minus
- (b) the total amount deducted under Step 1 from chargeable gains within subsection (3)(a) or (c).

- (3) The chargeable gains are—
- (a) foreign chargeable gains accruing to the individual in the tax year, to the extent that they are remitted to the United Kingdom in that year [^{F168}or, if that year is a split year as respects the individual, in the UK part of that year],
 - (b) foreign chargeable gains accruing to the individual in that year, to the extent that they are not so remitted in that year [^{F169}or they are so remitted in that year but it is a split year as respects the individual and they are so remitted in the overseas part of the year], and

18 Transactions between connected persons. **U.K.**

- (1) This section shall apply where a person acquires an asset and the person making the disposal is connected with him.
- (2) Without prejudice to the generality of section 17(1) the person acquiring the asset and the person making the disposal shall be treated as parties to a transaction otherwise than by way of a bargain made at arm's length.
- (3) Subject to subsection (4) below, if on the disposal a loss accrues to the person making the disposal, it shall not be deductible except from a chargeable gain accruing to him on some other disposal of an asset to the person acquiring the asset mentioned in subsection (1) above, being a disposal made at a time when they are connected persons.
- (4) Subsection (3) above shall not apply to a disposal by way of gift in settlement if the gift and the income from it is wholly or primarily applicable for educational, cultural or recreational purposes, and the persons benefiting from the application for those purposes are confined to members of an association of persons for whose benefit the gift was made, not being persons all or most of whom are connected persons.
- (5) Where the asset mentioned in subsection (1) above is an option to enter into a sale or other transaction given by the person making the disposal a loss accruing to the person acquiring the asset shall not be an allowable loss unless it accrues on a disposal of the option at arm's length to a person who is not connected with him.
- (6) Subject to subsection (7) below, in a case where the asset mentioned in subsection (1) above is subject to any right or restriction enforceable by the person making the disposal, or by a person connected with him, then (where the amount of the consideration for the acquisition is, in accordance with subsection (2) above, deemed to be equal to the market value of the asset) that market value shall be—
 - (a) what its market value would be if not subject to the right or restriction, minus—
 - (b) the market value of the right or restriction or the amount by which its extinction would enhance the value of the asset to its owner, whichever is the less.
- (7) If the right or restriction is of such a nature that its enforcement would or might effectively destroy or substantially impair the value of the asset without bringing

any countervailing advantage either to the person making the disposal or a person connected with him or is an option or other right to acquire the asset or, in the case of incorporeal property, is a right to extinguish the asset in the hands of the person giving the consideration by forfeiture or merger or otherwise, the market value of the asset shall be determined, and the amount of the gain accruing on the disposal shall be computed, as if the right or restriction did not exist.

- (8) Subsections (6) and (7) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

19 **Deemed consideration in certain cases where assets disposed of in a series of transactions.** **U.K.**

- (1) For the purposes of this Act, in any case where—
- (a) by way of 2 or more material transactions which are linked (a series of linked transactions), one person disposes of assets to another person with whom he is connected or to 2 or more other persons with each of whom he is connected, and
 - (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under section 20, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,

then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.

- (2) Where the disposal effected by a material transaction is one to which section 58 applies, nothing in subsection (1) above shall affect the amount which, for the purposes of this Act, is the consideration for that disposal.
- (3) Subject to subsection (5) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise; and, for the purposes of this section, 2 or more material transactions are linked if they occur within the period of 6 years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
- (a) when a second material transaction causes a series of linked transactions to come into being; and
 - (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);

and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.

- (5) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 171, both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) In any case where—
- (a) a company (“company A”) disposes of an asset by way of a material transaction, and
 - (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and
 - (c) the disposal by company A is to a person who is connected with another company (“company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
 - (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,

then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal resulting from the application of subsection (1) above shall have effect with respect to company A.

20 **Original market value and aggregate market value for purposes of section 19. U.K.**

- (1) This section has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 19.
- (2) Expressions used in this section have the same meaning as in that section.
- (3) Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
 - (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from section 19, would be deemed to be the consideration for that transaction for the purposes of this Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of this Act to be the consideration for the transaction concerned (whether by virtue of the previous operation of section 19, or by virtue of any other provision of this Act).
- (4) Subject to subsections (6) to (9) below, in relation to any transaction in a series of linked transactions—
 - (a) any reference in this section or section 19 to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of this Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in section 19 to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) The reference in subsection (4)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.
- (6) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of subsections (4) and (5) above in relation to each of the transactions in the series—
- (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to subsection (7) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately before the first of the transactions in the series and ending immediately before the last.
- (7) If, before the first of the transactions referred to in paragraph (b) of subsection (6) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (8) In the application of subsection (6) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (9) In subsection (8) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

23 Receipt of compensation and insurance money not treated as a disposal. U.K.

- (1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 22(1) derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—
- (a) the capital sum is wholly applied in restoring the asset, or
 - (b) (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
 - (c) (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,
- but, if the receipt is not treated as a disposal, all sums which would, if the receipt had been so treated, have been brought into account as consideration for that disposal in the computation of the gain shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.
- (2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—
- (a) paragraphs (b) and (c) of subsection (1) above shall not apply, and
 - (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—

- (4) If, after a transaction which results in the owner of land or of any other description of property becoming the lessee of the property there is any adjustment of the rights and liabilities under the lease, whether or not involving the grant of a new lease, which is as a whole favourable to the lessor, that shall be a disposal by the lessee of an interest in the property.
- (5) If an asset is subject to any description of right or restriction the extinction or abrogation, in whole or in part, of the right or restriction by the person entitled to enforce it shall be a disposal by him of the right or restriction.

30 Tax-free benefits. **U.K.**

- (1) This section has effect as respects the disposal of an asset if a scheme has been effected or arrangements have been made (whether before or after the disposal) whereby—

 - (b) a tax-free benefit has been or will be conferred—
 - (i) on the person making the disposal or a person with whom he is connected, or
 - (ii) subject to subsection (4) below, on any other person.

[^{F193}(2) But, for the purposes of corporation tax, this section does not have effect if the disposal of the asset is a disposal by a company of shares in, or securities of, another company (as to which see section 31).]

- (3) For the purposes of subsection (1)(b) above a benefit is conferred on a person if he becomes entitled to any money or money's worth or the value of any asset in which he has an interest is increased or he is wholly or partly relieved from any liability to which he is subject; and a benefit is tax-free unless it is required, on the occasion on which it is conferred on the person in question, to be brought into account in computing his income, profits or gains for the purposes of income tax, capital gains tax or corporation tax.
- (4) This section shall not apply by virtue of subsection (1)(b)(ii) above [^{F194}in a case where] avoidance of tax was not the main purpose or one of the main purposes of the scheme or arrangements in question.

- (6) Where—
- (a) by virtue of subsection (5) above the consideration for the disposal of an asset has been treated as increased, and
 - (b) the benefit taken into account under subsection (1)(b) above was an increase in the value of another asset,

[^{F198}31 Disposal of shares or securities by a company **U.K.**

- (1) For the purposes of corporation tax, subsection (2) has effect as respects the disposal by a company (“the disposing company”) of shares in, or securities of, another company if—
- arrangements have been made whereby the value of those shares or securities, or any relevant asset, is materially reduced,
 - the main purpose, or one of the main purposes, of the arrangements is to obtain a tax advantage, and
 - the arrangements do not consist solely of the making of an exempt distribution.
- (2) Any allowable loss or chargeable gain accruing on the disposal is to be calculated as if the consideration for the disposal were increased by such amount as is just and reasonable having regard to—
- the arrangements, and
 - any charge to, or relief from, corporation tax that, in the absence of this section, would arise in consequence of the disposal or the arrangements.
- (3) For the purposes of subsection (1)—
- an asset is a relevant asset if, at the time of the disposal, it is owned by a company which is a member of the same group as the disposing company, and
 - it does not matter whether the tax advantage is obtained for the disposing company or any other person.
- (4) In relation to a case in which the disposal of the shares or securities precedes their acquisition, the reference in subsection (1)(a) to a reduction is to be read as including a reference to an increase.
- (5) Where, but for arrangements to which subsection (6) applies, a transaction would, by virtue of section 29(2), be treated as a disposal of shares by a company, that transaction is to be treated as if it were, by virtue of section 29(2), a disposal of those shares.
- (6) The arrangements to which this subsection applies are arrangements—

 - the main purpose, or one of the main purposes, of which is to obtain a tax advantage (whether for the company or any other person).
- (7) In this section—
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable);

35 Assets held on 31st March 1982 (including assets held on 6th April 1965). U.K.

- (1) This section applies to a disposal of an asset which was held on 31st March 1982 by the person making the disposal.
 - (2) [^{F199}In] computing for the purpose of this Act the gain or loss accruing on the disposal it shall be assumed that the asset was on 31st March 1982 sold by the person making the disposal, and immediately reacquired by [^{F200}that person], at its market value on that date.
- [^{F201}(2A) For the purposes of corporation tax, subsection (2) above has effect subject to subsections (3) to (8) below (and see also subsections (9) and (10)).]
- (3) Subject to subsection (5) below, subsection (2) above shall not apply to a disposal—
 - (a) where a gain would accrue on the disposal to the person making the disposal if that subsection did apply, and either a smaller gain or a loss would so accrue if it did not,
 - (b) where a loss would so accrue if that subsection did apply, and either a smaller loss or a gain would accrue if it did not,
 - (c) where, either on the facts of the case or by virtue of Schedule 2, neither a gain nor a loss would accrue if that subsection did not apply, ^{F202}...

- (b) the application of subsection (2) is excluded by subsection (3),
it shall be assumed in relation to the disposal that the asset was acquired by the person making the disposal for a consideration such that, on the disposal, neither a gain nor a loss accrues to [^{F206}that person].
- (5) If a person so elects, disposals made by [^{F207}that person] (including any made by [^{F207}that person] before the election) shall fall outside subsection (3) above (so that subsection (2) above is not excluded by that subsection).
- (6) An election by a person under subsection (5) above shall be irrevocable and shall be made by notice to [^{F208}an officer of the Board] at any time before 6th April 1990 or at any time during the period beginning with the day of the first relevant disposal and ending—

42 Part disposals. **U.K.**

- (1) Where a person disposes of an interest or right in or over an asset, and generally wherever on the disposal of an asset any description of property derived from that asset remains undisposed of, the sums which under paragraphs (a) and (b) of section 38(1) are attributable to the asset shall, both for the purposes of the computation of the gain accruing on the disposal and for the purpose of applying this Part in relation to the property which remains undisposed of, be apportioned.
- (2) The apportionment shall be made by reference—
 - (a) to the amount or value of the consideration for the disposal on the one hand (call that amount or value A), and
 - (b) to the market value of the property which remains undisposed of on the other hand (call that market value B),
 and accordingly the fraction of the said sums allowable as a deduction in the computation of the gain accruing on the disposal shall be—

$$\frac{A}{A + B}$$

and the remainder shall be attributed to the property which remains undisposed of.

- (3) Any apportionment to be made in pursuance of this section shall be made before operating the provisions of section 41 and if, after a part disposal, there is a subsequent disposal of an asset the capital allowances or renewals allowances to be taken into account in pursuance of that section in relation to the subsequent disposal shall, subject to subsection (4) below, be those referable to the sums which under paragraphs (a) and (b) of section 38(1) are attributable to the asset whether before or after the part disposal, but those allowances shall be reduced by the amount (if any) by which the loss on the earlier disposal was restricted under the provisions of section 41.
- (4) This section shall not be taken as requiring the apportionment of any expenditure which, on the facts, is wholly attributable to what is disposed of, or wholly attributable to what remains undisposed of.
- (5) It is hereby declared that this section, and all other provisions for apportioning on a part disposal expenditure which is deductible in computing a gain, are to be operated before the operation of, and without regard to, section 58(1), sections 152 to 158 (but without prejudice to section 152(10)), section 171(1) or any other enactment making an adjustment to secure that neither a gain nor a loss occurs on a disposal.

43 Assets derived from other assets. U.K.

If and so far as, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the value of an asset is derived from any other asset in the same ownership, an appropriate proportion of the sums allowable as a deduction in the computation of a gain in respect of the other asset under paragraphs (a) and (b) of section 38(1) shall, both for the purpose of the computation of a gain accruing on the disposal of the first-mentioned asset and, if the other asset remains in existence, on a disposal of that other asset, be attributed to the first-mentioned asset.

Wasting assets

44 Meaning of “wasting asset”. U.K.

- (1) In this Chapter “wasting asset” means an asset with a predictable life not exceeding 50 years but so that—
- (a) freehold land shall not be a wasting asset whatever its nature, and whatever the nature of the buildings or works on it;
 - (b) “life”, in relation to any tangible movable property, means useful life, having regard to the purpose for which the tangible assets were acquired or provided by the person making the disposal;
 - (c) plant and machinery shall in every case be regarded as having a predictable life of less than 50 years, and in estimating that life it shall be assumed that its life will end when it is finally put out of use as being unfit for further use, and that it is going to be used in the normal manner and to the normal extent and is going to be so used throughout its life as so estimated;
 - (d) a life interest in settled property shall not be a wasting asset until the predictable expectation of life of the life tenant is 50 years or less, and the predictable life of life interests in settled property and of annuities shall be ascertained from actuarial tables approved by the Board.
- (2) In this Chapter “the residual or scrap value”, in relation to a wasting asset, means the predictable value, if any, which the wasting asset will have at the end of its predictable life as estimated in accordance with this section.
- (3) The question what is the predictable life of an asset, and the question what is its predictable residual or scrap value at the end of that life, if any, shall, so far as those questions are not immediately answered by the nature of the asset, be taken, in relation to any disposal of the asset, as they were known or ascertainable at the time when the asset was acquired or provided by the person making the disposal.

45 Exemption for certain wasting assets. **U.K.**

- (1) Subject to the provisions of this section, no chargeable gain shall accrue on the disposal of, or of an interest in, an asset which is tangible movable property and which is a wasting asset.
- (2) Subsection (1) above shall not apply to a disposal of, or of an interest in, an asset—
- (a) if, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, the asset has been used and used solely for the purposes of a trade, profession or vocation and if that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset or interest under paragraph (a) or paragraph (b) of section 38(1); or
 - (b) if the person making the disposal has incurred any expenditure on the asset or interest which has otherwise qualified in full for any capital allowance.
- (3) In the case of the disposal of, or of an interest in, an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset or interest by virtue of section 38(1)(a) and (b), shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) subsection (1) above shall not apply to any gain accruing by reference to the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances.
- [^{F256}(3A) But subsection (3) does not apply in the case of a disposal in relation to which subsection (3B) disapplies subsection (1).
- (3B) Subsection (1) does not apply to a disposal of, or of an interest in, an asset if—
- (a) at any time in the period of ownership of the person making the disposal, the asset is used for the purposes of a trade, profession or vocation carried on by another person,
 - (b) as a result of that use, the asset becomes plant,
 - (c) but for the asset therefore being regarded under section 44(1)(c) as having a predictable life of less than 50 years, the disposal would not be of, or of an interest in, a wasting asset, and
 - (d) the disposal is not within subsection (3C).
- (3C) A disposal of, or of an interest in, an asset is within this subsection if the asset is plant used for the purpose of leasing under a long funding lease and—
- (a) the disposal takes place after the commencement of the term of the lease but before the termination of the lease, or
 - (b) the disposal is the deemed disposal of the asset under section 25A(3)(a) on the termination of the lease.
- (3D) Section 25A(5) applies for the purposes of subsection (3C).]

46 Straightline restriction of allowable expenditure. **U.K.**

- (1) In the computation of the gain accruing on the disposal of a wasting asset it shall be assumed—

(a) that any expenditure attributable to the asset under section 38(1)(a) after deducting the residual or scrap value, if any, of the asset, is written off at a uniform rate from its full amount at the time when the asset is acquired or provided to nothing at the end of its life, and

(b) that any expenditure attributable to the asset under section 38(1)(b) is written off from the full amount of that expenditure at the time when that expenditure is first reflected in the state or nature of the asset to nothing at the end of its life,

so that an equal daily amount is written off day by day.

- (2) Thus, calling the predictable life of a wasting asset at the time when it was acquired or provided by the person making the disposal L , the period from that time to the time of disposal $T(1)$, and, in relation to any expenditure attributable to the asset under section 38(1)(b), the period from the time when that expenditure is first reflected in the state or nature of the asset to the said time of disposal $T(2)$, there shall be excluded from the computation of the gain—

(a) out of the expenditure attributable to the asset under section 38(1)(a) a fraction—

$$\frac{T(1)}{L}$$

of an amount equal to the amount of that expenditure minus the residual or scrap value, if any, of the asset, and

(b) out of the expenditure attributable to the asset under section 38(1)(b) a fraction—

$$\frac{T(2)}{L - (T(1) - T(2))}$$

of the amount of the expenditure.

- (3) If any expenditure attributable to the asset under section 38(1)(b) creates or increases a residual or scrap value of the asset, the provisions of subsection (1)(a) above shall be applied so as to take that into account.

 - (b) on which the person making the disposal has incurred any expenditure which has otherwise qualified in full for any capital allowance.
- (2) In the case of the disposal of an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset by paragraph (a) or paragraph (b) of section 38(1) shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) section 46 shall not apply for the purposes of the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances, and
 - (d) if an apportionment of the consideration for the disposal has been made for the purposes of making any capital allowance to the person making the disposal or for the purpose of making any balancing charge on him, that apportionment shall be employed for the purposes of this section, and

[^{F273} 48A Unascertainable consideration **U.K.**

- (1) This section applies where—
- (a) a person (“P”) has made a non-resident CGT disposal in relation to which there accrued to P an NRCGT gain chargeable to, or an NRCGT loss allowable for the purposes of, capital gains tax by virtue of section 14D or 188D (“the original disposal”),
 - (b) P acquired a right as the whole or part of the consideration for that disposal,
 - (c) on P’s acquisition of the right, there was no corresponding disposal of it, and
 - (d) the right is a right to unascertainable consideration (see subsections (4) to (6)).
- (2) If P subsequently receives consideration (“the ascertained consideration”) representing the whole or part of the consideration referred to in subsection (1)(d) and condition A in section 14B would have been met in relation to the original disposal had a gain on that disposal accrued at the time of the receipt of the ascertained consideration—
- (a) the ascertained consideration is treated as not accruing on the disposal of the right,
 - (b) the costs of P’s acquisition of the right (or, in the case of a part disposal of the right, those costs so far as referable to the part disposed of) are taken to be nil, and
 - (c) the following steps are taken.

Step 1 Any amount by which the ascertained consideration exceeds the relevant original consideration is treated as consideration (or further consideration) accruing on the original disposal. If the relevant original consideration exceeds the ascertained consideration, the consideration accruing on the original disposal is treated as reduced by the amount of the excess.

Step 2 Compute the difference that the adjustment under step 1 makes to what (if any) NRCGT gain or loss, ATED-related gain or loss or other gain or loss accrues on the original disposal (computing this separately for each type of gain or loss). The difference is “positive” if a loss is decreased (to nil or otherwise) or a gain created or increased. The difference is “negative” if a gain is reduced (to nil or otherwise) or a loss created or increased.

Step 3 Any positive amount computed under step 2 is treated for the purposes of this Act and the Management Act as a gain (of the type

appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration. Any negative amount computed under step 2 is treated for the purposes of this Act and the Management Act as a loss (of the type appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration.

- (3) In step 1 in subsection (2), “the relevant original consideration” means the consideration accruing on the original disposal, so far as referable to the right mentioned in subsection (1)(b) (or, in the case of a part disposal of the right, referable to the part disposed of).
- (4) A right is a right to unascertainable consideration if, and only if—
- (a) it is a right to consideration the amount or value of which is unascertainable at the time when the right is conferred, and
 - (b) that amount or value is unascertainable at that time on account of its being referable, in whole or in part, to matters which are uncertain at that time because they have not yet occurred.

This subsection is subject to subsections (5) and (6).

- (5) The amount or value of any consideration is not to be regarded as being unascertainable by reason only—
- (a) that the right to receive the whole or any part of the consideration is postponed or contingent, if the consideration or, as the case may be, that part of it is, in accordance with section 48, brought into account in the computation of the gain accruing to a person on the disposal of an asset, or
 - (b) in a case where the right to receive the whole or any part of the consideration is postponed and is to be, or may be, to any extent satisfied by the receipt of property of one description or property of some other description, that some person has a right to select the property, or the description of property, that is to be received.
- (6) A right is not to be taken to be a right to unascertainable consideration by reason only that either the amount or the value of the consideration has not been fixed, if—
- (a) the amount will be fixed by reference to the value, and the value is ascertainable, or
 - (b) the value will be fixed by reference to the amount, and the amount is ascertainable.]

(5) Subsection (6) below applies to a disposal of an asset which is not a no gain/no loss disposal if—

- (a) the person making the disposal acquired the asset after 31st March 1982; and
- (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal;

and for the purposes of this subsection a no gain/no loss disposal is one on which, by virtue of section 257(2) or 259(2) or any of the [^{F288}no gain/no loss provisions], neither a gain nor a loss accrues (or accrued) to the person making the disposal.

[^{F289}(5A) For the purposes of subsection (5), a disposal is also a no gain/no loss disposal if it is one on which, by virtue of section 195B, 195C or 195E, neither a gain nor a loss accrues to the person making the disposal; but, in such a case, subsection (6)(b) below does not apply.]

[^{F292}(7) The rules in subsection (8) below apply (after the application of section 53 but before the application of section 35(3) or (4)) to give the gain or loss for the purposes of this Act where—

- (a) subsection (6) above applies to the disposal (the “disposal in question”) of an asset by any person (the “transferor”), and
- (b) but for paragraph (b) of that subsection, the consideration the transferor would be treated as having given for the asset would include an amount or amounts of indexation allowance brought into account by virtue of section 56(2) on any disposal made before 30th November 1993.

(8) The rules are as follows—

- (a) where (apart from this subsection) there would be a loss, an amount equal to the rolled-up indexation shall be added to it so as to increase it,
- (b) where (apart from this subsection) the unindexed gain or loss would be nil, there shall be a loss of an amount equal to the rolled-up indexation, and
- (c) where (apart from this subsection)—
 - (i) there would be an unindexed gain, and
 - (ii) the gain or loss would be nil but the amount of the indexation allowance used to extinguish the gain would be less than the rolled-up indexation,

- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.
- (11) Where the transferor makes a part disposal of the asset at any time, then, for the purposes of that and any subsequent disposal, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (10) above on a previous part disposal by him or after the application of subsection (10) above on the part disposal) shall be apportioned between the property disposed of and the property which remains in the same proportions as the sums falling within section 38(1)(a) and (b).]

- (b) there are amounts on which [^{F424}, in the case of the settlement, individuals] are charged to tax under section 87 [^{F425}, 87K, 87L] or 89(2) for one or more tax years, each of which is earlier than the year of return, and
- (c) those amounts are in respect of matched capital payments received ^{F426}

(2) A “matched” capital payment is a capital payment, all or part of which is matched under section 87A with the section 2(2) amount for year A.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024.  - (a) the sum of the amounts mentioned in subsection (1)(c) to the extent that the matched capital payments are matched under section 87A with the section 2(2) amount for year A, or
 - (b) if the property comprised in the settlement has at any time included property not originating from the settlor, so much (if any) of that sum as, on a just and reasonable apportionment, is properly referable to the settlor.
- (5) If a reduction falls to be made under subsection (3) for the year of return, the deduction to be made in accordance with section 87(4)(b) for the settlement for that year must not be made until—
 - (a) all the reductions to be made under subsection (3) for that year for each settlor have been made, and
 - (b) those reductions are to be made starting with the year immediately preceding the year of return and working backwards.
- (6) Subsection (7) applies if, with respect to year A, an amount remains to be treated under section 10A as accruing to any of the settlors in the period of return after having made the reductions under subsection (3) with respect to year A.
- (7) The aggregate of the amounts remaining to be so treated (for all of the settlors) is to be applied in reducing so much of the section 2(2) amount for year A as has not already been matched with a capital payment under section 87A for any year prior to the year of return (but not so as to reduce the section 2(2) amount below zero).
- (8) In this section—
 - (a) “the settlement” means the settlement in relation to which the settlor mentioned in subsection (1)(a) is a settlor,
 - (b) a reference to “the settlors” or “each settlor” is to the settlors or each settlor in relation to the settlement,
 - (c) “period of return” and “year of return” have the same meanings as in section 10A, and
 - (d) paragraph 8 of Schedule 5 applies in construing the reference to property originating from the settlor.]

Find the section 2(2) amount for the relevant tax year.

Step 2

Find the total amount of capital payments received by the beneficiaries from the trustees in the relevant tax year.

Step 3

The section 2(2) amount for the relevant tax year is matched with—

- (a) if the total amount of capital payments received in the relevant tax year does not exceed the section 2(2) amount for the relevant tax year, each capital payment so received, and
- (b) otherwise, the relevant proportion of each of those capital payments.

“The relevant proportion” is the section 2(2) amount for the relevant tax year divided by the total amount of capital payments received in the relevant tax year.

Step 4

If paragraph (a) of Step 3 applies—

- (a) reduce the section 2(2) amount for the relevant tax year by the total amount of capital payments referred to there, and
- (b) reduce the amount of those capital payments to nil.

If paragraph (b) of that Step applies—

- (a) reduce the section 2(2) amount for the relevant tax year to nil, and

If the section 2(2) amount for the relevant tax year (as reduced under Step 4) is not nil, read references to capital payments received in the relevant tax year as references to capital payments received in the latest tax year which—

- (a) is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) is a tax year in which capital payments (the amounts of which have not been reduced to nil) were received by beneficiaries.

If the section 2(2) amount for the relevant tax year (as so reduced) is nil, read references to the section 2(2) amount for the relevant tax year as the section 2(2) amount for the latest tax year—

- (a) which is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) for which the section 2(2) amount is not nil.

(3) This subsection applies if—

103KG Meaning of “arise” in Chapter 5 **U.K.**

- (1) For the purposes of this Chapter, carried interest “arises” to an individual (“A”) if, and only if, it arises to him or her for the purposes of Chapter 5E of Part 13 of ITA 2007.
- (2) But section 809EZDB of ITA 2007 (sums arising to connected company or unconnected person) does not apply in relation to a sum of carried interest arising to—
- a company connected with A, or
 - a person not connected with A,
- where the sum is deferred carried interest in relation to A.
- (3) In this section, “deferred carried interest”, in relation to A—
- means a sum of carried interest where the provision of the sum to A or a person connected with A is deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise), and
 - includes A's share (as determined on a just and reasonable basis) of any carried interest the provision of which to A and one or more other persons, taken together, has been deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise).

In this subsection, in a case where the sum referred to in subsection (2) arises to a company connected with A, the reference to a person connected with A does not include that company.

- (4) Where—
- section 809EZDB of ITA 2007 has been disapplied in relation to a sum of deferred carried interest by virtue of subsection (2),
 - the sum ceases to be deferred carried interest in relation to A, and
 - the sum does not in any event arise to A apart from this subsection,
- the sum is to be regarded as arising to A at the time it ceases to be deferred carried interest.
- (5) But subsection (4) does not apply if—
- none of the enjoyment conditions is met in relation to the sum when it ceases to be deferred carried interest, and
 - there is no reasonable likelihood that any of those conditions will ever be met in relation to the sum.
- (6) The enjoyment conditions are—
- the sum, or part of the sum, is in fact so dealt with by any person as to be calculated at some time to enure for the benefit of A or a person connected with A;
 - the sum's ceasing to be deferred carried interest in relation to A operates to increase the value to A or a person connected with A of any assets which—
 - A or the connected person holds, or
 - are held for the benefit of A or the connected person;
 - A or a person connected with A receives or is entitled to receive at any time any benefit provided or to be provided out of the sum or part of the sum;

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (d) A or a person connected with A may become entitled to the beneficial enjoyment of the sum or part of the sum if one or more powers are exercised or successively exercised (and for these purposes it does not matter who may exercise the powers or whether they are exercisable with or without the consent of another person);
- (e) A or a person connected with A is able in any manner to control directly or indirectly the application of the sum or part of the sum.

In this subsection, in a case where the sum referred to in subsection (2) arises to a company connected with A, references to a person connected with A do not include that company.

- (7) In determining whether any of the enjoyment conditions is met in relation to a sum or part of a sum—
 - (a) regard must be had to the substantial result and effect of all the relevant circumstances, and
 - (b) all benefits which may at any time accrue to a person as a result of the sum ceasing to be deferred carried interest in relation to A must be taken into account, irrespective of—
 - (i) the nature or form of the benefits, or
 - (ii) whether the person has legal or equitable rights in respect of the benefits.
- (8) The enjoyment condition in subsection (6)(b), (c) or (d) is to be treated as not met if it would be met only by reason of A holding shares or an interest in shares in a company.
- (9) The enjoyment condition in subsection (6)(a) or (e) is to be treated as not met if the sum referred to in subsection (2) arises to a company connected with A and—
 - (a) the company is liable to pay corporation tax in respect of its profits and the sum is included in the computation of those profits, or
 - (b) paragraph (a) does not apply but—
 - (i) the company is a CFC and the exemption in Chapter 14 of Part 9A of TIOPA 2010 applies for the accounting period in which the sum arises, or
 - (ii) the company is not a CFC but, if it were, that exemption would apply for that period.

In this subsection “CFC” has the same meaning as in Part 9A of TIOPA 2010.

- (10) But subsections (8) and (9) do not apply if the sum referred to in subsection (2) arises to the company referred to in subsection (2)(a) or the person referred to in subsection (2)(b) as part of arrangements where—
 - (a) it is reasonable to assume that in the absence of the arrangements the sum or part of the sum would have arisen to A or an individual connected with A, and
 - (b) it is reasonable to assume that the arrangements have as their main purpose, or one of their main purposes, the avoidance of a liability to pay income tax, capital gains tax, inheritance tax or corporation tax.
- (11) The condition in subsection (10)(b) is to be regarded as met in a case where the sum is applied directly or indirectly as an investment in a collective investment scheme.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (12) Subsection (2) does not apply in relation to any sum in relation to which the condition in subsection (8)(b) of section 809EZDB is met by virtue of subsection (9) of that section.
- (13) Subsection (2) also does not apply if—
- (a) it is reasonable to assume that the deferral referred to in subsection (3)(a) or (b) is not the effect of genuine commercial arrangements, or
 - (b) that deferral is the effect of such arrangements but it is reasonable to assume that the arrangements have as their main purpose, or one of their main purposes, the avoidance of a liability to pay income tax, capital gains tax, corporation tax or inheritance tax.
- (14) In subsection (13), “genuine commercial arrangements” means arrangements involving A (alone or jointly with others performing investment management services) and external investors in the investment scheme.
- (15) Section 993 of ITA 2007 (meaning of “connected”) applies for the purposes of this section but as if—
- (a) subsection (4) of that section were omitted, and
 - (b) partners in a partnership in which A is also a partner were not “associates” of A for the purposes of sections 450 and 451 of CTA 2010 (“control”).

103KH Interpretation of Chapter 5 **U.K.**

- (1) In this Chapter—

“arrangements” has the same meaning as in Chapter 5E of Part 13 of ITA 2007 (see section 809EZE of that Act);

“carried interest”, in relation to arrangements referred to in section 103KA(1)(a), has the same meaning as in section 809EZB of ITA 2007 (see sections 809EZC and 809EZD of that Act);

“investment scheme”, “investment management services” and “external investor” have the same meanings as in Chapter 5E of Part 13 of ITA 2007 (see sections 809EZA(6) and 809EZE of that Act).]

CHAPTER I **U.K.**

GENERAL

Share pooling, identification of securities, and indexation

104 Share pooling: general interpretative provisions. **U.K.**

- (1) Any number of securities of the same class acquired by the same person in the same capacity shall for the purposes of this Act [^{F533}(subject to express provision to the contrary)] be regarded as indistinguishable parts of a single asset growing or diminishing on the occasions on which additional securities of the same class are acquired or some of the securities of that class are disposed of.
- [^{F534}(2) For the purposes of corporation tax, subsection (1) does not apply to any securities acquired by a company before 1 April 1982.
- (2A) See also sections 105 to 105B and—
- (a) section 106A in the case of capital gains tax, or
 - (b) sections 107 to 114 in the case of corporation tax.]
- (3) For the purposes of this section and sections 105, 107, 110 ^{F535}... and 114—
- [^{F536}“a section 104 holding” is] a holding of securities which, by virtue of subsection (1) above, is to be regarded as a single asset;
- “securities” does not include relevant securities as defined in section 108 but, subject to that, means—
- (i) shares or securities of a company; and
 - (ii) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired; and
- “relevant allowable expenditure” has the meaning assigned to it by section 53(2)(b) and (3);
- but shares or securities of a company shall not be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.
- [^{F537}(3A) For the purposes of capital gains tax section 35(2) applies in relation to a section 104 holding as if the reference to an asset were to any of the securities constituting or forming part of the section 104 holding which were held by the person making the disposal on 31 March 1982.]
- [^{F538}(4) For the purposes of this Chapter securities of a company which are held—
- (a) by a person who acquired them as an employee of the company or of any other person, and
 - (b) on terms which for the time being restrict his right to dispose of them,
- shall (notwithstanding that they would otherwise fall to be treated as of the same class) be treated as of a different class from any securities acquired by him otherwise than as an employee of the company or of any other person and also from any shares that are not held subject to restrictions, or the same restrictions, on disposal or in the case of which the restrictions are no longer in force.]
- [^{F539}(4A) For the purposes of this Chapter, securities of a company which are held by the trustees of a settlement, having been last acquired or deemed to be acquired by them in

- (5) Nothing in this section or sections 110^{F540} ... and 114 shall be taken as affecting the manner in which the market value of any securities is to be ascertained.
- (6) Without prejudice to the generality of subsections (1) and (2) above, a disposal of securities in a [^{F541}section 104 holding], other than a disposal of the whole of it, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.

 - (b) any shares to which deferral relief (within the meaning of Schedule 5B to this Act), but not relief under that Chapter [^{F558}or relief under that Part], is attributable and which were acquired by an individual on a disposal to which section 58 above applies,
- shall be treated as acquired by the individual on the day on which they were issued.
- (8) In this section the references to Chapter 3 of Part 7, section 299 and section 304 of the Taxes Act shall be read as references to those provisions as they apply to shares issued after 31st December 1993 (enterprise investment scheme).

- (2) Subject to subsections (3) to (5) below—
- (a) the holding shall continue to be regarded as a single asset for the purposes of this Act [^{F595}(subject to express provision to the contrary)], but one which cannot grow by the acquisition of additional securities of the same class, and

- and the relevant allowable expenditure which is attributable to that 1982 holding shall be adjusted or determined accordingly.
- (5) Paragraphs 4(8) to (13) and 5 to 8 of Schedule 2 shall apply in relation to an election under subsection (4) above as they apply in relation to an election under paragraph 4(2) of that Schedule, but with the substitution for any reference to 19th March 1968 of a reference to 31st March 1985 in the case of holdings or disposals by companies and 5th April 1985 in any other case.
- (6) For the purpose of computing the indexation allowance (if any) on a disposal of a 1982 holding, the relevant allowable expenditure attributable to the holding on the coming into force of this section shall be the amount which, if the holding had been disposed of immediately before the coming into force of this section, would have been the relevant allowable expenditure in relation to that holding on that disposal, and for the purposes of section 54(4) relevant allowable expenditure attributable to a 1982 holding shall be deemed to be expenditure falling within section 38(1)(a).

[^{F619}This subsection does not apply in relation to a [^{F620}relevant loan relationship transaction].]

[^{F621}(8AA) In subsection (8A) “relevant loan relationship transaction” means a transaction to which any of the following provisions applies—

section 342 of CTA 2009 (continuity of treatment on transfers within groups or reorganisations: issues of new securities on reorganisations: disposal at notional carrying value),

section 343 of that Act (continuity of treatment on transfers within groups or reorganisations: receiving company using fair value accounting),

section 424 of that Act (European cross-border transfers of business: reorganisations involving loan relationships),

(9) In any case where the old asset consists of a qualifying corporate bond, then, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as a disposal of the old asset and an acquisition of the new asset.

(10) Except in a case falling within subsection (9) above, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as not involving any disposal of the old asset but—

(a) there shall be calculated the chargeable gain or allowable loss that would have accrued if, at the time of the relevant transaction, the old asset had been disposed of for a consideration equal to its market value immediately before that transaction; and

(b) subject to subsections (12) to (14) below, the whole or a corresponding part of the chargeable gain or allowable loss mentioned in paragraph (a) above shall be deemed to accrue on a subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal); and

(c) on that subsequent disposal, section 115 shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss which is deemed to accrue by virtue of paragraph (b) above.

(11) Subsection (10)(b) and (c) above shall not apply to any disposal falling within section 58(1), 62(4), 139, [^{F623}140A,][^{F624}140E,][^{F625}or 171(1)], but a person who has acquired the new asset on a disposal falling within any of those sections (and without there having been a previous disposal not falling within any of those sections or a devolution on death) shall be treated for the purposes of subsection (10)(b) and (c) above as if the new asset had been acquired by him at the same time and for the same

(12) In any case where—

- (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and
- (b) the consideration for the old asset includes such a sum of money as is referred to in subsection (7) above,

then, subject to subsection (13) below, the proportion of that chargeable gain which that sum of money bears to the market value of the old asset immediately before the relevant transaction shall be deemed to accrue at the time of that transaction.

(13) If^{F626} ... the sum of money referred to in subsection (12)(b) above is small, as compared with the market value of the old asset immediately before the relevant transaction,^{F626} ... subsection (12) above shall not apply.

(14) In a case where subsection (12) above applies, the chargeable gain which, apart from that subsection, would by virtue of subsection (10)(b) above be deemed to accrue on a subsequent disposal of the whole or part of the new asset shall be reduced or, as the case may be, extinguished by deducting therefrom the amount of the chargeable gain which, by virtue of subsection (12) above, is deemed to accrue at the time of the relevant transaction.

(15) In any case where—

- (3) The relevant holding is assumed to have ceased to be a relevant holding for the second of those periods as a result of a transaction such as is mentioned in section 116(1) (“the reorganisation transaction”) occurring at the beginning of that period.
- (4) In relation to the reorganisation transaction within subsection (3), for the purposes of section 116—
 - (a) the relevant holding immediately before the beginning of the second of those periods is assumed to be the old asset, and
 - (b) the relevant holding immediately after the beginning of that period is assumed to be the new asset.

- (8) In relation to the reorganisation transaction within subsection (6), for the purposes of section 116—

and in paragraph (a) above “normal commercial loan” has the meaning which would be given by [^{F638}section 162 of CTA 2010 if for paragraphs (a) to (c) of subsection (2) of that section there were substituted the words “corporate bonds (within the meaning of section 117 of TCGA 1992)”].

[^{F639}(2AA) For the purposes of this section “corporate bond” also includes any asset which is not included in the definition in subsection (1) above and which is a [^{F640}deeply discounted security for the purposes of Chapter 8 of Part 4 of ITTOIA 2005 (see section 430)].]

(6) Subsection (2) above applies for the purposes of subsection (4) above as it applies for the purposes of subsection (1)(b) above, treating the reference to a security as a reference to a share.

^{F643}[(6A) For the purposes of this section “corporate bond” also includes, except in relation to a person who acquires it on or after a disposal in relation to which section 115 has or has had effect in accordance with section 116(10)(c), any debenture issued on or after 16th March 1993 which is not a security (as defined in section 132) but—

this Act shall have effect, in the case of the seller and every other person who from time to time has the earn-out right, in accordance with the assumptions specified in subsection (3) below.

[Subsection (2) above does not have effect if the seller elects under this section for the ^{F730}(2A) earn-out right not to be treated as a security of the new company.]

(3) Those assumptions are—

- (a) that the earn-out right is a security within the definition in section 132;
- (b) that the security consisting in the earn-out right is a security of the new company and is incapable of being a qualifying corporate bond for the purposes of this Act;
- (c) that references in this Act (including those in this section) to a debenture include references to a right that is assumed to be a security in accordance with paragraph (a) above; and

- (a) the transfer or extinguishment were a disposal, and
 - (b) a gain on that disposal fell to be computed in accordance with this Act,
- the shares or debentures to be issued would, in pursuance of section 48, be themselves regarded as, or as included in, the consideration for the disposal.
- (9) Where any right to be issued with shares in or debentures of a company comprises an option to choose between shares in that company and debentures of that company, the existence of that option shall not, by itself, be taken for the purposes of this section either—
- (a) to make unascertainable the value or quantity of the shares or debentures to be issued; or
 - (b) to prevent the requirements of subsection (1)(b) and (d) or (4)(b) and (d) above from being satisfied in relation to that right.
- (10) For the purposes of this section the value or quantity of shares or debentures shall not be taken to be unascertainable by reason only that it has not been fixed if it will be fixed by reference to the other and the other is ascertainable.

139 Reconstruction ^{F735} ... involving transfer of business. **U.K.**

(1) Subject to the provisions of this section, where—

- (a) any scheme of reconstruction ^{F736} ... involves the transfer of the whole or part of a company's business to another company, and
- ^{F737}(b) the conditions in subsection (1A) below are met in relation to the assets included in the transfer, and]
- (c) the first-mentioned company receives no part of the consideration for the transfer (otherwise than by the other company taking over the whole or part of the liabilities of the business),

then, so far as relates to corporation tax on chargeable gains, the 2 companies shall be treated as if any assets included in the transfer were acquired by the one company from the other company for a consideration of such amount as would secure that on the disposal by way of transfer neither a gain nor a loss would accrue to the company making the disposal, and for the purposes of Schedule 2 the acquiring company shall be treated as if the respective acquisitions of the assets by the other company had been the acquiring company's acquisition of them.

^{F738}(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that the company acquiring the assets is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets ^{F739} or NRCGT assets] in relation to that company immediately after that time, and
- (b) that the company from which the assets are acquired is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets ^{F740} or NRCGT assets] in relation to that company immediately before that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section ^{F741} 10B] form part of its chargeable profits for corporation tax purposes.]

^{F742}(1AA) For the purposes of subsection (1A), an asset is an “NRCGT asset” in relation to a company at any time if—

- (a) the disposal of the asset by the company at that time would be a non-resident CGT disposal, and
- (b) the company would not be, in relation to that disposal, an eligible person (as defined in section 14F).]

^{F743}(1B) Nothing in section 179(3D) prevents the two companies being treated as mentioned in subsection (1).]

- (2) This section does not apply in relation to an asset which, until the transfer, formed part of trading stock of a trade carried on by the company making the disposal, or in relation to an asset which is acquired as trading stock for the purposes of a trade carried on by the company acquiring the asset.

Section 170(1) applies for the purposes of this subsection.

^{F744}(3)

- (4) This section does not apply in the case of a transfer of the whole or part of a company's business to a unit trust scheme to which section 100(2) applies or which is an authorised unit trust or to an investment trust [^{F745}or a venture capital trust].
- (5) This section does not apply unless the reconstruction ^{F746}... is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax; but the foregoing provisions of this subsection shall not affect the operation of this section in any case where, before the transfer, the Board have, on the application of the acquiring company, notified the company that the Board are satisfied that the reconstruction ^{F746}... will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as aforesaid.

Subsections (2) to (5) of section 138 shall have effect in relation to this subsection as they have effect in relation to subsection (1) of that section.

- (6) Where, if the company making the disposal had not been wound up, tax could have been assessed on it by virtue of subsection (5) above, that tax may be assessed and charged (in the name of the company making the disposal) on the company to which the disposal is made.
- (7) If any tax assessed on a company ("the chargeable company") by virtue of subsection (5) or (6) above is not paid within 6 months from the date when it is payable, any other person who—
- (a) holds all or any part of the assets in respect of which the tax is charged; and
 - (b) either is the company to which the disposal was made or has acquired the assets without there having been any subsequent disposal not falling within this section or section 171,

may, within 2 years from the time when the tax became payable, be assessed and charged (in the name of the chargeable company) to all or, as the case may be, a corresponding part of the unpaid tax; and a person paying any amount of tax under this section shall be entitled to recover a sum of that amount from the chargeable company.

- (8) With respect to chargeable gains accruing in chargeable periods ending after such day as the Treasury may by order appoint, in subsection (7) above—
- (a) for the words "when it is payable" there shall be substituted "when it is due and payable or, if later, the date when the assessment is made on the company";
 - (b) for the words "the time when the tax became payable" there shall be substituted "the later of those dates"; and
 - (c) for the words "a sum" onwards there shall be substituted "from the chargeable company a sum equal to that amount together with any interest paid by him under section 87A of the Management Act on that amount".

[^{F747}(9) In this section "scheme of reconstruction" has the same meaning as in section 136.]

all to not less than one quarter of the ordinary share capital of the transferee company; and

- (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the ^{M22}Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—

Replacement of business assets

152 **Roll-over relief.** **U.K.**

- (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—
 - (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.
- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [^{F993}or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [^{F994}or amendments] may be made.

- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

- (4) Where a claim for relief is made under this section in respect of a disposal—
- (a) the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, and

F1068 **167 Gifts of UK residential property interests to non-residents** **U.K.**

- (1) This section applies where the disposal in relation to which a claim could be made under section 165 is a disposal of a UK residential property interest to a transferee who is not resident in the United Kingdom and, ignoring section 165—
 - (a) a gain would accrue to the transferor on the disposal, and
 - (b) on the assumption that the disposal is a non-resident CGT disposal (whether or not that is the case), that gain would be a chargeable NRCGT gain (see section 57B and Schedule 4ZZB).
- (2) Section 165(4) has effect in relation to the disposal as if it read—

“(4) Where a claim for relief is made under this section in respect of the disposal, the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, shall be reduced by an amount equal to the held-over gain on the disposal.”
- (3) Where the disposal is a non-resident CGT disposal—
 - (a) section 165(4), as modified by subsection (2) of this section, has effect in relation to the disposal as if the reference to “chargeable gain” were a reference to “chargeable NRCGT gain”,
 - (b) section 165(6) has effect in relation to the disposal as if the references to “chargeable gain” were references to “chargeable NRCGT gain”, and
 - (c) section 165(7) has effect in relation to the disposal as if the reference to “the excess referred to in paragraph (b) above” were a reference to “the chargeable NRCGT gain which, ignoring this section and section 17(1), would accrue to the transferor on the disposal”.
- (4) Where a claim for relief is made under section 165 in relation to the disposal mentioned in subsection (1), on a subsequent disposal by the transferee of the whole or part of the interest in UK land which is the subject of the disposal mentioned in subsection (1), the whole or a corresponding part of the held-over gain (see section 165(6))—
 - (a) is deemed to accrue to the transferee (in addition to any gain or loss that actually accrues on that subsequent disposal), and
 - (b) (if that would not otherwise be the case) is to be treated as an NRCGT gain chargeable to capital gains tax by virtue of section 14D accruing on a non-resident CGT disposal.
- (5) Where the subsequent disposal mentioned in subsection (4) is (or proves to be) a chargeable transfer for inheritance tax purposes, section 165(10) has effect in relation to the disposal as if—
 - (a) the reference to “the chargeable gain accruing to the transferee on the disposal of the asset” were a reference to the chargeable gain accruing on the disposal as computed apart from subsection (4), and
 - (b) the reference in section 165(10)(b) to “the chargeable gain” were a reference to—
 - (i) the chargeable gain chargeable to capital gains tax by virtue of any provision of this Act accruing on the disposal, and

168 Emigration of donee. **U.K.**

(1) If—

- (a) relief is given under section 165 in respect of a disposal to an individual or under section 260 in respect of a disposal to an individual (“the relevant disposal”); and
- ^{F1069}(aa) the transferee is resident in the United Kingdom at the time of that disposal; and]
- (b) at a time when he has not disposed of the asset in question, the transferee ^{F1070}ceases to be resident] in the United Kingdom,

then, subject to the following provisions of this section, a chargeable gain shall be deemed to have accrued to the transferee immediately before that time, and its amount shall be equal to the held-over gain (within the meaning of section 165 or 260) on the relevant disposal.

- (2) For the purposes of subsection (1) above the transferee shall be taken to have disposed of an asset before the time there referred to only if he has made a disposal or disposals in connection with which the whole of the held-over gain on the relevant disposal was represented by reductions made in accordance with section 165(4)(b) or 260(3) (b) and where he has made a disposal in connection with which part of that gain was so represented, the amount of the chargeable gain deemed by virtue of this section to accrue to him shall be correspondingly reduced.

- (5) Subsection (1) above shall not apply in relation to a disposal made to an individual if—
 - (a) the reason for his ^{F1073}ceasing to be resident] in the United Kingdom is that he works in an employment or office all the duties of which are performed outside the United Kingdom, and
 - (b) he again becomes resident ^{F1074}... in the United Kingdom within the period of 3 years from the time when he ceases to be so, without having meanwhile disposed of the asset in question;

and accordingly no assessment shall be made by virtue of subsection (1) above before the end of that period in any case where the condition in paragraph (a) above is, and the condition in paragraph (b) above may be, satisfied.

Losses attributable to depreciatory transactions

176 **Depreciatory transactions within a group.** U.K.

- (1) This section has effect as respects a disposal of shares in, or securities of, a company (“the ultimate disposal”) if the value of the shares or securities has been materially reduced by a depreciatory transaction effected [^{F1211}on or after 31st March 1982]; and for this purpose “depreciatory transaction” means—
 - (a) any disposal of assets at other than market value by one member of a group of companies to another, or
 - (b) any other transaction satisfying the conditions of subsection (2) below, except that a transaction shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.
- (2) The conditions referred to in subsection (1)(b) above are—
 - (a) that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - (b) that the parties to the transaction were or included 2 or more companies which at the time of the transaction were members of the same group of companies.
- (3) Without prejudice to the generality of subsection (1) above, the cancellation of any shares in or securities of one member of a group of companies under section [^{F1212}641] of the Companies Act [^{F1212}2006] shall, to the extent that immediately before the cancellation those shares or securities were the property of another member of the group, be taken to be a transaction fulfilling the conditions in subsection (2) above.
- (4) If the person making the ultimate disposal is, or has at any time been, a member of the group of companies referred to in subsection (1) or (2) above, any allowable loss accruing on the disposal shall be reduced to such extent as [^{F1213}is] just and reasonable having regard to the depreciatory transaction, but if the person making the ultimate disposal is not a member of that group when he disposes of the shares or securities, no reduction of the loss shall be made by reference to a depreciatory transaction which took place when that person was not a member of that group.
- (5) [^{F1214}A reduction under subsection (4) above shall be made] on the footing that the allowable loss ought not to reflect any diminution in the value of the company’s assets which was attributable to a depreciatory transaction, but allowance may be made for any other transaction on or after 31st March 1982 which has enhanced the value of the company’s assets and depreciated the value of the assets of any other member of the group.
- (6) If, under subsection (4) above, a reduction is made in an allowable loss, any chargeable gain accruing on a disposal of the shares or securities of any other company which

was a party to the depreciatory transaction by reference to which the reduction was made, being a disposal not later than 6 years after the depreciatory transaction, shall be reduced to such extent as [^{F1215}is] just and reasonable having regard to the effect of the depreciatory transaction on the value of those shares or securities at the time of their disposal, but the total amount of any one or more reductions in chargeable gains made by reference to a depreciatory transaction shall not exceed the amount of the reductions in allowable losses made by reference to that depreciatory transaction.

All such adjustments, whether by way of discharge or repayment of tax, or otherwise, as are required to give effect to the provisions of this subsection may be made at any time.

- (7) For the purposes of this section—
- (a) “securities” includes any loan stock or similar security whether secured or unsecured,
 - (b) references to the disposal of assets include references to any method by which one company which is a member of a group appropriates the goodwill of another member of the group, ^{F1216} ...
 - ^{F1216}(c)
- (8) References in this section to the disposal of shares or securities include references to the occasion of the making of a claim under section 24(2) that the value of shares or securities has become negligible, and references to a person making a disposal shall be construed accordingly.
- (9) In any case where the ultimate disposal is not one to which section 35(2) applies, the references above to 31st March 1982 shall be read as references to 6th April 1965.

- (3D) If subsection (3A) applies, any chargeable gain or allowable loss accruing to the transferor company on a group disposal (other than a group disposal to which section 127 applies) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A), as if the amount of the consideration for the group disposal were increased by the amount of the gain, and
 - (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the group disposal.
- (3E) If subsection (3A) applies, and section 127 applies to a group disposal, any chargeable gain or allowable loss accruing to the transferor company on a disposal of the new holding arising from the group disposal (or any part of that holding) is to be calculated—
- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A)—
 - (i) as if an amount equal to the amount of the gain were excluded from the expenditure allowable as a deduction under section 38 in the computation of the gain or loss accruing on the disposal (but not so as to reduce that expenditure below nil), and
 - (ii) where (ignoring sub-paragraph (i)) the amount of the gain exceeds the expenditure allowable as such a deduction, as if a gain equal to that excess accrued on the disposal of the new holding (or, if the disposal is of a part of the new holding, a gain equal to the corresponding part of that excess accrued on that disposal), in addition to any gain or loss that actually accrues on the disposal of the new holding or part, and
 - (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the disposal.

In this subsection “new holding” has the meaning given by section 126.

- (3F) If there is more than one group disposal, the references in subsections (3D) and (3E) to the amount of the gain or loss which would accrue to company A in the absence of subsection (3A) are to be read, in relation to each disposal, as references to—
- (a) such proportion of that amount as the transferor companies in relation to the group disposals jointly elect as the appropriate proportion in relation to the disposal in question, or
 - (b) where no election is made, the proportion of that amount attributable to that disposal if that amount is divided equally between the group disposals.
- (3G) An election under subsection (3F) must—
- (a) specify the appropriate proportion in relation to each group disposal, and
 - (b) be made, by notice to an officer of Revenue and Customs, no later than 2 years after the end of the first accounting period of a company in which any chargeable gain or allowable loss on a group disposal accrues.

- (3H) If a group disposal by a company consists of shares of more than one class, then, for the purposes of subsections (3D) and (3E), the company may apportion any increase

 - (i) a disposal of shares in company A, or another member of the other group mentioned in subsection (5)(b), made by a member of that other group, or
 - (ii) two or more such disposals,
- (b) either—
 - (i) subsection (3B) applies to the disposal or, if there is more than one disposal, to at least one of them, or

may make a claim for the amount of the gain to be treated for the purposes of the subsection in question as reduced by an amount specified in the claim.

- (3) In any other case, company A may make a claim for the amount of the gain to be treated for all purposes of this Act as reduced by an amount specified in the claim.
- (4) Where a claim is made under subsection (2) or (3), the gain must be treated, for the purposes mentioned in the subsection in question, as reduced by such amount (if any) as is just and reasonable.

184C Sections 184A and 184B: meaning of “qualifying change of ownership” **U.K.**

- (1) For the purposes of sections 184A and 184B, there is a qualifying change of ownership in relation to a company at any time if any one or more of the following occur at that time—
 - (a) the company joins a group of companies (see subsections (2) to (5)),
 - (b) the company ceases to be a member of a group of companies,
 - (c) the company becomes subject to different control (see subsections (6) to (9)).
- (2) Whether a company is a member of a group of companies at any time is determined in accordance with section 170.
- (3) But, apart from in the excepted case, nothing in section 170(10) or (10A) is to prevent all the companies of one group from being regarded as joining another group when the principal company of the first group becomes a member of the other group at any time.
- (4) The excepted case is the case where—

- (a) the persons owning the shares of the principal company of the first group immediately before that time are the same as the persons owning the shares of the principal company of the other group immediately after that time,
 - (b) the principal company of the other group was not the principal company of any group immediately before that time, and
 - (c) immediately after that time the principal company of the other group had assets consisting entirely (or almost entirely) of shares of the principal company of the first group.
- (5) For this purpose, references to shares of a company are to the shares comprised in the issued share capital of the company.
- (6) The general rule is that a company becomes subject to different control at any time if any one or more of the following occur—
- (a) a person has control of the company at that time (whether alone or together with one or more others) and the person did not previously have control of the company,
 - (b) a person has control of the company at that time together with one or more others and the person previously had control of the company alone,
 - (c) a person ceases to have control of the company at that time (whether the person had control alone or together with one or more others).
- (7) The general rule is subject to the following exceptions.
- (8) A company does not become subject to different control in any case where it joins a group of companies and the case is the excepted case mentioned above.
- (9) A company (“the subsidiary”) does not become subject to different control at any time in any case where—
- (a) immediately before that time the subsidiary is the 75 per cent. subsidiary of another company, and
 - (b) (although there is a change in the direct ownership of the subsidiary) that other company continues immediately after that time to own it as a 75 per cent. subsidiary.

184D Sections 184A and 184B: meaning of “tax advantage” **U.K.**

For the purposes of sections 184A and 184B, “tax advantage” means—

- (a) relief or increased relief from corporation tax,
- (b) repayment or increased repayment of corporation tax,
- (c) the avoidance or reduction of a charge to corporation tax or an assessment to corporation tax, or
- (d) the avoidance of a possible assessment to corporation tax.

184E Sections 184A and 184B: “pre-change assets”: basic rules **U.K.**

- (1) If—
- (a) a company other than the relevant company makes a disposal of an asset, and
 - (b) the asset has been disposed of at any time after the relevant time by a disposal to which section 171(1) does not apply (a “non-section 171(1) transfer”),
- the asset ceases to be regarded as a pre-change asset for the purposes of sections 184A and 184B (but see also subsections (10) and (11)).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) But (without affecting the generality of the provision made by the following subsection) if, on a non-section 171(1) transfer,—
- (a) an asset would cease to be regarded as a pre-change asset as a result of subsection (1), and
 - (b) the company making the non-section 171(1) transfer retains any interest in or over the asset,
- that interest is to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (3) If—
- (a) the relevant company or any other company holds an asset (“the new asset”) at or after the relevant time,
 - (b) the value of the new asset derives in whole or in part from a pre-change asset, and
 - (c) the new asset is not acquired by the company concerned as a result of a non-section 171(1) transfer,
- the new asset is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (4) For this purpose the cases in which the value of an asset may be derived from any other asset include any case where—
- (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (5) If a pre-change asset is “the old asset” for the purposes of section 116 (reorganisations, conversions and reconstructions), “the new asset” for the purposes of that section is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (6) If a pre-change asset is the “original shares” for the purposes of sections 127 to 131 (reorganisation or reduction of share capital), the “new holding” for the purposes of those sections is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (7) The following subsection applies if, as a result of the application of a relevant deferral provision in the case of a disposal of a pre-change asset (“the original disposal”),—
- (a) a gain or loss that would otherwise accrue to a company does not so accrue, or
 - (b) any part of any such gain is treated as forming part of a single chargeable gain which does not accrue to the company on the original disposal,
- and a gain or loss does, wholly or partly in consequence of the application of that provision in the case of the original disposal, accrue to the company or any other company on a subsequent occasion.
- (8) So much of the gain or loss accruing on the subsequent occasion as accrues in consequence of the application of the relevant deferral provision in the case of the original disposal is to be regarded for the purposes of sections 184A and 184B as accruing on a disposal of a pre-change asset (so far as it would not otherwise be so regarded).
- (9) A “relevant deferral provision” means any of the following—
- (a) section 139 (reconstruction involving transfer of business),

- (b) section 140 (postponement of charge on transfer of assets to non-resident company),
 - (c) section 140A (transfer of a UK trade),
 - (d) section 140E (merger leaving assets within UK tax charge),
 - (e) sections 152 and 153 (replacement of business assets),
 - (f) section 187 (postponement of charge on deemed disposal under section 185).
- (10) If—
- (a) a pre-change asset of the relevant company is transferred to another company (“the transferee company”),
 - (b) any of sections 139, 140A and 140E apply to the companies in the case of the asset, and
 - (c) the transfer of the asset is made directly or indirectly in consequence of, or otherwise in connection with, the arrangements mentioned in section 184A or 184B,
- the asset is to be regarded as a “pre-change asset” in the hands of the transferee company for the purposes of sections 184A and 184B.
- (11) In such a case, subsection (1) applies as if the reference in paragraph (a) of that subsection to the relevant company were to the transferee company.

184F Sections 184A and 184B: “pre-change assets”: pooling rules **U.K.**

- (1) This section applies, in the case of any pre-change asset of the relevant company or any pre-change asset of any company which is acquired on a disposal to which section 171(1) applies, if—
- (a) the pre-change asset consists of a holding of securities which falls as a result of any provision of Chapter 1 of Part 4 to be regarded as a single asset (“the pre-change pooled asset”), and
 - (b) as a result of any disposal or acquisition at any time after the relevant time, any securities (“the other securities”) would (but for this section) be regarded as forming part of the pre-change pooled asset.
- (2) None of the other securities are to be regarded for the purposes of this Act as forming part of the pre-change pooled asset.
- (3) But this does not prevent the other securities from being regarded, as a result of any provision of that Chapter, as forming part of or constituting a different, single asset (“the other pooled asset”).
- (4) Securities of the same class as the other securities which are disposed of at or after the relevant time—
- (a) are to be identified first with the other securities or securities forming part of the other pooled asset,
 - (b) are to be identified next with securities forming part of the pre-change pooled asset (if the number of securities disposed of exceeds the number identified in accordance with paragraph (a)), and
 - (c) subject to paragraphs (a) and (b), are to be identified in accordance with the provisions applicable apart from those paragraphs.
- (5) The above identification rules apply even if some or all of the securities disposed of are otherwise identified—

- (a) by the disposal, or
 - (b) by a transfer or delivery giving effect to it;
- but where a company disposes of securities in one capacity, they are not to be identified with securities which it holds, or can dispose of, only in some other capacity.
- (6) Chapter 1 of Part 4 has effect subject to this section.
- (7) In this section—
- “pre-change asset” means an asset which is pre-change asset for the purposes of section 184A or 184B,
 - “securities” does not include relevant securities as defined in section 108 but, subject to that, means—
 - (a) shares or securities of a company, and
 - (b) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired.
- (8) For the purposes of this section, shares or securities of a company are not to be treated as being of the same class unless—
- (a) they are so treated by the practice of a recognised stock exchange, or
 - (b) they would be so treated if dealt with on a recognised stock exchange.]

[^{F1275}184A] **Avoidance involving losses: schemes converting income to capital** **U.K.**

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if conditions A to D are satisfied.
- [^{F1276}(2) Condition A is that a receipt or other amount arises to a company directly or indirectly in consequence of, or otherwise in connection with, any arrangements.
- (3) Condition B is that—
- (a) that amount falls to be taken into account in calculating a chargeable gain (the “relevant gain”) which accrues to a company (“the relevant company”), and
 - (b) losses accrue (or have accrued) to the relevant company (whether before or after or as part of the arrangements).]

(4) Condition C is that, but for the arrangements, an amount would have fallen to be taken into account wholly or partly instead of [^{F1277}the amount mentioned in subsection (2)] in calculating the income chargeable to corporation tax—

 - (a) of the relevant company, or
 - (b) of a company which, at any qualifying time, is a member of the same group as the relevant company.

(5) Condition D is that—

- (4) For the purposes of tax in respect of chargeable gains—
 - (a) the several chargeable gains and allowable losses falling within paragraphs (a) and (b) of subsection (3) above shall be left out of account; and

 - (d) if in any chargeable period there is an aggregate gain, no loss shall be deducted from it except in accordance with paragraph (c) above; and

213 Spreading of gains and losses under section 212. U.K.

- (1) Any chargeable gains or allowable losses which would otherwise accrue on disposals deemed by virtue of section 212 to have been made at the end of a company's accounting period shall be treated as not accruing to it, but instead—
- there shall be ascertained the difference (“the net amount”) between the aggregate of those gains and the aggregate of those losses, and
 - one-seventh of the net amount shall be treated as a chargeable gain or, where it represents an excess of losses over gains, as an allowable loss accruing to the company at the end of the accounting period, and
 - a further one-seventh shall be treated as a chargeable gain or, as the case may be, as an allowable loss accruing at the end of each succeeding accounting period until the whole amount has been accounted for.

^{F1434}(1A) Subsection (1) above shall not apply to chargeable gains or allowable losses except so far as they are gains or losses which—

- are referable^{F1435}, in accordance with Chapter 4 of Part 2 of the Finance Act 2012,] to basic life assurance and general annuity business^{F1436}...]

(2) For any accounting period of less than one year, the fraction of one-seventh referred to in subsection (1)(c) above shall be proportionately reduced; and where this subsection has had effect in relation to any accounting period before the last for which subsection (1)(c) above applies, the fraction treated as accruing at the end of that last accounting period shall also be adjusted appropriately.

(3) [^{F1437}Subject to [^{F1438}subsection (8H)] below,] Where—

the fraction of any net amount that is treated as accruing at the end of the accounting period of the company in which the disposal occurs is to be adjusted so as to secure that the whole of the chargeable gain or allowable loss attributable to the units disposed of which has been taken into account in determining the net amount has been accounted for; and fractions of the net amount treated as accruing at the end of subsequent accounting periods are to be adjusted accordingly.

(4ZC) For the purposes of subsection (4ZB) (notwithstanding the provisions of Chapter 1 of Part 4 (shares, securities, options etc))—

(1) Where, in connection with the transfer, there are conferred on members of the society—

- (a) any rights to acquire shares in the successor company in priority to other persons, or
- (b) any rights to acquire shares in that company for consideration of an amount or value lower than the market value of the shares, or
- (c) any rights to free shares in that company,

any such right so conferred on a member shall be regarded for the purposes of tax on chargeable gains as an option (within the meaning of section 144) granted to, and acquired by, him for no consideration and having no value at the time of that grant and acquisition.

(2) Where, in connection with the transfer, shares in the successor company are issued by that company, or disposed of by the society, to a member of the society, those shares shall be regarded for the purposes of tax on chargeable gains—

- (a) as acquired by the member for a consideration of an amount or value equal to the amount or value of any new consideration given by him for the shares (or, if no new consideration is given, as acquired for no consideration); and
- (b) as having, at the time of their acquisition by the member, a value equal to the amount or value of the new consideration so given (or, if no new consideration is given, as having no value);

- (b) the interest of any member in the settled property constituted by the shares shall be regarded as acquired by him for no consideration and as having no value at the time of its acquisition;
- (c) where a member becomes absolutely entitled as against the trustees to any of the settled property, both the trustees and the member shall be treated as if, on his becoming so entitled, the shares in question had been disposed of and immediately reacquired by the trustees, in their capacity as trustees within section 60(1), for a consideration of such an amount as would secure that on the disposal neither a gain nor a loss would accrue to the trustees (and accordingly section 71 shall not apply in relation to that occasion); and
- (d) on the disposal by a member of an interest in the settled property, other than the disposal treated as occurring for the purposes of paragraph (c) above, any gain accruing shall be a chargeable gain (and accordingly section 76(1) shall not apply in relation to the disposal).

 - (i) a dwelling-house, or part of a dwelling-house, which was at any time in P's period of ownership occupied by P as a residence, or

In the remainder of this section the residence concerned is referred to as “the dwelling-house”.

- (2) So far as it is necessary for the purposes of section 222, P may determine, by a notice under this section, which of 2 or more residences (of which one is the dwelling-house) was P's main residence for any period within P's period of ownership of the dwelling-house.

- See also subsections (4) and (7).
- (4) A notice under this section may not vary a notice previously given under section 222(5)
- (a) as respects any period for which the previous notice had the effect of determining whether or not a disposed of residence was P's main residence.
- (5) In subsection (4) “disposed of residence” means one of P's residences which was disposed of (in whole or in part) before the date of the disposal mentioned in subsection (1)(a).
- (6) A notice under this section—

 - (b) may not subsequently be varied, whether by a notice under this section or section 222(5)(a).
- (7) Where a notice under this section affects both P and an individual (“X”) who was, in the period to which the notice relates (“the relevant period”), P's spouse or civil partner living with P—
- (a) in a case where each of P and X is required to make an NRCGT return in respect of the disposal of an interest in the dwelling-house, notice given by P under this section is effective as respects any part of the relevant period when P and X were living together as spouses or civil partners only if notice to the same effect is also given under this section by X in respect of that period;

- (1) This section applies where—
 - (a) the individual mentioned in section 223(1) (“P”) acquired the asset to which the gain mentioned in section 222(1) is attributable before 6 April 2015, and
 - (b) P’s period of ownership for the purposes of section 223 begins on that date because of section 223(7)(b).
- (2) Times before 6 April 2015 are to be ignored in determining whether or not condition A in section 223 is met in relation to a period of absence, unless P elects that this subsection is not to apply in relation to the period.
- (3) An election under subsection (2)—
 - (a) must specify which day before 6 April 2015 P relies on in relation to the period of absence for the purpose of meeting condition A in section 223, and
 - (b) must be made in the NRCGT return in respect of the disposal.
- (4) Where P has made an election under subsection (2), section 223 applies as if relevant prior periods of absence counted against the maximum periods (and maximum aggregate periods) specified in subsection (3)(a), (c) and (d) of that section.
- (5) In relation to a maximum period (or maximum aggregate period) specified in paragraph (a), (c) or (d) of section 223(3), “relevant prior period of absence” means a period of absence which would have counted against that maximum period (or maximum aggregate period) if the bridge period were included in the period of ownership.
- (6) In subsection (5) “the bridge period” means the period beginning with the day specified in the election and ending with 5 April 2015.
- (7) In this section “period of absence” has the same meaning as in section 223.]

- (3) No claim for relief under section 236H may be made in respect of the disposal on or after the day on which the disqualifying event (or, if more than one, the first of them) occurs.
- (4) Any claim for relief under section 236H made in respect of the disposal before that day is revoked, and the chargeable gains and allowable losses of any person for any chargeable period are to be calculated as if that claim had never been made.
- (5) Such adjustments must be made in relation to any person, whether by the making of assessments or otherwise, as are required to give effect to subsection (4) (regardless of any limitation on the time within which any adjustment may be made).
- (6) Section 236H(5) (restrictions on application of section 236L) applies for the purposes of subsection (2)(b).

- (4) For the purposes of subsection (2)(b)—
 - (a) unless the settlement met the all-employee benefit requirement at the time of the acquisition by virtue of section 236L, that section does not apply for the purposes of determining whether the settlement continues to meet that requirement after the acquisition, and

255A Hold-over relief for gains re-invested in social enterprises **U.K.**

Schedule 8B to this Act (which provides relief in respect of gains re-invested in social enterprises) has effect.

255B Gains and losses on investments in social enterprises **U.K.**

- (1) For the purpose of determining the gain or loss on any disposal of an asset by an individual where—
 - (a) an amount of SI relief is attributable to the asset, and
 - (b) apart from this subsection there would be a loss,
 treat the consideration given by the individual for the acquisition of the asset as reduced by the amount of the SI relief.
- (2) If—
 - (a) an individual disposes of an asset,
 - (b) an amount of SI relief is attributable to the asset,
 - (c) the disposal takes place after the end of the 3 years beginning with the day when the individual acquired the asset, and
 - (d) apart from this subsection, there would be a gain on the disposal,
 the gain is not a chargeable gain, subject to section 255C.
- (3) Despite section 16(2), subsection (2) above does not apply to a disposal on which a loss accrues.
- (4) Any question as to—
 - (a) which of any assets acquired by an individual at different times a disposal relates to, being assets to which SI relief is attributable, or
 - (b) whether a disposal relates to assets to which SI relief is attributable or to other assets,
 is to be determined for the purposes of capital gains tax as provided by section 257TA of ITA 2007.
- (5) Chapter 1 of this Part has effect subject to subsection (4).
- (6) Sections 104, 105 and 106A do not apply to assets to which SI relief is attributable.
- (7) There are to be made all such adjustments of capital gains tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of SI relief being given or withdrawn.
- (8) In this section and sections 255C to 255E “SI relief” means relief under Part 5B of ITA 2007 (income tax relief for investments in social enterprises).
- (9) That Part applies for the purposes of this section and sections 255C to 255E to determine whether SI relief is attributable to any asset and, if so, the amount of SI relief so attributable.

255C Application of section 255B(2) where maximum SI relief not obtained **U.K.**

- (1) Subsection (2) applies if—
 - (a) an individual's liability to income tax has been reduced (or treated by virtue of section 257T of ITA 2007 (spouses or civil partners) as reduced) for any tax

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

year under section 257JA of ITA 2007 (SI relief) in respect of the acquisition of an asset,

- (b) the amount of the reduction (“D”) is less than the amount given by—

$$I \times R$$

where—

I is the amount on which the individual has SI relief in the case of the asset, and

R is the SI rate for the tax year for which the SI relief was obtained, and

- (c) D is not within paragraph (b) solely by virtue of section 29(2) and (3) of ITA 2007.

- (2) If the individual disposes of the asset and there is a gain on the disposal, section 255B(2) has effect in relation to the gain as if it were reduced by multiplying it by—

$$D I \times R$$

- (3) In this section “SI rate” has the meaning given by section 257JA(5) of ITA 2007.

255D Application of section 255B(2) where SI relief has been reduced **U.K.**

- (1) Subsection (2) applies if before a disposal of an asset—

- (a) value is received in circumstances where SI relief attributable to the asset is reduced by an amount under section 257Q(1)(a) of ITA 2007, or
(b) there is a repayment, redemption, repurchase or payment in circumstances where SI relief attributable to the asset is reduced by an amount under section 257QJ(2)(a) of ITA 2007, or
(c) paragraphs (a) and (b) both apply.

- (2) If section 255B(2) applies on the disposal but section 255C does not, section 255B(2) applies only to so much of the gain as remains after deducting so much of it as is found by multiplying it by the fraction—

$$A B$$

where—

A is equal to the amount by which the SI relief given in respect of the asset is reduced as mentioned in subsection (1) above, and

B is equal to the amount of the SI relief given in respect of the asset.

- (3) If sections 255B(2) and 255C apply on the disposal, section 255B(2) applies only to so much of the gain as is found by—

- (a) taking the part of the gain found under section 255C, and
(b) deducting from that part so much of it as is found by multiplying it by the fraction mentioned in subsection (2).

- (4) If the SI relief given in respect of the asset is reduced as mentioned in subsection (1) by more than one amount, the amount referred to as A in subsection (2) is to be taken to be equal to the aggregate of those amounts.

- (5) The amount referred to in subsection (2) as B is to be found without regard to any reduction mentioned in subsection (1).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024.  - (b) shares to which SI relief is attributable and to which subsection (3) does not apply, and
 - (c) shares to which SI relief is not attributable and to which subsection (3) does not apply.
- (2) If there is a reorganisation within the meaning of section 126 affecting the shares listed in subsection (1), section 127 applies separately to those shares so that shares of each kind are treated as a separate holding of original shares and identified with a separate new holding.
- (3) This subsection applies to any shares if—
 - (a) expenditure on the shares has been set under Schedule 8B to this Act against the whole or part of any gain, and
 - (b) in relation to the shares there has been no chargeable event for the purposes of that Schedule.
- (4) If—
 - (a) an individual holds shares (“the existing holding”) which form part of the ordinary share capital of a company,
 - (b) there is, by virtue of any such allotment for payment as is mentioned in section 126(2)(a), a reorganisation affecting the existing holding, and
 - (c) immediately following the reorganisation, SI relief is attributable to the existing holding or the allotted shares,
 sections 127 to 130 do not apply in relation to the existing holding.
- (5) Subject to subsection (6), sections 135 and 136 do not apply in respect of shares to which SI relief is attributable.
- (6) Subsection (5) does not have effect to disapply section 135 or 136 in a case where the original shares are shares to which SI relief is attributable if—
 - (a) the new holding consists of new ordinary shares which meet conditions A and B of section 257L of ITA 2007,
 - (b) the new shares are issued after the end of three years beginning with the day on which the original shares were acquired,
 - (c) before issuing the new shares, the company had issued shares which met conditions A and B of section 257L of ITA 2007, and
 - (d) the company issued a compliance certificate in relation to those earlier shares for the purposes of section 257PA(1) of ITA 2007 and in accordance with sections 257PB and 257PC of ITA 2007.
- (7) In subsection (6) “new holding” is to be construed in accordance with sections 126, 127, 135 and 136.
- (8) In this section—

“ordinary share capital” has the meaning given in section 989 of ITA 2007;
 “ordinary shares”, in relation to a company, means shares forming part of its ordinary share capital.]

(4) The person making a disposal to which subsection (3) above applies and the person acquiring the asset on the disposal shall be treated for all the purposes of this Act as if the asset was acquired from the one making the disposal for a consideration of such an amount as would secure that on the disposal neither a gain nor a loss would accrue to the one making the disposal.

(5) If—

For the purposes of this subsection 2 or more assets are associated with each other if one of them is a building falling within section 31(1)(c) of the 1984 Act and the other or others such land or objects as, in relation to that building, fall within section 31(1)(d) or (e) of the 1984 Act.

[^{F1731}261ZA] Gifts of UK residential property interests to non-residents U.K.

- (1) This section applies where the disposal in relation to which a claim could be made under section 260 is a disposal of a UK residential property interest to a transferee who is not resident in the United Kingdom and, ignoring section 260—
- (a) a gain would accrue to the transferor on the disposal, and
 - (b) on the assumption that the disposal is a non-resident CGT disposal (whether or not that is the case), that gain would be a chargeable NRCGT gain (see section 57B and Schedule 4ZZB).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Section 260(3) has effect in relation to the disposal as if it read—
- “(3) Where this subsection applies in relation to a disposal, the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, shall be reduced by an amount equal to the held-over gain on the disposal.”
- (3) Where the disposal is a non-resident CGT disposal—
- (a) section 260(3), as modified by subsection (2) of this section, and section 260(4) have effect in relation to the disposal as if the references to “chargeable gain” were references to “chargeable NRCGT gain”, and
- (b) section 260(5) has effect in relation to the disposal as if the reference to “the excess referred to in paragraph (b) above” were a reference to “the chargeable NRCGT gain which, ignoring this section and section 17(1), would accrue to the transferor on the disposal”.
- (4) Where a claim for relief is made under section 260 in relation to the disposal mentioned in subsection (1), on a subsequent disposal by the transferee of the whole or part of the interest in UK land which is the subject of the disposal mentioned in subsection (1), the whole or a corresponding part of the held-over gain (see section 260(4))—
- (a) is deemed to accrue to the transferee (in addition to any gain or loss that actually accrues on that subsequent disposal), and
- (b) (if that would not otherwise be the case) is to be treated as a chargeable NRCGT gain accruing on a non-resident CGT disposal.
- (5) Where the subsequent disposal mentioned in subsection (4) is a disposal within section 260(2)(a), subsection (7) of that section has effect in relation to the disposal as if—
- (a) the reference to “the chargeable gain accruing to the transferee on the disposal of the asset” were a reference to the chargeable gain accruing on the disposal as computed apart from subsection (4), and
- (b) the reference in section 260(7)(b) to “the chargeable gain” were a reference to—
- (i) the chargeable gain (or, where the disposal is a non-resident CGT disposal, the chargeable NRCGT gain) accruing on the disposal, and
- (ii) the held-over gain deemed to accrue under subsection (4).
- (6) In this section, “interest in UK land” has the meaning given by paragraph 2 of Schedule B1.]

[^{F1766}263B] Stock lending: insolvency etc of borrower U.K.

- (1) This section applies where, in the case of any stock lending arrangement—
 - (a) the borrower (B) becomes insolvent after the lender (L) has transferred the securities,
 - (b) as a result of the insolvency, the requirement for B to make a transfer back to L will not be complied with as regards some or all of the securities,
 - (c) collateral is used (whether directly or indirectly) to enable L to acquire securities (“replacement securities”) of the same description as the securities which will not be transferred back, and
 - (d) the replacement securities are acquired before the end of the period of 30 days beginning with the day on which B becomes insolvent (“the insolvency date”).
- (2) In accordance with section 263B(2), the transfer of the securities under the arrangement is not to be regarded as a disposal by L for the purposes of this Act (but this is subject to subsection (5)).
- (3) B is to be treated for the purposes of this Act as having acquired the securities which will not be transferred back to L; and that acquisition is to be treated—
 - (a) as being made on the insolvency date, and
 - (b) as being for a consideration equal to their market value on that date.
- (4) The acquisition of the replacement securities is to be treated, as regards L, as if it were a transfer back of securities in accordance with the arrangement (so that, in accordance with section 263B(2), that acquisition is not regarded as an acquisition by L for the purposes of this Act).
- (5) If the number of replacement securities is less than the number of securities which B is treated as having acquired, L is to be treated for the purposes of this Act as having made a disposal, at the insolvency date, of the difference (“the deemed disposal”).
- (6) The consideration for the deemed disposal is—
 - (a) where all the collateral is used to enable L to acquire replacement securities, nil, and
 - (b) where not all the collateral is so used, the difference between—
 - (i) the market value (at the insolvency date) of the number of securities which could have been acquired using the collateral, and
 - (ii) the market value (at that date) of the number of securities which were in fact so acquired.
- (7) But if L at any time receives any amount (whether arising out of B's insolvency or otherwise) in respect of B's liability to L in respect of the securities which are treated under subsection (5) as having been disposed of by L that amount is to be treated as a chargeable gain accruing at that time to L.
- (8) The liability mentioned in subsection (7) is not to be treated as giving rise to a relevant non-lending relationship for the purposes of Part 6 of CTA 2009 (relationships treated as loan relationships etc).
- (9) For the purposes of this section, B becomes insolvent—
 - (a) if a company voluntary arrangement takes effect under Part 1 of the Insolvency Act 1986,

- (b) if an administration application (within the meaning of Schedule B1 to that Act) is made or a receiver or manager, or an administrative receiver, is appointed,
 - (c) on the commencement of a creditor's voluntary winding up (within the meaning of Part 4 of that Act) or a winding up by the court under Chapter 6 of that Part,
 - (d) if an individual voluntary arrangement takes effect under Part 8 of that Act,
 - (e) on [^{F1767}bankruptcy application made or] the presentation of a bankruptcy petition (within the meaning of Part 9 of that Act),
 - (f) if a compromise or arrangement takes effect under Part 26 of the Companies Act 2006,
 - (g) if a bank insolvency order takes effect under Part 2 of the Banking Act 2009,
 - (h) if a bank administration order takes effect under Part 3 of that Act, or
 - (i) on the occurrence of any corresponding event which has effect under or as a result of the law of Scotland or Northern Ireland or a country or territory outside the United Kingdom.
- (10) In this section—
- (a) “collateral” means an amount of money or other property which—
 - (i) is provided under the arrangement (or under arrangements of which the arrangement forms part), and
 - (ii) is payable to or made available for the benefit of L for the purpose of securing the discharge of the requirement to transfer any or all of the securities back to L, and

279C Effect of election under section 279A **U.K.**

(1) This section applies where an election is made under section 279A by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.

(2) Where this section applies, the relevant loss shall be treated for the purposes of capital gains tax as if it were a loss accruing to the taxpayer in the earliest year which is an eligible year (the “first eligible year”), instead of in the year of the loss (but subject to, and in accordance with, the following provisions of this section).

^{F1874}(3) The amount of the relevant loss that falls to be deducted (in accordance with section 2(2)(a)) from the chargeable gains of the first eligible year is limited to the first year limit.

(4) The first year limit is the amount calculated under section 2(2) (read, where appropriate, with section 2(4)(a)) for the first eligible year.

The amount so found is the first year limit in a case where section 2(5)(aa) applies in relation to the first eligible year.

(4A) For the purpose of making that calculation—

- (a) no account is to be taken of the relevant loss, but
- (b) the effect of any previous election under section 279A is to be taken into account.]

(5) As respects any later year before the year of the loss, the relevant loss (so far as not previously allowed as a deduction from chargeable gains accruing in any previous year) falls to be deducted in accordance with section 2(2)(b) only if that later year is an eligible year.

(6) The amount of the relevant loss that falls to be deducted from chargeable gains of that later eligible year in accordance with section 2(2)(b) is limited to the amount (the “later year limit”) in respect of which the taxpayer would be chargeable to capital gains tax for that later year—

- (a) on the assumption in subsection (7) below,
- (b) taking account of any previous elections under section 279A, and
- (c) apart from ^{F1875}amounts of chargeable gains treated as accruing in that later year by virtue of section 87^{F1876}, 87K, 87L] or 89(2) (read, where appropriate, with section 10A)].

(7) The assumption is that no part of—

- (a) the relevant loss, or
- (b) any loss in respect of which an election under section 279A may be, but has not been, made,

falls to be deducted, in consequence of an election under section 279A, from any chargeable gains accruing to the taxpayer in that later eligible year.

The assumption falls to be made immediately after the making of the election in respect of the relevant loss.

(9) All such adjustments shall be made, whether by discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to the election under section 279A made by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.

284 Income tax decisions. U.K.

Any assessment to income tax or decision on a claim under the Income Tax Acts, and any decision on an appeal under the Income Tax Acts against such an assessment or decision, shall be conclusive so far as, under any provision of this Act, liability to tax depends on the provisions of the Income Tax Acts.

^{F1895}284A Concessions that defer a charge. U.K.

- (1) This section applies where—
 - (a) a person (“the original taxpayer”) has at any time obtained for any chargeable period (“the first chargeable period”) the benefit of any capital gains relief to which he had no statutory entitlement;
 - (b) the benefit of the relief was obtained in reliance on any concession;
 - (c) the concession was first published by the Board before 9th March 1999 or (having been published on or after that date) replaced a concession satisfying the requirements of this paragraph with a concession to the same or substantially the same effect; and
 - (d) the concession involved the application (with or without modifications), to a case to which they would not otherwise have applied, of the provisions of any enactment (“the relevant statutory provisions”).
- (2) This section applies only if, at the time when the original taxpayer obtained the benefit of the relief, the concession was one available generally to any person falling within its terms.
- (3) If the benefit obtained for the first chargeable period by the original taxpayer is repudiated for any later chargeable period (whether by the original taxpayer or by another person), the enactments relating to the taxation of chargeable gains shall have effect as if a chargeable gain equal to the amount of that benefit accrued in the later chargeable period to the person repudiating the benefit.
- (4) For the purposes of this section—
 - (a) a capital gains relief for any chargeable period is a relief (of whatever description) the effect of which is that the amount of the chargeable gains taken to have accrued to that person in that period is less than it otherwise would have been; and
 - (b) the amount of the benefit of any such relief is the amount by which, as a consequence of that relief, those gains are less than they otherwise would have been.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Where, without applying a specific enactment, any concession has the effect that—
- (a) any asset is treated as the same as another asset and as acquired as the other asset was acquired,
 - (b) any two or more assets are treated as a single asset, or
 - (c) any disposal is treated as having been a disposal on which neither a gain nor a loss accrued,

that concession shall be assumed for the purposes of this section to have involved the application, to a case to which it would not otherwise have applied, of the provisions of an enactment to the corresponding effect.

- (6) For the purposes of this section the benefit of any relief obtained by the original taxpayer for the first chargeable period is repudiated by a person for a later chargeable period if—

- (a) circumstances arise such that, had the equivalent circumstances arisen in the case of the corresponding relief under the relevant statutory provisions, the whole or a part of the benefit of that relief would have fallen to be recouped from that person in the later chargeable period;
- (b) apart from this section, the recoupment in the actual circumstances of the whole or a part of the benefit obtained by the original taxpayer is prevented by the fact that the original taxpayer relied on a concession (rather than on the relevant statutory provisions) to obtain that benefit; and
- (c) the person from whom, in the equivalent circumstances, the amount of the benefit or any part of it would have fallen to be recouped is not precluded by subsection (8) below from relying on that fact in relation to that amount or part.

- (7) For the purposes of this section an amount of the benefit of a capital gains relief is recouped from any person in a chargeable period to the extent that an amount is so brought into account in his case for that period as to secure that—

- (a) the amount of his chargeable gains for that period is taken to be more than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit; or
- (b) the amount of his allowable losses for that period is taken to be less than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit.

- (8) Where—

- (a) any such circumstances as are mentioned in subsection (6)(a) above have arisen in relation to the relief the benefit of which has been obtained by the original taxpayer,
- (b) the person from whom, in the equivalent circumstances, the whole or any part of the amount of the benefit would have fallen to be recouped has accepted that, in the actual circumstances, the whole or a part of the benefit obtained by the original taxpayer may be recouped from him, and
- (c) that acceptance is indicated in writing to the Board (whether by the making or amendment of a self-assessment or otherwise),

that person's rights subsequently to amend, appeal against or otherwise challenge any assessment shall not be exercised in any manner inconsistent with his acceptance of that matter (which shall be irrevocable).

- (4) In this paragraph “building” includes a part of a building.

Damage to a dwelling

- 6 (1) Sub-paragraph (2) applies where a person disposes of an interest in UK land and a building that forms, or has formed, part of the land has at any time in the relevant ownership period been temporarily unsuitable for use as a dwelling.
- (2) Paragraph 4(10) (disregard of temporary unsuitability) does not apply in relation to the building's temporary unsuitability for use as a dwelling if—

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. - (6) The first condition is regarded as not being met if the damage occurred in the course of work that—
 - (a) was being done for the purpose of altering the building, and
 - (b) itself involved, or could be expected to involve, making the building unsuitable for use as a dwelling for 30 days or more.

- 8 (1) This paragraph applies where a person disposes of an interest in UK land, and a building which is (or was formerly) on the land and has at any time in the relevant ownership period been suitable for use as a dwelling—
- (a) has undergone complete or partial demolition or any other works during the relevant ownership period, and
 - (b) as a result of the works, has, at or at any time before the completion of the disposal, either ceased to exist or become unsuitable for use as a dwelling.

 - (c) the works have been carried out in accordance with any such permission or consent.
- (5) If at the completion of the disposal the conditions in sub-paragraph (4) have not been met, the works are taken not to have affected the building's suitability for use as a dwelling (at any time before the disposal).
- (6) Sub-paragraph (2) does not apply in relation to any time when—
- (a) the building was undergoing any work, or put to a use, in relation to which planning permission or development consent was required but had not been granted, or
 - (b) anything was being done in contravention of a condition or requirement attached to a planning permission or development consent relating to the building.

- (2) Condition A is that the company is under the control of 5 or fewer participators.
- (3) Condition B is that 5 or fewer participators together possess or are entitled to acquire—
- (a) such rights as would, in the event of the winding up of the company (“the relevant company”) on the basis set out in paragraph 3, entitle them to receive the greater part of the assets of the relevant company which would then be available for distribution among the participators, or
 - (b) such rights as would, in that event, so entitle them if there were disregarded any rights which any of them or any other person has as a loan creditor (in relation to the relevant company or any other company).
- 3 (1) This paragraph applies for the purposes of paragraph 2(3).
- (2) In the notional winding up of the relevant company, the part of the assets available for distribution among the participators which any person is entitled to receive is the aggregate of—
- (a) any part of those assets which the person would be entitled to receive in the event of the winding up of the relevant company, and
 - (b) any part of those assets which the person would be entitled to receive if—
 - (i) any other company which is a participator in the relevant company and is entitled to receive any assets in the notional winding up were also wound up on the basis set out in this paragraph, and
 - (ii) the part of the assets of the relevant company to which the other company is entitled were distributed among the participators in the other company in proportion to their respective entitlement to the assets of the other company available for distribution among the participators.
- (3) In the application of sub-paragraph (2)—
- (a) to the notional winding up of the other company mentioned in paragraph (b) of that sub-paragraph, and
 - (b) to any further notional winding up required by that paragraph (or by any further application of that paragraph),
- references to “the relevant company” are to be read as references to the company concerned.
- 4 (1) This paragraph applies for the purpose of determining whether, under sub-paragraph (3) of paragraph 2, 5 or fewer participators together possess or are entitled to acquire rights such as are mentioned in paragraph (a) or (b) of that sub-paragraph.
- (2) A person is to be treated as a participator in the relevant company if the person is a participator in any other company which would be entitled to receive assets in the notional winding up of the relevant company on the basis set out in paragraph 3.
- (3) No account is to be taken of a participator which is a company unless the company possesses or is entitled to acquire the rights in a fiduciary or representative capacity.
- (4) But sub-paragraph (3) does not apply for the purposes of paragraph 3.
- 5 (1) A company is not to be treated as a closely-held company if condition A or B is met.

 - (b) to rights of unit holders in any unit trust scheme the prices of which are published regularly by the managers of the scheme.
- (2) For the purposes of this Act it shall be assumed, wherever relevant, that any assets to which this paragraph applies were sold by the owner, and immediately reacquired by him, at their market value on 6th April 1965.

Restriction of gain or loss by reference to actual cost

- 2 (1) Subject to paragraph 4 below and section 109(4), paragraph 1(2) above shall not apply in relation to a disposal of assets—
- (a) if on the assumption in paragraph 1(2) a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue if paragraph 1(2) did not apply, or
 - (b) if on the assumption in paragraph 1(2) a loss would so accrue and either a smaller loss or a gain would accrue if paragraph 1(2) did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the preceding provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (2) For the purpose of—
- (a) identifying shares or securities held on 6th April 1965 with shares or securities previously acquired, and
 - (b) identifying the shares or securities held on that date with shares or securities subsequently disposed of, and distinguishing them from shares or securities acquired subsequently,
- so far as that identification is needed for the purposes of sub-paragraph (1) above, and so far as the shares or securities are of the same class, shares or securities acquired at a later time shall be deemed to be disposed of before shares or securities acquired at an earlier time.
- (3) Sub-paragraph (2) above has effect subject to section 105.

- then in computing the gain accruing on any disposal of quoted securities the question of what remained undisposed of on the earlier disposal shall be decided on the footing that paragraph 2 of that Schedule did not apply as respects that earlier disposal.
- (2) The rules of identification in paragraph 2(2) above shall apply for the purposes of this paragraph as they apply for the purposes of that paragraph.

Election for pooling

- 4 (1) This paragraph applies in relation to quoted securities as respects which an election under paragraphs 4 to 7 of Schedule 5 to the 1979 Act had not been made before the operative date, within the meaning of Part II of Schedule 13 to the ^{M73}Finance Act 1982, (so that they do not constitute a 1982 holding within the meaning of section 109), but does not apply in relation to relevant securities within the meaning of section 108.
- (2) If a person so elects, quoted securities covered by the election shall be excluded from paragraph 2 above, so that paragraph 1(2) above is not excluded by that paragraph as respects those securities, and sub-paragraphs (3) to (7) (which re-enact section 65 of the 1979 Act) apply.
- (3) Subject to section 105, any number of quoted securities of the same class held by one person in one capacity shall for the purposes of this Act be regarded as indistinguishable parts of a single asset (in this paragraph referred to as a holding) growing or diminishing on the occasions on which additional securities of the class in question are acquired, or some of the securities of the class in question are disposed of.
- (4) Without prejudice to the generality of sub-paragraph (3) above, a disposal of quoted securities in a holding, other than the disposal outright of the entire holding, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.
- (5) Securities shall not be treated for the purposes of this paragraph as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on such a stock exchange, but shall be treated in accordance with this paragraph notwithstanding that they are identified in some other way by the disposal or by the transfer or delivery giving effect to it.

 - (b) of fixed-interest securities and preference shares,
- and references to the quoted securities covered by an election shall be construed accordingly.

Any person may make both of the elections.

- (9) An election under this paragraph shall not cover quoted securities which the holder acquired on a disposal after 19th March 1968 in relation to which [^{F2027}section] 171(1) applies, but this paragraph shall apply to the quoted securities so held if the person who made the original disposal (that is to say ^{F2028}... the other member of the group of companies) makes an election covering quoted securities of the kind in question.

For the purpose of identifying quoted securities disposed of by the holder with quoted securities acquired by [^{F2029}the holder] on a disposal in relation to which [^{F2027}section] 171(1) applies, so far as they are of the same class, quoted securities acquired at an earlier time shall be deemed to be disposed of before quoted securities acquired at a later time.

Election by principal company of group

- 5 (1) In the case of companies which at the relevant time are members of a group of companies—
- (a) an election under paragraph 4 above by the company which at that time is the principal company of the group shall have effect also as an election by any other company which at that time is a member of the group, and
 - (b) no election under that paragraph may be made by any other company which at that time is a member of the group.
- (2) In this paragraph “the relevant time”, in relation to a group of companies, and in relation to each of the elections referred to in paragraph 4(8) above, is the first occasion after 19th March 1968 when any company which is then a member of a group disposes of quoted securities of a kind covered by that election, and for the purposes of paragraph 4(11) above that occasion is, in relation to the group, “the first relevant disposal”.
- (3) This paragraph shall not apply in relation to quoted securities of either kind referred to in paragraph 4(8) above which are owned by a company which, in some period after 19th March 1968 and before the relevant time, was not a member of the group if in that period it had made an election under paragraph 4 above in relation to securities of that kind (or was treated by virtue of this paragraph, in relation to another group, as having done so), or had made a disposal of quoted securities of that kind and did not make an election within the time limited by paragraph 4(11) above.
- (4) This paragraph shall apply notwithstanding that a company ceases to be a member of the group at any time after the relevant time.
- (5) In this paragraph “company” and “group” shall be construed in accordance with section 170(2) to (9).

Pooling at value on 6th April 1965: exchange of securities etc.

- 6 (1) Where a person who has made only one of the elections under paragraph 4 above disposes of quoted securities which, in accordance with Chapter II of Part IV, are to be regarded as being or forming part of a new holding, the election shall apply according to the nature of the quoted securities disposed of, notwithstanding that under that Chapter the new holding is to be regarded as the same asset as the original holding and that the election would apply differently to the original holding.
- (2) Where the election does not cover the disposal out of the new holding but does cover quoted securities of the kind comprised in the original holding, then in computing the gain accruing on the disposal out of the new holding (in accordance with paragraph 3 above) the question of what remained undisposed of on any disposal out of the original holding shall be decided on the footing that paragraph 3 above applied to that earlier disposal.
- (3) In the converse case (that is to say, where the election covers the disposal out of the new holding, but does not cover quoted securities of the kind comprised in the original holding) the question of how much of the new holding derives from quoted securities held on 6th April 1965 and how much derives from other quoted securities, shall be decided as it is decided for the purposes of paragraph 3 above.

Underwriters

- 7 No election under paragraph 4 above shall cover quoted securities comprised in any underwriter's premiums trust fund, or premiums trust fund deposits, or personal reserves, being securities comprised in funds to which section 206 applies.

Interpretation of paragraphs 3 to 7

- 8 (1) In paragraphs 3 to 7 above—
 “quoted securities” means assets to which paragraph 1 above applies,
 “fixed interest security” means any security as defined by section 132,
 “preference share” means any share the holder whereof has a right to a dividend at a fixed rate, but has no other right to share in the profits of the company.
- (2) If and so far as the question whether at any particular time a share was a preference share depends on the rate of dividends payable on or before 5th April 1973, the reference in the definition of “preference share” in sub-paragraph (1) above to a dividend at a fixed rate includes a dividend at a rate fluctuating in accordance with the standard rate of income tax.

LAND REFLECTING DEVELOPMENT VALUE

- 9 (1) Subject to paragraph 17(2) of Schedule 11, this Part of this Schedule shall apply in relation to a disposal of an asset which is an interest in land situated in the United Kingdom—
 (a) if, but for this paragraph, the expenditure allowable as a deduction in computing the gain accruing on the disposal would include any expenditure incurred before 6th April 1965, and

- (b) if the consideration for the asset acquired on the disposal exceeds the current use value of the asset at the time of the disposal, or if any material development of the land has been carried out after 17th December 1973 since the person making the disposal acquired the asset.
 - (2) For the purposes of this Act, it shall be assumed that, in relation to the disposal and, if it is a part disposal, in relation to any subsequent disposal of the asset which is an interest in land situated in the United Kingdom, that asset was sold by the person making the disposal, and immediately reacquired by him, at its market value on 6th April 1965.
 - (3) Sub-paragraph (2) above shall apply also in relation to any prior part disposal of the asset and, if tax has been charged, or relief allowed, by reference to that part disposal on a different footing, all such adjustments shall be made, whether by way of assessment or discharge or repayment of tax, as are required to give effect to the provisions of this sub-paragraph.
 - (4) Sub-paragraph (2) above shall not apply in relation to a disposal of assets—
 - (a) on the assumption in that sub-paragraph a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue (computed in accordance with the provisions of this Act) if it did not apply, or
 - (b) if on the assumption in sub-paragraph (2) a loss would so accrue and either a smaller loss or a gain would accrue if that sub-paragraph did not apply, and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
 - (5) For the purposes of this Part of this Schedule—
 - (a) “interest in land” means any estate or interest in land, any right in or over land or affecting the use or disposition of land, and any right to obtain such an estate, interest or right from another which is conditional on that other’s ability to grant the estate, interest or right in question, except that it does not include the interest of a creditor (other than a creditor in respect of a rentcharge) whose debt is secured by way of a mortgage, an agreement for a mortgage or a charge of any kind over land, or, in Scotland, the interest of a creditor in a charge or security of any kind over land; and
 - (b) “land” includes buildings.
- 10 (1) For the purposes of this Part of this Schedule, the current use value of an interest in land shall be ascertained in accordance with the following provisions of this Part, and in this Part the time as at which current use value is to be ascertained is referred to as “the relevant time”.
- (2) Subject to the following provisions of this Part of this Schedule, the current use value of an interest in land at the relevant time is the market value of that interest at that time calculated on the assumption that it was at that time, and would continue to be, unlawful to carry out any material development of the land other than any material development thereof which, being authorised by planning permission in force at that time, was begun before that time.

In relation to any material development which was begun before 18th December 1973 this sub-paragraph shall have effect with the omission of the words from “other than” to “before that time”.

- (3) In this paragraph “planning permission” has the same meaning as in the ^{M74}Town and Country Planning Act 1990, or, in Scotland, the ^{M75}Town and Country Planning (Scotland) Act 1972, or, in Northern Ireland, [^{F2035}the Planning Act (Northern Ireland) 2011], and in determining for the purposes of this paragraph what material development of any land was authorised by planning permission at a time when there was in force in respect of the land planning permission granted on an outline application (that is to say, an application for planning permission subject to subsequent approval on any matters), any such development of the land which at that time—
- (a) was authorised by that permission without any requirement as to subsequent approval; or
 - (b) not being so authorised, had been approved in the manner applicable to that planning permission,
- but no other material development, shall for those purposes be taken to have been authorised by that permission at that time.
- (4) Where the value to be ascertained is the current use value of an interest in land which has been disposed of by way of a part disposal of an asset (“the relevant asset”) consisting of an interest in land, the current use value at the relevant time of the interest disposed of shall be the relevant fraction of the current use value of the relevant asset at that time, calculated on the same assumptions as to the lawfulness or otherwise of any material development as fall to be made under this Part in calculating the current use value at that time of the interest disposed of.
- (5) For the purposes of sub-paragraph (4) above “the relevant fraction” means that fraction of the sums mentioned in paragraph (6) below which under subsection (2) of section 42 is, or would but for subsection (4) of that section be, allowable as a deduction in computing the amount of the gain accruing on the part disposal.
- (6) The sums referred to in sub-paragraph (5) above are the sums which, if the entire relevant asset had been disposed of at the time of the part disposal, would be allowable by virtue of section 38(1)(a) and (b) as a deduction in computing the gain accruing on that disposal of the relevant asset.
- (7) Sub-paragraphs (4) to (6) above shall not apply—
- (a) in the case of a disposal of an interest in land by way of a part disposal if, on making the disposal, the person doing so no longer has any interest in the land which is subject to that interest; or
 - (b) in a case to which the following provisions of this paragraph apply.
- (8) In computing any gain accruing to a person on a part disposal of an interest in land resulting under subsection (1) of section 22 from the receipt as mentioned in paragraph (a), (c) or (d) of that subsection of a capital sum, the current use value at the relevant time of the interest out of which the part disposal was made shall be taken to be what it would have been at that time if the circumstances which caused the capital sum to be received had not arisen.

- 11 (1) The current use value of an interest in land which is either—
- (a) a freehold interest which is subject to a lease or an agreement for a lease, or
 - (b) an interest under a lease or agreement for a lease,
- shall be ascertained without regard to any premium required under the lease or agreement for a lease or any sublease, or otherwise under the terms subject to which the lease or sublease was or is to be granted, but with regard to all other rights under the lease or prospective lease (and, for the current use value of an interest under a lease subject to a sublease, under the sublease).
- (2) If under sub-paragraph (1) above an interest under a lease or agreement for a lease would have a negative value, the current use value of the interest shall be nil.
- (3) If a lease is granted out of any interest in land after 17th December 1973, then, in computing any gain accruing on any disposal of the reversion on the lease made while the lease subsists, the current use value of the reversion at any time after the grant of the lease shall not exceed what would have been at that time the current use value of the interest in the land of the person then owning the reversion if that interest had not been subject to the lease.
- (4) In the application of this paragraph to Scotland, “freehold” means the estate or interest of the proprietor of the dominium utile or, in the case of property other than feudal property, of the owner, and “reversion” means the interest of the landlord in property subject to a lease.
- 12 In computing any gain accruing to a person on a disposal of a lease which is a wasting asset, the current use value of the lease at the time of its acquisition by the person making the disposal shall be the fraction—

- A is equal to so much of the expenditure attributable to the lease under section 38(1)(a) and (b) as is not under paragraph 1 of Schedule 8 excluded therefrom for the purposes of the computation of the gain accruing on the disposal, and
- B is equal to the whole of the expenditure which would be so attributable to the lease for those purposes apart from the said paragraph 1.
- 13 (1) In this Part of this Schedule, “material development”, in relation to any land, means the making of any change in the state, nature or use of the land, but the doing of any of the following things in the case of any land shall not be taken to involve material development of the land, that is to say—
- (a) the carrying out of works for the maintenance, improvement, enlargement or other alteration of any building, so long as the cubic content of the original building is not exceeded by more than one-tenth;

PART III U.K.

OTHER ASSETS

Apportionment by reference to straightline growth of gain or loss over period of ownership

- 16 (1) This paragraph applies subject to Parts I and II of this Schedule.
- (2) On the disposal of assets by a person whose period of ownership began before 6th April 1965 only so much of any gain accruing on the disposal as is under this paragraph to be apportioned to the period beginning with 6th April 1965 shall be a chargeable gain.
- (3) Subject to the following provisions of this Schedule, the gain shall be assumed to have grown at a uniform rate from nothing at the beginning of the period of ownership to its full amount at the time of the disposal so that, calling the part of that period before 6th April 1965, P, and the time beginning with 6th April 1965 and ending with the time of the disposal T, the fraction of the gain which is a chargeable gain is—

$$\frac{T}{P + T}.$$

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(4) If any of the expenditure which is allowable as a deduction in the computation of the gain is within section 38(1)(b)—

- (a) the gain shall be attributed to the expenditure, if any, allowable under section 38(1)(a) as one item of expenditure, and to the respective items of expenditure under section 38(1)(b) in proportion to the respective amounts of those items of expenditure,
- (b) sub-paragraph (3) of this paragraph shall apply to the part of the gain attributed to the expenditure under section 38(1)(a),
- (c) each part of the gain attributed to the items of expenditure under section 38(1)(b) shall be assumed to have grown at a uniform rate from nothing at the time when the relevant item of expenditure was first reflected in the value of the asset to the full amount of that part of the gain at the time of the disposal,

so that, calling the respective proportions of the gain $E(0)$, $E(1)$, $E(2)$ and so on (so that they add up to unity) and calling the respective periods from the times when the items under section 38(1)(b) were reflected in the value of the asset to 5th April 1965 $P(1)$, $P(2)$ and so on, and employing also the abbreviations in sub-paragraph (3) above, the fraction of the gain which is a chargeable gain is—

$$E(0) \frac{T}{P+T} + E(1) \frac{T}{P(1)+T} + E(2) \frac{T}{P(2)+T} \text{ and so on.}$$

(5) In a case within sub-paragraph (4) above where there is no initial expenditure (that is no expenditure under section 38(1)(a)) or that initial expenditure is, compared with any item of expenditure under section 38(1)(b), disproportionately small having regard to the value of the asset immediately before the subsequent item of expenditure was incurred, the part of the gain which is not attributable to the enhancement of the value of the asset due to any item of expenditure under section 38(1)(b) shall be deemed to be attributed to expenditure incurred at the beginning of the period of ownership and allowable under section 38(1)(a), and the part or parts of the gain attributable to expenditure under section 38(1)(b) shall be reduced accordingly.

(6) The beginning of the period over which a gain, or part of a gain, is under sub-paragraphs (3) and (4) above to be treated as growing shall not be earlier than 6th April 1945, and this sub-paragraph shall have effect notwithstanding any provision in this Schedule or elsewhere in this Act.

(7) If in pursuance of section 42 an asset's market value at a date before 6th April 1965 is to be ascertained, sub-paragraphs (3) to (5) above shall have effect as if that asset had been on that date sold by the owner, and immediately reacquired by him, at that market value.

(8) If in pursuance of section 42 an asset's market value at a date on or after 6th April 1965 is to be ascertained sub-paragraphs (3) to (5) above shall have effect as if—

- (a) the asset on that date had been sold by the owner, and immediately reacquired by him, at that market value, and
- (b) accordingly, the computation of any gain on a subsequent disposal of that asset shall be computed—

Status: Point in time view as at 15/03/2018.

- (i) by apportioning in accordance with this paragraph the gain or loss over a period ending on that date (the date of the part disposal), and
 - (ii) by bringing into account the entire gain or loss over the period from the date of the part disposal to the date of subsequent disposal.
- (9) For the purposes of this paragraph the period of ownership of an asset shall, where under section 43 account is to be taken of expenditure in respect of an asset from which the asset disposed of was derived, or where it would so apply if there were any relevant expenditure in respect of that other asset, include the period of ownership of that other asset.
- (10) If under this paragraph part only of a gain is a chargeable gain, the fraction in section 223(2) shall be applied to that part instead of to the whole of the gain.

Election for valuation at 6th April 1965

- 17 (1) If the person making a disposal so elects, paragraph 16 above shall not apply in relation to that disposal and it shall be assumed, both for the purposes of computing the gain accruing to that person on the disposal, and for all other purposes both in relation to that person and other persons, that the assets disposed of, and any assets of which account is to be taken in relation to the disposal under section 43, being assets which were in the ownership of that person on 6th April 1965, were on that date sold, and immediately reacquired, by him at their market value on 6th April 1965.
- (2) Sub-paragraph (1) above shall not apply in relation to a disposal of assets if on the assumption in that sub-paragraph a loss would accrue on that disposal to the person making the disposal and either a smaller loss or a gain would accrue if sub-paragraph (1) did not apply, but in a case where this sub-paragraph would otherwise substitute a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- The displacement of sub-paragraph (1) above by this sub-paragraph shall not be taken as bringing paragraph 16 above into operation.
- (3) An election under this paragraph shall be made by notice to [^{F2036}an officer of the Board given—
- ^{F2037}(a)
 - (b) ^{F2038}... within 2 years from the end of the accounting period in which the disposal is made; or
 - (c) ^{F2039}... within such further time as the Board may by notice allow.]
- (4) For the avoidance of doubt it is hereby declared that an election under this paragraph is irrevocable.
- (5) An election may not be made under this paragraph as respects, or in relation to, an asset the market value of which at a date on or after 6th April 1965, and before the date of the disposal to which the election relates, is to be ascertained in pursuance of section 42.

PART IV U.K.

MISCELLANEOUS

Capital allowances

- 20 If under any provision in this Schedule it is to be assumed that any asset was on 6th April 1965 sold by the owner, and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the owner in providing the asset, and so made for the year 1965-66 or for any subsequent year of assessment, as if it were made in respect of the expenditure which, on that assumption, was incurred by him in reacquiring the asset on 7th April 1965.

Assets transferred to close companies

 - (b) paragraph 16 above applies in relation to a disposal by one of the persons having control of the company of shares or securities in the company, or in relation to a disposal by a person having, up to the time of disposal, a substantial holding of shares or securities in the company, being in either case a disposal after the transfer of the assets.
- (2) So far as the gain accruing to the said person on the disposal of the shares is attributable to a profit on the assets so transferred, the period over which the gain is to be treated under paragraph 16 above as growing at a uniform rate shall begin with the time when the assets were transferred to the company, and accordingly a part of a gain attributable to a profit on assets transferred on or after 6th April 1965 shall all be a chargeable gain.

 - (c) the disposal by which P acquired the shares or securities, and any previous disposal of them after 31st March 1982, was a disposal to which section 171(1) (transfers within a group) applied,
 - (d) some or all of the shares or securities constituting the deemed 1982 holding were in fact held on 31st March 1982 by a person other than P, and
 - (e) in the hands of that person on that date they formed part of a holding which—

- (2) Where this sub-paragraph applies—
- (a) an election under section 35(5) by the person making the disposal shall not cover the disposal, but
 - (b) the making of such an election by the person from whom the asset was acquired shall cause the disposal to fall outside subsection (3) of that section (so that subsection (2) of that section is not excluded by it) whether or not the person making the disposal makes such an election.
- (3) Where the person from whom the asset was acquired by the person making the disposal himself acquired it on or after 6th April 1988 in circumstances in which section ^{F2048}... 171 applied, an election made by him shall not have the effect described in sub-paragraph (2)(b) above but an election made by—

Capital allowances

- 3 If under section 35 it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.

Part disposals etc.

- 4 (1) Where, in relation to a disposal to which section 35(2) applies, section 42 has effect by reason of an earlier disposal made after 31st March 1982 and before 6th April 1988, the sums to be apportioned under section 42 shall for the purposes of the later disposal be ascertained on the assumption stated in section 35(2).
- (2) In any case where—
- (a) subsection (2) of section 35 applies in relation to the disposal of an asset,

the amount allowable as a deduction on the disposal shall be reduced by the amount which would be disallowed if section 35(2) did not apply.

Assets derived from other assets

- 5 Section 35 shall have effect with the necessary modifications in relation to a disposal of an asset which on 31st March 1982 was not itself held by the person making the disposal, if its value is derived from another asset of which account is to be taken in relation to the disposal under section 43.

Apportionment of pre-1965 gains and losses

- 6 In a case where because of paragraph 16 of Schedule 2 only part of a gain or loss is a chargeable gain or allowable loss, section 35(3)(a) and (b) shall have effect as if the amount of the gain or loss that would accrue if subsection (2) did not apply were equal to that part.

Elections under section section 35(5): excluded disposals

- 7 (1) An election under section 35(5) shall not cover disposals such as are specified in sub-paragraph (2) below.

- (2) The disposals mentioned in sub-paragraph (1) above are disposals of, or of an interest in—

- (a) plant or machinery,
- (b) an asset which the person making the disposal has at any time held for the purposes of or in connection with—

but a disposal does not fall within paragraph (a) or (b) above unless a capital allowance in respect of any expenditure attributable to the asset has been made to the person making the disposal or would have been made to him had he made a claim.

- (3) For the purposes of sub-paragraph (2)(d) above,—
- (a) “shares” includes stock and any security, as defined in [^{F2050}section 1117(1) of CTA 2010]; and
 - (b) shares (as so defined) were unquoted on 31st March 1982 if, on that date, they were neither quoted on a recognised stock exchange nor dealt in on the Unlisted Securities Market;

but nothing in this paragraph affects the operation, in relation to such unquoted shares, of sections 126 to 130.

- (4) In sub-paragraph (2)(d) above—
- “designated area” means an area designated by Order in Council under section 1(7) of the ^{M77}Continental Shelf Act 1964;

“oil exploration or exploitation rights” means rights to assets to be produced by oil exploration or exploitation activities (as defined in sub-paragraph (6) below) or to interests in or to the benefit of such assets.

(5) For the purposes of sub-paragraph (2)(d) above an asset is an oil exploration or exploitation asset if either—

- (a) it is not a mobile asset and is being or has at some time been used in connection with oil exploration or exploitation activities carried on in the United Kingdom or a designated area; or
- (b) it is a mobile asset which has at some time been used in connection with oil exploration or exploitation activities so carried on and is dedicated to an oil field in which the company whose shares are disposed of by the disposal, or a person connected with that company, is or has been a participant;

and, subject to sub-paragraph (6) below, expressions used in paragraphs (a) and (b) above have the same meaning as if those paragraphs were included in Part I of the ^{M78}Oil Taxation Act 1975.

(6) In the preceding provisions of this paragraph “oil exploration or exploitation activities” means activities carried on in connection with—

- (a) the exploration of land (including the seabed and subsoil) in the United Kingdom or a designated area, as defined in sub-paragraph (4) above, with a view to searching for or winning oil; or
- (b) the exploitation of oil found in any such land;

and in this sub-paragraph “oil” has the same meaning as in Part I of the ^{M79}Oil Taxation Act 1975.

(7) Where the person making the disposal acquired the asset on a no gain/no loss disposal, the references in sub-paragraph (2) above to that person are references to the person making the disposal, the person who last acquired the asset otherwise than on a no gain/no loss disposal or any person who subsequently acquired the asset on such a disposal.

(8) In this paragraph—

Step 1 Determine the amount of the notional [^{F2075}pre-commencement] gain or loss.

Step 2 In a case where there is a notional [^{F2076}post-commencement] gain—

- (a) determine the amount of that gain remaining after the deduction of the ATED-related gain determined under paragraph 3, and
- (b) adjust that remaining gain by reducing it by the notional indexation allowance.

Step 3 In a case where there is a notional [^{F2076}post-commencement] loss, determine the amount of that loss remaining after deduction of the ATED-related loss determined under paragraph 3.

Step 4 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any adjusted gain determined under Step 2 or (as the case may be) any loss determined under Step 3,

(treating any amount which is a loss as a negative amount).

If the result is a positive amount, that amount is the gain on the relevant high value disposal which is not ATED-related.

If the result is a negative amount, that amount (expressed as a positive number) is the loss on the relevant high value disposal which is not ATED-related.

- (2) “The notional [^{F2077}pre-commencement] gain or loss” means the gain or loss which would have accrued on [^{F2078}5 April in the relevant year] had the interest been disposed of for a consideration equal to its market value on that date.
- (3) For the purposes of sub-paragraph (2), the amount of the gain or loss accruing to P is to be computed (whether or not that would otherwise be the case) as if P were within the charge to corporation tax on chargeable gains (but not within the charge to capital gains tax).
- (4) Paragraph 3(2) and (3) (meaning of “notional [^{F2079}post-commencement] gain or loss”) also applies for the purposes of this paragraph.
- (5) “Notional indexation allowance” means the relevant fraction of an amount equal to the difference between—
 - (a) the indexation allowance which (in the absence of section 2B and this Schedule) would be made under Chapter 4 of Part 2 in determining the gain accruing on the relevant high value disposal were that gain being computed for corporation tax purposes, and
 - (b) the indexation allowance which is made under Chapter 4 of Part 2 in determining the notional [^{F2080}pre-commencement] gain.
- (6) “The relevant fraction” is—

where “CD” and “TD” have the same meaning as in paragraph 3(4).

- [^{F2086}(b) none of Cases 1, 2 and 3 in paragraph 2 applies to the disposal.]
- (2) The ATED-related gain or loss accruing on the relevant high value disposal is computed as follows.

- Step 1* In a case where there is a gain under Step 1 of sub-paragraph (2)—
- (a) determine the amount of the gain remaining after the deduction of the ATED-related gain, and

 - (c) no election under paragraph 5 of this Schedule (or paragraph 2(1)(b) of Schedule 4ZZB) is or has been made in relation to the chargeable interest which (or a part of which) is the subject of the relevant high value disposal.
- (4) The ATED-related gain or loss accruing on the relevant high value disposal is computed as follows.
- Step 1* Determine the amount of the post-April 2015 ATED-related gain or loss.
- Step 2* Determine the amount of the pre-April 2015 ATED-related gain or loss.
- Step 3* Add—
- (a) the amount of any gain or loss determined under Step 1, and
 - (b) the amount of any gain or loss determined under Step 2,
- (treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the ATED-related gain on the relevant high value disposal. If the result is a negative amount, that amount (expressed as a positive number) is the ATED-related loss on the relevant high value disposal.
- (5) The post-April 2015 ATED-related gain or loss is equal to the amount that would be given by paragraph 3(1) as the amount of the ATED-related gain or loss if the relevant year for the purposes of that paragraph were 2015.
- (6) The “pre-April 2015 ATED-related gain or loss” means the relevant fraction of the notional pre-April 2015 gain or loss.
- (7) “The relevant fraction” is—
- $$\frac{CD}{TD}$$
- where—
- “CD” is the number of days in the relevant ownership period which are ATED chargeable days;
- “TD” is the total number of days in the relevant ownership period.
- (8) If the interest disposed of was not held by P on 5 April 2013, the “notional pre-April 2015 gain or loss” is the gain or loss which would have accrued on 5 April 2015

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- had the interest been disposed of on that date for a consideration equal to its market value on that date.
- (9) If the interest disposed of was held by P on 5 April 2013, the “notional pre-April 2015 gain or loss” is the gain or loss which would have accrued on 5 April 2015 if P had—
- (a) acquired the interest on 5 April 2013 for a consideration equal to its market value on that date, and
 - (b) disposed of it on 5 April 2015 for a consideration equal to its market value on that date.
- (10) Paragraph 3(3) applies for the purposes of sub-paragraphs (8) and (9) as for the purposes of paragraph 3(2).
- (11) In sub-paragraph (7) “relevant ownership period” means the period—
- (a) beginning with the day on which P acquired the chargeable interest or, if later, 6 April 2013, and
 - (b) ending with 5 April 2015.
- (12) For how to compute the amount of the gain or loss on the relevant high value disposal that is neither ATED-related nor an NRCGT gain or loss (as defined in section 57B and Schedule 4ZZB) see paragraphs 16 to 19 of Schedule 4ZZB.]

Adjustments of ATED chargeable days

- 7 (1) This paragraph applies where, as a result of a claim under section 106(3) of the Finance Act 2013 (adjustment of chargeable amount), or an amendment of or adjustment to such a claim, there is an alteration in the number of ATED chargeable days.
- (2) All such adjustments are to be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to any change in liability to tax as a result of that alteration.

- (2) The assumption in paragraph 3(2) that the interest was acquired on a particular 5 April is to be ignored in determining that question.
- (3) Sub-paragraph (4) applies where it is necessary, in computing in accordance with paragraph 6A(9) the notional pre-April 2015 gain or loss accruing to a person on a disposal, to determine whether or not the interest which is the subject of the disposal is a wasting asset.

Capital allowances

- 9 (1) Sub-paragraph (2) applies where it is to be assumed for the purpose of computing—
- (a) the notional post-commencement gain or loss accruing to a person on a relevant high value disposal in accordance with paragraph 3(2), or
 - (b) the notional pre-April 2015 gain or loss accruing to a person on a disposal in accordance with paragraph 6A(9),
- that an asset was acquired by a person on 5 April 2013 for a consideration equal to its market value on that date.
- (2) For the purposes of that computation, sections 41 (restriction of losses by reference to capital allowances etc) and 47 (wasting assets qualifying for capital allowances) are to apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the person in acquiring or providing the asset as if that allowance were made in respect of the expenditure treated as incurred by the person on 5 April 2013 as mentioned in sub-paragraph (1).]]

PART 2 U.K.

ELECTIONS FOR ALTERNATIVE METHODS OF COMPUTATION

- 2 (1) A person (“P”) making a non-resident CGT disposal of (or of a part of) an interest in UK land which P held on 5 April 2015 may—
- (a) make an election for straight-line time apportionment in relation to the interest in UK land;
 - (b) make an election for the retrospective basis of computation to apply in relation to that interest,
- (but may not do both).
- (2) P may not make an election under sub-paragraph (1)(a) if the disposal is one to which Part 4 of this Schedule applies (cases involving relevant high value disposals).
- (3) For the effect of making an election under sub-paragraph (1)(a), see paragraph 8.
- (4) For the effect of making (or not making) an election under sub-paragraph (1)(b), see paragraphs 5(1)(b), 9(1)(b), 13(1)(b), 14(1)(a) and 15(1)(c) (and paragraph 6A(3)(c) of Schedule 4ZZA).
- (5) An election made under paragraph 5 of Schedule 4ZZA (including any such election made before the coming into force of this paragraph) has effect as if it were also an election under sub-paragraph (1)(b).
- 3 (1) An election under paragraph 2(1) is irrevocable (and where an election has been made under paragraph 2(1) or paragraph 5 of Schedule 4ZZA in relation to an asset, no election may subsequently be made under either of those provisions in relation to the asset).
- (2) An election under paragraph 2(1) may (regardless of section 42(2) of the Management Act) be made by being included in—
- (a) a tax return under the Management Act for the tax year in which the first non-resident CGT disposal by P of the interest in UK land (or any part of it) is made, or
 - (b) the NRCGT return relating to the disposal,

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(but not by any other method).

- (3) References in sub-paragraph (2) to an election being included in a return include an election being included by virtue of an amendment of the return.
- (4) All such adjustments are to be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to an election under paragraph 2(1).

PART 3 **U.K.**

MAIN COMPUTATION RULES

Disposals to which this Part applies

- 4 (1) This Part of this Schedule applies where a person (“P”) makes a non-resident CGT disposal of (or of a part of) an interest in UK land.
- (2) But this Part of this Schedule does not apply if the disposal is—
 - (a) a relevant high value disposal, or
 - (b) a disposal in which a relevant high value disposal is comprised (see paragraph 12(3)).
- (3) In this Part of this Schedule “the disposed of interest” means—
 - (a) the interest in UK land, or
 - (b) if the disposal is of part of that interest, the part disposed of.

Introduction to paragraphs 6 to 8

- 5 (1) Paragraphs 6 to 8 apply where—
 - (a) the disposed of interest was held by P on 5 April 2015, and
 - (b) P has not made an election under paragraph 2(1)(b) in relation to the interest in UK land.
- (2) In paragraphs 6 and 7—
 - (a) “notional post-April 2015 gain or loss” means the gain or loss which would have accrued on the disposal had P acquired the disposed of interest on 5 April 2015 for a consideration equal to its market value on that date;
 - (b) “notional pre-April 2015 gain or loss” means the gain or loss which would have accrued on 5 April 2015 had the disposed of interest been disposed of for a consideration equal to its market value on that date;
 but see also paragraph 8(1).
- (3) For the purpose of determining the amount of the hypothetical gain or loss mentioned in sub-paragraph (2)(a), no account is taken of section 57B or this Schedule (apart from paragraph 23).

Assets held at 5 April 2015: default method

- 6 (1) The NRCGT gain or loss accruing on the disposal is equal to the relevant fraction of the notional post-April 2015 gain or loss (as the case may be).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

But see also sub-paragraph (3).

(2) “The relevant fraction” is—

$$\frac{RD}{TD}$$

where—

“RD” is the number of days in the post-commencement ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;

“TD” is the total number of days in the post-commencement ownership period.

(3) If there has been mixed use of the subject matter of the disposed of interest on one or more days in the post-commencement ownership period, the NRCGT gain or loss accruing on the disposal is the fraction of the amount that would (apart from this sub-paragraph) be given by sub-paragraphs (1) and (2) that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.

(4) For the purposes of this paragraph there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.

(5) “Post-commencement ownership period” means the period beginning with 6 April 2015 and ending with the day before the day on which the disposal occurs.

7 The gain or loss accruing on the disposal which is not an NRCGT gain or (as the case may be) loss is computed as follows.

Step 1 Determine the amount of the notional pre-April 2015 gain or loss.

Step 2 In a case where there is a notional post-April 2015 gain, determine the amount of that gain remaining after the deduction of the NRCGT gain determined under paragraph 6.

Step 3 In a case where there is a notional post-April 2015 loss, determine the amount of that loss remaining after the deduction of the NRCGT loss determined under paragraph 6.

Step 4 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any gain determined under Step 2 or (as the case may be) any loss determined under Step 3,

(treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the gain on the disposal which is not an NRCGT gain. If the result is a negative amount, that amount (expressed as a positive number) is the loss on the disposal which is not an NRCGT loss.

*Modified application of paragraphs 5 to 7 where
election made for straight-line time apportionment*

8 (1) Where the non-resident CGT disposal is of (or of a part of) an interest in UK land in respect of which P makes, or has made, an election for straight-line time apportionment under paragraph 2(1)(a)—

- (a) paragraphs (a) and (b) of paragraph 5(2) do not apply in relation to the disposal, and

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) for the purposes of paragraphs 6 and 7, the “notional pre-April 2015 gain or loss” and the “notional post-April 2015 gain or loss” are to be determined in accordance with the following steps.

Step 1 Determine the amount of the gain or loss which accrues to P on the disposal. For the purpose of determining that amount, no account is taken of section 57B or this Schedule (apart from paragraph 23).

Step 2 An amount equal to the post-commencement fraction of that gain or loss is the notional post-April 2015 gain or (as the case may be) loss.

Step 3 An amount equal to the pre-commencement fraction of that gain or loss is the notional pre-April 2015 gain or (as the case may be) loss.

- (2) The “post-commencement fraction” is—

$$\text{PCD TD}$$

where—

“PCD” is the number of days in the post-commencement ownership period;

“TD” is the total number of days in the ownership period.

- (3) The “pre-commencement fraction” is—

$$\text{TD} - \text{PCD TD}$$

where “PCD” and “TD” have the same meanings as in sub-paragraph (2).

- (4) In this paragraph—

“ownership period” means the period beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982 and ending with the day before the day on which the disposal occurs;

“post-commencement ownership period” has the meaning given by paragraph 6(5).

Cases where asset acquired after 5 April 2015 or election made under paragraph 2(1)(b)

- 9 (1) This paragraph applies if—

- (a) the disposed of interest was not held by P throughout the period beginning with 5 April 2015 and ending with the disposal, or
 (b) the non-resident CGT disposal is of (or of part of) an interest in UK land in respect of which P makes, or has made, an election under paragraph 2(1)(b).

- (2) The NRCGT gain or loss accruing on the disposal is computed as follows.

Step 1 Determine the amount of the gain or loss which accrues to P. For the purpose of determining the amount of that gain or loss, no account is taken of section 57B or this Schedule (apart from paragraph 23).

Step 2 The NRCGT gain or (as the case may be) loss accruing on the disposal is an amount equal to the relevant fraction of that gain or loss (but see Step 3).

Step 3 If there has been mixed use of the subject matter of the disposed of interest on one or more days in the relevant ownership period, the NRCGT gain or loss accruing on the disposal is equal to the appropriate fraction of the amount given by Step 2.

- (3) For the purposes of this paragraph there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) In Step 3 “the appropriate fraction” means the fraction that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.
- (5) The gain or loss accruing on the disposal which is not an NRCGT gain or (as the case may be) loss is to be computed as follows.

Step 1 In a case where there is a gain under Step 1 of sub-paragraph (2), determine the amount of that gain remaining after the deduction of the NRCGT gain determined under that sub-paragraph. That remaining gain is the gain accruing on the disposal which is not an NRCGT gain.

Step 2 In a case where there is a loss under Step 1 of sub-paragraph (2), determine the amount of that loss remaining after deduction of the NRCGT loss determined under that sub-paragraph. That remaining loss is the loss accruing on the disposal which is not an NRCGT loss.

- (6) For the purposes of sub-paragraph (2), “the relevant fraction” is—

RD TD

where—

“RD” is the number of days in the relevant ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;

“TD” is the total number of days in the relevant ownership period.

- (7) “The relevant ownership period” means the period—
- beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - ending with the day before the day on which the disposal mentioned in paragraph 4(1) occurs.

Interest subsisting under contract for off-plan purchase

- 10 (1) Sub-paragraph (2) applies where the non-resident CGT disposal referred to in paragraph 4(1) is a disposal of a UK residential property interest only because of the second condition in paragraph 1 of Schedule B1 (interest subsisting under a contract for the acquisition of land that consists of, or includes, a building that is to be constructed for use as a dwelling etc).
- (2) The land that is the subject of the contract concerned is treated for the purposes of this Part of this Schedule as consisting of (or, as the case requires, including) a dwelling throughout P's period of ownership of the disposed of interest.

PART 4 U.K.

CASES INVOLVING RELEVANT HIGH VALUE DISPOSALS

Overview

- 11 (1) This Part is about non-resident CGT disposals which are, or involve, relevant high value disposals (see section 2B, which charges capital gains tax on ATED-related gains on relevant high value disposals).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Paragraphs 12 to 15 contain provision about how any NRCGT gains and losses on such a disposal are computed, including provision—
 - (a) for the NRCGT gains or losses to be computed for each relevant high value disposal comprised in the non-resident CGT disposal (paragraphs 13 to 15), and
 - (b) for the results to be added (where necessary) to find the NRCGT gain or loss on the non-resident CGT disposal (see paragraph 12).
- (3) For provision about how to compute any ATED-related gains or losses accruing on the relevant high value disposals, see Schedule 4ZZA.
- (4) Paragraphs 16 to 19 contain provisions for computing any gains or losses accruing on the disposals mentioned in sub-paragraph (1) which are neither ATED-related nor NRCGT gains or losses, including provision—
 - (a) for such balancing gains or losses to be computed for each relevant high value disposal comprised in the non-resident CGT disposal, and
 - (b) for the results to be added together (where necessary) to find the balancing gain or loss on the non-resident CGT disposal (see paragraph 16).
- (5) Paragraph 20 is about cases where a disposal which is not a relevant high value disposal is also comprised in the non-resident CGT disposal.

Disposal involving one or more relevant high value disposals

- 12 (1) This Part of this Schedule applies where—
 - (a) a person (other than an excluded person) (“P”) makes a non-resident CGT disposal of (or of part of) an interest in UK land, and
 - (b) that disposal (“the disposal of land”) is a relevant high value disposal or a relevant high value disposal is comprised in it.

In this sub-paragraph “excluded person” has the meaning given by section 2B(2).

- (2) The NRCGT gain or loss accruing on the disposal of land is computed as follows.

Step 1 Determine in accordance with paragraphs 13 to 15 the amount of the NRCGT gain or loss accruing on each relevant high value disposal.

Step 2 Add together the amounts of any gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the NRCGT gain on the disposal of land. If the result is a negative amount, that amount (expressed as a positive number) is the NRCGT loss on the disposal of land. See paragraphs 16 to 19 for how to compute the gain or loss on the disposal of land which is neither ATED-related nor an NRCGT gain or loss.
- (3) For the purposes of this Schedule, a relevant high value disposal is “comprised in” a non-resident CGT disposal if—
 - (a) the non-resident CGT disposal is treated for the purposes of section 2C and Schedule 4ZZA as two or more disposals, and
 - (b) the relevant high value disposal is one of those.
- (4) In this Part of this Schedule—
 - (a) “the asset”, in relation to a relevant high value disposal, means the chargeable interest which (or a part of which) is the subject of that disposal, and

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) “the disposed of interest”, in relation to a relevant high value disposal, means the asset or, if only part of the asset is the subject of the relevant high value disposal, that part of the asset.
- (5) For the purposes of this Part of this Schedule a day is a “section 14D chargeable day” in relation to a relevant high value disposal if—
- (a) it is a day on which the subject matter of the disposed of interest consists wholly or partly of a dwelling, but
 - (b) it is not an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).

Assets held at 5 April 2015 (where no election made and no rebasing in 2016 required)

- 13 (1) This paragraph applies where—
- (a) the disposed of interest was held by P on 5 April 2015,
 - (b) P has not made an election under paragraph 2(1)(b) (or paragraph 5 of Schedule 4ZZA) in respect of the asset, and
 - (c) paragraph 15 does not apply.
- (2) The NRCGT gain or loss accruing on the relevant high value disposal is equal to the special fraction of the notional post-April 2015 gain or loss (as the case may be) on that disposal.
- (3) “Notional post-April 2015 gain or loss” means the gain or loss which would have accrued on the relevant high value disposal had P acquired the disposed of interest on 5 April 2015 for a consideration equal to the market value of that interest on that date.
- (4) “The special fraction” is—
- $$\frac{SD}{TD}$$
- where—
- “SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the post-commencement ownership period;
- “TD” is the total number of days in the post-commencement ownership period.
- (5) “The post-commencement ownership period” means the period beginning with 6 April 2015 and ending with the day before the day on which the relevant high value disposal occurs.

Asset acquired after 5 April 2015 or election made under paragraph 2(1)(b) (but no rebasing in 2016 required)

- 14 (1) This paragraph applies where—
- (a) P makes, or has made, an election under paragraph 2(1)(b) (or paragraph 5 of Schedule 4ZZA) in respect of the asset, or
 - (b) the disposed of interest was not held by P throughout the period beginning with 5 April 2015 and ending with the disposal.
- (2) But this paragraph does not apply if paragraph 15 applies.
- (3) The NRCGT gain or loss accruing on the relevant high value disposal is computed as follows.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Step 1 Determine the amount of the gain or loss which accrues to P. (For the purpose of determining the amount of that gain or loss, no account need be taken of section 57B or this Schedule (apart from paragraph 23).)

Step 2 The NRCGT gain or loss accruing on the relevant high value disposal is equal to the special fraction of that gain or loss.

(4) For this purpose “the special fraction” is—

SD TD

where—

“SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

(5) “Relevant ownership period” means the period—

- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
- (b) ending with the day before the day on which the relevant high value disposal occurs.

Certain disposals after 5 April 2016 (computation involving additional rebasing in 2016)

15 (1) This paragraph applies where—

- (a) the disposed of interest was held by P on 5 April 2016,
- (b) the relevant high value disposal falls within Case 3 for the purposes of Schedule 4ZZA (see paragraph 2(4) of that Schedule), and
- (c) no election is or has been made (or treated as made) by P under paragraph 2(1)(b) in respect of the asset.

(2) The NRCGT gain or loss accruing on the relevant high value disposal is computed as follows.

Step 1 Determine the amount equal to the special fraction of the notional post-April 2016 gain or loss (as the case may be).

Step 2 Determine the amount equal to the special fraction of the notional pre-April 2016 gain or loss (as the case may be).

Step 3 Add—

- (a) the amount of any gain or loss determined under Step 1, and
- (b) the amount of any gain or loss determined under Step 2,

(treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the NRCGT gain on the relevant high value disposal. If the result is a negative amount, that amount (expressed as a positive number) is the NRCGT loss on the relevant high value disposal.

(3) “The special fraction” is—

SD TD

where—

“SD” is the number of section 14D chargeable days (see paragraph 12(5)) in the relevant ownership period;

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“TD” is the total number of days in the relevant ownership period.

- (4) The “relevant ownership period” is—
- (a) for the purpose of computing under Step 1 of sub-paragraph (2) the special fraction of the notional post-April 2016 gain or loss, the period beginning with 6 April 2016 and ending with the day before the day on which the relevant high value disposal occurs;
 - (b) for the purpose of computing under Step 2 of sub-paragraph (2) the special fraction of the notional pre-April 2016 gain or loss, the period beginning with the day on which P acquired the disposed of interest or, if later, 6 April 2015 and ending with 5 April 2016.
- (5) “Notional post-April 2016 gain or loss” means the gain or loss which would have accrued on the relevant high value disposal had P acquired the disposed of interest on 5 April 2016 for a consideration equal to its market value on that date.
- (6) If the disposed of interest was not held by P on 5 April 2015, “notional pre-April 2016 gain or loss” means the gain or loss which would have accrued on 5 April 2016 had the disposed of interest been disposed of for a consideration equal to the market value of the interest on that date.
- (7) If the disposed of interest was held by P on 5 April 2015, “notional pre-April 2016 gain or loss” means the gain or loss which would have accrued to P on the disposal mentioned in paragraph (b), had P—
- (a) acquired the disposed of interest on 5 April 2015 for a consideration equal to the market value of that interest on that date, and
 - (b) disposed of that interest on 5 April 2016 for a consideration equal to the market value of that interest on that date.

Amount of gain or loss that is neither ATED-related nor an NRCGT gain or loss

- 16 (1) The gain or loss on the disposal of land (see paragraph 12(1)(b)) which is neither ATED-related nor an NRCGT gain or loss (“the balancing gain or loss”) is computed as follows.
- Step 1* Determine in accordance with paragraphs 17 to 19 the amount of the gain or loss accruing on each relevant high value disposal which is neither ATED-related nor an NRCGT gain or loss. This is the “balancing” gain or loss for each such disposal.
- Step 2* Add together the amounts of any balancing gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount). If the result is a positive amount, that amount is the balancing gain on the disposal of land. If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the disposal of land.
- (2) In relation to a relevant high value disposal, “balancing day” means a day which is neither—
- (a) a section 14D chargeable day (see paragraph 12(5)), nor
 - (b) an ATED chargeable day.
- (3) In relation to a relevant high value disposal, “non-ATED chargeable day” means a day which is not an ATED chargeable day.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The references in sub-paragraphs (2) and (3) to an “ATED chargeable day” are to be interpreted in accordance with paragraph 3(6) of Schedule 4ZZA.
- 17 (1) This paragraph applies in relation to a relevant high value disposal to which paragraph 13 applies.

^{F2090}(2)

- (3) ^{F2091}... , the amount of the balancing gain or loss on the relevant high value disposal is found by adding—
- (a) the amount of the balancing gain or loss belonging to the notional post-April 2015 gain or loss,
 - (b) the amount of the balancing gain or loss belonging to the notional pre-April 2015 gain or loss, and
 - (c) if P held the disposed of interest on 5 April 2013, the amount of the notional pre-April 2013 gain or loss,
- (treating any amount which is a loss as a negative amount).

If the result is a positive amount, that amount is the balancing gain on the relevant high value disposal.

If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the relevant high value disposal.

- (4) The balancing gain or loss belonging to the notional post-April 2015 gain or loss is equal to the balancing fraction of the notional post-April 2015 gain or loss.
- (5) The balancing gain or loss belonging to the notional pre-April 2015 gain or loss is equal to the non-ATED related fraction of the notional pre-April 2015 gain or loss.
- (6) “The balancing fraction” is—

$$\frac{BD}{TD}$$

where—

“BD” is the number of balancing days (see paragraph 16(2)) in the appropriate ownership period;

“TD” is the total number of days in the appropriate ownership period.

- (7) “The non-ATED related fraction” is—

$$\frac{NAD}{TD}$$

where—

“NAD” is the number of non-ATED chargeable days (see paragraph 16(3)) in the appropriate ownership period;

“TD” is the total number of days in the appropriate ownership period.

- (8) “Appropriate ownership period” means—

- (a) for the purpose of computing the balancing gain or loss belonging to the notional post-April 2015 gain or loss, the post-commencement ownership period defined in paragraph 13(5);

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) for the purpose of computing the balancing gain or loss belonging to the notional pre-April 2015 gain or loss, the relevant ownership period defined in paragraph 6A(11) of Schedule 4ZZA.

(9) In this paragraph—

- (a) “notional post-April 2015 gain or loss” has the same meaning as in paragraph 13;
- (b) “notional pre-April 2015 gain or loss” has the same meaning as in paragraph 6A of Schedule 4ZZA;
- (c) “notional pre-April 2013 gain or loss” means the gain or loss which would have accrued on 5 April 2013 had the disposed of interest been disposed of for a consideration equal to the market value of that interest at that date.

PART 1 U.K.

INTRODUCTION AND INTERPRETATION

Introduction

- 1 (1) In this Schedule “RPI disposal” means a disposal of a residential property interest which is not a non-resident CGT disposal.
- (2) This Schedule applies for the purpose of determining, in relation to an RPI disposal—
- (a) whether a residential property gain or loss accrues on the disposal, and the amount of any such gain or loss, and
 - (b) whether a gain or loss other than a residential property gain or loss accrues on the disposal, and the amount of any such gain or loss.
- (3) In this Schedule—
- (a) Part 2 contains the main rules for computing the gains and losses;
 - (b) Part 3 contains the rules for computing the gains and losses in a case where the RPI disposal is, or involves, a relevant high value disposal (as defined in section 2C).

Interpretation

- 2 (1) For the purposes of this Schedule, a relevant high value disposal is “comprised in” an RPI disposal if—
- (a) the RPI disposal is treated for the purposes of section 2C and Schedule 4ZZA as two or more disposals, and
 - (b) the relevant high value disposal is one of those.
- (2) In this Schedule—
- “chargeable interest” has the same meaning as in Part 3 of the Finance Act 2013 (annual tax on enveloped dwellings) (see section 107 of that Act);

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“dwelling” has the meaning given by —

- (a) paragraph 4 of Schedule B1, in relation to a disposal of a UK residential property interest;
- (b) paragraph 4 of Schedule BA1, in relation to a disposal of a non-UK residential property interest;

“subject-matter”, in relation to an interest in land (or a chargeable interest) means the land to which the interest relates.

PART 2 U.K.

RPI DISPOSALS NOT INVOLVING RELEVANT HIGH VALUE DISPOSALS

Application of Part

- 3 (1) This Part of this Schedule applies where a person (“P”) makes an RPI disposal of (or of part of) an interest in land.
- (2) But this Part of this Schedule does not apply if the disposal is—
- (a) a relevant high value disposal, or
 - (b) a disposal in which a relevant high value disposal is comprised.
- (3) In this Part of this Schedule “the disposed of interest” means—
- (a) the interest in land, or
 - (b) if the disposal is of part of that interest, the part disposed of.

Computation of residential property gains and losses

- 4 (1) The residential property gain or loss accruing on the disposal is computed as follows.
- Step 1* Determine the amount of the gain or loss that accrues to P.
- Step 2* The residential property gain or loss accruing on the disposal is an amount equal to the relevant fraction of that gain or loss (but see Step 3).
- Step 3* If there has been mixed use of the subject matter of the disposed of interest on one or more days in the relevant ownership period, the residential property gain or loss accruing on the disposal is equal to the appropriate fraction of the amount given by Step 2.
- (2) In Step 2 “the relevant fraction” means—
- RD TD
- where—
- “RD” is the number of days in the relevant ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;
- “TD” is the total number of days in the relevant ownership period.
- (3) For the purposes of Step 3 there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.
- (4) In Step 3 “the appropriate fraction” means the fraction that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) In this paragraph the “relevant ownership period” means the period—
- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - (b) ending with the day before the day on which the disposal occurs.

Computation of balancing gains and losses

- 5 The gain or loss accruing on the disposal which is not a residential property gain or loss is computed as follows.

Step 1 In a case where there is a gain under Step 1 of paragraph 4(1), determine the amount of that gain remaining after the deduction of the residential property gain determined under that paragraph.

That remaining gain is the gain accruing on the disposal which is not a residential property gain.

Step 2 In a case where there is a loss under Step 1 of paragraph 4(1), determine the amount of that loss remaining after the deduction of the residential property loss determined under that paragraph.

That remaining loss is the loss accruing on the disposal which is not a residential property loss.

Interest subsisting under contract for off-plan purchase

- 6 (1) This paragraph applies where the disposal referred to in paragraph 3(1) is a disposal of a residential property interest only because of—
- (a) the second condition in paragraph 1 of Schedule B1, or
 - (b) the second condition in paragraph 1 of Schedule BA1,
- (interest subsisting under a contract for the acquisition of land that consists of, or includes, a building that is to be constructed for use as a dwelling).
- (2) The land that is the subject of the contract concerned is treated for the purposes of this Part of this Schedule as consisting of (or, as the case requires, including) a dwelling throughout P's period of ownership of the disposed of interest.

PART 3 **U.K.**

RPI DISPOSALS INVOLVING RELEVANT HIGH VALUE DISPOSALS

Application of Part

- 7 (1) This Part of this Schedule applies where—
- (a) a person (other than an excluded person) (“P”) makes an RPI disposal of (or of part of) an interest in land, and
 - (b) that disposal (“the disposal of land”) is a relevant high value disposal or a relevant high value disposal is comprised in it.
- (2) “Excluded person” has the meaning given by section 2B(2).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Interpretation of Part

- 8 (1) This paragraph applies for the interpretation of this Part of this Schedule.
- (2) “The asset”, in relation to a relevant high value disposal, means the chargeable interest which (or a part of which) is the subject of that disposal.
- (3) “The disposed of interest”, in relation to a relevant high value disposal, means the asset or, if only part of the asset is the subject of the relevant high value disposal, that part of the asset.
- (4) A day is a “residential property chargeable day” in relation to a relevant high value disposal if—
- (a) it is a day on which the subject matter of the disposed of interest consists wholly or partly of a dwelling, but
 - (b) it is not an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).

Computation of residential property gains or losses on the RPI disposal

- 9 (1) The residential property gain or loss accruing on the disposal of land is computed as follows.
- Step 1* Determine in accordance with paragraphs 10 to 15 the amount of the residential property gain or loss accruing on each relevant high value disposal.
- Step 2* Add together the amounts of any gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount).
- (2) If the result is a positive amount, that amount is the residential property gain on the disposal of land.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the residential property loss on the disposal of land.

Computation of residential property gains or losses on relevant high value disposal not within Case 1, 2 or 3 (or where an election is made)

- 10 (1) This paragraph applies to a relevant high value disposal where—
- (a) the disposal does not fall within any of Cases 1, 2 or 3 in paragraph 2 of Schedule 4ZZA, or
 - (b) P has made an election under paragraph 5 of that Schedule in respect of the asset.
- (2) The residential property gain or loss accruing on the relevant high value disposal is computed as follows—
- Step 1* Determine the amount of gain or loss which accrues to P. (For the purpose of determining the amount of that gain or loss, no account is taken of section 57C or this Schedule.)
- Step 2* The residential property gain or loss accruing on the relevant high value disposal is equal to the special fraction of that gain or loss.
- (3) The “special fraction” is—

SD TD

where—

Status: Point in time view as at 15/03/2018.

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“SD” is the number of residential property chargeable days in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (4) “Relevant ownership period” means the period—
- beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - ending with the day before the day on which the relevant high value disposal occurs.

Computation of residential property gains and losses on relevant high value disposal within Case 1, 2 or 3 (and no election made)

- 11 (1) This paragraph applies to a relevant high value disposal where—
- the disposal falls within Case 1, 2 or 3 in paragraph 2 of Schedule 4ZZA, and
 - P has not made an election under paragraph 5 of that Schedule in respect of the asset.
- (2) The residential property gain or loss accruing on the relevant high value disposal is computed in accordance with paragraphs 12 to 15.
- (3) In those paragraphs “the relevant year” means—
- where the relevant high value disposal falls within Case 1 in paragraph 2 of Schedule 4ZZA, 2013,
 - where it falls within Case 2 in that paragraph, 2015, and
 - where it falls within Case 3 in that paragraph, 2016.
- 12 (1) Take the following steps—
- Step 1* Determine the amount equal to the special fraction of the notional pre-ATED gain or loss (as the case may be) (see paragraph 13).
- Step 2* Determine the amount equal to the special fraction of the notional post-ATED gain or loss (as the case may be) (see paragraph 14).
- Step 3* Add (treating any amount which is a loss as a negative amount)—
- the amount of any gain or loss determined under Step 1, and
 - the amount of any gain or loss determined under Step 2.
- (2) If the result is a positive amount, that amount is the residential property gain on the relevant high value disposal.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the residential property loss on the relevant high value disposal.
- 13 (1) This paragraph applies for the purposes of Step 1 in paragraph 12.

The relevant underlying assets

- 8 (1) Where the interest disposed of is a right in relation to a specific fund or other defined part of the settled property, the deemed disposal is of the whole or part of each of the assets comprised in that fund or part.
- In any other case the deemed disposal is of the whole or part of each of the assets comprised in the settled property.
- (2) Where the interest disposed of is an interest in a specific fraction or amount of the income or capital of—
- (a) the settled property, or
 - (b) a specific fund or other defined part of the settled property,
- the deemed disposal is of a corresponding part of each of the assets comprised in the settled property or, as the case may be, each of the assets comprised in that fund or part.
- In any other case the deemed disposal is of the whole of each of the assets so comprised.
- (3) Sub-paragraphs (1) and (2) have effect subject to paragraph 13(4)(a) where the identity of the underlying assets changes during the period between the beginning of the disposal and its effective completion.
- (4) Where part only of an asset is comprised in a specific fund or other defined part of the settled property, that part of the asset shall be treated for the purposes of this Schedule as if it were a separate asset.

Character of deemed disposal

- (a) to be for a consideration equal to the whole or, as the case may be, a corresponding part of the market value of each of the assets concerned, and
 - (b) to be a disposal under a bargain at arm's length.
- (2) Sub-paragraph (1)(a) shall be read with paragraph 13(4)(b) where the value of the assets changes during the period between the beginning of the disposal and its effective completion.

Avoidance of double-counting

- 10 (1) The provisions of this paragraph have effect to prevent there being both a deemed disposal under this Schedule in relation to the disposal of an interest in settled property and a chargeable disposal of the interest itself.
- A “chargeable disposal” means one in relation to which section 76(1) does not apply.
- (2) If there would be a chargeable gain on the disposal of the interest in the settlement, then—
- (a) if—
- (i) the chargeable gain on the disposal of the interest would be greater than the net chargeable gain on the deemed disposal, or
- (ii) there would be no net chargeable gain on the deemed disposal, the provisions of this Schedule as to a deemed disposal do not apply; and
- (b) in any other case, the provisions of this Schedule as to a deemed disposal apply and no chargeable gain is treated as accruing on the disposal of the interest in the settlement.
- (3) If there would be an allowable loss on the disposal of the interest in the settlement, then—
- (a) if there would be a greater net allowable loss on the deemed disposal, the provisions of this Schedule as to a deemed disposal do not apply; and
- (b) in any other case, the provisions of this Schedule as to a deemed disposal apply and no allowable loss is treated as accruing on the disposal of the interest in the settlement.
- (4) If there would be neither a chargeable gain nor an allowable loss on the disposal of the interest in the settlement, then—
- (a) if there would be a net allowable loss on the deemed disposal, the provisions of this Schedule as to a deemed disposal do not apply; and
- (b) in any other case, the provisions of this Schedule as to a deemed disposal apply.
- (5) For the purposes of this paragraph—
- (a) there is a net chargeable gain on a deemed disposal if the aggregate of the chargeable gains accruing to the trustees in respect of the assets involved exceeds the aggregate of the allowable losses so accruing; and
- (b) there is a net allowable loss on a deemed disposal if the aggregate of the allowable losses accruing to the trustees in respect of the assets involved exceeds the aggregate of the chargeable gains so accruing.

Recovery of tax from person disposing of interest

- 11 (1) This paragraph applies where chargeable gains accrue to the trustees on the deemed disposal and—
- (a) tax becomes chargeable on and is paid by the trustees in respect of those gains, or
- (b) a person who is a settlor in relation to the settlement recovers from the trustees under section 78 an amount of tax in respect of those gains.
- (2) The trustees are entitled to recover the amount of the tax referred to in subparagraph (1)(a) or (b) from the person who disposed of the interest in the settlement.

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(3) For this purpose the trustees may require an inspector to give that person a certificate specifying—

- (a) the amount of the gains in question, and
- (b) the amount of tax that has been paid.

Any such certificate shall be conclusive evidence of the facts stated in it.

Cases where there is a period between the beginning of the disposal and its effective completion

13 (1) This paragraph applies in a case where there is a period between the beginning of the disposal of an interest in settled property and the effective completion of the disposal.

(2) For the purposes of this Schedule—

- (a) the beginning of the disposal is—

- (b) the condition in paragraph 5 (condition as to residence of trustees) is treated as met if it is met in relation to either of those years of assessment or any intervening year;
- (c) the condition in paragraph 6 (condition as to residence of settlor) is treated as met if it is met in relation to either or both of those years of assessment or any intervening year; and

 - (i) beginning two years before the beginning of the first of those years of assessment, and

(ii) ending with the effective completion of the disposal.

- (4) If the identity or value of the underlying assets changes during the period between the beginning of the disposal and its effective completion, the following provisions apply—
- (a) an asset is treated as comprised in the settled property and, where relevant, in any specific fund or other defined part of the settled property to which the deemed disposal relates if it is so comprised at any time in that period;
 - (b) the market value of any asset for the purposes of the deemed disposal is taken to be its highest market value at any time during that period.
- (5) The provisions in sub-paragraph (4) do not apply to an asset if during that period it is disposed of by the trustees under a bargain at arm's length and is not reacquired.

F2111 Sch. 4B inserted (with effect in accordance with s. 92(5) of the amending Act) by [Finance Act 2000 \(c. 17\), s. 92\(2\), Sch. 25](#)

General scheme of this Schedule

- 1 (1) This Schedule applies where trustees of a settlement—
- (a) make a transfer of value (see paragraph 2) in a year of assessment in which the settlement is within section ^{F2112}... 86 or 87 (see paragraph 3), and
 - (b) in accordance with this Schedule the transfer of value is treated as linked with trustee borrowing (see paragraphs 4 to 9).
- (2) Where this Schedule applies the trustees are treated as disposing of and immediately reacquiring the whole or a proportion of each of the chargeable assets that continue to form part of the settled property (see paragraphs 10 to 13).

Status: Point in time view as at 15/03/2018.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Textual Amendments

Transfers of value

- 2 (1) For the purposes of this Schedule trustees of a settlement make a transfer of value if they—

 - (b) transfer an asset to any person and receive either no consideration or a consideration whose amount or value is less than the market value of the asset transferred, or
 - (c) issue a security of any description to any person and receive either no consideration or a consideration whose amount or value is less than the value of the security.

- (2) References in this Schedule to “the material time”, in relation to a transfer of value, are to the time when the loan is made, the transfer is effectively completed or the security is issued.

The effective completion of a transfer means the point at which the person acquiring the asset becomes for practical purposes unconditionally entitled to the whole of the intended subject matter of the transfer.

- (3) In the case of a loan, the amount of value transferred is taken to be the market value of the asset.
- (4) In the case of a transfer, the amount of value transferred is taken to be—
- (a) if any part of the value of the asset is attributable to trustee borrowing, the market value of the asset;
 - (b) if no part of the value of the asset is attributable to trustee borrowing, the market value of the asset reduced by the amount or value of any consideration received for it.

Paragraph 12 below explains what is meant by the value of an asset being attributable to trustee borrowing.

- (5) In the case of the issue of a security, the amount of value transferred shall be taken to be the value of the security reduced by the amount or value of any consideration received by the trustees for it.
- (6) References in this paragraph to the value of an asset are to its value immediately before the material time, unless the asset does not exist before that time in which case its value immediately after that time shall be taken.

The effective completion of a transfer means the point at which the person acquiring the asset becomes for practical purposes unconditionally entitled to the whole of the intended subject matter of the transfer.

Transfer of value linked with trustee borrowing

- 5 (1) For the purposes of this Schedule a transfer of value by trustees is treated as linked with trustee borrowing if at the material time there is outstanding trustee borrowing.
- (2) For the purposes of this Schedule there is outstanding trustee borrowing at any time to the extent that—
- (a) any loan obligation is outstanding, and
 - (b) there are proceeds of trustee borrowing that have not been either—
 - (i) applied for normal trust purposes, or
 - (ii) taken into account under this Schedule in relation to an earlier transfer of value.
- (3) An amount of trustee borrowing is “taken into account” under this Schedule in relation to a transfer of value if the transfer of value is in accordance with this Schedule treated as linked with trustee borrowing.

- (b) if less, the amount of outstanding trustee borrowing at the material time in relation to that transfer of value.

- 6 (1) For the purposes of this Schedule the proceeds of trustee borrowing are applied for normal trust purposes in the following circumstances, and not otherwise.
- (2) They are applied for normal trust purposes if they are applied by the trustees in making a payment in respect of an ordinary trust asset and the following conditions are met—
- (a) the payment is made under a transaction at arm’s length or is not more than the payment that would be made if the transaction were at arm’s length;
 - (b) the asset forms part of the settled property immediately after the material time or, if it does not do so, the alternative condition in paragraph 8 below is met; and
 - (c) the sum paid is (or but for section 17 or 39 would be) allowable under section 38 as a deduction in computing a gain accruing to the trustees on a disposal of the asset.

- (a) they are applied by the trustees in wholly or partly discharging a loan obligation of the trustees, and
 - (b) the whole of the proceeds of the borrowing connected with that obligation (or all but an insignificant amount) have been applied by the trustees for normal trust purposes.

- 8 (1) The alternative condition referred to in paragraph 6(2)(b) in relation to an asset which no longer forms part of the settled property is that—
- (a) the asset is treated as having been disposed of by virtue of section 24(1), or
 - (b) one or more ordinary trust assets which taken together directly or indirectly represent the asset—
 - (i) form part of the settled property immediately after the material time, or
 - (ii) are treated as having been disposed of by virtue of section 24(1).
- (2) Where there has been a part disposal of the asset, the condition in paragraph 6(2)(b) and the provisions of sub-paragraph (1) above may be applied in any combination in relation to the subject matter of the part disposal and what remains.
- (3) References in this paragraph to an asset include part of an asset.

Normal trust purposes: power to make provision by regulations

- 9 (1) The Treasury may make provision by regulations as to the circumstances in which the proceeds of trustee borrowing are to be treated for the purposes of this Schedule as applied for normal trust purposes.
- (2) The regulations may—
- (a) add to, amend or repeal any of the provisions of paragraphs 6 to 8 above,
 - (b) make different provision for different cases, and

Deemed disposal of remaining chargeable assets

- 10 (1) Where in accordance with this Schedule a transfer of value by trustees is treated as linked with trustee borrowing, the trustees are treated for all purposes of this Act—
- (a) as having at the material time disposed of, and
 - (b) as having immediately reacquired,
- the whole or a proportion (see paragraph 11) of each of the chargeable assets that form part of the settled property immediately after the material time (“the remaining chargeable assets”).
- (2) The deemed disposal and reacquisition shall be taken—
- (a) to be for a consideration equal to the whole or, as the case may be, a proportion of the market value of each of those assets, and
 - (b) to be under a bargain at arm’s length.
- (3) For the purposes of sub-paragraph (1) an asset is a chargeable asset if a gain on a disposal of the asset by the trustees at the material time would be a chargeable gain.

Whether deemed disposal is of whole or a proportion of the assets

- 11 (1) This paragraph provides for determining whether the deemed disposal and reacquisition is of the whole or a proportion of each of the remaining chargeable assets.
- (2) If the amount of value transferred—
- (a) is less than the amount of outstanding trustee borrowing, and
 - (b) is also less than the effective value of the remaining chargeable assets,
- the deemed disposal and reacquisition is of the proportion of each of the remaining chargeable assets given by:
- $$\text{VTEV}$$
- where—
- VT is the amount of value transferred, and
- EV is the effective value of the remaining chargeable assets.
- (3) If the amount of value transferred—

 - (b) is less than the effective value of the remaining chargeable assets,
- the deemed disposal and reacquisition is of the proportion of each of the remaining chargeable assets given by:
- $$\text{TBEV}$$
- where—
- TB is the amount of outstanding trustee borrowing, and
- EV is the effective value of the remaining chargeable assets.
- (4) In any other case the deemed disposal and reacquisition is of the whole of each of the remaining chargeable assets.

Value attributable to trustee borrowing

- 12 (1) For the purposes of this Schedule the value of an asset is attributable to trustee borrowing to the extent determined in accordance with the following rules.
- (2) Where the asset itself has been borrowed by trustees, the value of the asset is attributable to trustee borrowing to the extent that the proceeds of that borrowing have not been applied for normal trust purposes.

This is in addition to any extent to which the value of the asset may be attributable to trustee borrowing by virtue of sub-paragraph (3).

- (3) The value of any asset is attributable to trustee borrowing to the extent that—
- (a) the trustees have applied the proceeds of trustee borrowing in acquiring or enhancing the value of the asset, or
 - (b) the asset represents directly or indirectly an asset whose value was attributable to the trustees having so applied the proceeds of trustee borrowing.
- (4) For the purposes of this paragraph an amount is applied by the trustees in acquiring or enhancing the value of an asset if it is applied wholly and exclusively by them—
- (a) as consideration in money or money's worth for the acquisition of the asset,
 - (b) for the purpose of enhancing the value of the asset in a way that is reflected in the state or nature of the asset,
 - (c) in establishing, preserving or defending their title to, or to a right over, the asset, or
 - (d) where the asset is a holding of shares or securities that is treated as a single asset, by way of consideration in money or money's worth for additional shares or securities forming part of the same holding.
- (5) Trustees are treated as applying the proceeds of borrowing as mentioned in sub-paragraph (4) if and to the extent that at the time the expenditure is incurred there is outstanding trustee borrowing.
- (6) In sub-paragraph (4)(d) "securities" has the same meaning as in section 132.

Assets and transfers

- 13 (1) In this Schedule any reference to an asset includes money expressed in sterling.
- References to the value or market value of such an asset are to its amount.
- (2) Subject to sub-paragraph (3), references in this Schedule to the transfer of an asset include anything that is or is treated as a disposal of the asset for the purposes of this Act, or would be if sub-paragraph (1) above applied generally for the purposes of this Act.

- 1A (1) The following steps are to be taken for the purpose of calculating the section 2(2) amounts for a settlement that are outstanding at the end of a tax year (“the relevant tax year”).

Step 1

Find the section 2(2) amount for the settlement for the relevant tax year and earlier tax years, as reduced under section 87A as it applies for the relevant tax year and earlier tax years.

Step 2

This Step applies if, [^{F2121}directly or indirectly] by virtue of the matching of the section 2(2) amount for the settlement for a tax year (“the applicable year”) with a capital payment, chargeable gains are treated under section 87[^{F2122}, 87K, 87L] or 89(2) as accruing in the relevant tax year to [^{F2123}an individual] who is not chargeable to tax for that year.

Increase the section 2(2) amount for the applicable year (found under Step 1) by the amount of the chargeable gains.

- 1 (1) Sub-paragraph (5) applies where conditions A to C are met in relation to an individual (“the investor”).
- (2) Condition A is that—
- (a) there would (ignoring sub-paragraphs (5) and (6)) be a chargeable gain (“the original gain”) accruing to the investor at any time in the tax year 2012-13 [^{F2429}^{F2430}or any subsequent tax year] (the year in question being referred to in this Schedule as “the relevant year”), and
 - (b) the original gain is one accruing on the disposal of an asset by the investor at any time (“the disposal time”) in [^{F2431}the relevant year].
- (3) Condition B is that—
- (a) the investor is eligible for SEIS relief for the [^{F2432}relevant year] in respect of an amount subscribed for an issue of shares in a company made to the investor in that year,
 - (b) the investor makes a claim for and obtains SEIS relief for that year in respect of all or some of those shares (“the relevant SEIS shares”), and
 - (c) if the relevant SEIS shares, or any corresponding bonus shares in relation to those shares, were issued before the disposal time, they are still held by the investor at the disposal time.
- (4) Condition C is that—
- (a) the investor has made a claim under this paragraph for relief in relation to the original gain, and
 - (b) the claim is in respect of the amount on which SEIS relief is claimed by the investor in respect of the relevant SEIS shares (“the SEIS expenditure”) or part of that amount.
- ^{F2433}(5) The relevant percentage of the available SEIS expenditure is to be set against a corresponding amount of the original gain.
- (5A) In sub-paragraph (5)—

- (a) is specified in the claim,
 - (b) is unused, and
 - (c) does not exceed so much of the original gain as is unmatched;
 - “the relevant percentage” means—
 - (a) if the relevant year is the tax year 2012-13, 100%, and
 - (b) if the relevant year is [^{F2434}any subsequent tax year], 50%.]
- (6) Where an amount of the SEIS expenditure is set against the whole or part of the original gain under sub-paragraph (5), so much of that gain as is equal to that amount is to be treated as not being a chargeable gain.
- (7) For the purposes of this paragraph—
- (a) the SEIS expenditure is unused to the extent that it has not already been set under sub-paragraph (5) or paragraph 2(1) of Schedule 5B against the whole or any part of a chargeable gain, and
 - (b) the original gain is unmatched, in relation to the SEIS expenditure, to the extent that it has not had any other expenditure set against it under sub-paragraph (5) or paragraph 2(1) of Schedule 5B.

- (3) Sub-paragraph (4) applies if the amount of SEIS relief attributable to any of the relevant SEIS shares has been reduced under Chapter 6 of Part 5A of ITA 2007 before the SEIS relief was obtained (otherwise than by virtue of corresponding bonus shares being issued in respect of those shares).

“R2” means the amount of SEIS relief which would have been so attributable in the absence of the reduction.

- (5) In a case where sub-paragraphs (2) and (4) both apply, sub-paragraph (2) is to be applied before sub-paragraph (4).

- (3) If section 257AB(1) and (2) of ITA 2007 applies, in the case of any issue of shares made to an individual, as if part of the issue had been issued in a previous tax year, this Schedule has effect as if that part and the remainder were separate issues of shares (and that part had been issued on a day in the previous tax year).

- (a) “the principal provision” means section 165(2), or, as the case may require, sub-paragraph (2) of paragraph 2 above,
 - (b) “shares” includes securities,
 - (c) “the transferor” has the same meaning as in section 165 except that, in a case where paragraph 2 above applies, it refers to the trustees mentioned in that paragraph, and
 - (d) “unrelieved gain”, in relation to a disposal, has the same meaning as in section 165(7).
- (3) In this Part of this Schedule—
- (a) any reference to a disposal of an asset is a reference to a disposal which falls within subsection (1) of section 165 by virtue of subsection (2)(a) of that section or, as the case may be, falls within sub-paragraph (1) of paragraph 2 above by virtue of sub-paragraph (2)(a) of that paragraph, and
 - (b) any reference to a disposal of shares is a reference to a disposal which falls within subsection (1) of section 165 by virtue of subsection (2)(b) of that section or, as the case may be, falls within sub-paragraph (1) of paragraph 2 above by virtue of sub-paragraph (2)(b) of that paragraph.

$$\frac{A}{B}$$

where—

A is the number of days in that period of ownership during which the asset was so used, and

- (b) an asset which is treated as held at that time by virtue of a provision requiring an asset which was not held at that time to be treated as the same as an asset which was so held,

a pre-entry loss shall be deductible by virtue of paragraph (b) of sub-paragraph (1) ^{F2467}... above from the amount of that gain to the extent only of such proportion of that gain as is attributable to assets held at that time or, as the case may be, represents the gain that would have accrued on the asset so held.

 - Part 3 (requirements to be met in relation to ^{F2481}... the company invested in).
- (3) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

- (3) The second condition is that—
 - (a) immediately before the disposal company A does not hold shares or an interest in shares in company B but is a member of a group and another member of that group does hold shares or an interest in shares in company B, and

- (4) Where assets of a company are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, this paragraph applies as if the assets were vested in, and the acts of the liquidator in relation to the assets were the acts of, the company (acquisitions from or disposals to him by the company being disregarded accordingly).
- (5) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of shares or related asset where main exemption conditions previously met

 - (b) that a chargeable gain or allowable loss would, apart from this paragraph, accrue to company A on the disposal ^{F2482} ... ;
 - (c) that at the time of the disposal—
 - (i) company A is resident in the United Kingdom, or
 - (ii) any chargeable gain accruing to company A on the disposal would, by virtue of [^{F2483}section 10B], form part of that company’s chargeable profits for corporation tax purposes;
 - (d) that there was a time within the period of two years ending with the disposal (“the relevant period”) when, if—
 - (i) company A, or
 - (ii) a company that at any time in the relevant period was a member of the same group as company A, had disposed of shares or an interest in shares in company B that it then held, a gain accruing would, by virtue of paragraph 1, not have been a chargeable gain; and

- none of the exemptions in this Schedule applies to the disposal.

- (4) The reference in sub-paragraph (3) to profits being brought into account for the purposes of tax on profits includes a reference to the case where—

- (6) In this paragraph—
- “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;

Disposal before acquisition

21 The substitution of this Act for the corresponding enactments repealed by this Act shall not alter the effect of any provision enacted before this Act (whether or not there is a corresponding provision in this Act) so far as it relates to an asset which—

Amendments in other Acts

- 24 (1) The repeal by this Act of the Income and Corporation Taxes Act 1970 does not affect—

- (a) what amount the consideration is to be taken to be for the purpose of the computation under this Act of any chargeable gain; or
 - (b) whether and to what extent events in, or expenditure incurred in, or other amounts referable to, a period earlier than the chargeable periods to which this Act applies may be taken into account for any tax purposes in a chargeable period to which this Act applies.
- (2) Without prejudice to sub-paragraph (1) above, the repeals made by this Act shall not affect—

- 27 Where the acquisition or provision of any asset by one person was, immediately before the commencement of this paragraph and by virtue of any enactment, to be taken for the purposes of Schedule 5 to the 1979 Act to be the acquisition or disposal of it by another person, then, notwithstanding the repeal by this Act of that enactment, Schedule 2 to this Act shall also have effect as if the acquisition or provision of the asset by the first-mentioned person had been the acquisition or provision of it by that other person.
