- (8) Subsections (6) and (7) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

is connected or to 2 or more other persons with each of whom he is connected, and

- (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under section 20, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,

then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.

- (2) Where the disposal effected by a material transaction is one to which section 58 applies, nothing in subsection (1) above shall affect the amount which, for the purposes of this Act, is the consideration for that disposal.
- (3) Subject to subsection (5) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise; and, for the purposes of this section, 2 or more material transactions are linked if they occur within the period of 6 years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
- (a) when a second material transaction causes a series of linked transactions to come into being; and
- (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);

and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.

- (5) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 171, both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.
- (6) In any case where—
- (a) a company (“company A”) disposes of an asset by way of a material transaction, and
- (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and
- (c) the disposal by company A is to a person who is connected with another company (“company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
- (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,

then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal

resulting from the application of subsection (1) above shall have effect with respect to company A.

20 Original market value and aggregate market value for purposes of section 19.

- (1) This section has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 19.
- (2) Expressions used in this section have the same meaning as in that section.
- (3) Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
 - (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from section 19, would be deemed to be the consideration for that transaction for the purposes of this Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of this Act to be the consideration for the transaction concerned (whether by virtue of the previous operation of section 19, or by virtue of any other provision of this Act).
- (4) Subject to subsections (6) to (9) below, in relation to any transaction in a series of linked transactions—
 - (a) any reference in this section or section 19 to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of this Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in section 19 to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (5) The reference in subsection (4)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.
- (6) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of subsections (4) and (5) above in relation to each of the transactions in the series—
 - (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to subsection (7) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately

before the first of the transactions in the series and ending immediately before the last.

- (7) If, before the first of the transactions referred to in paragraph (b) of subsection (6) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (8) In the application of subsection (6) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (9) In subsection (8) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

22 Disposal where capital sums derived from assets.

- (1) Subject to sections 23 and 26(1), and to any other exceptions in this Act, there is for the purposes of this Act a disposal of assets by their owner where any capital sum is derived from assets notwithstanding that no asset is acquired by the person paying the capital sum, and this subsection applies in particular to—
- capital sums received by way of compensation for any kind of damage or injury to assets or for the loss, destruction or dissipation of assets or for any depreciation or risk of depreciation of an asset,
 - capital sums received under a policy of insurance of the risk of any kind of damage or injury to, or the loss or depreciation of, assets,

- (2) In the case of a disposal within paragraph (a), (b), (c) or (d) of subsection (1) above, the time of the disposal shall be the time when the capital sum is received as described in that subsection.
- (3) In this section “capital sum” means any money or money’s worth which is not excluded from the consideration taken into account in the computation of the gain.

Modifications etc. (not altering text)

C23 S. 22 excluded (27.7.1993) by 1993 c. 37, s. 12, Sch. 2 Pt. I para.17

23 Receipt of compensation and insurance money not treated as a disposal.

- (1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 22(1) derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—
- the capital sum is wholly applied in restoring the asset, or
 - (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
 - (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,
- but, if the receipt is not treated as a disposal, all sums which would, if the receipt had been so treated, have been brought into account as consideration for that disposal in the computation of the gain shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.
- (2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—
- paragraphs (b) and (c) of subsection (1) above shall not apply, and
 - if the recipient so elects (and there is any allowable expenditure)—
 - the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and

- (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

In this subsection “allowable expenditure” means expenditure which, immediately before the disposal, was attributable to the asset under paragraphs (a) and (b) of section 38(1).

- (3) If, in a case not falling within subsection (1)(b) above, a part of a capital sum within paragraph (a) or paragraph (b) of section 22(1) derived from an asset which is not lost or destroyed is applied in restoring the asset, then if the recipient so claims, that part of the capital sum shall not be treated as consideration for the disposal deemed to be effected on receipt of the capital sum but shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.
- (4) If an asset is lost or destroyed and a capital sum received by way of compensation for the loss or destruction, or under a policy of insurance of the risk of the loss or destruction, is within one year of receipt, or such longer period as the inspector may allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.
- (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the amount by which the gain is reduced under paragraph (a) of this subsection.
- [^{F90}(6) If a building (“the old building”) is destroyed or irreparably damaged, and all or part of a capital sum received by way of compensation for the destruction or damage, or under a policy of insurance of the risk of the destruction or damage, is applied by the recipient in constructing or otherwise acquiring a replacement building situated on other land (“the new building”), then for the purposes of subsections (4) and (5) above each of the old building and the new building shall be regarded as an asset separate from the land on which it is or was situated and the old building shall be treated as lost or destroyed.
- (7) For the purposes of subsection (6) above:
- (a) references to a building include references to any permanent or semi-permanent structure in the nature of a building; and

- (8) This section shall apply in relation to a wasting asset with the following modifications:
- (a) paragraphs (b) and (c) of subsection (1) above, and subsection (2) above, shall not apply; and
 - (b) in subsections (1) and (3) above, the amount of the expenditure from which the deduction is to be made shall be the amount which would have been allowable under Chapter III of this Part if the asset had been disposed of immediately after the application of the capital sum.]

- (1) Without prejudice to the generality of the provisions of this Act as to the transactions which are disposals of assets, any transaction which under the following subsections is to be treated as a disposal of an asset—
 - (a) shall be so treated (with a corresponding acquisition of an interest in the asset) notwithstanding that there is no consideration, and
 - (b) so far as, on the assumption that the parties to the transaction were at arm's length, the party making the disposal could have obtained consideration, or additional consideration, for the disposal, shall be treated as not being at arm's length and the consideration so obtainable, or the additional consideration so obtainable added to the consideration actually passing, shall be treated as the market value of what is acquired.

- (2) If a person having control of a company exercises his control so that value passes out of shares in the company owned by him or a person with whom he is connected, or out of rights over the company exercisable by him or by a person with whom he is connected, and passes into other shares in or rights over the company, that shall be a disposal of the shares or rights out of which the value passes by the person by whom they were owned or exercisable.
- (3) A loss on the disposal of an asset shall not be an allowable loss to the extent to which it is attributable to value having passed out of other assets, being shares in or rights over a company which by virtue of the passing of value are treated as disposed of under subsection (2) above.
- (4) If, after a transaction which results in the owner of land or of any other description of property becoming the lessee of the property there is any adjustment of the rights and liabilities under the lease, whether or not involving the grant of a new lease, which is as a whole favourable to the lessor, that shall be a disposal by the lessee of an interest in the property.
- (5) If an asset is subject to any description of right or restriction the extinction or abrogation, in whole or in part, of the right or restriction by the person entitled to enforce it shall be a disposal by him of the right or restriction.

30 Tax-free benefits.

- (1) This section has effect as respects the disposal of an asset if a scheme has been effected or arrangements have been made (whether before or after the disposal) whereby—

 - (i) on the person making the disposal or a person with whom he is connected, or
 - (ii) subject to subsection (4) below, on any other person.
- (2) For the purposes of this section, where the asset disposed of by a company (“the disposing company”) consists of shares in, or securities of, another company, another asset is a relevant asset if, at the time of the disposal, it is owned by a company associated with the disposing company; but no account shall be taken of any reduction in the value of a relevant asset except in a case where—
 - (a) during the period beginning with the reduction in value and ending immediately before the disposal by the disposing company, there is no disposal of the asset to any person, other than a disposal falling within section 171(1),
 - (b) no disposal of the asset is treated as having occurred during that period by virtue of section ^{F96}... 179, and
 - (c) if the reduction had not taken place but any consideration given for the relevant asset and any other material circumstances (including any consideration given before the disposal for the asset disposed of) were unchanged, the value of the asset disposed of would, at the time of the disposal, have been materially greater;
 and in this subsection “securities” has the same meaning as in section 132.
- (3) For the purposes of subsection (1)(b) above a benefit is conferred on a person if he becomes entitled to any money or money’s worth or the value of any asset in which he

- (6) Where—
- (a) by virtue of subsection (5) above the consideration for the disposal of an asset has been treated as increased, and
 - (b) the benefit taken into account under subsection (1)(b) above was an increase in the value of another asset,
- any allowable loss or chargeable gain accruing on the first disposal of the other asset after the increase in its value shall be calculated as if the consideration for that disposal were reduced by such amount as [^{F99}is] just and reasonable having regard to the scheme or arrangements in question and the increase made in relation to the disposal mentioned in paragraph (a) above.

31 Distributions within a group followed by a disposal of shares.

- (1) The references in section 30 to a reduction in the value of an asset, in the case mentioned in subsection (8) of that section, do not include a reduction attributable to the payment of a dividend by the second company at a time when it and the first company are associated, except to the extent (if any) that the dividend is attributable to chargeable profits of the second company and, in such a case, the tax-free benefit shall be ascertained without regard to any part of the dividend that is not attributable to such profits.
- (2) Subsections (3) to (11) below apply for the interpretation of subsection (1) above.
- (3) Chargeable profits shall be ascertained as follows—
 - (a) the distributable profits of any company are chargeable profits of that company to the extent that they are profits arising on a transaction caught by this section, and
 - (b) where any company makes a distribution attributable wholly or partly to chargeable profits (including any profits that are chargeable profits by virtue of this paragraph) to another company, the distributable profits of the other company, so far as they represent that distribution or so much of it as was attributable to chargeable profits, are chargeable profits of the other company, and for this purpose any loss or other amount to be set against the profits of a company in determining the distributable profits shall be set first against profits other than the profits so arising or, as the case may be, representing so much of the distribution as was attributable to chargeable profits.
- (4) The distributable profits of a company are such profits computed on a commercial basis as, after allowing for any provision properly made for tax, the company is empowered, assuming sufficient funds, to distribute to persons entitled to participate in the profits of the company.
- (5) Profits of a company (“company A”) are profits arising on a transaction caught by this section where each of the following 3 conditions is satisfied.
- (6) The first condition is that the transaction is—
 - (a) a disposal of an asset by company A to another company in circumstances such that company A and the other company are treated as mentioned in section 171(1), or

- [^{F100}(b) an exchange, or deemed exchange, of shares in or debentures of a company held by company A for shares in or debentures of another company, being a company associated with company A immediately after the transaction, that is treated by virtue of section 135 or 136 as a reorganisation of share capital within the meaning of section 126 to which sections 127 to 131 apply with the necessary adaptations, or]
- (c) a revaluation of an asset in the accounting records of company A.

In the following conditions the “asset with enhanced value” means (subject to section 33), in the paragraph (a) case, the asset acquired by the person to whom the disposal is made, in the paragraph (b) case, the shares in or debentures of the other company and, in the paragraph (c) case, the revalued asset.

- (7) The second condition is that—
 - (a) during the period beginning with the transaction referred to in subsection (6) above and ending immediately before the section 30 disposal, there is no disposal of the asset with enhanced value to any person, other than a disposal falling within section 171(1), and
 - (b) no disposal of the asset with enhanced value is treated as having occurred during that period by virtue of section ^{F101}... 179.
- (8) The third condition is that, immediately after the section 30 disposal, the asset with enhanced value is owned by a person other than the company making that disposal or a company associated with it.
- (9) The conditions in subsections (6) to (8) above are not satisfied if—
 - (a) at the time of the transaction referred to in subsection (6) above, company A carries on a trade and a profit on a disposal of the asset with enhanced value would form part of the trading profits, or
 - (b) by reason of the nature of the asset with enhanced value, a disposal of it could give rise neither to a chargeable gain nor to an allowable loss, or
 - (c) immediately before the section 30 disposal, the company owning the asset with enhanced value carries on a trade and a profit on a disposal of the asset would form part of the trading profits.
- (10) The amount of chargeable profits of a company to be attributed to any distribution made by the company at any time in respect of any class of shares, securities or rights shall be ascertained by—
 - (a) determining the total of distributable profits, and the total of chargeable profits, that remains after allowing for earlier distributions made in respect of that or any other class of shares, securities or rights, and for distributions made at or to be made after that time in respect of other classes of shares, securities or rights, and
 - (b) attributing first to that distribution distributable profits other than chargeable profits.
- (11) The amount of chargeable profits of a company to be attributed to any part of a distribution made at any time to which a person is entitled by virtue of any part of his holding of any class of shares, securities or rights, shall be such proportion of the chargeable profits as are attributable under subsection (10) above to the distributions made at that time in respect of that class as corresponds to that part of his holding.

Re-basing to 1982, and assets held on 6th April 1965

35 Assets held on 31st March 1982 (including assets held on 6th April 1965).

- (2) Subject to the following provisions of this section, in computing for the purpose of this Act the gain or loss accruing on the disposal it shall be assumed that the asset was on 31st March 1982 sold by the person making the disposal, and immediately reacquired by him, at its market value on that date.
- (3) Subject to subsection (5) below, subsection (2) above shall not apply to a disposal—
 - (a) where a gain would accrue on the disposal to the person making the disposal if that subsection did apply, and either a smaller gain or a loss would so accrue if it did not,
 - (b) where a loss would so accrue if that subsection did apply, and either a smaller loss or a gain would accrue if it did not,
 - (c) where, either on the facts of the case or by virtue of Schedule 2, neither a gain nor a loss would accrue if that subsection did not apply, or
 - (d) where neither a gain nor a loss would accrue by virtue of any of—

 - (iv) paragraph 2 of Schedule 2 to the ^{M6}Trustee Savings Banks Act 1985;
 - (v) section 130(3) of the ^{M7}Transport Act 1985;
 - (vi) section 486(8) of the Taxes Act; ^{F126}...
 - (vii) paragraph 2(1) of Schedule 12 to the ^{M8}Finance Act 1990 ^{F127}[^{F128}...
 - (viii) paragraph 5(3) of Schedule 17 to the Finance (No. 2) Act 1992]

[^{F136}(4) Where in the case of a disposal of an asset—

(a) the effect of subsection (2) above would be to substitute a loss for a gain or a gain for a loss, but

(b) the application of subsection (2) is excluded by subsection (3),

it shall be assumed in relation to the disposal that the asset was acquired by the person making the disposal for a consideration such that, on the disposal, neither a gain nor a loss accrues to him.

(5) If a person so elects, disposals made by him (including any made by him before the election) shall fall outside subsection (3) above (so that subsection (2) above is not excluded by that subsection).

(6) An election by a person under subsection (5) above shall be irrevocable and shall be made by notice to [^{F137}an officer of the Board] at any time before 6th April 1990 or at any time during the period beginning with the day of the first relevant disposal and ending—

(9) Schedule 2 shall have effect in relation to disposals of assets owned on 6th April 1965 in cases where neither subsection (2) nor subsection (4) above applies.

(10) Schedule 3, which contains provisions supplementary to subsections (1) to (8) above, shall have effect.]

41 Restriction of losses by reference to capital allowances and renewals allowances.

- (1) Section 39 shall not require the exclusion from the sums allowable as a deduction in the computation of the gain of any expenditure as being expenditure in respect of which a capital allowance or renewals allowance is made, but the amount of any losses accruing on the disposal of an asset shall be restricted by reference to capital allowances and renewals allowances as follows.

- (b) which he has used for the purpose of leasing under one or more long funding leases.

- (2) In the computation of the amount of a loss accruing to the person on the disposal there shall be excluded from the sums allowable as a deduction by virtue of section 38(1) (a) and (b) (acquisition and enhancement costs) an amount determined in accordance with subsection (3) or (4).
- (3) Where the person has used the plant or machinery for the purpose of leasing under one long funding lease, the amount is equal to the fall in value of the plant or machinery during the period of the lease.
- (4) Where the person has used the plant or machinery for the purpose of leasing under more than one long funding lease, the amount is equal to the sum of the fall in value of the plant or machinery during the period of each lease.

42 Part disposals.

- (1) Where a person disposes of an interest or right in or over an asset, and generally wherever on the disposal of an asset any description of property derived from that asset remains undisposed of, the sums which under paragraphs (a) and (b) of section 38(1) are attributable to the asset shall, both for the purposes of the computation of the gain accruing on the disposal and for the purpose of applying this Part in relation to the property which remains undisposed of, be apportioned.
- (2) The apportionment shall be made by reference—
 - (a) to the amount or value of the consideration for the disposal on the one hand (call that amount or value A), and
 - (b) to the market value of the property which remains undisposed of on the other hand (call that market value B),
 and accordingly the fraction of the said sums allowable as a deduction in the computation of the gain accruing on the disposal shall be—

$$\frac{A}{A+B}$$

and the remainder shall be attributed to the property which remains undisposed of.

- (3) Any apportionment to be made in pursuance of this section shall be made before operating the provisions of section 41 and if, after a part disposal, there is a subsequent disposal of an asset the capital allowances or renewals allowances to be taken into account in pursuance of that section in relation to the subsequent disposal shall, subject to subsection (4) below, be those referable to the sums which under paragraphs (a) and (b) of section 38(1) are attributable to the asset whether before or after the part disposal, but those allowances shall be reduced by the amount (if any) by which the loss on the earlier disposal was restricted under the provisions of section 41.
- (4) This section shall not be taken as requiring the apportionment of any expenditure which, on the facts, is wholly attributable to what is disposed of, or wholly attributable to what remains undisposed of.
- (5) It is hereby declared that this section, and all other provisions for apportioning on a part disposal expenditure which is deductible in computing a gain, are to be operated before the operation of, and without regard to, section 58(1), sections 152 to 158 (but without prejudice to section 152(10)), section 171(1) or any other enactment making an adjustment to secure that neither a gain nor a loss occurs on a disposal.

43 Assets derived from other assets.

If and so far as, in a case where assets have been merged or divided or have changed their nature or rights or interests in or over assets have been created or extinguished, the value of an asset is derived from any other asset in the same ownership, an appropriate proportion of the sums allowable as a deduction in the computation of a gain in respect of the other asset under paragraphs (a) and (b) of section 38(1) shall, both for the purpose of the computation of a gain accruing on the disposal of the first-mentioned asset and, if the other asset remains in existence, on a disposal of that other asset, be attributed to the first-mentioned asset.

Wasting assets

44 Meaning of “wasting asset”.

- (1) In this Chapter “wasting asset” means an asset with a predictable life not exceeding 50 years but so that—
- (a) freehold land shall not be a wasting asset whatever its nature, and whatever the nature of the buildings or works on it;
 - (b) “life”, in relation to any tangible movable property, means useful life, having regard to the purpose for which the tangible assets were acquired or provided by the person making the disposal;
 - (c) plant and machinery shall in every case be regarded as having a predictable life of less than 50 years, and in estimating that life it shall be assumed that its life will end when it is finally put out of use as being unfit for further use, and that it is going to be used in the normal manner and to the normal extent and is going to be so used throughout its life as so estimated;

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (d) a life interest in settled property shall not be a wasting asset until the predictable expectation of life of the life tenant is 50 years or less, and the predictable life of life interests in settled property and of annuities shall be ascertained from actuarial tables approved by the Board.
- (2) In this Chapter “the residual or scrap value”, in relation to a wasting asset, means the predictable value, if any, which the wasting asset will have at the end of its predictable life as estimated in accordance with this section.
- (3) The question what is the predictable life of an asset, and the question what is its predictable residual or scrap value at the end of that life, if any, shall, so far as those questions are not immediately answered by the nature of the asset, be taken, in relation to any disposal of the asset, as they were known or ascertainable at the time when the asset was acquired or provided by the person making the disposal.

45 Exemption for certain wasting assets.

- (1) Subject to the provisions of this section, no chargeable gain shall accrue on the disposal of, or of an interest in, an asset which is tangible movable property and which is a wasting asset.
- (2) Subsection (1) above shall not apply to a disposal of, or of an interest in, an asset—
 - (a) if, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, the asset has been used and used solely for the purposes of a trade, profession or vocation and if that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset or interest under paragraph (a) or paragraph (b) of section 38(1); or
 - (b) if the person making the disposal has incurred any expenditure on the asset or interest which has otherwise qualified in full for any capital allowance.
- (3) In the case of the disposal of, or of an interest in, an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
 - (a) the consideration for the disposal, and any expenditure attributable to the asset or interest by virtue of section 38(1)(a) and (b), shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) subsection (1) above shall not apply to any gain accruing by reference to the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances.
- (4) Subsection (1) above shall not apply to a disposal of commodities of any description by a person dealing on a terminal market or dealing with or through a person ordinarily engaged in dealing on a terminal market.

Status: Point in time view as at 30/12/2006.

46 Straightline restriction of allowable expenditure.

- (1) In the computation of the gain accruing on the disposal of a wasting asset it shall be assumed—
- (a) that any expenditure attributable to the asset under section 38(1)(a) after deducting the residual or scrap value, if any, of the asset, is written off at a uniform rate from its full amount at the time when the asset is acquired or provided to nothing at the end of its life, and
 - (b) that any expenditure attributable to the asset under section 38(1)(b) is written off from the full amount of that expenditure at the time when that expenditure is first reflected in the state or nature of the asset to nothing at the end of its life,
- so that an equal daily amount is written off day by day.
- (2) Thus, calling the predictable life of a wasting asset at the time when it was acquired or provided by the person making the disposal L , the period from that time to the time of disposal $T(1)$, and, in relation to any expenditure attributable to the asset under section 38(1)(b), the period from the time when that expenditure is first reflected in the state or nature of the asset to the said time of disposal $T(2)$, there shall be excluded from the computation of the gain—
- (a) out of the expenditure attributable to the asset under section 38(1)(a) a fraction—

$$\frac{T(1)}{L}$$

of an amount equal to the amount of that expenditure minus the residual or scrap value, if any, of the asset, and

- (b) out of the expenditure attributable to the asset under section 38(1)(b) a fraction—

$$\frac{T(2)}{L - (T(1) - T(2))}$$

of the amount of the expenditure.

- (3) If any expenditure attributable to the asset under section 38(1)(b) creates or increases a residual or scrap value of the asset, the provisions of subsection (1)(a) above shall be applied so as to take that into account.

47 Wasting assets qualifying for capital allowances.

- (1) Section 46 shall not apply in relation to a disposal of an asset—
- (a) which, from the beginning of the period of ownership of the person making the disposal to the time when the disposal is made, is used and used solely for the purposes of a trade, profession or vocation and in respect of which that person has claimed or could have claimed any capital allowance in respect of any expenditure attributable to the asset under paragraph (a) or paragraph (b) of section 38(1), or
 - (b) on which the person making the disposal has incurred any expenditure which has otherwise qualified in full for any capital allowance.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In the case of the disposal of an asset which, in the period of ownership of the person making the disposal, has been used partly for the purposes of a trade, profession or vocation and partly for other purposes, or has been used for the purposes of a trade, profession or vocation for part of that period, or which has otherwise qualified in part only for capital allowances—
- (a) the consideration for the disposal, and any expenditure attributable to the asset by paragraph (a) or paragraph (b) of section 38(1) shall be apportioned by reference to the extent to which that expenditure qualified for capital allowances, and
 - (b) the computation of the gain shall be made separately in relation to the apportioned parts of the expenditure and consideration, and
 - (c) section 46 shall not apply for the purposes of the computation in relation to the part of the consideration apportioned to use for the purposes of the trade, profession or vocation, or to the expenditure qualifying for capital allowances, and
 - (d) if an apportionment of the consideration for the disposal has been made for the purposes of making any capital allowance to the person making the disposal or for the purpose of making any balancing charge on him, that apportionment shall be employed for the purposes of this section, and
 - (e) subject to paragraph (d) above, the consideration for the disposal shall be apportioned for the purposes of this section in the same proportions as the expenditure attributable to the asset is apportioned under paragraph (a) above.

Miscellaneous provisions

48 Consideration due after time of disposal.

[^{F154}(1)] In the computation of the gain consideration for the disposal shall be brought into account without any discount for postponement of the right to receive any part of it and, in the first instance, without regard to a risk of any part of the consideration being irrecoverable or to the right to receive any part of the consideration being contingent; and if any part of the consideration so brought into account [^{F155}subsequently proves to be irrecoverable, there shall be made, on a claim being made to that effect, such adjustment, whether by way of discharge or repayment of tax or otherwise, as is required in consequence].

[^{F156}(2) Subsection (1) above does not apply in relation to so much of any consideration as consists of rights under a creditor relationship to which a company becomes a party as a result of the disposal.

(3) In the computation of the gain in a case where subsection (2) above has effect in relation to any consideration, the amount to be brought into account in respect of that consideration is the fair value of the creditor relationship.

(4) In this section—

- (a) “creditor relationship”, and
- (b) “fair value”, in relation to a creditor relationship,

each have the same meaning as in Chapter 2 of Part 4 of the Finance Act 1996 (see section 103(1) of that Act).]

55 Assets owned on 31st March 1982 or acquired on a no gain/no loss disposal.

- (1) For the purpose of computing the indexation allowance on a disposal of an asset where, on 31st March 1982, the asset was held by the person making the disposal, it shall be assumed that on that date the asset was sold by the person making the disposal and immediately reacquired by him at its market value on that date.
- (2) Except where an election under section 35(5) has effect, neither subsection (1) above nor section 35(2) shall apply for the purpose of computing the indexation allowance in a case where that allowance would be greater if they did not apply.
- (3) If under subsection (1) above it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it

were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.

(4) Where, after 31st March 1982, an asset which was held on that date has been merged or divided or has changed its nature or rights in or over the asset have been created, then, subject to subsection (2) above, subsection (1) above shall have effect to determine for the purposes of section 43 the amount of the consideration for the acquisition of the asset which was so held.

(5) Subsection (6) below applies to a disposal of an asset which is not a no gain/no loss disposal if—

- (a) the person making the disposal acquired the asset after 31st March 1982; and
- (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal;

and for the purposes of this subsection a no gain/no loss disposal is one on which, by virtue of section 257(2) or 259(2) or any of the enactments specified in section 35(3) (d), neither a gain nor a loss accrues (or accrued) to the person making the disposal.

(6) Where this subsection applies to a disposal of an asset—

- (a) the person making the disposal shall be treated for the purpose of computing the indexation allowance on the disposal as having held the asset on 31st March 1982; and
- (b) for the purpose of determining any gain or loss on the disposal, the consideration which, apart from this subsection, that person would be treated as having given for the asset shall be taken to be reduced by deducting therefrom any indexation allowance brought into account by virtue of section 56(2) on any disposal falling within subsection (5)(b) above.

[^{F168}(7) The rules in subsection (8) below apply (after the application of section 53 but before the application of section 35(3) or (4)) to give the gain or loss for the purposes of this Act where—

- (a) subsection (6) above applies to the disposal (the “disposal in question”) of an asset by any person (the “transferor”), and
- (b) but for paragraph (b) of that subsection, the consideration the transferor would be treated as having given for the asset would include an amount or amounts of indexation allowance brought into account by virtue of section 56(2) on any disposal made before 30th November 1993.

(8) The rules are as follows—

- (a) where (apart from this subsection) there would be a loss, an amount equal to the rolled-up indexation shall be added to it so as to increase it,
- (b) where (apart from this subsection) the unindexed gain or loss would be nil, there shall be a loss of an amount equal to the rolled-up indexation, and
- (c) where (apart from this subsection)—
 - (i) there would be an unindexed gain, and
 - (ii) the gain or loss would be nil but the amount of the indexation allowance used to extinguish the gain would be less than the rolled-up indexation,

the difference shall constitute a loss.

(9) In this section the “rolled-up indexation” means, subject to subsections (10) and (11) below, the amount or, as the case may be, the aggregate of the amounts referred to in

subsection (7)(b) above; and subsections (10) and (11) below shall, as well as applying on the disposal in question, be treated as having applied on any previous part disposal by the transferor.

- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.
- (11) Where the transferor makes a part disposal of the asset at any time, then, for the purposes of that and any subsequent disposal, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (10) above on a previous part disposal by him or after the application of subsection (10) above on the part disposal) shall be apportioned between the property disposed of and the property which remains in the same proportions as the sums falling within section 38(1)(a) and (b).]

56 Part disposals and disposals on a no-gain/no-loss basis.

- (1) For the purpose of determining the indexation allowance (if any) on the occasion of a part disposal of an asset, the apportionment under section 42 of the sums which make up the relevant allowable expenditure shall be effected before the application of section 54 and, accordingly, in relation to a part disposal—
- (a) references in section 54 to an item of expenditure shall be construed as references to that part of that item which is so apportioned for the purposes of the computation of the unindexed gain ^{F169}... on the part disposal; and
 - (b) no indexation allowance shall be determined by reference to the part of each item of relevant allowable expenditure which is apportioned to the property which remains undisposed of.
- (2) [^{F170}On a no gain/no loss disposal by any person (“the transferor”)]—
- (a) the amount of the consideration shall be calculated for the purposes of this Act on the assumption that, on the disposal, an unindexed gain accrues to the transferor which is equal to the indexation allowance on the disposal, and
 - (b) the disposal shall accordingly be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues;

and for the purposes of the application of sections 53 and 54 there shall be disregarded so much of any enactment as provides that, on the subsequent disposal of the asset by the person acquiring the asset on the disposal (“the transferee”), the transferor’s acquisition of the asset is to be treated as the transferee’s acquisition of it.

- (b) the sums allowable as a deduction in computing that loss would include an amount attributable to the application of the assumption in subsection (2) above on any no gain/no loss disposal made on or after 30th November 1993, those sums shall be determined as if that subsection had not applied on any such disposal made on or after that date and the loss shall be reduced accordingly or, if those sums are then equal to or less than the consideration for the disposal, the disposal shall be one on which neither a gain nor a loss accrues.
- (4) For the purposes of this section a no gain/no loss disposal is one which, by virtue of any enactment other than section 35(4), 53(1) or this section, is treated as a disposal on which neither a gain nor a loss accrues to the person making the disposal.]

[^{F261}86A Attribution of gains to settlor in section 10A cases.

(1) Subsection (2) below applies in the case of a person who is a settlor in relation to any settlement (“the relevant settlement”) where—

- (a) by virtue of section 10A, amounts falling within section 86(1)(e) for any intervening year or years would (apart from this section) be treated as accruing to the settlor in the year of return; and
- (b) there is an excess of the relevant chargeable amounts for the non-residence period over the amount of the section 87 pool at the end of the year of departure.

(2) Only so much (if any) of—

- (a) [^{F262}the tapered section 86(1)(e) amount] for the intervening year, or
- (b) if there is more than one intervening year, the aggregate of [^{F263}the tapered section 86(1)(e) amounts] for those years,

as exceeds the amount of the excess mentioned in subsection (1)(b) above shall fall in accordance with section 10A to be attributed to the settlor for the year of return.

[In subsection (2) above “tapered section 86(1)(e) amount” means an amount falling ^{F264}(2A) within section 86(1)(e) as it would apply with the omission of sub-paragraph (ii).

(2B) Where subsection (2) above has effect to reduce an amount that is treated by virtue of section 86 as accruing to the settlor for a year of assessment—

- (a) the reduced amount shall be treated as falling within paragraph (b) of section 2(5) and not paragraph (aa);
- (b) section 86(1)(e) shall have effect in relation to that amount with the omission of sub-paragraph (ii).]

(3) In subsection (1) above, the reference to the relevant chargeable amounts for the non-residence period is (subject to subsection (5) below) a reference to the aggregate of the amounts on which beneficiaries of the relevant settlement are charged to tax under section 87 or 89(2) for the intervening year or years in respect of any capital payments received by them.

(4) In subsection (1) above, the reference to the section 87 pool at the end of the year of departure is (subject to subsection (5) below) a reference to the amount (if any) which, in accordance with subsection (2) of that section, fell in relation to the relevant settlement to be carried forward from the year of departure to be included in the amount of the trust gains for the year of assessment immediately following the year of departure.

(5) Where the property comprised in the relevant settlement has at any time included property not originating from the settlor, only so much (if any) of any capital payment or amount carried forward in accordance with section 87(2) as, on a just and reasonable apportionment, is properly referable to property originating from the settlor shall be taken into account for the purposes of subsections (3) and (4) above.

(6) Where any reduction falls to be made by virtue of subsection (2) above in any amount to be attributed in accordance with section 10A to any settlor for any year of assessment, the reduction to be treated as made for that year in accordance with section 87(3) in the case of the settlement in question shall not be made until—

- (a) the reduction (if any) falling to be made by virtue of that subsection has been made in the case of every settlor to whom any amount is so attributed; and

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. (b) effect has been given to any reduction required to be made under subsection (7) below.

(7) Where in the case of any settlement there is (after the making of any reduction or reductions in accordance with subsection (2) above) any amount or amounts falling in accordance with section 10A to be attributed for any year of assessment to settlors of the settlement, [^{F265}the tapered section 10A amount] shall be applied in reducing the amount carried forward to that year in accordance with section 87(2).

[In subsection (7) above “the tapered section 10A amount” means the amount, or ^{F266}(7A) aggregate of the amounts, falling to be attributed as mentioned in that subsection, minus the total amount of any taper relief that would be deductible from that amount or aggregate by the trustees of the settlement but for section 86(1)(e)(ii).]

Where section 86A(2) has effect to reduce that amount or aggregate, the words from “minus” to “section 86(1)(e)(ii)” above do not apply.]

(8) Where an amount ^{F267}... has been applied, in accordance with subsection (7) above, in reducing the amount which in the case of any settlement is carried forward to any year in accordance with section 87(2), that amount (or, as the case may be, so much of it as does not exceed the amount which it is applied in reducing) shall be deducted from the amount used for that year for making the reduction under section 87(3) in the case of that settlement.

(9) Expressions used in this section and section 10A have the same meanings in this section as in that section; and paragraph 8 of Schedule 5 shall apply for the construction of the references in subsection (5) above to property originating from the settlor as it applies for the purposes of that Schedule.]

 - (a) shall not be identified with securities acquired for transfer or delivery on a later date or in a later period; and
 - (b) shall be identified with securities acquired for transfer or delivery on or before that date or in or before that period, but on or after the date of the disposal, rather than with securities not so acquired.
 - (5) The relevant securities disposed of shall be identified—
 - (a) with securities acquired within the 12 months preceding the disposal rather than with securities not so acquired, and with securities so acquired on an earlier date rather than with securities so acquired on a later date, and
 - (b) subject to paragraph (a) above, with securities acquired on a later date rather than with securities acquired on an earlier date; and
 - (c) with securities acquired at different times on any one day in as nearly as may be equal proportions.
 - (6) The rules contained in the preceding subsections shall have priority according to the order in which they are so contained.
 - (7) Notwithstanding anything in subsections (3) to (5) above, where, under arrangements designed to postpone the transfer or delivery of relevant securities disposed of, a [^{F339}company] by a single bargain acquires securities for transfer or delivery on a particular date or in a particular period and disposes of them for transfer or delivery on a later date or in a later period, then—
 - (a) the securities disposed of by that bargain shall be identified with the securities thereby acquired; and
 - (b) securities previously disposed of which, but for the operation of paragraph (a) above in relation to acquisitions for transfer or delivery on the earlier date or in the earlier period, would have been identified with the securities acquired by that bargain—
 - (i) shall, subject to subsection (3) above, be identified with any available securities acquired for such transfer or delivery (that is to say, any securities so acquired other than securities to which paragraph (a) above applies and other than securities with which securities disposed of for such transfer or delivery would be identified apart from this subsection); and
 - (ii) in so far as they cannot be so identified shall be treated as disposed of for transfer or delivery on the later date, or in the later period, mentioned above.
 - (8) This section ^{F340}... shall not apply—

- (2) On any disposal of a [^{F343}section 104 holding], other than a disposal of the whole of it—
- (a) the qualifying expenditure and the indexed pool of expenditure shall each be apportioned between the part disposed of and the remainder in the same proportions as, under this Act, the relevant allowable expenditure is apportioned; and

- (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.
- (3) On a disposal of the whole of a [^{F343}section 104 holding], the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.
- (4) In relation to a [^{F343}section 104 holding], the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
- (5) Subject to subsection (6) below and section 114 the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
- (6) In relation to a [^{F343}section 104 holding] which was in existence immediately before the coming into force of this section, the indexed pool of expenditure on the coming into force of this section shall be the same as it was for the purposes of Part III of Schedule 19 to the ^{M18}Finance Act 1985 immediately before then.
- [^{F345}(6A) Where a disposal to a person acquiring or adding to a [^{F343}section 104 holding] is treated by virtue of any enactment as one on which neither a gain nor a loss accrues to the person making the disposal—
- (a) section 56(2) shall not apply to the disposal (and, accordingly, the amount of the consideration shall not be calculated on the assumption that a gain of an amount equal to the indexation allowance accrues to the person making the disposal), but
- (b) an amount equal to the indexation allowance on the disposal shall be added to the indexed pool of expenditure for the holding acquired or, as the case may be, held by the person to whom the disposal is made (and, where it is added to the indexed pool of expenditure for a holding so held, it shall be added after any increase required by subsection (8)(a) below).]
- (7) Any reference below to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the [^{F343}section 104 holding].
- (8) Whenever an operative event occurs—
- (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under subsection (10) or (11) below, in the value of the pool since the last operative event or, if there has been no previous operative event, since the pool came into being; and
- (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
- (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced; and
- (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.

- (a) any addition under subsection (8)(a) above shall be made before the calculation of the indexation allowance under subsection (2) above; and
 - (b) the reduction under subsection (8)(c) above shall be made after that calculation.
- (10) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to subsection (11) below, by the formula—

$$\frac{RE - RL}{RL}$$

where—

RE is the retail prices index for the month in which the operative event occurs; and

RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.

- (11) If RE, as defined in subsection (10) above, is equal to or less than RL, as so defined, the indexed rise is nil.

(3) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the original shares for the purposes of sections 127 to 130, it is in this section referred to as “the old asset” and the shares or securities which would constitute the new holding for those purposes are referred to as “the new asset”.

it shall be assumed that every asset representing a loan relationship of a company is a security within the meaning of section 132.]

- (5) So far as the relevant transaction relates to the old asset and the new asset, sections 127 to 130 shall not apply in relation to it.
 - (6) In accordance with subsection (5) above, the new asset shall not be treated as having been acquired on any date other than the date of the relevant transaction or, subject to subsections (7) and (8) below, for any consideration other than the market value of the old asset as determined immediately before that transaction.
 - (7) If, on the relevant transaction, the person concerned receives, or becomes entitled to receive, any sum of money which, in addition to the new asset, is by way of consideration for the old asset, that sum shall be deducted from the consideration referred to in subsection (6) above.
 - (8) If, on the relevant transaction, the person concerned gives any sum of money which, in addition to the old asset, is by way of consideration for the new asset, that sum shall be added to the consideration referred to in subsection (6) above.
- [^{F350}(8A) Where subsection (6) above applies for the purposes of corporation tax in a case where the old asset consists of a qualifying corporate bond, Chapter II of Part IV of the Finance Act 1996 (loan relationships) shall have effect [^{F351}, subject to subsection (8B) below,] so as to require such debits and credits to be brought into account for the purposes of that Chapter in relation to the relevant transaction as would have been brought into account if the transaction had been a disposal of the old asset at the market value mentioned in [^{F352}subsection (6) above].]
- [^{F353}(8B) Subsection (8A) above does not apply where the relevant transaction is a conversion of securities occurring in consequence of the operation of the terms of any security or of any debenture which is not a security.
- Expressions used in this subsection have the same meaning as they have for the purposes of section 132.]
- (9) In any case where the old asset consists of a qualifying corporate bond, then, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as a disposal of the old asset and an acquisition of the new asset.
 - (10) Except in a case falling within subsection (9) above, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as not involving any disposal of the old asset but—
 - (a) there shall be calculated the chargeable gain or allowable loss that would have accrued if, at the time of the relevant transaction, the old asset had been disposed of for a consideration equal to its market value immediately before that transaction; and
 - (b) subject to subsections (12) to (14) below, the whole or a corresponding part of the chargeable gain or allowable loss mentioned in paragraph (a) above shall be deemed to accrue on a subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal); and
 - (c) on that subsequent disposal, section 115 shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss which is deemed to accrue by virtue of paragraph (b) above.

- (11) Subsection (10)(b) and (c) above shall not apply to any disposal falling within section 58(1), 62(4), 139, [^{F354}140A,]^{F355}140E,^{F356} or 171(1)], but a person who has acquired the new asset on a disposal falling within any of those sections (and without there having been a previous disposal not falling within any of those sections or a devolution on death) shall be treated for the purposes of subsection (10)(b) and (c) above as if the new asset had been acquired by him at the same time and for the same consideration as, having regard to subsections (5) to (8) above, it was acquired by the person making the disposal.
- (12) In any case where—
- (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and
 - (b) the consideration for the old asset includes such a sum of money as is referred to in subsection (7) above,
- then, subject to subsection (13) below, the proportion of that chargeable gain which that sum of money bears to the market value of the old asset immediately before the relevant transaction shall be deemed to accrue at the time of that transaction.
- (13) If^{F357} ... the sum of money referred to in subsection (12)(b) above is small, as compared with the market value of the old asset immediately before the relevant transaction,^{F357} ... subsection (12) above shall not apply.
- (14) In a case where subsection (12) above applies, the chargeable gain which, apart from that subsection, would by virtue of subsection (10)(b) above be deemed to accrue on a subsequent disposal of the whole or part of the new asset shall be reduced or, as the case may be, extinguished by deducting therefrom the amount of the chargeable gain which, by virtue of subsection (12) above, is deemed to accrue at the time of the relevant transaction.
- (15) In any case where—
- (a) the new asset mentioned in subsections (10) and (11) above is a qualifying corporate bond in respect of which an allowable loss is treated as accruing under section 254(2), and
 - (b) the loss is treated as accruing at a time falling after the relevant transaction but before any actual disposal of the new asset subsequent to the relevant transaction,
- then for the purposes of subsections (10) and (11) above a subsequent disposal of the new asset shall be treated as occurring at (and only at) the time the loss is treated as accruing.
- ^{F358}(16) This section has effect for the purposes of corporation tax notwithstanding anything in section 80(5) of the Finance Act 1996 (matters to be brought into account in the case of loan relationships only under Chapter II of Part IV of that Act).]

[^{F359}(A1) For the purposes of corporation tax “qualifying corporate bond” means ^{F360}... any asset representing a loan relationship of a company; and for purposes other than those of corporation tax references to a qualifying corporate bond shall be construed in accordance with the following provisions of this section.]

- (1) For the purposes of this section, a “corporate bond” is a security, as defined in section 132(3)(b)—

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the debt on which represents and has at all times represented a normal commercial loan; and
 - (b) which is expressed in sterling and in respect of which no provision is made for conversion into, or redemption in, a currency other than sterling,
- and in paragraph (a) above “normal commercial loan” has the meaning which would be given by sub-paragraph (5) of paragraph 1 of Schedule 18 to the Taxes Act if for paragraph (a)(i) to (iii) of that sub-paragraph there were substituted the words “corporate bonds (within the meaning of section 117 of the 1992 Act)”.

(2) For the purposes of subsection (1)(b) above—

- (a) a security shall not be regarded as expressed in sterling if the amount of sterling falls to be determined by reference to the value at any time of any other currency or asset; and
- (b) a provision for redemption in a currency other than sterling but at the rate of exchange prevailing at redemption shall be disregarded.

^{F361}(2AA) For the purposes of this section “corporate bond” also includes any asset which is not included in the definition in subsection (1) above and which is a ^{F362}deeply discounted security for the purposes of Chapter 8 of Part 4 of ITTOIA 2005 (see section 430).]

^{F363}(2A)

^{F364}(3)

(4) For the purposes of this section “corporate bond” also includes a share in a building society—

- (b) which is expressed in sterling, and
- (c) in respect of which no provision is made for conversion into, or redemption in, a currency other than sterling.

(5) For the purposes of subsection (4) above, a share in a building society is a qualifying share if—

- (b) it is of a description specified in regulations made by the Treasury for the purposes of this paragraph.

(6) Subsection (2) above applies for the purposes of subsection (4) above as it applies for the purposes of subsection (1)(b) above, treating the reference to a security as a reference to a share.

^{F365}[(6A) For the purposes of this section “corporate bond” also includes, except in relation to a person who acquires it on or after a disposal in relation to which section 115 has or has had effect in accordance with section 116(10)(c), any debenture issued on or after 16th March 1993 which is not a security (as defined in section 132) but—

- (a) is issued in circumstances such that it would fall by virtue of section 251(6) to be treated for the purposes of section 251 as such a security; and
- (b) would be a corporate bond if it were a security as so defined.]

^{F366}(6B) An excluded indexed security issued on or after 6th April 1996 is not a corporate bond for the purposes of this section; and an excluded indexed security issued before that date shall be taken to be such a bond for the purposes of this section only if—

- (a) it would be so taken apart from this subsection; and

 - (b) becomes a “qualifying” corporate bond if, having been issued on or before that date, it is acquired by any person after that date and that acquisition is not as a result of a disposal which is excluded for the purposes of this subsection, or which was excluded for the purposes of section 64(4) of the ^{M24}Finance Act 1984.
- (8) Where a person disposes of a corporate bond which was issued on or before 13th March 1984 and, before the disposal, the bond had not become a qualifying corporate bond, the disposal is excluded for the purposes of subsection (7) above if, by virtue of any enactment—
- (a) the disposal is treated for the purposes of this Act as one on which neither a gain nor a loss accrues to the person making the disposal; or

- and in paragraph (b) above “the Prudential Sourcebook (Building Societies)” means the Interim Prudential Sourcebook for Building Societies made by the Financial Services Authority under the Financial Services and Markets Act 2000].
- (12) The Treasury may by regulations provide that for the definition of the expression “permanent interest bearing share” in subsection (11) above (as it has effect for the time being) there shall be substituted a different definition of that expression, and regulations under this subsection or subsection (5)(b) above may contain such supplementary, incidental, consequential or transitional provision as the Treasury thinks fit.

- (a) any scheme of reconstruction ^{F420} ... involves the transfer of the whole or part of a company’s business to another company, and
 - [^{F421}(b) the conditions in subsection (1A) below are met in relation to the assets included in the transfer, and]

- (c) the first-mentioned company receives no part of the consideration for the transfer (otherwise than by the other company taking over the whole or part of the liabilities of the business),

then, so far as relates to corporation tax on chargeable gains, the 2 companies shall be treated as if any assets included in the transfer were acquired by the one company from the other company for a consideration of such amount as would secure that on the disposal by way of transfer neither a gain nor a loss would accrue to the company making the disposal, and for the purposes of Schedule 2 the acquiring company shall be treated as if the respective acquisitions of the assets by the other company had been the acquiring company's acquisition of them.

[^{F422}(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that the company acquiring the assets is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets in relation to that company immediately after that time, and
- (b) that the company from which the assets are acquired is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets in relation to that company immediately before that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F423}10B] form part of its chargeable profits for corporation tax purposes.]

- (2) This section does not apply in relation to an asset which, until the transfer, formed part of trading stock of a trade carried on by the company making the disposal, or in relation to an asset which is acquired as trading stock for the purposes of a trade carried on by the company acquiring the asset.

Section 170(1) applies for the purposes of this subsection.

[^{F424}(3)]

- (4) This section does not apply in the case of a transfer of the whole or part of a company's business to a unit trust scheme to which section 100(2) applies or which is an authorised unit trust or to an investment trust [^{F425}or a venture capital trust].
- (5) This section does not apply unless the reconstruction ^{F426}... is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax; but the foregoing provisions of this subsection shall not affect the operation of this section in any case where, before the transfer, the Board have, on the application of the acquiring company, notified the company that the Board are satisfied that the reconstruction ^{F426}... will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as aforesaid.

Subsections (2) to (5) of section 138 shall have effect in relation to this subsection as they have effect in relation to subsection (1) of that section.

- (6) Where, if the company making the disposal had not been wound up, tax could have been assessed on it by virtue of subsection (5) above, that tax may be assessed and charged (in the name of the company making the disposal) on the company to which the disposal is made.

- (7) If any tax assessed on a company (“the chargeable company”) by virtue of subsection (5) or (6) above is not paid within 6 months from the date when it is payable, any other person who—
- (a) holds all or any part of the assets in respect of which the tax is charged; and
 - (b) either is the company to which the disposal was made or has acquired the assets without there having been any subsequent disposal not falling within this section or section 171,
- may, within 2 years from the time when the tax became payable, be assessed and charged (in the name of the chargeable company) to all or, as the case may be, a corresponding part of the unpaid tax; and a person paying any amount of tax under this section shall be entitled to recover a sum of that amount from the chargeable company.
- (8) With respect to chargeable gains accruing in chargeable periods ending after such day as the Treasury may by order appoint, in subsection (7) above—
- (a) for the words “when it is payable” there shall be substituted “ when it is due and payable or, if later, the date when the assessment is made on the company ”;

140 Postponement of charge on transfer of assets to non-resident company.

- (1) This section applies where a company resident in the United Kingdom carries on a trade outside the United Kingdom through a [^{F428}permanent establishment] and—
- (a) that trade, or part of it, together with the whole assets of the company used for the purposes of the trade or part (or together with the whole of those assets other than cash) is transferred to a company not resident in the United Kingdom;
 - (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
 - (c) the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and
 - (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the ^{M31}Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
- (a) if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;
 - (b) if the securities are not the whole of that consideration—
 - (i) paragraph (a) above shall apply to the appropriate proportion of that gain; and
 - (ii) the remainder shall be treated as accruing to the transferor company on the transfer.

In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor company disposes of the whole or part of the securities held by it immediately before that time, the consideration received by it on the disposal shall be treated as increased by the whole or the appropriate proportion

Status: Point in time view as at 30/12/2006.

of the deferred gain so far as not already taken into account under this subsection or subsection (5) below.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.

- (5) If at any time within 6 years after the transfer the transferee company disposes of the whole or part of the relevant assets held by it immediately before that time there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (4) above.

In this subsection “relevant assets” means assets the chargeable gains on which were taken into account in arriving at the deferred gain and “the appropriate proportion” means the proportion which the chargeable gain so taken into account in respect of the part of the relevant assets disposed of bears to the aggregate of the chargeable gains so taken into account in respect of the relevant assets held immediately before the time of the disposal.

- (6) There shall be disregarded—

- (a) for the purposes of subsection (4) above any disposal to which section 171 applies; and
- (b) for the purposes of subsection (5) above any disposal to which that section would apply [^{F429}:if subsections (1)(b) and (1A) of that section and section 170(9) were disregarded];

and where a person acquires securities or an asset on a disposal disregarded for the purposes of subsection (4) or (5) above (and without there having been a previous disposal not so disregarded) a disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, transferee company.

[^{F430}(6A) No claim may be made under this section as regards a transfer in relation to which a claim is made under section 140C.]

[^{F431}(6B) If, as part of the process of a merger forming an SE in circumstances in which section 140E applies, securities are transferred to the SE by a transferor company—

- (a) the transfer to the SE shall be disregarded for the purposes of subsection (4), and
- (b) the SE shall be treated as if it were the transferor company in relation to—
 - (i) any subsequent disposal of the securities, and
 - (ii) any subsequent disposal by the transferee company of assets to which subsection (5) applies.]

- (7) If in the case of any such transfer as was mentioned in section 268(1) of the ^{M32}Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section chargeable gains which by virtue of section 268(2) and 268A(8) of that Act were treated as not having accrued to the transferor company, subsection (4) above shall (without any claim in that behalf) apply to the aggregate of those gains as if references to the deferred gain were references to that aggregate and as if references to the transfer and the securities were references to the transfer and the shares, or shares and loan stock, mentioned in section 268(1).

- (7) The disposal that is deemed to take place by virtue of subsection (6) above shall be deemed for the purposes of section 151A to take place while the company is still a venture capital trust; but, for the purpose of applying sections 104, 105 and [F521 106A] to the shares that are deemed to be re-acquired, it shall be assumed that the re-acquisition for which that subsection provides takes place immediately after the company ceases to be such a trust.
- (8) For the purposes of this section—
- (a) shares are eligible for relief under section 151A(1) at any time when they are held by an individual whose disposal of the shares at that time would (on the assumption, where it is not the case, that the individual attained the age of eighteen years before that time) be a disposal to which section 151A(1) would apply; and
 - (b) shares shall not, in relation to any time, be treated as shares by reference to which relief has been given under Part I of Schedule 15B to the Taxes Act if that time falls after—

PART V

TRANSFER OF BUSINESS ASSETS

CHAPTER I

GENERAL PROVISIONS

Replacement of business assets

152 Roll-over relief.

(1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [^{F525}or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [^{F526}or amendments] may be made.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

[^{F527} 153A] Provisional application of sections 152 and 153.

- (1) This section applies where a person carrying on a trade who for a consideration disposes of, or of his interest in, any assets (“the old assets”) declares, in his return for the chargeable period in which the disposal takes place—
 - (a) that the whole or any specified part of the consideration will be applied in the acquisition of, or of an interest in, other assets (“the new assets”) which on the acquisition will be taken into use, and used only, for the purposes of the trade;
 - (b) that the acquisition will take place as mentioned in subsection (3) of section 152; and
 - (c) that the new assets will be within the classes listed in section 155.
- (2) Until the declaration ceases to have effect, section 152 or, as the case may be, section 153 shall apply as if the acquisition had taken place and the person had made a claim under that section.
- (3) The declaration shall cease to have effect as follows—
 - (a) if and to the extent that it is withdrawn before the relevant day, or is superseded before that day by a valid claim made under section 152 or 153, on the day on which it is so withdrawn or superseded; and
 - (b) if and to the extent that it is not so withdrawn or superseded, on the relevant day.
- (4) On the declaration ceasing to have effect in whole or in part, all necessary adjustments—
 - (a) shall be made by making or amending assessments or by repayment or discharge of tax; and
 - (b) shall be so made notwithstanding any limitation on the time within which assessments or amendments may be made.
- (5) In this section “the relevant day” means—
 - (a) in relation to capital gains tax, the third anniversary of the 31st January next following the year of assessment in which the disposal of, or of the interest in, the old assets took place;
 - (b) in relation to corporation tax, the fourth anniversary of the last day of the accounting period in which that disposal took place.

- (1) Sections 152, 153 and 229 shall have effect subject to the provisions of this section in which—

- (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and
- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.
- (2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—
- (a) the claimant disposes of asset No.2, or
- (b) he ceases to use asset No.2 for the purposes of a trade carried on by him, or
- (c) the expiration of a period of 10 years beginning with the acquisition of asset No.2,

- (3) Where section 229 has effect subject to the provisions of this section, subsection (2) (b) above shall have effect as if it read—
- “(b) section 232(3) applies as regards asset No.2 (whether or not by virtue of section 232(5)), or”.
- (4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—
- (a) the gain held-over from asset No.1 shall be carried forward to asset No.3, and
- (b) the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).
- (5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—
- (a) that the consideration for asset No.1 was applied in acquiring asset No.3, and
- (b) that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),

the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.

- (6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—
- (a) subsection (4) above applies to the first-mentioned part, and
 - (b) the other part remains subject to subsection (2) above.
- (7) For the purposes of this section, an asset is a depreciating asset at any time if—

162 Roll-over relief on transfer of business.

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as “the new assets”.

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate of the chargeable gains less allowable losses (“the amount of the gain on the old assets”).
- (3) For the purpose of computing any chargeable gain accruing on the disposal of any new asset—
- (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and
 - (b) the sums allowable as a deduction under section 38(1)(a) shall be reduced by the amount apportioned to the new asset under paragraph (a) above;

- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, it shall be the fraction—

$$\frac{A}{B}$$

of the amount of the gain on the old assets where—

“A” is the cost of the new assets, and

“B” is the value of the whole of the consideration received by the transferor in exchange for the business;

and for the purposes of this subsection “the cost of the new assets” means any sums which would be allowable as a deduction under section 38(1)(a) if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.

- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

- (2) An election under this section must be made by a notice given to an officer of the Board no later than the relevant date.
- (3) Except where subsection (4) below applies, the relevant date is the second anniversary of the 31st January next following the year of assessment in which the transfer of the business took place.
- (4) Where, by the end of the year of assessment following the one in which the transfer of the business took place, the transferor has disposed of all the new assets, the relevant date is the first anniversary of the 31st January next following the year of assessment in which the transfer of the business took place.
- (5) For the purposes of subsection (4) above—
 - (a) a disposal of any of the new assets by the transferor shall be disregarded if it falls within section 58(1) (transfers between [^{F544}spouses and civil partners]); but
 - (b) where a disposal of any assets to a person is disregarded by virtue of paragraph (a) above, a subsequent disposal by that person of any of those assets (other than a disposal to the transferor) shall be regarded as a disposal by the transferor.
- (6) All such adjustments shall be made, whether by way of discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to an election under this section.
- (7) Where, immediately before it was transferred, the business was owned by two or more persons—
 - (a) each of them has a separate entitlement to make an election under this section;
 - (b) an election made by a person by virtue of paragraph (a) above shall apply only to—
 - (i) the share of the amount of the gain on the old assets, and
 - (ii) the share of the new assets,
 that is attributable to that person for the purposes of this Act.

- (4) Where a claim for relief is made under this section in respect of a disposal—
- (a) the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, and

Transactions within groups

171 Transfers within a group: general provisions.

[^{F584}(1) Where—

- (a) a company (“company A”) disposes of an asset to another company (“company B”) at a time when both companies are members of the same group, and
- (b) the conditions in subsection (1A) below are met,

company A and company B are treated for the purposes of corporation tax on chargeable gains as if the asset were acquired by company B for a consideration of such amount as would secure that neither a gain nor a loss would accrue to company A on the disposal.

(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that company A is resident in the United Kingdom at the time of the disposal, or the asset is a chargeable asset in relation to that company immediately before that time, and
- (b) that company B is resident in the United Kingdom at the time of the disposal, or the asset is a chargeable asset in relation to that company immediately after that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F585}10B] form part of its chargeable profits for corporation tax purposes.]

(2) Subsection (1) above shall not apply where the disposal is—

- (a) a disposal of a debt due from [^{F586}company B] effected by satisfying the debt or part of it; or
- (b) a disposal of redeemable shares in a company on the occasion of their redemption; or

 and the reference in subsection (1) above to ^{F591}company A] disposing of an asset shall not apply to anything which under section 122 is to be treated as a disposal of an interest in shares in a company in consideration for a capital distribution (as defined in that section) from that company, whether or not involving a reduction of capital.
- (3) Subsection (1) above shall not apply to a transaction treated ^{F592}by section 127 as it applies by virtue of section 135] as not involving a disposal by ^{F593}company A].
- ^{F594}(3A) Subsection (1) above does not apply—
- (a) if section 91A of the Finance Act 1996 (shares subject to third party obligations)—

- (ii) does apply in the case of the asset in relation to company B immediately after its acquisition, or
- (b) if that section—
- (i) applies in the case of the asset in relation to company A immediately before the disposal, but
- (ii) does not apply in the case of the asset in relation to company B immediately after its acquisition.]
- (4) For the purposes of subsection (1) above, so far as the consideration for the disposal consists of money or money’s worth by way of compensation for any kind of damage or injury to assets, or for the destruction or dissipation of assets or for anything which depreciates or might depreciate an asset, the disposal shall be treated as being to the person who, whether as an insurer or otherwise, ultimately bears the burden of furnishing that consideration.
- ^{F595}(5) In subsection (2)(cd) above “qualifying friendly society” means a company which is a qualifying society for the purposes of section 461B of the Taxes Act (incorporated friendly societies entitled to exemption from income tax and corporation tax on certain profits).]
- ^{F596}(6) Subsection (1) above applies notwithstanding any provision in this Act fixing the amount of the consideration deemed to be received on a disposal or given on an acquisition.
- But where it is assumed for any purpose that a member of a group of companies has sold or acquired an asset, it shall be assumed also that it was not a sale or acquisition to which this section applies.]

[^{F597}171A] Notional transfers within a group.

- (1) This section applies where—
 - (a) two companies (“A” and “B”) are members of a group of companies; and
 - (b) A disposes of an asset to a person who is not a member of the group (“C”).
- (2) Subject to subsections (3) and (4) below, A and B may, by notice in writing to an officer of the Board, jointly elect that, for the purposes of corporation tax on chargeable gains—
 - (a) the asset, or any part of it, shall be deemed to have been transferred by A to B immediately before the disposal to C;
 - (b) section 171(1) shall be deemed to have applied to that transfer; ^{F598}...
 - (c) the disposal of the asset or part to C shall be deemed to have been made by B^{F599}; and
 - (d) any incidental costs to A of making the actual disposal to C shall be deemed to be incidental costs to B of making the deemed disposal to C].
- (3) No election may be made under subsection (2) above unless section 171(1) would have applied to an actual transfer of the asset or part from A to B.

[In a case where B—

- ^{F600}(3ZA)
 - (a) is not resident in the United Kingdom, but
 - (b) is carrying on a trade in the United Kingdom through a permanent establishment there,

the asset or part deemed to be transferred to B by A is to be treated for the purposes of subsections (2)(c) and (3) above as having been acquired by B for use by or for the purposes of the permanent establishment; but that shall not be taken to affect the question whether or not the asset or part is situated in the United Kingdom at any time.]

- [Section 440(3) of the Taxes Act does not cause subsection (3) above to prevent the ^{F601}(3A) making of an election in a case where B is an insurance company; and in such a case the asset or part deemed to be transferred to B by A, and by B to C, is to be treated for the purposes of subsections (2)(c) and (3) above as not being part of B’s long-term insurance fund.

“Insurance company” and “long-term insurance fund” have the same meaning as in Chapter 1 of Part 12 of the Taxes Act (see section 431(2) of that Act).]

- (4) An election under [^{F602}subsection (2) above] must be made [^{F603}on or before] the second anniversary of the end of the accounting period of A in which the disposal to C was made.
- (5) Any payment by A to B, or by B to A, in pursuance of an agreement between them in connection with the election—
 - (a) shall not be taken into account in computing profits or losses of either company for corporation tax purposes, and
 - (b) shall not for any purposes of the Corporation Tax Acts be regarded as a distribution ^{F604}... ,

[F623 (3) Section 154(2) applies where the company making the claim is a member of a group of companies—

- (a) as if all members of the group for the time being carrying on a trade to which this section applies were the same person, and
- (b) in accordance with subsection (1) above, as if all those trades were the same trade;

so that the gain accrues to the member of the group holding the asset concerned on the occurrence of the event mentioned in section 154(2).]

Losses attributable to depreciatory transactions

176 Depreciatory transactions within a group.

- (1) This section has effect as respects a disposal of shares in, or securities of, a company (“the ultimate disposal”) if the value of the shares or securities has been materially reduced by a depreciatory transaction effected on or after 31st March 1982; and for this purpose “depreciatory transaction” means—
- (a) any disposal of assets at other than market value by one member of a group of companies to another, or
 - (b) any other transaction satisfying the conditions of subsection (2) below,
- except that a transaction shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.
- (2) The conditions referred to in subsection (1)(b) above are—
- (a) that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - (b) that the parties to the transaction were or included 2 or more companies which at the time of the transaction were members of the same group of companies.
- (3) Without prejudice to the generality of subsection (1) above, the cancellation of any shares in or securities of one member of a group of companies under section 135 of the ^{M43}Companies Act 1985 shall, to the extent that immediately before the cancellation those shares or securities were the property of another member of the group, be taken to be a transaction fulfilling the conditions in subsection (2) above.
- (4) If the person making the ultimate disposal is, or has at any time been, a member of the group of companies referred to in subsection (1) or (2) above, any allowable loss accruing on the disposal shall be reduced to such extent as [^{F624}is] just and reasonable having regard to the depreciatory transaction, but if the person making the ultimate disposal is not a member of that group when he disposes of the shares or securities, no

reduction of the loss shall be made by reference to a depreciatory transaction which took place when that person was not a member of that group.

- (5) [^{F625}A reduction under subsection (4) above shall be made] on the footing that the allowable loss ought not to reflect any diminution in the value of the company's assets which was attributable to a depreciatory transaction, but allowance may be made for any other transaction on or after 31st March 1982 which has enhanced the value of the company's assets and depreciated the value of the assets of any other member of the group.
- (6) If, under subsection (4) above, a reduction is made in an allowable loss, any chargeable gain accruing on a disposal of the shares or securities of any other company which was a party to the depreciatory transaction by reference to which the reduction was made, being a disposal not later than 6 years after the depreciatory transaction, shall be reduced to such extent as [^{F626}is] just and reasonable having regard to the effect of the depreciatory transaction on the value of those shares or securities at the time of their disposal, but the total amount of any one or more reductions in chargeable gains made by reference to a depreciatory transaction shall not exceed the amount of the reductions in allowable losses made by reference to that depreciatory transaction.

All such adjustments, whether by way of discharge or repayment of tax, or otherwise, as are required to give effect to the provisions of this subsection may be made at any time.

- (7) For the purposes of this section—
- (a) “securities” includes any loan stock or similar security whether secured or unsecured,
 - (b) references to the disposal of assets include references to any method by which one company which is a member of a group appropriates the goodwill of another member of the group, ^{F627} ...

- (9) In any case where the ultimate disposal is not one to which section 35(2) applies, the references above to 31st March 1982 shall be read as references to 6th April 1965.

179 Company ceasing to be member of group: post-appointed day cases.

[^{F634}(1) This section applies where—

- (a) a company (“company A”) acquires an asset from another company (“company B”) at a time when company B is a member of a group,
- (b) the conditions in subsection (1A) below are met, and
- (c) company A ceases to be a member of that group within the period of six years after the time of the acquisition.

References in this section to a company ceasing to be a member of a group of companies do not apply to cases where a company ceases to be a member of a group in consequence of another member of the group ceasing to exist.

(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that company A is resident in the United Kingdom at the time it acquires the asset, or the asset is a chargeable asset in relation to that company immediately after that time, and
- (b) that company B is resident in the United Kingdom at the time of that acquisition, or the asset is a chargeable asset in relation to that company immediately before that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [F⁶³⁵10B] form part of its chargeable profits for corporation tax purposes.]

[F⁶³⁶(1B) Where, as part of the process of a merger to form an SE in circumstances in which section 140E applies, a company which is a member of a group (“Group 1”) ceases to exist and in consequence of that cessation—

- (a) assets are transferred to the SE, or
- (b) shares in one or more companies which were also members of the group are transferred to the SE,

a company which has ceased to exist, or the shares in which have been transferred to the SE, shall not be treated for the purposes of this section as having left Group 1.

(1C) If subsection (1B) applies in relation to a company then for the purposes of this section—

- (a) the SE and a company which has ceased to exist in consequence of the merger to form the SE shall be treated as the same entity, and
- (b) if the SE is a member of a group (“Group 2”) following its formation (whether or not as the principal company of the group) a company which was a member of Group 1 and became a member of Group 2 in consequence of the formation of the SE shall be treated, for the purposes of this section, as if Group 1 and Group 2 were the same.]

(2) Where 2 or more associated companies cease to be members of the group at the same time, subsection (1) above shall not have effect as respects an acquisition by one from another of those associated companies.

[F⁶³⁷(2A) Where—

- (a) a company [F⁶³⁸(“company A”)] that has ceased to be a member of a group of companies (“the first group”) acquired an asset from another company [F⁶³⁹(“company B”)] which was a member of that group at the time of the acquisition,
- (b) subsection (2) above applies in the case of [F⁶⁴⁰company A’s] ceasing to be a member of the first group so that subsection (1) above does not have effect as respects the acquisition of that asset,
- (c) [F⁶⁴¹company A] subsequently ceases to be a member of another group of companies (“the second group”), and
- (d) there is a connection between the two groups,

subsection (1) above shall have effect in relation to [F⁶⁴²company A’s] ceasing to be a member of the second group as if it had been the second group of which both companies had been members at the time of the acquisition.

(2B) For the purposes of subsection (2A) above there is a connection between the first group and the second group if, at the time when [F643 company A] ceases to be a member of the second group, the company which is the principal company of that group is under the control of—

- (a) the company which is the principal company of the first group or, if that group no longer exists, which was the principal company of that group when [F643 company A] ceased to be a member of it;
- (b) any [F644 person or persons who control the company mentioned in paragraph (a) above or who have had it under their] control at any time in the period since [F643 company A] ceased to be a member of the first group; or
- (c) any [F645 person or persons who have, at any time in that period, had under their] control either—
 - (i) a company which would have [F646 been a person falling] within paragraph (b) above if it had continued to exist, or
 - (ii) a company which would have [F646 been a person falling] within this paragraph (whether by reference to a company which would have [F646 been a person falling] within that paragraph or to a company or series of companies falling within this sub-paragraph).]

[F647(2C) This section shall not have effect as respects any asset if, before the time when [F643 company A] ceases to be a member of the group or, as the case may be, the second group, an event has already occurred by virtue of which the company falls by virtue of section 101A(3) to be treated as having sold and immediately reacquired the asset at the time specified in subsection (3) below.]

[F648(2D) This section shall not have effect as respects any asset if, before the time when [F643 company A] ceases to be a member of the group or, as the case may be, the second group, an event has already occurred by virtue of which the company falls by virtue of section 101C(3) to be treated as having sold and immediately reacquired the asset at the time specified in subsection (3) below.]

- (3) If, when [F643 company A] ceases to be a member of the group, [F643 company A], or an associated company also leaving the group, owns, otherwise than as trading stock—
- (a) the asset, or
 - (b) property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

then, subject to subsection (4) below, [F643 company A] shall be treated for all the purposes of this Act as if immediately after its acquisition of the asset it had sold, and immediately reacquired, the asset at market value at that time.

- (4) Any chargeable gain or allowable loss [F649 accruing] to [F650 company A] on the sale referred to in subsection (3) above shall be treated as accruing to [F650 company A][F651 at whichever is the later of the following, that is to say—
- (a) the time immediately after the beginning of the accounting period of that company in which or, as the case may be, at the end of which the company ceases to be a member of the group; and
 - (b) the time when under subsection (3) above it is treated as having reacquired the asset;

[F652 and sections 403A and 403B of the Taxes Act (limits on group relief) shall have effect accordingly as if the actual circumstances were as they are treated as having been].]

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(5) Where, apart from subsection (6) below, a company ceasing to be a member of a group by reason only of the fact that the principal company of the group becomes a member of another group would be treated by virtue of subsection (3) above as selling an asset at any time, subsections (6) to (8) below shall apply.

(6) The company in question shall not be treated as selling the asset at that time; but if—

- (a) within 6 years of that time the company in question ceases at any time (“the relevant time”) to satisfy the following conditions, and
- (b) at the relevant time, the company in question, or a company in the same group as that company, owns otherwise than as trading stock the asset or property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

the company in question shall be treated for all the purposes of this Act as if, immediately after its acquisition of the asset, it had sold and immediately reacquired the asset at the value that, at the time of acquisition, was its market value.

(7) Those conditions are—

- (a) that the company is a 75 per cent. subsidiary of one or more members of the other group referred to in subsection (5) above, and
- (b) that the company is an effective 51 per cent. subsidiary of one or more of those members.

(8) Any chargeable gain or allowable loss accruing to the company on that sale shall be treated as accruing at the relevant time.

(9) Where—

- (a) by virtue of this section a company is treated as having sold an asset at any time, and
- (b) if at that time the company had in fact sold the asset at market value at that time, then, by virtue of section 30, any allowable loss or chargeable gain accruing on the disposal would have been calculated as if the consideration for the disposal were increased by an amount,

subsections (3) and (6) above shall have effect as if the market value at that time had been that amount greater.

[^{F653}(9A) Section 416(2) to (6) of the Taxes Act (meaning of control) shall have effect for the purposes of subsection (2B) above as it has effect for the purposes of Part XI of that Act; but a person carrying on a business of banking shall not for the purposes of that subsection be regarded as having control of any company by reason only of having, or of the consequences of having exercised, any rights of that person in respect of loan capital or debt issued or incurred by the company for money lent by that person to the company in the ordinary course of that business.]

(10) For the purposes of this section—

- (a) 2 or more companies are associated companies if, by themselves, they would form a group of companies,
- (b) a chargeable gain is carried forward from an asset to other property on a replacement of business assets if, by one or more claims under sections 152 to 158, the chargeable gain accruing on a disposal of the asset is reduced, and as a result an amount falls to be deducted from the expenditure allowable in computing a gain accruing on the disposal of the other property,

- (c) an asset acquired by [^{F654}company A] shall be treated as the same as an asset owned at a later time by that company or an associated company if the value of the second asset is derived in whole or in part from the first asset, and in particular where the second asset is a freehold, and the first asset was a leasehold and the lessee has acquired the reversion.

^{F655}(11)

^{F655}(12)

- (13) Where under this section [^{F656}company A] is to be treated as having disposed of, and reacquired, an asset, all such recomputations of liability in respect of other disposals, and all such adjustments of tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of the provisions of this section shall be carried out.

184A Restrictions on buying losses: tax avoidance schemes

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if—
 - (a) at any time (“the relevant time”) there is a qualifying change of ownership in relation to a company (“the relevant company”) (see section 184C),
 - (b) a loss (a “qualifying loss”) accrues to the relevant company or any other company on a disposal of a pre-change asset (see subsection (3)),
 - (c) the change of ownership occurs directly or indirectly in consequence of, or otherwise in connection with, any arrangements the main purpose, or one of the main purposes, of which is to secure a tax advantage (see section 184D), and
 - (d) the advantage involves the deduction of a qualifying loss from any chargeable gains (whether or not it also involves anything else).
- (2) A qualifying loss accruing to a company is not to be deductible from chargeable gains accruing to the company unless the gains accrue to the company on a disposal of a pre-change asset.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In this section a “pre-change asset” means an asset which was held by the relevant company before the relevant time (but see also sections 184E and 184F).
- (4) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).
- (5) For the purposes of this section it does not matter—
 - (a) whether a qualifying loss accrues before, after or at the relevant time,
 - (b) whether a qualifying loss accrues at a time when there are no chargeable gains from which it could be deducted (or could otherwise have been deducted), or
 - (c) whether the tax advantage is secured for the company to which a qualifying loss accrues or for any other company.

184B Restrictions on buying gains: tax avoidance schemes

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if—
 - (a) at any time (“the relevant time”) there is a qualifying change of ownership in relation to a company (“the relevant company”) (see section 184C),
 - (b) a gain (a “qualifying gain”) accrues to the relevant company or any other company on a disposal of a pre-change asset (see subsection (3)),
 - (c) the change of ownership occurs directly or indirectly in consequence of, or otherwise in connection with, any arrangements the main purpose, or one of the main purposes, of which is to secure a tax advantage, and
 - (d) the advantage involves the deduction of a loss from a qualifying gain (whether or not it also involves anything else).
- (2) In the case of a qualifying gain accruing to a company, a loss accruing to the company is not to be deductible from the gain unless the loss accrues to the company on a disposal of a pre-change asset.
- (3) In this section a “pre-change asset” means an asset which was held by the relevant company before the relevant time (but see also sections 184E and 184F).
- (4) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).
- (5) For the purposes of this section it does not matter—
 - (a) whether a qualifying gain accrues before, after or at the relevant time,
 - (b) whether a qualifying gain accrues at a time when there are no losses which could be deducted (or could otherwise have been deducted) from the gain, or
 - (c) whether the tax advantage is secured for the company to which a qualifying gain accrues or for any other company.

184C Sections 184A and 184B: meaning of “qualifying change of ownership”

- (1) For the purposes of sections 184A and 184B, there is a qualifying change of ownership in relation to a company at any time if any one or more of the following occur at that time—
 - (a) the company joins a group of companies (see subsections (2) to (5)),
 - (b) the company ceases to be a member of a group of companies,
 - (c) the company becomes subject to different control (see subsections (6) to (9)).

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Whether a company is a member of a group of companies at any time is determined in accordance with section 170.
- (3) But, apart from in the excepted case, nothing in section 170(10) or (10A) is to prevent all the companies of one group from being regarded as joining another group when the principal company of the first group becomes a member of the other group at any time.
- (4) The excepted case is the case where—
 - (a) the persons owning the shares of the principal company of the first group immediately before that time are the same as the persons owning the shares of the principal company of the other group immediately after that time,
 - (b) the principal company of the other group was not the principal company of any group immediately before that time, and
 - (c) immediately after that time the principal company of the other group had assets consisting entirely (or almost entirely) of shares of the principal company of the first group.
- (5) For this purpose, references to shares of a company are to the shares comprised in the issued share capital of the company.
- (6) The general rule is that a company becomes subject to different control at any time if any one or more of the following occur—
 - (a) a person has control of the company at that time (whether alone or together with one or more others) and the person did not previously have control of the company,
 - (b) a person has control of the company at that time together with one or more others and the person previously had control of the company alone,
 - (c) a person ceases to have control of the company at that time (whether the person had control alone or together with one or more others).
- (7) The general rule is subject to the following exceptions.
- (8) A company does not become subject to different control in any case where it joins a group of companies and the case is the excepted case mentioned above.
- (9) A company (“the subsidiary”) does not become subject to different control at any time in any case where—
 - (a) immediately before that time the subsidiary is the 75 per cent. subsidiary of another company, and
 - (b) (although there is a change in the direct ownership of the subsidiary) that other company continues immediately after that time to own it as a 75 per cent. subsidiary.

184D Sections 184A and 184B: meaning of “tax advantage”

For the purposes of sections 184A and 184B, “tax advantage” means—

- (a) relief or increased relief from corporation tax,
- (b) repayment or increased repayment of corporation tax,
- (c) the avoidance or reduction of a charge to corporation tax or an assessment to corporation tax, or
- (d) the avoidance of a possible assessment to corporation tax.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. 184E Sections 184A and 184B: “pre-change assets”: basic rules

- (1) If—
- (a) a company other than the relevant company makes a disposal of an asset, and
 - (b) the asset has been disposed of at any time after the relevant time by a disposal to which section 171(1) does not apply (a “non-section 171(1) transfer”),
- the asset ceases to be regarded as a pre-change asset for the purposes of sections 184A and 184B (but see also subsections (10) and (11)).
- (2) But (without affecting the generality of the provision made by the following subsection) if, on a non-section 171(1) transfer,—
- (a) an asset would cease to be regarded as a pre-change asset as a result of subsection (1), and
 - (b) the company making the non-section 171(1) transfer retains any interest in or over the asset,
- that interest is to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (3) If—
- (a) the relevant company or any other company holds an asset (“the new asset”) at or after the relevant time,
 - (b) the value of the new asset derives in whole or in part from a pre-change asset, and
 - (c) the new asset is not acquired by the company concerned as a result of a non-section 171(1) transfer,
- the new asset is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (4) For this purpose the cases in which the value of an asset may be derived from any other asset include any case where—
- (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (5) If a pre-change asset is “the old asset” for the purposes of section 116 (reorganisations, conversions and reconstructions), “the new asset” for the purposes of that section is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (6) If a pre-change asset is the “original shares” for the purposes of sections 127 to 131 (reorganisation or reduction of share capital), the “new holding” for the purposes of those sections is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (7) The following subsection applies if, as a result of the application of a relevant deferral provision in the case of a disposal of a pre-change asset (“the original disposal”),—
- (a) a gain or loss that would otherwise accrue to a company does not so accrue, or
 - (b) any part of any such gain is treated as forming part of a single chargeable gain which does not accrue to the company on the original disposal,
- and a gain or loss does, wholly or partly in consequence of the application of that provision in the case of the original disposal, accrue to the company or any other company on a subsequent occasion.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) So much of the gain or loss accruing on the subsequent occasion as accrues in consequence of the application of the relevant deferral provision in the case of the original disposal is to be regarded for the purposes of sections 184A and 184B as accruing on a disposal of a pre-change asset (so far as it would not otherwise be so regarded).
- (9) A “relevant deferral provision” means any of the following—
- (a) section 139 (reconstruction involving transfer of business),
 - (b) section 140 (postponement of charge on transfer of assets to non-resident company),
 - (c) section 140A (transfer of a UK trade),
 - (d) section 140E (merger leaving assets within UK tax charge),
 - (e) sections 152 and 153 (replacement of business assets),
 - (f) section 187 (postponement of charge on deemed disposal under section 185).
- (10) If—
- (a) a pre-change asset of the relevant company is transferred to another company (“the transferee company”),
 - (b) any of sections 139, 140A and 140E apply to the companies in the case of the asset, and
 - (c) the transfer of the asset is made directly or indirectly in consequence of, or otherwise in connection with, the arrangements mentioned in section 184A or 184B,
- the asset is to be regarded as a “pre-change asset” in the hands of the transferee company for the purposes of sections 184A and 184B.
- (11) In such a case, subsection (1) applies as if the reference in paragraph (a) of that subsection to the relevant company were to the transferee company.

184F Sections 184A and 184B: “pre-change assets”: pooling rules

- (1) This section applies, in the case of any pre-change asset of the relevant company or any pre-change asset of any company which is acquired on a disposal to which section 171(1) applies, if—
- (a) the pre-change asset consists of a holding of securities which falls as a result of any provision of Chapter 1 of Part 4 to be regarded as a single asset (“the pre-change pooled asset”), and
 - (b) as a result of any disposal or acquisition at any time after the relevant time, any securities (“the other securities”) would (but for this section) be regarded as forming part of the pre-change pooled asset.
- (2) None of the other securities are to be regarded for the purposes of this Act as forming part of the pre-change pooled asset.
- (3) But this does not prevent the other securities from being regarded, as a result of any provision of that Chapter, as forming part of or constituting a different, single asset (“the other pooled asset”).
- (4) Securities of the same class as the other securities which are disposed of at or after the relevant time—
- (a) are to be identified first with the other securities or securities forming part of the other pooled asset,

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) are to be identified next with securities forming part of the pre-change pooled asset (if the number of securities disposed of exceeds the number identified in accordance with paragraph (a)), and
 - (c) subject to paragraphs (a) and (b), are to be identified in accordance with the provisions applicable apart from those paragraphs.
- (5) The above identification rules apply even if some or all of the securities disposed of are otherwise identified—
- (a) by the disposal, or
 - (b) by a transfer or delivery giving effect to it;
- but where a company disposes of securities in one capacity, they are not to be identified with securities which it holds, or can dispose of, only in some other capacity.
- (6) Chapter 1 of Part 4 has effect subject to this section.
- (7) In this section—
- “pre-change asset” means an asset which is pre-change asset for the purposes of section 184A or 184B,
 - “securities” does not include relevant securities as defined in section 108 but, subject to that, means—
 - (a) shares or securities of a company, and
 - (b) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired.
- (8) For the purposes of this section, shares or securities of a company are not to be treated as being of the same class unless—
- (a) they are so treated by the practice of a recognised stock exchange, or
 - (b) they would be so treated if dealt with on a recognised stock exchange.]

[^{F667}184C] **Avoidance involving losses: schemes converting income to capital**

- (1) This section applies for the purposes of corporation tax in respect of chargeable gains if conditions A to D are satisfied.

 - (b) losses accrue (or have accrued) to the relevant company on any other disposal of any asset (whether before or after or as part of the arrangements).
- (4) Condition C is that, but for the arrangements, an amount would have fallen to be taken into account wholly or partly instead of the receipt in calculating the income chargeable to corporation tax—
- (a) of the relevant company, or
 - (b) of a company which, at any qualifying time, is a member of the same group as the relevant company.

Status: Point in time view as at 30/12/2006.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 12 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Condition D is that—
- (a) the main purpose of the arrangements, or
 - (b) one of the main purposes of the arrangements,
- is to secure a tax advantage that involves the deduction of any of the losses from the relevant gain (whether or not it also involves anything else).
- (6) If the Board consider, on reasonable grounds, that conditions A to D are or may be satisfied, they may give the relevant company a notice in respect of the arrangements (but see also section 184I).
- (7) If, when the notice is given, conditions A to D are satisfied, no loss accruing to the relevant company at any time is to be deductible from the relevant gain.

 - “tax advantage” has the meaning given by section 184D.

[^{F727}211ZA] Transfers of business: transfer of unused losses

- (1) This section applies where—
 - (a) an insurance business transfer scheme has effect to transfer business consisting of or including basic life assurance and general annuity business from one person (“the transferor”) to another (“the transferee”) or more than one others (“the transferees”), and
 - (b) the transferor has relevant unused losses.
- (2) For the purposes of subsection (1)(b) above the transferor has relevant unused losses if—
 - (a) BLAGAB allowable losses accrue to the transferor in the accounting period ending with the day of the transfer or have so accrued in any earlier accounting period, and
 - (b) they are not deducted from chargeable gains accruing to the transferor in that accounting period and have not been deducted from chargeable gains so accruing in any previous accounting period.
- (3) Subject as follows—
 - (a) for the purposes of ascertaining the transferor’s total profits for any accounting period after that in which the transfer takes place, the relevant unused losses are deemed not to have accrued to the transferor, but
 - (b) (instead) they are treated as accruing to the transferee (in accordance with subsection (4) below).
- (4) The losses treated as accruing to the transferee under subsection (3)(b) above shall be deemed to be BLAGAB allowable losses accruing to the transferee in the accounting period of the transferee in which the transfer takes place.
- (5) But those losses are not allowable as a deduction from chargeable gains accruing before the transfer takes place.
- (6) For the purposes of section 210A (ring-fencing of losses), the shareholders' share of those losses is to be taken to be the same proportion as would be the shareholders' share of them if they had remained losses of the transferor.
- (7) If only part of the transferor’s basic life assurance and general annuity business is transferred, subsection (3) above applies as if the references to the relevant unused losses were to such part of the relevant unused losses as is appropriate.
- (8) If the transfer is to more than one others, subsection (3)(b) above applies as if the reference to the relevant unused losses being treated as accruing to the transferee were to such part of the relevant unused losses as is appropriate being treated as accruing to each of the transferees.
- (9) Any question arising as to the operation of subsection (7) or (8) above shall be determined by the Special Commissioners who shall determine the question in the same manner as they determine appeals; but both the transferor and the transferee (or the one of the transferees concerned) shall be entitled to appear and be heard or to make representations in writing.
- (10) In this section “BLAGAB allowable losses” means allowable losses referable [^{F728}(in accordance with section 432A of the Taxes Act)] to the transferor’s basic life assurance and general annuity business.]

213 Spreading of gains and losses under section 212.

- (1) Any chargeable gains or allowable losses which would otherwise accrue on disposals deemed by virtue of section 212 to have been made at the end of a company's accounting period shall be treated as not accruing to it, but instead—
- there shall be ascertained the difference (“the net amount”) between the aggregate of those gains and the aggregate of those losses, and
 - one-seventh of the net amount shall be treated as a chargeable gain or, where it represents an excess of losses over gains, as an allowable loss accruing to the company at the end of the accounting period, and
 - a further one-seventh shall be treated as a chargeable gain or, as the case may be, as an allowable loss accruing at the end of each succeeding accounting period until the whole amount has been accounted for.

[^{F745}(1A) Subsection (1) above shall not apply to chargeable gains or allowable losses except so far as they are gains or losses which—

- are referable [^{F746}(in accordance with section 432A of the Taxes Act)] to basic life assurance and general annuity business; or
- would (apart from that subsection) be taken into account in computing the profits of any business treated as a separate business under section 458 of the Taxes Act;

and that subsection shall apply separately in relation to the gains and losses falling within paragraph (a) above and those falling within paragraph (b) above for the purpose of determining what chargeable gains or allowable losses so referable are to be treated as accruing under that subsection and what chargeable gains or allowable losses to be so taken into account are to be treated as so accruing.]

- (2) For any accounting period of less than one year, the fraction of one-seventh referred to in subsection (1)(c) above shall be proportionately reduced; and where this subsection has had effect in relation to any accounting period before the last for which subsection (1)(c) above applies, the fraction treated as accruing at the end of that last accounting period shall also be adjusted appropriately.
- (3) [^{F747}Subject to [^{F748}subsection (8H)] below,] Where—
- the net amount for an accounting period of an insurance company represents an excess of gains over losses,

- (b) the net amount for [^{F749}either of the next 2] accounting periods (after taking account of any reductions made by virtue of this [^{F750}section]) represents an excess of losses over gains,
- (c) there is (after taking account of any such reductions) no net amount for [^{F751}the intervening accounting period (if there is one)],
- [^{F752}(ca) [^{F753}the intervening accounting period (if there is one) is not] an accounting period in which the company joined a group of companies, and]
- (d) within 2 years after the end of the later accounting period the company makes a claim for the purpose in respect of the whole or part of the net amount for that period,

the net amounts for both the earlier and the later period shall be reduced by the amount in respect of which the claim is made.

^{F754}(3A)

^{F755}(3B)

- (4) Subject to subsection (5) below, where a company ceases to carry on [^{F756}long-term] business before the end of the last of the accounting periods for which subsection (1) (c) above would apply in relation to a net amount, the fraction of that amount that is treated as accruing at the end of the accounting period ending with the cessation shall be such as to secure that the whole of the net amount has been accounted for.
- [^{F757}(4A) The following provisions apply where an insurance business transfer scheme has effect to transfer business which consists of the effecting or carrying out of contracts of long-term insurance from one person (“the transferor”) to another (“the transferee”).
- (5) Subject to subsections (5A) to (7) below, any chargeable gain or allowable loss which (assuming that the transferor had continued to carry on the business transferred) would have accrued to the transferor by virtue of subsection (1) above after the transfer shall instead be deemed to accrue to the transferee.]
- [^{F758}(5A) Subsection (5) above shall not apply where the transferee is resident outside the United Kingdom unless the business to which the transfer relates is carried on by the transferee, for a period beginning with the time when the transfer takes effect, through a [^{F759}permanent establishment] in the United Kingdom.]
- (6) Where subsection (5) above has effect, the amount of the gain or loss accruing at the end of the first accounting period of the transferee ending after the day when the transfer takes place shall be calculated as if that accounting period began with the day after the transfer.
- (7) Where the transfer is of part only of the transferor’s [^{F760}long-term] business, subsection (5) above shall apply only to such part of any amount to which it would otherwise apply as is appropriate.
- (8) Any question arising as to the operation of subsection (7) above shall be determined by the Special Commissioners who shall determine the question in the same manner as they determine appeals; but both the transferor and transferee shall be entitled to appear and be heard or to make representations in writing.

 - (d) the net amount for the accounting period of the transferee in which the transfer takes place, or for the immediately following accounting period of the transferee, (“the relevant post-transfer period of the transferee”) represents an excess of losses over gains (after taking account of any reductions made by virtue of this section), and
 - (e) within 2 years after the end of the relevant post-transfer period of the transferee, the transferor and the transferee make a joint election in respect of the whole or part of the net amount for that period by notice to an officer of the Board.
- (8B) Subject to subsections (8C) to (8E) and (8H) below, the net amounts for both the relevant pre-transfer period of the transferor and the relevant post-transfer period of the transferee shall be reduced by the amount in respect of which the election is made.
- (8C) Subsection (8B) above does not apply if—

 - (b) the company whose accounting period it is did not join a group of companies in the accounting period.

paragraphs 54 to 60 of Schedule 18 to the Finance Act 1998 (claims and elections for corporation tax purposes) do not apply to such an election.

(8H) Subsections (3) and (8A) and (8B) above have effect where the company, or the transferee, in question joins a group of companies in the accounting period for which the net amount represents an excess of losses over gains as if a claim or election could not be made in respect of that net amount except to the extent (if any) [^{F762}that the net amount would still arise even if losses accruing after the date on which the company or transferee joined the group of companies were disregarded].

- (b) “linked section 212 assets” means section 212 assets which are linked assets;
- (c) “relevant linked liabilities”, in relation to a company, means such of the liabilities of its basic life assurance and general annuity business as are liabilities in respect of benefits under pre-commencement policies or contracts, being benefits to be determined by reference to the value of linked assets;
- (d) “pre-commencement policies or contracts” means—
- (i) policies issued in respect of insurances made before 1st April 1990, and
- (ii) annuity contracts made before that date, but excluding policies or annuity contracts varied on or after that date so as to increase the benefits secured or to extend the term of the insurance or annuity (any exercise of rights conferred by a policy or annuity contract being regarded for this purpose as a variation);
- (e) “basic life assurance and general annuity business” means life assurance business, other than pension business and overseas life assurance business.

(2) The assets which are to be regarded for the purposes of this section as linked solely to an insurance company’s basic life assurance and general annuity business at any time before the first accounting period of the company which begins on or after 1st January 1992 are all the assets which at that time—

- (a) are or were linked solely to the company’s basic life assurance business or general annuity business, or

- (b) although not falling within paragraph (a) above, would be, or would have been, regarded as linked solely to the company's basic life assurance business, were its general annuity business treated as forming, or having at all times formed, part of its basic life assurance business and as not being a separate category of business.

F766(3)

F766(4)

F766(5)

- (6) Subject to subsection (7) below, subsection (9) below applies where—
- (a) after the end of 1989 [^{F767}and before the time when it is first deemed under section 212 to have made a disposal of any assets] an insurance company exchanges section 212 assets (“the old assets”) for other assets (“the new assets”) to be held as assets of the long term business fund,
 - (b) the new assets are not section 212 assets but are assets on the disposal of which any gains accruing would be chargeable gains,
 - (c) both the old assets and the new assets are linked solely to basic life assurance and general annuity business, or both are neither linked solely to basic life assurance and general annuity business or pension business nor assets of the overseas life assurance fund, and
 - (d) the company makes a claim for the purpose within 2 years after the end of the accounting period in which the exchange occurs.
- (7) Subsection (6) above shall have effect in relation to old assets only to the extent that their amount, when added to the amount of any assets to which subsection (9) below has already applied and which are assets of the same class, does not exceed the aggregate of—
- (a) the amount of the assets of the same class included in the long term business fund at the beginning of 1990, other than assets linked solely to pension business and assets of the overseas life assurance fund, and
 - (b) 110 per cent. of the amount of the assets of that class which represents any subsequent increases in the company's relevant linked liabilities in respect of benefits to be determined by reference to the value of assets of that class.
- (8) The reference in subsection (7)(b) above to a subsequent increase in liabilities is a reference to any amount by which the liabilities at the end of an accounting period ending after 31st December 1989 exceed those at the beginning of the period (or at the end of 1989 if that is later); and for the purposes of that provision the amount of assets which represents an increase in liabilities is the excess of—
- (a) the amount of assets whose value at the later time is equivalent to the liabilities at that time, over
 - (b) the amount of assets whose value at the earlier time is equivalent to the liabilities at that time.
- (9) Where this subsection applies, the insurance company (but not any other party to the exchange) shall be treated for the purposes of corporation tax on capital gains as if the exchange had not involved a disposal of the old assets or an acquisition of the new, but as if the old and the new assets were the same assets acquired as the old assets were acquired.

- (11) Where at any time after the end of 1989 there is a transfer of long term business of an insurance company (“the transferor”) to another company (“the transferee”) in accordance with a scheme sanctioned by a court under [F768Part I of Schedule 2C to the Insurance Companies Act 1982]—
- (a) if the transfer is of the whole of the long term business of the transferor, subsections (1) to (10) above shall have effect in relation to the assets of the transferee as if that business had at all material times been carried on by him;

- and any question arising as to the operation of paragraph (b) above shall be determined by the Special Commissioners who shall determine the question in the same manner as they determine appeals; but both the transferor and the transferee shall be entitled to appear and be heard or to make representations in writing.

(4) The person making a disposal to which subsection (3) above applies and the person acquiring the asset on the disposal shall be treated for all the purposes of this Act as if the asset was acquired from the one making the disposal for a consideration of such an amount as would secure that on the disposal neither a gain nor a loss would accrue to the one making the disposal.

- (5) In this Act “market value” in relation to any rights of unit holders in any unit trust scheme the buying and selling prices of which are published regularly by the managers of the scheme shall mean an amount equal to the buying price (that is the lower price) so published on the relevant date, or if none were published on that date, on the latest date before.

- (4) If the right to which this section applies was acquired by the taxpayer as the whole or part of the consideration for two or more original disposals (including cases where there are two or more original assets (the “original assets”))—
- (a) any reference in subsection (3) above to the original disposal is a reference to any of the original disposals,
 - (b) any reference in that subsection to the original asset is a reference to the asset which is the original asset in relation to that original disposal, and
 - (c) any reference in that subsection to the year of the original disposal shall be construed accordingly.
- (5) Condition 2 for making an election in relation to the relevant loss is that there is a year (an “eligible year”)—

- (7) For the purposes of subsection (5)(c) above, a year is one for which, immediately before an election, there remains a relevant amount on which capital gains tax is chargeable if, immediately before the making of that election, there remains an amount in respect of which the taxpayer is chargeable to capital gains tax for the year—

 - (b) after excluding any amounts that fall to be brought into account for that year under section 2(4)(b) by virtue of section 2(5)(b), and
 - (c) on the assumption that no part of the relevant loss (or of any other loss in respect of which an election under this section may be, but has not been, made) falls to be deducted in consequence of an election under this section from the chargeable gains accruing to the taxpayer in that year.

279C Effect of election under section 279A

- (1) This section applies where an election is made under section 279A by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.
- (2) Where this section applies, the relevant loss shall be treated for the purposes of capital gains tax as if it were a loss accruing to the taxpayer in the earliest year which is an eligible year (the “first eligible year”), instead of in the year of the loss (but subject to, and in accordance with, the following provisions of this section).
- (3) The amount of the relevant loss that falls to be deducted from chargeable gains of the first eligible year in accordance with section 2(2)(a) is limited to the amount (the “first year limit”) found by taking the following steps—

Step 1: take the total amount of chargeable gains accruing to the taxpayer in the first eligible year,

Step 2: exclude from that amount any amounts that fall to be disregarded in accordance with section 2(4)(a) for that year,

Step 3: deduct from the amount remaining any amounts in respect of allowable losses (other than the relevant loss or any part of it) that fall to be deducted from that amount in accordance with section 2(2) otherwise than by virtue of section 2(5)(aa)(i) (taking account of any previous elections under section 279A).

The amount so found is the first year limit, unless the first eligible year is a year in relation to which section 2(5)(aa) has effect, in which case the further steps in subsection (4) below must also be taken.

- (4) Those further steps are—

Step 4: add to the amount found by taking steps 1 to 3 in subsection (3) above every amount which is treated by virtue of section 77 or 86 as an amount of chargeable gains accruing to the taxpayer for the first eligible year (the “attributed amounts”),

Step 5: deduct from the resulting amount any amounts (other than the relevant loss or any part of it) that fall to be deducted from the attributed amounts in accordance with section 2(5)(aa)(i) (taking account of any previous elections under section 279A).

The amount so found is the first year limit in a case where section 2(5)(aa) applies in relation to the first eligible year.

- (5) As respects any later year before the year of the loss, the relevant loss (so far as not previously allowed as a deduction from chargeable gains accruing in any previous year) falls to be deducted in accordance with section 2(2)(b) only if that later year is an eligible year.
- (6) The amount of the relevant loss that falls to be deducted from chargeable gains of that later eligible year in accordance with section 2(2)(b) is limited to the amount (the “later year limit”) in respect of which the taxpayer would be chargeable to capital gains tax for that later year—
 - (a) on the assumption in subsection (7) below,
 - (b) taking account of any previous elections under section 279A, and
 - (c) apart from the provisions specified in subsection (8) below.

Status: Point in time view as at 30/12/2006.

- (7) The assumption is that no part of—
- (a) the relevant loss, or
 - (b) any loss in respect of which an election under section 279A may be, but has not been, made,

falls to be deducted, in consequence of an election under section 279A, from any chargeable gains accruing to the taxpayer in that later eligible year.

The assumption falls to be made immediately after the making of the election in respect of the relevant loss.

- (8) The provisions are—
- (a) section 2(5)(a)(ii) (taper relief),
 - (b) section 2(5)(aa)(ii) (taper relief),
 - (c) section 2(5)(b) (addition of certain amounts treated as amounts of chargeable gains), and
 - (d) section 2A (taper relief),

except that paragraphs (b) and (d) above are not to affect the operation of section 2(7) for the purposes of subsection (6) above.

- (9) All such adjustments shall be made, whether by discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to the election under section 279A made by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.
- (10) Any reference in this section or section 279D to deduction in accordance with section 2(2)(a), section 2(2)(b) or section 2(2) includes a reference to such deduction by virtue of section 2(5)(a)(i) or (aa)(i).

^{F985}284A Concessions that defer a charge.

- (1) This section applies where—
- (a) a person (“the original taxpayer”) has at any time obtained for any chargeable period (“the first chargeable period”) the benefit of any capital gains relief to which he had no statutory entitlement;
 - (b) the benefit of the relief was obtained in reliance on any concession;
 - (c) the concession was first published by the Board before 9th March 1999 or (having been published on or after that date) replaced a concession satisfying the requirements of this paragraph with a concession to the same or substantially the same effect; and
 - (d) the concession involved the application (with or without modifications), to a case to which they would not otherwise have applied, of the provisions of any enactment (“the relevant statutory provisions”).
- (2) This section applies only if, at the time when the original taxpayer obtained the benefit of the relief, the concession was one available generally to any person falling within its terms.
- (3) If the benefit obtained for the first chargeable period by the original taxpayer is repudiated for any later chargeable period (whether by the original taxpayer or by

another person), the enactments relating to the taxation of chargeable gains shall have effect as if a chargeable gain equal to the amount of that benefit accrued in the later chargeable period to the person repudiating the benefit.

- (4) For the purposes of this section—
- (a) a capital gains relief for any chargeable period is a relief (of whatever description) the effect of which is that the amount of the chargeable gains taken to have accrued to that person in that period is less than it otherwise would have been; and
 - (b) the amount of the benefit of any such relief is the amount by which, as a consequence of that relief, those gains are less than they otherwise would have been.
- (5) Where, without applying a specific enactment, any concession has the effect that—
- (a) any asset is treated as the same as another asset and as acquired as the other asset was acquired,
 - (b) any two or more assets are treated as a single asset, or
 - (c) any disposal is treated as having been a disposal on which neither a gain nor a loss accrued,
- that concession shall be assumed for the purposes of this section to have involved the application, to a case to which it would not otherwise have applied, of the provisions of an enactment to the corresponding effect.
- (6) For the purposes of this section the benefit of any relief obtained by the original taxpayer for the first chargeable period is repudiated by a person for a later chargeable period if—
- (a) circumstances arise such that, had the equivalent circumstances arisen in the case of the corresponding relief under the relevant statutory provisions, the whole or a part of the benefit of that relief would have fallen to be recouped from that person in the later chargeable period;
 - (b) apart from this section, the recoupment in the actual circumstances of the whole or a part of the benefit obtained by the original taxpayer is prevented by the fact that the original taxpayer relied on a concession (rather than on the relevant statutory provisions) to obtain that benefit; and
 - (c) the person from whom, in the equivalent circumstances, the amount of the benefit or any part of it would have fallen to be recouped is not precluded by subsection (8) below from relying on that fact in relation to that amount or part.
- (7) For the purposes of this section an amount of the benefit of a capital gains relief is recouped from any person in a chargeable period to the extent that an amount is so brought into account in his case for that period as to secure that—
- (a) the amount of his chargeable gains for that period is taken to be more than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit; or
 - (b) the amount of his allowable losses for that period is taken to be less than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit.
- (8) Where—

- (a) any such circumstances as are mentioned in subsection (6)(a) above have arisen in relation to the relief the benefit of which has been obtained by the original taxpayer,
- (b) the person from whom, in the equivalent circumstances, the whole or any part of the amount of the benefit would have fallen to be recouped has accepted that, in the actual circumstances, the whole or a part of the benefit obtained by the original taxpayer may be recouped from him, and
