^{F82}10A Temporary non-residents. **U.K.**

- (1) This section applies if an individual (“the taxpayer”) is temporarily non-resident.
- (2) The taxpayer is chargeable to capital gains tax as if gains and losses within subsection (3) were chargeable gains or, as the case may be, losses accruing to the taxpayer in the period of return.
- (3) The gains and losses within this subsection are—
 - (a) chargeable gains and losses that accrued to the taxpayer in the temporary period of non-residence,
 - (b) chargeable gains that would be treated under section 13 as having accrued to the taxpayer in that period if the residence assumption were made,
 - (c) losses that would be allowable in the taxpayer's case under section 13(8) in that period if that assumption were made, and
 - (d) chargeable gains that would be treated under section 86 as having accrued to the taxpayer in a tax year falling wholly in that period if the taxpayer had been resident in the United Kingdom for that year.
- (4) The residence assumption is—
 - (a) that the taxpayer had been resident in the United Kingdom for the tax year in which the gain or loss accrued to the company, or
 - (b) if that tax year was a split year as respects the taxpayer, that the gain or loss had accrued to the company in the UK part of it.
- (5) But—
 - (a) a gain is not within subsection (3) if, ignoring this section, the taxpayer is chargeable to capital gains tax in respect of it (and could not cease to be so chargeable by making a claim under section 6 of TIOPA 2010), and

- (b) a loss is not within subsection (3) if the test in paragraph (a) would be met if it were a gain.
- (6) Subsection (2) is subject to sections 10AA and 86A.
- (7) To determine the losses mentioned in subsection (3)(c)—
- (a) calculate separately, for each tax year falling wholly or partly in the temporary period of non-residence, the portion of sum A that does not exceed sum B, and
- (b) add up all those portions.
- (8) For the purposes of subsection (7)—
- “sum A” is the aggregate of the losses that were not available in accordance with section 13(8) for reducing gains accruing to the taxpayer by virtue of section 13 in the relevant tax year, but would have been available if the residence assumption had been made, and
- “sum B” is the amount of the gains that did not accrue to the taxpayer by virtue of section 13 in that tax year but would have so accrued if that assumption had been made.
- (9) If section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the taxpayer for the year of return, any foreign chargeable gains falling within subsection (3) by virtue of paragraph (a) of that subsection that were remitted to the United Kingdom at any time in the temporary period of non-residence are to be treated as remitted to the United Kingdom in the period of return.
- (10) Part 4 of Schedule 45 to the Finance Act 2013 (statutory residence test: anti-avoidance) explains—
- (a) when an individual is to be regarded as “temporarily non-resident”, and
- (b) what “the temporary period of non-residence” and “the period of return” mean.
- (11) In this section—
- “foreign chargeable gains” has the meaning given by section 12(4);
- “remitted to the United Kingdom” has the same meaning as in Chapter A1 of Part 14 of ITA 2007;
- “the year of return” means the tax year that consists of or includes the period of return.

 - (b) foreign chargeable gains accrued to the individual in or after the relevant tax year (within the meaning of section 16ZA) but before the applicable tax year, and
 - (c) by reason of the remission of any of the foreign chargeable gains to the United Kingdom, chargeable gains are treated under section 12 as accruing to the individual in the applicable tax year [^{F141}or a part of the applicable tax year] (“the relevant gains”).
- (2) Section 2(2) or (4) has effect for the applicable tax year as if the relevant gains had not accrued.

- (1) This section applies to an individual for a tax year if—

- (a) the individual has made an election under section 16ZA for the tax year or any earlier tax year,
 - (b) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the individual for the tax year, and
 - (c) the individual is not domiciled in the United Kingdom in the tax year.
- (2) The following steps apply for the purpose of calculating the amount on which the individual is to be charged to capital gains tax for the tax year.

Step 1

Deduct any relevant allowable losses from the chargeable gains referred to in subsection (3) in the order in which they appear there (starting with paragraph (a) of that subsection).

If allowable losses are deductible from the chargeable gains referred to in subsection (3)(b) but are not enough to exhaust them all—

- (a) those chargeable gains are to be ordered according to the day on which they accrued,
- (b) the losses are to be deducted from those gains in reverse chronological order (starting with the last chargeable gain to accrue), and
- (c) if allowable losses are deductible from chargeable gains that accrued on a particular day but are not enough to exhaust all of the chargeable gains that accrued on that day, the amount deducted from each of those chargeable gains is the appropriate proportion of the losses.

In paragraph (c) “the appropriate proportion”, in relation to a chargeable gain, is the amount of that gain divided by the total amount of the chargeable gains that accrued on the day in question.

Step 2

Treat the amount referred to in section 2(2) or (4)(a) or 16ZB(3)(a) as being equal to—

- (a) the amount it would be if there were no relevant allowable losses, minus
- (b) the total amount deducted under Step 1 from chargeable gains within subsection (3)(a) or (c).

- (3) The chargeable gains are—
- (a) foreign chargeable gains accruing to the individual in the tax year, to the extent that they are remitted to the United Kingdom in that year [^{F142}or, if that year is a split year as respects the individual, in the UK part of that year],
 - (b) foreign chargeable gains accruing to the individual in that year, to the extent that they are not so remitted in that year [^{F143}or they are so remitted in that year but it is a split year as respects the individual and they are so remitted in the overseas part of the year], and
 - (c) chargeable gains accruing to the individual in that year (other than foreign chargeable gains).
- (4) Chargeable gains treated as accruing under section 87 or 89(2) (read, where appropriate, with section 10A) are not within any paragraph of subsection (3).
- (5) Chargeable gains treated as accruing under section 12 are not within subsection (3)(c).
- (6) For the purposes of subsection (3) foreign chargeable gains are remitted to the United Kingdom if they are regarded as so remitted for the purposes of section 12.

Status: Point in time view as at 06/04/2015.

(7) In this section—

“relevant allowable losses” means the allowable losses that section 2(2) provides may be deducted from chargeable gains accruing to the individual in the tax year [^{F144}or a part of the tax year], and

“foreign chargeable gains” has the meaning given by section 12(4).

18 Transactions between connected persons. **U.K.**

- (1) This section shall apply where a person acquires an asset and the person making the disposal is connected with him.
- (2) Without prejudice to the generality of section 17(1) the person acquiring the asset and the person making the disposal shall be treated as parties to a transaction otherwise than by way of a bargain made at arm's length.
- (3) Subject to subsection (4) below, if on the disposal a loss accrues to the person making the disposal, it shall not be deductible except from a chargeable gain accruing to him on some other disposal of an asset to the person acquiring the asset mentioned in subsection (1) above, being a disposal made at a time when they are connected persons.
- (4) Subsection (3) above shall not apply to a disposal by way of gift in settlement if the gift and the income from it is wholly or primarily applicable for educational, cultural or recreational purposes, and the persons benefiting from the application for those purposes are confined to members of an association of persons for whose benefit the gift was made, not being persons all or most of whom are connected persons.
- (5) Where the asset mentioned in subsection (1) above is an option to enter into a sale or other transaction given by the person making the disposal a loss accruing to the person acquiring the asset shall not be an allowable loss unless it accrues on a disposal of the option at arm's length to a person who is not connected with him.
- (6) Subject to subsection (7) below, in a case where the asset mentioned in subsection (1) above is subject to any right or restriction enforceable by the person making the disposal, or by a person connected with him, then (where the amount of the consideration for the acquisition is, in accordance with subsection (2) above, deemed to be equal to the market value of the asset) that market value shall be—
 - (a) what its market value would be if not subject to the right or restriction, minus—
 - (b) the market value of the right or restriction or the amount by which its extinction would enhance the value of the asset to its owner, whichever is the less.
- (7) If the right or restriction is of such a nature that its enforcement would or might effectively destroy or substantially impair the value of the asset without bringing any countervailing advantage either to the person making the disposal or a person connected with him or is an option or other right to acquire the asset or, in the case of incorporeal property, is a right to extinguish the asset in the hands of the person giving the consideration by forfeiture or merger or otherwise, the market value of the asset shall be determined, and the amount of the gain accruing on the disposal shall be computed, as if the right or restriction did not exist.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) Subsections (6) and (7) above shall not apply to a right of forfeiture or other right exercisable on breach of a covenant contained in a lease of land or other property, and shall not apply to any right or restriction under a mortgage or other charge.

19 Deemed consideration in certain cases where assets disposed of in a series of transactions. **U.K.**

- (1) For the purposes of this Act, in any case where—
- (a) by way of 2 or more material transactions which are linked (a series of linked transactions), one person disposes of assets to another person with whom he is connected or to 2 or more other persons with each of whom he is connected, and
 - (b) the original market value of the assets disposed of by any of the transactions in the series, as determined under section 20, is less than the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series, as so determined,
- then, subject to subsection (2) below, the disposal effected by any linked transaction in the series in respect of which the condition in paragraph (b) above is fulfilled shall be deemed to be for a consideration equal to the appropriate portion referred to in that paragraph.
- (2) Where the disposal effected by a material transaction is one to which section 58 applies, nothing in subsection (1) above shall affect the amount which, for the purposes of this Act, is the consideration for that disposal.
- (3) Subject to subsection (5) below, any reference in this section to a material transaction is a reference to a transaction by way of gift or otherwise; and, for the purposes of this section, 2 or more material transactions are linked if they occur within the period of 6 years ending on the date of the last of them.
- (4) This section shall apply or, as the case may be, shall again apply—
- (a) when a second material transaction causes a series of linked transactions to come into being; and
 - (b) whenever, on the occurrence of a further material transaction, an existing series is extended by the inclusion of that transaction (whether or not an earlier transaction ceases to form part of the series);
- and all such assessments and adjustments of assessments shall be made as may be necessary to give effect to this section on each such occasion.
- (5) Where a member of a group of companies disposes of an asset to another member of the group in circumstances such that, by virtue of section 171, both companies are treated, so far as relates to corporation tax on chargeable gains, as if the consideration for the disposal were of such an amount as would secure that neither a gain nor a loss would accrue, the transaction by which that disposal is effected is not a material transaction; and a disposal in these circumstances is in this section referred to as an “inter-group transfer”.
- (6) In any case where—
- (a) a company (“company A”) disposes of an asset by way of a material transaction, and
 - (b) company A acquired the asset after 19th March 1985 by way of an inter-group transfer, and

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (c) the disposal by company A is to a person who is connected with another company (“company B”) which at some time after 19th March 1985 disposed of the asset by way of an inter-group transfer, and
- (d) either the disposal by way of inter-group transfer which is referred to in paragraph (c) above was the occasion of the acquisition referred to in paragraph (b) above or, between that disposal and that acquisition, there has been no disposal of the asset which was not an inter-group transfer,

then, for the purpose of determining whether subsection (1) above applies in relation to a series of linked transactions, the disposal by company A shall be treated as having been made by company B; but any increase in the consideration for that disposal resulting from the application of subsection (1) above shall have effect with respect to company A.

20 **Original market value and aggregate market value for purposes of section 19. U.K.**

- (1) This section has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 19.
- (2) Expressions used in this section have the same meaning as in that section.
- (3) Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
 - (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from section 19, would be deemed to be the consideration for that transaction for the purposes of this Act; and
 - (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of this Act to be the consideration for the transaction concerned (whether by virtue of the previous operation of section 19, or by virtue of any other provision of this Act).
- (4) Subject to subsections (6) to (9) below, in relation to any transaction in a series of linked transactions—
 - (a) any reference in this section or section 19 to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of this Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
 - (b) any reference in section 19 to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (5) The reference in subsection (4)(a) above to considering all the assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (6) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of subsections (4) and (5) above in relation to each of the transactions in the series—
- (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer; and
 - (b) subject to subsection (7) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately before the first of the transactions in the series and ending immediately before the last.
- (7) If, before the first of the transactions referred to in paragraph (b) of subsection (6) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (8) In the application of subsection (6) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (9) In subsection (8) above “securities” includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

CHAPTER II U.K.

- (1) Subject to sections 23 and 26(1), and to any other exceptions in this Act, there is for the purposes of this Act a disposal of assets by their owner where any capital sum is derived from assets notwithstanding that no asset is acquired by the person paying the capital sum, and this subsection applies in particular to—
- (a) capital sums received by way of compensation for any kind of damage or injury to assets or for the loss, destruction or dissipation of assets or for any depreciation or risk of depreciation of an asset,
 - (b) capital sums received under a policy of insurance of the risk of any kind of damage or injury to, or the loss or depreciation of, assets,
 - (c) capital sums received in return for forfeiture or surrender of rights, or for refraining from exercising rights, and
 - (d) capital sums received as consideration for use or exploitation of assets.

23 Receipt of compensation and insurance money not treated as a disposal. **U.K.**

(1) If the recipient so claims, receipt of a capital sum within paragraph (a), (b), (c) or (d) of section 22(1) derived from an asset which is not lost or destroyed shall not be treated for the purposes of this Act as a disposal of the asset if—

- (a) the capital sum is wholly applied in restoring the asset, or
- (b) (subject to subsection (2) below), the capital sum is applied in restoring the asset except for a part of the capital sum which is not reasonably required for the purpose and which is small as compared with the whole capital sum, or
- (c) (subject to subsection (2) below), the amount of the capital sum is small, as compared with the value of the asset,

but, if the receipt is not treated as a disposal, all sums which would, if the receipt had been so treated, have been brought into account as consideration for that disposal in the computation of the gain shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.

(2) If the allowable expenditure is less than the consideration for the disposal constituted by the receipt of the capital sum (or is nil)—

- (a) paragraphs (b) and (c) of subsection (1) above shall not apply, and
- (b) if the recipient so elects (and there is any allowable expenditure)—
 - (i) the amount of the consideration for the disposal shall be reduced by the amount of the allowable expenditure, and
 - (ii) none of that expenditure shall be allowable as a deduction in computing a gain accruing on the occasion of the disposal or any subsequent occasion.

In this subsection “allowable expenditure” means expenditure which, immediately before the disposal, was attributable to the asset under paragraphs (a) and (b) of section 38(1).

(3) If, in a case not falling within subsection (1)(b) above, a part of a capital sum within paragraph (a) or paragraph (b) of section 22(1) derived from an asset which is not lost or destroyed is applied in restoring the asset, then if the recipient so claims, that part of the capital sum shall not be treated as consideration for the disposal deemed to be effected on receipt of the capital sum but shall be deducted from any expenditure allowable under Chapter III of this Part as a deduction in computing a gain on the subsequent disposal of the asset.

(4) If an asset is lost or destroyed and a capital sum received by way of compensation for the loss or destruction, or under a policy of insurance of the risk of the loss or destruction, is within one year of receipt, or such longer period as the inspector may allow, applied in acquiring an asset in replacement of the asset lost or destroyed the owner shall if he so claims be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of the old asset were (if otherwise of a greater amount) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the excess of the amount of the capital sum received by way of compensation or under the policy of insurance, together with any residual or scrap value, over the amount of the consideration which he is treated as receiving under paragraph (a) above.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (5) A claim shall not be made under subsection (4) above if part only of the capital sum is applied in acquiring the new asset but if all of that capital sum except for a part which is less than the amount of the gain (whether all chargeable gain or not) accruing on the disposal of the old asset is so applied, then the owner shall if he so claims be treated for the purposes of this Act—
- (a) as if the amount of the gain so accruing were reduced to the amount of the said part (and, if not all chargeable gain, with a proportionate reduction in the amount of the chargeable gain), and
 - (b) as if the amount of the consideration for the acquisition of the new asset were reduced by the amount by which the gain is reduced under paragraph (a) of this subsection.
- [^{F148}(6) If a building (“the old building”) is destroyed or irreparably damaged, and all or part of a capital sum received by way of compensation for the destruction or damage, or under a policy of insurance of the risk of the destruction or damage, is applied by the recipient in constructing or otherwise acquiring a replacement building situated on other land (“the new building”), then for the purposes of subsections (4) and (5) above each of the old building and the new building shall be regarded as an asset separate from the land on which it is or was situated and the old building shall be treated as lost or destroyed.
- (7) For the purposes of subsection (6) above:
- (a) references to a building include references to any permanent or semi-permanent structure in the nature of a building; and
 - (b) the reference to a sum applied in acquiring the new building does not include a reference to a sum applied in acquiring the land on which the new building is situated; and
 - (c) all necessary apportionments shall be made of any expenditure, compensation or consideration, and the method of apportionment shall be such as is just and reasonable.
- (8) This section shall apply in relation to a wasting asset with the following modifications:
- (a) paragraphs (b) and (c) of subsection (1) above, and subsection (2) above, shall not apply; and
 - (b) in subsections (1) and (3) above, the amount of the expenditure from which the deduction is to be made shall be the amount which would have been allowable under Chapter III of this Part if the asset had been disposed of immediately after the application of the capital sum.]

(1) Subject to the provisions of this Act and, in particular to ^[F149]sections 140A(1D), 140E(7) and 144], the occasion of the entire loss, destruction, dissipation or extinction of an asset shall, for the purposes of this Act, constitute a disposal of the asset whether or not any capital sum by way of compensation or otherwise is received in respect of the destruction, dissipation or extinction of the asset.

^[F150](1A) A negligible value claim may be made by the owner of an asset (“P”) if condition A or B is met.

- (a) the disposal by which P acquired the asset was a no gain/no loss disposal,
- (b) at the time of that disposal the asset was of negligible value, and
- (c) between the time when the asset became of negligible value and the disposal by which P acquired it, each other disposal (if any) of the asset was a no gain/no loss disposal.]

- (b) An earlier time may be specified in the claim if:
 - (i) the claimant owned the asset at the earlier time; and
 - (ii) the asset had become of negligible value at the earlier time; and either
 - (iii) for capital gains tax purposes the earlier time is not more than two years before the beginning of the year of assessment in which the claim is made; or

- (c) Section 93 of and Schedule 12 to the Finance Act 1994 (indexation losses and transitional relief) shall have effect in relation to an asset to which this section applies as if the sale and reacquisition occurred at the time of the claim and not at any earlier time.]

- (4) Section 39 (exclusion of expenditure by reference to tax on income) does not apply in relation to the relevant expenditure.

[^{F225}48A Unascertainable consideration **U.K.**

- (1) This section applies where—
- (a) a person (“P”) has made a non-resident CGT disposal in relation to which there accrued to P an NRCGT gain chargeable to, or an NRCGT loss allowable for the purposes of, capital gains tax by virtue of section 14D or 188D (“the original disposal”),
 - (b) P acquired a right as the whole or part of the consideration for that disposal,
 - (c) on P’s acquisition of the right, there was no corresponding disposal of it, and
 - (d) the right is a right to unascertainable consideration (see subsections (4) to (6)).
- (2) If P subsequently receives consideration (“the ascertained consideration”) representing the whole or part of the consideration referred to in subsection (1)(d) and condition A in section 14B would have been met in relation to the original disposal had a gain on that disposal accrued at the time of the receipt of the ascertained consideration—
- (a) the ascertained consideration is treated as not accruing on the disposal of the right,

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the costs of P's acquisition of the right (or, in the case of a part disposal of the right, those costs so far as referable to the part disposed of) are taken to be nil, and
- (c) the following steps are taken.

Step 1 Any amount by which the ascertained consideration exceeds the relevant original consideration is treated as consideration (or further consideration) accruing on the original disposal. If the relevant original consideration exceeds the ascertained consideration, the consideration accruing on the original disposal is treated as reduced by the amount of the excess.

Step 2 Compute the difference that the adjustment under step 1 makes to what (if any) NRCGT gain or loss, ATED-related gain or loss or other gain or loss accrues on the original disposal (computing this separately for each type of gain or loss). The difference is “positive” if a loss is decreased (to nil or otherwise) or a gain created or increased. The difference is “negative” if a gain is reduced (to nil or otherwise) or a loss created or increased.

Step 3 Any positive amount computed under step 2 is treated for the purposes of this Act and the Management Act as a gain (of the type appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration. Any negative amount computed under step 2 is treated for the purposes of this Act and the Management Act as a loss (of the type appropriate to the computation) accruing to P at the time of the receipt of the ascertained consideration.

- (3) In step 1 in subsection (2), “the relevant original consideration” means the consideration accruing on the original disposal, so far as referable to the right mentioned in subsection (1)(b) (or, in the case of a part disposal of the right, referable to the part disposed of).
- (4) A right is a right to unascertainable consideration if, and only if—
 - (a) it is a right to consideration the amount or value of which is unascertainable at the time when the right is conferred, and
 - (b) that amount or value is unascertainable at that time on account of its being referable, in whole or in part, to matters which are uncertain at that time because they have not yet occurred.

This subsection is subject to subsections (5) and (6).

- (5) The amount or value of any consideration is not to be regarded as being unascertainable by reason only—
 - (a) that the right to receive the whole or any part of the consideration is postponed or contingent, if the consideration or, as the case may be, that part of it is, in accordance with section 48, brought into account in the computation of the gain accruing to a person on the disposal of an asset, or
 - (b) in a case where the right to receive the whole or any part of the consideration is postponed and is to be, or may be, to any extent satisfied by the receipt of property of one description or property of some other description, that some person has a right to select the property, or the description of property, that is to be received.
- (6) A right is not to be taken to be a right to unascertainable consideration by reason only that either the amount or the value of the consideration has not been fixed, if—

54 Calculation of indexation allowance. **U.K.**

- (1) Subject to any provision to the contrary, the indexation allowance is the aggregate of the indexed rise in each item of relevant allowable expenditure; and, in relation to any such item of expenditure, the indexed rise is a sum produced by multiplying the amount of that item by a figure expressed as a decimal and determined, subject to subsections (2) and (3) below, by the formula—

assumed that on that date the asset was sold by the person making the disposal and immediately reacquired by him at its market value on that date.

- (2) Except where an election under section 35(5) has effect, neither subsection (1) above nor section 35(2) shall apply for the purpose of computing the indexation allowance in a case where that allowance would be greater if they did not apply.
- (3) If under subsection (1) above it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.
- (4) Where, after 31st March 1982, an asset which was held on that date has been merged or divided or has changed its nature or rights in or over the asset have been created, then, subject to subsection (2) above, subsection (1) above shall have effect to determine for the purposes of section 43 the amount of the consideration for the acquisition of the asset which was so held.
- (5) Subsection (6) below applies to a disposal of an asset which is not a no gain/no loss disposal if—
 - (a) the person making the disposal acquired the asset after 31st March 1982; and
 - (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal;
 and for the purposes of this subsection a no gain/no loss disposal is one on which, by virtue of section 257(2) or 259(2) or any of the [^{F238}no gain/no loss provisions], neither a gain nor a loss accrues (or accrued) to the person making the disposal.
- [^{F239}(5A) For the purposes of subsection (5), a disposal is also a no gain/no loss disposal if it is one on which, by virtue of section 195B, 195C or 195E, neither a gain nor a loss accrues to the person making the disposal; but, in such a case, subsection (6)(b) below does not apply.]
- (6) Where this subsection applies to a disposal of an asset—
 - (a) the person making the disposal shall be treated for the purpose of computing the indexation allowance on the disposal as having held the asset on 31st March 1982; ^{F240} ...
 - [^{F241}(aa) in the case of a disposal to which paragraph 1A of Schedule 3 applies (certain holdings of shares or securities), the market value of the asset on that date is to be determined in accordance with that paragraph; and]
 - (b) for the purpose of determining any gain or loss on the disposal, the consideration which, apart from this subsection, that person would be treated as having given for the asset shall be taken to be reduced by deducting therefrom any indexation allowance brought into account by virtue of section 56(2) on any disposal falling within subsection (5)(b) above.
- [^{F242}(7) The rules in subsection (8) below apply (after the application of section 53 but before the application of section 35(3) or (4)) to give the gain or loss for the purposes of this Act where—
 - (a) subsection (6) above applies to the disposal (the “disposal in question”) of an asset by any person (the “transferor”), and
 - (b) but for paragraph (b) of that subsection, the consideration the transferor would be treated as having given for the asset would include an amount or amounts

of indexation allowance brought into account by virtue of section 56(2) on any disposal made before 30th November 1993.

- (8) The rules are as follows—
- (a) where (apart from this subsection) there would be a loss, an amount equal to the rolled-up indexation shall be added to it so as to increase it,
 - (b) where (apart from this subsection) the unindexed gain or loss would be nil, there shall be a loss of an amount equal to the rolled-up indexation, and
 - (c) where (apart from this subsection)—
 - (i) there would be an unindexed gain, and
 - (ii) the gain or loss would be nil but the amount of the indexation allowance used to extinguish the gain would be less than the rolled-up indexation,
 the difference shall constitute a loss.
- (9) In this section the “rolled-up indexation” means, subject to subsections (10) and (11) below, the amount or, as the case may be, the aggregate of the amounts referred to in subsection (7)(b) above; and subsections (10) and (11) below shall, as well as applying on the disposal in question, be treated as having applied on any previous part disposal by the transferor.
- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.
- (11) Where the transferor makes a part disposal of the asset at any time, then, for the purposes of that and any subsequent disposal, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (10) above on a previous part disposal by him or after the application of subsection (10) above on the part disposal) shall be apportioned between the property disposed of and the property which remains in the same proportions as the sums falling within section 38(1)(a) and (b).]

56 Part disposals and disposals on a no-gain/no-loss basis. **U.K.**

(1) For the purpose of determining the indexation allowance (if any) on the occasion of a part disposal of an asset, the apportionment under section 42 of the sums which make up the relevant allowable expenditure shall be effected before the application of section 54 and, accordingly, in relation to a part disposal—

- (a) references in section 54 to an item of expenditure shall be construed as references to that part of that item which is so apportioned for the purposes of the computation of the unindexed gain^{F243} ... on the part disposal; and
- (b) no indexation allowance shall be determined by reference to the part of each item of relevant allowable expenditure which is apportioned to the property which remains undisposed of.

(2) [^{F244}On a no gain/no loss disposal by any person (“the transferor”)]—

- (a) the amount of the consideration shall be calculated for the purposes of this Act on the assumption that, on the disposal, an unindexed gain accrues to the transferor which is equal to the indexation allowance on the disposal, and
- (b) the disposal shall accordingly be one on which, after taking account of the indexation allowance, neither a gain nor a loss accrues;

and for the purposes of the application of sections 53 and 54 there shall be disregarded so much of any enactment as provides that, on the subsequent disposal of the asset by the person acquiring the asset on the disposal (“the transferee”), the transferor’s acquisition of the asset is to be treated as the transferee’s acquisition of it.

[^{F245}(3) Where apart from this subsection—

- (a) a loss would accrue on the disposal of an asset, and
- (b) the sums allowable as a deduction in computing that loss would include an amount attributable to the application of the assumption in subsection (2) above on any no gain/no loss disposal made on or after 30th November 1993,

those sums shall be determined as if that subsection had not applied on any such disposal made on or after that date and the loss shall be reduced accordingly or, if those sums are then equal to or less than the consideration for the disposal, the disposal shall be one on which neither a gain nor a loss accrues.

(4) For the purposes of this section a no gain/no loss disposal is one which, by virtue of any enactment other than section 35(4), 53(1) or this section, is treated as a disposal on which neither a gain nor a loss accrues to the person making the disposal.]

- (2) For the purpose of determining, in a case where this section applies, the indexation allowance (if any) to which the person making the disposal is entitled, no account shall in the first instance be taken of the provision referred to in subsection (1) above in calculating the indexed rise in the item of expenditure to which that provision applies but, from that indexed rise as so calculated, there shall be deducted a sum equal to the indexed rise (determined as for the purposes of the actual disposal) in a notional item of expenditure which—
- (a) is equal to the amount of the reduction effected by the provision concerned; and

- (1) Subsection (3) applies if—
 - (a) chargeable gains of an amount equal to the amount referred to in section 86(1)(e) for a tax year (“year A”) are treated under section 10A as accruing to a settlor under section 86 in the period of return,
 - (b) there are amounts on which beneficiaries of the settlement are charged to tax under section 87 or 89(2) for one or more tax years, each of which is earlier than the year of return, and
 - (c) those amounts are in respect of matched capital payments received by the beneficiaries.
- (2) A “matched” capital payment is a capital payment, all or part of which is matched under section 87A with the section 2(2) amount for year A.
- (3) The amount of the chargeable gains mentioned in subsection (1)(a) for year A that are treated under section 10A as accruing to the settlor under section 86 in the period of return is to be reduced by the appropriate amount.
- (4) The appropriate amount is—
 - (a) the sum of the amounts mentioned in subsection (1)(c) to the extent that the matched capital payments are matched under section 87A with the section 2(2) amount for year A, or
 - (b) if the property comprised in the settlement has at any time included property not originating from the settlor, so much (if any) of that sum as, on a just and reasonable apportionment, is properly referable to the settlor.

- (5) If a reduction falls to be made under subsection (3) for the year of return, the deduction to be made in accordance with section 87(4)(b) for the settlement for that year must not be made until—
 - (a) all the reductions to be made under subsection (3) for that year for each settlor have been made, and
 - (b) those reductions are to be made starting with the year immediately preceding the year of return and working backwards.
- (6) Subsection (7) applies if, with respect to year A, an amount remains to be treated under section 10A as accruing to any of the settlors in the period of return after having made the reductions under subsection (3) with respect to year A.
- (7) The aggregate of the amounts remaining to be so treated (for all of the settlors) is to be applied in reducing so much of the section 2(2) amount for year A as has not already been matched with a capital payment under section 87A for any year prior to the year of return (but not so as to reduce the section 2(2) amount below zero).
- (8) In this section—
 - (a) “the settlement” means the settlement in relation to which the settlor mentioned in subsection (1)(a) is a settlor,
 - (b) a reference to “the settlors” or “each settlor” is to the settlors or each settlor in relation to the settlement,

- (2) The following steps are to be taken for the purposes of matching capital payments with section 2(2) amounts.

Step 1

Find the section 2(2) amount for the relevant tax year.

Step 2

Find the total amount of capital payments received by the beneficiaries from the trustees in the relevant tax year.

Step 3

The section 2(2) amount for the relevant tax year is matched with—

- (a) if the total amount of capital payments received in the relevant tax year does not exceed the section 2(2) amount for the relevant tax year, each capital payment so received, and
- (b) otherwise, the relevant proportion of each of those capital payments.

“The relevant proportion” is the section 2(2) amount for the relevant tax year divided by the total amount of capital payments received in the relevant tax year.

Step 4

If paragraph (a) of Step 3 applies—

- (a) reduce the section 2(2) amount for the relevant tax year by the total amount of capital payments referred to there, and
- (b) reduce the amount of those capital payments to nil.

If paragraph (b) of that Step applies—

- (a) reduce the section 2(2) amount for the relevant tax year to nil, and
- (b) reduce the amount of each of the capital payments referred to there by the relevant proportion of that capital payment.

Step 5

Start again at Step 1 (unless subsection (3) applies).

If the section 2(2) amount for the relevant tax year (as reduced under Step 4) is not nil, read references to capital payments received in the relevant tax year as references to capital payments received in the latest tax year which—

- (a) is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) is a tax year in which capital payments (the amounts of which have not been reduced to nil) were received by beneficiaries.

If the section 2(2) amount for the relevant tax year (as so reduced) is nil, read references to the section 2(2) amount for the relevant tax year as the section 2(2) amount for the latest tax year—

- (a) which is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) for which the section 2(2) amount is not nil.

- (3) This subsection applies if—

- (a) all of the capital payments received by beneficiaries from the trustees in the relevant tax year or any earlier tax year have been reduced to nil, or

Where there is a reorganisation of the units in a collective investment scheme in which all the participants holding units in the scheme or, where there are different classes of unit in the scheme, all the participants holding units in the same class, exchange all their units for other units (“new units”) in the scheme.

- (2) Where this section applies—
 - (a) sections 127 to 131 (share reorganisations etc) apply with the necessary adaptations as if the collective investment scheme were a company and the event mentioned in subsection (1) were a reorganisation of its share capital, and
 - (b) any distribution in relation to any new units is to be treated for the purposes of capital gains tax, corporation tax or income tax on the basis set out in section 127 (as adapted).
- (3) In subsection (1), “management charges” mean the costs charged to the property subject to the scheme in respect of remunerating the parties operating the scheme, administering the scheme or investing or safeguarding the property subject to the scheme.

103G Exchange of units for those in another collective investment scheme U.K.

- (1) This section applies in the following cases where units in a collective investment scheme (“collective investment scheme B”) are issued to a person in exchange for units in another collective investment scheme (“collective investment scheme A”).

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(2) The cases are—

Case 1

Where units in collective investment scheme B are issued in exchange for units as the result of a general offer—

- (a) made to participants in collective investment scheme A or any class of them, and
- (b) made in the first instance on a condition such that if it were satisfied the property subject to collective investment scheme B would include units in collective investment scheme A giving rights to more than 50% of the capital, and more than 50% of the income, of collective investment scheme A.

Case 2

Where—

- (a) under an arrangement, participants in collective investment scheme A exchange units in that scheme for units of substantially the same value in collective investment scheme B, and
- (b) in consequence of the exchanges under the arrangement, 85% or more of the property subject to collective investment scheme B is constituted by units in collective investment scheme A.

(3) Where this section applies, sections 127 to 131 (share reorganisations etc) apply with the necessary adaptations as if collective investment scheme A and collective investment scheme B were the same company and the exchange were a reorganisation of its share capital.

(4) This section has effect subject to section 103K(1) (exchange must be for bona fide commercial reasons and not part of tax avoidance scheme).

 - (ii) the units in scheme A comprised in relevant holdings are retained by those participants or are cancelled or otherwise extinguished.

- (a) those participants are treated as exchanging their relevant holdings in scheme A for the units held by them in consequence of the arrangement, and
 - (b) sections 127 to 131 (share reorganisations etc) apply with the necessary adaptations as if scheme A and scheme B were the same company and the exchange were a reorganisation of its share capital.
- For this purpose units in scheme A comprised in relevant holdings that are retained are treated as if they had been cancelled and replaced by a new issue.
- (3) Where a reorganisation within case 2 of section 103F(1) of the units in scheme A is carried out for the purposes of the scheme of reconstruction, the provisions of subsections (1) and (2) apply in relation to the position after the reorganisation.
- (4) In this section, references to “relevant holdings” of units are—
- (a) where there is only one class of units in scheme A, to holdings of units in the scheme, and

- (2) Where this section applies sections 127 to 131 apply with the necessary adaptations as if scheme C and the conversion scheme were the same company and the exchange were a reorganisation of its share capital.
- (3) In this section “conversion holdings” means the units in scheme C to be converted in accordance with regulation 12(1)(b) of the Undertakings for Collective Investment in Transferable Securities Regulations 2011 into units in the conversion scheme for the purposes of, or in connection with, the scheme of reconstruction.

- “securities” does not include relevant securities as defined in section 108 but, subject to that, means—
- (i) shares or securities of a company; and
 - (ii) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired; and
- “relevant allowable expenditure” has the meaning assigned to it by section 53(2)(b) and (3);
- but shares or securities of a company shall not be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.
- [^{F456}(3A) For the purposes of capital gains tax section 35(2) applies in relation to a section 104 holding as if the reference to an asset were to any of the securities constituting or forming part of the section 104 holding which were held by the person making the disposal on 31 March 1982.]

- (12) In any case where—
- (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and

- (15) In any case where—
- (a) the new asset mentioned in subsections (10) and (11) above is a qualifying corporate bond in respect of which an allowable loss is treated as accruing under section 254(2), and
 - (b) the loss is treated as accruing at a time falling after the relevant transaction but before any actual disposal of the new asset subsequent to the relevant transaction,

134 Compensation stock. **U.K.**

- (1) This section has effect where gilt-edged securities are exchanged for shares in pursuance of any enactment (including an enactment passed after this Act) which provides for the compulsory acquisition of any shares and the issue of gilt-edged securities instead.
- (2) The exchange shall not constitute a conversion of securities within section 132 and shall be treated as not involving any disposal of the shares by the person from whom they were compulsorily acquired but—
 - (a) there shall be calculated the gain or loss that would have accrued to him if he had then disposed of the shares for a consideration equal to the value of the shares as determined for the purpose of the exchange, and
 - (b) on a subsequent disposal of the whole or part of the gilt-edged securities by the person to whom they were issued—
 - (i) there shall be deemed to accrue to him the whole or a corresponding part of the gain or loss mentioned in paragraph (a) above, and
 - (ii) section 115(1) shall not have effect in relation to any gain or loss that is deemed to accrue as aforesaid.
- (3) Where a person to whom gilt-edged securities of any kind were issued as mentioned in subsection (1) above disposes of securities of that kind, the securities of which he disposes—
 - (a) shall, so far as possible, be identified with securities which were issued to him as mentioned in subsection (1) above rather than with other securities of that kind, and
 - (b) subject to paragraph (a) above, shall be identified with securities issued at an earlier time rather than those issued at a later time.
- (4) Subsection (2)(b) above shall not apply to any disposal falling within the provisions of section 58(1), 62(4) or 171(1) but a person who has acquired the securities on a disposal falling within those provisions (and without there having been a previous disposal not falling within those provisions or a devolution on death) shall be treated for the purposes of subsections (2)(b) and (3) above as if the securities had been issued to him.
- (5) Where the gilt-edged securities to be exchanged for any shares are not issued until after the date on which the shares are compulsorily acquired but on that date a right to the securities is granted, this section shall have effect as if the exchange had taken place on that date, as if references to the issue of the securities and the person to whom they were issued were references to the grant of the right and the person to whom it was granted and references to the disposal of the securities included references to disposals of the rights.
- (6) In this section “shares” includes securities within the meaning of section 132.
- (7) This section does not apply where the compulsory acquisition took place before 7th April 1976.

139 Reconstruction ^{F650} ... involving transfer of business. **U.K.**

- (1) Subject to the provisions of this section, where—

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) any scheme of reconstruction ^{F651}... involves the transfer of the whole or part of a company's business to another company, and
- ^{F652}(b) the conditions in subsection (1A) below are met in relation to the assets included in the transfer, and]
- (c) the first-mentioned company receives no part of the consideration for the transfer (otherwise than by the other company taking over the whole or part of the liabilities of the business),

then, so far as relates to corporation tax on chargeable gains, the 2 companies shall be treated as if any assets included in the transfer were acquired by the one company from the other company for a consideration of such amount as would secure that on the disposal by way of transfer neither a gain nor a loss would accrue to the company making the disposal, and for the purposes of Schedule 2 the acquiring company shall be treated as if the respective acquisitions of the assets by the other company had been the acquiring company's acquisition of them.

^{F653}(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that the company acquiring the assets is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets [^{F654}or NRCGT assets] in relation to that company immediately after that time, and
- (b) that the company from which the assets are acquired is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets [^{F655}or NRCGT assets] in relation to that company immediately before that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F656}10B] form part of its chargeable profits for corporation tax purposes.]

^{F657}(1AA) For the purposes of subsection (1A), an asset is an “NRCGT asset” in relation to a company at any time if—

- (a) the disposal of the asset by the company at that time would be a non-resident CGT disposal, and
- (b) the company would not be, in relation to that disposal, an eligible person (as defined in section 14F).]

^{F658}(1B) Nothing in section 179(3D) prevents the two companies being treated as mentioned in subsection (1).]

- (2) This section does not apply in relation to an asset which, until the transfer, formed part of trading stock of a trade carried on by the company making the disposal, or in relation to an asset which is acquired as trading stock for the purposes of a trade carried on by the company acquiring the asset.

Section 170(1) applies for the purposes of this subsection.

^{F659}(3)

- (4) This section does not apply in the case of a transfer of the whole or part of a company's business to a unit trust scheme to which section 100(2) applies or which is an authorised unit trust or to an investment trust [^{F660}or a venture capital trust].
- (5) This section does not apply unless the reconstruction ^{F661}... is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the

main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax; but the foregoing provisions of this subsection shall not affect the operation of this section in any case where, before the transfer, the Board have, on the application of the acquiring company, notified the company that the Board are satisfied that the reconstruction ^{F661}... will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as aforesaid.

Subsections (2) to (5) of section 138 shall have effect in relation to this subsection as they have effect in relation to subsection (1) of that section.

- (6) Where, if the company making the disposal had not been wound up, tax could have been assessed on it by virtue of subsection (5) above, that tax may be assessed and charged (in the name of the company making the disposal) on the company to which the disposal is made.
- (7) If any tax assessed on a company (“the chargeable company”) by virtue of subsection (5) or (6) above is not paid within 6 months from the date when it is payable, any other person who—
- holds all or any part of the assets in respect of which the tax is charged; and
 - either is the company to which the disposal was made or has acquired the assets without there having been any subsequent disposal not falling within this section or section 171,
- may, within 2 years from the time when the tax became payable, be assessed and charged (in the name of the chargeable company) to all or, as the case may be, a corresponding part of the unpaid tax; and a person paying any amount of tax under this section shall be entitled to recover a sum of that amount from the chargeable company.
- (8) With respect to chargeable gains accruing in chargeable periods ending after such day as the Treasury may by order appoint, in subsection (7) above—
- for the words “when it is payable” there shall be substituted “ when it is due and payable or, if later, the date when the assessment is made on the company ”;
 - for the words “the time when the tax became payable” there shall be substituted “ the later of those dates ”; and
 - for the words “a sum” onwards there shall be substituted “ from the chargeable company a sum equal to that amount together with any interest paid by him under section 87A of the Management Act on that amount ”.

[^{F662}(9) In this section “scheme of reconstruction” has the same meaning as in section 136.]

140 Postponement of charge on transfer of assets to non-resident company. U.K.

- (1) This section applies where a company resident in the United Kingdom carries on a trade outside the United Kingdom through a [^{F663}permanent establishment] and—
- (a) that trade, or part of it, together with the whole assets of the company used for the purposes of the trade or part (or together with the whole of those assets other than cash) is transferred to a company not resident in the United Kingdom;
 - (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
 - (c) the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and
 - (d) either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the ^{M24}Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
- (a) if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;
 - (b) if the securities are not the whole of that consideration—
 - (i) paragraph (a) above shall apply to the appropriate proportion of that gain; and
 - (ii) the remainder shall be treated as accruing to the transferor company on the transfer.

In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor company disposes of the whole or part of the securities held by it immediately before that time, [^{F664}there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion] the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (5) below.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.

[^{F665}(4A) A chargeable gain which is deemed to accrue under subsection (4) is in addition to any gain or loss that actually accrues to the transferor company on the disposal of the securities.]

 - (b) the holding includes securities or shares to which CITR is attributable in respect of one or more years of assessment or accounting periods that have been held by the investor continuously from the time they were issued until the disposal.
- (2) Any disposal by the investor of securities or shares included in the holding which have been acquired by the investor on different days is treated as relating to those acquired on an earlier day rather than to those acquired on a later day.
- (3) If there is a disposal by the investor of securities or shares included in the holding which have been acquired by the investor on the same day, any of those securities or shares—
 - (a) to which CITR is attributable, and
 - (b) which have been held by the investor continuously from the time they were issued until the time of disposal,
 are treated as disposed of after any other securities or shares included in the holding which were acquired by the investor on that day.
- (4) For the purposes of this section a holding of securities is any number of securities of a company which—
 - (a) carry the same rights,
 - (b) were issued under the same terms, and
 - (c) are held by the investor in the same capacity.

It does not matter for this purpose that the number of the securities grows or diminishes as securities carrying those rights and issued under those terms are acquired or disposed of.
- (5) For the purposes of this section a holding of shares is any number of shares in a company which—
 - (a) are of the same class, and
 - (b) are held by the investor in the same capacity.

It does not matter for this purpose that the number of the shares grows or diminishes as shares of that class are acquired or disposed of.
- (6) Chapter 1 of Part 4 (share pooling, etc) has effect subject to this section.
- (7) Sections 104 to 107 (which make provision for the identification of securities and shares on a disposal) do not apply to securities or shares to which CITR is attributable.
- (8) In a case to which section 127 (equation of original shares and new holding) applies, shares included in the new holding are treated for the purposes of subsections (2) and (3) as acquired when the original shares were acquired.
- (9) In subsection (8)—
 - (a) the reference to section 127 includes a reference to that section as it is applied by virtue of any enactment relating to chargeable gains, and

- (b) “original shares” and “new holding” have the same meaning as in section 127, or (as the case may be) that section as applied by virtue of the enactment in question.
- (10) In this section and sections 151BB and 151BC—
- (a) if the investor is an individual—
- (i) “CITR” has the meaning given by section 333 of ITA 2007,
 - (ii) references to CITR being attributable to securities, shares or debentures are to be read in accordance with section 357 of that Act, and

PART V U.K.

TRANSFER OF BUSINESS ASSETS

CHAPTER I U.K.

GENERAL PROVISIONS

Replacement of business assets

152 Roll-over relief. U.K.

(1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [^{F898}or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [^{F899}or amendments] may be made.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

[^{F900}153A Provisional application of sections 152 and 153. U.K.]

- (1) This section applies where a person carrying on a trade who for a consideration disposes of, or of his interest in, any assets (“the old assets”) declares, in his return for the chargeable period in which the disposal takes place—
 - (a) that the whole or any specified part of the consideration will be applied in the acquisition of, or of an interest in, other assets (“the new assets”) which on the acquisition will be taken into use, and used only, for the purposes of the trade;
 - (b) that the acquisition will take place as mentioned in subsection (3) of section 152; and
 - (c) that the new assets will be within the classes listed in section 155.
- (2) Until the declaration ceases to have effect, section 152 or, as the case may be, section 153 shall apply as if the acquisition had taken place and the person had made a claim under that section.
- (3) The declaration shall cease to have effect as follows—
 - (a) if and to the extent that it is withdrawn before the relevant day, or is superseded before that day by a valid claim made under section 152 or 153, on the day on which it is so withdrawn or superseded; and
 - (b) if and to the extent that it is not so withdrawn or superseded, on the relevant day.
- (4) On the declaration ceasing to have effect in whole or in part, all necessary adjustments—
 - (a) shall be made by making or amending assessments or by repayment or discharge of tax; and
 - (b) shall be so made notwithstanding any limitation on the time within which assessments or amendments may be made.
- (5) In this section “the relevant day” means—
 - (a) in relation to capital gains tax, the third anniversary of the 31st January next following the year of assessment in which the disposal of, or of the interest in, the old assets took place;
 - (b) in relation to corporation tax, the fourth anniversary of the last day of the accounting period in which that disposal took place.
- (6) Subsections (6), (8), (10) and (11) of section 152 shall apply for the purposes of this section as they apply for the purposes of that section.]

- (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and
- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.
- (2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—
- (a) the claimant disposes of asset No.2, or
- (b) he ceases to use asset No.2 for the purposes of a trade carried on by him, or
- (c) the expiration of a period of 10 years beginning with the acquisition of asset No.2,

- (2C) In subsections (2A) and (2B), “transferor” and “transferee” have the meaning given by section 140E(9).]
- [^{F902}(2D) Subsections (2A) and (2B) shall apply in relation to the transfer of an asset in circumstances where section 140A applies as they apply in relation to the transfer of an asset on a merger to which section 140E applies, and for that purpose—

- (4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—

- (b) the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).
- (5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—
- (a) that the consideration for asset No.1 was applied in acquiring asset No.3, and
 - (b) that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),
- the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.
- (6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—

- (2) If at any time an asset forming part of the trading stock of a person's trade is appropriated by him for any other purpose, or is retained by him on his ceasing to carry on the trade, he shall be treated as having acquired it at that time for a consideration equal to the amount brought into the accounts of the trade in respect of it for tax purposes on the appropriation or on his ceasing to carry on the trade, as the case may be.
- (3) Subject to subsection (4) below, subsection (1) above shall not apply in relation to a person's appropriation of an asset for the purposes of a trade ^[F928]if—

- (b) (ignoring any election under this section) would be treated under subsection (1) as making a relevant high value disposal on which an ATED-related gain chargeable to, or loss allowable for the purposes of, capital gains tax under section 2B would accrue,

the person may not elect under subsection (3) but may elect for subsection (3ZB) to apply.

(3ZB) Subject to subsection (4), where an election is made for this subsection to apply—

Transfer of business to a company

162 Roll-over relief on transfer of business. U.K.

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as “the new assets”.

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate of the chargeable gains less allowable losses (“the amount of the gain on the old assets”).
- (3) For the purpose of computing any chargeable gain accruing on the disposal of any new asset—
- (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and
 - (b) the sums allowable as a deduction under section 38(1)(a) shall be reduced by the amount apportioned to the new asset under paragraph (a) above;
- and if the shares which comprise the new assets are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the transferor.
- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, it shall be the fraction—

$$\frac{A}{B}$$

of the amount of the gain on the old assets where—

“A” is the cost of the new assets, and

“B” is the value of the whole of the consideration received by the transferor in exchange for the business;

and for the purposes of this subsection “the cost of the new assets” means any sums which would be allowable as a deduction under section 38(1)(a) if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.

- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

 - (b) section 165(6) has effect in relation to the disposal as if the references to “chargeable gain” were references to “chargeable NRCGT gain”, and
 - (c) section 165(7) has effect in relation to the disposal as if the reference to “the excess referred to in paragraph (b) above” were a reference to “the chargeable NRCGT gain which, ignoring this section and section 17(1), would accrue to the transferor on the disposal”.
- (4) Where a claim for relief is made under section 165 in relation to the disposal mentioned in subsection (1), on a subsequent disposal by the transferee of the whole or part of the interest in UK land which is the subject of the disposal mentioned in subsection (1), the whole or a corresponding part of the held-over gain (see section 165(6))—
- (a) is deemed to accrue to the transferee (in addition to any gain or loss that actually accrues on that subsequent disposal), and

Transactions within groups

171 Transfers within a group: general provisions. **U.K.**

[^{F1034}(1) Where—

(a) a company (“company A”) disposes of an asset to another company (“company B”) at a time when both companies are members of the same group, and

(b) the conditions in subsection (1A) below are met,

company A and company B are treated for the purposes of corporation tax on chargeable gains as if the asset were acquired by company B for a consideration of such amount as would secure that neither a gain nor a loss would accrue to company A on the disposal.

(1A) The conditions referred to in subsection (1)(b) above are—

(a) that company A is resident in the United Kingdom at the time of the disposal, or the asset is a chargeable asset in relation to that company immediately before that time, and

(b) that company B is resident in the United Kingdom at the time of the disposal, or the asset is a chargeable asset in relation to that company immediately after that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F1035}10B] form part of its chargeable profits for corporation tax purposes.]

(2) Subsection (1) above shall not apply where the disposal is—

(a) a disposal of a debt due from [^{F1036}company B] effected by satisfying the debt or part of it; or

(b) a disposal of redeemable shares in a company on the occasion of their redemption; or

[^{F1037}(ba) a relevant high value disposal on which (ignoring subsection (1)) there accrues to company A an ATED-related gain chargeable to, or an ATED-related loss allowable for the purposes of, capital gains tax by virtue of section 2B; or]

(c) a disposal by or to an investment trust; or

[^{F1038}(cc) a disposal by or to a venture capital trust; or]

[^{F1039}(cd) a disposal by or to a qualifying friendly society; or]

(d) a disposal to a dual resident investing company; ^{F1040}... [^{F1041}; or

(da) a disposal by or to a company [^{F1042}which is, or is a member of, a UK REIT within the meaning of Part 12 of CTA 2010] (Real Estate Investment Trusts);][^{F1043}or

(db) a disposal by company A in fulfilment of its obligations under an option granted to company B at a time when those companies were not members of the same group;]

and the reference in subsection (1) above to [^{F1044}company A] disposing of an asset shall not apply to anything which under section 122 is to be treated as a disposal of an interest in shares in a company in consideration for a capital distribution (as defined in that section) from that company, whether or not involving a reduction of capital.

(3) Subsection (1) above shall not apply to a transaction treated [^{F1045}by section 127 as it applies by virtue of section 135] as not involving a disposal by [^{F1046}company A].

^{F1047}(3A)

(4) For the purposes of subsection (1) above, so far as the consideration for the disposal consists of money or money’s worth by way of compensation for any kind of damage or injury to assets, or for the destruction or dissipation of assets or for anything which depreciates or might depreciate an asset, the disposal shall be treated as being to the person who, whether as an insurer or otherwise, ultimately bears the burden of furnishing that consideration.

[^{F1048}(5) In subsection (2)(cd) above “qualifying friendly society” means a company which is a qualifying society for the purposes of [^{F1049}section 165 of the Finance Act 2012] (incorporated friendly societies entitled to exemption from income tax and corporation tax on certain profits).]

[^{F1050}(6) Subsection (1) above applies notwithstanding any provision in this Act fixing the amount of the consideration deemed to be received on a disposal or given on an acquisition.

But where it is assumed for any purpose that a member of a group of companies has sold or acquired an asset, it shall be assumed also that it was not a sale or acquisition to which this section applies.]

- (a) a chargeable gain or an allowable loss accrues to a company (“company A”) in respect of an asset (or would so accrue but for an election under this section),
 - (b) at the time of accrual, company A and another company (“company B”) are members of the same group, and

- (1) This section applies where an election is made under section 171A.
- (2) The effect of the election is that the chargeable gain or allowable loss, or such amount of it as is specified in the election, is treated as accruing not to company A but to company B.
- (3) The gain or loss treated as accruing to company B is to be taken to accrue at the time that, had the election not been made, it would have accrued to company A.
- (4) Where company B is not resident in the United Kingdom, the gain or loss treated as accruing to it is to be taken to accrue in respect of a chargeable asset held by it.
- (5) For this purpose an asset is a “chargeable asset” in relation to a company at any time if any gain accruing to the company on a disposal of the asset by the company at that time would be a chargeable gain and would by virtue of section 10B form part of its chargeable profits for corporation tax purposes.
- (6) Any payment made by company A to company B or by company B to company A, in pursuance of an agreement between them in connection with the election—
 - (a) is not to be taken into account in computing profits or losses of either company for corporation tax purposes, and
 - (b) is not for any purposes of the Corporation Tax Acts to be regarded as a distribution,provided it does not exceed the amount of the chargeable gain or allowable loss that is treated, as a result of the election, as accruing to company B.]

175 Replacement of business assets by members of a group. **U.K.**

(1) Subject to subsection (2) below, for the purposes of sections 152 to 158 all the trades [^{F1065}to which this section applies] carried on by members of a group of companies shall, for the purposes of corporation tax on chargeable gains, be treated as a single trade ^{F1066}

[^{F1067}(1A) The trades to which this section applies are—

- (a) any trade carried on by a company that is resident in the United Kingdom, and
- (b) any trade carried on in the United Kingdom through a [^{F1068}permanent establishment] by a company not so resident.]

(2) Subsection (1) above does not apply where so much of the consideration for the disposal of the old assets as is applied in acquiring the new assets or the interest in them is so applied by a member of the group which is a dual resident investing company ^{F1069}... and in this subsection “the old assets” and “the new assets” have the same meanings as in section 152.

[^{F1070}(2A) Section 152 [^{F1071}or 153] shall apply where—

- (a) the disposal is by a company which, at the time of the disposal, is a member of a group of companies,

- [The conditions referred to in subsection (2A)(ba) above are—
- ^{F1073}(2AA) (a) that the company making the disposal is resident in the United Kingdom at the time of the disposal, or the assets are chargeable assets in relation to that company immediately before that time, and
- (b) that the acquiring company is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets in relation to that company immediately after that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F1074}10B] form part of its chargeable profits for corporation tax purposes.]

- (2B) Section 152 [^{F1075}or 153] shall apply where a company which is a member of a group of companies but is not carrying on a trade—
- (a) disposes of assets (or an interest in assets) used, and used only, for the purposes of the trade which (in accordance with subsection (1) above) is treated as carried on by the members of the group which carry on a trade, or
- (b) acquires assets (or an interest in assets) taken into use, and used only, for those purposes,

as if the first company were carrying on that trade.

- (2C) [^{F1076}Neither section 152 nor section 153 shall] apply if the acquisition of, or of the interest in, the new assets—
- (a) is made by a company which is a member of a group of companies, and
- (b) is one to which any of the [^{F1077}no gain/no loss provisions] applies [^{F1078}or is one where, by virtue of section 195B, 195C or 195E, neither a gain nor a loss accrues to the person making the disposal].]

- ^{F1079}(3) Section 154(2) applies where the company making the claim is a member of a group of companies—
- (a) as if all members of the group for the time being carrying on a trade to which this section applies were the same person, and
- (b) in accordance with subsection (1) above, as if all those trades were the same trade;

so that the gain accrues to the member of the group holding the asset concerned on the occurrence of the event mentioned in section 154(2).]

- (4) Subsection (2) above shall apply where the acquisition took place before 20th March 1990 and the disposal takes place within the period of 12 months beginning with the date of the acquisition or such longer period as the Board may by notice allow with the omission of the words from “or a company” to “the acquisition”.

- any disposal of assets at other than market value by one member of a group of companies to another, or
 - any other transaction satisfying the conditions of subsection (2) below, except that a transaction shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account,

for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.

- (2) The conditions referred to in subsection (1)(b) above are—
 - (a) that the company, the shares in which, or securities of which, are the subject of the ultimate disposal, or any 75 per cent. subsidiary of that company, was a party to the transaction, and
 - (b) that the parties to the transaction were or included 2 or more companies which at the time of the transaction were members of the same group of companies.

 - (b) that the first company is not a dealing company in relation to the holding,

 - (d) that the effect of the distribution is that the value of the holding is or has been materially reduced.

in the holding, whether the disposal is by the first company or by any other company to which the holding is transferred by a transfer to which section [F1086 140A,][F1087 or 171] applies, as if the distribution were a depreciatory transaction and, if the companies concerned are not members of a group of companies, as if they were.

- (3) The distribution shall not be treated as a depreciatory transaction to the extent that it consists of a payment which is required to be or has been brought into account, for the purposes of corporation tax on chargeable gains, in computing a chargeable gain or allowable loss accruing to the person making the ultimate disposal.
- (4) This section shall be construed as one with section 176, and in any case where the ultimate disposal is not one to which section 35(2) applies, the reference in subsection (1)(c) above to a distribution does not include a distribution made before 30th April 1969.

 - (b) a company’s holding of a particular class shall be treated as an ingredient in a holding amounting to 10 per cent. of all holdings of that class if the aggregate of that holding and other holdings of that class held by connected persons amounts to 10 per cent. of all holdings of that class,

and section 286 shall have effect in relation to paragraph (b) above as if, in subsection (7) of that section, after the words “or exercise control of” in each place where they occur there were inserted the words “ or to acquire a holding in ”.

179 Company ceasing to be member of group: post-appointed day cases. **U.K.**

[^{F1093}(1) This section applies where—

- (a) a company (“company A”) acquires an asset from another company (“company B”) at a time when [^{F1094}company A and company B are members of the same group],
- (b) the conditions in subsection (1A) below are met, and
- (c) company A ceases to be a member of that group within the period of six years after the time of the acquisition.

References in this section to a company ceasing to be a member of a group of companies do not apply to cases where a company ceases to be a member of a group in consequence of another member of the group ceasing to exist.

(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that company A is resident in the United Kingdom at the time it acquires the asset, or the asset is a chargeable asset in relation to that company immediately after that time, and
- (b) that company B is resident in the United Kingdom at the time of that acquisition, or the asset is a chargeable asset in relation to that company immediately before that time.

- (b) if the transferee is a member of a group (“Group 2”) and in consequence of the transfer the company becomes a member of Group 2 it shall be treated, for the purposes of this section, as if Group 1 and Group 2 were the same.]

[^{F1097}(1B) Where, as part of the process of a merger to which section 140E applies, a company which is a member of a group (“Group 1”) ceases to exist and in consequence of that cessation—

- (b) shares in one or more companies which were also members of the group are transferred to the transferee,

a company which has ceased to exist, or the shares in which have been transferred to the transferee, shall not be treated for the purposes of this section as having left Group 1.

(1C) If subsection (1B) applies in relation to a company then for the purposes of this section—

- (b) if the transferee is a member of a group (“Group 2”) following the merger (whether or not as the principal company of the group) a company which was a member of Group 1 and became a member of Group 2 in consequence of the merger shall be treated, for the purposes of this section, as if Group 1 and Group 2 were the same.

(1D) In subsections (1B) and (1C), “transferor” and “transferee” have the meaning given by section 140E(9).]

(2ZB) Condition B is that one of the companies—

- (a) is both a 75 per cent subsidiary and an effective 51 per cent subsidiary of the other on the date of the acquisition, and
- (b) remains both a 75 per cent subsidiary and an effective 51 per cent subsidiary of the other until immediately after the companies cease to be members of the group.]

- [^{F1101}(a) a company (“company A”) acquired an asset from another company (“company B”) at a time when both company A and company B were members of the same group (“the first group”),

- (b) subsection (1) has effect in relation to company A’s ceasing to be a member of the second group as if it had been the second group of which both companies had been members at the time of the acquisition, and

- (2B) For the purposes of subsection (2A) above there is a connection between the first group and the second group [^{F1105}at a particular time if, at that time,], the company which is the principal company of that group is under the control of—
- (a) the company which is the principal company of the first group or, if that group no longer exists, which was the principal company of that group when [^{F1106}company A] ceased to be a member of it;
 - (b) any [^{F1107}person or persons who control the company mentioned in paragraph (a) above or who have had it under their] control at any time in the period since [^{F1106}company A] ceased to be a member of the first group; or
 - (c) any [^{F1108}person or persons who have, at any time in that period, had under their] control either—
 - (i) a company which would have [^{F1109}been a person falling] within paragraph (b) above if it had continued to exist, or
 - (ii) a company which would have [^{F1109}been a person falling] within this paragraph (whether by reference to a company which would have [^{F1109}been a person falling] within that paragraph or to a company or series of companies falling within this sub-paragraph).]
- [^{F1110}(2C) This section shall not have effect as respects any asset if, before the time when [^{F1106}company A] ceases to be a member of the group or, as the case may be, the second group, an event has already occurred by virtue of which the company falls by virtue of section 101A(3) to be treated as having sold and immediately reacquired the asset at the time specified in subsection (3) below.]

- (3) If, when [^{F1106}company A] ceases to be a member of the group, [^{F1106}company A], or an associated company also leaving the group, owns, otherwise than as trading stock—
- (a) the asset, or
 - (b) property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,
- then, subject to subsection (4) below, [^{F1106}company A] shall be treated for all the purposes of this Act as if immediately after its acquisition of the asset it had sold, and immediately reacquired, the asset at market value at that time.
- [^{F1112}(3A) Any chargeable gain or allowable loss which would otherwise accrue to company A on the sale referred to in subsection (3) does not so accrue if—
- (a) company A ceases to be a member of the group in consequence of—
 - (i) a disposal of shares in company A or another member of the group made by a member of the group, or
 - (ii) two or more such disposals,

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) either—
 - (i) subsection (3B) applies to the disposal or, if there is more than one disposal, to at least one of them, or
 - (ii) sub-paragraph (i) does not apply but had subsection (3B) applied to the disposal or, if there is more than one disposal, to each of them, any gain arising on the disposal or disposals would not have been a chargeable gain by virtue of Schedule 7AC, and
- (c) in the absence of this subsection, section 535 of CTA 2010 (UK REITS: exemption of gains) would not apply to the chargeable gain or allowable loss which would accrue to company A on the sale.

(3B) This subsection applies to a disposal of shares if—

- (a) the company making the disposal is resident in the United Kingdom at the time of the disposal,
- (b) the shares are chargeable assets in relation to that company immediately before that time, or
- (c) any part of the chargeable gain or allowable loss accruing on the disposal is treated as a gain or loss accruing to a person by virtue of section 13(2) (attribution of gains to members of non-resident companies).

In this section “group disposal” means a disposal within subsection (3A)(a) to which this subsection applies and the company making the disposal is referred to as “the transferor company”.

(3C) For the purposes of subsections (3A) and (3B), the question whether there is a disposal is to be determined ignoring section 127 (share reorganisations etc treated as not involving disposal).

(3D) If subsection (3A) applies, any chargeable gain or allowable loss accruing to the transferor company on a group disposal (other than a group disposal to which section 127 applies) is to be calculated—

- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A), as if the amount of the consideration for the group disposal were increased by the amount of the gain, and
- (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the group disposal.

(3E) If subsection (3A) applies, and section 127 applies to a group disposal, any chargeable gain or allowable loss accruing to the transferor company on a disposal of the new holding arising from the group disposal (or any part of that holding) is to be calculated—

- (a) where a chargeable gain would accrue to company A in the absence of subsection (3A)—
 - (i) as if an amount equal to the amount of the gain were excluded from the expenditure allowable as a deduction under section 38 in the computation of the gain or loss accruing on the disposal (but not so as to reduce that expenditure below nil), and
 - (ii) where (ignoring sub-paragraph (i)) the amount of the gain exceeds the expenditure allowable as such a deduction, as if a gain equal to that excess accrued on the disposal of the new holding (or, if the disposal

is of a part of the new holding, a gain equal to the corresponding part of that excess accrued on that disposal), in addition to any gain or loss that actually accrues on the disposal of the new holding or part, and

- (b) where an allowable loss would accrue to company A in the absence of subsection (3A), as if an amount equal to the amount of the loss were a sum allowable under section 38 as a deduction in the computation of the gain or loss accruing on the disposal.

In this subsection “new holding” has the meaning given by section 126.

(3F) If there is more than one group disposal, the references in subsections (3D) and (3E) to the amount of the gain or loss which would accrue to company A in the absence of subsection (3A) are to be read, in relation to each disposal, as references to—

- (a) such proportion of that amount as the transferor companies in relation to the group disposals jointly elect as the appropriate proportion in relation to the disposal in question, or
- (b) where no election is made, the proportion of that amount attributable to that disposal if that amount is divided equally between the group disposals.

(3G) An election under subsection (3F) must—

- (a) specify the appropriate proportion in relation to each group disposal, and
- (b) be made, by notice to an officer of Revenue and Customs, no later than 2 years after the end of the first accounting period of a company in which any chargeable gain or allowable loss on a group disposal accrues.

(3H) If a group disposal by a company consists of shares of more than one class, then, for the purposes of subsections (3D) and (3E), the company may apportion any increase or deduction to be made between the classes of shares in such manner as it considers appropriate.]

(4) Any chargeable gain or allowable loss [^{F1113}accruing] to [^{F1114}company A] on the sale referred to in subsection (3) above shall be treated as accruing to [^{F1114}company A][^{F1115}at whichever is the later of the following, that is to say—

- (a) the time immediately after the beginning of the accounting period of that company in which or, as the case may be, at the end of which the company ceases to be a member of the group; and
- (b) the time when under subsection (3) above it is treated as having reacquired the asset;

[^{F1116}and sections 138 to 142 of CTA 2010 have effect accordingly as if the actual circumstances were as they are treated as having been].]

[^{F1117}(5) Subsections (6) to (8) apply where—

- (a) in the absence of subsection (6), company A would be treated by virtue of subsection (3) as selling an asset at any time, by reason of ceasing to be a member of the group, and
- (b) company A ceases to be a member of the group by reason only of the fact that the principal company of that group becomes a member of another group.]

(6) [^{F1118}Subsection (3) does not apply to treat company A as selling the asset at that time; but] if—

- (a) within 6 years of that time [^{F1119}company A] ceases at any time (“the relevant time”) to satisfy the following conditions, and

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (b) at the relevant time, [^{F1119}company A], or a company in the same group as that company, owns otherwise than as trading stock the asset or property to which a chargeable gain has been carried forward from the asset on a replacement of business assets,

[^{F1119}company A] shall be treated for all the purposes of this Act as if, immediately after its acquisition of the asset, it had sold and immediately reacquired the asset at the value that, at the time of acquisition, was its market value.

(7) Those conditions are—

- (a) that [^{F1120}company A] is a 75 per cent. subsidiary of one or more members of the other group referred to in subsection (5) above, and
- (b) that [^{F1120}company A] is an effective 51 per cent. subsidiary of one or more of those members.

[^{F1121}(7A) Any chargeable gain or allowable loss which would otherwise accrue to company A on the sale referred to in subsection (6) does not so accrue if—

- (a) company A ceases at the relevant time to satisfy the conditions in subsection (7) in consequence of—
- (i) a disposal of shares in company A, or another member of the other group mentioned in subsection (5)(b), made by a member of that other group, or
- (ii) two or more such disposals,
- (b) either—
- (i) subsection (3B) applies to the disposal or, if there is more than one disposal, to at least one of them, or
- (ii) sub-paragraph (i) does not apply but had subsection (3B) applied to the disposal or, if there is more than one disposal, to each of them, any gain arising on the disposal or disposals would not have been a chargeable gain by virtue of Schedule 7AC, and
- (c) in the absence of this subsection, section 535 of CTA 2010 (UK REITS: exemption of gains) would not apply to the chargeable gain or allowable loss which would accrue to company A on the sale.

(7B) Where subsection (7A) applies, subsections (3C) to (3H) apply to the calculation of any chargeable gain or allowable loss accruing on a disposal within subsection (7A)

(a) to which subsection (3B) applies (a “relevant disposal”) with the following modifications—

- (a) in subsections (3C) to (3H) for the references to a group disposal substitute references to a relevant disposal, and
- (b) in subsections (3C), (3D) and (3E) for the references to subsection (3A) substitute references to subsection (7A).]

(8) Any chargeable gain or allowable loss accruing to [^{F1122}company A] on the sale referred to in subsection (6) is to be treated as accruing immediately before the relevant time.]

(9) Where—

[^{F1133}179Z] **Claim for adjustment of calculations under section 179** **U.K.**

- (1) This section applies where—
 - (a) a gain accrues to a company (“company A”) on a sale referred to in subsection (3) or (6) of section 179, or
 - (b) a gain would so accrue but for subsection (3A) or (7A) of that section.
- (2) If subsection (3D) or (3E) of that section applies in relation to one or more group disposals (within the meaning of that section)—
 - (a) the company making the disposal, or
 - (b) if there is more than one disposal, the companies making those disposals acting jointly,
 may make a claim for the amount of the gain to be treated for the purposes of the subsection in question as reduced by an amount specified in the claim.
- (3) In any other case, company A may make a claim for the amount of the gain to be treated for all purposes of this Act as reduced by an amount specified in the claim.
- (4) Where a claim is made under subsection (2) or (3), the gain must be treated, for the purposes mentioned in the subsection in question, as reduced by such amount (if any) as is just and reasonable.
- (5) In determining the amount which is just and reasonable regard must be had, in particular, to any transaction as a direct or indirect result of which company A or any associated company (within the meaning of section 179(10)) acquired the asset to which the gain relates.
- (6) Where under this section the gain accruing to company A on a sale referred to in subsection (3) or (6) of section 179 is treated as reduced by an amount (“the permitted deduction”), the subsection in question has effect, so far as it provides for the immediate reacquisition of the asset by company A, as if the reference to market value of the asset were to its market value less the permitted deduction.]

184C Sections 184A and 184B: meaning of “qualifying change of ownership” **U.K.**

- (1) For the purposes of sections 184A and 184B, there is a qualifying change of ownership in relation to a company at any time if any one or more of the following occur at that time—
 - (a) the company joins a group of companies (see subsections (2) to (5)),
 - (b) the company ceases to be a member of a group of companies,
 - (c) the company becomes subject to different control (see subsections (6) to (9)).
- (2) Whether a company is a member of a group of companies at any time is determined in accordance with section 170.
- (3) But, apart from in the excepted case, nothing in section 170(10) or (10A) is to prevent all the companies of one group from being regarded as joining another group when the principal company of the first group becomes a member of the other group at any time.
- (4) The excepted case is the case where—
 - (a) the persons owning the shares of the principal company of the first group immediately before that time are the same as the persons owning the shares of the principal company of the other group immediately after that time,
 - (b) the principal company of the other group was not the principal company of any group immediately before that time, and
 - (c) immediately after that time the principal company of the other group had assets consisting entirely (or almost entirely) of shares of the principal company of the first group.
- (5) For this purpose, references to shares of a company are to the shares comprised in the issued share capital of the company.
- (6) The general rule is that a company becomes subject to different control at any time if any one or more of the following occur—
 - (a) a person has control of the company at that time (whether alone or together with one or more others) and the person did not previously have control of the company,

Status: Point in time view as at 06/04/2015.

- (b) a person has control of the company at that time together with one or more others and the person previously had control of the company alone,
 - (c) a person ceases to have control of the company at that time (whether the person had control alone or together with one or more others).
- (7) The general rule is subject to the following exceptions.
- (8) A company does not become subject to different control in any case where it joins a group of companies and the case is the excepted case mentioned above.
- (9) A company (“the subsidiary”) does not become subject to different control at any time in any case where—
- (a) immediately before that time the subsidiary is the 75 per cent. subsidiary of another company, and
 - (b) (although there is a change in the direct ownership of the subsidiary) that other company continues immediately after that time to own it as a 75 per cent. subsidiary.

184D Sections 184A and 184B: meaning of “tax advantage” U.K.

For the purposes of sections 184A and 184B, “tax advantage” means—

- (a) relief or increased relief from corporation tax,
- (b) repayment or increased repayment of corporation tax,
- (c) the avoidance or reduction of a charge to corporation tax or an assessment to corporation tax, or
- (d) the avoidance of a possible assessment to corporation tax.

184E Sections 184A and 184B: “pre-change assets”: basic rules U.K.

- (1) If—
- (a) a company other than the relevant company makes a disposal of an asset, and
 - (b) the asset has been disposed of at any time after the relevant time by a disposal to which section 171(1) does not apply (a “non-section 171(1) transfer”),
- the asset ceases to be regarded as a pre-change asset for the purposes of sections 184A and 184B (but see also subsections (10) and (11)).
- (2) But (without affecting the generality of the provision made by the following subsection) if, on a non-section 171(1) transfer,—
- (a) an asset would cease to be regarded as a pre-change asset as a result of subsection (1), and
 - (b) the company making the non-section 171(1) transfer retains any interest in or over the asset,
- that interest is to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (3) If—
- (a) the relevant company or any other company holds an asset (“the new asset”) at or after the relevant time,
 - (b) the value of the new asset derives in whole or in part from a pre-change asset, and

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (c) the new asset is not acquired by the company concerned as a result of a non-section 171(1) transfer,
the new asset is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (4) For this purpose the cases in which the value of an asset may be derived from any other asset include any case where—
 - (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (5) If a pre-change asset is “the old asset” for the purposes of section 116 (reorganisations, conversions and reconstructions), “the new asset” for the purposes of that section is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (6) If a pre-change asset is the “original shares” for the purposes of sections 127 to 131 (reorganisation or reduction of share capital), the “new holding” for the purposes of those sections is also to be regarded as a pre-change asset for the purposes of sections 184A and 184B.
- (7) The following subsection applies if, as a result of the application of a relevant deferral provision in the case of a disposal of a pre-change asset (“the original disposal”),—
 - (a) a gain or loss that would otherwise accrue to a company does not so accrue, or
 - (b) any part of any such gain is treated as forming part of a single chargeable gain which does not accrue to the company on the original disposal,and a gain or loss does, wholly or partly in consequence of the application of that provision in the case of the original disposal, accrue to the company or any other company on a subsequent occasion.
- (8) So much of the gain or loss accruing on the subsequent occasion as accrues in consequence of the application of the relevant deferral provision in the case of the original disposal is to be regarded for the purposes of sections 184A and 184B as accruing on a disposal of a pre-change asset (so far as it would not otherwise be so regarded).
- (9) A “relevant deferral provision” means any of the following—
 - (a) section 139 (reconstruction involving transfer of business),
 - (b) section 140 (postponement of charge on transfer of assets to non-resident company),
 - (c) section 140A (transfer of a UK trade),
 - (d) section 140E (merger leaving assets within UK tax charge),
 - (e) sections 152 and 153 (replacement of business assets),
 - (f) section 187 (postponement of charge on deemed disposal under section 185).
- (10) If—
 - (a) a pre-change asset of the relevant company is transferred to another company (“the transferee company”),
 - (b) any of sections 139, 140A and 140E apply to the companies in the case of the asset, and
 - (c) the transfer of the asset is made directly or indirectly in consequence of, or otherwise in connection with, the arrangements mentioned in section 184A or 184B,

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. the asset is to be regarded as a “pre-change asset” in the hands of the transferee company for the purposes of sections 184A and 184B.

- (11) In such a case, subsection (1) applies as if the reference in paragraph (a) of that subsection to the relevant company were to the transferee company.

184F Sections 184A and 184B: “pre-change assets”: pooling rules U.K.

- (1) This section applies, in the case of any pre-change asset of the relevant company or any pre-change asset of any company which is acquired on a disposal to which section 171(1) applies, if—
- (a) the pre-change asset consists of a holding of securities which falls as a result of any provision of Chapter 1 of Part 4 to be regarded as a single asset (“the pre-change pooled asset”), and
 - (b) as a result of any disposal or acquisition at any time after the relevant time, any securities (“the other securities”) would (but for this section) be regarded as forming part of the pre-change pooled asset.
- (2) None of the other securities are to be regarded for the purposes of this Act as forming part of the pre-change pooled asset.
- (3) But this does not prevent the other securities from being regarded, as a result of any provision of that Chapter, as forming part of or constituting a different, single asset (“the other pooled asset”).
- (4) Securities of the same class as the other securities which are disposed of at or after the relevant time—
- (a) are to be identified first with the other securities or securities forming part of the other pooled asset,
 - (b) are to be identified next with securities forming part of the pre-change pooled asset (if the number of securities disposed of exceeds the number identified in accordance with paragraph (a)), and
 - (c) subject to paragraphs (a) and (b), are to be identified in accordance with the provisions applicable apart from those paragraphs.
- (5) The above identification rules apply even if some or all of the securities disposed of are otherwise identified—
- (a) by the disposal, or
 - (b) by a transfer or delivery giving effect to it;
- but where a company disposes of securities in one capacity, they are not to be identified with securities which it holds, or can dispose of, only in some other capacity.
- (6) Chapter 1 of Part 4 has effect subject to this section.
- (7) In this section—
- “pre-change asset” means an asset which is pre-change asset for the purposes of section 184A or 184B,
- “securities” does not include relevant securities as defined in section 108 but, subject to that, means—

 - (b) any other assets where they are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

Status: Point in time view as at 06/04/2015.

- (b) the shareholder's share for the immediately preceding accounting period of BLAGAB allowable losses previously accruing to the company which have not been allowed as a deduction from chargeable gains accruing in that immediately preceding accounting period or any earlier accounting period.
- (7) The permitted amount for any subsequent accounting period of the company is arrived at by—
- (a) deducting from the permitted amount for the immediately preceding accounting period the amount of any BLAGAB allowable losses allowed as a deduction from non-BLAGAB chargeable gains accruing to the company in the immediately preceding accounting period, and
 - (b) adjusting the result in accordance with subsection (8) or (9) below.
- (8) If the BLAGAB chargeable gains accruing to the company in the subsequent accounting period exceed the BLAGAB allowable losses so accruing, the amount arrived at under subsection (7)(a) above is reduced by a fraction of which—
- (a) the denominator is the BLAGAB allowable losses accruing to the company in any previous accounting period which have not been allowed as a deduction from chargeable gains accruing to the company in any previous accounting period, and
 - (b) the numerator is so many of those allowable losses as are allowed as a deduction from BLAGAB chargeable gains accruing to the company in the accounting period.
- (9) If the BLAGAB allowable losses accruing to the company in the subsequent accounting period exceed the BLAGAB chargeable gains so accruing, the amount arrived at under subsection (7)(a) above is increased by the shareholders' share of the amount by which those allowable losses exceed those chargeable gains.
- [^{F1244}(10) For the purposes of this section the “shareholders' share” of BLAGAB chargeable gains or BLAGAB allowable losses accruing to an insurance company in an accounting period is determined as follows.
- (10A) If the company has an I - E profit for the accounting period—
- (a) find the percentage (including, if applicable, nil) of the I - E profit that is not represented by the policyholders' share of that profit as determined in accordance with section 103 of the Finance Act 2012, and
 - (b) then multiply that percentage by the amount of the BLAGAB chargeable gains or BLAGAB allowable losses.
- The result is the shareholder's share of the BLAGAB chargeable gains or BLAGAB allowable losses.
- (10B) If the company does not have an I - E profit for the accounting period, the shareholders' share of the BLAGAB chargeable gains or BLAGAB allowable losses is nil.
- (10C) In determining for the purposes of subsections (10A) and (10B) whether or not the company has an I - E profit for an accounting period, assume that non-BLAGAB allowable losses cannot be deducted to any extent from BLAGAB chargeable gains (and, accordingly, assume that section 95 is not included in the Finance Act 2012).]
- (11) In arriving at [^{F1245}the shareholders' share] of chargeable gains accruing to an insurance company under [^{F1246}subsections (10) to (10C)] above there is to be ignored—
- (a) any deduction under section 202(9) (mineral leases: capital losses),

213 Spreading of gains and losses under section 212. **U.K.**

- (1) Any chargeable gains or allowable losses which would otherwise accrue on disposals deemed by virtue of section 212 to have been made at the end of a company's accounting period shall be treated as not accruing to it, but instead—
- there shall be ascertained the difference (“the net amount”) between the aggregate of those gains and the aggregate of those losses, and
 - one-seventh of the net amount shall be treated as a chargeable gain or, where it represents an excess of losses over gains, as an allowable loss accruing to the company at the end of the accounting period, and
 - a further one-seventh shall be treated as a chargeable gain or, as the case may be, as an allowable loss accruing at the end of each succeeding accounting period until the whole amount has been accounted for.
- ^{F1290}(1A) Subsection (1) above shall not apply to chargeable gains or allowable losses except so far as they are gains or losses which—
- are referable^{F1291}, in accordance with Chapter 4 of Part 2 of the Finance Act 2012,] to basic life assurance and general annuity business ^{F1292}...]
- (2) For any accounting period of less than one year, the fraction of one-seventh referred to in subsection (1)(c) above shall be proportionately reduced; and where this subsection has had effect in relation to any accounting period before the last for which subsection (1)(c) above applies, the fraction treated as accruing at the end of that last accounting period shall also be adjusted appropriately.
- (3) ^{F1293}Subject to ^{F1294}subsection (8H)] below,] Where—
- the net amount for an accounting period of an insurance company represents an excess of gains over losses,
 - the net amount for ^{F1295}either of the next 2] accounting periods (after taking account of any reductions made by virtue of this ^{F1296}section]) represents an excess of losses over gains,
 - there is (after taking account of any such reductions) no net amount for ^{F1297}the intervening accounting period (if there is one)],
- ^{F1298}(ca) ^{F1299}the intervening accounting period (if there is one) is not] an accounting period in which the company joined a group of companies, and]
- within 2 years after the end of the later accounting period the company makes a claim for the purpose in respect of the whole or part of the net amount for that period,

the net amounts for both the earlier and the later period shall be reduced by the amount in respect of which the claim is made.

^{F1300}(3A)

^{F1301}(3B)

(4) Subject to subsection (5) below, where a company ceases to carry on [^{F1302}long-term] business before the end of the last of the accounting periods for which subsection (1) (c) above would apply in relation to a net amount, the fraction of that amount that is treated as accruing at the end of the accounting period ending with the cessation shall be such as to secure that the whole of the net amount has been accounted for.

[^{F1303}(4ZA) Subsection (4) applies in relation to an overseas life insurance company with the insertion after “long-term business” of the words “in the United Kingdom through a permanent establishment”.]

[^{F1304}(4ZB) Subject to subsection (5) below, where a company—

- (a) acquired units in a collective investment scheme where section 211B(2) applied in relation to that acquisition, and
- (b) other than by virtue of section 212, disposes of some or all of those units during the period of three years after the end of the accounting period of the company in which the acquisition took place,

the fraction of any net amount that is treated as accruing at the end of the accounting period of the company in which the disposal occurs is to be adjusted so as to secure that the whole of the chargeable gain or allowable loss attributable to the units disposed of which has been taken into account in determining the net amount has been accounted for; and fractions of the net amount treated as accruing at the end of subsequent accounting periods are to be adjusted accordingly.

(4ZC) For the purposes of subsection (4ZB) (notwithstanding the provisions of Chapter 1 of Part 4 (shares, securities, options etc))—

- (a) units in a collective investment scheme acquired as mentioned in subsection (4ZB)(a) are treated as being disposed of before other units in the scheme or, where there are different classes of unit in the scheme, units of the same class held by the company, and
- (b) where units are acquired as mentioned in subsection (4ZB)(a) at different times, units acquired at a later time are treated as disposed of before units acquired at an earlier time or, where there are different classes of unit in the scheme, units of the same class acquired at an earlier time.

(4ZD) In subsections (4ZB) and (4ZC), in relation to a relevant offshore fund, “units” means rights in the fund which are treated as shares under section 103A (application of Act to certain offshore funds).

(4ZE) In subsection (4ZD), “relevant offshore fund” has the same meaning as in section 103A.]

[^{F1305}(4A) The following provisions apply where an insurance business transfer scheme has effect to transfer business which consists of the effecting or carrying out of contracts of long-term insurance from one person (“the transferor”) to another (“the transferee”).

(5) Subject to subsections (5A) to (7) below, any chargeable gain or allowable loss which (^{F1306}making the assumptions in subsection (5ZA) below] would have accrued to the

transferor by virtue of subsection (1) above after the transfer shall instead be deemed to accrue to the transferee.]

[^{F1307}(5ZA) The assumptions referred to in subsection (5) above are—

- (a) that the transferor had continued to carry on the business transferred after the transfer, and
- (b) where there is no accounting period of the transferor ending with the day of the transfer, that for the purposes of section 212 and this section, there was such an accounting period.]

[^{F1308}(5A) Subsection (5) above shall not apply where the transferee is resident outside the United Kingdom unless the business to which the transfer relates is carried on by the transferee, for a period beginning with the time when the transfer takes effect, through a [^{F1309}permanent establishment] in the United Kingdom.]

- (6) Where subsection (5) above has effect, the amount of the gain or loss accruing at the end of the first accounting period of the transferee ending after the day when the transfer takes place shall be calculated as if that accounting period began with the day after the transfer.
- (7) Where the transfer is of part only of the transferor's [^{F1310}long-term] business, subsection (5) above shall apply only to such part of any amount to which it would otherwise apply as is appropriate.
- (8) Any question arising as to the operation of subsection (7) above shall be determined [^{F1311}in the same manner as an appeal, and both the transferor and the transferee shall be entitled to be a party to any proceedings].

[^{F1312}(8A) Subsection (8B) below applies where—

- ^{F1313}(a)
- (b) the transferor and the transferee are, at the time of the transfer, members of the same group,
- (c) the [^{F1314}transferred assets] net amount for the accounting period of the transferor ending with the day of the transfer, or for the immediately preceding accounting period of the transferor, (“the relevant pre-transfer period of the transferor”) represents an excess of gains over losses,
- (d) the [^{F1314}transferred assets] net amount for the accounting period of the transferee in which the transfer takes place, or for the immediately following accounting period of the transferee, (“the relevant post-transfer period of the transferee”) represents an excess of losses over gains (after taking account of any reductions made by virtue of this section), and
- (e) within 2 years after the end of the relevant post-transfer period of the transferee, the transferor and the transferee make a joint election in respect of the whole or part of the net amount for that period by notice to an officer of the Board.

(8B) Subject to subsections (8C) to (8E) and (8H) below, the [^{F1315}transferred assets] net amounts for both the relevant pre-transfer period of the transferor and the relevant post-transfer period of the transferee shall be reduced by the amount in respect of which the election is made.

(8C) Subsection (8B) above does not apply if—

- (a) the relevant post-transfer period of the transferee is the accounting period immediately following that in which the transfer takes place, and

Status: Point in time view as at 06/04/2015.

- (b) the relevant pre-transfer period of the transferor is the accounting period immediately preceding that ending with the day of the transfer.

(8D) If—

- (a) the relevant post-transfer period of the transferee is the accounting period immediately following that in which the transfer takes place, and
 (b) the relevant pre-transfer period of the transferor is the accounting period ending with the day of the transfer,

subsection (8B) above applies only if the conditions in subsection (8F) below are satisfied in relation to the accounting period of the transferee in which the transfer takes place.

(8E) If—

- (a) the relevant post-transfer period of the transferee is the accounting period in which the transfer takes place, and
 (b) the relevant pre-transfer period of the transferor is the accounting period immediately preceding that ending with the day of the transfer,

subsection (8B) above applies only if the conditions in subsection (8F) below are satisfied in relation to the accounting period of the transferor ending with the day of the transfer.

(8F) The conditions referred to in subsections (8D) and (8E) above are that—

- (a) there is (after taking account of any reductions made by virtue of this section) no [^{F1316}transferred assets] net amount for the accounting period, and
 (b) the company whose accounting period it is did not join a group of companies in the accounting period.

(8G) A copy of the notice containing an election under subsection (8A)(e) above must accompany the tax return for the relevant post-transfer period of the transferee; and paragraphs 54 to 60 of Schedule 18 to the Finance Act 1998 (claims and elections for corporation tax purposes) do not apply to such an election.

(8H) [^{F1317}Subsection (3) above has] effect where the company, or the transferee, in question joins a group of companies in the accounting period for which the net amount represents an excess of losses over gains as if a claim or election could not be made in respect of that net amount except to the extent (if any) [^{F1318}that the net amount would still arise even if losses accruing after the date on which the company or transferee joined the group of companies were disregarded].

[Subsections (8A) and (8B) above have effect where the company, or the transferee, in
^{F1319}(8HA) question joins a group of companies in the accounting period for which the transferred assets net amount represents an excess of losses over gains as if a claim or election could not be made in respect of that net amount except to the extent (if any) that the transferred assets net amount would still arise even if losses accruing after the date on which the company or transferee joined the group of companies were disregarded.]

(8I) References in this section to a company joining a group of companies are to be construed in accordance with [^{F1320}section 184C as if those references were contained in that section; and in subsection (8A)(b) above “group” has the same meaning as in that section].]

[^{F1321}(8J) “Transferred assets net amount” means a net amount ascertained in accordance with section 213(1)(a) but only in relation to those assets referred to in section 212(1) which

236B Exemption for employee shareholder shares U.K.

- (1) A gain which accrues on the first disposal of an exempt employee shareholder share is not a chargeable gain.
- (2) A share is an exempt employee shareholder share if it is—
 - (a) an employee shareholder share, and
 - (b) exempt in accordance with sections 236C and 236D.
- (3) In this section and sections 236C to 236G—

shares are “acquired” by an employee if the employee becomes beneficially entitled to them (and they are acquired at the time when the employee becomes so entitled);

“employee shareholder share” means a share acquired in consideration of an employee shareholder agreement and held by the employee;

“employee shareholder agreement” means an agreement by virtue of which an employee is an employee shareholder (see section 205A(1)(a) to (d) of the Employment Rights Act 1996);

“employee” and “employer company”, in relation to an employee shareholder agreement, mean the individual and the company which enter into the agreement.

236C Only first £50,000 of shares under associated agreements to be exempt U.K.

- (1) An employee shareholder share acquired in consideration of an employee shareholder agreement (“the relevant agreement”) is exempt for the purposes of section 236B only if, immediately after its acquisition, the total value of qualifying shares which have been acquired by the employee does not exceed £50,000.
- (2) “Qualifying share” means an employee shareholder share in—
 - (a) the employer company in relation to the relevant agreement, or
 - (b) an associated company of that company,

which is acquired by the employee in consideration of an agreement within subsection (3).
- (3) An agreement is within this subsection if it is—
 - (a) the relevant agreement,
 - (b) another employee shareholder agreement with the same employer company, or
 - (c) an employee shareholder agreement with an associated company of that company.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (4) For the purposes of this section—
- (a) a company is an “associated company” of another if—
 - (i) one of the two has control of the other, or
 - (ii) both are under the control of the same person or persons, and
 - (b) if a company controls another when an employee shareholder agreement is entered into with the employee, paragraph (a) applies as if that continued to be the case (in addition to any other circumstances) when any subsequent employee shareholder agreement is entered into with that employee.
- (5) But subsection (4)(b) does not apply as between two companies if—
- (a) one of the companies has been dissolved,
 - (b) the period of two years beginning with the date of the dissolution has passed, and
 - (c) the employee has not, at any time in that period, been engaged in any office or employment (including engagement under a contract for services) with any company which is an associated company of the dissolved company.
- (6) If a number of qualifying shares are acquired by an employee on a day and—
- (a) before that day, the value of qualifying shares that have been acquired by the employee does not exceed £50,000, and
 - (b) at the end of that day, that value does exceed that sum,
- the appropriate proportion of the shares (rounded down, if necessary, to the nearest share) is to be treated for the purposes of subsection (1) as having been acquired separately and before the others.
- (7) The “appropriate proportion” is the following—
- $$50000 - B T$$
- where—
- B is the value of qualifying shares acquired before the day;
- T is the total value of qualifying shares acquired on the day.
- (8) For the purposes of this section, the value of a share (at any time) is its unrestricted market value at the time when it was acquired by the employee.
- (9) The unrestricted market value of a share when it is acquired by an employee is what the market value of the share would be immediately after the acquisition, but for any restriction.
- For this purpose “restriction” has the meaning given by section 432(8) of ITEPA 2003 (restricted securities for the purposes of Chapter 2 of Part 7 of that Act).

236D Shares not exempt if shareholder or connected person has material interest in company **U.K.**

- (9) In this section—
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable);
 - “close company” includes a company that would be a close company but for—

- (4) For the purposes of this section shares in a company are not to be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.

 - (e) that this section does not apply in relation to any related disposal by P or a person connected with P which occurs in an earlier tax year.
- (5) For the purposes of subsection (4)(b)—
 - (a) unless the settlement met the all-employee benefit requirement by virtue of section 236L (cases in which all-employee benefit requirement treated as met) at the time of the disposal, that section does not apply for the purposes of determining whether the settlement continues to meet that requirement after the disposal, and
 - (b) if, at the time of the disposal, the settlement met that requirement by virtue of section 236L and later continues to meet it otherwise than by virtue of that section, it may not again meet the requirement by virtue of that section.
- (6) A disposal in an earlier tax year is “related” to the disposal in question if—
 - (a) both disposals are of ordinary share capital of the same company, or
 - (b) the disposal in the earlier tax year is of ordinary share capital of a company which is, or at the time of that disposal was, a member of the same group as the company whose ordinary share capital is the subject of the disposal in question.

236J All-employee benefit requirement **U.K.**

- (1) A settlement meets the all-employee benefit requirement if the trusts of the settlement—
- (a) do not permit any of the settled property to be applied, at any time, otherwise than for the benefit of all the eligible employees on the same terms,
 - (b) do not permit the trustees at any time to apply any of the settled property—
 - (i) by creating a trust, or
 - (ii) by transferring property to the trustees of any settlement other than by an authorised transfer,
 - (c) do not permit the trustees at any time to make loans to beneficiaries of the trusts, and
 - (d) do not permit the trustees or any other person at any time to amend the trusts in a way such that the amended trusts would not comply with one or more of paragraphs (a) to (c).
- (2) Section 236K makes provision about the requirement in subsection (1)(a).
- (3) “Eligible employee” means—
- (a) if C meets the trading requirement by virtue of section 236I(1)(a), any individual who is employed by, or is an office-holder of, C, and
 - (b) if C meets the trading requirement by virtue of section 236I(1)(b), any individual who is employed by, or is an office-holder of, a relevant group company,
- but does not include an excluded participator.
- (4) But where—
- (a) C has ceased to meet the trading requirement or the trustees have ceased to hold any shares in C (or both), and
 - (b) a person was an eligible employee at any time during the period of two years ending immediately before that event (or, where both have occurred, the earlier of them),
- that person continues to be an “eligible employee”.
- (5) “Excluded participator” means—
- (a) a person who is a participator in C, or, where C meets the trading requirement by virtue of section 236I(1)(b), in any relevant group company,
 - (b) any other person who is a participator in any close company that has made a disposition whereby property became comprised in the same settlement, being a disposition which but for section 13 or 13A of the Inheritance Tax Act 1984 (dispositions by close companies for benefit of employees or to employee-ownership trusts) would have been a transfer of value for the purposes of inheritance tax,
 - (c) any other person who has been a participator in any company mentioned in paragraph (a) or (b) at any time on or after the look-back date, or
 - (d) any person who is connected with any person within paragraph (a), (b) or (c).

(i) meets the controlling interest requirement with respect to the transferred company immediately after the transfer, and
(ii) meets the all-employee benefit requirement with respect to the transferred company (ignoring section 236L),

and for this purpose references to “C” in sections 236I, 236M and 236T and this section are to be read as references to the transferred company,

“close company” and “participator” have the same meaning as in Part 4 of the Inheritance Tax Act 1984 (see section 102 of that Act), and references to a participator in a company are, in the case of a company which is not a close company, to be construed as references to a person who would be a participator in the company if it were a close company,

“the look-back date” means the first day of the period of 10 years ending with whichever is later of—

- (a) 10 December 2013, and

236K Further provision about the equality requirement **U.K.**

- (1) The requirement in section 236J(1)(a) (“the equality requirement”) is not infringed by the trusts by reason only that they—
 - (a) permit the settled property to be applied, where an eligible employee has died, as if a surviving spouse, civil partner or dependant of the deceased person were the eligible employee (and continued to be employed) for a period of 12 months, or such shorter period as the trusts may provide, starting with the time of death,
 - (b) prevent the settled property being applied for the benefit of persons who have not been eligible employees for a continuous period of 12 months or such shorter period as the trusts may provide,
 - (c) permit the trustees to comply with a written request from a person that the trustees do not apply any of the settled property for the benefit of that person, or
 - (d) prevent the settled property being applied for the benefit of all persons who are eligible employees by reason only that they are office-holders.
- (2) The equality requirement is not infringed by the trusts by reason only that, in addition to requiring the settled property to be applied for the benefit of all the eligible employees on the same terms, they also permit the settled property to be applied for charitable purposes.
- (3) Subject to subsections (1) and (2), the equality requirement is infringed by the trusts if they permit the settled property to be applied by reference to factors other than those mentioned in subsection (4).
- (4) The equality requirement is not infringed by the trusts by reason only that they permit the settled property to be applied for the benefit of all the eligible employees by reference to—
 - (a) an eligible employee’s remuneration,
 - (b) an eligible employee’s length of service, or
 - (c) hours worked by an eligible employee;
 but this is subject to subsections (5) and (6).
- (5) The equality requirement is infringed by the trusts if they permit any of the settled property to be applied on terms such that some (but not all) eligible employees receive no benefits (other than by virtue of subsection (1)(b), (c) and (d)).
- (6) If any of the settled property is applied by reference to more than one of the factors mentioned in subsection (4), the equality requirement is infringed unless—
 - (a) each factor gives rise to a separate entitlement related to the level of remuneration, length of service or (as the case may be) hours worked, and
 - (b) the total entitlement is the sum of those separate entitlements.
- (7) “Eligible employee” has the same meaning as in section 236J.
- (8) In this section, references to the settled property include references to any income arising from it.

236L Cases in which all-employee benefit requirement treated as met U.K.

- (1) A settlement which would not otherwise meet the all-employee benefit requirement at any time is treated as meeting that requirement at that time if—
- (a) the settlement was created before 10 December 2013,
 - (b) on that date—
 - (i) section 86 of the Inheritance Tax Act 1984 (trusts for the benefit of employees) applied to the settled property,

 - (b) immediately reacquired that ordinary share capital, at its market value at that time.
- (4) For the purposes of subsection (2)(b)—
 - (a) unless the settlement met the all-employee benefit requirement at the time of the acquisition by virtue of section 236L, that section does not apply for the purposes of determining whether the settlement continues to meet that requirement after the acquisition, and

- (3) Subsection (4) below shall have effect in respect of the disposal of any asset which is property which has been or could be designated under section 31 of the 1984 Act, being—
 - (a) a disposal by way of gift, including a gift in settlement, or
 - (b) a disposal of settled property by the trustee on an occasion when, under section 71(1), the trustee is deemed to dispose of and immediately reacquire settled property (other than any disposal on which by virtue of section 73 no chargeable gain or allowable loss accrues to the trustee),

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. if the requisite undertaking described in section 31 of the 1984 Act (maintenance, preservation and access) is given by such person as the Board think appropriate in the circumstances of the case.

(4) The person making a disposal to which subsection (3) above applies and the person acquiring the asset on the disposal shall be treated for all the purposes of this Act as if the asset was acquired from the one making the disposal for a consideration of such an amount as would secure that on the disposal neither a gain nor a loss would accrue to the one making the disposal.

(5) If—

- (a) there is a sale of the asset and inheritance tax is chargeable under section 32 of the 1984 Act (or would be chargeable if an inheritance tax undertaking as well as an undertaking under this section had been given), or
- (b) the Board are satisfied that at any time during the period for which any such undertaking was given it has not been observed in a material respect,

the person selling that asset or, as the case may be, the owner of the asset shall be treated for the purposes of this Act as having sold the asset for a consideration equal to its market value, and, in the case of a failure to comply with the undertaking, having immediately reacquired it for a consideration equal to its market value.

(6) The period for which an undertaking under this section is given shall be until the person beneficially entitled to the asset dies or it is disposed of, whether by sale or gift or otherwise; and if the asset subject to the undertaking is disposed of—

- (a) otherwise than on sale, and
- (b) without a further undertaking being given under this section,

subsection (5) above shall apply as if the asset had been sold to an individual.

References in this subsection to a disposal shall be construed without regard to any provision of this Act under which an asset is deemed to be disposed of.

(7) Where under subsection (5) above a person is treated as having sold for a consideration equal to its market value any asset within section 31(1)(c), (d) or (e) of the 1984 Act, he shall also be treated as having sold and immediately reacquired for a consideration equal to its market value any asset associated with it; but the Board may direct that the preceding provisions of this subsection shall not have effect in any case in which it appears to them that the entity consisting of the asset and any assets associated with it has not been materially affected.

For the purposes of this subsection 2 or more assets are associated with each other if one of them is a building falling within section 31(1)(c) of the 1984 Act and the other or others such land or objects as, in relation to that building, fall within section 31(1) (d) or (e) of the 1984 Act.

(8) If in pursuance of subsection (5) above a person is treated as having on any occasion sold an asset and inheritance tax becomes chargeable on the same occasion, then, in determining the value of the asset for the purposes of that tax, an allowance shall be made for the capital gains tax chargeable on any chargeable gain accruing on that occasion.

[^{F1563}(8A) Section 35A of the 1984 Act (variation of undertakings) shall have effect in relation to an undertaking given under this section as it has effect in relation to an undertaking given under section 30 of that Act.]

 - (a) a gain would accrue to the transferor on the disposal, and

 - (a) is deemed to accrue to the transferee (in addition to any gain or loss that actually accrues on that subsequent disposal), and
 - (b) (if that would not otherwise be the case) is to be treated as a chargeable NRCGT gain accruing on a non-resident CGT disposal.

[^{F1616}**263B** ~~Stock lending: insolvency etc of borrower~~ **U.K.**]

- (1) This section applies where, in the case of any stock lending arrangement—
- (a) the borrower (B) becomes insolvent after the lender (L) has transferred the securities,
 - (b) as a result of the insolvency, the requirement for B to make a transfer back to L will not be complied with as regards some or all of the securities,
 - (c) collateral is used (whether directly or indirectly) to enable L to acquire securities (“replacement securities”) of the same description as the securities which will not be transferred back, and
 - (d) the replacement securities are acquired before the end of the period of 30 days beginning with the day on which B becomes insolvent (“the insolvency date”).
- (2) In accordance with section 263B(2), the transfer of the securities under the arrangement is not to be regarded as a disposal by L for the purposes of this Act (but this is subject to subsection (5)).
- (3) B is to be treated for the purposes of this Act as having acquired the securities which will not be transferred back to L; and that acquisition is to be treated—
- (a) as being made on the insolvency date, and
 - (b) as being for a consideration equal to their market value on that date.
- (4) The acquisition of the replacement securities is to be treated, as regards L, as if it were a transfer back of securities in accordance with the arrangement (so that, in accordance with section 263B(2), that acquisition is not regarded as an acquisition by L for the purposes of this Act).

Status: Point in time view as at 06/04/2015.

- (5) If the number of replacement securities is less than the number of securities which B is treated as having acquired, L is to be treated for the purposes of this Act as having made a disposal, at the insolvency date, of the difference (“the deemed disposal”).
- (6) The consideration for the deemed disposal is—
- (a) where all the collateral is used to enable L to acquire replacement securities, nil, and
 - (b) where not all the collateral is so used, the difference between—
 - (i) the market value (at the insolvency date) of the number of securities which could have been acquired using the collateral, and
 - (ii) the market value (at that date) of the number of securities which were in fact so acquired.
- (7) But if L at any time receives any amount (whether arising out of B's insolvency or otherwise) in respect of B's liability to L in respect of the securities which are treated under subsection (5) as having been disposed of by L that amount is to be treated as a chargeable gain accruing at that time to L.
- (8) The liability mentioned in subsection (7) is not to be treated as giving rise to a relevant non-lending relationship for the purposes of Part 6 of CTA 2009 (relationships treated as loan relationships etc).
- (9) For the purposes of this section, B becomes insolvent—
- (a) if a company voluntary arrangement takes effect under Part 1 of the Insolvency Act 1986,
 - (b) if an administration application (within the meaning of Schedule B1 to that Act) is made or a receiver or manager, or an administrative receiver, is appointed,

- (10) In this section—
- (a) “collateral” means an amount of money or other property which—
 - (i) is provided under the arrangement (or under arrangements of which the arrangement forms part), and
 - (ii) is payable to or made available for the benefit of L for the purpose of securing the discharge of the requirement to transfer any or all of the securities back to L, and
 - (b) any expression used in this section and in section 263B has the same meaning as in that section.]

- (1) Where—
- (a) a person (“the taxpayer”) makes a disposal of a right to which this section applies (see subsection (2) below),
 - (b) on that disposal an allowable loss (“the relevant loss”) would, apart from section 279C, accrue to him in any year (“the year of the loss”), and
 - (c) the year of the loss is a year in which the taxpayer is within the charge to capital gains tax (see section 279B(1)),
- the taxpayer may make an election under this section for the relevant loss to be treated as accruing in an earlier year in accordance with section 279C if condition 1 in subsection (3) below and condition 2 in subsection (5) below are satisfied.
- (2) This section applies to a right if each of the following conditions is satisfied—
- (a) the right was, in whole or in part, acquired by the taxpayer as the whole or part of the consideration for a disposal (the “original disposal”) by him of another asset (the “original asset”),
 - (b) the original disposal was made in a year (“the year of the original disposal”) earlier than the year in which the disposal mentioned in subsection (1)(a) above is made (“the year of the right’s disposal”),
 - (c) where the right was acquired by the taxpayer as the whole or part of the consideration for two or more disposals (each of which is accordingly an “original disposal”), the condition in paragraph (b) above is satisfied with respect to each of those disposals (the “original disposals”),
 - (d) on the taxpayer’s acquisition of the right, there was no corresponding disposal of it,
 - (e) the right is a right to unascertainable consideration (see section 279B(2) to (6)).
- (3) Condition 1 for making an election in relation to the relevant loss is that a chargeable gain accrued to the taxpayer on any one or more of the following events—
- (a) the original disposal,
 - (b) an earlier disposal of the original asset by the taxpayer in the year of the original disposal,
 - (c) a later disposal of the original asset by the taxpayer in a year earlier than the year of the right’s disposal,
- or would have so accrued but for paragraph 2(2)(a) of Schedule 5B or 5C (postponement of original gain). This subsection is subject to subsection (4) below.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) If the right to which this section applies was acquired by the taxpayer as the whole or part of the consideration for two or more original disposals (including cases where there are two or more original assets (the “original assets”))—
- (a) any reference in subsection (3) above to the original disposal is a reference to any of the original disposals,
 - (b) any reference in that subsection to the original asset is a reference to the asset which is the original asset in relation to that original disposal, and
 - (c) any reference in that subsection to the year of the original disposal shall be construed accordingly.
- (5) Condition 2 for making an election in relation to the relevant loss is that there is a year (an “eligible year”)—
- (a) which is earlier than the year of the loss but not earlier than the year 1992-93,
 - (b) in which a chargeable gain falling within subsection (3) above or subsection (6) below accrued to the taxpayer, and
 - (c) for which, immediately before the election, there remains a relevant amount on which capital gains tax is chargeable (see subsection (7) below).
- (6) A chargeable gain falling within this subsection accrues to the taxpayer in a year if—
- (a) in that year a chargeable gain (the “revived gain”) is treated as accruing to the taxpayer in accordance with paragraphs 4 and 5 of Schedule 5B or 5C (chargeable gain accruing to person on chargeable event), and
 - (b) the gain which, in determining the amount of the revived gain in accordance with those paragraphs, is the original gain consists of or represents the whole or some part of a gain that would have accrued as mentioned in subsection (3) above but for paragraph 2(2)(a) of Schedule 5B or 5C.
- (7) For the purposes of subsection (5)(c) above, a year is one for which, immediately before an election, there remains a relevant amount on which capital gains tax is chargeable if, immediately before the making of that election, there remains an amount in respect of which the taxpayer is chargeable to capital gains tax for the year—
- (a) after taking account of any previous elections made by the taxpayer under this section,
 - (b) after excluding [^{F1717}the total amount of chargeable gains treated as accruing in that year by virtue of section 87 or 89(2) (read, where appropriate, with section 10A),] and
 - (c) on the assumption that no part of the relevant loss (or of any other loss in respect of which an election under this section may be, but has not been, made) falls to be deducted in consequence of an election under this section from the chargeable gains accruing to the taxpayer in that year.
- (8) In this section “year” means year of assessment.
- (9) This section and sections 279B to 279D are to be construed as one.

279C Effect of election under section 279A **U.K.**

- (1) This section applies where an election is made under section 279A by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.
- (2) Where this section applies, the relevant loss shall be treated for the purposes of capital gains tax as if it were a loss accruing to the taxpayer in the earliest year which is an eligible year (the “first eligible year”), instead of in the year of the loss (but subject to, and in accordance with, the following provisions of this section).
- [F1721](3) The amount of the relevant loss that falls to be deducted (in accordance with section 2(2)(a)) from the chargeable gains of the first eligible year is limited to the first year limit.
- (4) The first year limit is the amount calculated under section 2(2) (read, where appropriate, with section 2(4)(a)) for the first eligible year.

The amount so found is the first year limit in a case where section 2(5)(aa) applies in relation to the first eligible year.
- (4A) For the purpose of making that calculation—
 - (a) no account is to be taken of the relevant loss, but
 - (b) the effect of any previous election under section 279A is to be taken into account.]
- (5) As respects any later year before the year of the loss, the relevant loss (so far as not previously allowed as a deduction from chargeable gains accruing in any previous year) falls to be deducted in accordance with section 2(2)(b) only if that later year is an eligible year.

Status: Point in time view as at 06/04/2015.

- (6) The amount of the relevant loss that falls to be deducted from chargeable gains of that later eligible year in accordance with section 2(2)(b) is limited to the amount (the “later year limit”) in respect of which the taxpayer would be chargeable to capital gains tax for that later year—
- (a) on the assumption in subsection (7) below,
 - (b) taking account of any previous elections under section 279A, and
 - (c) apart from [^{F1722}amounts of chargeable gains treated as accruing in that later year by virtue of section 87 or 89(2) (read, where appropriate, with section 10A)].

- (7) The assumption is that no part of—
- (a) the relevant loss, or
 - (b) any loss in respect of which an election under section 279A may be, but has not been, made,

falls to be deducted, in consequence of an election under section 279A, from any chargeable gains accruing to the taxpayer in that later eligible year.

The assumption falls to be made immediately after the making of the election in respect of the relevant loss.

^{F1723}(8)

- (9) All such adjustments shall be made, whether by discharge or repayment of tax, the making of assessments or otherwise, as are required to give effect to the election under section 279A made by the taxpayer for the relevant loss to be treated as accruing in an earlier year in accordance with this section.

^{F1741}284A Concessions that defer a charge. **U.K.**

- (1) This section applies where—
- (a) a person (“the original taxpayer”) has at any time obtained for any chargeable period (“the first chargeable period”) the benefit of any capital gains relief to which he had no statutory entitlement;
 - (b) the benefit of the relief was obtained in reliance on any concession;
 - (c) the concession was first published by the Board before 9th March 1999 or (having been published on or after that date) replaced a concession satisfying the requirements of this paragraph with a concession to the same or substantially the same effect; and
 - (d) the concession involved the application (with or without modifications), to a case to which they would not otherwise have applied, of the provisions of any enactment (“the relevant statutory provisions”).
- (2) This section applies only if, at the time when the original taxpayer obtained the benefit of the relief, the concession was one available generally to any person falling within its terms.

Status: Point in time view as at 06/04/2015.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 01 July 2024. - (3) If the benefit obtained for the first chargeable period by the original taxpayer is repudiated for any later chargeable period (whether by the original taxpayer or by another person), the enactments relating to the taxation of chargeable gains shall have effect as if a chargeable gain equal to the amount of that benefit accrued in the later chargeable period to the person repudiating the benefit.
- (4) For the purposes of this section—
 - (a) a capital gains relief for any chargeable period is a relief (of whatever description) the effect of which is that the amount of the chargeable gains taken to have accrued to that person in that period is less than it otherwise would have been; and
 - (b) the amount of the benefit of any such relief is the amount by which, as a consequence of that relief, those gains are less than they otherwise would have been.
- (5) Where, without applying a specific enactment, any concession has the effect that—
 - (a) any asset is treated as the same as another asset and as acquired as the other asset was acquired,
 - (b) any two or more assets are treated as a single asset, or
 - (c) any disposal is treated as having been a disposal on which neither a gain nor a loss accrued,that concession shall be assumed for the purposes of this section to have involved the application, to a case to which it would not otherwise have applied, of the provisions of an enactment to the corresponding effect.
- (6) For the purposes of this section the benefit of any relief obtained by the original taxpayer for the first chargeable period is repudiated by a person for a later chargeable period if—
 - (a) circumstances arise such that, had the equivalent circumstances arisen in the case of the corresponding relief under the relevant statutory provisions, the whole or a part of the benefit of that relief would have fallen to be recouped from that person in the later chargeable period;
 - (b) apart from this section, the recoupment in the actual circumstances of the whole or a part of the benefit obtained by the original taxpayer is prevented by the fact that the original taxpayer relied on a concession (rather than on the relevant statutory provisions) to obtain that benefit; and
 - (c) the person from whom, in the equivalent circumstances, the amount of the benefit or any part of it would have fallen to be recouped is not precluded by subsection (8) below from relying on that fact in relation to that amount or part.
- (7) For the purposes of this section an amount of the benefit of a capital gains relief is recouped from any person in a chargeable period to the extent that an amount is so brought into account in his case for that period as to secure that—
 - (a) the amount of his chargeable gains for that period is taken to be more than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit; or
 - (b) the amount of his allowable losses for that period is taken to be less than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit.
