70 Transfers into settlement.

A transfer into settlement, whether revocable or irrevocable, is a disposal of the entire property thereby becoming settled property notwithstanding that the transferor has some interest as a beneficiary under the settlement and notwithstanding that he is a trustee, or the sole trustee, of the settlement.

71 Person becoming absolutely entitled to settled property.

- (1) On the occasion when a person becomes absolutely entitled to any settled property as against the trustee all the assets forming part of the settled property to which he becomes so entitled shall be deemed to have been disposed of by the trustee, and immediately reacquired by him in his capacity as a trustee within section 60(1), for a consideration equal to their market value.

[^{F56}(2) Where, in any case in which a person (“the beneficiary”) becomes absolutely entitled to any settled property as against the trustee, an allowable loss would (apart from this subsection) have accrued to the trustee on the deemed disposal under subsection (1) above of an asset comprised in that property—

- (a) that loss shall be treated, to the extent only that it cannot be deducted from pre-entitlement gains of the trustee, as an allowable loss accruing to the beneficiary (instead of to the trustee); but
- (b) any allowable loss treated as accruing to the beneficiary under this subsection shall be deductible under this Act from chargeable gains accruing to the beneficiary to the extent only that it can be deducted from gains accruing to the beneficiary on the disposal by him of—
- (i) the asset on the deemed disposal of which the loss accrued; or
- (ii) where that asset is an estate, interest or right in or over land, that asset or any asset deriving from that asset.

- (2A) In subsection (2) above “pre-entitlement gain”, in relation to an allowable loss accruing to a trustee on the deemed disposal of any asset comprised in any settled property, means a chargeable gain accruing to that trustee on—
- (a) a disposal which, on the occasion on which the beneficiary becomes absolutely entitled as against the trustee to that property, is deemed under subsection (1) above to have taken place; or
 - (b) any other disposal taking place before that occasion but in the same year of assessment.
- (2B) For the purposes of subsection (2)(b)(ii) above an asset (“the relevant asset”) derives from another if, in a case where—
- (a) assets have merged,
 - (b) an asset has divided or otherwise changed its nature, or
 - (c) different rights or interests in or over any asset have been created or extinguished at different times,
- the value of the relevant asset is wholly or partly derived (through one or more successive events falling within paragraphs (a) to (c) above but not otherwise) from the other asset.
- (2C) The rules set out in subsection (2D) below shall apply (notwithstanding any other rules contained in this Act or in section 113(2) of the Finance Act 1995 (order of deduction))
-
- (a) for determining for the purposes of this section whether an allowable loss accruing to the trustee, or treated as accruing to the beneficiary, can be deducted from particular chargeable gains for any year of assessment; and
 - (b) for the making of deductions of allowable losses from chargeable gains in cases where it has been determined that such an allowable loss can be deducted from particular chargeable gains.
- (2D) Those rules are as follows—
- (a) allowable losses accruing to the trustee on a deemed disposal under subsection (1) above shall be deducted before any deduction is made in respect of any other allowable losses accruing to the trustee in that year;
 - (b) allowable losses treated as accruing to the beneficiary under this section, so far as they cannot be deducted in a year of assessment as mentioned in subsection (2)(b) above, may be carried forward from year to year until they can be so deducted; and
 - (c) allowable losses treated as accruing to the beneficiary for any year of assessment under this section, and allowable losses carried forward to any year of assessment under paragraph (b) above—
 - (i) shall be deducted before any deduction is made in respect of any allowable losses accruing to the beneficiary in that year otherwise than by virtue of this section; and
 - (ii) in the case of losses carried forward to any year, shall be deductible as if they were losses actually accruing in that year.]
- (3) References in this section to the case where a person becomes absolutely entitled to settled property as against the trustee shall be taken to include references to the case where a person would become so entitled but for being an infant or other person under disability.

- (1) Subsection (3) applies if—
 - (a) chargeable gains of an amount equal to the amount referred to in section 86(1)(e) for a tax year (“year A”) are treated under section 10A as accruing to a settlor under section 86 in the period of return,
 - (b) there are amounts on which beneficiaries of the settlement are charged to tax under section 87 or 89(2) for one or more tax years, each of which is earlier than the year of return, and
 - (c) those amounts are in respect of matched capital payments received by the beneficiaries.
- (2) A “matched” capital payment is a capital payment, all or part of which is matched under section 87A with the section 2(2) amount for year A.
- (3) The amount of the chargeable gains mentioned in subsection (1)(a) for year A that are treated under section 10A as accruing to the settlor under section 86 in the period of return is to be reduced by the appropriate amount.
- (4) The appropriate amount is—
 - (a) the sum of the amounts mentioned in subsection (1)(c) to the extent that the matched capital payments are matched under section 87A with the section 2(2) amount for year A, or
 - (b) if the property comprised in the settlement has at any time included property not originating from the settlor, so much (if any) of that sum as, on a just and reasonable apportionment, is properly referable to the settlor.
- (5) If a reduction falls to be made under subsection (3) for the year of return, the deduction to be made in accordance with section 87(4)(b) for the settlement for that year must not be made until—
 - (a) all the reductions to be made under subsection (3) for that year for each settlor have been made, and
 - (b) those reductions are to be made starting with the year immediately preceding the year of return and working backwards.
- (6) Subsection (7) applies if, with respect to year A, an amount remains to be treated under section 10A as accruing to any of the settlors in the period of return after having made the reductions under subsection (3) with respect to year A.

- (7) The aggregate of the amounts remaining to be so treated (for all of the settlors) is to be applied in reducing so much of the section 2(2) amount for year A as has not already been matched with a capital payment under section 87A for any year prior to the year of return (but not so as to reduce the section 2(2) amount below zero).
- (8) In this section—
- (a) “the settlement” means the settlement in relation to which the settlor mentioned in subsection (1)(a) is a settlor,
 - (b) a reference to “the settlors” or “each settlor” is to the settlors or each settlor in relation to the settlement,
 - (c) “period of return” and “year of return” have the same meanings as in section 10A, and
 - (d) paragraph 8 of Schedule 5 applies in construing the reference to property originating from the settlor.]

[^{F119}87A Section 87: matching

(1) This section supplements section 87.

(2) The following steps are to be taken for the purposes of matching capital payments with section 2(2) amounts.

Step 1

Find the section 2(2) amount for the relevant tax year.

Step 2

Find the total amount of capital payments received by the beneficiaries from the trustees in the relevant tax year.

Step 3

The section 2(2) amount for the relevant tax year is matched with—

- (a) if the total amount of capital payments received in the relevant tax year does not exceed the section 2(2) amount for the relevant tax year, each capital payment so received, and
- (b) otherwise, the relevant proportion of each of those capital payments.

“The relevant proportion” is the section 2(2) amount for the relevant tax year divided by the total amount of capital payments received in the relevant tax year.

Step 4

If paragraph (a) of Step 3 applies—

- (a) reduce the section 2(2) amount for the relevant tax year by the total amount of capital payments referred to there, and
- (b) reduce the amount of those capital payments to nil.

If paragraph (b) of that Step applies—

- (a) reduce the section 2(2) amount for the relevant tax year to nil, and
- (b) reduce the amount of each of the capital payments referred to there by the relevant proportion of that capital payment.

Step 5

Start again at Step 1 (unless subsection (3) applies).

If the section 2(2) amount for the relevant tax year (as reduced under Step 4) is not nil, read references to capital payments received in the relevant tax year as references to capital payments received in the latest tax year which—

- (a) is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) is a tax year in which capital payments (the amounts of which have not been reduced to nil) were received by beneficiaries.

If the section 2(2) amount for the relevant tax year (as so reduced) is nil, read references to the section 2(2) amount for the relevant tax year as the section 2(2) amount for the latest tax year—

- (a) which is before the last tax year for which Steps 1 to 4 have been undertaken, and
- (b) for which the section 2(2) amount is not nil.

(3) This subsection applies if—

- (a) all of the capital payments received by beneficiaries from the trustees in the relevant tax year or any earlier tax year have been reduced to nil, or

 - (a) the amount of any consideration in money given to the scheme by or on behalf of A wholly and exclusively for entering into the arrangements referred to in subsection (1)(a) (but not consideration in respect of co-investments),
 - (b) any amount that constituted earnings of A under Chapter 1 of Part 3 of ITEPA 2003 (earnings) in respect of A's entering into those arrangements (but not any earnings in respect of co-investments or any amount of exempt income within the meaning of section 8 of that Act), and
 - (c) any amount which, by reason of events occurring no later than the time the carried interest arises, counts as income of A under the enactments referred to in section 119A(3) in respect of A's participation in the arrangements referred to in subsection (1)(a) (but not an amount counting as income of A in respect of co-investments); and section 119A(5) applies for the purposes of this paragraph as it applies for the purposes of section 119A(4).

For the purposes of this Act no other deduction may be made from the amount of the carried interest referred to in subsection (2) or (3).

- (7) Where the carried interest arises to A by virtue of his or her acquisition of a right to it from another person for consideration given in money by or on behalf of A, the amount of the chargeable gain accruing to A under subsection (2) or (3) is, on the making of a claim by A under this subsection, to be regarded as reduced by the amount of the consideration.
- (8) In this section—
 - “co-investment”, in relation to A, means an investment made directly or indirectly by A in the scheme, where there is no return on the investment which is not an arm's length return within the meaning of section 809EZB(2) of ITA 2007;
 - “co-investment repayment or return” means a repayment in whole or in part of, or a return on, a co-investment;
 - “trade” includes profession or vocation.

103KB Carried interest: consideration on disposal etc of right

- (1) For the purposes of section 103KA, consideration received or receivable by an individual for the disposal, variation, loss or cancellation of a right to carried interest is to be treated as carried interest arising to that individual at the time of the disposal, variation, loss or cancellation.
- (2) But subsection (1) does not apply if and to the extent that the consideration is a disguised fee arising to the individual for the purposes of section 809EZA of ITA 2007.

103KC Carried interest: foreign chargeable gains

In a case where section 103KA applies, a chargeable gain accruing or treated as accruing to an individual in respect of carried interest is a foreign chargeable gain within the meaning of section 12 only to the extent that the individual performs the services referred to in section 103KA(1)(a) outside the United Kingdom.

103KD Carried interest: anti-avoidance

In determining whether section 103KA applies in relation to an individual, no regard is to be had to any arrangements the main purpose, or one of the main purposes, of which is to secure that that section does not to any extent apply in relation to—

- (a) the individual, or
- (b) the individual and one or more other individuals.

103KE Carried interest: avoidance of double taxation

- (1) This section applies where—
 - (a) capital gains tax is charged on an individual by virtue of section 103KA in respect of any carried interest, and
 - (b) Condition A or Condition B is met.
- (2) Condition A is that—
 - (a) at any time, tax (whether income tax or another tax) charged on the individual in relation to the carried interest has been paid by the individual (and has not been repaid), and
 - (b) the amount on which tax is charged as specified in subsection (1)(a) is not a permissible deduction under section 103KA(6)(b) or (c).
- (3) Condition B is that at any time tax (whether income tax or another tax) charged on another person in relation to the carried interest has been paid by that other person (and has not been repaid).
- (4) In order to avoid a double charge to tax, the individual may make a claim for one or more consequential adjustments to be made in respect of the capital gains tax charged as mentioned in subsection (1)(a).
- (5) On a claim under this section an officer of Revenue and Customs must make such of the consequential adjustments claimed (if any) as are just and reasonable.
- (6) The value of any consequential adjustments made must not exceed the lesser of—
 - (a) the capital gains tax charged as mentioned in subsection (1)(a), and
 - (b) the tax charged as mentioned in subsection (2)(a) or (3).

Status: Point in time view as at 30/11/2016.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part III is up to date with all changes known to be in force on or before 16 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (7) Consequential adjustments may be made—
- (a) in respect of any period,
 - (b) by way of an assessment, the modification of an assessment, the amendment of a claim, or otherwise, and
 - (c) despite any time limit imposed by or under an enactment.
- (8) Where—
- (a) an individual makes a claim under this section in respect of a year of assessment, and
 - (b) apart from this subsection, an amount falls to be deducted under section 2(2) (b) from the total amount of chargeable gains accruing to the individual in that year,
- the individual may elect that the amount to be so deducted be reduced by any amount not exceeding the amount on which tax is charged as specified in subsection (2)(a) or (3).

103KF Relief for external investors on disposal of partnership asset

- (1) If—
- (a) a chargeable gain accrues to an external investor in an investment scheme on the disposal of one or more partnership assets, and
 - (b) the external investor makes a claim for relief under this section,
- then subsection (2) applies in relation to the disposal.
- (2) The amount of the chargeable gain is to be reduced by an amount equal to—
- $$I - C$$
- where—
- (a) I is an amount equal to such part of the sum invested in the fund by the external investor which on a just and reasonable basis is referable to the asset or assets disposed of, and
 - (b) C is the amount deducted under section 38(1)(a) in respect of consideration given wholly and exclusively for the acquisition of the asset or assets.

103KG Meaning of “arise” in Chapter 5

- (1) For the purposes of this Chapter, carried interest “arises” to an individual (“A”) if, and only if, it arises to him or her for the purposes of Chapter 5E of Part 13 of ITA 2007.
- (2) But section 809EZDB of ITA 2007 (sums arising to connected company or unconnected person) does not apply in relation to a sum of carried interest arising to—
- (a) a company connected with A, or
 - (b) a person not connected with A,
- where the sum is deferred carried interest in relation to A.
- (3) In this section, “deferred carried interest”, in relation to A—
- (a) means a sum of carried interest where the provision of the sum to A or a person connected with A is deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise), and

Status: Point in time view as at 30/11/2016.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part III is up to date with all changes known to be in force on or before 16 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) includes A's share (as determined on a just and reasonable basis) of any carried interest the provision of which to A and one or more other persons, taken together, has been deferred (whether pending the meeting of any conditions (including conditions which may never be met) or otherwise).

In this subsection, in a case where the sum referred to in subsection (2) arises to a company connected with A, the reference to a person connected with A does not include that company.

(4) Where—

- (a) section 809EZDB of ITA 2007 has been disapplied in relation to a sum of deferred carried interest by virtue of subsection (2),
- (b) the sum ceases to be deferred carried interest in relation to A, and
- (c) the sum does not in any event arise to A apart from this subsection,

the sum is to be regarded as arising to A at the time it ceases to be deferred carried interest.

(5) But subsection (4) does not apply if—

- (a) none of the enjoyment conditions is met in relation to the sum when it ceases to be deferred carried interest, and
- (b) there is no reasonable likelihood that any of those conditions will ever be met in relation to the sum.

(6) The enjoyment conditions are—

- (a) the sum, or part of the sum, is in fact so dealt with by any person as to be calculated at some time to enure for the benefit of A or a person connected with A;
- (b) the sum's ceasing to be deferred carried interest in relation to A operates to increase the value to A or a person connected with A of any assets which—
 - (i) A or the connected person holds, or
 - (ii) are held for the benefit of A or the connected person;
- (c) A or a person connected with A receives or is entitled to receive at any time any benefit provided or to be provided out of the sum or part of the sum;
- (d) A or a person connected with A may become entitled to the beneficial enjoyment of the sum or part of the sum if one or more powers are exercised or successively exercised (and for these purposes it does not matter who may exercise the powers or whether they are exercisable with or without the consent of another person);
- (e) A or a person connected with A is able in any manner to control directly or indirectly the application of the sum or part of the sum.

In this subsection, in a case where the sum referred to in subsection (2) arises to a company connected with A, references to a person connected with A do not include that company.

(7) In determining whether any of the enjoyment conditions is met in relation to a sum or part of a sum—

- (a) regard must be had to the substantial result and effect of all the relevant circumstances, and
- (b) all benefits which may at any time accrue to a person as a result of the sum ceasing to be deferred carried interest in relation to A must be taken into account, irrespective of—

Status: Point in time view as at 30/11/2016.

- (i) the nature or form of the benefits, or
 - (ii) whether the person has legal or equitable rights in respect of the benefits.
 - (8) The enjoyment condition in subsection (6)(b), (c) or (d) is to be treated as not met if it would be met only by reason of A holding shares or an interest in shares in a company.
 - (9) The enjoyment condition in subsection (6)(a) or (e) is to be treated as not met if the sum referred to in subsection (2) arises to a company connected with A and—
 - (a) the company is liable to pay corporation tax in respect of its profits and the sum is included in the computation of those profits, or
 - (b) paragraph (a) does not apply but—
 - (i) the company is a CFC and the exemption in Chapter 14 of Part 9A of TIOPA 2010 applies for the accounting period in which the sum arises, or
 - (ii) the company is not a CFC but, if it were, that exemption would apply for that period.
- In this subsection “CFC” has the same meaning as in Part 9A of TIOPA 2010.
- (10) But subsections (8) and (9) do not apply if the sum referred to in subsection (2) arises to the company referred to in subsection (2)(a) or the person referred to in subsection (2)(b) as part of arrangements where—
 - (a) it is reasonable to assume that in the absence of the arrangements the sum or part of the sum would have arisen to A or an individual connected with A, and
 - (b) it is reasonable to assume that the arrangements have as their main purpose, or one of their main purposes, the avoidance of a liability to pay income tax, capital gains tax, inheritance tax or corporation tax.
 - (11) The condition in subsection (10)(b) is to be regarded as met in a case where the sum is applied directly or indirectly as an investment in a collective investment scheme.
 - (12) Subsection (2) does not apply in relation to any sum in relation to which the condition in subsection (8)(b) of section 809EZDB is met by virtue of subsection (9) of that section.
 - (13) Subsection (2) also does not apply if—
 - (a) it is reasonable to assume that the deferral referred to in subsection (3)(a) or (b) is not the effect of genuine commercial arrangements, or
 - (b) that deferral is the effect of such arrangements but it is reasonable to assume that the arrangements have as their main purpose, or one of their main purposes, the avoidance of a liability to pay income tax, capital gains tax, corporation tax or inheritance tax.
 - (14) In subsection (13), “genuine commercial arrangements” means arrangements involving A (alone or jointly with others performing investment management services) and external investors in the investment scheme.
 - (15) Section 993 of ITA 2007 (meaning of “connected”) applies for the purposes of this section but as if—
 - (a) subsection (4) of that section were omitted, and
 - (b) partners in a partnership in which A is also a partner were not “associates” of A for the purposes of sections 450 and 451 of CTA 2010 (“control”).
