 “relevant allowable expenditure” has the meaning assigned to it by section 53(2)(b) and (3);

- (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.
- (3) On a disposal of the whole of a [^{F25}section 104 holding], the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.
- (4) In relation to a [^{F25}section 104 holding], the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
- (5) Subject to subsection (6) below and section 114 the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
- (6) In relation to a [^{F25}section 104 holding] which was in existence immediately before the coming into force of this section, the indexed pool of expenditure on the coming into force of this section shall be the same as it was for the purposes of Part III of Schedule 19 to the ^{M2}Finance Act 1985 immediately before then.

 - (b) an amount equal to the indexation allowance on the disposal shall be added to the indexed pool of expenditure for the holding acquired or, as the case may be, held by the person to whom the disposal is made (and, where it is added to the indexed pool of expenditure for a holding so held, it shall be added after any increase required by subsection (8)(a) below).]
- (7) Any reference below to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the [^{F25}section 104 holding].
- (8) Whenever an operative event occurs—
 - (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under subsection (10) or (11) below, in the value of the pool since the last operative event or, if there has been no previous operative event, since the pool came into being; and
 - (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
 - (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced; and
 - (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.

- (9) Where the operative event is a disposal—
- (a) any addition under subsection (8)(a) above shall be made before the calculation of the indexation allowance under subsection (2) above; and
 - (b) the reduction under subsection (8)(c) above shall be made after that calculation.
- (10) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to subsection (11) below, by the formula—

$$\frac{RE - RL}{RL}$$

where—

RE is the retail prices index for the month in which the operative event occurs; and

RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.

114 Consideration for options. U.K.

- (1) If, in a case where section 110(8)(b) applies, the increase in the qualifying expenditure is, in whole or in part, attributable to the cost of acquiring an option binding the grantor to sell (“the option consideration”), then, in addition to any increase under section 110(8)(a) or (b), the indexed pool of expenditure shall be increased by an amount equal to the indexed rise in the option consideration, as determined under subsection (2) below.
- (2) The indexed rise in the option consideration is a sum produced by multiplying the consideration by a figure expressed as a decimal and determined, subject to subsection (3) below, by the formula—

where—

RO is the retail prices index for the month in which falls the date on which the option is exercised; and

RA is the retail prices index for the month in which falls the date in which the option was acquired or, if it is later, March 1982.

(b) any option or contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds,
shall not be a chargeable gain.

(2) In subsection (1) above the reference to the disposal of a contract to acquire or dispose of gilt-edged securities or qualifying corporate bonds is a reference to the disposal of the outstanding obligations under such a contract.

(3) Without prejudice to section 143(5), where a person who has entered into any such contract as is referred to in subsection (1)(b) above closes out that contract by entering into another contract with obligations which are reciprocal to those of the first-mentioned contract, that transaction shall for the purposes of this section constitute the disposal of an asset, namely, his outstanding obligations under the first-mentioned contract.

116 Reorganisations, conversions and reconstructions. U.K.

(1) This section shall have effect in any case where a transaction occurs of such a description that, apart from the provisions of this section—

- (a) sections 127 to 130 would apply by virtue of any provision of Chapter II of this Part; and
- (b) either the original shares would consist of or include a qualifying corporate bond and the new holding would not, or the original shares would not and the new holding would consist of or include such a bond;

and in paragraph (b) above “the original shares” and “the new holding” have the same meaning as they have for the purposes of sections 127 to 130.

(2) In this section [F²⁹references to a transaction include references to any conversion of securities (whether or not effected by a transaction) within the meaning of section 132 and] “relevant transaction” means a reorganisation, conversion of securities or other transaction such as is mentioned in subsection (1) above, and, in addition to its application where the transaction takes place after the coming into force of this section, subsection (10) below applies where the relevant transaction took place before the coming into force of this section so far as may be necessary to enable any gain or loss deferred under paragraph 10 of Schedule 13 to the ^{M7}Finance Act 1984 to be taken into account on a subsequent disposal.

(3) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the original shares for the purposes of sections 127 to 130, it is in this section referred to as “the old asset” and the shares or securities which would constitute the new holding for those purposes are referred to as “the new asset”.

(4) Where the qualifying corporate bond referred to in subsection (1)(b) above would constitute the new holding for the purposes of sections 127 to 130, it is in this section referred to as “the new asset” and the shares or securities which would constitute the original shares for those purposes are referred to as “the old asset”.

[F³⁰(4A) In determining for the purposes of subsections (1) to (4) above, as they apply for the purposes of corporation tax—

it shall be assumed that every asset representing a loan relationship of a company is a security within the meaning of section 132.]

- (5) So far as the relevant transaction relates to the old asset and the new asset, sections 127 to 130 shall not apply in relation to it.
- (6) In accordance with subsection (5) above, the new asset shall not be treated as having been acquired on any date other than the date of the relevant transaction or, subject to subsections (7) and (8) below, for any consideration other than the market value of the old asset as determined immediately before that transaction.
- (7) If, on the relevant transaction, the person concerned receives, or becomes entitled to receive, any sum of money which, in addition to the new asset, is by way of consideration for the old asset, that sum shall be deducted from the consideration referred to in subsection (6) above.
- (8) If, on the relevant transaction, the person concerned gives any sum of money which, in addition to the old asset, is by way of consideration for the new asset, that sum shall be added to the consideration referred to in subsection (6) above.
- [^{F31}(8A) Where subsection (6) above applies for the purposes of corporation tax in a case where the old asset consists of a qualifying corporate bond, Chapter II of Part IV of the Finance Act 1996 (loan relationships) shall have effect[^{F32}, subject to subsection (8B) below,] so as to require such debits and credits to be brought into account for the purposes of that Chapter in relation to the relevant transaction as would have been brought into account if the transaction had been a disposal of the old asset at the market value mentioned in [^{F33}subsection (6) above].]
- [^{F34}(8B) Subsection (8A) above does not apply where the relevant transaction is a conversion of securities occurring in consequence of the operation of the terms of any security or of any debenture which is not a security.

Expressions used in this subsection have the same meaning as they have for the purposes of section 132.]

- (9) In any case where the old asset consists of a qualifying corporate bond, then, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as a disposal of the old asset and an acquisition of the new asset.
- (10) Except in a case falling within subsection (9) above, so far as it relates to the old asset and the new asset, the relevant transaction shall be treated for the purposes of this Act as not involving any disposal of the old asset but—
 - (a) there shall be calculated the chargeable gain or allowable loss that would have accrued if, at the time of the relevant transaction, the old asset had been disposed of for a consideration equal to its market value immediately before that transaction; and
 - (b) subject to subsections (12) to (14) below, the whole or a corresponding part of the chargeable gain or allowable loss mentioned in paragraph (a) above shall be deemed to accrue on a subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal); and
 - (c) on that subsequent disposal, section 115 shall have effect only in relation to any gain or loss that actually accrues and not in relation to any gain or loss which is deemed to accrue by virtue of paragraph (b) above.

- (11) Subsection (10)(b) and (c) above shall not apply to any disposal falling within section 58(1), 62(4), 139, [F35 140A,][F36 140E,][F37 or 171(1)], but a person who has acquired the new asset on a disposal falling within any of those sections (and without there having been a previous disposal not falling within any of those sections or a devolution on death) shall be treated for the purposes of subsection (10)(b) and (c) above as if the new asset had been acquired by him at the same time and for the same consideration as, having regard to subsections (5) to (8) above, it was acquired by the person making the disposal.
- (12) In any case where—
- (a) on the calculation under subsection (10)(a) above, a chargeable gain would have accrued, and
 - (b) the consideration for the old asset includes such a sum of money as is referred to in subsection (7) above,
- then, subject to subsection (13) below, the proportion of that chargeable gain which that sum of money bears to the market value of the old asset immediately before the relevant transaction shall be deemed to accrue at the time of that transaction.
- (13) If F38 ... the sum of money referred to in subsection (12)(b) above is small, as compared with the market value of the old asset immediately before the relevant transaction, F38 ... subsection (12) above shall not apply.
- (14) In a case where subsection (12) above applies, the chargeable gain which, apart from that subsection, would by virtue of subsection (10)(b) above be deemed to accrue on a subsequent disposal of the whole or part of the new asset shall be reduced or, as the case may be, extinguished by deducting therefrom the amount of the chargeable gain which, by virtue of subsection (12) above, is deemed to accrue at the time of the relevant transaction.
- (15) In any case where—
- (a) the new asset mentioned in subsections (10) and (11) above is a qualifying corporate bond in respect of which an allowable loss is treated as accruing under section 254(2), and

- [F39(16) This section has effect for the purposes of corporation tax notwithstanding anything in section 80(5) of the Finance Act 1996 (matters to be brought into account in the case of loan relationships only under Chapter II of Part IV of that Act).]

[^{F92}138A Use of earn-out rights for exchange of securities. **U.K.**

- (1) For the purposes of this section an earn-out right is so much of any right conferred on any person (“the seller”) as—

- (a) constitutes the whole or any part of the consideration for the transfer by him of shares in or debentures of a company (“the old securities”);
- (b) consists in a right to be issued with shares in or debentures of another company (“the new company”);
- (c) is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the new securities”) is unascertainable at the time when the right is conferred; and
- (d) is not capable of being discharged in accordance with its terms otherwise than by the issue of the new securities.

- (2) Where—

- (a) there is an earn-out right, [^{F93}and]
- (b) the exchange of the old securities for the earn-out right is an exchange to which section 135 would apply, in a manner unaffected by section 137, if the earn-out right were an ascertainable amount of shares in or debentures of the new company, ^{F94}...

^{F94}(c)

this Act shall have effect, in the case of the seller and every other person who from time to time has the earn-out right, in accordance with the assumptions specified in subsection (3) below.

[Subsection (2) above does not have effect if the seller elects under this section for the ^{F95}(2A) earn-out right not to be treated as a security of the new company.]

- (3) Those assumptions are—

- (b) that the security consisting in the earn-out right is a security of the new company and is incapable of being a qualifying corporate bond for the purposes of this Act;
- (c) that references in this Act (including those in this section) to a debenture include references to a right that is assumed to be a security in accordance with paragraph (a) above; and

- (d) that the issue of shares or debentures in pursuance of such a right constitutes the conversion of the right, in so far as it is discharged by the issue, into the shares or debentures that are issued.

(4) For the purposes of this section where—

- (a) any right which is assumed, in accordance with this section, to be a security of a company (“the old right”) is extinguished,
- (b) the whole of the consideration for the extinguishment of the old right consists in another right (“the new right”) to be issued with shares in or debentures of that company,
- (c) the new right is such that the value or quantity of the shares or debentures to be issued in pursuance of the right (“the replacement securities”) is unascertainable at the time when the old right is extinguished, [^{F96}and]
- (d) the new right is not capable of being discharged in accordance with its terms otherwise than by the issue of the replacement securities, ^{F97}...

^{F97}(e)

[Subsection (4) above does not have effect if the person on whom the new right is ^{F99}(4A) conferred elects under this section for it not to be treated as a security of the new company.]

(5) An election under this section in respect of any right must be made, by a notice given to an officer of the Board—

- (a) in the case of an election by a company within the charge to corporation tax, within the period of two years from the end of the accounting period in which the right is conferred; and
- (b) in any other case, on or before the first anniversary of the 31st January next following the year of assessment in which that right is conferred.

(6) An election under this section shall be irrevocable.

(7) Subject to subsections (8) to (10) below, where any right to be issued with shares in or debentures of a company is conferred on any person, the value or quantity of the shares or debentures to be issued in pursuance of that right shall be taken for the purposes of this section to be unascertainable at a particular time if, and only if—

- (b) those matters are uncertain at that time on account of future business or future assets being included in the business or assets to which they relate.

(8) Where a right to be issued with shares or debentures is conferred wholly or partly in consideration for the transfer of other shares or debentures or the extinguishment of any right, the value and quantity of the shares or debentures to be issued shall not be taken for the purposes of this section to be unascertainable in any case where, if—

- (a) the transfer or extinguishment were a disposal, and

- (9) Where any right to be issued with shares in or debentures of a company comprises an option to choose between shares in that company and debentures of that company, the existence of that option shall not, by itself, be taken for the purposes of this section either—
- (a) to make unascertainable the value or quantity of the shares or debentures to be issued; or
 - (b) to prevent the requirements of subsection (1)(b) and (d) or (4)(b) and (d) above from being satisfied in relation to that right.
- (10) For the purposes of this section the value or quantity of shares or debentures shall not be taken to be unascertainable by reason only that it has not been fixed if it will be fixed by reference to the other and the other is ascertainable.
- (11) In subsection (7) above “relevant company”, in relation to any right to be issued with shares in or debentures of a company, means—
- (a) that company or any company which is in the same group of companies as that company; or

- (c) the first-mentioned company receives no part of the consideration for the transfer (otherwise than by the other company taking over the whole or part of the liabilities of the business),

then, so far as relates to corporation tax on chargeable gains, the 2 companies shall be treated as if any assets included in the transfer were acquired by the one company from the other company for a consideration of such amount as would secure that on the disposal by way of transfer neither a gain nor a loss would accrue to the company making the disposal, and for the purposes of Schedule 2 the acquiring company shall be treated as if the respective acquisitions of the assets by the other company had been the acquiring company's acquisition of them.

[^{F103}(1A) The conditions referred to in subsection (1)(b) above are—

- (a) that the company acquiring the assets is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets in relation to that company immediately after that time, and
- (b) that the company from which the assets are acquired is resident in the United Kingdom at the time of the acquisition, or the assets are chargeable assets in relation to that company immediately before that time.

For this purpose an asset is a “chargeable asset” in relation to a company at any time if, were the asset to be disposed of by the company at that time, any gain accruing to the company would be a chargeable gain and would by virtue of section [^{F104}10B] form part of its chargeable profits for corporation tax purposes.]

- (2) This section does not apply in relation to an asset which, until the transfer, formed part of trading stock of a trade carried on by the company making the disposal, or in relation to an asset which is acquired as trading stock for the purposes of a trade carried on by the company acquiring the asset.

Section 170(1) applies for the purposes of this subsection.

[^{F105}(3)

- (4) This section does not apply in the case of a transfer of the whole or part of a company's business to a unit trust scheme to which section 100(2) applies or which is an authorised unit trust or to an investment trust [^{F106}or a venture capital trust].
- (5) This section does not apply unless the reconstruction ^{F107}... is effected for bona fide commercial reasons and does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax; but the foregoing provisions of this subsection shall not affect the operation of this section in any case where, before the transfer, the Board have, on the application of the acquiring company, notified the company that the Board are satisfied that the reconstruction ^{F107}... will be effected for bona fide commercial reasons and will not form part of any such scheme or arrangements as aforesaid.

Subsections (2) to (5) of section 138 shall have effect in relation to this subsection as they have effect in relation to subsection (1) of that section.

- (6) Where, if the company making the disposal had not been wound up, tax could have been assessed on it by virtue of subsection (5) above, that tax may be assessed and charged (in the name of the company making the disposal) on the company to which the disposal is made.

Status: Point in time view as at 20/07/2005.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part IV is up to date with all changes known to be in force on or before 27 June 2024. - (7) If any tax assessed on a company (“the chargeable company”) by virtue of subsection (5) or (6) above is not paid within 6 months from the date when it is payable, any other person who—
- (a) holds all or any part of the assets in respect of which the tax is charged; and
 - (b) either is the company to which the disposal was made or has acquired the assets without there having been any subsequent disposal not falling within this section or section 171,
- may, within 2 years from the time when the tax became payable, be assessed and charged (in the name of the chargeable company) to all or, as the case may be, a corresponding part of the unpaid tax; and a person paying any amount of tax under this section shall be entitled to recover a sum of that amount from the chargeable company.
- (8) With respect to chargeable gains accruing in chargeable periods ending after such day as the Treasury may by order appoint, in subsection (7) above—
- (a) for the words “when it is payable” there shall be substituted “ when it is due and payable or, if later, the date when the assessment is made on the company ”;
 - (b) for the words “the time when the tax became payable” there shall be substituted “ the later of those dates ”; and
 - (c) for the words “a sum” onwards there shall be substituted “ from the chargeable company a sum equal to that amount together with any interest paid by him under section 87A of the Management Act on that amount ”.

[^{F108}(9) In this section “scheme of reconstruction” has the same meaning as in section 136.]

I2 S. 139(8): 30.9.1993 appointed for the purposes of s. 139(8) by S.I. 1992/3066, art. 2(2)(d)

140 Postponement of charge on transfer of assets to non-resident company. **U.K.**

- (1) This section applies where a company resident in the United Kingdom carries on a trade outside the United Kingdom through a [^{F109}permanent establishment] and—
- that trade, or part of it, together with the whole assets of the company used for the purposes of the trade or part (or together with the whole of those assets other than cash) is transferred to a company not resident in the United Kingdom;
 - the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee company to the transferor company;
 - the shares so issued, either alone or taken together with any other shares in the transferee company already held by the transferor company, amount in all to not less than one quarter of the ordinary share capital of the transferee company; and
 - either no allowable losses accrue to the transferor company on the transfer or the aggregate of the chargeable gains so accruing exceeds the aggregate of the allowable losses so accruing;

and also applies in any case where section 268A of the ^{M15}Income and Corporation Taxes Act 1970 applied unless the deferred gain had been wholly taken into account in accordance with that section before the coming into force of this section.

Section 170(1) shall apply for the purposes of this section.

- (2) In any case to which this section applies the transferor company may claim that this Act shall have effect in accordance with the following provisions.
- (3) Any allowable losses accruing to the transferor company on the transfer shall be set off against the chargeable gains so accruing and the transfer shall be treated as giving rise to a single chargeable gain equal to the aggregate of those gains after deducting the aggregate of those losses and—
- if the securities are the whole consideration for the transfer, the whole of that gain shall be treated as not accruing to the transferor company on the transfer but an equivalent amount (“the deferred gain”) shall be brought into account in accordance with subsections (4) and (5) below;
 - if the securities are not the whole of that consideration—
 - paragraph (a) above shall apply to the appropriate proportion of that gain; and
 - the remainder shall be treated as accruing to the transferor company on the transfer.

In paragraph (b)(i) above “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor company disposes of the whole or part of the securities held by it immediately before that time, the consideration received by it on the disposal shall be treated as increased by the whole or the appropriate proportion

Status: Point in time view as at 20/07/2005.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part IV is up to date with all changes known to be in force on or before 27 June 2024. of the deferred gain so far as not already taken into account under this subsection or subsection (5) below.

In this subsection “the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal.

- (5) If at any time within 6 years after the transfer the transferee company disposes of the whole or part of the relevant assets held by it immediately before that time there shall be deemed to accrue to the transferor company as a chargeable gain on that occasion the whole or the appropriate proportion of the deferred gain so far as not already taken into account under this subsection or subsection (4) above.

In this subsection “relevant assets” means assets the chargeable gains on which were taken into account in arriving at the deferred gain and “the appropriate proportion” means the proportion which the chargeable gain so taken into account in respect of the part of the relevant assets disposed of bears to the aggregate of the chargeable gains so taken into account in respect of the relevant assets held immediately before the time of the disposal.

- (6) There shall be disregarded—
- (a) for the purposes of subsection (4) above any disposal to which section 171 applies; and
 - (b) for the purposes of subsection (5) above any disposal to which that section would apply [^{F110}if subsections (1)(b) and (1A) of that section and section 170(9) were disregarded];

and where a person acquires securities or an asset on a disposal disregarded for the purposes of subsection (4) or (5) above (and without there having been a previous disposal not so disregarded) a disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, transferee company.

[^{F111}(6A) No claim may be made under this section as regards a transfer in relation to which a claim is made under section 140C.]

[^{F112}(6B) If, as part of the process of a merger forming an SE in circumstances in which section 140E applies, securities are transferred to the SE by a transferor company—

- (a) the transfer to the SE shall be disregarded for the purposes of subsection (4), and
- (b) the SE shall be treated as if it were the transferor company in relation to—
 - (i) any subsequent disposal of the securities, and
 - (ii) any subsequent disposal by the transferee company of assets to which subsection (5) applies.]

- (7) If in the case of any such transfer as was mentioned in section 268(1) of the ^{M16}Income and Corporation Taxes Act 1970 there were immediately before the coming into force of this section chargeable gains which by virtue of section 268(2) and 268A(8) of that Act were treated as not having accrued to the transferor company, subsection (4) above shall (without any claim in that behalf) apply to the aggregate of those gains as if references to the deferred gain were references to that aggregate and as if references to the transfer and the securities were references to the transfer and the shares, or shares and loan stock, mentioned in section 268(1).

- (8) If in the case of any such transfer as was mentioned in section 268A(1) of the ^{M17}Income and Corporation Taxes Act 1970 there were immediately before the coming

 - (b) the shares disposed of were not acquired in excess of the permitted maximum for any year of assessment; and
 - (c) that individual acquired those shares for bona fide commercial purposes and not as part of a scheme or arrangement the main purpose of which, or one of the main purposes of which, is the avoidance of tax.

[^{F195}(3)]

- (4) In determining for the purposes of this section whether a disposal by any person of shares in a venture capital trust relates to shares acquired in excess of the permitted maximum for any year of assessment, it shall be assumed (subject to subsection (5) below)—
 - (a) as between shares acquired by the same person on different days, that those acquired on an earlier day are disposed of by that person before those acquired on a later day; and
 - (b) as between shares acquired by the same person on the same day, that those acquired in excess of the permitted maximum are disposed of by that person before he disposes of any other shares acquired on that day.
- (5) It shall be assumed for the purposes of subsection (1) above that a person who disposes of shares in a venture capital trust disposes of shares acquired at a time when it was not such a trust before he disposes of any other shares in that trust.

 - (b) shares shall not, in relation to any time, be treated as shares by reference to which relief has been given under Part I of Schedule 15B to the Taxes Act if that time falls after—
