CHAPTER I

[^{F2}TRANSFER OF BUSINESS ASSETS:] GENERAL PROVISIONS

Textual Amendments

F2 Words in Pt. 5 Ch. 1 heading inserted (15.9.2016) by [Finance Act 2016 \(c. 24\)](#), [Sch. 14 para. 1\(2\)](#)

Replacement of business assets

152 Roll-over relief.

- (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—

Status: Point in time view as at 30/11/2016.

Changes to legislation: *Taxation of Chargeable Gains Act 1992, Part V is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,
- but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.
- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [^{F3}or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [^{F4}or amendments] may be made.
- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.

Status: Point in time view as at 30/11/2016.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part V is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

[^{F5}153A Provisional application of sections 152 and 153.

- (1) This section applies where a person carrying on a trade who for a consideration disposes of, or of his interest in, any assets (“the old assets”) declares, in his return for the chargeable period in which the disposal takes place—
 - (a) that the whole or any specified part of the consideration will be applied in the acquisition of, or of an interest in, other assets (“the new assets”) which on the acquisition will be taken into use, and used only, for the purposes of the trade;
 - (b) that the acquisition will take place as mentioned in subsection (3) of section 152; and
 - (c) that the new assets will be within the classes listed in section 155.
- (2) Until the declaration ceases to have effect, section 152 or, as the case may be, section 153 shall apply as if the acquisition had taken place and the person had made a claim under that section.
- (3) The declaration shall cease to have effect as follows—
 - (a) if and to the extent that it is withdrawn before the relevant day, or is superseded before that day by a valid claim made under section 152 or 153, on the day on which it is so withdrawn or superseded; and
 - (b) if and to the extent that it is not so withdrawn or superseded, on the relevant day.
- (4) On the declaration ceasing to have effect in whole or in part, all necessary adjustments—
 - (a) shall be made by making or amending assessments or by repayment or discharge of tax; and

- (b) shall be so made notwithstanding any limitation on the time within which assessments or amendments may be made.
- (5) In this section “the relevant day” means—
- (a) in relation to capital gains tax, the third anniversary of the 31st January next following the year of assessment in which the disposal of, or of the interest in, the old assets took place;
 - (b) in relation to corporation tax, the fourth anniversary of the last day of the accounting period in which that disposal took place.
- (6) Subsections (6), (8), (10) and (11) of section 152 shall apply for the purposes of this section as they apply for the purposes of that section.]

154 New assets which are depreciating assets.

- (1) Sections 152, 153 and 229 shall have effect subject to the provisions of this section in which—
- (a) the “held-over gain” means the amount by which, under those sections, and apart from the provisions of this section, any chargeable gain on one asset (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and
 - (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.
- (2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—
- (a) the claimant disposes of asset No.2, or
 - (b) he ceases to use asset No.2 for the purposes of a trade carried on by him, or
 - (c) the expiration of a period of 10 years beginning with the acquisition of asset No.2,

whichever event comes first.

[^{F6}(2A) If asset No 2 or shares in a company which holds asset No 2 are transferred as part of the process of a merger to which section 140E applies, the transfer shall be disregarded for the purpose of subsection (2), and for that purpose—

- (a) if the transferee holds asset No 2, it shall be treated for the purpose of subsection (2), in relation to asset No 2, as if it were the claimant, or
- (b) if the transferee holds shares in the company which holds asset No 2, section 175 shall apply in relation to the group of which the transferee is a member as if it were the same group as any group of which the claimant was a member before the merger.

(2B) If, as part of the process of a merger to which section 140E applies, the transferee becomes a member (whether or not as the principal company) of a group of which the claimant is also a member, for the purposes of subsection (2) section 175 shall

apply in relation to the trade carried on by the claimant as if the group of which the transferee is a member were the same group as the group of which the claimant was a member before the merger.

(2C) In subsections (2A) and (2B), “transferor” and “transferee” have the meaning given by section 140E(9).]

[^{F7}(2D) Subsections (2A) and (2B) shall apply in relation to the transfer of an asset in circumstances where section 140A applies as they apply in relation to the transfer of an asset on a merger to which section 140E applies, and for that purpose—

- (a) references to the merger shall be treated as references to the transfer,
- (b) references to section 140E shall be treated as references to section 140A, and
- (c) references to the transferor and the transferee shall be treated as references to the transferor and the transferee in relation to the asset.]

(3) Where section 229 has effect subject to the provisions of this section, subsection (2) (b) above shall have effect as if it read—

“(b) section 232(3) applies as regards asset No.2 (whether or not by virtue of section 232(5)), or”.

(4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—

- (a) the gain held-over from asset No.1 shall be carried forward to asset No.3, and
- (b) the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).

(5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—

- (a) that the consideration for asset No.1 was applied in acquiring asset No.3, and
- (b) that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),

the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.

(6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—

- (a) subsection (4) above applies to the first-mentioned part, and
- (b) the other part remains subject to subsection (2) above.

(7) For the purposes of this section, an asset is a depreciating asset at any time if—

- (a) at that time it is a wasting asset, as defined in section 44, or
- (b) within the period of 10 years beginning at that time it will become a wasting asset (so defined).

Transfer of business to a company

162 Roll-over relief on transfer of business.

- (1) This section shall apply for the purposes of this Act where a person who is not a company transfers to a company a business as a going concern, together with the whole assets of the business, or together with the whole of those assets other than cash, and the business is so transferred wholly or partly in exchange for shares issued by the company to the person transferring the business.

Any shares so received by the transferor in exchange for the business are referred to below as “the new assets”.

- (2) The amount determined under subsection (4) below shall be deducted from the aggregate of the chargeable gains less allowable losses (“the amount of the gain on the old assets”).
- (3) For the purpose of computing any chargeable gain accruing on the disposal of any new asset—
- (a) the amount determined under subsection (4) below shall be apportioned between the new assets as a whole, and
 - (b) the sums allowable as a deduction under section 38(1)(a) shall be reduced by the amount apportioned to the new asset under paragraph (a) above;
- and if the shares which comprise the new assets are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the transferor.

- (4) The amount referred to in subsections (2) and (3)(a) above shall not exceed the cost of the new assets but, subject to that, it shall be the fraction—

$$\frac{A}{B}$$

of the amount of the gain on the old assets where—
“A” is the cost of the new assets, and

“B” is the value of the whole of the consideration received by the transferor in exchange for the business;

and for the purposes of this subsection “the cost of the new assets” means any sums which would be allowable as a deduction under section 38(1)(a) if the new assets were disposed of as a whole in circumstances giving rise to a chargeable gain.

- (5) References in this section to the business, in relation to shares or consideration received in exchange for the business, include references to such assets of the business as are referred to in subsection (1) above.

- (12) For the purpose of determining whether a group of companies is a trading group in a case where any one or more members of the group has a qualifying shareholding in a joint venture company which is not a member of the group—
- (a) every holding of shares in the joint venture company by a member of the group having a qualifying shareholding in it is to be disregarded, and

and in paragraph (b) above “appropriate proportion” means a proportion corresponding to the percentage of the ordinary share capital of the joint venture company held by the member of the group.

[^{F72}167A Gifts of UK residential property interests to non-residents

- (1) This section applies where the disposal in relation to which a claim could be made under section 165 is a disposal of a UK residential property interest to a transferee who is not resident in the United Kingdom and, ignoring section 165—
 - (a) a gain would accrue to the transferor on the disposal, and
 - (b) on the assumption that the disposal is a non-resident CGT disposal (whether or not that is the case), that gain would be a chargeable NRCGT gain (see section 57B and Schedule 4ZZB).
- (2) Section 165(4) has effect in relation to the disposal as if it read—
 - (4) Where a claim for relief is made under this section in respect of the disposal, the amount of any chargeable gain which, apart from this section, would accrue to the transferor on the disposal, shall be reduced by an amount equal to the held-over gain on the disposal.”
- (3) Where the disposal is a non-resident CGT disposal—
 - (a) section 165(4), as modified by subsection (2) of this section, has effect in relation to the disposal as if the reference to “chargeable gain” were a reference to “chargeable NRCGT gain”,
 - (b) section 165(6) has effect in relation to the disposal as if the references to “chargeable gain” were references to “chargeable NRCGT gain”, and
 - (c) section 165(7) has effect in relation to the disposal as if the reference to “the excess referred to in paragraph (b) above” were a reference to “the chargeable NRCGT gain which, ignoring this section and section 17(1), would accrue to the transferor on the disposal”.
- (4) Where a claim for relief is made under section 165 in relation to the disposal mentioned in subsection (1), on a subsequent disposal by the transferee of the whole or part of the interest in UK land which is the subject of the disposal mentioned in subsection (1), the whole or a corresponding part of the held-over gain (see section 165(6))—
 - (a) is deemed to accrue to the transferee (in addition to any gain or loss that actually accrues on that subsequent disposal), and
 - (b) (if that would not otherwise be the case) is to be treated as an NRCGT gain chargeable to capital gains tax by virtue of section 14D accruing on a non-resident CGT disposal.
- (5) Where the subsequent disposal mentioned in subsection (4) is (or proves to be) a chargeable transfer for inheritance tax purposes, section 165(10) has effect in relation to the disposal as if—
 - (a) the reference to “the chargeable gain accruing to the transferee on the disposal of the asset” were a reference to the chargeable gain accruing on the disposal as computed apart from subsection (4), and
 - (b) the reference in section 165(10)(b) to “the chargeable gain” were a reference to—
 - (i) the chargeable gain chargeable to capital gains tax by virtue of any provision of this Act accruing on the disposal, and
 - (ii) the held-over gain deemed to accrue under subsection (4).
- (6) In this section, “interest in UK land” has the meaning given by paragraph 2 of Schedule B1.]

168 Emigration of donee.

(1) If—

(a) relief is given under section 165 in respect of a disposal to an individual or under section 260 in respect of a disposal to an individual (“the relevant disposal”); and

[^{F73}(aa) the transferee is resident in the United Kingdom at the time of that disposal; and]

(b) at a time when he has not disposed of the asset in question, the transferee [^{F74}ceases to be resident] in the United Kingdom,

then, subject to the following provisions of this section, a chargeable gain shall be deemed to have accrued to the transferee immediately before that time, and its amount shall be equal to the held-over gain (within the meaning of section 165 or 260) on the relevant disposal.

(2) For the purposes of subsection (1) above the transferee shall be taken to have disposed of an asset before the time there referred to only if he has made a disposal or disposals in connection with which the whole of the held-over gain on the relevant disposal was represented by reductions made in accordance with section 165(4)(b) or 260(3)(b) and where he has made a disposal in connection with which part of that gain was so represented, the amount of the chargeable gain deemed by virtue of this section to accrue to him shall be correspondingly reduced.

(3) The disposals by the transferee that are to be taken into account under subsection (2) above shall not include any disposal to which section 58 applies; but where any such disposal is made by the transferee, disposals by his spouse [^{F75}or civil partner] shall be taken into account under subsection (2) above as if they had been made by him.

(4) Subsection (1) above shall not apply by reason of a person [^{F76}ceasing to be resident] more than 6 years after the end of the year of assessment in which the relevant disposal was made.

(5) Subsection (1) above shall not apply in relation to a disposal made to an individual if—

(a) the reason for his [^{F77}ceasing to be resident] in the United Kingdom is that he works in an employment or office all the duties of which are performed outside the United Kingdom, and

(b) he again becomes resident ^{F78}... in the United Kingdom within the period of 3 years from the time when he ceases to be so, without having meanwhile disposed of the asset in question;

and accordingly no assessment shall be made by virtue of subsection (1) above before the end of that period in any case where the condition in paragraph (a) above is, and the condition in paragraph (b) above may be, satisfied.

(6) For the purposes of subsection (5) above a person shall be taken to have disposed of an asset if he has made a disposal in connection with which the whole or part of the held-over gain on the relevant disposal would, had he been resident in the United Kingdom, have been represented by a reduction made in accordance with section 165(4)(b) or

260(3)(b) and subsection (3) above shall have effect for the purposes of this subsection as it has effect for the purposes of subsection (2) above.

- (7) Where an amount of tax assessed on a transferee by virtue of subsection (1) above is not paid within the period of 12 months beginning with the date when the tax becomes payable then, subject to subsection (8) below, the transferor may be assessed and charged (in the name of the transferee) to all or any part of that tax.
- (8) No assessment shall be made under subsection (7) above more than 6 years after the end of the year of assessment in which the relevant disposal was made.
- (9) Where the transferor pays an amount of tax in pursuance of subsection (7) above, he shall be entitled to recover a corresponding sum from the transferee.
- (10) Gains on disposals made after a chargeable gain has under this section been deemed to accrue by reference to a held-over gain shall be computed without any reduction under section 165(4)(b) or 260(3)(b) in respect of that held-over gain.
