

# Taxation of Chargeable Gains Act 1992

## 1992 CHAPTER 12

### PART V

#### TRANSFER OF BUSINESS ASSETS

#### CHAPTER I

#### GENERAL PROVISIONS

#### *Replacement of business assets*

#### 152 Roll-over relief.

(1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—

- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
- (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

*Status: Point in time view as at 08/07/2008.*

*Changes to legislation: Taxation of Chargeable Gains Act 1992, Chapter I is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [<sup>F1</sup>or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [<sup>F2</sup>or amendments] may be made.
- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.

### [<sup>F3</sup>153A Provisional application of sections 152 and 153.

- (1) This section applies where a person carrying on a trade who for a consideration disposes of, or of his interest in, any assets (“the old assets”) declares, in his return for the chargeable period in which the disposal takes place—
- (a) that the whole or any specified part of the consideration will be applied in the acquisition of, or of an interest in, other assets (“the new assets”) which on the acquisition will be taken into use, and used only, for the purposes of the trade;
  - (b) that the acquisition will take place as mentioned in subsection (3) of section 152; and
  - (c) that the new assets will be within the classes listed in section 155.
- (2) Until the declaration ceases to have effect, section 152 or, as the case may be, section 153 shall apply as if the acquisition had taken place and the person had made a claim under that section.
- (3) The declaration shall cease to have effect as follows—
- (a) if and to the extent that it is withdrawn before the relevant day, or is superseded before that day by a valid claim made under section 152 or 153, on the day on which it is so withdrawn or superseded; and
  - (b) if and to the extent that it is not so withdrawn or superseded, on the relevant day.
- (4) On the declaration ceasing to have effect in whole or in part, all necessary adjustments—
- (a) shall be made by making or amending assessments or by repayment or discharge of tax; and
  - (b) shall be so made notwithstanding any limitation on the time within which assessments or amendments may be made.
- (5) In this section “the relevant day” means—
- (a) in relation to capital gains tax, the third anniversary of the 31st January next following the year of assessment in which the disposal of, or of the interest in, the old assets took place;
  - (b) in relation to corporation tax, the fourth anniversary of the last day of the accounting period in which that disposal took place.
- (6) Subsections (6), (8), (10) and (11) of section 152 shall apply for the purposes of this section as they apply for the purposes of that section.]

### Textual Amendments

- F3** S. 153A inserted (with effect in accordance with s. 121(8) of the amending Act) by [Finance Act 1996 \(c. 8\), s. 141\(2\)](#)

## 154 New assets which are depreciating assets.

(1) Sections 152, 153 and 229 shall have effect subject to the provisions of this section in which—

- (a) the “held-over gain” means the amount by which, under those sections, and apart from the provisions of this section, any chargeable gain on one asset (“asset No.1”) is reduced, with a corresponding reduction of the expenditure allowable in respect of another asset (“asset No.2”), and
- (b) any reference to a gain of any amount being carried forward to any asset is a reference to a reduction of that amount in a chargeable gain coupled with a reduction of the same amount in expenditure allowable in respect of that asset.

(2) If asset No.2 is a depreciating asset, the held-over gain shall not be carried forward, but the claimant shall be treated as if so much of the chargeable gain on asset No.1 as is equal to the held-over gain did not accrue until—

- (a) the claimant disposes of asset No.2, or
- (b) he ceases to use asset No.2 for the purposes of a trade carried on by him, or
- (c) the expiration of a period of 10 years beginning with the acquisition of asset No.2,

whichever event comes first.

[<sup>F4</sup>(2A) If asset No 2 or shares in a company which holds asset No 2 are transferred as part of the process of a merger to which section 140E applies, the transfer shall be disregarded for the purpose of subsection (2), and for that purpose—

- (a) if the transferee holds asset No 2, it shall be treated for the purpose of subsection (2), in relation to asset No 2, as if it were the claimant, or
- (b) if the transferee holds shares in the company which holds asset No 2, section 175 shall apply in relation to the group of which the transferee is a member as if it were the same group as any group of which the claimant was a member before the merger.

(2B) If, as part of the process of a merger to which section 140E applies, the transferee becomes a member (whether or not as the principal company) of a group of which the claimant is also a member, for the purposes of subsection (2) section 175 shall apply in relation to the trade carried on by the claimant as if the group of which the transferee is a member were the same group as the group of which the claimant was a member before the merger.

(2C) In subsections (2A) and (2B), “transferor” and “transferee” have the meaning given by section 140E(9).]

[<sup>F5</sup>(2D) Subsections (2A) and (2B) shall apply in relation to the transfer of an asset in circumstances where section 140A applies as they apply in relation to the transfer of an asset on a merger to which section 140E applies, and for that purpose—

- (a) references to the merger shall be treated as references to the transfer,
- (b) references to section 140E shall be treated as references to section 140A, and

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)*

- (c) references to the transferor and the transferee shall be treated as references to the transferor and the transferee in relation to the asset.]
- (3) Where section 229 has effect subject to the provisions of this section, subsection (2) (b) above shall have effect as if it read—
- “(b) section 232(3) applies as regards asset No.2 (whether or not by virtue of section 232(5)), or”.
- (4) If, in the circumstances specified in subsection (5) below, the claimant acquires an asset (“asset No.3”) which is not a depreciating asset, and claims under section 152 or 153—
- (a) the gain held-over from asset No.1 shall be carried forward to asset No.3, and
- (b) the claim which applies to asset No.2 shall be treated as withdrawn (so that subsection (2) above does not apply).
- (5) The circumstances are that asset No.3 is acquired not later than the time when the chargeable gain postponed under subsection (2) above would accrue and, assuming—
- (a) that the consideration for asset No.1 was applied in acquiring asset No.3, and
- (b) that the time between the disposal of asset No.1 and the acquisition of asset No.3 was within the time limited by section 152(3),
- the whole amount of the postponed gain could be carried forward from asset No.1 to asset No.3; and the claim under subsection (4) above shall be accepted as if those assumptions were true.
- (6) If part only of the postponed gain could be carried forward from asset No.1 to asset No.3, and the claimant so requires, that and the other part of the postponed gain shall be treated as derived from 2 separate assets, so that, on that claim—
- (a) subsection (4) above applies to the first-mentioned part, and
- (b) the other part remains subject to subsection (2) above.
- (7) For the purposes of this section, an asset is a depreciating asset at any time if—
- (a) at that time it is a wasting asset, as defined in section 44, or
- (b) within the period of 10 years beginning at that time it will become a wasting asset (so defined).
