 - (b) an obligation to undertake exploration work or appraisal work in an area which is or forms part of the licensed area in relation to the licence disposed of,

the value of that consideration shall be treated as nil for the purposes of this Act.

- (3) If the disposal of a licence which, at the time of the disposal, relates to an undeveloped area is part of a larger transaction under which one party makes to another disposals of 2 or more licences, each of which at the time of the disposal relates to an undeveloped area, the reference in subsection (2)(b) above to the licensed area in relation to the licence disposed of shall be construed as a reference to the totality of the licensed areas in relation to those 2 or more licences.
- (4) In relation to a disposal of a licence which, at the time of the disposal, relates to an undeveloped area, being a disposal—
- which is a part disposal of the licence in question, and
 - part but not the whole of the consideration for which falls within paragraph (a) or paragraph (b) of subsection (2) above,
- section 42 shall not apply unless the amount or value of the part of the consideration which does not fall within one of those paragraphs is less than the aggregate of the amounts which, if the disposal were a disposal of the whole of the licence rather than a part disposal, would be—
- the relevant allowable expenditure, as defined in section 53; and
 - the indexation allowance on the disposal.
- (5) Where section 42 has effect in relation to such a disposal as is referred to in subsection (4) above, it shall have effect as if, for subsection (2) thereof, there were substituted the following subsection—

- the amount or value of the consideration for the disposal on the one hand (call that amount or value A), and
- the aggregate referred to in section 194(4) on the other hand (call that aggregate C),

and the fraction of the said sums allowable as a deduction in computing the amount of the gain (if any) accruing on the disposal shall be—

195 Allowance of certain drilling expenditure etc.

- (1) On the disposal of a licence, relevant qualifying expenditure incurred by the person making the disposal—
- in searching for oil anywhere in the licensed area, or

- (2) Expenditure incurred as mentioned in subsection (1) above is relevant expenditure if, and only if—
- (a) it is expenditure of a capital nature on [^{F2}research and development]; and
 - [^{F3}(b) either it is expenditure in respect of which the person was entitled to an allowance under section 441 of the Capital Allowances Act (research and development allowances) for a relevant chargeable period which began before the date of the disposal or it would have been such expenditure if the trading condition had been fulfilled, and
 - (c) on the disposal, section 443 of that Act (disposal values) applies in relation to the expenditure or would apply if the trading condition had been fulfilled (and the expenditure had accordingly been qualifying expenditure under Part 6 of that Act).]
- (3) In subsection (2) above and subsection (4) below, the expression “if the trading condition had been fulfilled” means, in relation to expenditure of a capital nature on [^{F2}research and development], if, after the expenditure was incurred but before the disposal concerned was made, the person incurring the expenditure had set up and commenced a trade connected with that research [^{F4}and development]; and in subsection (2)(b) above—
- “relevant chargeable period” has the same meaning as in [^{F5}section 441 of the Capital Allowances Act]; ^{F6} ...
- ^{F6}
- (4) Relevant expenditure is qualifying expenditure only to the extent that it does not exceed the [^{F7}disposal value] which, by reason of the disposal—
- [^{F8}(a) is required to be brought into account under section 443 of the Capital Allowances Act; or
 - (b) would be required to be so brought into account if the trading condition had been fulfilled (and the expenditure had accordingly been qualifying expenditure under Part 6 of that Act).]
- ^{F9}(5)
- (6) Where, on the disposal of a licence, subsection (1) above has effect in relation to any relevant qualifying expenditure [^{F10}in respect of which the person had not in fact been entitled to an allowance] as mentioned in subsection (2)(b) above—
- (a) no allowance shall be made in respect of that expenditure under [^{F11}section 441 of the Capital Allowances Act]; ^{F12} ...
 - ^{F12}(b)
- (7) Where, on the disposal of a licence which is a part disposal, subsection (1) above has effect in relation to any relevant qualifying expenditure, then, for the purposes of section 42, that expenditure shall be treated as wholly attributable to what is disposed of (and, accordingly, shall not be apportioned as mentioned in that section).
- [^{F13}(8) In this section “research and development” has the same meaning as in [^{F14}Part 6 of the Capital Allowances Act (research and development allowances)].]
