 - (b) the periods after 5th April 1998 for which each of the assets shall be taken to have been held at the time of their disposal shall be the same and shall be determined without reference to the length of the periods mentioned in sub-paragraph (3)(a) and (b) above.

- (a) the company was a trading company or the holding company of a trading group; and
 - (b) the voting rights in that company were exercisable, as to not less than 25 per cent., by that individual or, as the case may be, the trustees of the settlement or the personal representatives.
- (3) A company was also a qualifying company by reference to an individual at any time when all of the following conditions were satisfied, that is to say—
- (a) the company was a trading company or the holding company of a trading group;
 - (b) the voting rights in that company were exercisable, as to not less than 5 per cent., by that individual; and
 - (c) that individual was a full-time working officer or employee of that company or of a company which at the time had a relevant connection with that company.
- (4) A company was also a qualifying company by reference to the trustees of a settlement at any time when all the following conditions were satisfied, that is to say—
- (a) the company was a trading company or the holding company of a trading group;
 - (b) the voting rights in that company were exercisable, as to not less than 5 per cent., by the trustees of that settlement; and
 - (c) an eligible beneficiary was a full-time working officer or employee of that company or of a company which at the time had a relevant connection with that company.

Persons who are eligible beneficiaries

- 7
- (1) An eligible beneficiary, in relation to an asset comprised in a settlement and a time, is any individual having at that time a relevant interest in possession under the settlement in either—
 - (a) the whole of the settled property; or
 - (b) a part of the settled property that is or includes that asset.
 - (2) In this paragraph “relevant interest in possession”, in relation to property comprised in a settlement, means any interest in possession under that settlement other than—
 - (a) a right under that settlement to receive an annuity; or
 - (b) a fixed-term entitlement.
 - (3) In sub-paragraph (2) above “fixed-term entitlement”, in relation to property comprised in a settlement, means any interest under that settlement which is limited to a term that is fixed and is not a term at the end of which the person with that interest will become entitled to the property.

Cases where there are non-qualifying beneficiaries

- 8
- (1) This paragraph applies in the case of a disposal of an asset by the trustees of a settlement where the asset’s relevant period of ownership is or includes a period (“a sharing period”) throughout which—
 - (a) the asset was a business asset by reference to one or more eligible beneficiaries;
 - (b) the asset would not otherwise have been a business asset; and

Status: Point in time view as at 06/04/1999.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 15 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (c) there is a non-qualifying part of the relevant income, or there would be if there were any relevant income for that period.
- (2) The period throughout which the asset disposed of is to be taken to have been a business asset shall be determined as if the relevant fraction of every sharing period were a period throughout which the asset was not a business asset.
- (3) In sub-paragraph (2) above “the relevant fraction”, in relation to any sharing period, means the fraction which represents the proportion of relevant income for that period which is, or (if there were such income) would be, a non-qualifying part of that income.
- (4) Where a sharing period is a period in which the proportion mentioned in sub-paragraph (3) above has been different at different times, this paragraph shall require a separate relevant fraction to be determined for, and applied to, each part of that period for which there is a different proportion.
- (5) For the purposes of this paragraph the non-qualifying part of any relevant income for any period is so much of that income for that period as is or, as the case may be, would be—
 - (a) income to which no eligible beneficiary has any entitlement; or
 - (b) income to which a non-qualifying eligible beneficiary has an entitlement.
- (6) In sub-paragraph (5) above “non-qualifying eligible beneficiary”, in relation to a period, means an eligible beneficiary who is not a beneficiary by reference to whom (if he were the only beneficiary) the asset disposed of would be a business asset throughout that period.
- (7) In this paragraph “relevant income” means income from the part of the settled property comprising the asset disposed of.

Cases where an asset is used at the same time for different purposes

- 9 (1) This paragraph applies in the case of a disposal by any person of an asset where the asset’s relevant period of ownership is or includes a period (“a mixed-use period”) throughout which the asset—
 - (a) was a business asset by reference to its use for purposes mentioned in paragraph 5(2) to (5) above; but
 - (b) was, at the same time, being put to a non-qualifying use.
- (2) The period throughout which the asset disposed of is to be taken to have been a business asset shall be determined as if the relevant fraction of every mixed-use period were a period throughout which the asset was not a business asset.
- (3) In sub-paragraph (2) above “the relevant fraction”, in relation to any mixed-use period, means the fraction which represents the proportion of the use of the asset during that period that was a non-qualifying use.
- (4) Where both this paragraph and paragraph 8 above apply in relation to the whole or any part of a period—
 - (a) effect shall be given to that paragraph first; and
 - (b) further reductions by virtue of this paragraph in the period for which the asset disposed of is taken to have been a business asset shall be made in respect of only the relevant part of any non-qualifying use.

Status: Point in time view as at 06/04/1999.

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) In sub-paragraph (4) above the reference to the relevant part of any non-qualifying use is a reference to the proportion of that use which is not a use to which a non-qualifying part of any relevant income is attributable.
- (6) Where a mixed-use period is a period in which—
- (a) the proportion mentioned in sub-paragraph (3) above has been different at different times, or
 - (b) different attributions have to be made for the purposes of sub-paragraphs (4) and (5) above for different parts of the period,
- this paragraph shall require a separate relevant fraction to be determined for, and applied to, each part of the period for which there is a different proportion or attribution.
- (7) In this paragraph—
- “non-qualifying use”, in relation to an asset, means any use of the asset for purposes which are not purposes in respect of which the asset would fall to be treated as a business asset at the time of its use; and
 - “non-qualifying part” and “relevant income” have the same meanings as in paragraph 8 above.

Periods of limited exposure to fluctuations in value not to count

- 10 (1) Where, in the case of any asset disposed of (“the relevant asset”), the period after 5th April 1998 for which that asset had been held at the time of its disposal is or includes a period during which—
- (a) the person making the disposal, or
 - (b) a relevant predecessor of his,
- had limited exposure to fluctuations in the value of the asset, the period during which that person or predecessor had that limited exposure shall not count for the purposes of taper relief.
- (2) The times when a person shall be taken for the purposes of this paragraph to have had such limited exposure in the case of the relevant asset shall be all the times while he held that asset when a transaction entered into at any time by him, or by a relevant predecessor of his, had the effect that he—
- (a) was not exposed, or not exposed to any substantial extent, to the risk of loss from fluctuations in the value of the relevant asset; and
 - (b) was not able to enjoy, or to enjoy to any substantial extent, any opportunities to benefit from such fluctuations.
- (3) The transactions referred to in sub-paragraph (2) above do not include—
- (a) any insurance policy which the person in question might reasonably have been expected to enter into and which is insurance against the loss of the relevant asset or against damage to it, or against both; or
 - (b) any transaction having effect in relation to fluctuations in the value of the relevant asset so far only as they are fluctuations resulting from fluctuations in the value of foreign currencies.
- (4) In this paragraph “relevant predecessor”—
- (a) in relation to a person disposing of an asset, means any person other than the person disposing of it who held that asset at a time falling in the period

which is taken to be the whole period for which it had been held at the time of its disposal; and

- (b) in relation to a relevant predecessor of a person disposing of an asset, means any other relevant predecessor of that person.

- (5) In sub-paragraph (4) above, the reference, in relation to an asset, to the whole period for which it had been held at the time of its disposal is a reference to the period that would be given for that asset by paragraph 2(1) above if, in paragraph (a), the words “whichever is the later of 6th April 1998 and” were omitted.

Periods of share ownership not to count where there is a change of activity by the company

- 11 (1) This paragraph applies where—
- (a) there is a disposal of an asset consisting of shares in a close company; and
 - (b) the period beginning with the relevant time and ending with the time of the disposal includes at least one relevant change of activity involving that company.
- (2) So much of the period after 5th April 1998 for which the asset had been held at the time of its disposal as falls before the time, or latest time, in that period when there was a relevant change of activity involving the close company shall not count for the purposes of taper relief.
- (3) Where—
- (a) a close company or any of its 51 per cent. subsidiaries has at any time begun to carry on a trade, and
 - (b) immediately before that time, neither that company nor any of its 51 per cent. subsidiaries was carrying on a trade,
- a relevant change of activity involving the close company shall be taken to have occurred at that time.
- (4) For the purposes of this paragraph where—
- (a) at the time of the disposal of the shares, the close company was carrying on a business of holding investments, and
 - (b) there has been any occasion falling within—
 - (i) the period of twelve months ending with that time, or
 - (ii) the period of twelve months ending with any earlier time after the relevant time,
 when the close company was not carrying on that business or when the size of that business was small by comparison with its size at the end of that period,
- a relevant change of activity involving the close company shall be taken to have occurred immediately after the latest such occasion before the time of the disposal.
- (5) For the purposes of sub-paragraph (4) above the size of any business at any time shall be determined by assuming it to correspond to the aggregate of the amounts and values given by way of consideration for the assets held at that time for the purposes of the business.
- (6) In determining for the purposes of this paragraph whether a close company is at any time carrying on a business of holding investments, and in determining for those purposes the size at any time of such a business—

- (a) all the activities of a close company and of all its 51 per cent. subsidiaries shall be taken together as if they were all being carried on by the close company; and
 - (b) the activities that are included in a business of holding investments shall be taken not to include—
 - (i) holding shares in a 51 per cent. subsidiary of the company holding the shares;
 - (ii) making loans to an associated company or to a participator in the company making the loan or in an associated company; or
 - (iii) placing money on deposit.
- (7) In this paragraph—
- (a) references to a company’s carrying on a trade, or to beginning to carry one on, do not include references to its carrying on or beginning to carry on a trade that is merely incidental to any non-trading activities carried on by that company or another company in the same group of companies; and
 - (b) references to a business of holding investments include references to a business of making investments.
- (8) For the purposes of this paragraph a company is to be treated as another’s associated company at any time if at that time, or at another time within one year previously—
- (a) one of them has had control of the other; or
 - (b) both have been under the control of the same person or persons.
- (9) In this paragraph—
- “51 per cent. subsidiary”, in relation to another company, means a company which, in accordance with section 170(7), is an effective 51 per cent. subsidiary of the other company for the purposes of sections 170 to 181; and
- “participator”, in relation to a company, has the meaning given by section 417(1) of the Taxes Act.
- (10) In this paragraph “the relevant time”, in relation to the disposal of an asset consisting of shares in a company, means the beginning of the period after 5th April 1998 for which that asset had been held at the time of its disposal.

Periods of share ownership not to count in a case of value shifting

- 12 (1) This paragraph applies (subject to sub-paragraph (4) below) where—
- (a) there is a disposal of an asset consisting of shares in a close company, and
 - (b) at least one relevant shift of value involving that asset has occurred between the relevant time and the time of the disposal.
- (2) So much of the period after 5th April 1998 for which the asset had been held at the time of its disposal as falls before the time, or latest time, in that period at which there was a relevant shift of value involving that asset shall not count for the purposes of taper relief.
- (3) For the purposes of this paragraph a relevant shift of value involving any asset shall be taken to have occurred whenever—
- (a) a person having control of a close company exercised his control of that company so that value passed into that asset out of a relevant holding; or

Status: Point in time view as at 06/04/1999.

- (b) effect was given to any other transaction by virtue of which value passed into that asset out of a relevant holding.
- (4) A relevant shift of value involving an asset shall be disregarded for the purposes of this paragraph if—
- (a) that shift of value is one in which the value passing into that asset out of the relevant holding is insignificant; or
 - (b) that shift of value took place at a time when the qualifying holding period of the relevant holding was at least as long as the qualifying holding period of that asset.
- (5) In sub-paragraphs (3) and (4) above the references to a relevant holding shall be construed, in relation to any case in which value has passed out of one asset into another asset consisting of shares in a company, as a reference to any holding by—
- (a) the person who, following the exercise of control or other transaction by virtue of which the value has passed, held the other asset, or
 - (b) a person connected with him,
- of any shares in that company or in a company under the control of the same person or persons as that company.
- (6) For the purposes of sub-paragraph (4)(b) above the reference to the qualifying holding period of a holding or other asset at the time when a shift of value takes place shall be taken to be what, in relation to a disposal at that time of that holding or other asset by the person then entitled to dispose of it, would be taken to have been its qualifying holding period for the purposes of section 2A.
- (7) In this paragraph references to shares in a company include references to rights over a company.
- (8) In this paragraph “the relevant time”, in relation to the disposal of an asset consisting of shares in a company, means the beginning of the period after 5th April 1998 for which that asset had been held at the time of its disposal.

 - (b) the acquisition of an option and the transaction entered into by the person exercising the option,
- fall to be treated as one transaction.
- (2) The time of the disposal of any asset disposed of in pursuance of the transaction shall be the time of the following disposal—

 - (b) if the option binds the grantor to buy, the disposal made to the grantor in consequence of the exercise of the option.
- (3) The time of the acquisition of any asset acquired in pursuance of the option, or in consequence of its exercise, shall be the time of the exercise of the option.

- (4) Any question whether the asset disposed of or acquired was a business asset at any time shall be determined by reference to the asset to which the option related, and not the option.

Further rules for assets derived from other assets

- 14 (1) This paragraph applies if, in a case where—
- (a) assets have merged,
 - (b) an asset has divided or otherwise changed its nature, or
 - (c) different rights or interests in or over any asset have been created or extinguished at different times,
- the value of any asset disposed of is derived (through one or more successive events falling within paragraphs (a) to (c) above but not otherwise) from one or more other assets acquired into the same ownership at a time before the acquisition of the asset disposed of.
- (2) The asset disposed of shall be deemed for the purposes of this Schedule to have been acquired at the earliest time at which any asset from which its value is derived was acquired into the same ownership.
- (3) Any determination of whether the asset disposed of was a business asset at a time when another asset from which its value is derived was in the ownership of the person making the disposal shall be made as if that other asset were the asset disposed of or, as the case may be, were comprised in it.

- 1 (1) This paragraph applies—
- to shares and securities which on 6th April 1965 had quoted market values on a recognised stock exchange, or which had such quoted market values at any time in the period of 6 years ending on 6th April 1965, and
 - to rights of unit holders in any unit trust scheme the prices of which are published regularly by the managers of the scheme.
- (2) For the purposes of this Act it shall be assumed, wherever relevant, that any assets to which this paragraph applies were sold by the owner, and immediately reacquired by him, at their market value on 6th April 1965.
- (3) This paragraph shall not apply in relation to a disposal of shares or securities of a company by a person to whom those shares or securities were issued as an employee either of the company or of some other person on terms which restrict his rights to dispose of them.

Restriction of gain or loss by reference to actual cost

- 2 (1) Subject to paragraph 4 below and section 109(4), paragraph 1(2) above shall not apply in relation to a disposal of assets—
- (a) if on the assumption in paragraph 1(2) a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue if paragraph 1(2) did not apply, or
 - (b) if on the assumption in paragraph 1(2) a loss would so accrue and either a smaller loss or a gain would accrue if paragraph 1(2) did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the preceding provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (2) For the purpose of—
- (a) identifying shares or securities held on 6th April 1965 with shares or securities previously acquired, and
 - (b) identifying the shares or securities held on that date with shares or securities subsequently disposed of, and distinguishing them from shares or securities acquired subsequently,
- so far as that identification is needed for the purposes of sub-paragraph (1) above, and so far as the shares or securities are of the same class, shares or securities acquired at a later time shall be deemed to be disposed of before shares or securities acquired at an earlier time.
- (3) Sub-paragraph (2) above has effect subject to section 105.
- 3 (1) Where—
- (a) a disposal was made out of quoted securities before 20th March 1968, and
 - (b) by virtue of paragraph 2 of Schedule 7 to the ^{M9}Finance Act 1965 some of the quoted securities out of which the disposal was made were acquired before 6th April 1965 and some later,
- then in computing the gain accruing on any disposal of quoted securities the question of what remained undisposed of on the earlier disposal shall be decided on the footing that paragraph 2 of that Schedule did not apply as respects that earlier disposal.

- (2) If a person so elects, quoted securities covered by the election shall be excluded from paragraph 2 above, so that paragraph 1(2) above is not excluded by that paragraph as respects those securities, and sub-paragraphs (3) to (7) (which re-enact section 65 of the 1979 Act) apply.
- (3) Subject to section 105, any number of quoted securities of the same class held by one person in one capacity shall for the purposes of this Act be regarded as indistinguishable parts of a single asset (in this paragraph referred to as a holding) growing or diminishing on the occasions on which additional securities of the class in question are acquired, or some of the securities of the class in question are disposed of.
- (4) Without prejudice to the generality of sub-paragraph (3) above, a disposal of quoted securities in a holding, other than the disposal outright of the entire holding, is a disposal of part of an asset and the provisions of this Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.
- (5) Securities shall not be treated for the purposes of this paragraph as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on such a stock exchange, but shall be treated in accordance with this paragraph notwithstanding that they are identified in some other way by the disposal or by the transfer or delivery giving effect to it.
- (6) This paragraph shall apply separately in relation to any securities held by a person to whom they were issued as an employee of the company or of any other person on terms which restrict his rights to dispose of them, so long as those terms are in force, and, while applying separately to any such securities, shall have effect as if the owner held them in a capacity other than that in which he holds any other securities of the same class.
- (7) Nothing in this paragraph shall be taken as affecting the manner in which the market value of any asset is to be ascertained.
- (8) An election made by any person under this paragraph shall be as respects all disposals made by him at any time, including disposals made before the election but after 19th March 1968—
 - (a) of quoted securities of kinds other than fixed-interest securities and preference shares, or
 - (b) of fixed-interest securities and preference shares,and references to the quoted securities covered by an election shall be construed accordingly.

Any person may make both of the elections.

- (9) An election under this paragraph shall not cover quoted securities which the holder acquired on a disposal after 19th March 1968 in relation to which either section 58 or 171(1) applies, but this paragraph shall apply to the quoted securities so held if the person who made the original disposal (that is to say the wife or husband of the holder, or the other member of the group of companies) makes an election covering quoted securities of the kind in question.

For the purpose of identifying quoted securities disposed of by the holder with quoted securities acquired by him on a disposal in relation to which either section 58 or

- (10) For the avoidance of doubt it is hereby declared—
- (a) that where a person makes an election under this paragraph as respects quoted securities which he holds in one capacity, that election does not cover quoted securities which he holds in another capacity, and
 - (b) that an election under this paragraph is irrevocable.
- (11) An election under this paragraph shall be made by notice to [^{F8}an officer of the Board given—
- (a) in the case of an election for the purposes of capital gains tax, on or before the first anniversary of the 31st January next following the year of assessment in which the first relevant disposal is made;

- (12) Subject to paragraph 5 below, in this paragraph the “first relevant disposal”, in relation to each of the elections referred to in sub-paragraph (8) of this paragraph, means the first disposal after 19th March 1968 by the person making the election of quoted securities of the kind covered by that election.

- (3) This paragraph shall not apply in relation to quoted securities of either kind referred to in paragraph 4(8) above which are owned by a company which, in some period after 19th March 1968 and before the relevant time, was not a member of the group if in that period it had made an election under paragraph 4 above in relation to securities of that kind (or was treated by virtue of this paragraph, in relation to another group, as having done so), or had made a disposal of quoted securities of that kind and did not make an election within the time limited by paragraph 4(11) above.

Pooling at value on 6th April 1965: exchange of securities etc.

- 6 (1) Where a person who has made only one of the elections under paragraph 4 above disposes of quoted securities which, in accordance with Chapter II of Part IV, are to be regarded as being or forming part of a new holding, the election shall apply according to the nature of the quoted securities disposed of, notwithstanding that under that Chapter the new holding is to be regarded as the same asset as the original holding and that the election would apply differently to the original holding.
- (2) Where the election does not cover the disposal out of the new holding but does cover quoted securities of the kind comprised in the original holding, then in computing the gain accruing on the disposal out of the new holding (in accordance with paragraph 3 above) the question of what remained undisposed of on any disposal out of the original holding shall be decided on the footing that paragraph 3 above applied to that earlier disposal.
- (3) In the converse case (that is to say, where the election covers the disposal out of the new holding, but does not cover quoted securities of the kind comprised in the original holding) the question of how much of the new holding derives from quoted securities held on 6th April 1965 and how much derives from other quoted securities, shall be decided as it is decided for the purposes of paragraph 3 above.

PART II

LAND REFLECTING DEVELOPMENT VALUE

- 9 (1) Subject to paragraph 17(2) of Schedule 11, this Part of this Schedule shall apply in relation to a disposal of an asset which is an interest in land situated in the United Kingdom—
- (a) if, but for this paragraph, the expenditure allowable as a deduction in computing the gain accruing on the disposal would include any expenditure incurred before 6th April 1965, and
 - (b) if the consideration for the asset acquired on the disposal exceeds the current use value of the asset at the time of the disposal, or if any material development of the land has been carried out after 17th December 1973 since the person making the disposal acquired the asset.
- (2) For the purposes of this Act, it shall be assumed that, in relation to the disposal and, if it is a part disposal, in relation to any subsequent disposal of the asset which is an interest in land situated in the United Kingdom, that asset was sold by the person making the disposal, and immediately reacquired by him, at its market value on 6th April 1965.
- (3) Sub-paragraph (2) above shall apply also in relation to any prior part disposal of the asset and, if tax has been charged, or relief allowed, by reference to that part disposal on a different footing, all such adjustments shall be made, whether by way of assessment or discharge or repayment of tax, as are required to give effect to the provisions of this sub-paragraph.
- (4) Sub-paragraph (2) above shall not apply in relation to a disposal of assets—
- (a) on the assumption in that sub-paragraph a gain would accrue on that disposal to the person making the disposal and either a smaller gain or a loss would so accrue (computed in accordance with the provisions of this Act) if it did not apply, or
 - (b) if on the assumption in sub-paragraph (2) a loss would so accrue and either a smaller loss or a gain would accrue if that sub-paragraph did not apply,
- and accordingly the amount of the gain or loss accruing on the disposal shall be computed without regard to the provisions of this Schedule except that in a case where this sub-paragraph would otherwise substitute a loss for a gain or a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.
- (5) For the purposes of this Part of this Schedule—
- (a) “interest in land” means any estate or interest in land, any right in or over land or affecting the use or disposition of land, and any right to obtain such an estate, interest or right from another which is conditional on that other’s ability to grant the estate, interest or right in question, except that it does

not include the interest of a creditor (other than a creditor in respect of a rentcharge) whose debt is secured by way of a mortgage, an agreement for a mortgage or a charge of any kind over land, or, in Scotland, the interest of a creditor in a charge or security of any kind over land; and

(b) “land” includes buildings.

10 (1) For the purposes of this Part of this Schedule, the current use value of an interest in land shall be ascertained in accordance with the following provisions of this Part, and in this Part the time as at which current use value is to be ascertained is referred to as “the relevant time”.

(2) Subject to the following provisions of this Part of this Schedule, the current use value of an interest in land at the relevant time is the market value of that interest at that time calculated on the assumption that it was at that time, and would continue to be, unlawful to carry out any material development of the land other than any material development thereof which, being authorised by planning permission in force at that time, was begun before that time.

In relation to any material development which was begun before 18th December 1973 this sub-paragraph shall have effect with the omission of the words from “other than” to “before that time”.

(3) In this paragraph “planning permission” has the same meaning as in the ^{M11}Town and Country Planning Act 1990, or, in Scotland, the ^{M12}Town and Country Planning (Scotland) Act 1972, or, in Northern Ireland, the ^{M13}Planning (Northern Ireland) Order 1991, and in determining for the purposes of this paragraph what material development of any land was authorised by planning permission at a time when there was in force in respect of the land planning permission granted on an outline application (that is to say, an application for planning permission subject to subsequent approval on any matters), any such development of the land which at that time—

(a) was authorised by that permission without any requirement as to subsequent approval; or

(b) not being so authorised, had been approved in the manner applicable to that planning permission,

but no other material development, shall for those purposes be taken to have been authorised by that permission at that time.

(4) Where the value to be ascertained is the current use value of an interest in land which has been disposed of by way of a part disposal of an asset (“the relevant asset”) consisting of an interest in land, the current use value at the relevant time of the interest disposed of shall be the relevant fraction of the current use value of the relevant asset at that time, calculated on the same assumptions as to the lawfulness or otherwise of any material development as fall to be made under this Part in calculating the current use value at that time of the interest disposed of.

(5) For the purposes of sub-paragraph (4) above “the relevant fraction” means that fraction of the sums mentioned in paragraph (6) below which under subsection (2) of section 42 is, or would but for subsection (4) of that section be, allowable as a deduction in computing the amount of the gain accruing on the part disposal.

(6) The sums referred to in sub-paragraph (5) above are the sums which, if the entire relevant asset had been disposed of at the time of the part disposal, would be

allowable by virtue of section 38(1)(a) and (b) as a deduction in computing the gain accruing on that disposal of the relevant asset.

- (7) Sub-paragraphs (4) to (6) above shall not apply—
- (a) in the case of a disposal of an interest in land by way of a part disposal if, on making the disposal, the person doing so no longer has any interest in the land which is subject to that interest; or
 - (b) in a case to which the following provisions of this paragraph apply.
- (8) In computing any gain accruing to a person on a part disposal of an interest in land resulting under subsection (1) of section 22 from the receipt as mentioned in paragraph (a), (c) or (d) of that subsection of a capital sum, the current use value at the relevant time of the interest out of which the part disposal was made shall be taken to be what it would have been at that time if the circumstances which caused the capital sum to be received had not arisen.

paragraph to be apportioned to the period beginning with 6th April 1965 shall be a chargeable gain.

- (3) Subject to the following provisions of this Schedule, the gain shall be assumed to have grown at a uniform rate from nothing at the beginning of the period of ownership to its full amount at the time of the disposal so that, calling the part of that period before 6th April 1965, P, and the time beginning with 6th April 1965 and ending with the time of the disposal T, the fraction of the gain which is a chargeable gain is—

$$\frac{T}{P + T}.$$

- (4) If any of the expenditure which is allowable as a deduction in the computation of the gain is within section 38(1)(b)—
- (a) the gain shall be attributed to the expenditure, if any, allowable under section 38(1)(a) as one item of expenditure, and to the respective items of expenditure under section 38(1)(b) in proportion to the respective amounts of those items of expenditure,
 - (b) sub-paragraph (3) of this paragraph shall apply to the part of the gain attributed to the expenditure under section 38(1)(a),
 - (c) each part of the gain attributed to the items of expenditure under section 38(1)(b) shall be assumed to have grown at a uniform rate from nothing at the time when the relevant item of expenditure was first reflected in the value of the asset to the full amount of that part of the gain at the time of the disposal,

so that, calling the respective proportions of the gain E(0), E(1), E(2) and so on (so that they add up to unity) and calling the respective periods from the times when the items under section 38(1)(b) were reflected in the value of the asset to 5th April 1965 P(1), P(2) and so on, and employing also the abbreviations in sub-paragraph (3) above, the fraction of the gain which is a chargeable gain is—

$$E(0) \frac{T}{P + T} + E(1) \frac{T}{P(1) + T} + E(2) \frac{T}{P(2) + T} \text{ and so on.}$$

- (5) In a case within sub-paragraph (4) above where there is no initial expenditure (that is no expenditure under section 38(1)(a)) or that initial expenditure is, compared with any item of expenditure under section 38(1)(b), disproportionately small having regard to the value of the asset immediately before the subsequent item of expenditure was incurred, the part of the gain which is not attributable to the enhancement of the value of the asset due to any item of expenditure under section 38(1)(b) shall be deemed to be attributed to expenditure incurred at the beginning of the period of ownership and allowable under section 38(1)(a), and the part or parts of the gain attributable to expenditure under section 38(1)(b) shall be reduced accordingly.
- (6) The beginning of the period over which a gain, or part of a gain, is under sub-paragraphs (3) and (4) above to be treated as growing shall not be earlier than 6th April 1945, and this sub-paragraph shall have effect notwithstanding any provision in this Schedule or elsewhere in this Act.

- (7) If in pursuance of section 42 an asset's market value at a date before 6th April 1965 is to be ascertained, sub-paragraphs (3) to (5) above shall have effect as if that asset had been on that date sold by the owner, and immediately reacquired by him, at that market value.
- (8) If in pursuance of section 42 an asset's market value at a date on or after 6th April 1965 is to be ascertained sub-paragraphs (3) to (5) above shall have effect as if—
 - (a) the asset on that date had been sold by the owner, and immediately reacquired by him, at that market value, and
 - (b) accordingly, the computation of any gain on a subsequent disposal of that asset shall be computed—
 - (i) by apportioning in accordance with this paragraph the gain or loss over a period ending on that date (the date of the part disposal), and
 - (ii) by bringing into account the entire gain or loss over the period from the date of the part disposal to the date of subsequent disposal.
- (9) For the purposes of this paragraph the period of ownership of an asset shall, where under section 43 account is to be taken of expenditure in respect of an asset from which the asset disposed of was derived, or where it would so apply if there were any relevant expenditure in respect of that other asset, include the period of ownership of that other asset.
- (10) If under this paragraph part only of a gain is a chargeable gain, the fraction in section 223(2) shall be applied to that part instead of to the whole of the gain.

Election for valuation at 6th April 1965

- 17 (1) If the person making a disposal so elects, paragraph 16 above shall not apply in relation to that disposal and it shall be assumed, both for the purposes of computing the gain accruing to that person on the disposal, and for all other purposes both in relation to that person and other persons, that the assets disposed of, and any assets of which account is to be taken in relation to the disposal under section 43, being assets which were in the ownership of that person on 6th April 1965, were on that date sold, and immediately reacquired, by him at their market value on 6th April 1965.

- (2) Sub-paragraph (1) above shall not apply in relation to a disposal of assets if on the assumption in that sub-paragraph a loss would accrue on that disposal to the person making the disposal and either a smaller loss or a gain would accrue if sub-paragraph (1) did not apply, but in a case where this sub-paragraph would otherwise substitute a gain for a loss it shall be assumed, in relation to the disposal, that the relevant assets were sold by the owner, and immediately reacquired by him, for a consideration such that, on the disposal, neither a gain nor a loss accrued to the person making the disposal.

The displacement of sub-paragraph (1) above by this sub-paragraph shall not be taken as bringing paragraph 16 above into operation.

- (3) An election under this paragraph shall be made by notice to ^{F9}an officer of the Board given—
 - (a) in the case of an election for the purposes of capital gains tax, on or before the first anniversary of the 31st January next following the year of assessment in which the disposal is made;

- (b) in the case of an election for the purposes of corporation tax, within 2 years from the end of the accounting period in which the disposal is made; or
 - (c) in either case, within such further time as the Board may by notice allow.]
- (4) For the avoidance of doubt it is hereby declared that an election under this paragraph is irrevocable.
- (5) An election may not be made under this paragraph as respects, or in relation to, an asset the market value of which at a date on or after 6th April 1965, and before the date of the disposal to which the election relates, is to be ascertained in pursuance of section 42.

- (2) For the purpose of—
- (a) identifying the shares so held on 6th April 1965 with shares previously acquired, and
 - (b) identifying the shares so held on that date with shares subsequently disposed of, and distinguishing them from shares acquired subsequently,
- so far as the shares are of the same class, shares bought at a later time shall be deemed to have been disposed of before shares bought at an earlier time.
- (3) Sub-paragraph (2) above has effect subject to section 105.
- (4) Shares shall not be treated for the purposes of this paragraph as being of the same class unless if dealt with on a recognised stock exchange they would be so treated, but shall be treated in accordance with this paragraph notwithstanding that they are identified in a different way by a disposal or by the transfer or delivery giving effect to it.
- (5) This paragraph, without sub-paragraph (4), shall apply in relation to any assets, other than shares, which are of a nature to be dealt with without identifying the particular assets disposed of or acquired.

Reorganisation of share capital, conversion of securities etc.

- (2) If, at any time after 5th April 1965, a person comes to have, in accordance with Chapter II of Part IV, a new holding, paragraph 16(3) to (5) above shall have effect as if—
- (a) the new holding had at that time been sold by the owner, and immediately reacquired by him, at its market value at that time, and
 - (b) accordingly, the amount of any gain on a disposal of the new holding or any part of it shall be computed—
 - (i) by apportioning in accordance with paragraph 16 above the gain or loss over a period ending at that time, and
 - (ii) by bringing into account the entire gain or loss over the period from that time to the date of the disposal.
- (3) This paragraph shall not apply in relation to a reorganisation of a company's share capital if the new holding differs only from the original shares in being a different number, whether greater or less, of shares of the same class as the original shares.

PART IV

MISCELLANEOUS

Capital allowances

- 20 If under any provision in this Schedule it is to be assumed that any asset was on 6th April 1965 sold by the owner, and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by the owner in providing the asset, and so made for the year 1965-66 or for any subsequent year of assessment, as if it were made in respect of the expenditure which, on that assumption, was incurred by him in reacquiring the asset on 7th April 1965.

Assets transferred to close companies

- 21 (1) This paragraph has effect where—
- (a) at any time, including a time before 7th April 1965, any of the persons having control of a close company, or any person who is connected with a person having control of a close company, has transferred assets to the company, and
 - (b) paragraph 16 above applies in relation to a disposal by one of the persons having control of the company of shares or securities in the company, or in relation to a disposal by a person having, up to the time of disposal, a substantial holding of shares or securities in the company, being in either case a disposal after the transfer of the assets.
- (2) So far as the gain accruing to the said person on the disposal of the shares is attributable to a profit on the assets so transferred, the period over which the gain is to be treated under paragraph 16 above as growing at a uniform rate shall begin with the time when the assets were transferred to the company, and accordingly a part of a gain attributable to a profit on assets transferred on or after 6th April 1965 shall all be a chargeable gain.
- (3) This paragraph shall not apply where a loss, and not a gain, accrues on the disposal.

Status: Point in time view as at 06/04/1999.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 15 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Husbands and wives

- 22 Where section 58 is applied in relation to a disposal of an asset by a man to his wife, or by a man's wife to him, then in relation to a subsequent disposal of the asset (not within that section) the one making the disposal shall be treated for the purposes of this Schedule as if the other's acquisition or provision of the asset had been his or her acquisition or provision of it.

Compensation and insurance money

- 23 Where section 23(4)(a) applies to exclude a gain which, in consequence of this Schedule, is not all chargeable gain, the amount of the reduction to be made under section 23(4)(b) shall be the amount of the chargeable gain and not the whole amount of the gain; and in section 23(5)(b) for the reference to the amount by which the gain is reduced under section 23(5)(a) there shall be substituted a reference to the amount by which the chargeable gain is proportionately reduced under section 23(5)(a).

SCHEDULE 3

Section 35.

ASSETS HELD ON 31ST MARCH 1982

Previous no gain/no loss disposals

- 1 (1) Where—
- (a) a person makes a disposal, not being a no gain/no loss disposal, of an asset which he acquired after 31st March 1982, and
 - (b) the disposal by which he acquired the asset and any previous disposal of the asset after 31st March 1982 was a no gain/no loss disposal,
- he shall be treated for the purposes of section 35 as having held the asset on 31st March 1982.
- (2) For the purposes of this paragraph a no gain/no loss disposal is one on which by virtue of any of the enactments specified in section 35(3)(d) neither a gain nor a loss accrues to the person making the disposal.
- 2 (1) Sub-paragraph (2) below applies where a person makes a disposal of an asset acquired by him on or after 6th April 1988 in circumstances in which section 58 or 171 applied.
- (2) Where this sub-paragraph applies—
- (a) an election under section 35(5) by the person making the disposal shall not cover the disposal, but
 - (b) the making of such an election by the person from whom the asset was acquired shall cause the disposal to fall outside subsection (3) of that section (so that subsection (2) of that section is not excluded by it) whether or not the person making the disposal makes such an election.
- (3) Where the person from whom the asset was acquired by the person making the disposal himself acquired it on or after 6th April 1988 in circumstances in which section 58 or 171 applied, an election made by him shall not have the effect described in sub-paragraph (2)(b) above but an election made by—

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 15 July 2024. - (a) the last person by whom the asset was acquired after 5th April 1988 otherwise than in such circumstances, or
 - (b) if there is no such person, the person who held the asset on 5th April 1988,
- shall have that effect.

Capital allowances

- 3 If under section 35 it is to be assumed that any asset was on 31st March 1982 sold by the person making the disposal and immediately reacquired by him, sections 41 and 47 shall apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by him in providing the asset as if it were made in respect of expenditure which, on that assumption, was incurred by him in reacquiring the asset on 31st March 1982.

Part disposals etc.

- 4 (1) Where, in relation to a disposal to which section 35(2) applies, section 42 has effect by reason of an earlier disposal made after 31st March 1982 and before 6th April 1988, the sums to be apportioned under section 42 shall for the purposes of the later disposal be ascertained on the assumption stated in section 35(2).
- (2) In any case where—
- (a) subsection (2) of section 35 applies in relation to the disposal of an asset,
 - (b) if that subsection did not apply, section 23(2), 122(4), 133(4) or 244 would operate to disallow expenditure as a deduction in computing a gain accruing on the disposal, and
 - (c) the disallowance would be attributable to the reduction of the amount of the consideration for a disposal made after 31st March 1982 but before 6th April 1988,

the amount allowable as a deduction on the disposal shall be reduced by the amount which would be disallowed if section 35(2) did not apply.

Assets derived from other assets

- 5 Section 35 shall have effect with the necessary modifications in relation to a disposal of an asset which on 31st March 1982 was not itself held by the person making the disposal, if its value is derived from another asset of which account is to be taken in relation to the disposal under section 43.

Apportionment of pre-1965 gains and losses

- 6 In a case where because of paragraph 16 of Schedule 2 only part of a gain or loss is a chargeable gain or allowable loss, section 35(3)(a) and (b) shall have effect as if the amount of the gain or loss that would accrue if subsection (2) did not apply were equal to that part.

Elections under section section 35(5): excluded disposals

- 7 (1) An election under section 35(5) shall not cover disposals such as are specified in sub-paragraph (2) below.

Status: Point in time view as at 06/04/1999.

- (3) For the purposes of sub-paragraph (2)(d) above,—
- (a) “shares” includes stock and any security, as defined in section 254(1) of the Taxes Act; and
 - (b) shares (as so defined) were unquoted on 31st March 1982 if, on that date, they were neither quoted on a recognised stock exchange nor dealt in on the Unlisted Securities Market;
- but nothing in this paragraph affects the operation, in relation to such unquoted shares, of sections 126 to 130.
- (4) In sub-paragraph (2)(d) above—
- “designated area” means an area designated by Order in Council under section 1(7) of the ^{M15}Continental Shelf Act 1964;
- “oil exploration or exploitation assets” shall be construed in accordance with sub-paragraphs (5) and (6) below; and
- “oil exploration or exploitation rights” means rights to assets to be produced by oil exploration or exploitation activities (as defined in sub-paragraph (6) below) or to interests in or to the benefit of such assets.
- (5) For the purposes of sub-paragraph (2)(d) above an asset is an oil exploration or exploitation asset if either—
- (a) it is not a mobile asset and is being or has at some time been used in connection with oil exploration or exploitation activities carried on in the United Kingdom or a designated area; or
 - (b) it is a mobile asset which has at some time been used in connection with oil exploration or exploitation activities so carried on and is dedicated to an oil field in which the company whose shares are disposed of by the disposal, or a person connected with that company, is or has been a participator;
- and, subject to sub-paragraph (6) below, expressions used in paragraphs (a) and (b) above have the same meaning as if those paragraphs were included in Part I of the ^{M16}Oil Taxation Act 1975.

Status: Point in time view as at 06/04/1999.

Changes to legislation: Taxation of Chargeable Gains Act 1992 is up to date with all changes known to be in force on or before 15 July 2024. - (6) In the preceding provisions of this paragraph “oil exploration or exploitation activities” means activities carried on in connection with—
- (a) the exploration of land (including the seabed and subsoil) in the United Kingdom or a designated area, as defined in sub-paragraph (4) above, with a view to searching for or winning oil; or
 - (b) the exploitation of oil found in any such land;
- and in this sub-paragraph “oil” has the same meaning as in Part I of the ^{M17}Oil Taxation Act 1975.
- (7) Where the person making the disposal acquired the asset on a no gain/no loss disposal, the references in sub-paragraph (2) above to that person are references to the person making the disposal, the person who last acquired the asset otherwise than on a no gain/no loss disposal or any person who subsequently acquired the asset on such a disposal.
- (8) In this paragraph—

Reduction peculiar to disposal of shares

- 7 (1) If in the case of a disposal of shares assets which are not business assets are included in the chargeable assets of the company whose shares are disposed of, or, where that company is the holding company of a trading group, in the group's chargeable assets, and either—

Application and construction of Schedule

- 1 (1) This Schedule shall have effect, in the case of a company which is or has been a member of a group of companies (“the relevant group”), in relation to any pre-entry losses of that company.
- (2) In this Schedule “pre-entry loss”, in relation to any company, means—
- (a) any allowable loss that accrued to that company at a time before it became a member of the relevant group; or
 - (b) the pre-entry proportion of any allowable loss accruing to that company on the disposal of any pre-entry asset;
- and for the purposes of this Schedule the pre-entry proportion of any loss shall be calculated in accordance with paragraphs 2 to 5 below.
- (3) In this Schedule “pre-entry asset”, in relation to any disposal, means (subject to sub-paragraph (4) below) any asset which was held, at the time immediately before it became a member of the relevant group, by any company (whether or not the one which makes the disposal) which is or has at any time been a member of that group.
- (4) Subject to paragraph 3 below, an asset is not a pre-entry asset if—

- (a) the company which held the asset at the time it became a member of the relevant group is not the company which makes the disposal; and
- (b) since that time that asset has been disposed of otherwise than by a disposal to which section 171 applies;

but (without prejudice to sub-paragraph (8) below) where, on a disposal to which section 171 does not apply, any asset would cease to be a pre-entry asset by virtue of this sub-paragraph but the company making the disposal retains any interest in or over the asset in question, that interest shall be a pre-entry asset for the purposes of this Schedule.

- (5) References in this Schedule, in relation to a pre-entry asset, to the relevant time are references to the time when the company by reference to which that asset is a pre-entry asset became a member of the relevant group; and for the purposes of this Schedule—

- (a) where a company has become a member of the relevant group on more than one occasion, an asset is a pre-entry asset by reference to that company if it would be a pre-entry asset by reference to that company in respect of any one of those occasions; but
- (b) references in the following provisions of this Schedule to the time when a company became a member of the relevant group, in relation to assets held on more than one such occasion as is mentioned in paragraph (a) above, are references to the later or latest of those occasions.

- (6) Subject to so much of sub-paragraph (6) of paragraph 9 below as requires groups of companies to be treated as separate groups for the purposes of that paragraph, if—

- (a) the principal company of a group of companies (“the first group”) has at any time become a member of another group (“the second group”) so that the two groups are treated as the same by virtue of subsection (10) of section 170, and
- (b) the second group, together in pursuance of that subsection with the first group, is the relevant group,

then, except where sub-paragraph (7) below applies, the members of the first group shall be treated for the purposes of this Schedule as having become members of the relevant group at that time, and not by virtue of that subsection at the times when they became members of the first group.

- (7) This sub-paragraph applies where—

- (a) the persons who immediately before the time when the principal company of the first group became a member of the second group owned the shares comprised in the issued share capital of the principal company of the first group are the same as the persons who, immediately after that time, owned the shares comprised in the issued share capital of the principal company of the relevant group; and
- (b) the company which is the principal company of the relevant group immediately after that time—
 - (i) was not the principal company of any group immediately before that time; and
 - (ii) immediately after that time had assets consisting entirely, or almost entirely, of shares comprised in the issued share capital of the principal company of the first group.

- (8) For the purposes of this Schedule, but subject to paragraph 3 below—

- (a) an asset acquired or held by a company at any time and an asset held at a later time by that company, or by any company which is or has been a member of the same group of companies as that company, shall be treated as the same asset if the value of the second asset is derived in whole or in part from the first asset; and
- (b) if—
 - (i) any asset is treated (whether by virtue of paragraph (a) above or otherwise) as the same as an asset held by a company at a later time, and
 - (ii) the first asset would have been a pre-entry asset in relation to that company,

the second asset shall also be treated as a pre-entry asset in relation to that company;

and paragraph (a) above shall apply, in particular, where the second asset is a freehold and the first asset is a leasehold the lessee of which acquires the reversion.

- (9) In determining for the purposes of this Schedule whether any allowable loss accruing to a company under section 116(10)(b) is a loss that accrued before the company became a member of the relevant group, any loss so accruing shall be deemed to have accrued at the time of the relevant transaction within the meaning of section 116(2).
- (10) In determining for the purposes of this Schedule whether any allowable loss accruing to a company on a disposal under section 212 is a loss that accrued before the company became a member of the relevant group, the provisions of section 213 shall be disregarded.

Pre-entry proportion of losses on pre-entry assets

- 2 (1) Subject to paragraphs 3 to 5 below, the pre-entry proportion of an allowable loss accruing on the disposal of a pre-entry asset shall be whatever would be the allowable loss accruing on that disposal if that loss were the sum of the amounts determined, for every item of relevant allowable expenditure, according to the following formula—

$$A \times BC \times DE$$

- (2) In sub-paragraph (1) above, in relation to any disposal of a pre-entry asset—
 - A is the total amount of the allowable loss;
 - [^{F62}B is the amount of the item of relevant allowable expenditure for which an amount falls to be determined under this paragraph;
 - C is the total amount of all the relevant allowable expenditure;]
 - D is the length of the period beginning with the relevant pre-entry date and ending with the relevant time or, if that date is after that time, nil; and
 - E is the length of the period beginning with the relevant pre-entry date and ending with the day of the disposal.
- (3) In sub-paragraph (2) above “the relevant pre-entry date”, in relation to any item of relevant allowable expenditure, means whichever is the later of—
 - (a) the date on which that item of expenditure is, or (on the [^{F63}assumptions applying by virtue of sub-paragraphs (4) to (6B)] below) would be, treated for the purposes of section 54 as having been incurred; and
 - (b) 1st April 1982.

- (4) Where any asset (“the second asset”) is treated by virtue of section 127 as the same as another asset (“the first asset”) previously held by any company, this paragraph and (so far as applicable) paragraph 3 below shall have effect,^{F64} ... —
- (a) as if any item of relevant allowable expenditure consisting in consideration given for the acquisition of the second asset had been incurred at the same time as the expenditure consisting in the consideration for the acquisition of the first asset; and
 - (b) where there is more than one such time as if that item were incurred at those different times in the same proportions as the consideration for the acquisition of the first asset.
- (5) Without prejudice to sub-paragraph (4) above, this paragraph shall have effect in relation to any asset which—
- (a) was held by a company at the time when it became a member of the relevant group, and
 - (b) is treated as having been acquired by that company for such a consideration as secured that on the disposal in pursuance of which it was acquired neither a gain nor a loss accrued,
- as if that company and every person who acquired that asset or the equivalent asset at a material time had been the same person and, accordingly, as if the asset had been acquired by that company when it or the equivalent asset was acquired by the first of those persons to have acquired it at a material time and the time at which any expenditure had been incurred were to be determined accordingly.
- (6) In sub-paragraph (5) above, the reference, in relation to any asset, to a material time is a reference to any time which—
- (a) is before the occasion on which the company in question is treated as having acquired the asset for such a consideration as is mentioned in that sub-paragraph; and
 - (b) is or is after the last occasion before that occasion on which any person acquired that asset or the equivalent asset otherwise than by virtue of an acquisition which—
 - (i) is treated as an acquisition for such a consideration; or
 - (ii) is the acquisition by virtue of which any asset is treated as the equivalent asset;

and this paragraph shall have effect in relation to any asset to which that sub-paragraph applies without regard to the provisions of section 56(2).

- ^{F65}(6A) Notwithstanding anything in section 56(2), where in the case of the disposal of any pre-entry asset—
- (a) any company has at any time between the relevant time and the time of the disposal acquired that asset or the equivalent asset, and
 - (b) the acquisition was either an acquisition in pursuance of a disposal on which there is treated by virtue of section 171 as having been neither a gain nor a loss accruing or an acquisition by virtue of which an asset is treated as the equivalent asset,

the items of relevant allowable expenditure and the times when those items shall be treated as having been incurred shall be determined for the purposes of this paragraph on the assumptions specified in sub-paragraph (6B) below.

- (6B) Those assumptions are that—

- (a) the company by reference to which the asset in question is a pre-entry asset, and

- (8) The preceding provisions of this paragraph and (so far as applicable) paragraph 3 below shall have effect where—

- (a) a loss accrues to any company under section 116(10)(b), and
- (b) the old asset consists in or is treated for the purposes of that paragraph as including pre-entry assets,

as if the disposal on which the loss accrues were that disposal of the old asset which is assumed to have been made for the purposes of the calculation required by section 116(10)(a).

[Where by virtue of section 55(8) the allowable loss accruing on the disposal of a ^{F66}(8A) pre-entry asset, or any part of the loss, is attributable to an amount (“the rolled-up amount”) of rolled-up indexation (as defined in section 55(9) to (11)), then, for the purposes of this paragraph—

- (a) the total amount of all the relevant allowable expenditure shall be treated as increased by the rolled-up amount, and
- (b) the amount of each item of relevant allowable expenditure shall be treated as increased by so much (if any) of the rolled-up amount as is attributable to that item.

Disposals of pooled assets

- 3 (1) This paragraph shall apply (subject to paragraphs 4 and 5 below) where any assets acquired by any company fall to be treated with other assets as indistinguishable parts of the same asset (“a pooled asset”) and the whole or any part of that asset is referable to pre-entry assets.
- (2) For the purposes of this Schedule, where a pooled asset has at any time contained a pre-entry asset—
- (a) the pooled asset shall be treated, until all the pre-entry assets included in that asset have (on the assumptions for which this paragraph provides) been disposed of, as incorporating a part which is referable to pre-entry assets; and
 - (b) the size of that part shall be determined in accordance with the following provisions of this paragraph.
- (3) Where there is a disposal of any part of a pooled asset and the proportion of the asset which is disposed of does not exceed the proportion of that asset which is represented by any part of it which is not, at the time of the disposal, referable to pre-entry assets, that disposal shall be deemed for the purposes of this Schedule to be confined to assets which are not pre-entry assets so that—
- (a) except where paragraph 4(2) below applies, no part of any loss accruing on that disposal shall be deemed to be a pre-entry loss, and
 - (b) the part of the pooled asset which after the disposal is to be treated as referable to pre-entry assets shall be correspondingly increased.
- (4) Where there is a disposal of any part of a pooled asset and the proportion of the asset which is disposed of does exceed the proportion of that asset mentioned in subparagraph (3) above, that disposal shall be deemed for the purposes of this Schedule to relate to pre-entry assets only so far as required for the purposes of the excess, so that—
- (a) any loss accruing on that disposal shall be deemed for the purposes of this Schedule to be an allowable loss on the disposal of a pre-entry asset;
 - (b) the pre-entry proportion of that loss shall be deemed (except where paragraph 4(3) below applies) to be the amount (so far as it does not exceed the amount of the loss actually accruing) which would have been the pre-entry proportion under paragraph 2 above of any loss accruing on the disposal of the excess if the excess were a separate asset; and

- (c) the pooled asset shall be treated after the disposal as referable entirely to pre-entry assets.
- (5) Where there is a disposal of the whole of a pooled asset or of any part of a pooled asset which, at the time of the disposal, is referable entirely to pre-entry assets, paragraphs (a) and (b) of sub-paragraph (4) above shall apply to the disposal of the asset or the part as they apply in relation to the assumed disposal of the excess mentioned in that sub-paragraph but, in the case of the disposal of the whole of a pooled asset only a part of which is referable to pre-entry assets, as if the reference in paragraph (b) of that sub-paragraph to the excess were a reference to that part.
- (6) For the purpose of determining, under sub-paragraph (4) or (5) above, what would have been the pre-entry proportion of any loss accruing on the disposal of any assets as a separate asset it shall be assumed that none of the assets treated as comprised in that asset has ever been comprised in a pooled asset with any assets other than those which are taken to constitute that separate asset for the purposes of the determination.
- (7) The assets which are comprised in any asset which is treated for any of the purposes of this paragraph as a separate asset shall be identified on the following assumptions, that is to say—
- (a) that assets are disposed of in the order of the dates which for the purposes of paragraph 2 above are the relevant pre-entry dates in relation to the consideration for their acquisition;
 - (b) subject to that, that assets with earlier relevant times are disposed of before those with later relevant times;
 - (c) that disposals made when a company was not a member of the relevant group are made in accordance with the preceding provisions of this paragraph, as they have effect in relation to the group of companies of which the company was a member at the time of the disposal or, as the case may be, of which it had most recently been a member before that time; and
 - (d) subject to paragraphs (a) to (c) above, that a company disposes of assets in the order in which it acquired them.
- (8) Where in the case of any asset there is more than one date which is the relevant pre-entry date in relation to the consideration for its acquisition, the date taken into account for the purposes of sub-paragraph (7)(a) above shall be the date which is the earlier or earliest of those dates if any date which is the relevant pre-entry date in relation to the acquisition of an option to acquire that asset is disregarded.
- (9) In applying the formula set out in paragraph 2(1) above in relation to the disposal of an asset which is treated for any of the purposes of this paragraph as comprised in a separate asset—
- (a) the amount or value of any consideration for the acquisition or disposal of that asset; and
 - (b) the incidental costs of the acquisition or disposal of that asset,
- shall be determined (to the exclusion of any apportionment under section 129 or 130) by apportioning any consideration or costs relating to both that asset and other assets acquired or disposed of at the same time according to the proportion that is borne by that asset to all the assets to which the consideration or costs related.

- (a) any asset (“the latest asset”) falls (whether by virtue of paragraph 1(8) above or otherwise) to be treated as acquired at the same time as another asset (“the original asset”) which was acquired before the latest asset, and
- (b) the latest asset is either comprised in a pooled asset a part of which is referable to pre-entry assets or is or includes an asset which is to be treated as so comprised,

sub-paragraph (7) above shall apply not only in relation to the latest asset as if it were the original asset but also, in the first place, for identifying the asset which is to be treated as the original asset for the purposes of this paragraph.

- (11) Sub-paragraphs (3)(b) and (4)(c) above shall have effect in relation to any disposal without prejudice to the effect of any subsequent acquisition of assets falling to be treated as part of a pooled asset on the determination of whether, and to what extent, any part of that pooled asset is to be treated as referable to pre-entry assets.

Rule to prevent pre-entry losses on pooled assets being treated as post-entry losses

- 4 (1) This paragraph shall apply if—
- (a) there is a disposal of any part of a pooled asset which for the purposes of paragraph 3 above is treated as incorporating a part which is referable to pre-entry assets;
 - (b) the assets disposed of are or include assets (“the post-entry element of the disposal”) which for the purposes of that paragraph are treated as having been incorporated in the part of the pooled asset which is not referable to pre-entry assets;
 - (c) an allowable loss (“the actual loss”) accrues on the disposal; and
 - (d) the amount which in computing the allowable loss is allowed as a deduction of relevant allowable expenditure (“the expenditure actually allowed”) exceeds the relevant allowable expenditure attributable to the post-entry element of the disposal.
- (2) Subject to sub-paragraph (6) below, where the post-entry element of the disposal comprises all of the assets disposed of—
- (a) the actual loss shall be treated for the purposes of this Schedule as a loss accruing on the disposal of a pre-entry asset; and
 - (b) the pre-entry proportion of that loss shall be treated as being the amount (so far as it does not exceed the amount of the actual loss) by which the expenditure actually allowed exceeds the relevant allowable expenditure attributable to the post-entry element of the disposal.
- (3) Subject to sub-paragraph (6) below, where—
- (a) the actual loss is treated by virtue of paragraph 3 above as a loss accruing on the disposal of a pre-entry asset, and
 - (b) the expenditure actually allowed exceeds the actual cost of the assets to which the disposal is treated as relating,
- the pre-entry proportion of the loss shall be treated as being the amount which (so far as it does not exceed the amount of the actual loss) is equal to the sum of that excess and what would, apart from this paragraph and paragraph 5 below, be the pre-entry proportion of the loss accruing on the disposal.
- (4) For the purposes of sub-paragraph (3) above the actual cost of the assets to which the disposal is treated as relating shall be taken to be the sum of—

- (a) the relevant allowable expenditure attributable to the post-entry element of the disposal; and
 - (b) the amount which, in computing the pre-entry proportion of the loss in accordance with paragraph 3(4)(b) and (6) above, would be treated for the purposes of C in the formula in paragraph 2(1) above as the total amount allowable as a deduction of relevant allowable expenditure in respect of such of the assets disposed of as are treated as having been incorporated in the part of the pooled asset which is referable to pre-entry assets.
- (5) Without prejudice to sub-paragraph (6) below, where sub-paragraph (2) or (3) above applies for the purpose of determining the pre-entry proportion of any loss, no election shall be capable of being made under paragraph 5 below for the purpose of enabling a different amount to be taken as the pre-entry proportion of that loss.
- (6) Where—
- (a) the pre-entry proportion of the loss accruing to any company on the disposal of any part of a pooled asset falls to be determined under sub-paragraph (2) or (3) above,
 - (b) the amount determined under that sub-paragraph exceeds the amount determined under sub-paragraph (7) below (“the alternative pre-entry loss”), and
 - (c) the company makes an election for the purposes of this sub-paragraph,
- the pre-entry proportion of the loss determined under sub-paragraph (2) or (3) above shall be reduced to the amount of the alternative pre-entry loss.
- (7) For the purposes of sub-paragraph (6) above the alternative pre-entry loss is whatever apart from this paragraph would have been the pre-entry proportion of the loss on the disposal in question, if for the purposes of this Schedule the identification of the assets disposed of were to be made disregarding the part of the pooled asset which was not referable to pre-entry assets, except to the extent (if any) by which the part referable to pre-entry assets fell short of what was disposed of.
- (8) An election for the purposes of sub-paragraph (6) above with respect to any loss shall be made by the company to which the loss accrued by notice to the inspector given within—
- (a) the period of two years beginning with the end of the accounting period of that company in which the disposal is made on which the loss accrues; or
 - (b) such longer period as the Board may by notice allow;
- and paragraph 5 below may be taken into account under sub-paragraph (7) above in determining the amount of the alternative pre-entry loss as if an election had been made under that paragraph but shall be so taken into account only if the election for the purposes of sub-paragraph (6) above contains an election corresponding to the election that, apart from this paragraph, might have been made under that paragraph.
- (9) For the purposes of this paragraph the relevant allowable expenditure attributable to the post-entry element of the disposal shall be the amount which, in computing any allowable loss accruing on a disposal of that element as a separate asset, would have been allowed as a deduction of relevant allowable expenditure if none of the assets comprised in that element had ever been comprised in a pooled asset with any assets other than those which are taken to constitute that separate asset for the purposes of this sub-paragraph.

- (10) For the purpose of identifying the assets which are to be treated for the purposes of sub-paragraph (9) above as comprised in the post-entry element of the disposal, a company shall be taken to dispose of assets in the order in which it acquired them.
- (11) Paragraph 3(9) above shall apply for the purposes of sub-paragraph (9) above as it applies for the purposes of the application as mentioned in paragraph 3(9) above of the formula so mentioned; and paragraph 3(10) above shall apply for the purposes of this paragraph in relation to sub-paragraph (10) above as it applies for the purposes of paragraph 3 above in relation to sub-paragraph (7) of that paragraph.
- (12) In this paragraph references to an amount allowed as a deduction of relevant allowable expenditure are references to the amount falling to be so allowed in accordance with section 38(1)(a) and (b) and (so far as applicable) section 42, ^{F68}....
- ^{F69}(13)

Alternative calculation by reference to market value

- 5 (1) Subject to paragraph 4(5) above and the following provisions of this paragraph, if—
- (a) an allowable loss accrues on the disposal by any company of any pre-entry asset; and
 - (b) that company makes an election for the purposes of this paragraph in relation to that loss,
- the pre-entry proportion of that loss (instead of being the amount determined under the preceding provisions of this Schedule) shall be whichever is the smaller of the amounts mentioned in sub-paragraph (2) below.
- (2) Those amounts are—
- (a) the amount of any loss which would have accrued if that asset had been disposed of at the relevant time at its market value at that time; and
 - (b) the amount of the loss accruing on the disposal mentioned in sub-paragraph (1)(a) above.
- [In determining for the purposes of sub-paragraph (2)(a) above the amount of any loss ^{F70}(2A) which would have accrued if the asset had been disposed of at the relevant time at its market value at that time—

- (4) Sub-paragraph (5) below shall apply where—
- (a) an election is made for the purposes of this paragraph in relation to any loss accruing on the disposal (“the real disposal”) of the whole or any part of a pooled asset; and
 - (b) the case is one in which (but for the election) paragraph 3 above would apply for determining the pre-entry proportion of a loss accruing on the real disposal.
- (5) In a case falling within sub-paragraph (4) above, this paragraph shall have effect as if the amount specified in sub-paragraph (2)(a) above were to be calculated—
- (a) on the basis that the disposal which is assumed to have taken place was a disposal of all the assets falling within sub-paragraph (6) below; and
 - (b) by apportioning any loss that would have accrued on that disposal between—
 - (i) such of the assets falling within paragraph (6) below as are assets to which the real disposal is treated as relating, and
 - (ii) the remainder of the assets so falling,
 according to the proportions of any pooled asset whose disposal is assumed which would have been, respectively, represented by assets mentioned in sub-paragraph (i) above and by assets mentioned in sub-paragraph (ii) above, and where assets falling within sub-paragraph (6) below have different relevant times there shall be assumed to have been a different disposal at each of those times.
- (6) Assets fall within this sub-paragraph if—
- (a) immediately before the time which is the relevant time in relation to those assets, they were comprised in a pooled asset which consisted of or included assets which fall to be treated for the purposes of paragraph 3 above as—

- (a) an election is made under paragraph 4(6) above requiring the determination by reference to this paragraph of the alternative pre-entry loss accruing on the disposal of any assets comprised in a pooled asset, and
 - (b) in pursuance of that election any amount of the loss that would have accrued on an assumed disposal is apportioned in accordance with sub-paragraph (5) above to assets (“the relevant assets”) which—

Restrictions on the deduction of pre-entry losses

- 6 (1) In the calculation of the amount to be included in respect of chargeable gains in any company's total profits for any accounting period—
- if in that period there is any chargeable gain from which the whole or any part of any pre-entry loss accruing in that period is deductible in accordance with paragraph 7 below, the loss or, as the case may be, that part of it shall be deducted from that gain;
 - if, after all such deductions as may be made under paragraph (a) above have been made, there is in that period any chargeable gain from which the whole or any part of any pre-entry loss carried forward from a previous accounting period is deductible in accordance with paragraph 7 below, the loss or, as the case may be, that part of it shall be deducted from that gain;
 - the total chargeable gains (if any) remaining after the making of all such deductions as may be made under paragraph (a) or (b) above shall be subject to deductions in accordance with section 8(1) in respect of any allowable losses that are not pre-entry losses; and

- (2) Subject to sub-paragraph (1) above, any question as to which or what part of any pre-entry loss has been deducted from any particular chargeable gain shall be decided—
- where it falls to be decided in respect of the setting of losses against gains in any accounting period ending before 16th March 1993 as if—
 - pre-entry losses accruing in any such period had been set against chargeable gains before any other allowable losses accruing in that period were set against those gains;

- (ii) pre-entry losses carried forward to any such period had been set against chargeable gains before any other allowable losses carried forward to that period were set against those gains; and
 - (iii) subject to sub-paragraphs (i) and (ii) above, the pre-entry losses carried forward to any accounting period ending on or after 16th March 1993 were identified with such losses as may be determined in accordance with such elections as may be made by the company to which they accrued;
- and
- (b) in any other case, in accordance with such elections as may be made by the company to which the loss accrued;
- and any question as to which or what part of any pre-entry loss has been carried forward from one accounting period to another shall be decided accordingly.
- (3) An election by any company under this paragraph shall be made by notice to the inspector given—
- (a) in the case of an election under sub-paragraph (2)(a)(iii) above, before the end of the period of two years beginning with the end of the accounting period of that company which was current on 16th March 1993; and

- (4) For the purposes of this Schedule where any matter falls to be determined under this paragraph by reference to an election but no election is made, it shall be assumed, so far as consistent with any elections that have been made—
- (a) that losses are set against gains in the order in which the losses accrued; and
 - (b) that the gains against which they are set are also determined according to the order in which they accrued with losses being set against earlier gains before they are set against later ones.

Gains from which pre-entry losses are to be deductible

- 7 (1) A pre-entry loss that accrued to a company before it became a member of the relevant group shall be deductible from a chargeable gain accruing to that company if the gain is one accruing—
- (a) on a disposal made by that company before the date on which it became a member of the relevant group (“the entry date”);
 - (b) on the disposal of an asset which was held by that company immediately before the entry date; or

- (2) The pre-entry proportion of an allowable loss accruing to any company on the disposal of a pre-entry asset shall be deductible from a chargeable gain accruing to that company if—
- (a) the gain is one accruing on a disposal made, before the date on which it became a member of the relevant group, by that company and that company is the one (“the initial company”) by reference to which the asset on the disposal of which the loss accrues is a pre-entry asset;
 - (b) the pre-entry asset and the asset on the disposal of which the gain accrues were each held by the same company at a time immediately before it became a member of the relevant group; or
 - (c) the gain is one accruing on the disposal of an asset which—
 - (i) was acquired by the initial company (whether before or after it became a member of the relevant group) from a person who, at the time of the acquisition, was not a member of that group; and
 - (ii) since its acquisition from that person has not been used or held for any purposes other than those of a trade which was being carried on, immediately before it became a member of the relevant group, by the initial company and which continued to be carried on by the initial company until the disposal.
- (3) Where two or more companies become members of the relevant group at the same time and those companies were all members of the same group of companies immediately before they became members of the relevant group, then, without prejudice to paragraph 9 below—
- (a) an asset shall be treated for the purposes of sub-paragraph (1)(b) above as held, immediately before it became a member of the relevant group, by the company to which the pre-entry loss in question accrued if that company is one of those companies and the asset was in fact so held by another of those companies;
 - (b) two or more assets shall be treated for the purposes of sub-paragraph (2)(b) above as assets held by the same company immediately before it became a member of the relevant group wherever they would be so treated if all those companies were treated as a single company; and
 - (c) the acquisition of an asset shall be treated for the purposes of sub-paragraphs (1)(c) and (2)(c) above as an acquisition by the company to which the pre-entry loss in question accrued if that company is one of those companies and the asset was in fact acquired (whether before or after they became members of the relevant group) by another of those companies.
- (4) Paragraph 1(4) above shall apply for determining for the purposes of this paragraph whether an asset on the disposal of which a chargeable gain accrues was held at the time when a company became a member of the relevant group as it applies for determining whether that asset is a pre-entry asset in relation to that group by reference to that company.
- (5) Subject to sub-paragraph (6) below, where a gain accrues on the disposal of the whole or any part of—

- (b) an asset which is treated as held at that time by virtue of a provision requiring an asset which was not held at that time to be treated as the same as an asset which was so held,

a pre-entry loss shall be deductible by virtue of paragraph (b) of sub-paragraph (1) or (2) above from the amount of that gain to the extent only of such proportion of that gain as is attributable to assets held at that time or, as the case may be, represents the gain that would have accrued on the asset so held.

(6) Where—

- (a) a chargeable gain accrues by virtue of subsection (10) of section 116 on the disposal of a qualifying corporate bond,
 (b) that bond was not held as required by paragraph (b) of sub-paragraph (1) or (2) above at the time mentioned in that paragraph, and
 (c) the whole or any part of the asset which is the old asset for the purposes of that section was so held,

the question whether that gain is one accruing on the disposal of an asset the whole or any part of which was held by a particular company at that time shall be determined for the purposes of this paragraph as if the bond were deemed to have been so held to the same extent as the old asset.

Change of a company's nature

8 (1) If—

- (a) within any period of three years, a company becomes a member of a group of companies and there is (either earlier or later in that period, or at the same time) a major change in the nature or conduct of a trade carried on by that company, or
 (b) at any time after the scale of the activities in a trade carried on by a company has become small or negligible, and before any considerable revival of the trade, that company becomes a member of a group of companies,

the trade carried on before that change, or which has become small or negligible, shall be disregarded for the purposes of paragraph 7(1)(c) and (2)(c) above in relation to any time before the company became a member of the group in question.

(2) In sub-paragraph (1) above the reference to a major change in the nature or conduct of a trade includes a reference to—

- (a) a major change in the type of property dealt in, or services or facilities provided, in the trade; or
 (b) a major change in customers, markets or outlets of the trade;

and this paragraph shall apply even if the change is the result of a gradual process which began outside the period of three years mentioned in sub-paragraph (1)(a) above.

(3) Where the operation of this paragraph depends on circumstances or events at a time after the company becomes a member of any group of companies (but not more than three years after), an assessment to give effect to this paragraph shall not be out of time if made within six years from that time or the latest such time.

Identification of “the relevant group” and application of Schedule to every connected group

- 9 (1) This paragraph shall apply where there is more than one group of companies which would be the relevant group in relation to any company.
- (2) Where any loss has accrued on the disposal by any company of any asset, this Schedule shall not apply by reference to any group of companies in relation to any loss accruing on that disposal unless—
- (a) that group is a group in relation to which that loss is a pre-entry loss by virtue of paragraph 1(2)(a) above or, if there is more than one such group, the one of which that company most recently became a member;
 - (b) that group, in a case where there is no group falling within paragraph (a) above, is either—
 - (i) the group of which that company is a member at the time of the disposal, or
 - (ii) if it is not a member of a group of companies at that time, the group of which that company was last a member before that time;
 - (c) that group, in a case where there is a group falling within paragraph (a) [F71 or (b)] above, is a group of which that company was a member at any time in the accounting period of that company in which it became a member of the group falling within that paragraph;
 - (d) that group is a group the principal company of which is or has been, or has been under the control of—
 - (i) the company by which the disposal is made, or
 - (ii) another company which is or has been a member of a group by reference to which this Schedule applies in relation to the loss in question by virtue of paragraph (a), (b) or (c) above;
- or
- (e) that group is a group of which either—
 - (i) the principal company of a group by reference to which this Schedule so applies, or
 - (ii) a company which has had that principal company under its control, is or has been a member;
- and sub-paragraphs (3) to (5) below shall apply in the case of any loss accruing on the disposal of any asset where, by virtue of this sub-paragraph, there are two or more groups (“connected groups”) by reference to which this Schedule applies.
- (3) This Schedule shall apply separately in relation to each of the connected groups (so far as they are not groups in relation to which the loss is a pre-entry loss by virtue of paragraph 1(2)(a) above) for the purpose of—
- (a) determining whether the loss on the disposal of any asset is a loss on the disposal of a pre-entry asset; and

- (a) as if the pre-entry proportion of any loss accruing on the disposal of an asset which is a pre-entry asset in the case of more than one of the connected groups were the largest pre-entry proportion of that loss calculated in accordance with sub-paragraph (3) above; and
 - (b) so that, where the loss accruing on the disposal of any asset is a pre-entry loss by virtue of paragraph 1(2)(a) above in the case of any of the connected groups, that loss shall be the pre-entry loss for the purposes of paragraph 6 above, and not any amount which is the pre-entry proportion of that loss in relation to any of the other groups.
- (5) Where, on the separate application of this Schedule in the case of each of the groups by reference to which this Schedule applies, there is, in the case of the disposal of any asset, a pre-entry loss by reference to each of two or more of the connected groups, no amount in respect of the loss accruing on the disposal shall be deductible under paragraph 7 above from any chargeable gain if any of the connected groups is a group in the case of which, on separate applications of that paragraph in relation to each group, the amount deductible from that gain in respect of that loss is nil.
- (6) Notwithstanding that the principal company of one group (“the first group”) has become a member of another (“the second group”), those two groups shall not by virtue of section 170(10) be treated ^{F72}in relation to any company that is or has become a member of the second group (“the relevant company”) as the same group for the purposes of this paragraph if—
- (a) the time at which the relevant company became a member of the first group is a time in the same accounting period as that in which the principal company of the first group became a member of the second group; or
 - (b) the principal company of the first group was under the control, immediately before it became a member of the second group, of a company which at that time was already a member of the second group.
- (7) Where, in the case of the disposal of any asset—
- (a) two or more groups which but for sub-paragraph (6) above would be treated as the same group are treated as separate groups by virtue of that sub-paragraph; and
 - (b) one of those groups is a group of which either—
 - (i) the principal company of a group by reference to which this Schedule applies by virtue of sub-paragraph (2)(a), (b) or (c) above in relation to any loss accruing on the disposal, or

 this paragraph shall have effect as if that principal company had been a member of each of the groups mentioned in paragraph (a) above.

- (3) References in this Schedule to a company joining a group of companies—
- (a) are references to its becoming a member of any group of companies of which it was not a member immediately before becoming a member; but

- (4) Nothing in section 170(10) shall prevent all the companies of one group from being treated for the purposes of this Schedule as joining another group of companies when the principal company of the first group becomes a member of the other group.

Restriction on setting off losses

- 2 (1) Notwithstanding anything in section 8 or Schedule 7A, the amount to be included in respect of chargeable gains in the relevant company's total profits for the gain period shall be computed by adding together—
- (a) the adjusted amounts of the pre-entry gains accruing to the relevant company in the gain period; and

Adjustment of pre-entry gains

- 3 (1) For the purposes of paragraph 2 above the adjusted amount of any pre-entry gain accruing to the relevant company in the gain period is the amount of that gain after any amount that may be set against it under this paragraph has been applied in reducing it.
- (2) Subject to sub-paragraphs (3) and (4) below, the whole or any part of any amount which under paragraph 4 below is a qualifying loss in relation to a pre-entry gain may be set against that gain, except so far as it has been set against another pre-entry gain.
- (3) Nothing in this Schedule shall authorise the reduction of a pre-entry gain by the deduction of the whole or any part of any amount to which paragraph 7 of Schedule 7A applies (pre-entry losses) unless that gain is a gain from which that amount is deductible in accordance with that paragraph.
- (4) Nothing in this Schedule shall authorise the reduction of a pre-entry gain by the deduction of any amount which section 18(3) prevents from being deductible from that gain.

Modifications etc. (not altering text)

C7 Sch. 8 modified (with effect in accordance with s. 39(4)(a)(5) of the amending Act) by [Finance Act 1995 \(c. 4\)](#), s. 39(3), [Sch. 6 para. 37](#)

Leases of land as wasting assets: curved line restriction of allowable expenditure

- 1 (1) A lease of land shall not be a wasting asset until the time when its duration does not exceed 50 years.
- (2) If at the beginning of the period of ownership of a lease of land it is subject to a sublease not at a rackrent and the value of the lease at the end of the duration of the sublease, estimated as at the beginning of the period of ownership, exceeds the expenditure allowable under section 38(1)(a) in computing the gain accruing on a disposal of the lease, the lease shall not be a wasting asset until the end of the duration of the sublease.
- (3) In the case of a wasting asset which is a lease of land the rate at which expenditure is assumed to be written off shall, instead of being a uniform rate as provided by section 46, be a rate fixed in accordance with the Table below.
- (4) Accordingly, for the purposes of the computation of the gain accruing on a disposal of a lease, and given that —
- the percentage derived from the Table for the duration of the lease at the beginning of the period of ownership is P(1),
 - the percentage so derived for the duration of the lease at the time when any item of expenditure attributable to the lease under section 38(1)(b) is first reflected in the nature of the lease is P(2), and
 - the percentage so derived for the duration of the lease at the time of the disposal is P(3), then—

- (i) there shall be excluded from the expenditure attributable to the lease under section 38(1)(a) a fraction equal to —

$$\frac{P(1) - P(3)}{P(1)},$$

and

- (ii) there shall be excluded from any item of expenditure attributable to the lease under section 38(1)(b) a fraction equal to—

$$\frac{P(2) - P(3)}{P(2)}.$$

- (5) This paragraph applies notwithstanding that the period of ownership of the lease is a period exceeding 50 years and, accordingly, no expenditure shall be written off under this paragraph in respect of any period earlier than the time when the lease becomes a wasting asset.
- (6) Section 47 shall apply in relation to this paragraph as it applies in relation to section 46.

If the duration of the lease is not an exact number of years the percentage to be derived from the Table above shall be the percentage for the whole number of years plus one-twelfth of the difference between that and the percentage for the next higher number of years for each odd month counting an odd 14 days or more as one month.

Premiums for leases

- 2 (1) Subject to this Schedule where the payment of a premium is required under a lease of land, or otherwise under the terms subject to which a lease of land is granted, there is a part disposal of the freehold or other asset out of which the lease is granted.
- (2) In applying section 42 to such a part disposal, the property which remains undisposed of includes a right to any rent or other payments, other than a premium, payable under the lease, and that right shall be valued as at the time of the part disposal.
- 3 (1) This paragraph applies in relation to a lease of land.
- (2) Where under the terms subject to which a lease is granted, a sum becomes payable by the tenant in lieu of the whole or part of the rent for any period, or as consideration for the surrender of the lease, the lease shall be deemed for the purposes of this Schedule to have required the payment of a premium to the landlord (in addition to any other premium) of the amount of that sum^[F79], being a premium which—
- (a) is due when the sum is payable by the tenant; and
 - (b) where the sum is payable in lieu of rent, is in respect of the period in relation to which the sum is payable.]
- (3) Where, as consideration for the variation or waiver of any of the terms of a lease, a sum becomes payable by the tenant otherwise than by way of rent, the lease shall be deemed for the purposes of this Schedule to have required the payment of a premium to the landlord (in addition to any other premium) of the amount of that sum^[F80], being a premium which—
- (a) is due when the sum is payable by the tenant; and
 - (b) is in respect of the period from the time when the variation or waiver takes effect to the time when it ceases to have effect.]
- ^[F81](4) Where under sub-paragraph (2) or (3) above a premium is deemed to have been received by the landlord, that shall not be the occasion of any recomputation of the gain accruing on the receipt of any other premium, and the premium shall be regarded—
- (a) in the case of a premium deemed to have been received for the surrender of a lease, as consideration for a separate transaction which is effected when the premium is deemed to be due and consists of the disposal by the landlord of his interest in the lease; and
 - (b) in any other case, as consideration for a separate transaction which is effected when the premium is deemed to be due and consists of a further part disposal of the freehold or other asset out of which the lease is granted.
- (5) If under sub-paragraph (2) or (3) above a premium is deemed to have been received by the landlord, otherwise than as consideration for the surrender of the lease, and

the landlord is a tenant under a lease the duration of which does not exceed 50 years, this Schedule shall apply—

- (a) as if an amount equal to the amount of that premium deemed to have been received had been given by way of consideration for the grant of the part of the sublease covered by the period in respect of which the premium is deemed to have been paid; and
- (b) as if that consideration were expenditure incurred by the sublessee and attributable to that part of the sublease under section 38(1)(b).]

- (7) Sub-paragraph (3) above shall apply in relation to a transaction not at arm's length, and in particular in relation to a transaction entered into gratuitously, as if such sum had become payable by the tenant otherwise than by way of rent as might have been required of him if the transaction had been at arm's length.

beyond a date falling before the expiration of the term of the lease, the lease shall not be treated as having been granted for a term longer than one ending on that date.

- (4) Sub-paragraph (3) applies in particular where the lease provides for the rent to go up after a given date, or for the tenant's obligations to become in any other respect more onerous after a given date, but includes provision for the determination of the lease on that date, by notice given by the tenant, and those provisions render it unlikely that the lease will continue beyond that date.
- (5) Where the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant this paragraph shall apply as if the term of the lease extended for as long as it could be extended by the tenant, but subject to any right of the landlord by notice to determine the lease.

- (3) In the case of a lease of a wasting asset which is movable property the lease shall be assumed to terminate not later than the end of the life of the wasting asset.

Interpretation

- 10 (1) In this Act, unless the context otherwise requires "lease" —
 - (a) in relation to land, includes an underlease, sublease or any tenancy or licence, and any agreement for a lease, underlease, sublease or tenancy or licence and, in the case of land outside the United Kingdom, any interest corresponding to a lease as so defined,
 - (b) in relation to any description of property other than land, means any kind of agreement or arrangement under which payments are made for the use of, or otherwise in respect of, property,
 and "lessor", "lessee" and "rent" shall be construed accordingly.
- (2) In this Schedule "premium" includes any like sum, whether payable to the intermediate or a superior landlord, and for the purposes of this Schedule any sum (other than rent) paid on or in connection with the granting of a tenancy shall be presumed to have been paid by way of premium except in so far as [^{F87}other sufficient consideration for the payment can be shown to have been given].
