

Taxation of Chargeable Gains Act 1992

1992 CHAPTER 12

PART V

TRANSFER OF BUSINESS ASSETS

CHAPTER I

GENERAL PROVISIONS

Replacement of business assets

152 Roll-over relief.

- (1) If the consideration which a person carrying on a trade obtains for the disposal of, or of his interest in, assets (“the old assets”) used, and used only, for the purposes of the trade throughout the period of ownership is applied by him in acquiring other assets, or an interest in other assets (“the new assets”) which on the acquisition are taken into use, and used only, for the purposes of the trade, and the old assets and new assets are within the classes of assets listed in section 155, then the person carrying on the trade shall, on making a claim as respects the consideration which has been so applied, be treated for the purposes of this Act—
- (a) as if the consideration for the disposal of, or of the interest in, the old assets were (if otherwise of a greater amount or value) of such amount as would secure that on the disposal neither a gain nor a loss accrues to him, and
 - (b) as if the amount or value of the consideration for the acquisition of, or of the interest in, the new assets were reduced by the excess of the amount or value of the actual consideration for the disposal of, or of the interest in, the old assets over the amount of the consideration which he is treated as receiving under paragraph (a) above,

but neither paragraph (a) nor paragraph (b) above shall affect the treatment for the purposes of this Act of the other party to the transaction involving the old assets, or of the other party to the transaction involving the new assets.

Status: Point in time view as at 28/07/2000. This version of this provision has been superseded.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Section 152 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Where subsection (1)(a) above applies to exclude a gain which, in consequence of Schedule 2, is not all chargeable gain, the amount of the reduction to be made under subsection (1)(b) above shall be the amount of the chargeable gain, and not the whole amount of the gain.
- (3) Subject to subsection (4) below, this section shall only apply if the acquisition of, or of the interest in, the new assets takes place, or an unconditional contract for the acquisition is entered into, in the period beginning 12 months before and ending 3 years after the disposal of, or of the interest in, the old assets, or at such earlier or later time as the Board may by notice allow.
- (4) Where an unconditional contract for the acquisition is so entered into, this section may be applied on a provisional basis without waiting to ascertain whether the new assets, or the interest in the new assets, is acquired in pursuance of the contract, and, when that fact is ascertained, all necessary adjustments shall be made by making [^{F1}or amending] assessments or by repayment or discharge of tax, and shall be so made notwithstanding any limitation on the time within which assessments [^{F2}or amendments] may be made.
- (5) This section shall not apply unless the acquisition of, or of the interest in, the new assets was made for the purpose of their use in the trade, and not wholly or partly for the purpose of realising a gain from the disposal of, or of the interest in, the new assets.
- (6) If, over the period of ownership or any substantial part of the period of ownership, part of a building or structure is, and part is not, used for the purposes of a trade, this section shall apply as if the part so used, with any land occupied for purposes ancillary to the occupation and use of that part of the building or structure, were a separate asset, and subject to any necessary apportionments of consideration for an acquisition or disposal of, or of an interest in, the building or structure and other land.
- (7) If the old assets were not used for the purposes of the trade throughout the period of ownership this section shall apply as if a part of the asset representing its use for the purposes of the trade having regard to the time and extent to which it was, and was not, used for those purposes, were a separate asset which had been wholly used for the purposes of the trade, and this subsection shall apply in relation to that part subject to any necessary apportionment of consideration for an acquisition or disposal of, or of the interest in, the asset.
- (8) This section shall apply in relation to a person who, either successively or at the same time, carries on 2 or more trades as if both or all of them were a single trade.
- (9) In this section “period of ownership” does not include any period before 31st March 1982.
- (10) The provisions of this Act fixing the amount of the consideration deemed to be given for the acquisition or disposal of assets shall be applied before this section is applied.
- (11) Without prejudice to section 52(4), where consideration is given for the acquisition or disposal of assets some or part of which are assets in relation to which a claim under this section applies, and some or part of which are not, the consideration shall be apportioned in such manner as is just and reasonable.
