- (2) The authority shall calculate the basic amount of its council tax for dwellings in a part of its area to which no special item relates by applying the formula—

$$B - \frac{A}{T}$$

where—

B is the amount calculated (or last calculated) by the authority under [^{F135}section 31B(1) above or] section 33(1) above as the basic amount of its council tax;

A is the aggregate amount of all special items;

- (3) The authority shall calculate the basic amount of its council tax for dwellings in a part of its area to which one or more special items relate by adding to the amount given by the formula in subsection (2) above the aggregate of the amounts which, in relation to each of those special items, are given by the formula—

$$\frac{S}{TP}$$

where—

S is (in each case) the amount of the special item;

TP is (in each case) the amount of the authority's council tax base for the relevant part as calculated by it for the year.

- (4) The Secretary of State shall make regulations containing rules for making for any year any calculation required by item TP in subsection (3) above; and a billing authority shall make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

44 **Calculation of basic amount of tax [^{F196}by authorities in Wales] .**

- (1) In relation to each financial year a major precepting authority [^{F197}in Wales] shall calculate the basic amount of its council tax by applying the formula—

$$\frac{R - P}{T}$$

where—

R is the amount calculated (or last calculated) by the authority under section 43(4) above as its budget requirement for the year;

P is the aggregate of the sums which the authority estimates will be payable to it for the year in respect of redistributed non-domestic rates, revenue support grant [^{F198}, additional grant [^{F199}, [^{F200}special grant, floor funding] or police grant;]

T is the aggregate of the amounts which are calculated by the billing authorities to which the authority issues precepts (“the billing authorities concerned”) as their council tax bases for the year for their areas, or (as the case may require) for the parts of their areas falling within the authority’s area, and are notified by them to the authority within the prescribed period.

[^{F201}(1A) In this section—

- (a) references to sums payable for a financial year in respect of—
- (i) redistributed non-domestic rates,
 - (ii) revenue support grant,
 - (iii) additional grant, and
 - (iv) special grant,

are to be construed in accordance with section 33(12); and

- (b) references to sums payable for a financial year in respect of floor funding are to be construed in accordance with section 43(6C).]

- (2) Where the aggregate calculated (or last calculated) by the authority for the year under subsection (2) of section 43 above does not exceed that so calculated under subsection (3) of that section, the amount for item R in subsection (1) above shall be nil.

[^{F202}(3)

Status: Point in time view as at 01/11/2018.

Changes to legislation: Local Government Finance Act 1992 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Regulations under section 43(7) above may make such consequential alterations of the constituents of any calculation required by item P in subsection (1) above ^{F203}... (whether by adding, deleting or amending items) as appear to the [^{F204}Welsh Ministers] to be necessary or expedient.
- (5) The [^{F205}Welsh Ministers] shall make regulations containing rules for making for any year the calculations required by item T in subsection (1) above; and the billing authorities concerned shall make the calculations for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.
- (6) Regulations prescribing a period for the purposes of item T in subsection (1) above may provide that, in any case where a billing authority fails to notify its calculation to the precepting authority within that period, that item shall be determined in the prescribed manner by such authority or authorities as may be prescribed.
- (7) Any negative amount given by a calculation under subsection (1) above shall be assumed to be nil for the purposes of this Chapter.

 - (a) the relevant constituent body alone, or
 - (b) the relevant constituent body and one or more other constituent bodies.
- (4) Subsection (5) below applies if the result of the substitute calculations is such that—
 - (a) there is an increase in the Greater London Authority's consolidated council tax requirement for the year, or
 - (b) there is no such increase, but the results of the calculations in substitution made in accordance with sections 85, 86 and 88 to 90 of and Schedule 7 to the Greater London Authority Act 1999 and sections 47 and 48 above would be different from the last relevant calculations in relation to the year.
- (5) The Greater London Authority must make calculations in substitution in accordance with the provisions mentioned in subsection (4)(b) above.
- (6) In subsection (4)(b) above “the last relevant calculations” means the last calculations made by the Greater London Authority in relation to the financial year in accordance with—

 - (c) in making the calculations under section 88(2) or 89(3) of that Act, the Authority fails to comply with subsection (8) below.

Status: Point in time view as at 01/11/2018.

Changes to legislation: Local Government Finance Act 1992 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) In making substitute calculations under section 88(2) or 89(3) of the Greater London Authority Act 1999 the Greater London Authority must use any amount determined in the previous calculations for item T in section 88(2) of that Act or for item TP2 in section 89(4) of that Act.
- (9) Subsections (7)(c) and (8) above do not apply if the previous calculations have been quashed because of a failure to comply with the appropriate Greater London provisions in making the calculations.
- (10) For the purposes of subsection (9) above “the appropriate Greater London provisions” means—
- (a) in the case of calculations required to be made in accordance with sections 85 to 90 of the Greater London Authority Act 1999 and sections 47 and 48 above, those provisions, and

- “consolidated council tax requirement” has the meaning given by section 85(8) of the Greater London Authority Act 1999;
- “the relevant constituent body”, in relation to a direction under section 52ZR above, means the constituent body by reference to which the direction was given (or, if there is more than one such body, each of them).

52ZV Directions to local precepting authorities

- (2) The direction must state the amount that is to be the amount of the local precepting authority's council tax requirement for the financial year.
- (3) That amount is to be treated for all purposes as the amount calculated by the local precepting authority under section 49A above.
- (4) If the direction is given after the local precepting authority has issued a precept for the financial year, that amount is to be treated for all purposes as an amount calculated by the authority in substitution in relation to the year in accordance with that section (so that, in particular, section 42 above applies accordingly).

Meaning of basic amount of council tax

52ZX Meaning of relevant basic amount of council tax

- (1) Any reference in this Chapter to a billing authority's relevant basic amount of council tax for a financial year is a reference to the amount that would be calculated by it in relation to the year under section 31B(1) above if section 31A above did not require or permit it to take into account [^{F268}the amount of any precepts—
 - (a) issued to it for the year by local precepting authorities, or
 - (b) anticipated by it in pursuance of regulations under section 41 above.]

Status: Point in time view as at 01/11/2018.

Changes to legislation: Local Government Finance Act 1992 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(2) In the case of a major precepting authority other than ^{F269}... the Greater London Authority, any reference in this Chapter to the authority's relevant basic amount of council tax for a financial year is a reference to the amount calculated by it in relation to the year under section 42B(1) above.

^{F270}(3)

(4) In the case of a major precepting authority that is the Greater London Authority, any reference in this Chapter to the authority's relevant basic amount of council tax for a financial year is a reference to—

- [^{F271}(a) the amount calculated by it in relation to the year under section 88(2) of the Greater London Authority Act 1999 (referred to in this Chapter as the Greater London Authority's unadjusted relevant basic amount of council tax for the year), or
- (b) any amount calculated by it in relation to the year under section 89(3) of that Act (referred to in this Chapter as the Greater London Authority's adjusted relevant basic amount of council tax for the year).]

(5) Any reference in this Chapter to a local precepting authority's relevant basic amount of council tax for a financial year is a reference to the amount found by applying the formula—

R T

where—

R is the amount calculated by the authority under section 49A(4) above as its council tax requirement for the year;

T is the amount which is calculated by the billing authority to which the authority issues precepts (“the billing authority concerned”) as its council tax base for the year for the part of its area comprising the authority's area and is notified by it to the authority within the prescribed period.

(6) Where the aggregate calculated by the authority for the year under subsection (2) of section 49A above does not exceed that so calculated under subsection (3) of that section, the amount for item R in subsection (5) above is to be nil.

(7) The Secretary of State must make regulations containing rules for making for any year the calculation required by item T in subsection (5) above; and the billing authority concerned must make the calculations for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

(8) Regulations prescribing a period for the purposes of item T in subsection (5) above may provide that, in any case where a billing authority fails to notify its calculation to the precepting authority concerned within that period, that item must be determined in the prescribed manner by such authority or authorities as may be prescribed.

(9) In the application of this section any calculation for which another has been substituted is to be disregarded.
