34 Additional calculations where special items relate to part only of area.

- (1) This section applies where for any financial year an item mentioned in section 35(1) below relates to a part only of a billing authority's area; and in this section "special item" means any such item which so relates and "the relevant part", in relation to such an item, means the part concerned.
- (2) The authority shall calculate the basic amount of its council tax for dwellings in a part of its area to which no special item relates by applying the formula—

$$B - \frac{A}{T}$$

where—

B is the amount calculated (or last calculated) by the authority under section 33(1) above as the basic amount of its council tax;

A is the aggregate amount of all special items;

T is the amount determined for item T in section 33(1) above.

- (3) The authority shall calculate the basic amount of its council tax for dwellings in a part of its area to which one or more special items relate by adding to the amount given by the formula in subsection (2) above the aggregate of the amounts which, in relation to each of those special items, are given by the formula—

$$\frac{S}{TP}$$

where—

S is (in each case) the amount of the special item;

TP is (in each case) the amount of the authority's council tax base for the relevant part as calculated by it for the year.

- (4) The Secretary of State shall make regulations containing rules for making for any year any calculation required by item TP in subsection (3) above; and a billing authority shall make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

44 Calculation of basic amount of tax.

- (1) In relation to each financial year a major precepting authority shall calculate the basic amount of its council tax by applying the formula—

$$\frac{R - P}{T}$$

where—

R is the amount calculated (or last calculated) by the authority under section 43(4) above as its budget requirement for the year;

P is the aggregate of the sums which the authority estimates will be payable to it for the year in respect of redistributed non-domestic rates, revenue support grant [^{F82}, additional grant [^{F83}, relevant special grant or police grant;]]

T is the aggregate of the amounts which are calculated by the billing authorities to which the authority issues precepts (“the billing authorities concerned”) as their council tax bases for the year for their areas, or (as the case may require) for the parts of their areas falling within the authority’s area, and are notified by them to the authority within the prescribed period.

Introduction

52A Interpretation.

- (1) In this Chapter a reference to an authority is to—
 - (a) a billing authority, or
 - (b) a major precepting authority.
- (2) Sections 52W and 52X below contain other interpretative provisions for the purposes of this Chapter.

Designation or nomination

52B Power to designate or nominate authorities.

- (1) If in the Secretary of State's opinion the amount calculated by an authority as its budget requirement for a financial year (the year under consideration) is excessive, he may exercise his power to designate or nominate the authority under section 52D below.
- (2) The question whether the amount so calculated is excessive must be decided in accordance with a set of principles determined by the Secretary of State.
- (3) A set of principles—
 - (a) may contain one principle or two or more principles;
 - (b) must constitute or include a comparison falling within subsection (4) below or comparisons each of which falls within subsection (4).
- (4) A comparison falls within this subsection if—

Changes to legislation: Local Government Finance Act 1992, Part 1 is up to date with all changes known to be in force on or before 27 June 2024. - (a) it is between the amount calculated by the authority as its budget requirement for the year under consideration and the amount calculated by it as its budget requirement for a financial year falling before the year under consideration;
 - (b) the earlier financial year in the comparison does not fall before that beginning with 1st April 1998.
- (5) If for the purposes of this section the Secretary of State determines categories of authorities for the year under consideration—
- (a) any principles determined for the year must be such that the same set is determined for all authorities (if more than one) falling within the same category;
 - (b) as regards an authority which does not fall within any of the categories, the Secretary of State may not exercise his power to designate or nominate the authority under section 52D below by reference to the excessiveness of its budget requirement for the year.
- (6) If he does not determine such categories, any principles determined for the year under consideration must be such that the same set is determined for all authorities.
- (7) In determining categories of authorities for the year under consideration the Secretary of State shall take into account any information he thinks is relevant.
- (8) In applying this section the Secretary of State shall ignore any calculation for which another has been substituted at the time designation or nomination is proposed.

52C Alternative notional amounts.

- (1) The Secretary of State may make a report specifying in relation to—
- (a) any year under consideration (within the meaning of section 52B above), and
 - (b) any authority,
- an amount which in his opinion should be used as the basis of any comparison in applying that section in place of the amount calculated by the authority as its budget requirement for a financial year falling before the year under consideration.
- (2) References in this section to the alternative notional amount are to the amount so specified.
- (3) A report under this section—
- (a) may relate to two or more authorities;
 - (b) may be amended by a subsequent report under this section;
 - (c) shall contain such explanation as the Secretary of State thinks desirable of the calculation by him of the alternative notional amount;
 - (d) shall be laid before the House of Commons.
- (4) If a report under this section is approved by resolution of the House of Commons section 52B above shall have effect, as regards the year under consideration and any authority to which the report relates, as if the reference in subsection (4) to the amount calculated by the authority as its budget requirement for a financial year falling before the year under consideration were to the alternative notional amount for the year so falling.

Status: Point in time view as at 30/11/2003.

Changes to legislation: Local Government Finance Act 1992, Part 1 is up to date with all changes known to be in force on or before 27 June 2024. 52D Designation or nomination.

- (1) This section applies if in the Secretary of State's opinion (reached after applying section 52B above) the amount calculated by an authority as its budget requirement for the year under consideration is excessive.
- (2) In such a case he may—
 - (a) designate the authority as regards the year under consideration, or

 - (d) the amount which he proposes should be the maximum for the amount calculated by the authority as its budget requirement for the year;
 - (e) the target amount for the year, that is, the maximum amount which he proposes the authority could calculate as its budget requirement for the year without the amount calculated being excessive;
 - (f) the financial year as regards which he expects the amount calculated by the authority as its budget requirement for that year to be equal to or less than the target amount for that year (assuming one to be determined for that year).
- (3) A designation under section 52D(2)(a) above—
 - (a) is invalid unless subsection (2) above is complied with;
 - (b) shall be treated as made at the beginning of the day on which the authority receives a notification under that subsection.
- (4) If—
 - (a) an authority has been designated under section 52D(2)(a) above, and
