#### **32 Calculation of budget requirement.**

- (1) In relation to each financial year a billing authority shall make the calculations required by this section.
- (2) The authority must calculate the aggregate of—
  - (a) the expenditure which the authority estimates it will incur in the year in performing its functions and will charge to a revenue account for the year;
  - (b) such allowance as the authority estimates will be appropriate for contingencies in relation to expenditure to be charged to a revenue account for the year;
  - (c) the financial reserves which the authority estimates it will be appropriate to raise in the year for meeting its estimated future expenditure;
  - (d) such financial reserves as are sufficient to meet so much of the amount estimated by the authority to be a revenue account deficit for any earlier financial year as has not already been provided for; and
  - (e) any amounts which it estimates will be transferred from its general fund to its collection fund pursuant to a direction under section 98(5) of the 1988 Act and charged to a revenue account for the year [F1. other than any amounts which it estimates will be so transferred pursuant to the directions under section 98(5) of that Act made on 12th October 1992.]

  - (b) any amounts which it estimates will be transferred from its collection fund to its general fund pursuant to a direction under [F2subsection (4) of section 98] of the 1988 Act and credited to a revenue account for the year [F2other than any amounts which it estimates will be so transferred—
    - (i) pursuant to the directions under that subsection made on 12th October 1992, and
    - (ii) in the case of the Common Council, pursuant to a later direction under that subsection in respect of an amount calculated by reference to the provisional amount of its non-domestic rating contribution under Part II of Schedule 8 to that Act; and]

- (4) If the aggregate calculated under subsection (2) above exceeds that calculated under subsection (3) above, the authority must calculate the amount equal to the difference; and the amount so calculated shall be its budget requirement for the year.
- (5) In making the calculation under subsection (2) above the authority must ignore—
- (a) payments which must be met from its collection fund under section 90(2) of the 1988 Act or from a trust fund; and

- but (except as provided by regulations under section 41 below or regulations under section 74 or 75 of the 1988 Act) shall not anticipate a precept, levy or special levy not issued.
- (7) For the purposes of subsection (2)(c) above an authority's estimated future expenditure is—
- (a) that which the authority estimates it will incur in the financial year following the year in question, will charge to a revenue account for the year and will have to defray in the year before the following sums are sufficiently available, namely—
    - (i) sums which will be payable for the year into its general fund and in respect of which amounts will be credited to a revenue account for the year; and
    - (ii) sums which will be transferred as regards the year from its collection fund to its general fund; and

- (3) In making substitute calculations under section 33(1) or 34(3) above, the billing authority must use any amount determined in the previous calculations for item P or T in section 33(1) above or item TP in section 34(3) above.
- (4) For the purposes of subsection (2)(a) above, one negative amount shall be taken to exceed another if it is closer to nil (so that minus £1 shall be taken to exceed minus £2).
- (5) For the purposes of subsection (3) above, the billing authority may treat any amount determined in the previous calculations for item P in section 33(1) above as increased by the amount of any sum which—
- it estimates will be payable for the year into its general fund in respect of additional grant; and
  - was not taken into account by it in making those calculations.
- (6) Subsections (2) and (3) above shall not apply if the previous calculations have been quashed because of a failure to comply with sections 32 to 36 above in making the calculations.
