- (1) The amount payable by way of incapacity benefit in respect of any day is 1/7th of the appropriate weekly rate.
- (2) Subject to the following provisions of this section the weekly rate of short-term incapacity benefit is the lower or higher rate specified in Schedule 4, Part I, paragraph 2.

The benefit is payable at the lower rate so specified for the first 196 days of entitlement in any period of incapacity for work and at the higher rate so specified thereafter.

Status: Point in time view as at 06/04/2023.

Changes to legislation: Social Security Contributions and Benefits (Northern Ireland) Act 1992, Part II is up to date with all changes known to be in force on or before 14 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) In the case of a person over pensionable age the weekly rate of short-term incapacity benefit is, subject to subsection (4) below, that at which the relevant retirement pension referred to in section 30A(2)(b) above would have been payable.

But in determining that rate any increase of the following descriptions shall be disregarded—

- (a) any increase [^{F88}(for married people [^{F89}or civil partners]) under section 51A(2)] below or (for deferred retirement) under Schedule 5 to this Act;
- (b) ^{F90}

- (a) is terminally ill; or
- (b) is entitled to the highest rate of the care component of disability living allowance,

the weekly rate of short-term incapacity benefit payable, if greater than the rate otherwise payable to him under subsection (2) or (3) above, shall be equal to the rate at which long-term incapacity benefit under section 30A above would be payable to him if he were entitled to it.

For the purposes of this subsection a person is terminally ill if he suffers from a progressive disease and his death in consequence of that disease can reasonably be expected within [^{F91}12] months.

- (5) References to short-term incapacity benefit at the higher rate shall be construed as including short-term incapacity benefit payable to any person who has been entitled to that benefit for 196 days or more in a period of incapacity for work, notwithstanding that the rate of benefit is determined in accordance with subsection (3) or (4) above.
- (6) Subject as follows, the weekly rate of long-term incapacity benefit under section 30A above is that specified in Schedule 4, Part I, paragraph 2A.
- (7) Regulations may provide that if a person is, on the qualifying date in relation to a period of incapacity for work, under such age as may be prescribed, the rate of long-term incapacity benefit under section 30A above payable to him in respect of any day in that period shall be increased by such amount as may be prescribed.
