- (ii) the whole of the member’s pensionable service falls on or after 1st January 1985,
- an amount equal to the appropriate revaluation percentage of the amount of the pension or other benefit which on the termination date has accrued to him or to any other person in respect of him (excluding any part of that amount which consists of the member’s or the member’s widow’s or widower’s guaranteed minimum); and
- (b) in any other case, an amount equal to such proportion of the appropriate revaluation percentage of the amount of that pension or other benefit (excluding any such part) as the member’s pensionable service falling on or after 1st January 1985 bears to his total pensionable service.
- (2) In sub-paragraph (1) “pensionable service” includes any notional pensionable service which is credited to the member by the scheme.
- (3) For the purposes of sub-paragraph (1)(b), any notional pensionable service which is credited to a member by a scheme shall be taken to have ended immediately before the member’s actual pensionable service began.
- (4) Any rule of a scheme the effect of which is that benefit falls to be revalued by reference to any period is to be disregarded in making any calculation required by this method.

The revaluation percentage and the appropriate revaluation percentage

- 2 (1) For the purposes of paragraph 1 the Secretary of State shall in each calendar year by order specify a revaluation percentage for each period which is a revaluation period in relation to that order.
- (2) A period is a “revaluation period”, in relation to an order under this paragraph, if it is a period which—
- (a) begins with 1st January 1986 or with an anniversary of that date falling before the making of the order; and
- (b) ends with the next day after the making of the order which is 31st December.

 - (b) the maximum rate,
- whichever is the less.
- (4) The Secretary of State may estimate the percentage increase mentioned in sub-paragraph (3)(a) in such manner as he thinks fit.
- (5) For the purposes of that sub-paragraph, the reference period in relation to a revaluation period is—
- (a) in the case of the revaluation period beginning on 1st January 1986, the period which begins with 1st October 1985 and ends with the last day before the making of the order which is 30th September; and
 - (b) in the case of the revaluation periods with later commencement dates, the period which—
 - (i) begins with the last day before the commencement of the revaluation period which is 1st October; and
 - (ii) ends with the last day before the making of the order which is 30th September.
- (6) For the purposes of sub-paragraph (3)(b) “the maximum rate”, in relation to a revaluation period, is—
- (a) in the case of a revaluation period of 12 months, 5 per cent.; and
 - (b) in any other case, the percentage that would be the revaluation percentage had the general level of prices increased at the rate of 5 per cent. compound per annum during the reference period in question.
- (7) In paragraph 1 “the appropriate revaluation percentage” means the revaluation percentage specified in the last calendar year before the date on which the member attains normal pension age as the revaluation percentage for the revaluation period which is of the same length as the number of complete years in the pre-pension period.

The average salary method

- 3 (1) The average salary method is to revalue the member’s salaries as respects the pre-pension period in any way in which they would have been revalued during that period if he had remained in the same pensionable service.
- (2) In this paragraph “salaries” means, subject to sub-paragraph (4), the member’s salaries for the period between the date when his pensionable service began and the termination date, or such part of them as was relevant under the scheme to the calculation of the retirement benefits payable under the scheme to him or to any other person in respect of him.
- (3) For the purpose of this paragraph those salaries are to be taken to include—
- (a) any amount which is attributed to them, otherwise than by virtue of this paragraph, as the result of a revaluation for which the rules of the scheme provide; and

- (5) For the purposes of the application of this paragraph to a case where a member is credited with an amount by reference to salary notionally earned over a period of time of a particular length, that period shall be taken to have ended immediately before the member's actual pensionable service began.

The flat rate method

- 4 The flat rate method is to revalue the benefits which have accrued to the member as respects the pre-pension period in any way in which they would have been revalued during that period if he had remained in the same pensionable service.

The money purchase method

- 5 (1) Subject to sub-paragraphs (2) and (3), the money purchase method is to apply the investment yield and any bonuses arising from payments made by or on behalf of a member towards providing any pension or other retirement benefit which is payable under the scheme to him or to any other person in respect of him in the manner in which they would have been applied if his pensionable service had not terminated.
- (2) The Secretary of State may by regulations authorise trustees and managers of occupational pension schemes to deduct from any pension or other retirement benefit provided by virtue of the money purchase method an appropriate amount in respect of the administrative expenses incurred by them in carrying this method into effect.

 - (b) in respect of earners in employment which is contracted-out by reference to the scheme towards the provision for those earners of guaranteed minimum pensions under the scheme.
- (2) This Schedule applies to any sum owed on account of an employer's minimum payments to a contracted-out scheme falling to be made in the period of 12 months immediately preceding the relevant date.
- (3) In so far as contributions or payments cannot from the terms of the scheme be identified as falling within sub-paragraph (1) or (2), the amount of the debt having priority by virtue of that sub-paragraph shall be deemed to be an amount equal to—
- (a) 4.8 per cent. of the total reckonable earnings paid or payable, in the period of 12 months referred to in that sub-paragraph, to or for the benefit of non-contributing earners; and
 - (b) 3 per cent. of the total reckonable earnings paid or payable in that period to or for the benefit of contributing earners.
- (4) For the purposes of sub-paragraph (3)—
- (a) the earnings to be taken into account as reckonable earnings are those paid or payable to or for the benefit of earners in employment which is contracted-out by reference to the scheme in the whole or any part of the period of 12 months there mentioned; and
 - (b) earners are to be identified as contributing or non-contributing in relation to service of theirs in employment which is contracted-out by reference to the scheme according to whether or not in the period in question they were liable under the terms of the scheme to contribute in respect of that service towards the provision of pensions under the scheme.
- (5) In this paragraph—
- “employer” shall be construed in accordance with regulations made under section 181(2); and
- “reckonable earnings”, in relation to any employment, means the earner's earnings from that employment so far as those earnings—
- (a) were comprised in any payment of earnings made to him or for his benefit at a time when the employment was contracted-out employment; and
 - (b) exceeded the current lower earnings limit but not the current upper earnings limit.

State scheme premiums

- 3 (1) This Schedule applies to any sum owed on account of a state scheme premium payable at any time before, or in consequence of, a person going into liquidation or being adjudged bankrupt, or in Scotland, the sequestration of a debtor's estate, or (in the case of a company not in liquidation)—
- (a) the appointment of a receiver as mentioned in section 40 of the ^{M6}Insolvency Act 1986 (debenture-holders secured by floating charge), or

Status: Point in time view as at 15/07/1994.

- (b) the appointment of a receiver under section 53(6) or 54(5) of that Act (Scottish company with property subject to floating charge), or
 - (c) the taking of possession by debenture-holders (so secured) as mentioned in section 196 of the ^{M7}Companies Act 1985.
- (2) Where any such premium is payable in respect of a period of service of more than 12 months (taking into account any previous linked qualifying service), the amount to be paid in priority by virtue of this paragraph shall be limited to the amount of the premium that would have been payable if the service had been confined to the last 12 months taken into account in fixing the actual amount of the premium.
- (3) Where—
- (a) by virtue of this paragraph the whole or part of a premium is required to be paid in priority to other debts of the debtor or his estate; and
 - (b) the person liable for the payment would be entitled to recover the whole or part of any sum paid on account of it from another person either under section 61 or under any provision made by the relevant scheme for the purposes of that section or otherwise,
- then, subject to sub-paragraph (4), that other person shall be liable for any part of the premium for the time being unpaid.
- (4) No person shall be liable by virtue of sub-paragraph (3) for an amount in excess of the sum which might be so recovered from him if the premium had been paid in full by the person liable for it, after deducting from that sum any amount which has been or may be recovered from him in respect of any part of that payment paid otherwise than under that sub-paragraph.
- (5) The payment under sub-paragraph (3) of any amount in respect of a premium shall have the same effect on the rights and liabilities of the person making it (other than his liabilities under that sub-paragraph) as if it had been a payment of that amount on account of the sum recoverable from him in respect of a premium as mentioned in sub-paragraph (3)(b).

- 10 (1) Where in the tax year 1989-90 the trustees or managers of an occupational pension scheme made an increase in the rate of pensions currently payable to the members of the scheme who had attained pensionable age or to the widows or widowers of members, they may deduct the amount of the increase from any increase which, but for this sub-paragraph, they would be required to make under section 109 in the tax year 1990-91.

Contributions equivalent premiums: earnings before 1987-88

- 14 (1) Where an earner's earnings paid in any period before the tax year 1987-88—
- (a) exceeded the lower earnings limit; but
 - (b) were not such that primary Class 1 contributions within Bracket 3 fell to be paid in respect of them,

- (2) Section 63(3) applies for the purposes of sub-paragraph (1), in so far as it applies as respects section 58(4), as if the reference in paragraph (b) of section 63(3) to earnings included a reference to earnings relevant for any purpose of that sub-paragraph.
