30 Cancellation, variation, surrender and refusal of certificates.

- [F119(1) Regulations shall provide for the cancellation, variation or surrender of a contractingout certificate, or the issue of a new certificate—
 - (a) on any change of circumstances affecting the treatment of an employment as contracted-out employment; or
 - (b) where the certificate was issued on or after the principal appointed day, if any employer of persons in the description of employment to which the scheme in question relates, or the actuary of the scheme, fails to provide HMRC, at prescribed intervals, with such documents as may be prescribed for the purpose of verifying that the conditions of section 5(2B) are satisfied.]
 - (2) Regulations may enable the [F120 Inland Revenue] to cancel or vary a contracting-out certificate where—
 - (a) [F121 they have] reason to suppose that any employment to which it relates ought not to be treated as contracted-out employment in accordance with the certificate; and
 - (b) the employer does not show that it ought to be so treated.
 - (3) Where [F122] by or by virtue of any provision of this Part the contracting-out of a scheme in relation to an employment depends on the satisfaction of a particular condition,] the continued contracting-out of the scheme F123... shall be dependent on continued satisfaction of the condition; and if the condition ceases to be satisfied, that shall be a ground (without prejudice to any other) for the cancellation or variation of the contracting-out F124... certificate.
 - (4) A contracting-out certificate in respect of any employment may be withheld or cancelled by the [F120 Inland Revenue] if [F125 they consider] that there are circumstances which make it inexpedient that the employment should be or, as the case may be, continue to be, contracted-out employment by reference to the scheme, notwithstanding that the relevant scheme is one that [F126 they] would otherwise treat as proper to be contracted-out in relation to all earners in that employment.

- [F128(6) Without prejudice to their powers apart from this subsection, the [F120 Inland Revenue] may withhold or cancel a contracting-out certificate in respect of a scheme if they consider that the rules of the scheme are such that persons over particular ages may be prevented from participating in the scheme.]
- [F129](7) Without prejudice to the preceding provisions of this section, failure of a scheme to comply with any requirements prescribed by virtue of section 21(2) shall be a ground on which the [F120]Inland Revenue] may, in respect of any employment to which the scheme relates, cancel a contracting-out certificate.]
 - (8) Except in prescribed circumstances, no cancellation, variation or surrender of a contracting-out certificate ^{F130}...shall have effect from a date earlier than that on which the cancellation, variation or surrender is made.

Modifications etc. (not altering text)

C69 S. 56 modified (28.3.1997) by S.R. 1997/192, art. 4(2) (with art. 9)

57 Deduction of contributions equivalent premium from refund of scheme contributions.

- (1) This section applies where—
 - [F296(a) an earner's service in contracted-out employment ceases or his employment ceases to be contracted-out employment, and]
 - (b) he (or, by virtue of a connection with him, any other person) is entitled to a refund of any payments made by or in respect of him towards the provision of benefits under the scheme by reference to which that employment was contracted-out; and
 - (c) a contributions equivalent premium falls to be paid by any person in respect of him.

- (2) Where this section applies, then, subject to the following provisions of this section, the person by whom the premium falls to be paid shall be entitled on paying it to recover an amount equal to so much of the premium as is attributable to [F297] any actual reductions of primary Class 1 contributions (and on paying any part of it to recover a proportionate part of that amount) from the person liable for the refund.
- (3) The amount recoverable under this section shall not exceed the amount of the refund or so much of it as has not been made.
- (4) Where the period taken into account in arriving at the amount mentioned in subsection (2) does not coincide with that in respect of which the refund is to be made, the sum recoverable under this section shall be determined by reference to so much of that amount and of the refund as are referable to the same period.
- (5) Where the refund—
 - (a) is made in respect of more than one period of service, and one or more of those periods is a period of previous linked qualifying service; and
 - (b) includes any amount paid under a contracted-out scheme in relation to that service on or in connection with a transfer of accrued rights to another scheme,

the amount which may be recovered under this section shall be increased by such amount as may be prescribed.

- (6) Where the person liable for the premium is himself liable for the refund, he shall be entitled to retain out of the refund the amount which he could recover under this section from another person liable for the refund.
- (7) The amount of the refund shall be reduced by the amount recovered or retained under this section; and provision shall be made by regulations for requiring the making of refunds to be delayed for the purpose of enabling any right of recovery or retainer conferred by this section to be exercised, notwithstanding anything in any enactment relating to the making of the refund.
- (8) Where—
 - [F298(a) an earner's service in contracted-out employment ceases or his employment ceases to be contracted-out employment,]
 - (b) he (or, by virtue of a connection with him, any other person) is entitled to a refund of any payments made by or in respect of him under the scheme by reference to which that employment was contracted-out in relation to any previous contracted-out employment of his, being payments towards the provision of benefits under that scheme;
 - (c) a contributions equivalent premium falls to be paid in respect of him; and
 - (d) the period taken into account in arriving at the amount mentioned in subsection (2) includes the period of the previous contracted-out employment,

then the person liable for that premium shall have the like right of recovery from that refund (so far as the premium is not recoverable or retainable out of a refund in respect of a later employment) as a person has under this section where the refund relates to service in the employment on the [F299 cessation] of which the premium falls to be paid (and subsection (7) shall apply accordingly).

(9) This section shall apply in relation to such a refund as is referred to in subsection (1)(b) which becomes payable after the [F300 cessation] of an earner's service in contracted-out employment as it applies to such a refund becoming payable on the [F300 cessation] of an earner's service in such employment.

- [F301(9A) Where under section 97AH the trustees or managers of an occupational pension scheme may pay a contribution refund to a member of the scheme, the member is to be treated for the purposes of this section as being entitled to the contribution refund.]
 - (10) Where the earner (or, by virtue of a connection with him, any other person) becomes entitled to any payment in lieu of benefit, this section shall apply in relation to the payment as if it were such a refund as is referred to in subsection (1)(b).
 - (11) For the purposes of subsection (10), a payment in lieu of benefit is any payment falling to be made to or for the benefit of, or in respect of, a person by virtue of his being or having been a member of an occupational pension scheme, being a payment which either—
 - (a) is made or to be made otherwise than out of the resources of the scheme; or
 - (b) is made or to be made out of those resources but by way of distribution on a winding up; or
 - (c) falls within such other description of payments as may be prescribed for the purposes of that subsection.
- [F302(12) In this section "prescribed" means prescribed by regulations made by the Secretary of State.]

65 Scope of Chapter I: the preservation requirements.

- (1) This Chapter has effect in relation to the preservation of benefit under occupational pension schemes to which it applies.
- (2) In this Act "the preservation requirements" means the requirements specified in or under sections 67 to 78.
- (3) This Chapter applies to any occupational pension scheme whose resources are derived in whole or in part from—
 - (a) payments made or to be made by one or more employers of earners to whom the scheme applies, being payments either—
 - (i) under an actual or contingent legal obligation; or
 - (ii) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money; or
 - (b) such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.

66 Interpretation (Part IV).

(1) In this Chapter—

"scheme" means an occupational pension scheme to which this Chapter applies;

"relevant employment", in relation to a scheme, means any employment to which the scheme applies;

"long service benefit", in relation to a scheme, means the benefits which will be payable under the scheme, in accordance with legal obligation, to or in respect of a member of the scheme on the assumption—

- (a) that he remains in relevant employment, and
- (b) that he continues to render service which qualifies him for benefits,

until he attains normal pension age; and in this definition "benefits"

- (i) retirement benefit for the member himself at normal pension age, or
- (ii) benefit for the member's [F324wife, husband, civil partner, widow, widower or surviving civil partner], or dependants, or others, on his attaining that age or his later death, or
- (iii) both such descriptions of benefit.
- (2) In this Act "pensionable service", in relation to a scheme and a member of it, means, subject to subsection (3), service in relevant employment which qualifies the member (on the assumption that it continues for the appropriate period) for long service benefit under the scheme.
- (3) There shall be taken into account as pensionable service only actual service, that is to say—
 - (a) service notionally attributable for any purposes of the scheme is not to be regarded as pensionable service; and
 - (b) no account is to be taken of scheme rules by which a period of service can be treated for any purpose as being longer or shorter than it actually is.

 - (a) he has at least 2 years' qualifying service,
- [F325(aa) he has at least 30 days' qualifying service and, if he were entitled to benefit because of this paragraph, all of it would necessarily be money purchase benefit,] or
 - (b) a transfer payment in respect of his rights under a personal pension scheme has been made to the scheme,

he is entitled to benefit consisting of or comprising benefit of any description which would have been payable under the scheme as long service benefit, whether for himself or others, and calculated in accordance with this Chapter.

- (2) The benefit to which a member is entitled under subsection (1) is referred to in this Act as "short service benefit".

- (5) In applying subsections (3) and (4), no regard is to be had to the operation of any scheme rule, taking effect at any time after termination of the member's pensionable service, as to what is normal pension age under the scheme.
- [F328(5A) Subsection (3) does not apply in relation to a scheme under section 1 of the Public Service Pensions Act (Northern Ireland) 2014.]

 - (8) For the purposes of subsection (7), no regard shall be had to whether or not the service was of the same description in the whole of the 2 years.

 - "Relevant service" means service that counts towards the 30 days' qualifying service for the purposes of subsection (1).]

- (2) Subsection (1) does not apply to any rule in its application to members whose pensionable service terminated before the rule came into force, unless the rule—
 - (a) was made after the termination of a member's pensionable service; and
 - (b) results, or is capable of resulting, in any treatment less favourable for him than that to which he would have been entitled but for the rule.

70 Computation of short service benefit.

- (1) Subject to the provisions of this section, a scheme must provide for short service benefit to be computed on the same basis as long service benefit.
- (2) For that purpose, no account is to be taken of any rule making it (directly or indirectly) a condition of entitlement to benefit that pensionable service shall have been of any minimum duration.
- (3) Subsection (1) does not apply to so much of any benefit as accrues at a higher rate, or otherwise more favourably, in the case—
 - (a) of members with a period of pensionable service of some specified minimum length, or
 - (b) of members remaining in pensionable service up to some specified minimum age.
- (4) Subsection (1) does not apply to so much of any benefit as is of an amount or at a rate unrelated to length of pensionable service or to the number or amount of contributions paid by or for the member.
- (5) Regulations may provide that subsection (1) shall not apply to any category of schemes or members, or description of benefit.

- (6) So far as any short service benefit is not required to be computed in accordance with subsection (1), it must be computed on the basis of uniform accrual, so that at the time when pensionable service is terminated, it bears the same proportion to long service benefit as the period of that service bears to the period from the beginning of that service to the time when the member would attain normal pension age or such lower age as may be prescribed.
- (7) Where long service benefit is related to a member's earnings at, or in a specified period before, the time when he attains normal pension age, short service benefit must be related, in a corresponding manner, to his earnings at, or in the same period before, the time when his pensionable service is terminated.
- (8) A scheme must comply with any regulations relating to the basis of computation of short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

71 Credits.

(1) In this section—

"supplementary credits", in relation to a scheme and a member's entitlement to its benefits, means any increase of benefit or additional benefit to which the member may become entitled—

- (a) in consequence of any provision made by or under the scheme after he becomes a member of it (to the extent that it applies to any previous pensionable service of his); or
- (b) by reference to previous service of his (whether or not pensionable service); or
- (c) in such other circumstances as may be prescribed,

including under paragraph (b) any transfer credits;

"purchased credits" means supplementary credits for which, under the rules of the scheme, a member may or must make a payment in whole or in part (whether by means of additional contributions, or of deduction from benefit, or otherwise, and whether separately for each credit or by one or more payments for one or more credits);

"bonus credits" means supplementary credits other than purchased credits or transfer credits.

- (2) Subject to subsections (3) to (7), if a scheme provides for long service benefit to include supplementary credits, it must—
 - (a) provide for such credits to be included in short service benefit, and
 - (b) provide for all credits to be so included.
- (3) Where purchased credits have not been paid for in full at or before termination of pensionable service, the short service benefit must include the appropriate proportion of the credits.
- (4) In subsection (3) "the appropriate proportion of the credits" means—
 - (a) if they were to be paid for by a fixed amount, the same proportion as the amount paid bears to the full amount payable; and

- (b) otherwise, the same proportion as the period between the time when the first payment became due and the termination of the member's pensionable service bears to the whole period over which payment was to be made.
- (5) If the benefit includes bonus credits, or credits for which payment is to be made by deduction from that or another benefit, the credits to be included in the benefit and (where applicable) the amount of the deduction must be computed on the assumption—
 - (a) that the credits accrue in full only to a member remaining in pensionable service until normal pension age; and
 - (b) that the amount of any such credit, and also of any relevant deduction, accrues at a uniform rate from the time when the credit was awarded up to the time of his attaining that age.
- (6) Where any such deduction is a percentage of benefit, the percentage must be the same for short service as for long service benefit.
- (7) A scheme must comply with any regulations made with respect to the manner in which supplementary credits are to be included in short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

Modifications etc. (not altering text)

72 Pension increases.

- (1) A scheme which by its rules provides for increases of long service benefit from time to time (whether by way of upwards revaluation or otherwise) must provide for corresponding increases of short service benefit in the case of members whose pensionable service terminates at any time after the coming into force of any such rule.
- (2) Where the provision for increasing long service benefit involves the exercise of a discretion, a corresponding discretion must be conferred in relation to short service benefit.
- (3) If an increase of long service benefit is to take effect at a specified time after termination of service, the corresponding increase of short service benefit must take effect at the same time after the time when short service benefit becomes payable.
- (4) Where provision is made for increase of long service benefit otherwise than at a fixed rate, short service benefit may nevertheless be subject to increase at a fixed rate, if the rate is at least 3 per cent. a year compound.

79 Scope of Chapter II.

- (1) This Chapter applies for the purpose of revaluing—
 - (a) [F339 relevant] benefits payable to or in respect of a member of an occupational pension scheme where—

 - (a) any benefits payable otherwise than by virtue of rights which are attributable (directly or indirectly) to a pension credit, and

- (b) in the case of a salary related occupational pension scheme, any benefits payable by virtue of such rights, to the extent that the rights involve the member being credited by the scheme with notional pensionable service.]

- (5) If the payment of any part of the earner's pension is postponed beyond the cessation date, the relevant sum is an amount equal to what would have been the weekly rate of his pension on the day after the cessation date if there had been no such postponement.

85 The appropriate addition.

- (1) For the purposes of this Chapter "appropriate addition" means
 - where a scheme provides that part of an earner's or, as the case may be, a [F360] widow's, widower's or surviving civil partner's] pension shall accrue after the cessation date by reason of the earner's employment after that date, an amount equal to the part which has so accrued; and
 - where a scheme provides that an earner's or, as the case may be, a [F360] widow's, widower's or surviving civil partner's pension which has accrued before that date shall be enhanced after that date if payment of the earner's pension is postponed, the amount by which the unguaranteed element of the pension has been enhanced by reason of the postponement.
- (2) For the purposes of subsection (1)(b) the unguaranteed element of a pension is
 - in the case of an earner's pension, the excess of the pension on the day after the cessation date over the earner's guaranteed minimum on that day; and
 - in the case of the [F361] widow's, widower's or surviving civil partner's] pension, the excess of that pension on that day over one half of the earner's guaranteed minimum on that day.

(2) In subsection (1)—

- (a) "the unguaranteed element" means the amount by which the relevant sum exceeds the earner's guaranteed minimum on the day after his cessation date or, in the case of a [F362 widow's, widower's or surviving civil partner's] pension, one half of that minimum; and

- (3) The assumptions mentioned in subsection (2) are—
 - (a) that the relevant sum were calculated on the basis that the weekly rate of the pension or benefit which determines that sum had been calculated by reference to the level of earnings by reference to which that rate would have been calculated if the earner's cessation date had fallen on the earlier of—
 - (i) the earner's commencement of payment date, or
 - (ii) the date on which the earner ceased to be in pensionable service under the scheme; and
 - (b) that the earner's guaranteed minimum were such sum as bears the same proportion to the assumed later unguaranteed element as the guaranteed minimum mentioned in subsection (2)(a) bears to the unguaranteed element.

97AA Scope of Chapter 5

- (1) This Chapter applies to any member of an occupational pension scheme to which Chapter 1 applies (see section 65(3)) if—
 - (a) his pensionable service terminates before he attains normal pension age, and
 - (b) on the date on which his pensionable service terminates—
 - (i) the three month condition is satisfied, but
 - (ii) he does not have relevant accrued rights to benefit under the scheme.
- (2) For the purposes of subsection (1), the three month condition is that the period of the member's pensionable service under the scheme, taken together with—
 - (a) any previous period of his pensionable service under the scheme, and
 - (b) any period throughout which he was employed in linked qualifying service under another scheme.

amounts to at least three months.

- (3) A period counts for the purposes of paragraph (a) or (b) of subsection (2) only so far as it counts towards qualification for long service benefit within the meaning of Chapter 1.
- (4) For the purposes of subsection (1), "relevant accrued rights to benefit under the scheme", in relation to a member of a scheme, means rights which—
 - (a) have accrued to or in respect of him under the scheme, and
 - (b) entitle him to the relevant benefits which would have accrued to or in respect of him under the applicable rules if paragraphs (a) [F426, (aa)] and (b) of section 67(1) (and the word "and" immediately preceding them) did not have effect.
- (5) References in the following provisions of this Chapter to a member, in relation to an occupational pension scheme, are to a member of the scheme to which this Chapter applies.

Textual Amendments

F431 Pt. 4A Chapters 1, 2 (ss. 97A-97Q) inserted (1.12.1999 for certain purposes and otherwise 1.12.2000) by S.I. 1999/3147 (N.I. 11), arts. 1(5)(a), 34; S.R. 2000/133, art. 2(3), Sch. Pt. IV

CHAPTER I

PENSION CREDIT BENEFIT UNDER OCCUPATIONAL SCHEMES

97A Scope of Chapter I.

- (1) This Chapter applies to any occupational pension scheme whose resources are derived in whole or part from—
 - (a) payments to which subsection (2) applies made or to be made by one or more employers of earners to whom the scheme applies, or
 - (b) such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.
- (2) This subsection applies to payments—
 - (a) under an actual or contingent legal obligation, or
 - (b) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money.

97B Interpretation.

In this Chapter—

- "scheme" means an occupational pension scheme to which this Chapter applies;
- "pension credit rights" means rights to future benefits under a scheme which are attributable (directly or indirectly) to a pension credit;
- "pension credit benefit", in relation to a scheme, means the benefits payable under the scheme to or in respect of a person by virtue of rights under the scheme attributable (directly or indirectly) to a pension credit;
- "normal benefit age", in relation to a scheme, means the earliest age at which a person who has pension credit rights under the scheme is entitled to receive a pension by virtue of those rights (disregarding any scheme rule making special provision as to early payment of pension on grounds of ill-health or otherwise).

97C Basic principle as to pension credit benefit.

- (1) Normal benefit age under a scheme must be between 60 and 65.
- (2) A scheme must not provide for payment of pension credit benefit in the form of a lump sum at any time before normal benefit age, except in such circumstances as may be prescribed.

97D Form of pension credit benefit and its alternatives.

- (1) Subject to subsection (2) and section 97E, a person's pension credit benefit under a scheme must be—
 - (a) payable directly out of the resources of the scheme, or
 - (b) assured to him by such means as may be prescribed.
- (2) Subject to subsections (3) and (4), a scheme may, instead of providing a person's pension credit benefit, provide—
 - (a) for his pension credit rights under the scheme to be transferred to another occupational pension scheme or a personal pension scheme with a view to acquiring rights for him under the rules of the scheme, or
 - (b) for such alternatives to pension credit benefit as may be prescribed.
- (3) The option conferred by subsection (2)(a) is additional to any obligation imposed by Chapter II of this Part.
- (4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for pension credit benefit—
 - (a) if the person entitled to the benefit consents, or
 - (b) in such other cases as may be prescribed.

97E Discharge of liability where pension credit or alternative benefits secured by insurance policies or annuity contracts.

- (1) A transaction to which section 15 applies discharges the trustees or managers of a scheme from their liability to provide pension credit benefit or any alternative to pension credit benefit for or in respect of a member of the scheme if and to the extent that—
 - (a) it results in pension credit benefit, or any alternative to pension credit benefit, for or in respect of the member being appropriately secured (within the meaning of that section),
 - (b) the transaction is entered into with the consent of the member or, if the member has died, of the member's widow or widower [F432] or surviving civil partner], and
 - (c) such requirements as may be prescribed are met.
- (2) Regulations may provide that subsection (1)(b) shall not apply in prescribed circumstances.

[F777176AInterpretation of references to money purchase contracted-out schemes or appropriate schemes after abolition date

- (1) This section applies for the interpretation of this Act on and after the abolition date.
- (2) An occupational pension scheme was a money purchase contracted-out scheme at a time before the abolition date if, at that time, the scheme was contracted-out by virtue of satisfying section 5(3) (as it then had effect).
- (3) A money purchase contracted-out scheme was, at a time before the abolition date, a contracted-out scheme in relation to an earner's employment if it was, at that time, specified in a contracting-out certificate in relation to that employment; and references to the contracting-out of a scheme are, in relation to a money purchase contracted-out scheme, references to its inclusion in such a certificate.
- (4) Any reference to a contracting-out certificate is, in relation to a money purchase contracted-out scheme, a reference to a certificate issued by virtue of section 3, as it had effect before the abolition date, in relation to the employment of an earner in employed earner's employment which was contracted-out by reference to that scheme.
- (5) Any certificate so issued that was, at a time before the abolition date, in force in respect of an employed earner's employment is to be taken as conclusive that the employment was, at that time, contracted-out employment.
- (6) A personal pension scheme was an appropriate scheme at a time before the abolition date if, at that time, there was in force a certificate issued under section 3(1)(b) (as it then had effect) stating that the scheme was an appropriate scheme; and "appropriate scheme certificate" means such a certificate.
