CERTIFICATION REGULATIONS

PART I

OCCUPATIONAL PENSION SCHEMES

Power to modify Part III, etc.

- 4 (1) Regulations may modify the provisions of Part III (other than sections 14, 15 and 62 to 64), Chapter III of Part IV and Chapter II of Part V (except, so far as they relate to personal pension schemes, the members of such schemes or rights in respect of them) in their application to cases in which—
- (a) a person is employed at the same time in two or more employments (whether or not under the same employer); and
 - (b) at least one but not all of those employments is contracted-out employment, with a view to enabling the employments to be treated either separately or together for the purposes of those provisions.
- (2) Regulations may also modify those provisions in their application to cases in which—
- (a) any description of benefit under a scheme is subject to a limit (however imposed) operating so as to prevent service beyond a particular length from qualifying for further benefits; or
 - (b) earners qualify for the benefits of a scheme by reference to both—
 - (i) service in employment which is contracted-out in relation to them by reference to the scheme; and
 - (ii) service in the same employment or another employment (whether or not contracted-out employment) before the scheme was contracted-out in relation to them or their employment.
- (3) Regulations under this paragraph may include provision for securing that in the cases to which they apply an earner's employment does not cease to be contracted-out employment only because his service for the time being does not qualify him for a guaranteed minimum pension.
