- (a) a person is employed at the same time in two or more employments (whether or not under the same employer); and
  - (b) at least one but not all of those employments is contracted-out employment, with a view to enabling the employments to be treated either separately or together for the purposes of those provisions.
- (2) Regulations may also modify those provisions in their application to cases in which—

    - (ii) service in the same employment or another employment (whether or not contracted-out employment) before the scheme was contracted-out in relation to them or their employment.
- (3) Regulations under this paragraph may include provision for securing that in the cases to which they apply an earner's employment [<sup>F2</sup>which, apart from the regulations, would not be contracted-out employment is treated as contracted-out employment where any benefits provided under the scheme are attributable to a period when the scheme was contracted-out].
- [<sup>F3</sup>(4) In this paragraph “regulations” means regulations made by the Department or, as the case may be, the Secretary of State.]
