- (a) it is material, for the purposes of any provision made by or under this Act (“ the relevant provision ”), whether the person by or to whom a supply is made, or the person by whom goods are acquired or imported, is a person of a particular description,
- (b) paragraph (b) or (c) of subsection (1) above applies to any supply, acquisition or importation, and
- (c) there is a difference that would be material for the purposes of the relevant provision between—
 - (i) the description applicable to the representative member, and
 - (ii) the description applicable to the body which (apart from this section) would be regarded for the purposes of this Act as making the supply, acquisition or importation or, as the case may be, as being the person to whom the supply is made,

the relevant provision shall have effect in relation to that supply, acquisition or importation as if the only description applicable to the representative member were the description in fact applicable to that body.

(1AB) Subsection (1AA) above does not apply to the extent that what is material for the purposes of the relevant provision is whether a person is a taxable person.]

(1A)

- (2) An order under section 5(5) or (6) may make provision for securing that any goods or services which, if all the members of the group were one person, would fall to be treated under that section as supplied to and by that person, are treated as supplied to and by the representative member [^{F161}and may provide for that purpose that the representative member is to be treated as a person of such description as may be determined under the order.].

[^{F162}(2A) A supply made by a member of a group (“ the supplier ”) to another member of the group (“ the UK member ”) shall not be disregarded under subsection (1)(a) above if—

- (b) those services are not within any of the descriptions specified in Schedule 9;
- (c) the supplier has been supplied (whether or not by a person belonging in the United Kingdom) with [^{F164}any services ^{F165}... which do not fall within any of the descriptions specified in Schedule 9 [^{F166}and section 7A(2)(a) applied to the supply];]
- (d) the supplier belonged outside the United Kingdom when it was supplied with the services mentioned in paragraph (c) above; and
- (e) the services so mentioned have been used by the supplier for making the supply to the UK member.

(2B) Subject to subsection (2C) below, where a supply is excluded by virtue of subsection (2A) above from the supplies that are disregarded in pursuance of subsection (1)(a) above, all the same consequences shall follow under this Act as if that supply—

- (a) were a taxable supply in the United Kingdom by the representative member to itself, and
- (b) without prejudice to that, were made by the representative member in the course or furtherance of its business.

(2C) [^{F167}Except in so far as the Commissioners may by regulations otherwise provide,] a supply which is deemed by virtue of subsection (2B) above to be a supply by the representative member to itself—

- (a) shall not be taken into account as a supply made by the representative member when determining any allowance of input tax under section 26(1) in the case of the representative member;
- (b) shall be deemed for the purposes of paragraph 1 of Schedule 6 to be a supply in the case of which the person making the supply and the person supplied are connected within the meaning of [^{F168}section 1122 of the Corporation Tax Act 2010] (connected persons); and
- (c) subject to paragraph (b) above [^{F169}and paragraph 8A of Schedule 6], shall be taken to be a supply the value and time of which are determined as if it were a supply of services which is treated by virtue of section 8 as made by the person by whom the services are received.

(2D) For the purposes of subsection (2A) above where—

- (a) there has been a supply of the assets of a business of a person (“ the transferor ”) to a person to whom the whole or any part of that business was transferred as a going concern (“ the transferee ”),
 - (b) that supply is either—

 - (ii) a supply that would have fallen to be so treated if it had taken place in the United Kingdom,
- and
- (c) the transferor was supplied with services ^{F170}... at a time before the transfer when the transferor belonged outside the United Kingdom [^{F171}and section 7A(2)(a) applied to the supply],

those services, so far as they are used by the transferee for making any supply [^{F172}to which section 7A(2)(a) applies,] shall be deemed to have been supplied to the transferee at a time when the transferee belonged outside the United Kingdom.

that subsection shall have effect, notwithstanding that the services have not been so used by the transferor, as if the transferor were a person to whom those services were supplied and as if he were a person belonging outside the United Kingdom at the time of their deemed supply to him; and this subsection shall apply accordingly through any number of successive supplies of assets falling within paragraphs (a) and (b) of that subsection.]

- 3 A person is treated as having become liable to be registered under this Schedule at any time when the person would have become so liable under paragraph 1 or 2 but for any registration that is subsequently cancelled under—
 - (a) paragraph 11,
 - (b) paragraph 13(3) of Schedule 1,
 - (c) paragraph 6(2) of Schedule 2,
 - (d) paragraph 6(3) of Schedule 3, or

 - (b) conditions 1B and 2B are met;
- (but see also paragraph 16G).

 - (b) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
- (4) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
- (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.

Status: Point in time view as at 26/05/2015.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. - (5) A period specified under sub-paragraph (4) is a “special surcharge period”.
- (6) If a special surcharge liability notice is served in respect of a tax period which ends at or before the end of an existing special surcharge period, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 16F (1) If a person on whom a special surcharge liability notice has been served—
- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and
 - (b) has outstanding special scheme VAT for that tax period,
- the person is to be liable to a surcharge of the amount given by sub-paragraph (2).
- (2) The surcharge is equal to whichever is the greater of—
- (a) £30, and
 - (b) the specified percentage of the person's outstanding special scheme VAT for the tax period.
- (3) The specified percentage depends on whether the tax period is the first, second or third etc in the default period in respect of which the person is in default and has outstanding special scheme VAT, and is—
- (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a special scheme in respect of supplies of scheme services treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a special scheme return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 16G (1) A person who would otherwise have been liable to a surcharge under paragraph 16F(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
- (a) the special scheme return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.

Status: Point in time view as at 26/05/2015.

- (2) Where sub-paragraph (1) applies to a person—
 - (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
 - (a) it is the default which gives rise to the surcharge, under paragraph 16F(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 16E(4) and 16F(1) if—
 - (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.
- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 16E(4) and 16F(1).
- (6) Section 71(1) (meaning of “reasonable excuse”) applies for the purposes of this paragraph as it applies for the purposes of sections 59 to 70.

 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a special scheme, an amount by way of UKVAT that was not UKVAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
 - (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a special scheme.
 - (4) In section 78 in its application as a result of this section, “output tax” has the meaning that that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Status: Point in time view as at 26/05/2015.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. - the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.
- (7) The reference in sub-paragraph (1) to a claim is to a claim made—
- (a) by correcting, in accordance with Article 61 of the Implementing Regulation, the error in the non-UK return mentioned in sub-paragraph (1)(a), or

- (a) is an amount assessed under section 73(2) (refunds etc) in reliance on paragraph 20, or that could have been so assessed, and

 - (b) conditions 1B and 2B are met;
- (but see also paragraph 27).
- (2) For the purposes of sub-paragraph (1)(a)—

 - (b) condition 2A is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the obligation to submit the return.
- (3) For the purposes of sub-paragraph (1)(b)—
- (a) condition 1B is that, by the deadline for submitting the return, the tax authorities for the administering member State have received the return but have not received the amount of VAT shown on the return as payable by the person in respect of the tax period;
 - (b) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
- (4) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
- (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.

- (6) If a special surcharge liability notice is served in respect of a tax period which ends at or before the end of an existing special surcharge period, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 26 (1) If a person on whom a special surcharge liability notice has been served—
- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and

 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a non-UK special scheme in respect of supplies of scheme services treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a non-UK return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 27 (1) A person who would otherwise have been liable to a surcharge under paragraph 26(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
- (a) the non-UK return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
- (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
- (a) it is the default which gives rise to the surcharge, under paragraph 26(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 25(4) and 26(1) if—
- (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.

 - (a) a person has accounted under a non-UK special scheme for an amount by way of UKVAT that was not UKVAT due from the person, and as a result the Commissioners are liable under paragraph 29 to pay (or repay) an amount to the person, or
 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a non-UK special scheme, an amount by way of UKVAT that was not UKVAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK special scheme.
- (4) In section 78, as it applies as a result of this section, “output tax” has the meaning that that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

- 29 (1) A person may make a claim if the person—
 - (a) has made a non-UK return for a tax period relating wholly or partly to supplies of scheme services treated as made in the United Kingdom,

- (3) A person who is or has been a participant in a non-UK special scheme may make a claim if the Commissioners—
 - (a) have assessed the person to VAT for a tax period, and

^{F768}Notes:

- (1) “Protected building” means a building which is designed to remain as or become a dwelling or number of dwellings (as defined in Note (2) below) or is intended for use solely for a relevant residential purpose or a relevant charitable purpose after the reconstruction or alteration and which, in either case, is—
- (a) a listed building within the meaning of—
 - (i) the Planning (Listed Buildings and Conservation Areas) Act 1990^{F769}; or
 - (ii) [^{F770}the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997]; or
 - (iii) the [^{F771}Planning Act (Northern Ireland) 2011]; or
 - (b) a scheduled monument, within the meaning of—
 - (i) the Ancient Monuments and Archaeological Areas Act 1979; or
 - (ii) [^{F772}the Historic Monuments and Archaeological Objects (Northern Ireland) Order 1995].

- (a) the dwelling consists of self-contained living accommodation;
 - (b) there is no provision for direct internal access from the dwelling to any other dwelling or part of a dwelling;
 - (c) the separate use, or disposal of the dwelling is not prohibited by the terms of any covenants, statutory planning consent or similar provision,
- and includes a garage (occupied together with a dwelling) either constructed at the same time as the building or where the building has been substantially reconstructed at the same time as that reconstruction.
- (3) Notes (1), (4), (6), (12) to (14) and (22) to (24) of Group 5 apply in relation to this Group as they apply in relation to that Group but subject to any appropriate modifications.
- ^{F773}(4) For the purposes of item 1, a protected building shall not be regarded as substantially reconstructed unless the reconstruction is such that at least one of the following conditions is fulfilled when the reconstruction is completed—
- (a) that, of the works carried out to effect the reconstruction, at least three-fifths, measured by reference to cost, are of such a nature that the supply of services (other than excluded services), materials and other items to carry out the works, would, if supplied by a taxable person, be within either item 2 or item 3 of this Group; and
 - [^{F774}(b) that the reconstructed building incorporates no more of the original building (that is to say, the building as it was before the reconstruction began) than the external walls, together with other external features of architectural or historic interest;]
- and in paragraph (a) above “excluded services” means the services of an architect, surveyor or other person acting as consultant or in a supervisory capacity.

- (5) Where part of a protected building that is substantially reconstructed is designed to remain as or become a dwelling or a number of dwellings or is intended for use solely for a relevant residential or relevant charitable purpose (and part is not)—
- (a) a grant or other supply relating only to the part so designed or intended for such use (or its site) shall be treated as relating to a building so designed or intended for such use;
 - (b) a grant or other supply relating only to the part neither so designed nor intended for such use (or its site) shall not be so treated; and
 - (c) in the case of any other grant or other supply relating to, or to any part of, the building (or its site), an apportionment shall be made to determine the extent to which it is to be so treated.

- (9) Where a service is supplied in part in relation to an approved alteration of a building, and in part for other purposes, an apportionment may be made to determine the extent to which the supply is to be treated as falling within item 2.
- (10) For the purposes of item 2 the construction of a building separate from, but in the curtilage of, a protected building does not constitute an alteration of the protected building.

 - (b) the body corporate or the opter is not treated under sections 43A to 43D as a member of the group mentioned above, and
