 - (2) Condition A is that—
 - (a) the person makes taxable supplies, or
 - (b) there are reasonable grounds for believing that the person will make taxable supplies in the period of 30 days then beginning.
 - (3) Condition B is that those supplies (or any of them) are or will be made in the course or furtherance of a business carried on by the person.
 - (4) Condition C is that the person has no business establishment, or other fixed establishment, in the United Kingdom in relation to any business carried on by the person.
 - (5) Condition D is that the person is not registered under this Act.
- 2 (1) A person does not become liable to be registered by virtue of paragraph 1(2)(b) if the reason for believing that taxable supplies will be made in the 30-day period mentioned there is that a business, or part of a business, carried on by a taxable person is to be transferred to the person as a going concern in that period.
 - (2) But if the transfer takes place, the transferee becomes liable to be registered under this Schedule at the time of the transfer if conditions A to D in paragraph 1 are met in relation to the transferee at that time.
 - (3) In determining for the purposes of sub-paragraph (2) whether condition B is met, the reference in paragraph 1(3) to a business is to be read as a reference to the business, or part of the business, that is transferred to the transferee.
- 3 A person is treated as having become liable to be registered under this Schedule at any time when the person would have become so liable under paragraph 1 or 2 but for any registration that is subsequently cancelled under—
 - (a) paragraph 11,
 - (b) paragraph 13(3) of Schedule 1,
 - (c) paragraph 6(2) of Schedule 2,
 - (d) paragraph 6(3) of Schedule 3, or

- (2) But the person need not notify the Commissioners if on that day the person would otherwise be liable or entitled to be registered under this Act (disregarding for this purpose the person's registration under this Schedule and any enactment that prevents a person from being liable to be registered under different provisions at the same time).

Cancellation of registration

- 8 (1) The Commissioners must cancel a person's registration under this Schedule if—
- (a) the person satisfies them that the person is not liable to be registered under this Schedule, and

- (2) The cancellation is to be made with effect from—
- (a) the day on which the request is made, or
 - (b) such later day as may be agreed between the Commissioners and the person.
- (3) But the Commissioners must not cancel the registration with effect from any time unless they are satisfied that it is not a time when the person would be subject to a requirement to be registered under this Act.
- 9 (1) The Commissioners may cancel a person's registration under this Schedule if they are satisfied that the person has ceased to be liable to be registered under this Schedule.

- 10 In determining for the purposes of paragraphs 8 and 9 whether a time is a time when a person would be subject to a requirement, or entitled, to be registered under this Act, so much of any provision of this Act as prevents a person from becoming liable or entitled to be registered when the person is already registered or when the person is so liable under any other provision must be disregarded.
- 11 (1) The Commissioners may cancel a person's registration under this Schedule if they are satisfied that the person was not liable to be registered under this Schedule on the day on which the person was registered.
- (2) The cancellation is to be made with effect from the day on which the person was registered.
- 12 Paragraphs 8 to 11 are subject to paragraph 18 of Schedule 3B (cancellation of registration under this Schedule of persons seeking to be registered under that Schedule etc).

 - (b) would all be zero-rated if the person were a taxable person.
- (2) The power in sub-paragraph (1) is exercisable only if the person so requests and the Commissioners think fit.

Power to give directions

- 1 (1) Subject to paragraph 2 below, the Commissioners may give a direction under this Schedule if, in any case—
- (a) a relevant event has occurred;
 - (b) the condition specified in sub-paragraph (3) below is fulfilled;
 - (c) that condition would not be fulfilled apart from the occurrence of that event; and
 - (d) in the case of an event falling within sub-paragraph (2)(b) below, the transaction in question is not a supply which is the only supply by reference to which the case falls within paragraphs (a) to (c) above.
- (2) For the purposes of this Schedule, a relevant event occurs when a body corporate—
- (a) begins to be, or ceases to be, treated as a member of a group; or
 - (b) enters into any transaction.
- (3) The condition mentioned in sub-paragraph (1) above is that—
- (a) there has been, or will or may be, a taxable supply on which VAT has been, or will or may be, charged otherwise than by reference to the supply's full value;
 - (b) there is at least a part of the supply which is not or, as the case may be, would not be zero-rated; and
 - (c) the charging of VAT on the supply otherwise than by reference to its full value gives rise or, as the case may be, would give rise to a tax advantage.
- (4) For the purposes of this paragraph the charging of VAT on a supply (“the undercharged supply”) otherwise than by reference to its full value shall be taken to give rise to a tax advantage if, and only if, a person has become entitled—
- (a) to credit for input tax allowable as attributable to that supply or any part of it, or
 - (b) in accordance with regulations under section 39, to any repayment in respect of that supply or any part of it.

- (5) The cases where a person shall be taken for the purposes of sub-paragraph (4) above to have become entitled to a credit for input tax allowable as attributable to the undercharged supply, or to a part of it, shall include any case where—
- (a) a person has become entitled to a credit for any input tax on the supply to him, or the acquisition or importation by him, of any goods or services; and
 - (b) whatever the supplies to which the credit was treated as attributable when the entitlement to it arose, those goods or services are used by him in making the undercharged supply, or a part of it.
- (6) For the purposes of sub-paragraphs (4) and (5) above where—
- (a) there is a supply of any of the assets of a business of a person (“the transferor”) to a person to whom the whole or any part of that business is transferred as a going concern (“the transferee”), and
 - (b) that supply is treated, in accordance with an order under section 5(3), as being neither a supply of goods nor a supply of services,
- the question, so far as it falls to be determined by reference to those assets, whether a credit for input tax to which any person has become entitled is one allowable as attributable to the whole or any part of a supply shall be determined as if the transferor and the transferee were the same person.
- (7) Where, in a case to which sub-paragraph (6) above applies, the transferor himself acquired any of the assets in question by way of a supply falling within paragraphs (a) and (b) of that sub-paragraph, that sub-paragraph shall have the effect, as respects the assets so acquired, of requiring the person from whom those assets were acquired to be treated for the purposes of sub-paragraphs (4) and (5) above as the same person as the transferor and the transferee, and so on in the case of any number of successive supplies falling within those paragraphs.
- (8) For the purposes of this paragraph any question—
- (a) whether any credit for input tax to which a person has become entitled was, or is to be taken to have been, a credit allowable as attributable to the whole or any part of a supply, or
 - (b) whether any repayment is a repayment in respect of the whole or any part of a supply,
- shall be determined, in relation to a supply of a right to goods or services or to a supply of goods or services by virtue of such a right, as if the supply of the right and supplies made by virtue of the right were a single supply of which the supply of the right and each of those supplies constituted different parts.
- (9) References in this paragraph to the full value of a supply are references to the amount which (having regard to any direction under paragraph 1 of Schedule 6) would be the full value of that supply for the purposes of the charge to VAT if that supply were not a supply falling to be disregarded, to any extent, in pursuance of section 43(1)(a).
- (10) References in this paragraph to the supply of a right to goods or services include references to the supply of any right, option or priority with respect to the supply of goods or services, and to the supply of an interest deriving from any right to goods or services.

Paragraph 12: grants made on or after 19th March 1997 and before 10th March 1999

17. (1) A grant in relation to land which was made—
- (a) on or after 19th March 1997, and
 - (b) before 10th March 1999,
- is treated for the purposes of paragraph 12 as made on 10th March 1999 if, at the time of the grant, the capital item test was met.
- (2) The capital item test was met if the person making the grant, or a development financier, intended or expected that—
- (a) the land, or
 - (b) a building or part of a building on, or to be constructed on, the land,
- would become a capital item in relation to the grantor or any relevant transferee but it had not become such an item.
- (3) For the purposes of that test “capital item” and “relevant transferee” have the meaning given by paragraph 13.

Scope of the option, its duration, notification etc

Scope of the option

18. (1) An option to tax has effect in relation to the particular land specified in the option.
- (2) If an option to tax is exercised in relation to—
- (a) a building, or
 - (b) part of a building,
- the option has effect in relation to the whole of the building and all the land within its curtilage.
- (3) If an option to tax—
- (a) is exercised in relation to any land, but
 - (b) is not exercised by reference to a building or part of a building,
- the option is nonetheless taken to have effect in relation to any building which is (or is to be) constructed on the land (as well as in relation to land on which no building is constructed).
- (4) For the purposes of this paragraph—
- (a) buildings linked internally or by a covered walkway, and
 - (b) complexes consisting of a number of units grouped around a fully enclosed concourse,
- are treated as a single building.
- (5) But for those purposes—

- (a) buildings which are linked internally are not treated as a single building if the internal link is created after the buildings are completed, and
 - (b) buildings which are linked by a covered walkway are not treated as a single building if the walkway starts to be constructed after the buildings are completed.
- (6) In this paragraph a “building” includes—
- (a) an enlarged or extended building,
 - (b) an annexe to a building, and
 - (c) a planned building.
- (7) In this paragraph “covered walkway” does not include a covered walkway to which the general public has reasonable access.

The day from which the option has effect

19. (1) An option to tax has effect from—
- (a) the start of the day on which it is exercised, or
 - (b) the start of any later day specified in the option.
- (2) But if, when an option to tax is exercised, the person exercising the option intends to revoke it in accordance with paragraph 23 (revocation of option: the “cooling off” period), the option is treated for the purposes of this Act as if it had never been exercised.
- (3) An option to tax may be revoked in accordance with paragraph 22(2) or (3) and any of paragraphs 23 to 25, but not otherwise.
- (4) This paragraph needs to be read with—
- (a) paragraph 20 (requirement to notify the option), and
 - (b) paragraph 29(3) (application for prior permission in the case of an exempt grant before the exercise of an option to tax).

Requirement to notify the option

20. (1) An option to tax has effect only if—
- (a) notification of the option is given to the Commissioners within the allowed time, and
 - (b) that notification is given together with such information as the Commissioners may require.
- (2) Notification of an option is given within the allowed time if (and only if) it is given—
- (a) before the end of the period of 30 days beginning with the day on which the option was exercised, or
 - (b) before the end of such longer period beginning with that day as the Commissioners may in any particular case allow.
- (3) The Commissioners may publish a notice for the purposes of this paragraph specifying—
- (a) the form in which a notification under this paragraph must be made, and
 - (b) the information which a notification under this paragraph must contain.

Status: Point in time view as at 17/07/2012.

- (4) Notification of an option to tax does not need to be given under this paragraph if the option is treated as exercised in accordance with paragraph 29(3).

Real estate elections: elections to opt to tax land subsequently acquired

21. (1) A person (E) may make an election (a “real estate election”) for this paragraph to have effect in relation to—
- (a) relevant interests in any building or land which E acquires after the election is made, and
 - (b) relevant interests in any building or land which a body corporate acquires after the election is made at a time when the body is a relevant group member.
- (2) If E makes a real estate election—
- (a) E is treated for the purposes of this Part of this Schedule as if E had exercised an option to tax in relation to the building or land in which the relevant interest is acquired,
 - (b) that option is treated for those purposes as if it had been exercised on the day on which the acquisition was made and as if it had effect from the start of that day, and
 - (c) paragraph 20 does not apply in relation to that option,
- but this sub-paragraph is subject to sub-paragraphs (3) to (5).
- (3) A person (P) is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land where at any time—
- (a) P, or any body corporate which was a relevant group member at that time, exercises an option to tax in relation to the building (or part of the building) or land apart from this paragraph, and
 - (b) that option has effect from a time earlier than the time from which an option to tax exercised by P in relation to the building or land would otherwise have been treated as having effect as a result of this paragraph.
- (4) A person (P) is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land in which a relevant interest is acquired (“the later interest”) if—
- (a) the person making the acquisition in question held another relevant interest in that building or land before P makes a real estate election, and
 - (b) the person making the acquisition in question continues to hold that other relevant interest at the time when the later interest is acquired.
- (5) A person is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land if—
- (a) a relevant interest in the building or land is acquired as mentioned in sub-paragraph (1), and
 - (b) on the relevant assumptions the case would fall within paragraph 28 (pre-option exempt grants: requirement for prior permission before exercise of option to tax).
- (6) The relevant assumptions are that—
- (a) the effect of this paragraph is disregarded, and

- (b) the day from which the person would want the option to tax to have effect for the purposes of paragraphs 28 or 29(3) is the day on which the relevant interest is acquired.
- (7) A real estate election has effect only if—
- (a) notification of the election is given to the Commissioners before the end of the period of 30 days beginning with the day on which it was made or such longer period as the Commissioners may in any particular case allow,
 - (b) the notification is made in a form specified in a public notice, and
 - (c) the notification contains information so specified.
- (8) The Commissioners may at any time require a person who has made a real estate election to give to the Commissioners information specified in a public notice before the end of—
- (a) the period of 30 days beginning with that time, or
 - (b) such longer period as the Commissioners may in any particular case allow.
- (9) If a person (P) does not comply with that requirement—
- (a) the Commissioners may revoke the election, and
 - (b) that revocation has effect in relation to relevant interests in any building or land acquired after the notified time by P or a body corporate which is a relevant group member at the time of acquisition.
- “The notified time” means the time specified in a notification given by the Commissioners to P (which may not be before the notification is given).
- (10) A real estate election may not be revoked except in accordance with sub-paragraph (9).
- (11) If a real estate election made by a person (P) is revoked in accordance with that sub-paragraph, another real estate election may be made at any subsequent time by—
- (a) P, or
 - (b) any body corporate which is a relevant group member at that subsequent time,
- but only with the prior permission of the Commissioners.
- (12) In this paragraph—
- “relevant group member”, in relation to any person making a real estate election and any time, means a body corporate which is treated under sections 43A to 43D as a member of the same group as that person at that time, and
- “relevant interest”, in relation to any building or land, means any interest in, right over or licence to occupy the building or land (or any part of it).
- [^{F463}(13) For the purposes of this paragraph, the time at which a relevant interest in any building or land is acquired is—
- (a) the time at which a supply is treated as taking place for the purposes of the charge to VAT in respect of the acquisition, or
 - (b) if there is more than one such time, the earliest of them.
- (14) For the purposes of sub-paragraph (13)(a), any order under section 5(3)(c) that would otherwise have the effect that the acquisition in question is to be treated as neither a supply of goods nor a supply of services is to be disregarded.]

Real estate elections: supplementary

22. (1) This paragraph applies if, at any time (“the relevant time”), a person (E) makes a real estate election under paragraph 21.
- (2) An option to tax exercised in relation to any building or part of any building before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- is treated for the purposes of this Part of this Schedule as if it had been revoked from the relevant time if, at that time, neither E nor any relevant group member has a relevant interest in that building.
- (3) An option to tax exercised in relation to any land (otherwise than by reference to any building or part of a building) before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- is treated for the purposes of this Part of this Schedule as if it had been revoked in accordance with sub-paragraph (4) from the relevant time if, at that time, neither E nor any relevant group member has a relevant interest in that land, or E or any relevant group member has a relevant interest in only some of it.
- (4) The option is treated for the purposes of this Part of this Schedule as if it had been revoked in relation to—
- (a) that land, or
 - (b) the parts of that land in which neither E nor any relevant group member has a relevant interest at the relevant time,
- as the case may be.
- (5) Sub-paragraphs (2) and (3) are subject to paragraph 26 (anti-avoidance).
- (6) An option to tax (“the original option”) exercised in relation to any land (otherwise than by reference to any building or part of a building) before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- may, in circumstances specified in a public notice, be converted by E into separate options to tax if, at the relevant time, E or any relevant group member has a relevant interest in the land or any part of it.
- (7) The original option is converted into separate options to tax different parcels of land comprised in that land or part.
- (8) Those separate options to tax are treated for the purposes of this Part of this Schedule—
- (a) as if they had been exercised by E, and
 - (b) as if they had effect from the time from which the original option had effect.

- (9) But—
 - (a) those separate options to tax are treated for the purposes of paragraph 3(2) as if they had effect from the relevant time, and
 - (b) paragraph 23 (revocation of an option: the “cooling off” period) does not apply to those separate options to tax.
- (10) The notification of the election given by E must identify—
 - (a) the separate options to tax treated as exercised by E as a result of sub-paragraphs (6) to (8), and
 - (b) the different parcels of land in relation to which those separate options to tax are treated as having effect.
- (11) In this paragraph—
 - (a) any reference to any relevant group member is to a body corporate which is a relevant group member at the relevant time, and
 - (b) any reference to any relevant group member, in relation to any relevant interest in any building or land (or any part of it), is to any relevant group member regardless of whether it has exercised an option to tax the building or land (or any part of it).
- (12) In this paragraph “relevant group member” and “relevant interest”, have the meaning given by paragraph 21.
- (13) In this paragraph any reference to a real estate election under paragraph 21 does not include an election which is made under sub-paragraph (11) of that paragraph.

Revocation of option: the “cooling off” period

23. (1) An option to tax any land exercised by any person (“the taxpayer”) may be revoked with effect from the day on which it was exercised if—
- (a) the time that has lapsed since the day on which the option had effect is less than 6 months,
 - ^{F464}(b)
 - (c) no tax has become chargeable as a result of the option,
 - (d) there is no relevant transfer of a business as a going concern (see sub-paragraph (2)), and
 - (e) notification of the revocation is given to the Commissioners (see sub-paragraph (3)).
- (2) There is no relevant transfer of a business as a going concern if, since the option had effect, no grant in relation to the land has been made which is treated as neither a supply of goods nor a supply of services because—
- (a) the supply is a supply of the assets of a business by the taxpayer to a person to whom the business (or part of it) is transferred as a going concern, or
 - (b) the supply is a supply of assets of a business by a person to the taxpayer to whom the business (or part of it) is so transferred.

- (4) The Commissioners may publish a notice for the purposes of this paragraph providing that a revocation under this paragraph is effective only if—
- (a) the conditions specified in the notice are met in relation to the option, or
 - (b) the taxpayer gets the prior permission of the Commissioners on an application made to them before the end of the 6 month period mentioned above.
- (5) A notice under sub-paragraph (4) may—
- (a) provide that, in a case falling with paragraph (a) of that sub-paragraph, the taxpayer must certify that the conditions specified under that paragraph are met in relation to the option,
 - (b) specify the form in which an application under paragraph (b) of that sub-paragraph must be made,
 - (c) provide that an application under that paragraph must contain a statement by the taxpayer certifying which (if any) of the conditions specified under sub-paragraph (4)(a) are met in relation to the option,
 - (d) specify other information which an application under sub-paragraph (4)(a) must contain, and
 - (e) provide that the Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, the Commissioners may treat the revocation as if it had not been made.
