PART 1

CHARGE TO VAT FOR ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

Charge to VAT

- 1 (1) VAT is charged, in accordance with this Schedule, on the acquisition in Northern Ireland of goods from a member State—
 - (a) by reference to the value of the acquisition as determined under Part 2 of this Schedule, and
 - (b) subject to paragraph 16, at the rate of VAT for the time being in force under section 2.
- (2) VAT charged on the acquisition of goods in Northern Ireland from a member State is a liability of the person who acquires the goods and (subject to provisions about accounting and payment) becomes due at the time of acquisition.
- (3) VAT charged on the acquisition of goods in Northern Ireland from a member State in accordance with this Schedule is referred to in this Schedule as “NI acquisition VAT”.
- (4) References to VAT (without more) in this Act include NI acquisition VAT.

Status: Point in time view as at 26/07/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) The Commissioners may by regulations make provision about (including provision modifying) the application of provision that applies to value added tax made by or under any enactment (including provision made by or under this Act) to NI acquisition VAT or to goods acquired in Northern Ireland from a member State.

Scope of NI acquisition VAT

- 2 (1) NI acquisition VAT is charged on any acquisition from a member State of any goods where—
- (a) the acquisition is a taxable acquisition,
 - (b) it takes place in Northern Ireland,
 - (c) it is not in pursuance of a taxable supply (see section 4(2)), and
 - (d) the person who makes it is a taxable person or the goods acquired are subject to a duty of excise or consist in a new means of transport.
- (2) In this Act, a “taxable acquisition” means an acquisition of goods from a member State that—
- (a) is not an exempt acquisition (see paragraph 17(5)), and
 - (b) falls within sub-paragraph (3) or is an acquisition of goods consisting in a new means of transport.
- (3) An acquisition of goods from a member State falls within this sub-paragraph if—
- (a) the goods are acquired in the course or furtherance of—
 - (i) any business carried on by any person, or
 - (ii) any activities carried on otherwise than by way of business by any body corporate or by any club, association, organisation or other unincorporated body,
 - (b) it is the person who carries on that business or those activities who acquires the goods, and
 - (c) the supplier—
 - (i) is taxable in a member State at the time of the transaction in pursuance of which the goods are acquired, and
 - (ii) in participating in that transaction, acts in the course or furtherance of a business carried on by the supplier.

Meaning of acquisition of goods from a member State

- 3 (1) References in this Act to the acquisition of goods from a member State are to an acquisition of goods in pursuance of a transaction that—
- (a) is a supply of goods (including anything treated for the purposes of this Act as a supply of goods), and
 - (b) involves the removal of the goods from a member State (whether by or under the direction of the supplier, the person who acquires the goods or any other person),
- and references in this Act, in relation to such an acquisition, to the supplier are to be construed accordingly.
- (2) Where the person with the property in any goods does not change in consequence of anything which is treated for the purposes of this Act as a supply of goods, that

supply is to be treated for the purposes of this Act as a transaction in pursuance of which there is an acquisition by the person making the supply.

- (3) The Treasury may by regulations make provision about the circumstances in which an acquisition of goods is not to be treated as an acquisition of goods from a member State.

Time of acquisition

- 4 (1) For the purposes of this Act, the normal rule for determining the time that goods were acquired from a member State is that they are treated as being acquired on the earlier of—
- (a) the 15th day of the month after the month in which the first removal of the goods occurs, and
 - (b) the day a relevant invoice is issued in respect of the transaction in pursuance of which the goods were acquired.
- (2) But—
- (a) different rules apply to acquisitions to which Part 4 of Schedule 9ZB applies (warehouses), and
 - (b) the Commissioners may by regulations provide for different rules to apply in any case described in those regulations.
- (3) Regulations under sub-paragraph (2)(b) may include provision treating an acquisition as a series of acquisitions taking place at different times.
- (4) In sub-paragraph (1) “relevant invoice” means an invoice of a description prescribed by regulations made by the Commissioners.
- (5) For the purposes of this Act “first removal”, in relation to goods acquired, means the first removal of the goods in the course of the transaction in pursuance of which they are acquired.

Place of acquisition

- 5 (1) For the purposes of this Act, the normal rule for determining whether goods are acquired in Northern Ireland is that they are treated as being acquired in Northern Ireland if—
- (a) they are acquired in pursuance of a transaction which involves their removal from a member State to Northern Ireland and which does not involve their removal from Northern Ireland, or
 - (b) they are acquired by a person who, for the purposes of their acquisition, makes use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier (see paragraph 7).
- (2) But—
- (a) goods are not treated as being acquired in Northern Ireland by virtue of sub-paragraph (1)(b) where it is established in accordance with regulations made by the Commissioners that VAT—
 - (i) has been paid in a member State on the acquisition of those goods, and

Status: Point in time view as at 26/07/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (ii) fell to be paid by virtue of provisions of the law of that member State corresponding, in relation to that member State, to the provision made by sub-paragraph (1)(a), and
 - (b) different rules apply to acquisitions to which paragraph 16 or 17 of Schedule 9ZB applies.
- (3) If an acquisition of goods is not treated, for the purposes of this Act, as taking place in Northern Ireland it is treated for those purposes as an acquisition taking place outside Northern Ireland.
- (4) The Commissioners may by regulations make provision—
- (a) about the circumstances in which a person is to be treated as having made use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier for the purposes of the acquisition of any goods, and
 - (b) for the refund, in prescribed circumstances, of NI acquisition VAT paid on acquisitions of goods in relation to which the conditions in sub-paragraph (2) (a)(i) and (ii) are met.

Acquisitions from persons belonging in member States

- 6 (1) Sub-paragraph (2) applies where—
- (a) a person (“the original supplier”) makes a supply of goods to a person who belongs in a member State (“the intermediate supplier”),
 - (b) that supply involves the removal of the goods from a member State and their removal to Northern Ireland but does not involve the removal of the goods from Northern Ireland,
 - (c) both that supply and the removal of the goods to Northern Ireland are for the purposes of the making of a supply by the intermediate supplier to another person (“the customer”) who is registered under this Act,
 - (d) neither of those supplies involves the removal of the goods from a member State in which the intermediate supplier is taxable at the time of the removal without also involving the previous removal of the goods to that member State, and
 - (e) there would be a taxable acquisition by the customer if the supply to the customer involved the removal of goods from a member State to Northern Ireland.
- (2) Where this sub-paragraph applies—
- (a) the supply by the original supplier to the intermediate supplier is ignored for the purposes of this Act, and
 - (b) the supply by the intermediate supplier to the customer is treated for the purposes of this Act, other than for the purposes of Part 8 of this Schedule, as if it did involve the removal of the goods from a member State to Northern Ireland.
- (3) For the purposes of this Act, other than for the purposes of Part 8 of this Schedule, a supply of goods is treated as involving their removal from a member State to Northern Ireland, and is treated as not being a taxable supply if—
- (a) the supply is made by a person belonging in a member State to a person who is registered under this Act,

Status: Point in time view as at 26/07/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the supply involves the installation or assembly of the goods at a place in Northern Ireland to which they are removed, and
 - (c) were the supply to be treated as described in the words before paragraph (a), there would be a taxable acquisition by the registered person.
- (4) But neither sub-paragraph (2) nor sub-paragraph (3) applies in relation to a supply unless—
- (a) in the case of sub-paragraph (2), the intermediate supplier, or
 - (b) in the case of sub-paragraph (3), the person making the supply,
- complies with such requirements to provide information to the Commissioners or to the person supplied as may be specified in regulations made by the Commissioners.
- (5) The requirements to provide information that may be specified in regulations include—
- (a) requirements to provide documents (for example, invoices);
 - (b) requirements to provide information or documents before a supply is made (as well as after);
 - (c) requirements as to the content and form of information or documents to be provided;
 - (d) requirements as to the manner in which information or documents are to be provided.
- (6) Where a taxable acquisition is treated as having been made by virtue of this paragraph, that acquisition is treated as taking place at the time referred to in paragraph 4(1)(b) (day on which invoice issued).
- (7) For the purposes of this paragraph a person belongs in a member State if—
- (a) the person is taxable in a member State,
 - (b) the person does not have any business establishment or other fixed establishment in Northern Ireland,
 - (c) the person's usual place of residence is not in Northern Ireland,
 - (d) the person is not identified for the purposes of VAT in Northern Ireland and is not required, as a result of regulations under paragraph 7, to make a request to be so identified, and
 - (e) the person does not have a VAT representative who is identified for the purposes of VAT in Northern Ireland in connection with acting on the person's behalf, and is not for the time being required to appoint one who would be identified for those purposes.
- (8) In determining, for the purposes of sub-paragraph (7)(d), whether a person is required to be registered under this Act, ignore any supplies made by the person that would be ignored for the purposes of this Act if the person belonged in a member State and complied with the information requirements that would apply by virtue of sub-paragraph (4).
- (9) Where—
- (a) any goods are acquired from a member State in a case which corresponds, in relation to another member State, to the case described in sub-paragraph (1) in relation to Northern Ireland, and
 - (b) the person who acquires the goods is registered under this Act, is identified for the purposes of VAT in Northern Ireland and would be the intermediate supplier in relation to that corresponding case,

Status: Point in time view as at 26/07/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

the supply to that person of those goods and the supply by that person of those goods to the person who would be the customer in that corresponding case are to be ignored for the purposes of this Act.

- (10) References in this paragraph to a person being taxable in a member State do not include references to a person who is so taxable by virtue only of provisions of the law of that member State corresponding to the provisions of this Act by virtue of which a person who is not registered under this Act is a taxable person if the person is required to be so registered.

Identification of persons for the purposes of VAT in Northern Ireland

- 7 (1) The Commissioners may by regulations make provision for the identification of persons for the purposes of VAT in Northern Ireland.
- (2) In this Act “identified for the purposes of VAT in Northern Ireland” means identified in accordance with regulations under this paragraph.
- (3) A person may only be identified for the purposes of VAT in Northern Ireland if—
- (a) the person is registered under this Act, or
 - (b) the person acts on behalf of a person in relation to VAT in Northern Ireland as a VAT representative.
- (4) Regulations may make provision—
- (a) about the circumstances in which a person may request to be identified for the purposes of VAT in Northern Ireland;
 - (b) for a person to be required to request to be identified for the purposes of Northern Ireland VAT;
 - (c) about the circumstances in which the Commissioners may determine that a person is identified for the purposes of VAT in Northern Ireland otherwise than at the person's request;
 - (d) requiring a person to notify the Commissioners of such matters as may be specified for the purpose of allowing the Commissioners to ascertain whether a person should be identified for the purposes VAT in Northern Ireland;
 - (e) about the circumstances in which a person is to be treated, for such purposes as may be specified, as if they were identified for the purposes of VAT in Northern Ireland (and which may include circumstances where the person is neither registered under this Act nor acting as a VAT representative);
 - (f) about the circumstances in which a person ceases to be identified for the purposes of VAT in Northern Ireland.
- (5) Regulations may also make provision—
- (a) about a specified means of communicating the fact of a person's identification for the purposes of VAT in Northern Ireland (and that means is referred to in this Act as an “NI VAT identifier”);
 - (b) about the circumstances in which a person may use, or is required to use, an NI VAT identifier (for example, in connection with the making of a transaction or return).
- (6) In this paragraph “specified” means specified in regulations.

Status: Point in time view as at 26/07/2021.

PART 2

VALUATION OF ACQUISITIONS

Valuation of acquisitions from member States

- 8 (1) For the purposes of this Act the value of any acquisition of goods from a member State is taken to be the value of the transaction in pursuance of which they are acquired.
- (2) Where goods are acquired from a member State otherwise than in pursuance of a taxable supply, the value of the transaction in pursuance of which they are acquired is to be determined for the purposes of sub-paragraph (1) in accordance with this Part, and for those purposes—
- (a) sub-paragraphs (3) to (5) have effect subject to paragraphs 9 to 13, and
 - (b) section 19 and Schedule 6 do not apply in relation to the transaction.
- (3) If the transaction is for a consideration in money, its value is taken to be such amount as is equal to the consideration.
- (4) If the transaction is for a consideration not consisting or not wholly consisting of money, its value is taken to be such amount in money as is equivalent to the consideration.
- (5) Where a transaction in pursuance of which goods are acquired from a member State is not the only matter to which a consideration in money relates, the transaction is deemed to be for such part of the consideration as is properly attributable to it.

Transactions below market value

- 9 (1) Where, in the case of the acquisition of any goods from a member State—
- (a) the relevant transaction (see paragraph 13) is for a consideration in money,
 - (b) the value of the relevant transaction is (apart from this paragraph) less than the transaction's open market value,
 - (c) the supplier and the person who acquires the goods are connected, and
 - (d) that person is not entitled under sections 25 and 26 to credit for all the VAT on the acquisition,
- the Commissioners may direct that the value of the relevant transaction is taken to be its open market value.
- (2) A direction under this paragraph must be given—
- (a) by notice in writing to the person by whom the acquisition in question is made, and
 - (b) within the period of 3 years commencing with the relevant time (see paragraph 13).

Interest on VAT: “reckonable date”

- 26 (1) Sub-paragraph (2) states the “reckonable date” for the purposes of section 74(1) and (2) for any case where an amount carrying interest under that section—
- (a) is an amount assessed under section 73(2) (refunds etc) in reliance on paragraph 22, or that could have been so assessed, and
 - (b) was correctly paid or credited to the person, but would not have been paid or credited to the person had the facts been as they later turn out to be.
- (2) The “reckonable date” is the first day after the end of the tax period in which the events occurred as a result of which the Commissioners were authorised to make the assessment (that was or could have been made) under section 73(2).
- (3) Sub-paragraph (4) states the “reckonable date” for any other case where an amount carrying interest under section 74 is assessed under section 74(1) or (2) in reliance on paragraph 22, or could have been so assessed.

- (5) Where section 74(1) or (2) (interest on VAT recovered or recoverable by assessment) applies in relation to an amount assessed under section 73(3A) (treated as inserted by paragraph 23(2)), the “reckonable date” for the purposes of section 74(1) or (2) is taken to be the day after the end of the tax period referred to in paragraph 33(2).

Default surcharge: notice of special surcharge period

- 27
- (1) A person who is required to make a relevant non-UK return for a tax period is regarded for the purposes of this paragraph and paragraph 28 as being in default in respect of that period if either—
 - (a) conditions 1A and 2A are met, or
 - (b) conditions 1B and 2B are met,(but see also paragraph 29).
 - (2) The conditions are as follows—
 - (a) condition 1A is that the tax authorities for the administering member State have not received the return by the deadline for submitting it;
 - (b) condition 2A is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the obligation to submit the return;
 - (c) condition 1B is that, by the deadline for submitting the return, those tax authorities have received the return but have not received the amount of VAT shown on the return as payable by the person in respect of the tax period;
 - (d) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
 - (3) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—
 - (a) ending on the first anniversary of the last day of that tax period, and
 - (b) beginning on the date of the notice.
 - (4) A period specified under sub-paragraph (3) is a “special surcharge period”.
 - (5) If a special surcharge liability notice is served in respect of a tax period which ends on or before the day on which an existing special surcharge period ends, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- 28
- (1) If a person on whom a special surcharge liability notice has been served—
 - (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and
 - (b) has outstanding special scheme VAT for that tax period,the person is to be liable to a surcharge of the amount given by sub-paragraph (2).

- (b) the specified percentage of the person's outstanding special scheme VAT for the tax period.
- (3) The specified percentage depends on whether the tax period is the first, second or third etc period in respect of which the person is in default and has outstanding special scheme VAT, and is—
 - (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a non-UK scheme in respect of scheme supplies treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a non-UK return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 29 (1) A person who would otherwise have been liable to a surcharge under paragraph 28(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
- (a) the non-UK return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
- (a) the person is treated as not having been in default in respect of the tax period in question, and
 - (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
- (a) it is the default which gives rise to the surcharge, under paragraph 28(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 27(3) and 28(1) if—
- (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.

- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 27(3) and 28(1).
- (6) Section 71(1) (meaning of “reasonable excuse”) applies for the purposes of this paragraph as it applies for the purposes of sections 59 to 70.

Interest in certain cases of official error

- 30 (1) Section 78 (interest in certain cases of official error) applies as follows in relation to a case where, due to an error on the part of the Commissioners—
- (a) a person has accounted under a non-UK scheme for an amount by way of UK VAT that was not UK VAT due from the person, and as a result the Commissioners are liable under paragraph 31 to pay (or repay) an amount to the person, or
 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a non-UK scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK scheme.
- (4) In section 78, as it applies as a result of this paragraph, “output tax” has the meaning that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

Overpayments

- 31 (1) A person may make a claim if the person—
- (a) has made a non-UK return for a tax period relating wholly or partly to scheme supplies treated as made in the United Kingdom,
 - (b) has accounted to the tax authorities for the administering member State for VAT in respect of those supplies, and

- (3) A person who is or has been a participant in a non-UK scheme may make a claim if the Commissioners—

 the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.

 - (a) by correcting, in accordance with Article 61 of the Implementing Regulation, the error in the non-UK return mentioned in sub-paragraph (1)(a), or
 - (b) (after the expiry of the period during which the non-UK return may be amended under Article 61) to the Commissioners.

- (a) is an amount assessed under section 73(2) (refunds etc) in reliance on paragraph 16, or that could have been so assessed, and
 - (b) was correctly paid or credited to the person, but would not have been paid or credited to the person had the facts been as they later turn out to be.
- (2) The “reckonable date” is the first day after the end of the tax period in which the events occurred as a result of which the Commissioners were authorised to make the assessment (that was or could have been made) under section 73(2).
- (3) Sub-paragraph (4) states the “reckonable date” for any other case where an amount carrying interest under section 74 is assessed under section 74(1) or (2) in reliance on paragraph 16, or could have been so assessed.

- (5) Where section 74(1) or (2) (interest on VAT recovered or recoverable by assessment) applies in relation to an amount assessed under section 73(3A) (treated as inserted by paragraph 17(2)), the “reckonable date” for the purposes of section 74(1) or (2) is taken to be the day after the end of the tax period referred to in paragraph 27(2).

Default surcharge: notice of special surcharge period

- 21 (1) A person who is required to make a relevant special scheme return for a tax period is regarded for the purposes of this paragraph and paragraph 22 as being in default in respect of that period if either—
- (a) conditions 1A and 2A are met, or
 - (b) conditions 1B and 2B are met,
- (but see also paragraph 23).
- (2) The conditions are as follows—

 - (d) condition 2B is that those tax authorities have, in accordance with Article 60a of the Implementing Regulation, issued a reminder of the VAT outstanding.
- (3) The Commissioners may serve on a person who is in default in respect of a tax period a notice (a “special surcharge liability notice”) specifying a period—

- (5) If a special surcharge liability notice is served in respect of a tax period which ends on or before the day on which an existing special surcharge period ends, the special surcharge period specified in that notice must be expressed as a continuation of the existing special surcharge period (so that the existing period and its extension are regarded as a single special surcharge period).

Further default after service of notice

- (a) is in default in respect of a tax period ending within the special surcharge period specified in (or extended by) that notice, and

- (a) for the first such tax period, 2%;
 - (b) for the second such tax period, 5%;
 - (c) for the third such tax period, 10%;
 - (d) for each such tax period after the third, 15%.
- (4) “Special scheme VAT”, in relation to a person, means VAT that the person is liable to pay to the tax authorities for the administering member State under a special scheme in respect of qualifying supplies of goods treated as made in the United Kingdom.
- (5) A person has “outstanding special scheme VAT” for a tax period if some or all of the special scheme VAT for which the person is liable in respect of that period has not been paid by the deadline for the person to submit a special scheme return for that period (and the amount unpaid is referred to in sub-paragraph (2)(b) as “the person's outstanding special scheme VAT” for the tax period).

Default surcharge: exceptions for reasonable excuse etc

- 23 (1) A person who would otherwise have been liable to a surcharge under paragraph 22(1) is not to be liable to the surcharge if the person satisfies the Commissioners or, on appeal, the tribunal that, in the case of a default which is material to the surcharge—
- (a) the special scheme return or, as the case may be, the VAT shown on that return, was despatched at such a time and in such manner that it was reasonable to expect that it would be received by the tax authorities for the administering member State within the appropriate time limit, or
 - (b) there is a reasonable excuse for the return or the VAT not having been so despatched.
- (2) Where sub-paragraph (1) applies to a person—
- (a) the person is treated as not having been in default in respect of the tax period in question, and

Status: Point in time view as at 26/07/2021.

- (b) accordingly, any special surcharge liability notice the service of which depended on that default is regarded as not having been served.
- (3) A default is “material” to a surcharge if—
 - (a) it is the default which gives rise to the surcharge, under paragraph 22(1), or
 - (b) it is a default which was taken into account in the service of the special surcharge liability notice on which the surcharge depends and the person concerned has not previously been liable to a surcharge in respect of a tax period ending within the special surcharge period specified in or extended by that notice.
- (4) A default is left out of account for the purposes of paragraphs 21(3) and 22(1) if—
 - (a) the conduct by virtue of which the person is in default is also conduct falling within section 69(1) (breaches of regulatory provisions), and
 - (b) by reason of that conduct the person concerned is assessed to a penalty under that section.
- (5) If the Commissioners, after consultation with the Treasury, so direct, a default in respect of a tax period specified in the direction is to be left out of account for the purposes of paragraphs 21(3) and 22(1).

 - (b) (in a case not falling within paragraph (a)), a person has paid, in accordance with an obligation under a special scheme, an amount by way of UK VAT that was not UK VAT due from the person and which the Commissioners are in consequence liable to repay to the person.
- (2) Section 78 has effect as if the condition in section 78(1)(a) were met in relation to that person.
- (3) In the application of section 78 as a result of this paragraph, section 78(12)(b) is read as providing that any reference in that section to a return is to a return required to be made under a non-UK special scheme.
- (4) In section 78, as it applies as a result of this section, “output tax” has the meaning that expression would have if the reference in section 24(2) to a “taxable person” were to a “person”.

- the Commissioners must pay (or repay) to the person so much of the amount as remains to the person's credit.

 - (b) the condition specified in sub-paragraph (3) below is fulfilled;
 - (c) that condition would not be fulfilled apart from the occurrence of that event; and
 - (d) in the case of an event falling within sub-paragraph (2)(b) below, the transaction in question is not a supply which is the only supply by reference to which the case falls within paragraphs (a) to (c) above.
- (2) For the purposes of this Schedule, a relevant event occurs when a [^{F696}person]—
- (a) begins to be, or ceases to be, treated as a member of a group; or

- (b) enters into any transaction.
- (3) The condition mentioned in sub-paragraph (1) above is that—
- (a) there has been, or will or may be, a taxable supply on which VAT has been, or will or may be, charged otherwise than by reference to the supply's full value;
 - (b) there is at least a part of the supply which is not or, as the case may be, would not be zero-rated; and
 - (c) the charging of VAT on the supply otherwise than by reference to its full value gives rise or, as the case may be, would give rise to a tax advantage.
- (4) For the purposes of this paragraph the charging of VAT on a supply ("the undercharged supply") otherwise than by reference to its full value shall be taken to give rise to a tax advantage if, and only if, a person has become entitled—
- (a) to credit for input tax allowable as attributable to that supply or any part of it, or
 - (b) in accordance with regulations under section 39, to any repayment in respect of that supply or any part of it.
- (5) The cases where a person shall be taken for the purposes of sub-paragraph (4) above to have become entitled to a credit for input tax allowable as attributable to the undercharged supply, or to a part of it, shall include any case where—
- (a) a person has become entitled to a credit for any input tax on the supply to him, or the ^{F697}... importation by him, of any goods or services; and
 - (b) whatever the supplies to which the credit was treated as attributable when the entitlement to it arose, those goods or services are used by him in making the undercharged supply, or a part of it.
- (6) For the purposes of sub-paragraphs (4) and (5) above where—
- (a) there is a supply of any of the assets of a business of a person ("the transferor") to a person to whom the whole or any part of that business is transferred as a going concern ("the transferee"), and
 - (b) that supply is treated, in accordance with an order under section 5(3), as being neither a supply of goods nor a supply of services,
- the question, so far as it falls to be determined by reference to those assets, whether a credit for input tax to which any person has become entitled is one allowable as attributable to the whole or any part of a supply shall be determined as if the transferor and the transferee were the same person.
- (7) Where, in a case to which sub-paragraph (6) above applies, the transferor himself acquired any of the assets in question by way of a supply falling within paragraphs (a) and (b) of that sub-paragraph, that sub-paragraph shall have the effect, as respects the assets so acquired, of requiring the person from whom those assets were acquired to be treated for the purposes of sub-paragraphs (4) and (5) above as the same person as the transferor and the transferee, and so on in the case of any number of successive supplies falling within those paragraphs.
- (8) For the purposes of this paragraph any question—
- (a) whether any credit for input tax to which a person has become entitled was, or is to be taken to have been, a credit allowable as attributable to the whole or any part of a supply, or

- (b) whether any repayment is a repayment in respect of the whole or any part of a supply,
- shall be determined, in relation to a supply of a right to goods or services or to a supply of goods or services by virtue of such a right, as if the supply of the right and supplies made by virtue of the right were a single supply of which the supply of the right and each of those supplies constituted different parts.
- (9) References in this paragraph to the full value of a supply are references to the amount which (having regard to any direction under paragraph 1 of Schedule 6) would be the full value of that supply for the purposes of the charge to VAT if that supply were not a supply falling to be disregarded, to any extent, in pursuance of section 43(1)(a).
- (10) References in this paragraph to the supply of a right to goods or services include references to the supply of any right, option or priority with respect to the supply of goods or services, and to the supply of an interest deriving from any right to goods or services.

Assessment in consequence of a direction

- 6 (1) Subject to sub-paragraph (3) below, where—
- (a) a direction is given under this Schedule, and
 - (b) there is an amount of VAT (“the unpaid tax”) for which a relevant person would have been liable before the giving of the direction if the facts had accorded with the assumptions specified in the direction,
- the Commissioners may, to the best of their judgement, assess the amount of unpaid tax as tax due from the person to whom the direction was given or another relevant person and notify their assessment to that person.
- (2) In sub-paragraph (1) above the reference to an amount of VAT for which a person would, on particular assumptions, have been liable before the giving of a direction under this Schedule is a reference to the aggregate of the following—
- (a) any amount of output tax which, on those assumptions but not otherwise, would have been due from a relevant person at the end of a prescribed accounting period ending before the giving of the direction;
 - (b) the amount of any credit for input tax to which a relevant person is treated as having been entitled at the end of such an accounting period but to which he would not have been entitled on those assumptions; and
 - (c) the amount of any repayment of tax made to a relevant person in accordance with regulations under section 39 but to which he would not have been entitled on those assumptions.
- (3) Where any assessment falls to be made under this paragraph in a case in which the Commissioners are satisfied that the actual revenue loss is less than the unpaid tax, the total amount to be assessed under this paragraph shall not exceed what appears to them, to the best of their judgement, to be the amount of that loss.
- (4) For the purposes of the making of an assessment under this paragraph in relation to any direction, the actual revenue loss shall be taken to be equal to the amount of the unpaid tax less the amount given by aggregating the amounts of every entitlement—
- (a) to credit for input tax, or
 - (b) to a repayment in accordance with regulations under section 39,
- which (whether as an entitlement of the person in relation to whom the assessment is made or as an entitlement of any other person) would have arisen on the assumptions contained in the direction, but not otherwise.

- (5) An assessment under this paragraph relating to a direction may be notified to the person to whom that direction is given by being incorporated in the same notice as that direction.
- (6) An assessment under this paragraph shall not be made—
- (a) more than one year after the day on which the direction to which it relates was given, or
 - (b) in the case of any direction that has been withdrawn.
- (7) Where an amount has been assessed on any person under this paragraph and notified to him—
- (a) that amount shall be deemed (subject to the provisions of this Act as to appeals) to be an amount of VAT due from him;
 - (b) that amount may be recovered accordingly, either from that person or, in the case of a ^[F712]person who] is for the time being treated as a member of a group, from the representative member of that group; and
 - (c) to the extent that more than one person is liable by virtue of any assessment under this paragraph in respect of the same amount of unpaid tax, those persons shall be treated as jointly and severally liable for that amount.

- (9) Sections 74 and 77(6) apply in relation to assessments under this paragraph as they apply in relation to assessments under section 73 but as if the reference in subsection (1) of section 74 to the reckonable date were a reference to the date on which the assessment is notified.
- (10) Where by virtue of sub-paragraph (9) above any person is liable to interest under section 74—
- (a) section 76 shall have effect in relation to that liability with the omission of subsections (2) to ^[F713](5)]; and
 - (b) section 77, except subsection (6), shall not apply to an assessment of the amount due by way of interest;
- and (without prejudice to the power to make assessments for interest for later periods) the interest to which any assessment made under section 76 by virtue of paragraph (a) above may relate shall be confined to interest for a period of no more than two years ending with the time when the assessment to interest is made.

(3) For the meaning of “relevant associate”, see paragraph 3.

Meaning of “relevant associate”

3. (1) This paragraph explains for the purposes of this Part of this Schedule what is meant by a “relevant associate” in a case where a [F719 person] (“the opter”) exercises an option to tax in relation to any building or land.
- (2) A [F720 person] is a relevant associate of the opter if under sections 43A to 43D (groups of companies) the [F720 person]—
- (a) was treated as a member of the same group as the opter at the time when the option first had effect,
 - (b) has been so treated at any later time when the opter had a relevant interest in the building or land, or
 - (c) has been treated as a member of the same group as a [F721 person] within paragraph (a) or (b) of this sub-paragraph at a time when [F722 that person] had a relevant interest in the building or land.
- (3) But a [F723 person (“P”)] ceases to be a relevant associate of the opter in relation to the building or land in the following circumstances.
- (4) [F724 P] ceases to be a relevant associate of the opter in relation to the building or land at the time when all of the following conditions are first met—
- (a) [F725 P] has no relevant interest in the building or land [F726],
 - (aa) where [F727 P] has disposed of such an interest, it is not the case that a supply for the purposes of the charge to VAT in respect of the disposal—
 - (i) is yet to take place, or
 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met.]
 - (b) [F728 P] or the opter is not treated under sections 43A to 43D as a member of the group mentioned above, and
 - (c) [F729 P] is not connected with any person who has a relevant interest in the building or land where that person is the opter or another relevant associate of the opter.
- (5) [F730 P] also ceases to be a relevant associate of the opter in relation to the building or land if [F730 P]—
- (a) meets conditions specified in a public notice (see paragraph 4), or
 - (b) gets the prior permission of the Commissioners (also, see that paragraph).
- The time when [F731 P] ceases to be a relevant associate of the opter is determined in accordance with that paragraph.
- (6) In this paragraph “relevant interest in the building or land” means an interest in, right over or licence to occupy the building or land (or any part of it).

 - (b) part of a building,
- the option has effect in relation to the whole of the building and all the land within its curtilage.
- (3) If an option to tax—
- (a) is exercised in relation to any land, but
 - (b) is not exercised by reference to a building or part of a building,
- the option is nonetheless taken to have effect in relation to any building which is (or is to be) constructed on the land (as well as in relation to land on which no building is constructed).
- (4) For the purposes of this paragraph—
- (a) buildings linked internally or by a covered walkway, and
 - (b) complexes consisting of a number of units grouped around a fully enclosed concourse,
- are treated as a single building.
- (5) But for those purposes—
- (a) buildings which are linked internally are not treated as a single building if the internal link is created after the buildings are completed, and
 - (b) buildings which are linked by a covered walkway are not treated as a single building if the walkway starts to be constructed after the buildings are completed.
- (6) In this paragraph a “building” includes—

- (3) An option to tax may be revoked in accordance with paragraph 22(2) or (3) and any of paragraphs 23 to 25, but not otherwise.
- (4) This paragraph needs to be read with—

 - (b) paragraph 29(3) (application for prior permission in the case of an exempt grant before the exercise of an option to tax).

Requirement to notify the option

 - (a) notification of the option is given to the Commissioners within the allowed time, and
 - (b) that notification is given together with such information as the Commissioners may require.
- (2) Notification of an option is given within the allowed time if (and only if) it is given—

 - (b) relevant interests in any building or land which a [^{F755}person] acquires after the election is made at a time when [^{F756}the person] is a relevant group member.
- (2) If E makes a real estate election—
 - (a) E is treated for the purposes of this Part of this Schedule as if E had exercised an option to tax in relation to the building or land in which the relevant interest is acquired,
 - (b) that option is treated for those purposes as if it had been exercised on the day on which the acquisition was made and as if it had effect from the start of that day, and
 - (c) paragraph 20 does not apply in relation to that option, but this sub-paragraph is subject to sub-paragraphs (3) to (5).

 - (b) that option has effect from a time earlier than the time from which an option to tax exercised by P in relation to the building or land would otherwise have been treated as having effect as a result of this paragraph.
- (4) A person (P) is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land in which a relevant interest is acquired (“the later interest”) if—
- (a) the person making the acquisition in question held another relevant interest in that building or land before P makes a real estate election, and
 - (b) the person making the acquisition in question continues to hold that other relevant interest at the time when the later interest is acquired.
- (5) A person is not to be treated as a result of this paragraph as exercising an option to tax in relation to any building or land if—
- (a) a relevant interest in the building or land is acquired as mentioned in subparagraph (1), and
 - (b) on the relevant assumptions the case would fall within paragraph 28 (pre-option exempt grants: requirement for prior permission before exercise of option to tax).
- (6) The relevant assumptions are that—
- (a) the effect of this paragraph is disregarded, and
 - (b) the day from which the person would want the option to tax to have effect for the purposes of paragraphs 28 or 29(3) is the day on which the relevant interest is acquired.
- (7) A real estate election has effect only if—
- (a) notification of the election is given to the Commissioners before the end of the period of 30 days beginning with the day on which it was made or such longer period as the Commissioners may in any particular case allow,
 - (b) the notification is made in a form specified in a public notice, and
 - (c) the notification contains information so specified.
- (8) The Commissioners may at any time require a person who has made a real estate election to give to the Commissioners information specified in a public notice before the end of—
- (a) the period of 30 days beginning with that time, or
 - (b) such longer period as the Commissioners may in any particular case allow.
- (9) If a person (P) does not comply with that requirement—
- (a) the Commissioners may revoke the election, and
 - (b) that revocation has effect in relation to relevant interests in any building or land acquired after the notified time by P or a [^{F758}person who] is a relevant group member at the time of acquisition.
- “The notified time” means the time specified in a notification given by the Commissioners to P (which may not be before the notification is given).

- (10) A real estate election may not be revoked except in accordance with sub-paragraph (9).

- (a) P, or
 - (b) any [^{F759}person who] is a relevant group member at that subsequent time, but only with the prior permission of the Commissioners.
- (12) In this paragraph—
- “relevant group member”, in relation to any person [^{F760}(“P”)] making a real estate election and any time, means a [^{F761}person who] is treated under sections 43A to 43D as a member of the same group as [^{F762}P] at that time, and
- “relevant interest”, in relation to any building or land, means any interest in, right over or licence to occupy the building or land (or any part of it).
- [^{F763}(13) For the purposes of this paragraph, the time at which a relevant interest in any building or land is acquired is—
- (a) the time at which a supply is treated as taking place for the purposes of the charge to VAT in respect of the acquisition, or
 - (b) if there is more than one such time, the earliest of them.
- (14) For the purposes of sub-paragraph (13)(a), any order under section 5(3)(c) that would otherwise have the effect that the acquisition in question is to be treated as neither a supply of goods nor a supply of services is to be disregarded.]

- (a) E, or
 - (b) any relevant group member,
- is treated for the purposes of this Part of this Schedule as if it had been revoked in accordance with sub-paragraph (4) from the relevant time if, at that time, neither E nor any relevant group member has a relevant interest in that land, or E or any relevant group member has a relevant interest in only some of it.
- (4) The option is treated for the purposes of this Part of this Schedule as if it had been revoked in relation to—
- (a) that land, or
 - (b) the parts of that land in which neither E nor any relevant group member has a relevant interest at the relevant time,
- as the case may be.
- (5) Sub-paragraphs (2) and (3) are subject to paragraph 26 (anti-avoidance).
- (6) An option to tax (“the original option”) exercised in relation to any land (otherwise than by reference to any building or part of a building) before the relevant time by—
- (a) E, or
 - (b) any relevant group member,
- may, in circumstances specified in a public notice, be converted by E into separate options to tax if, at the relevant time, E or any relevant group member has a relevant interest in the land or any part of it.
- (7) The original option is converted into separate options to tax different parcels of land comprised in that land or part.
- (8) Those separate options to tax are treated for the purposes of this Part of this Schedule—
- (a) as if they had been exercised by E, and
 - (b) as if they had effect from the time from which the original option had effect.
- (9) But—
- (a) those separate options to tax are treated for the purposes of paragraph 3(2) as if they had effect from the relevant time, and
 - (b) paragraph 23 (revocation of an option: the “cooling off” period) does not apply to those separate options to tax.

Status: Point in time view as at 26/07/2021.

Changes to legislation: Value Added Tax Act 1994 is up to date with all changes known to be in force on or before 11 July 2024. There are changes that may be brought into force at a future date. - (10) The notification of the election given by E must identify—
 - (a) the separate options to tax treated as exercised by E as a result of sub-paragraphs (6) to (8), and
 - (b) the different parcels of land in relation to which those separate options to tax are treated as having effect.
- (11) In this paragraph—
 - (a) any reference to any relevant group member is to a body corporate which is a relevant group member at the relevant time, and
 - (b) any reference to any relevant group member, in relation to any relevant interest in any building or land (or any part of it), is to any relevant group member regardless of whether it has exercised an option to tax the building or land (or any part of it).
- (12) In this paragraph “relevant group member” and “relevant interest”, have the meaning given by paragraph 21.
- (13) In this paragraph any reference to a real estate election under paragraph 21 does not include an election which is made under sub-paragraph (11) of that paragraph.

Revocation of option: the “cooling off” period

23. (1) An option to tax any land exercised by any person (“the taxpayer”) may be revoked with effect from the day on which it was exercised if—

 - ^{F764}(b)
 - (c) no tax has become chargeable as a result of the option,
 - (d) there is no relevant transfer of a business as a going concern (see sub-paragraph (2)), and
 - (e) notification of the revocation is given to the Commissioners (see sub-paragraph (3)).
- (2) There is no relevant transfer of a business as a going concern if, since the option had effect, no grant in relation to the land has been made which is treated as neither a supply of goods nor a supply of services because—
- (a) the supply is a supply of the assets of a business by the taxpayer to a person to whom the business (or part of it) is transferred as a going concern, or
 - (b) the supply is a supply of assets of a business by a person to the taxpayer to whom the business (or part of it) is so transferred.
- (3) The notification of the revocation must—
- (a) be made in a form specified in a public notice, and
 - (b) contain information so specified.
- (4) The Commissioners may publish a notice for the purposes of this paragraph providing that a revocation under this paragraph is effective only if—
- (a) the conditions specified in the notice are met in relation to the option, or
 - (b) the taxpayer gets the prior permission of the Commissioners on an application made to them before the end of the 6 month period mentioned above.

Status: Point in time view as at 26/07/2021.

- (5) A notice under sub-paragraph (4) may—
- (a) provide that, in a case falling with paragraph (a) of that sub-paragraph, the taxpayer must certify that the conditions specified under that paragraph are met in relation to the option,
 - (b) specify the form in which an application under paragraph (b) of that sub-paragraph must be made,
 - (c) provide that an application under that paragraph must contain a statement by the taxpayer certifying which (if any) of the conditions specified under sub-paragraph (4)(a) are met in relation to the option,
 - (d) specify other information which an application under sub-paragraph (4)(a) must contain, and
 - (e) provide that the Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, the Commissioners may treat the revocation as if it had not been made.

 - (b) the taxpayer gets the prior permission of the Commissioners (in which case, see the remaining sub-paragraphs).
- (2) If the conditions specified in the public notice are met in relation to the option, the revocation has effect only if notification of the revocation is given to the Commissioners.

 - (d) contain other information specified in a public notice.
- (4) If—

 - (b) it is subsequently discovered that those conditions were not met in relation to the option,
- the Commissioners may nonetheless treat the option as if it had been validly revoked in accordance with this paragraph.
- (5) An application for the prior permission of the Commissioners must—
- (a) be made in a form specified in a public notice,

- (7) The Commissioners may specify an earlier day [^{F766}or time] only if—

Revocation of option under paragraph 22(2) or (3) or 24: anti-avoidance

[^{F768}26(1) Sub-paragraphs (2) and (3) of paragraph 22 (revocation of option to tax where a real estate election is made) do not apply if condition A or B is met.

- (2) Paragraph 24 (lapse of option to tax) does not apply if condition A, B or C is met.
- (3) Condition A is that—
- (a) the opter, or a relevant associate of the opter, disposes of a relevant interest in the building or land before the relevant time, and
 - (b) at the relevant time, a supply for the purposes of the charge to VAT in respect of the disposal—
 - (i) is yet to take place, or
 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met.
- (4) Condition B is that—
- (a) the opter is a body corporate that was, at any time before the relevant time, treated under sections 43A to 43D as a member of a group (“the group”), and
 - (b) before the relevant time, a relevant associate of the opter in relation to the building or land ceased to be treated under those sections as a member of the group without at the same time meeting the conditions in sub-paragraph (5).
- (5) A person (“A”) meets the conditions in this sub-paragraph if—
- (a) A has no relevant interest in the building or land,
 - (b) where A has disposed of such an interest, it is not the case that a supply for the purposes of the charge to VAT in respect of the disposal—

 - (ii) would be yet to take place if one or more conditions (such as the happening of an event or the doing of an act) were to be met, and
 - (c) A is not connected with any person who has a relevant interest in the building or land where that person is the opter or another relevant associate of the opter.
- (6) Condition C is that the opter is a body corporate and, at the relevant time, a relevant associate of the opter in relation to the building or land—

 - (b) holds a relevant interest in the building or land or has held such an interest at any time within the previous 6 years.

(7) In this paragraph—

“relevant interest in the building or land” means an interest in, right over or license to occupy the building or land (or any part of it);

“the relevant time”, in relation to any option to tax, means the time from which the option would (but for this paragraph) have been treated as revoked as a result of paragraph 22(2) or (3) or 24;

“opter” means the person who exercised the option to tax in question.]

27. (1) This paragraph applies if—

- from the effect of the option if notification of that exclusion is given to the Commissioners.

Pre-option exempt grants: requirement for prior permission before exercise of option to tax

28. (1) This paragraph applies if—
- (a) a person wants to exercise an option to tax any land with effect from a particular day,
 - (b) at any time (“the relevant time”) before that day the person has made, makes or intends to make an exempt supply to which any grant in relation to the land gives rise, and
 - (c) the relevant time is within the period of 10 years ending with that day.
- (2) The person may exercise the option to tax the land only if—
- (a) the conditions specified in a public notice are met in relation to the land, or
 - (b) the person gets the prior permission of the Commissioners (but see also paragraph 30).
- (3) The Commissioners must refuse their permission if they are not satisfied that there would be a fair and reasonable attribution of relevant input tax to relevant supplies.
- (4) For this purpose—
- “relevant input tax” means input tax incurred, or likely to be incurred, in relation to the land, and
- “relevant supplies” means supplies to which any grant in relation to the land gives rise which would be taxable (if the option has effect).
- (5) In deciding whether there would be a fair and reasonable attribution of relevant input tax to relevant supplies, the Commissioners must have regard to all the circumstances of the case.
- (6) But they must have regard in particular to—
- (a) the total value of any exempt supply to which any grant in relation to the land gives rise and which is made or to be made before the day from which the person wants the option to have effect,
 - (b) the expected total value of any supply to which any grant in relation to the land gives rise that would be taxable (if the option has effect), and

- (2) The Commissioners may specify conditions subject to which their permission is given and, if any of those conditions are broken, they may treat the application as if it had not been made.
- (3) If the applicant (A) gets the prior permission of the Commissioners, A is, as a result of this sub-paragraph, treated for the purposes of this Part of this Schedule as if A had exercised the option to tax the land with effect from—
 - (a) the start of the day on which the application was made, or
 - (b) the start of any later day specified in the application.

Paragraph 28: purported exercise where prior permission not obtained

30. (1) This paragraph applies if—
 - (a) an option to tax was purportedly exercised in a case where, before the option could be exercised, the prior permission of the Commissioners was required under paragraph 28, and
 - (b) notification of the purported option was purportedly given to the Commissioners in accordance with paragraph 20.
- (2) The Commissioners may, in the case of any such option, subsequently dispense with the requirement for their prior permission to be given under paragraph 28.

- (2) For the purposes of this Part of this Schedule, the option to tax has effect, in relation to those supplies, as if the grant had been made after that time.
