- (2) If on such an application the court finds that the applicant has incurred such a liability and is entitled to limit it, the court shall, after determining the limit of the liability and directing payment into the court of the amount of that limit,—
- (a) determine the amounts that would, apart from the limit, be due in respect of the liability to the several persons making claims in the proceedings; and
 - (b) direct the distribution of the amount paid into court (or, as the case may be, so much of it as does not exceed the liability) among those persons in proportion to their claims, subject to subsections (7) to (10) below.
