[^{F11} The first review date]

Textual Amendments

- F11** Sch. 14 repealed (S.) (27.5.1997) by 1997 c. 11, ss. 3, 6(2), **Sch. 1 Pt. II** (with s. 5, Sch. 3)

- ^{F123} (1) Subject to sub-paragraph (7) below, in a case where the mineral permissions relating to a mining site include an old mining permission, the first review date means—
- (a) the date falling fifteen years after the date upon which, pursuant to an application made under paragraph 2 of Schedule 2 to the 1991 Act ^{F13} . . . , the conditions to which that old mining permission is to be subject are finally determined under that Schedule; or
- (b) where there are two or more old mining permissions relating to that site, and the date upon which those conditions are finally determined is not the same date for each of those permissions, the date falling fifteen years after the date upon which was made the last such final determination to be so made in respect of any of those permissions,
- and paragraph 10(2) of Schedule 2 to the 1991 Act ^{F13} . . . (meaning of “finally determined”) shall apply for the purposes of this sub-paragraph as it applies for the purposes of section 22 of and Schedule 2 to the 1991 Act ^{F13} . . .
- (2) Subject to sub-paragraph (7) below, in the case of a mining site which is a Phase I or II site within the meaning of Schedule 13 to this Act, the first review date means the date falling fifteen years after the date upon which, pursuant to an application

made under paragraph 9 of that Schedule, there is determined under that paragraph the conditions to which the relevant planning permissions (within the meaning of that Schedule) relating to the site are to be subject.

- (3) Subject to sub-paragraphs (4) and (7) below, in the case of a mining site—
- (a) which is not a Phase I or II site within the meaning of Schedule 13 to this Act; and
 - (b) to which no old mining permission relates,
- the first review date is the date falling fifteen years after the date upon which was granted the most recent mineral permission which relates to the site.
- (4) Where, in the case of a mining site falling within sub-paragraph (3) above, the most recent mineral permission relating to that site relates, or the most recent such permissions (whether or not granted on the same date) between them relate, to part only of the site, and in the opinion of the mineral planning authority it is expedient, for the purpose of ascertaining, under that sub-paragraph, the first review date in respect of that site, to treat that permission or those permissions as having been granted at the same time as the last of the other mineral permissions relating to the site, the first review date for that site shall be ascertained under that sub-paragraph accordingly.
- (5) A mineral planning authority shall, in deciding whether they are of such an opinion as is mentioned in sub-paragraph (4) above, have regard to any guidance issued by the Secretary of State for the purpose.
- (6) Subject to sub-paragraph (7) below, in the case of a mining site—
- (a) to which relates a mineral permission in respect of which an order has been made under section 97 of the 1990 Act ^{F13} . . . , or
 - (b) in respect of which, or any part of which, an order has been made under paragraph 1 of Schedule 9 to the 1990 Act ^{F13} . . . ,
- the first review date shall be the date falling fifteen years after the date upon which the order took effect or, in a case where there is more than one such order, upon which the last of those orders to take effect took effect.
- (7) In the case of a mining site for which the preceding provisions of this paragraph have effect to specify two or more different dates as the first review date, the first review date shall be the latest of those dates.]

- ^{F164} (1) The mineral planning authority shall, in connection with the first periodic review of the mineral permissions relating to a mining site, no later than 12 months before the first review date, serve notice upon each person appearing to them to be the owner of any land, or entitled to an interest in any mineral, included in that site.
- (2) A notice required to be served under sub-paragraph (1) above shall—
 - (a) specify the mining site to which it relates;
 - (b) identify the mineral permissions relating to that site;
 - (c) state the first review date;
 - (d) state that the first review date is the date by which an application must be made for approval of the conditions to which the mineral permissions relating to the site are to be subject and explain the consequences which will occur if no such application is made by that date; and
 - (e) explain the right to apply for postponement of the first review date and give the date by which such an application has to be made.
 - (3) Where, in relation to any land or mineral included in a mining site, the mineral planning authority—
 - (a) has served notice on any person under sub-paragraph (1) above; and
 - (b) has received no application under paragraph 6 below from that person by the date falling eight weeks before the first review date,the authority shall serve a written reminder on that person.
 - (4) A reminder required to be served under sub-paragraph (3) above shall—
 - (a) indicate that the land or mineral in question is included in a mining site;
 - (b) comply with the requirements of sub-paragraph (2)(a) to (d) above; and
 - (c) be served on the person in question on or before the date falling four weeks before the first review date.
 - (5) Sub-paragraph (1) above shall not require the mineral planning authority to serve notice under that sub-paragraph upon any person whose identity or address for

[^{F19} Application to determine the conditions to which the mineral permissions relating to a mining site are to be subject]

Textual Amendments

F19 Sch. 14 repealed (S.) (27.5.1997) by 1997 c. 11, ss. 3, 6(2), **Sch. 1 Pt. II** (with s. 5, Sch. 3)

- [^{F20} 6 (1) Any person who is the owner of any land, or who is entitled to an interest in a mineral, may, if that land or mineral is or forms part of a mining site, apply to the mineral planning authority to determine the conditions to which the mineral permissions relating to that site are to be subject.
- (2) An application under this paragraph shall be in writing and shall—
- (a) identify the mining site in respect of which the application is made and state that the application is made in connection with the first periodic review of the mineral permissions relating to that site;
 - (b) specify the land or minerals comprised in the site of which the applicant is the owner or, as the case may be, in which the applicant is entitled to an interest;
 - (c) identify the mineral permissions relating to the site;
 - (d) identify, and give [^{F21}a postal address] for, each other person that the applicant knows or, after reasonable inquiry, has cause to believe to be an owner of any land, or entitled to any interest in any mineral, comprised in the site;
 - (e) set out the conditions to which the applicant proposes the permissions referred to in paragraph (c) above should be subject; and
 - (f) be accompanied by the appropriate certificate (within the meaning of sub-paragraph (3) ^{F22} . . . below).
- (3) For the purposes of sub-paragraph (2) above, ^{F23} . . . the appropriate certificate is such a certificate—
- (a) as would be required, under section 65 of the 1990 Act and any provision of a development order made by virtue of that section, to accompany the application if it were an application for planning permission for minerals development, but
 - (b) with such modifications as are required for the purposes of this paragraph, and section 65(6) of the 1990 Act shall also have effect in relation to any certificate purporting to be the appropriate certificate.
- ^{F24}(4)
- (5) Where the mineral planning authority receive an application under this paragraph in relation to a mining site they shall determine the conditions to which each mineral permission relating to the site is to be subject.
- (6) The conditions imposed by virtue of a determination under sub-paragraph (5) above—
- (a) may include any conditions which may be imposed on a grant of planning permission for minerals development;
 - (b) may be in addition to, or in substitution for, any existing conditions to which the permission in question is subject.

Status: Point in time view as at 01/04/2006.

- (7) In determining that a mineral permission is to be subject to any condition relating to development for which planning permission is granted by a development order, the mineral planning authority shall have regard to any guidance issued for the purpose by the Secretary of State.
- (8) Subject to sub-paragraph (9) below, where, within the period of three months of the mineral planning authority having received an application under this paragraph, or within such extended period as may at any time be agreed upon in writing between the applicant and the authority, the authority have not given notice to the applicant of their decision upon the application, the authority shall be treated as having at the end of that period or, as the case may be, that extended period, determined that the conditions to which any mineral permission to which the application relates is to be subject are those specified in the application as being proposed in relation to that permission; and any such permission shall, from that time, have effect subject to those conditions.
- (9) Where a mineral planning authority, having received an application under this paragraph, are of the opinion that they are unable to determine the application unless further details are supplied to them, they shall within the period of one month from having received the application give notice to the applicant—
- (a) stating that they are of such opinion; and
 - (b) specifying the further details which they require,
- and where the authority so serve such a notice the period of three months referred to in sub-paragraph (8) above shall run not from the authority having received the application but from the time when the authority have received all the further details specified in the notice.
- (10) Without prejudice to the generality of sub-paragraph (9) above, the further details which may be specified in a notice under that sub-paragraph include any—
- (a) information, plans or drawings; or
 - (b) evidence verifying any particulars of details supplied to the authority in respect of the application in question,
- which it is reasonable for the authority to request for the purpose of enabling them to determine the application.]

Textual Amendments

F39 Sch. 14 repealed (S.) (27.5.1997) by 1997 c. 11, ss. 3, 6(2), **Sch. 1 Pt. II** (with s. 5, Sch. 3)

[^{F40}13 (1) This paragraph applies where—

- (a) an application made under paragraph 6 above in respect of a mining site is finally determined; and
- (b) the conditions to which the mineral permissions relating to the site are to be subject, as determined under this Schedule, differ in any respect from the proposed conditions set out in the application; and
- (c) the effect of the new conditions, except insofar as they are restoration or aftercare conditions, as compared with the effect of the existing conditions, except insofar as they were restoration or aftercare conditions, is to restrict working rights in respect of the site.

(2) For the purposes of this paragraph—

“ the new conditions ”, in relation to a mining site, means the conditions, determined under this Schedule, to which the mineral permissions relating to the site are to be subject; and

“ the existing conditions ”, in relation to a mining site, means the conditions to which the mineral permissions relating to the site were subject immediately prior to the final determination of the application made under paragraph 6 above in respect of that site.

(3) For the purposes of this paragraph, working rights are restricted in respect of a mining site if any of—

- (a) the size of the area which may be used for the winning and working of minerals or the depositing of mineral waste;
- (b) the depth to which operations for the winning and working of minerals may extend;
- (c) the height of any deposit of mineral waste;
- (d) the rate at which any particular mineral may be extracted;
- (e) the rate at which any particular mineral waste may be deposited;
- (f) the period at the expiry of which any winning or working of minerals or depositing of mineral waste is to cease; or
- (g) the total quantity of minerals which may be extracted from, or of mineral waste which may be deposited on, the site,

is restricted or reduced in respect of the mining site in question.

(4) In a case to which this paragraph applies, but subject to sub-paragraph (6) below, ^{F41}. . ., Parts IV and XI of the 1990 Act ^{F42}. . ., shall have effect as if an order made under section 97 of the 1990 Act ^{F42}. . .—

- (a) had been confirmed by the Secretary of State under section 98 of the 1990 Act ^{F42}. . . at the time when the application in question was finally determined; and
- (b) as so confirmed, had effect to modify those permissions to the extent specified in sub-paragraph (6) below.

- (5) For the purposes of this paragraph, the order referred to in sub-paragraph (4) above is one whose only effect adverse to the interests of any person having an interest in the land or minerals comprised in the mineral site is to restrict working rights in respect of the site to the same extent as the relevant restriction.
- (6) For the purposes of section 116 of the 1990 Act ^{F42}. . . and of any regulations made under [^{F43}those sections], the permissions treated as being modified by the order mentioned in sub-paragraph (4) above shall be treated as if they were planning permissions for development which neither consists of nor includes any minerals development.]
