  - [<sup>F86</sup>(cb) where the income consists of profit share return in accordance with arrangements to which section 49A of FA 2005 applies (alternative finance arrangements: profit share agency), the other party to the arrangements or any other person acting for the non-resident in relation to the arrangements;]and

those amounts (“the taxable sums”), to have been carried out through an investment manager and to fall within this subsection if—

- (a) the transaction was carried out on behalf of the non-resident by a person (“the manager”) who at the time was carrying on a business of providing investment management services;
  - (b) the transaction was carried out in the ordinary course of that business;
  - (c) the manager, when he acted on behalf of the non-resident in relation to the transaction, did so in an independent capacity;
  - (d) the requirements of subsection (4) below are satisfied in relation to the transaction;
  - (e) the remuneration which the manager received for the provision to the non-resident of the investment management services in question was at a rate which was not less than that which would have been customary for that class of business; and
  - (f) the non-resident does not fall (apart from this paragraph) to be treated as having the manager as his UK representative in relation to any income or other amounts not included in the taxable sums but chargeable to tax for the same chargeable period.
- (4) Subject to subsections (9) to (11) below, the requirements of this subsection are satisfied in relation to any transaction if—
- (a) there is a qualifying period in relation to which it has been or is the intention of the manager and the persons connected with him that the non-resident’s relevant excluded income should, as to at least 80 per cent., consist of amounts to which neither the manager nor any such person has a beneficial entitlement; and
  - (b) to the extent that there is a failure to fulfil that intention, that failure—
    - (i) is attributable (directly or indirectly) to matters outside the control of the manager and persons connected with him; and
    - (ii) does not result from a failure by the manager or any of those persons to take such steps as may be reasonable for mitigating the effect of those matters in relation to the fulfilment of that intention.
- (5) For the purposes of this section any reference to the relevant excluded income of the non-resident for a qualifying period is a reference to the aggregate of such of the profits and gains of the non-resident for the chargeable periods comprised in the qualifying period as—

as is or would be attributable to that income.

- (7) For the purposes of subsections (4) to (6) above references to a qualifying period, in relation to any transaction, are references to any period consisting in or including the chargeable period for which the taxable sums are chargeable to tax, being, in a case where it is not that chargeable period, a period of not more than five years comprising two or more complete chargeable periods.
- (8) Where there is a transaction which would fall within subsection (3) above but for its being a transaction in relation to which the requirements of subsection (4) above are not satisfied, this section shall have effect as if the transaction did fall within subsection (3) above but only in relation to so much of the amount of the taxable sums as does not represent any amount of the non-resident's relevant excluded income to which the manager or a person connected with him has or has had any beneficial entitlement.
- (9) Subsections (10) and (11) below shall apply, where amounts arise or accrue to the non-resident as a participant in a collective investment scheme, for the purpose of determining whether a transaction carried out for the purposes of that scheme, in so far as it is a transaction in respect of which any such amounts arise or accrue to him, is one in relation to which the requirements of subsection (4) above are satisfied.
- (10) Those requirements shall be deemed to be satisfied in relation to the transaction wherever the collective investment scheme is such that, if the following assumptions applied, namely—
- (a) that all transactions carried out for the purposes of the scheme were carried out on behalf of a company constituted for the purposes of the scheme and resident outside the United Kingdom, and
  - (b) that the participants did not have any rights in respect of the amounts arising or accruing in respect of those transactions other than the rights which, if they held shares in the company on whose behalf the transactions are assumed to be carried out, would be their rights as shareholders,
- the assumed company would not, in relation to the chargeable period in which the taxable sums are chargeable to tax, be regarded for tax purposes as a company carrying on a trade in the United Kingdom.
- (11) Where, on those assumptions, the assumed company would be so regarded for tax purposes, subsections (4) to (8) above shall have effect in relation to the transaction as if, applying those assumptions—
- (a) references to the non-resident were references to the assumed company; and
  - (b) the following subsection were substituted for subsection (5) above, namely—
- “(5) In subsection (4) above the reference to the assumed company's relevant excluded income for a qualifying period is a reference to the aggregate of the amounts which would, for the chargeable periods comprised in the qualifying period, be chargeable to tax on that company as profits deriving from the transactions carried out by the manager and assumed to be carried out on the company's behalf.”
- (12) In this section “investment transactions” means—
- (a) transactions in shares, stock, futures contracts, options contracts or securities of any description not mentioned in this paragraph, but excluding futures contracts or options contracts relating to land,

- (c) such other transactions as the Treasury may by regulations designate for the purposes of this section;

and the power to make regulations for the purposes of paragraph (c) above shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of the House of Commons.

- (13) For the purposes of subsection (12) above a contract is not prevented from being a futures contract or an options contract by the fact that any party is or may be entitled to receive or liable to make, or entitled to receive and liable to make, only a payment of a sum (as opposed to a transfer of assets other than money) in full settlement of all obligations.
- (14) The preceding provisions of this section shall have effect in the case of a person who acts as a broker or provides investment management services as part only of a business as if that part were a separate business.
- (15) For the purposes of this section—
  - (a) a person shall be taken to carry out a transaction on behalf of another where he undertakes the transaction himself, whether on behalf of or to the account of that other, and also where he gives instructions for it to be so carried out by another; and

- (16) In paragraph (d) of subsection (1) above—

  - (b) the references to a members’ agent and to a managing agent shall also be construed in accordance with section 184 of that Act of 1993 or, as the case may be, section 230 of that Act of 1994.

(1B) In a case falling within subsection (1)(a) above—

(1D) In subsection (1C) above “acquisition value”, in relation to any trading stock, means the amount which, in computing for any tax purposes the profits or gains of the discontinued trade, would have been deductible as representing the acquisition value of that stock if—

(1E) Where any trading stock falls to be valued under subsection (1)(a) above, the amount determined in accordance with subsections (1A) to (1C) above to be the amount to be brought into account as the value of that stock in computing profits or gains of the discontinued trade shall also be taken, for the purpose of making any deduction in computing the profits or gains of any trade carried on by the purchaser, to be the cost of that stock to the purchaser.

  - (b) a liability that relates to tax for a year of assessment during the whole or any part of which that person was married to the depositor; and
  - (c) a liability of such a description that, if it had been a liability of the depositor (and the withdrawal were to be disregarded), the whole or any part of it could have been discharged, immediately before the time of the payment mentioned in subsection (1)(b) above, by the application of that deposit and of accrued interest thereon.
- (3) Subject to the following provisions of this section, the amount of the compensation to which the depositor is entitled under this section in the case of any deposit withdrawn for cash shall be equal to the difference between—

- (a) in a case where the sum received on the withdrawal is equal to or smaller than the amount of the liability discharged by the payment mentioned in subsection (1)(b) above, the amount equal to such part of the sum actually received as does not represent interest that has accrued under the relevant terms; and

- (5) The amount of compensation to which any person is entitled under this section shall also include an amount equal to interest, for the period from the withdrawal mentioned in subsection (1)(a) above until the payment of the compensation, on the amount determined in accordance with subsection (3) above; and a liability to compensation under this section shall not bear interest apart from in accordance with this subsection.

- (a) this section shall have effect if there is, in the period mentioned in subsection (1)(c) above, more than one such payment as is mentioned in subsection (1)(b) above as if (subject to paragraph (b) below) all the payments in that period were, for the purposes of that claim, to be aggregated and treated as one such payment; and
  - (b) the amount of compensation payable under this section on that claim shall be computed without regard to so much of any payment discharging a qualifying tax liability as, in pursuance of any claim under this section, has been or is to be so taken into account as to affect the amount of compensation payable in the case of any other withdrawal.
- (10) Sums required by the Board for paying compensation under this section shall be issued to the Board by the Treasury out of the National Loans Fund.
- (11) A withdrawal for cash of a tax deposit shall be taken for the purposes of this section to occur at the same time as, under the relevant terms, it is deemed to occur for the purposes of the calculation of interest on the amount withdrawn.
- (12) This section shall be construed as one with the Tax Acts, and in this section—
- (a) references to a tax deposit are references to the whole or any part of any deposit in respect of which a certificate of tax deposit has been issued by the Treasury under section 12 of the <sup>M128</sup>National Loans Act 1968; and
