SCHEDULES

SCHEDULE 3

Section 10(1).

OTHER AMENDMENTS OF PART I OF 1986 ACT

Assignment of licences

1 After section 8 of the 1986 Act there shall be inserted the following section—

“8AA Assignment of licences.

- (1) A licence shall be capable of being assigned either generally or—
- (a) in the case of a licence under section 7 above, so far as relating to the whole or any part of an authorised area or any specified pipe-line system;
 - (b) in the case of a licence under section 7A above, so far as relating to any specified premises,
- but only if it includes a condition authorising such assignment.

In this subsection “specified” means specified in the licence, or of a description, or situated in an area, so specified.

- (2) A licence shall not be capable of being assigned except with the consent of the Director.
- (3) In deciding whether to give his consent under subsection (2) above, the Director shall apply the same criteria as he would apply if—
- (a) in the case of a general assignment, he were deciding whether to grant a corresponding licence to the assignee;
 - (b) in the case of any other assignment, he were deciding whether—
 - (i) to grant to the assignee a licence corresponding to so much of the licence as is proposed to be assigned; and
 - (ii) to grant to the assignor a licence corresponding to so much of the licence as is proposed to be retained.
- (4) Subject to subsection (5) below, a consent under subsection (2) above may be given subject to compliance with—
- (a) such modification or other conditions as the Director considers necessary or expedient for the purpose of protecting the interests of consumers; and
 - (b) such incidental or consequential modification conditions as he considers necessary or expedient,

and in the case of an assignment other than a general assignment, modification conditions may make as respects so much of the licence as is proposed to be retained by the assignor provision different from that made as respects so much of the licence as is proposed to be assigned.

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) The Director shall—
- (a) give the Health and Safety Executive not less than 28 days' notice of any proposal of his to give a consent under subsection (2) above; and
 - (b) give that Executive and the Secretary of State not less than 28 days' notice of any proposal of his to impose a modification condition;
- and if, before the expiry of the time specified in a notice given to the Secretary of State under paragraph (b) above, the Secretary of State directs the Director not to impose the condition, the Director shall comply with the direction.
- (6) A licence may include conditions which must be complied with before the licence can be assigned.
- (7) An assignment, or purported assignment, of a licence shall be void—
- (a) if the licence is not capable of assignment;
 - (b) if the assignment, or purported assignment, is in breach of a condition of the licence; or
 - (c) if there has, before the assignment or purported assignment, been a contravention of a condition subject to compliance with which the consent required by subsection (2) above is given.
- (8) A licence shall not be capable of being assigned under or by virtue of any other provision of this Act.
- (9) In this section—
- “assignment” includes any form of transfer and cognate expressions shall be construed accordingly;
- “modification condition” means a condition requiring or otherwise providing for the making of modifications to the conditions of a licence.
- (10) Any reference in this section to “assignment” shall be construed in Scotland as a reference to assignation.”

Modification or removal of certain limits

- 2 (1) In subsection (1) of section 8A of the 1986 Act (modification or removal of the 25,000 therm limits), for the words “section 4(2)(d) or 8(5)(b) above or section 10(5) or 14(3) or (4)(b) below” there shall be substituted the words “ section 10(8) or (12) below, paragraph 4 of Schedule 2A to this Act or paragraph 4, 8 or 16 of Schedule 2B to this Act ”.
- (2) Subsections (3) and (4) of that section shall cease to have effect.

Powers and duties of public gas transporters

- 3 For section 9 of the 1986 Act there shall be substituted the following section—

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“ Powers and duties of public gas transporters

9 General powers and duties.

- (1) It shall be the duty of a public gas transporter as respects each authorised area of his—
 - (a) to develop and maintain an efficient and economical pipe-line system for the conveyance of gas; and
 - (b) subject to paragraph (a) above, to comply, so far as it is economical to do so, with any reasonable request for him to connect to that system, and convey gas by means of that system to, any premises.
- (2) It shall also be the duty of a public gas transporter to avoid any undue preference or undue discrimination—
 - (a) in the connection of premises to any pipe-line system operated by him; or
 - (b) in the terms on which he undertakes the conveyance of gas by means of such a system.
- (3) The following provisions shall have effect, namely—
 - (a) Schedule 3 to this Act (which provides for the acquisition of land by public gas transporters); and
 - (b) Schedule 4 to this Act (which relates to the breaking up of streets and bridges by such transporters).”

Duty to connect certain premises

4 For section 10 of the 1986 Act there shall be substituted the following section—

“10 Duty to connect certain premises.

- (1) Subsection (2) below applies to any premises in an authorised area of a public gas transporter which—
 - (a) are situated within 23 metres from a relevant main of the transporter; or
 - (b) could be connected to any such main by a pipe supplied and laid, or proposed to be supplied and laid, by the owner or occupier of the premises.
- (2) Subject to the provisions of this Part and any regulations made under those provisions, a public gas transporter shall, on being required to do so by the owner or occupier of any premises to which this subsection applies—
 - (a) in the case of premises falling within paragraph (a) of subsection (1) above, connect the premises to the relevant main, and supply and lay any pipe that may be necessary for that purpose; and
 - (b) in the case of premises falling within paragraph (b) of that subsection, connect the premises to the relevant main by the pipe there mentioned;

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

and in the following provisions of this section “connect”, in relation to any premises, means connect to a relevant main of a public gas transporter and “connection” shall be construed accordingly.

- (3) Subject to the provisions of this Part and any regulations made under those provisions, where any premises are connected (whether by virtue of subsection (2) above or otherwise), the public gas transporter shall maintain the connection until such time as it is no longer required by the owner or occupier of the premises.
- (4) Where any person requires a connection in pursuance of subsection (2) above, he shall serve on the public gas transporter a notice specifying—
 - (a) the premises in respect of which the connection is required; and
 - (b) the day (not being earlier than a reasonable time after the service of the notice) upon which the connection is required to be made.
- (5) Where any pipe is supplied and laid by a public gas transporter in pursuance of subsection (2)(a) above, the cost of supplying and laying the pipe shall, if and to the extent that the transporter so requires and the conditions of his licence so allow, be defrayed by the person requiring the connection.
- (6) Where at any time a public gas transporter connects any premises under subsection (2)(b) above—
 - (a) the pipe supplied and laid by the owner or occupier of the premises; and
 - (b) any rights of the owner or occupier which relate to the laying, maintenance, repair, alteration or removal of the pipe,shall at that time vest in and become property or rights of the transporter.
- (7) The Director may, with the consent of the Secretary of State, make provision by regulations for entitling a public gas transporter to require a person requiring a connection in pursuance of subsection (2) above to pay to the transporter an amount in respect of the expenses of the laying of the main used for the purpose of making that connection if—
 - (a) the connection is required within the prescribed period after the laying of the main;
 - (b) a person for the purpose of connecting whose premises the main was laid has made a payment to the transporter in respect of those expenses;
 - (c) the amount required does not exceed any amount paid in respect of those expenses by such a person or by any person previously required to make a payment under the regulations; and
 - (d) the transporter has not recovered those expenses in full.
- (8) Nothing in subsection (2) or (3) above shall be taken as requiring a public gas transporter to connect, or maintain the connection of, any premises if the supply of gas to those premises is likely to exceed 75,000 therms in any period of twelve months.
- (9) Nothing in subsection (2) or (3) above shall be taken as requiring a public gas transporter to connect, or to maintain the connection of, any premises if—
 - (a) he is prevented from doing so by circumstances not within his control;

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) circumstances exist by reason of which his doing so would or might involve danger to the public, and he has taken all such steps as it was reasonable to take both to prevent the circumstances from occurring and to prevent them from having that effect; or
 - (c) in the case of premises falling within paragraph (b) of subsection (1) above, the pipe supplied and laid by the owner or occupier of the premises is not fit for the purpose.
- (10) Where—
 - (a) any person requires a connection to be made or maintained in pursuance of subsection (2) or (3) above;
 - (b) the making or maintenance of the connection would involve a new or increased supply of gas to the premises in question;
 - (c) the public gas transporter reasonably expects that, if the connection were made or maintained, gas would be supplied to the premises in question at a rate exceeding 2,500 therms a year; and
 - (d) the new or increased supply is such that the connection cannot be made or maintained without the laying of a new main, or the enlarging of an existing main, or the construction or enlarging of any other works required for the conveyance of gas,

the transporter may, if he thinks fit, refuse to make or maintain the connection unless that person enters into a written contract with the transporter to make such payments to him as he may reasonably require having regard to the expense to be incurred in laying or enlarging the main or constructing or enlarging the other works and the extent to which it is reasonable to expect that the transporter will recover that expense from elsewhere.
- (11) If and to the extent that regulations made by the Director with the consent of the Secretary of State so provide, subsection (10) above shall have effect as if—
 - (a) the reference in paragraph (d) to the laying of a new main, the enlarging of an existing main or the construction or enlarging of any other works required for the conveyance of gas included a reference to a new main which had previously been laid, an existing main which had previously been enlarged or any other works required for the conveyance of gas which had previously been constructed or enlarged;
 - (b) the reference to the expense to be incurred in laying or enlarging the main or constructing or enlarging the other works included a reference to the expense which had been so incurred; and
 - (c) the reference to the extent to which it is reasonable to expect that the transporter will recover that expense from elsewhere included a reference to the extent to which the transporter had been able so to recover that expense.
- (12) Subject to subsection (13) below, in this section “relevant main”, in relation to a public gas transporter, means any distribution main in his authorised area which is being used for the purpose of giving a supply of gas to any premises in that area at a rate not exceeding 75,000 therms a year.
- (13) Any pipe which—

- (a) vests in and becomes the property of a public gas transporter by virtue of subsection (6) above; and
- (b) apart from this subsection, would be a relevant main for the purposes of this section,

shall be such a main if, and only if, it has been declared to be such a main by the transporter.

- (14) A public gas transporter shall make a declaration under subsection (13) above in respect of each pipe falling within that subsection which is fit for the purpose of being a relevant main; and a declaration under that subsection shall not be capable of being revoked.”

Power to require security

5 For section 11 of the 1986 Act there shall be substituted the following section—

“11 Power to require security.

- (1) Where any person requires a connection in pursuance of paragraph (a) of section 10(2) above and a pipe falls to be supplied and laid by the public gas transporter in pursuance of that paragraph—
 - (a) the transporter may require that person to give him reasonable security for the payment to him of all money which may become due to him in respect of the supply and laying of the pipe; and
 - (b) if that person fails to give such security or, where any security given by him has become invalid or insufficient, fails to provide alternative or additional security, the transporter may if he thinks fit refuse to supply and lay the pipe for so long as the failure continues.
- (2) Where any amount is deposited with a public gas transporter by way of security in pursuance of this section, the transporter shall pay interest on that amount, at such rate as may from time to time be fixed by the transporter with the approval of the Director, in respect of the period during which it remains in the hands of the transporter.
- (3) In this section “connection” shall be construed in accordance with section 10(2) above.”

Methods of calculating therms

6 For section 12 of the 1986 Act there shall be substituted the following section—

“ Gas conveyed by public gas transporters

12 Methods of calculating therms.

- (1) Except in prescribed cases, the number of therms or kilowatt hours conveyed by a public gas transporter to premises, or to pipe-line systems operated by other public gas transporters, shall be calculated in the prescribed manner—
 - (a) on the basis of calorific values of the gas determined by the transporter in accordance with regulations under this section, or so

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. determined by another public gas transporter and adopted by the transporter in accordance with such regulations; or

- (b) if and to the extent that regulations under this section so provide and the transporter thinks fit, on the basis of declared calorific values of the gas;

and regulations under this section shall be made by the Director with the consent of the Secretary of State.

- (2) In this Part—

“calorific value”, in relation to any gas, means the number of megajoules (gross) which would be produced by—

- (a) the combustion of one cubic metre of the gas measured at a temperature of 15°C and a pressure of 1013.25 millibars; or
(b) if regulations under this section so provide, the combustion of one kilogram of the gas,

containing in either case, if the Director so determines, such an amount of water vapour as is specified in the determination;

“declared calorific value”, in relation to any gas conveyed by a public gas transporter, means a calorific value declared by the transporter in accordance with regulations under this section, or so declared by another public gas transporter and adopted by the transporter in accordance with such regulations.

- (3) Regulations under this section may make provision as to the manner in which prescribed information with respect to the making of calculations in accordance with the regulations is to be made available to other licence holders and to the public.

- (4) Regulations under this section made for the purposes of subsection (1)(a) above may make provision—

- (a) for requiring determinations of calorific values of gas conveyed by public gas transporters to be made on the basis of samples of gas taken at such places or premises, at such times and in such manner as the Director may direct;
- (b) for requiring such determinations to be made at such places or premises, at such times and in such manner as the Director may direct;
- (c) as to the manner in which the results of such determinations are to be made available to other licence holders and to the public;
- (d) for requiring such premises, apparatus and equipment as the Director may direct to be provided and maintained by public gas transporters for the purpose of making such determinations;
- (e) for requiring public gas transporters to carry out tests of apparatus and equipment so provided and maintained by them; and
- (f) for requiring the results of such tests to be notified to the Director or to any person appointed under section 13(1) below, and to be made available to other licence holders and to the public.

- (5) Regulations under this section made for the purposes of subsection (1)(b) above may make provision—

- (a) for requiring declarations of calorific values of gas conveyed by public gas transporters to be made at such times and in such manner as the Director may direct;
 - (b) as to the times when such declarations are to take effect, and as to the manner in which the calorific values declared are to be made available to other licence holders and to the public;
 - (c) for imposing requirements on public gas transporters as to the correlation between—
 - (i) the calorific values of the gas conveyed by them for any period; and
 - (ii) the calorific values declared by them for that period;
 - (d) for requiring public gas transporters to carry out tests of gas for the purpose of ascertaining whether they are complying with the requirements of regulations made by virtue of paragraph (c) above;
 - (e) for requiring such tests to be carried out at such places or premises, at such times and in such manner as the Director may direct; and
 - (f) for requiring the results of such tests to be notified to the Director or to any person appointed under section 13(1) below, and to be made available to other licence holders and to the public.
- (6) Subject to subsection (7) below, the Director may by notice in writing require a public gas transporter to give to the Director, or to any person appointed by him for the purpose, within such time and at such place as may be specified in the notice, such information as the Director may reasonably require for the purpose of making regulations under this section or section 13 below or of giving directions under such regulations.
- (7) A public gas transporter shall not be required under subsection (6) above to give any information which he could not be compelled to give in evidence in civil proceedings before the court; and in this subsection “the court” means—
- (a) in relation to England and Wales, the High Court;
 - (b) in relation to Scotland, the Court of Session.”

Calorific values: tests of apparatus etc.

7 For section 13 of the 1986 Act there shall be substituted the following section—

“13 Calorific values: tests of apparatus etc.

- (1) The Director shall appoint competent and impartial persons—
 - (a) to carry out tests of apparatus and equipment provided and maintained by public gas transporters in pursuance of regulations made by virtue of subsection (4)(d) of section 12 above for the purpose of ascertaining whether they comply with the regulations;
 - (b) to carry out tests of gas conveyed by public gas transporters where the number of therms or kilowatt hours falls to be calculated in accordance with subsection (1)(b) of that section for the purpose of ascertaining whether the transporters are complying with the requirements of regulations made by virtue of subsection (5)(c) of that section; and

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

- (c) generally to assist the Director in exercising his functions under, or under regulations made under, this section or that section.
- (2) Regulations under this section, which shall be made by the Director with the consent of the Secretary of State, may make provision—
- (a) for requiring such tests as are mentioned in subsection (1)(b) above to be carried out at such places or premises as the Director may direct;
 - (b) for requiring such premises, apparatus and equipment as the Director may direct to be provided and maintained by public gas transporters for the purpose of carrying out such tests;
 - (c) for requiring samples of gas to be taken by public gas transporters at such places or premises, at such times and in such manner as the Director may direct; and
 - (d) for requiring samples of gas so taken to be provided by public gas transporters, for the purpose of carrying out such tests, at such places or premises, at such times and in such manner as the Director may direct.
- (3) Regulations under this section may make provision—
- (a) for persons representing the public gas transporter concerned to be present during the carrying out of such tests as are mentioned in subsection (1) above;
 - (b) as to the manner in which the results of such tests are to be made available to other licence holders and to the public; and
 - (c) for conferring powers of entry on property owned or occupied by public gas transporters for the purpose of carrying out such tests and otherwise for the purposes of this section or section 12 above.
- (4) There shall be paid out of money provided by Parliament to persons appointed under subsection (1) above who are members of the Director's staff such remuneration and such allowances as may be determined by the Director with the approval of the Treasury, and such pensions as may be so determined may be paid out of money provided by Parliament to or in respect of such persons.
- (5) Every person who is a public gas transporter during any period shall pay to the Director such proportion (if any) as the Director may determine of—
- (a) any sums paid by him under subsection (4) above in respect of that period; and
 - (b) such part of his other expenses for that period as he may with the consent of the Treasury determine to be attributable to his functions under section 12 above or this section;
- and any liability under this subsection to pay to the Director sums on account of pensions (whether paid by him under subsection (4) above or otherwise) shall, if the Director so determines, be satisfied by way of contributions calculated, at such rate as may be determined by the Treasury, by reference to remuneration.
- (6) Any sums received by the Director under this section shall be paid into the Consolidated Fund.”

Fixing of tariffs

- 8 Section 14 of the 1986 Act (fixing of tariffs) shall cease to have effect.

Determination of disputes

- 9 Section 14A of the 1986 Act (which is superseded by paragraph 26 below) shall cease to have effect.

Billing disputes

- 10 (1) In subsection (2) of section 15A of the 1986 Act (billing disputes), for the words “public gas supplier and a tariff customer” there shall be substituted the words “gas supplier and a domestic customer”.
- (2) In subsection (8) of that section—
- (a) for the words “public gas supplier” there shall be substituted the words “gas supplier”; and
 - (b) for the words “tariff customer” there shall be substituted the words “domestic customer”.
- (3) After subsection (9) of that section there shall be inserted the following subsection—
- “(10) In this Part “domestic customer” means a person who is supplied by a gas supplier with gas conveyed to particular premises at a rate which is reasonably expected not to exceed 2,500 therms a year.”

Promotion of efficient use of gas

- 11 Section 15B of the 1986 Act (which is superseded by paragraph 36 below) shall cease to have effect.

Standards of quality

- 12 For section 16 of the 1986 Act there shall be substituted the following section—

“ Gas conveyed by public gas transporters and others

16 Standards of quality.

- (1) The Director—
- (a) shall, after consultation with public gas transporters and with the consent of the Secretary of State, by regulations prescribe standards of pressure and purity to be complied with by public gas transporters in conveying gas to premises; and
 - (b) may, after such consultation and with such consent, so prescribe other standards with respect to the properties, condition and composition of gas so conveyed.
- (2) The Director—
- (a) shall, after consultation with such persons and organisations as he considers appropriate and with the consent of the Secretary of State, by regulations prescribe standards of pressure and purity to

- be complied with by persons in supplying to premises gas which is conveyed through pipes to the premises otherwise than by a public gas transporter or in accordance with paragraph 1 of Schedule 2A to this Act; and
- (b) may, after such consultation and with such consent, so prescribe other standards with respect to the properties, condition and composition of such gas so supplied.
- (3) The Director shall appoint competent and impartial persons to carry out tests of—
- (a) gas which is conveyed by a public gas transporter; and
- (b) gas which is supplied by any person (a “relevant supplier”) to premises and is conveyed through pipes to the premises otherwise than by such a transporter or in accordance with paragraph 1 of Schedule 2A to this Act,
- for the purpose of ascertaining whether it conforms with the standards prescribed under this section.
- (4) Regulations under this section may make provision—
- (a) for requiring such tests to be carried out at such places as the Director may direct;
- (b) for requiring such premises, apparatus and equipment as the Director may direct to be provided and maintained by public gas transporters and relevant suppliers for the purpose of carrying out such tests;
- (c) for persons representing the public gas transporter or relevant supplier concerned to be present during the carrying out of such tests;
- (d) for the manner in which the results of such tests are to be made available to the public; and
- (e) for conferring powers of entry on property of public gas transporters and relevant suppliers for the purpose of deciding where tests are to be carried out and otherwise for the purposes of this section.
- (5) There shall be paid out of money provided by Parliament to persons appointed under subsection (3) above who are members of the Director’s staff such remuneration and such allowances as may be determined by the Director with the approval of the Treasury, and such pensions as may be so determined may be paid out of money provided by Parliament to or in respect of those persons.
- (6) Every person who is a public gas transporter or relevant supplier during any period shall pay to the Director such proportion (if any) as the Director may determine of—
- (a) any sums paid by him under subsection (5) above in respect of that period; and
- (b) such part of his other expenses for that period as he may with the consent of the Treasury determine to be attributable to his functions in connection with the testing of gas for the purposes of this section;
- and any liability under this subsection to pay to the Director sums on account of pensions (whether paid by him under subsection (5) above or otherwise) shall, if the Director so determines, be satisfied by way of contributions

calculated, at such rate as may be determined by the Treasury, by reference to remuneration.

- (7) Any sums received by the Director under this section shall be paid into the Consolidated Fund.”

Meter testing and stamping

13 For section 17 of the 1986 Act there shall be substituted the following section—

“17 Meter testing and stamping.

- (1) No meter shall be used for the purpose of ascertaining the quantity of gas supplied through pipes to any person unless it is stamped either by, or on the authority of, a meter examiner appointed under this section or in such other manner as may be authorised by regulations under this section.
- (2) Subject to subsections (3) to (5) below, it shall be the duty of a meter examiner who is a member of the Director’s staff, on being required to do so by any person and on payment of the requisite fee—
 - (a) to examine any meter used or intended to be used for ascertaining the quantity of gas supplied to any person; and
 - (b) to stamp, or authorise the stamping of, that meter.
- (3) A meter examiner shall not stamp, or authorise the stamping of, any meter unless he is satisfied that it is of such pattern and construction and is marked in such manner as is approved by the Director and that the meter conforms with such standards as may be prescribed for the purposes of this subsection.
- (4) A meter examiner may stamp or authorise another person to stamp a meter, notwithstanding that he has not himself examined it, if—
 - (a) the meter was manufactured or repaired by the person submitting it to the examiner;
 - (b) that person has obtained the consent of the Director to his submission; and
 - (c) any conditions subject to which the consent was given have been satisfied.
- (5) A meter examiner may authorise another person to stamp a meter, notwithstanding that he has not himself examined it, if—
 - (a) the meter was manufactured or repaired by that person;
 - (b) that person has obtained the consent of the Director to his stamping of the meter; and
 - (c) any conditions subject to which the consent was given have been satisfied.
- (6) The Director shall appoint competent and impartial persons as meter examiners for the purposes of this section.
- (7) There shall be paid out of money provided by Parliament to meter examiners who are members of the Director’s staff such remuneration and such allowances as may be determined by the Director with the approval of the Treasury, and such pensions as may be so determined may be paid out of money provided by Parliament to or in respect of such examiners.

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (8) All fees payable to meter examiners who are members of the Director's staff for the performance of functions conferred by or under this section shall be paid to the Director; and any sums received by him under this subsection shall be paid into the Consolidated Fund.
- (9) Regulations under this section, which shall be made by the Director with the consent of the Secretary of State, may make provision—
 - (a) for re-examining meters already stamped, and for the cancellation of stamps in the case of meters which no longer conform with the prescribed standards and in such other circumstances as may be prescribed;
 - (b) for requiring meters to be periodically overhauled; and
 - (c) for the revocation of any approval given by the Director to any particular pattern or construction of meter, and for requiring existing meters of that pattern or construction to be replaced within such period as may be prescribed for the purposes of this subsection.
- (10) The fees to be paid to meter examiners who are members of the Director's staff for the performance of functions conferred by or under this section, and the persons by whom they are to be paid, shall be such as the Director may, with the approval of the Treasury, from time to time determine; and a determination under this subsection may—
 - (a) make different provision for different areas or in relation to different cases or different circumstances; and
 - (b) make such supplementary, incidental or transitional provision as the Director considers necessary or expedient.
- (11) If any person supplies gas through a meter which has not been stamped under this section, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (12) Where the commission by any person of an offence under subsection (11) above is due to the act or default of some other person, that other person shall be guilty of the offence; and a person may be charged with and convicted of the offence by virtue of this subsection whether or not proceedings are taken against the first-mentioned person.
- (13) In any proceedings for an offence under subsection (11) above it shall be a defence for the person charged to prove that he took all reasonable steps and exercised all due diligence to avoid committing the offence.
- (14) The preceding provisions of this section shall not have effect in relation to the supply of gas to a person under any agreement providing for the quantity of gas supplied to him to be ascertained by a meter designed for rates of flow which, if measured at a temperature of 15°C and a pressure of 1013.25 millibars, would exceed 1600 cubic metres an hour.
- (15) Regulations under this section may provide that subsection (14) above shall have effect as if for the number of cubic metres an hour which is for the time being applicable for the purposes of that subsection there were substituted such lower number of cubic metres an hour as the Director considers appropriate.”

Safety regulations

- 14 (1) In subsection (2) of section 18 of the 1986 Act (safety regulations)—
- (a) in paragraph (a), after the words “gas fitting, or” there shall be inserted the words “ any part of the gas system on the premises, that is to say, ” and after the words “used for the” there shall be inserted the words “ conveyance or ”; and
 - (b) in paragraph (c), for the words from “gas supply system” to the end there shall be substituted the words “ gas system on the premises, or disconnect the premises or, if the premises are not connected, to signify the refusal of the relevant authority to convey gas or, as the case may be, allow gas to be conveyed to the premises ”.
- (2) In subsection (4) of that section—
- (a) in paragraph (a), for the words “part of any gas supply system” there shall be substituted the words “ any part of any gas system ”;
 - (b) in paragraph (b), for the words “restoring the supply of gas to any premises where it has been cut off” there shall be substituted the words “ reconnecting any premises which have been disconnected ”; and
 - (c) in paragraph (c), for the word “supplied” there shall be substituted the word “ conveyed ” and for the words “give or, as the case may be, allow a supply” there shall be substituted the words “ convey gas or, as the case may be, allow gas to be conveyed ”.
- (3) In subsection (8) of that section, for paragraphs (a) and (b) there shall be substituted the words “ any reference to a gas operator were a reference to the relevant authority ”.
- (4) For subsection (9) of that section there shall be substituted the following subsections—
- “(9) In this section “the relevant authority”—
- (a) in relation to dangers arising from the conveyance of gas by a public gas transporter, or from the use of gas conveyed by such a transporter, means that transporter; and
 - (b) in relation to dangers arising from the conveyance of gas by a person other than a public gas transporter, or from the use of gas conveyed by such a person, means the Secretary of State.
- (10) Where the relevant authority is a public gas transporter, any reference in this section to any officer authorised by the authority includes a reference to any officer authorised by another such transporter with whom the authority has made arrangements for officers authorised by the other transporter to discharge any functions of the authority under this section.
- (11) Except in cases of emergency, no officer shall be authorised by a public gas transporter to exercise any powers of entry conferred by regulations under this section unless the transporter has taken all reasonable steps to ensure that he is a fit and proper person to exercise those powers.”

Gas escape regulations

- 15 After section 18 of the 1986 Act there shall be inserted the following section—

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. “18A Gas escape regulations.

- (1) The Secretary of State may by regulations make provision—
- (a) for empowering any officer authorised by a public gas transporter, if the transporter has reasonable cause to suspect—
 - (i) that gas conveyed by the transporter is escaping, or may escape, in any premises; or
 - (ii) that gas so conveyed which has escaped has entered, or may enter, any premises,to enter the premises, to carry out any work necessary to prevent the escape of gas and to take any other steps necessary to avert danger to life or property; and
 - (b) for empowering any officer so authorised, if the transporter has reasonable cause to suspect—
 - (i) that gas conveyed through pipes by some other person is escaping, or may escape, in any premises; or
 - (ii) that gas so conveyed which has escaped has entered, or may enter, any premises,to enter the premises and take any steps necessary to avert danger to life or property.
- (2) Subsections (5) to (7) and (11) of section 18 above shall apply for the purposes of this section as if—
- (a) any reference to subsection (2) of that section were a reference to subsection (1) above;
 - (b) any reference to the relevant authority were a reference to a public gas transporter;
 - (c) any reference to subsection (5) of that section were a reference to that subsection as applied by this subsection; and
 - (d) the reference in subsection (11) of that section to regulations under that section were a reference to regulations under this section.
- (3) The ^{M1}Rights of Entry (Gas and Electricity Boards) Act 1954 (entry under a justice’s warrant) shall apply in relation to any powers of entry conferred by regulations made under subsection (1) above.
- (4) Any reference in this section to any officer authorised by a public gas transporter includes a reference to any officer authorised by another such transporter with whom the transporter has made arrangements for officers authorised by the other transporter to discharge any functions under this section of officers authorised by the transporter.”

Acquisition of rights to use pipe-line systems

16 For section 19 of the 1986 Act there shall be substituted the following section—

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. “ Use by other persons of public gas transporter’s pipe-line systems

19 Acquisition of rights to use pipe-line systems.

- (1) In the case of a pipe-line system operated by a public gas transporter, any person may, after giving the transporter not less than 28 days’ notice, apply to the Director for directions under this section which would secure to the applicant a right of a description specified in the application to have conveyed by the system gas which—
 - (a) is of a kind so specified; and
 - (b) is of, or of a kind similar to, the kind which the system is designed to convey.
- (2) Where an application is made under subsection (1) above, it shall be the duty of the Director—
 - (a) to decide whether the application is to be adjourned (so as to enable negotiations or further negotiations to take place), considered further or rejected;
 - (b) to give notice of his decision to the applicant;
 - (c) in the case of a decision that the application is to be considered further, to give to the transporter, to the Health and Safety Executive and to any person who has a right to have gas conveyed by the pipe-line system, notice that the application is to be so considered and an opportunity of being heard about the matter.
- (3) Where, after further considering an application under subsection (1) above, the Director is satisfied that the giving of directions under this section would not prejudice the efficient operation of the pipe-line system, or the conveyance by the system of—
 - (a) the quantities of gas which the public gas transporter requires or may reasonably be expected to require to be conveyed by the system to enable the transporter to comply with the conditions of his licence and to perform his contractual obligations;
 - (b) the quantities of gas which any person who has a right to have gas conveyed by the system is entitled to require to be so conveyed in the exercise of that right,
 the Director may give such directions to the transporter.
- (4) Directions under this section may—
 - (a) specify the terms on which the Director considers the public gas transporter should enter into an agreement with the applicant for all or any of the following purposes—
 - (i) for securing to the applicant the right to have conveyed by the pipe-line system, for the period specified in the directions and in the quantities so specified or determined by or under the directions, gas which is of a kind so specified;
 - (ii) for securing that the exercise of that right is not prevented or impeded;

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (iii) for regulating the charges which may be made for the conveyance of gas by virtue of that right;
 - (iv) for securing to the applicant such ancillary or incidental rights as the Director considers necessary or expedient, which may include the right to have a pipe-line of his connected to the pipe-line system by the transporter;
 - (b) specify the sums or the method of determining the sums which the Director considers should be paid by way of consideration for any such right; and
 - (c) require the transporter, if the applicant pays or agrees to pay those sums within a period specified in that behalf in the directions, to enter into an agreement with him on the terms so specified.
- (5) In giving any directions under this section, the Director shall apply the principle that the public gas transporter should be entitled to receive by way of charges for the conveyance of gas by virtue of the right—
 - (a) the appropriate proportion of the costs incurred by the transporter in administering, maintaining and operating his pipe-line system; and
 - (b) a return equal to the appropriate proportion of the return received by the transporter (otherwise than by virtue of the right) on the capital value of the system (including so much of that return as is set aside to meet the need from time to time to renew the system).
- (6) In subsection (5) above “the appropriate proportion” means such proportion as properly—
 - (a) reflects the use made of the public gas transporter’s pipe-line system by virtue of the right as compared with the use made of that system for other purposes; and
 - (b) takes into account the sums paid by way of consideration for the right and any sums paid in respect of the pipe-line system (whether by the applicant or by any other person) in pursuance of directions under section 21(1) below.
- (7) Any reference in this section to a right to have gas of any kind conveyed by a pipe-line system includes a reference to a right to introduce into, or take out of, such a system gas of that kind.”

Construction of pipe-lines

- 17 Section 20 of the 1986 Act (construction of pipe-lines) shall cease to have effect.

Increase of capacity etc. of pipe-lines

- 18 (1) For subsection (1) of section 21 of the 1986 Act (increase of capacity etc. of pipe-lines) there shall be substituted the following subsection—
- “(1) If in the case of a pipe-line system operated by a public gas transporter it appears to the Director, on the application of a person other than the transporter, that the system can and should be modified—
- (a) by installing in it a junction through which another pipe-line may be connected to the system; or

- (b) by modifying apparatus and works associated with a high pressure pipe-line so as to increase the capacity of the pipe-line,
 then, subject to subsection (3) below, the Director may, after giving to the transporter an opportunity of being heard about the matter and giving to the Health and Safety Executive notice of his proposed directions, give directions to the transporter in accordance with subsection (2) below in consequence of the application.”
- (2) In subsection (2) of that section—
- (a) for the words “public gas supplier” there shall be substituted the words “public gas transporter”;
- (b) for the words “for the purpose of defraying the cost of” there shall be substituted the words “by way of consideration for”; and
- (c) for the words “the supplier”, in both places where they occur, there shall be substituted the words “the transporter”.
- (3) In subsection (3) of that section, for the word “pipe-line”, in each place where it occurs, there shall be substituted the words “pipe-line system”.
- (4) After subsection (3) of that section there shall be inserted the following subsection—
- “(3A) In giving any directions under this section, the Director shall apply the principle that, in so far as the following, namely—
- (a) the cost of carrying out the modifications; and
- (b) a reasonable element of profit,
- will not be recoverable by the public gas transporter from elsewhere, the transporter should be entitled to receive them by way of consideration for carrying out the modifications.”
- (5) After subsection (4) of that section there shall be inserted the following subsection—
- “(5) In this section—
- “high pressure pipe-line” means any pipe-line which has a design operating pressure exceeding 7 bar gauge;
- “pipe-line” has the same meaning as in the ^{M2}Pipe-lines Act 1962.”

“22A Construction of pipe-lines.

- (1) A public gas transporter shall not at any time execute in an authorised area of another public gas transporter any works for the construction of a pipe-line unless—
 - (a) he has given the other transporter a notice stating that he intends to construct the pipe-line;
 - (b) he has consulted with that transporter as to exactly where in that area the proposed pipe-line is to be located, having regard to the location of other pipe-lines in that area; and
 - (c) he has consulted with that transporter as to the manner in which—
 - (i) the safety of the pipe-line is to be secured; and
 - (ii) any escapes of gas (actual or suspected) from the pipe-line are to be dealt with.
- (2) A notice under subsection (1)(a) above shall—
 - (a) specify the points between which the proposed pipe-line is to run and be accompanied by a map (drawn to an appropriate scale) on which is delineated the route which it is proposed to take;
 - (b) specify the length, diameter and operating pressure of the proposed pipe-line and the kind of gas which it is designed to convey; and
 - (c) contain such other particulars (if any) as may be prescribed.
- (3) In this section—

“construction”, in relation to a pipe-line, includes placing;

“pipe-line” has the same meaning as in the Pipe-lines Act 1962.
- (4) For the purposes of this section the execution of works in land for the purpose of determining whether or not it is suitable for the placing in it of a pipe-line and the carrying out of surveying operations for the purpose of settling the route of a proposed pipe-line shall be deemed not to constitute the execution of works for the construction of a pipe-line.”

Modification of licences by agreement

21 For section 23 of the 1986 Act there shall be substituted the following section—

“ Modification of licences

23 Modification by agreement.

- (1) Subject to the following provisions of this section, the Director may—
 - (a) modify the conditions of a particular licence; or
 - (b) modify the standard conditions of licences under section 7 above, licences under subsection (1) of section 7A above or licences under subsection (2) of that section.
- (2) Where at any time the Director modifies under subsection (1)(b) above the standard conditions of licences under section 7 above, licences under subsection (1) of section 7A above or licences under subsection (2) of that section, he—

- (a) shall also make (as nearly as may be) the same modifications of those conditions for the purposes of their incorporation in licences under that section or, as the case may be, that subsection granted after that time; and
 - (b) may make such incidental or consequential modifications as he considers necessary or expedient of any conditions of licences under that provision granted before that time.
- (3) Before making modifications under this section, the Director shall give notice—
 - (a) stating that he proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why he proposes to make the modifications; and
 - (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,and shall consider any representations or objections which are duly made and not withdrawn.
- (4) A notice under subsection (3) above shall be given—
 - (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by sending a copy of the notice to the holder of the licence or, as the case may be, the relevant licence holders, to the Secretary of State, to the Health and Safety Executive and to the Council.
- (5) If, within the time specified in the notice under subsection (3) above, the Secretary of State directs the Director not to make any modification, the Director shall comply with the direction.
- (6) The Director shall not make any modifications under subsection (1)(a) above unless—
 - (a) the holder of the licence has consented to the modifications; and
 - (b) in the case of standard conditions of a licence under subsection (1) or (2) of section 7A above, the Director is of the opinion that the modifications—
 - (i) are requisite to meet the circumstances of the particular case; and
 - (ii) are such that no other holder of such a licence would be unduly disadvantaged in competing with other holders of such licences (including the holder of the licence).
- (7) The Director shall not make any modifications under subsection (1)(b) above unless—
 - (a) the percentage given by each of subsections (8) and (9) below is not less than 90 per cent;
 - (b) the percentage given by subsection (8) below is not less than 90 per cent and no relevant activities have been carried on by relevant licence holders; or

- (8) The percentage given by this subsection is the fraction given by the following formula expressed as a percentage, namely—

$$\frac{C}{C + N}$$

where—

C = the number of consenting holders;

N = the number of non-consenting holders.

- (9) The percentage given by this subsection is the fraction given by the following formula expressed as a percentage, namely—

$$\frac{C}{C + N}$$

where—

C = the volume of gas to which relevant activities carried on by consenting holders relate;

N = the volume of gas to which relevant activities carried on by non-consenting holders relate,

as estimated (in each case) by the Director on the basis of the information available to him.

- (10) This subsection applies where the Director is of the opinion—
- (a) that the effect of the standard conditions is such as to impose a burden affecting relevant licence holders in the carrying on of activities to which the modifications relate;
 - (b) that the modifications would remove or reduce the burden without removing any necessary protection; and
 - (c) in the case of a licence under subsection (1) or (2) of section 7A above, that the modifications are such that no holder of such a licence would be unduly disadvantaged in competing with other holders of such licences.
- (11) Where at any time the Director modifies standard conditions under subsection (2)(a) above for the purposes of their incorporation in licences under section 7 or 7A(1) or (2) above granted after that time, he shall publish the modifications in such manner as he considers appropriate.
- (12) In this section, in relation to modifications of standard conditions under subsection (1)(b) above—
- “consenting holder” means a relevant licence holder who has consented to the modifications;
- “non-consenting holder” means a relevant licence holder who has not so consented;
- “relevant activity” means an activity to which the modifications relate and which is carried on in the period of twelve months immediately preceding the making of the modifications;

Modification references to Monopolies Commission

- 22 (1) For subsection (1) of section 24 of the 1986 Act (modification references to Monopolies Commission) there shall be substituted the following subsections—

“(1) The Director may make to the Monopolies and Mergers Commission (in this Part referred to as “the Monopolies Commission”) a reference which is so framed as to require the Commission to investigate and report on the questions—

- (a) whether any matters which relate to—
- (i) the carrying on of activities authorised or required by a particular licence, or
 - (ii) the storage of gas on terms which have been determined by the holder of a particular licence under section 7 above, or could have been determined by the holder if he had thought fit or had been required to determine them by or under a condition of the licence,

and which are specified in the reference operate, or may be expected to operate, against the public interest; and

- (b) if so, whether the effects adverse to the public interest which those matters have or may be expected to have could be remedied or prevented by modifications of the relevant conditions, that is to say, the conditions of the licence.

(1A) The Director may make to the Monopolies Commission a reference which is so framed as to require the Commission to investigate and report on the questions—

- (a) whether any matters which relate to the carrying on of activities authorised or required by—
- (i) licences under section 7 above,
 - (ii) licences under subsection (1) of section 7A above which incorporate the standard conditions, or
 - (iii) licences under subsection (2) of that section,

and which are specified in the reference operate, or may be expected to operate, against the public interest; and

- (b) if so, whether the effects adverse to the public interest which those matters have or may be expected to have could be remedied or prevented by modifications of the relevant conditions, that is to say, the standard conditions of licences under that section or, as the case may be, that subsection.”

(2) In subsection (3) of that section, for the words “conditions of the authorisation” there shall be substituted the words “ relevant conditions ”.

(3) In subsection (4) of that section, for the words “the public gas supplier” there shall be substituted the words “ the holder of the licence or, as the case may be, the relevant licence holders ”.

(4) After subsection (4) of that section there shall be inserted the following subsection—

“(8) In this section and sections 25 and 26 below—

“relevant conditions” has the meaning given by subsection (1) or (1A) above;

“relevant licence holder”—

(a) in relation to a reference under subsection (1A) above, means the holder of a licence to which the reference relates;

(b) in relation to modifications of relevant conditions within the meaning given by that subsection, means the holder of a licence which incorporates the conditions.”

Reports on modification references

23 (1) In subsection (1)(c) of section 25 of the 1986 Act (reports on modification references), for the words “the conditions of the authorisation” there shall be substituted the words “ the relevant conditions ”.

(2) In subsection (2) of that section, for the words “public gas supplier” there shall be substituted the words “ holder of the licence or, as the case may be, any of the relevant licence holders ”.

(3) In paragraph (a) of subsection (5) of that section, for the words “such a report, send a copy of it to the public gas supplier” there shall be substituted the words “ a report on a reference under section 24(1) above, send a copy of it to the licence holder ”.

(4) After that subsection there shall be inserted the following subsection—

“(5A) Subject to subsection (6) below, the Director shall—

(a) on receiving a report on a reference under section 24(1A) above, send a copy of it to the Secretary of State; and

(b) not less than 14 days after that copy is received by the Secretary of State—

(i) send another copy to the Council and to each relevant licence holder; and

(ii) not less than 24 hours after complying with subparagraph (i) above, publish the copy sent to the Council in such manner as he considers appropriate for bringing the report to the attention of persons likely to be affected by it.”

(5) In subsection (6) of that section—

(a) after the words “subsection (5)” there shall be inserted the words “ or (5A) ”; and

- (b) activities ancillary to such activities as are so mentioned (including in particular the storage of gas, the provision and reading of meters and the provision of pre-payment facilities).
- (5) Before either Director first exercises in relation to any matter functions transferred by any of the following provisions, namely—
- (a) paragraph (a) of subsection (2) above;
 - (b) paragraph (b) of that subsection;
 - (c) paragraph (c) of that subsection; and
 - (d) subsection (3) above,
- he shall consult the other Director; and neither Director shall exercise in relation to any matter functions transferred by any of those provisions if functions transferred by that provision have been exercised in relation to that matter by the other Director.
- (6) It shall be the duty of the Director, for the purpose of assisting the Monopolies Commission in carrying out an investigation on a reference made to them by the Director by virtue of subsection (2) or (3) above, to give to the Commission—
- (a) any information which is in his possession and which relates to matters falling within the scope of the investigation and—
 - (i) is requested by the Commission for that purpose; or
 - (ii) is information which in his opinion it would be appropriate for that purpose to give to the Commission without any such request; and
 - (b) any other assistance which the Commission may require and which it is within his power to give, in relation to any such matters,
- and the Commission shall, for the purposes of carrying out any such investigation, take into account any information given to them for that purpose under this subsection.
- (7) If any question arises as to whether subsection (2) or (3) above applies to any particular case, that question shall be referred to and determined by the Secretary of State; and no objection shall be taken to anything done under—
- (a) Part IV or section 86 or 88 of the 1973 Act; or
 - (b) sections 2 to 10 of the 1980 Act,
- by or in relation to the Director on the ground that it should have been done by or in relation to the Director General of Fair Trading.
- (8) Section 93B of the 1973 Act (offences of supplying false or misleading information to the Secretary of State, the Director General of Fair Trading or the Monopolies Commission in connection with their functions under Parts IV, V, VI or VIII of the 1973 Act or under the 1980 Act) shall have effect, so far as relating to functions exercisable by the Director by virtue of subsection (2) or (3) above, as if the reference in subsection (1)(a) of that section to the Director of Fair Trading included a reference to the Director.
- (9) Expressions used in this section which are also used in the 1973 Act or the 1980 Act have the same meanings as in that Act.

Status: Point in time view as at 01/03/1996. This version of this schedule contains provisions that are prospective.

Changes to legislation: Gas Act 1995, SCHEDULE 3 is up to date with all changes known to be in force on or before 04 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) Any reference in this Part to functions of the Director under this Part, or to functions assigned to him by or under this Part, includes a reference to functions transferred to the Director by subsection (2) or (3) above.”
