SCHEDULE 9

REVIEW OF OLD MINERAL PLANNING PERMISSIONS

The “first list”

- 3 (1) A planning authority shall, in accordance with the following provisions of this paragraph, prepare a list of mineral sites in their area (the “first list”).
- (2) A site shall, but shall only, be included in the first list if it is a mineral site in the area of the planning authority and is either—
- (a) an active Phase I site,
 - (b) an active Phase II site, or
 - (c) a dormant site.
- (3) In respect of each site included in the first list, the list shall indicate whether the site is an active Phase I site, an active Phase II site or a dormant site.
- (4) In respect of each active Phase I site included in the first list, that list shall specify the date by which an application is to be made to the planning authority under paragraph 9.
- (5) Any date specified pursuant to sub-paragraph (4) shall be a date—
- (a) not earlier than the date upon which expires the period of 12 months from the date on which the first list is first advertised in accordance with paragraph 5, and
 - (b) not later than the date upon which expires the period of three years from the date upon which the provisions of this Schedule come into force.
- (6) The preparation of the first list shall be completed before the day upon which it is first advertised in accordance with paragraph 5.
