Petroleum Act 1998

1998 CHAPTER 17

An Act to consolidate certain enactments about petroleum, offshore installations and submarine pipelines.

[11th June 1998]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

PETROLEUM

1. In this Part of this Act “petroleum”—

- (a) includes any mineral oil or relative hydrocarbon and natural gas existing in its natural condition in strata; but
- (b) does not include coal or bituminous shales or other stratified deposits from which oil can be extracted by destructive distillation.

Meaning of
“petroleum”.

2.—(1) Her Majesty has the exclusive right of searching and boring for and getting petroleum to which this section applies.

Rights to
petroleum vested
in Her Majesty.

(2) This section applies to petroleum (including petroleum in Crown land) which for the time being exists in its natural condition in strata in Great Britain or beneath the territorial sea adjacent to the United Kingdom.

(3) For the purposes of subsection (2), “Crown land” means land which—

- (a) belongs to Her Majesty or the Duchy of Cornwall;
- (b) belongs to a government department; or
- (c) is held in trust for Her Majesty for the purposes of a government department.

(4) Subsection (1) is subject to paragraph 4 of Schedule 3 and subsection (2) is subject to paragraph 5(3) of that Schedule.

PART I

Licences to search and bore for and get petroleum.

3.—(1) The Secretary of State, on behalf of Her Majesty, may grant to such persons as he thinks fit licences to search and bore for and get petroleum to which this section applies.

(2) This section applies to—

- (a) petroleum to which section 2 applies; and
- (b) petroleum with respect to which rights vested in Her Majesty by section 1(1) of the Continental Shelf Act 1964 (exploration and exploitation of continental shelf) are exercisable.

1964 c. 29.

(3) Any such licence shall be granted for such consideration (whether by way of royalty or otherwise) as the Secretary of State with the consent of the Treasury may determine, and upon such other terms and conditions as the Secretary of State thinks fit.

(4) Subsection (1) is subject to paragraph 4 of Schedule 3.

Licences: further provisions.

4.—(1) The Secretary of State shall make regulations prescribing—

- (a) the manner in which and the persons by whom applications for licences under this Part of this Act may be made;
- (b) the information to be included in or provided in connection with any such application;
- (c) the fees to be paid on any such application;
- (d) the conditions as to the size and shape of areas in respect of which licences may be granted;
- (e) model clauses which shall, unless he thinks fit to modify or exclude them in any particular case, be incorporated in any such licence.

(2) Different regulations may be made for different kinds of licence.

(3) Any such regulations shall be made by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.

(4) As soon as practicable after granting a licence under section 3, the Secretary of State shall publish notice of the fact in the London Gazette stating—

- (a) the name of the licensee; and
- (b) the situation of the area in respect of which the licence has been granted,

and, if that area or any part of it is in Scotland, the Secretary of State shall also publish the notice in the Edinburgh Gazette.

(5) Any information which the Commissioners of Inland Revenue possess in connection with petroleum won by virtue of a licence granted under section 3—

- (a) may be disclosed by the Commissioners to the Secretary of State, or to an officer of his who is authorised by him to receive such information, in connection with provisions of the licence relating to royalty payments; but
- (b) shall not be disclosed by a person to whom it is disclosed under paragraph (a) except—
 - (i) as authorised by the licence;

PART I

(ii) to a person to whom it could have been disclosed under paragraph (a); or

(iii) for the purposes of proceedings (which may be arbitration proceedings) in connection with the licence.

5.—(1) In this section, the “current model clauses” means, in relation to any paragraph of Schedule 1, the model clauses which, immediately before the commencement of this Act, would be incorporated in a licence granted under section 2 of the Petroleum (Production) Act 1934 if the licence, when granted, had incorporated the model clauses mentioned in that paragraph. Existing licences. 1934 c. 36.

(2) The reference in subsection (1) to the model clauses which, immediately before the commencement of this Act, would be incorporated in a licence is a reference to those model clauses as they would then have effect but as if any reference (however expressed) in a model clause to an enactment repealed and re-enacted by this Act were, or (where the context requires) included, a reference to the corresponding provision of this Act.

(3) For the purposes of subsection (2), any provision of a model clause which would have effect (or would have a particular effect) only in relation to a licence of a description of which none is in force immediately before the commencement of this Act shall be treated as not then having effect (or as not then having that effect).

(4) The Secretary of State shall, in an order made before the commencement of this Act, reproduce the current model clauses in relation to each paragraph of Schedule 1.

(5) Subject to subsections (7) and (8), any licence granted under section 2 of the Petroleum (Production) Act 1934 which—

(a) is in force immediately before the commencement of this Act; and

(b) when granted, incorporated any of the model clauses mentioned in any paragraph of Schedule 1,

shall on the commencement of this Act have effect as if it incorporated, in place of the relevant model clauses, the current model clauses reproduced in relation to that paragraph in the order under subsection (4).

(6) For the purposes of subsection (5), the relevant model clauses, in relation to any licence, are the model clauses which the licence incorporates immediately before the commencement of this Act other than any model clause which—

(a) was incorporated into the licence when it was granted; and

(b) is not within any paragraph of Schedule 1.

(7) Where immediately before the commencement of this Act any such licence incorporates model clauses subject to any amendment or modification, or with the omission of any model clause, the current model clauses reproduced under subsection (4) shall have effect in relation to that licence—

(a) subject to the same amendment or modification; or

(b) as the case may be, with the omission of the model clause corresponding to the model clause omitted from the licence.

PART I

1934 c. 36. (8) Where before the commencement of this Act model clauses (the “substitute model clauses”) set out in any regulations made under section 6 of the Petroleum (Production) Act 1934 have been substituted for the model clauses originally incorporated in any licence granted under section 2 of that Act, the licence shall be treated for the purposes of this section as if, when granted, it had incorporated the substitute model clauses.

1995 c. 7. (9) It is hereby declared that any provision incorporated in a licence by virtue of subsection (5) may be altered or deleted by an instrument under seal executed by the Secretary of State and the licensee or, as respects Scotland, by an instrument subscribed by the Secretary of State and the licensee in accordance with the Requirements of Writing (Scotland) Act 1995.

(10) Where any provision is replaced by virtue of subsection (5)—

(a) a reference in any document to that provision (or which immediately before the commencement of this Act is to be construed as a reference to that provision) shall, except so far as the nature of the document or context otherwise requires, be construed as a reference to the replacement; and

(b) anything done under or for the purposes of that provision shall, except where the context otherwise requires, be treated as having been done under or for the purposes of the replacement.

(11) The order to be made under subsection (4) shall be made by statutory instrument, shall be laid before Parliament after being made and shall come into force on the commencement of this Act.

Repayments for development.

6.—(1) Where any person has paid to the Secretary of State a sum by way of royalty under the terms of a licence granted under section 3, the Secretary of State may with the approval of the Treasury repay to him the whole or a part of that sum if the Secretary of State considers it expedient to do so for the purpose of facilitating or maintaining the development of the petroleum resources of the United Kingdom.

(2) Where for any chargeable period for the purpose of a licence granted under section 3 any person has been required to deliver petroleum to the Secretary of State under the terms of that licence, subsection (1) shall have effect as if for that period that person had paid to the Secretary of State by way of royalty such sum, or (where he has been required to deliver some but not all of the petroleum which he could have been required to deliver) such additional sum, as he would have been required to pay under the terms of the licence if he had not been required to deliver the petroleum.

(3) Any repayment and right to a repayment under this section shall be disregarded for the purposes of income tax, corporation tax and petroleum revenue tax.

Ancillary rights.
1966 c. 4.

7.—(1) Subject to the provisions of this section, the Mines (Working Facilities and Support) Act 1966 shall apply (in England and Wales and Scotland) for the purpose of enabling a person holding a licence under this Part of this Act to acquire such ancillary rights as may be required for the exercise of the rights granted by the licence.

(2) In its application for the purposes of this section, the Mines (Working Facilities and Support) Act 1966 shall have effect as if—

PART I

- (a) references to a person having a right to work minerals included references to a person holding a licence under this Part of this Act;
- (b) references to minerals included references to petroleum; and
- (c) references to the working of minerals included references to the getting, carrying away, storing, treating and converting of petroleum.

(3) Without prejudice to the generality of subsection (1) of section 2 of the Mines (Working Facilities and Support) Act 1966, that Act shall have effect for the purposes of this section as if the ancillary rights mentioned in that subsection included—

- (a) a right to enter upon land and to sink boreholes in the land for the purpose of searching for and getting petroleum; and
- (b) a right to use and occupy land for—
 - (i) the erection of such buildings;
 - (ii) the laying and maintenance of such pipes; and
 - (iii) the construction of such other works,
 as may be required for the purpose of searching and boring for and getting, carrying away, storing, treating and converting petroleum.

(4) Where an application is made to the court under the Mines (Working Facilities and Support) Act 1966 by virtue of this section—

- (a) in deciding—
 - (i) whether to grant any right applied for; or
 - (ii) what terms and conditions, if any, should be imposed upon the grant of such a right,
 the court shall have regard, among other considerations, to the effect on the amenities of the locality of the proposed use and occupation of the land in respect of which the right is applied for;
- (b) in determining the amount of any compensation to be paid in respect of the grant of any right, an additional allowance of not less than 10 per cent. shall be made on account of the acquisition of the right being compulsory;
- (c) the costs in connection with the application incurred by the applicant shall not be ordered to be paid by any person from whom a right is sought to be obtained; and
- (d) the costs in connection with the application incurred by each person from whom a right is sought to be obtained shall be ordered to be paid by the applicant unless the court is satisfied that an unconditional offer in writing was made by the applicant to that person of a sum as compensation equal to or greater than the amount of any compensation awarded to him by the court.

8.—(1) For the purpose of ascertaining on behalf of the Secretary of State the position of the workings, actual and prospective, of any mines or abandoned mines through or near which it is proposed to sink any borehole for the purpose of searching for or getting petroleum, any officer appointed by the Secretary of State shall have the same powers with respect to the production and inspection and the taking of copies of

Power to inspect plans of mines.

PART I

1974 c. 37.

relevant documents as may under section 20 of the Health and Safety at Work etc. Act 1974 be exercised by an inspector acting for the purpose mentioned in subsection (1) of that section.

(2) For the purposes of subsection (1)—

- (a) “relevant documents” means plans, sections, drawings or other similar documents which, by virtue of paragraph 16 of Schedule 3 to that Act of 1974, are required to be kept;
- (b) “an inspector” means an inspector appointed under section 19 of that Act; and
- (c) subsections (2) and (3) of section 19 of that Act shall be disregarded.

Supplementary.

9.—(1) Nothing in this Part of this Act shall be construed as imposing any liability on any person where in the course of mining or other lawful operations petroleum is set free.

(2) Nothing in this Part of this Act shall be construed as conferring, or as enabling the Secretary of State to confer, on any person, whether acting on behalf of Her Majesty or not, any right which he does not enjoy apart from this Part of this Act to enter on or interfere with land.

(3) The issue of an authorisation within the meaning of Part III of this Act shall be deemed not to derogate from a licence granted under section 3 which is for the time being in force.

PART II**OFFSHORE ACTIVITIES**Application of
criminal law etc.

10.—(1) Her Majesty may by Order in Council provide that, in such cases and subject to such exceptions as may be prescribed by the Order, any act or omission which—

Construction and
use of pipelines.

14.—(1) No person shall—

- (a) execute in, under or over any controlled waters any works for the construction of a pipeline; or
- (b) use a controlled pipeline of which the construction was begun on or after 1st January 1976,

(2) In this Part of this Act—

“controlled pipeline” means so much of any pipeline as is in, under or over controlled waters; and

“controlled waters” means the territorial sea adjacent to the United Kingdom and the sea in any area designated under section 1(7) of the Continental Shelf Act 1964.

15.—(1) Schedule 2 (applications for and issue of authorisations) shall have effect.

(2) The Secretary of State shall not issue an authorisation to a person other than a body corporate.

(3) Any authorisation in respect of a controlled pipeline may contain such terms as the Secretary of State thinks appropriate including in particular terms as to—

- (a) the duration of the authorisation, including the method of ascertaining its duration;
- (b) the persons or kinds of persons who are authorised to execute the works in question or to use the pipeline or are so authorised if the Secretary of State consents to the execution of the works or the use of the pipeline by them;
- (c) in the case of a works authorisation—

- (j) the giving by the Secretary of State, with respect to matters specified in the authorisation, of directions which shall have effect as terms of the authorisation.

(4) Unless the Secretary of State considers that there are special circumstances by reason of which the duration of an authorisation should be limited, an authorisation shall provide for its duration to be unlimited subject to the following provisions of this Part of this Act.

(5) Subsection (6) applies where a works authorisation contains a term (the “variation term”) requiring that—

- (a) the capacity of the controlled pipeline to which it relates or of any part of the pipeline shall be greater than that proposed in the application for the authorisation; or
- (b) any of the route of the pipeline shall be different from that so proposed.

(6) Where this subsection applies, the Secretary of State may, subject to section 17(7), serve a notice in accordance with subsection (7) on—

- (c) provide that the holder may, if those arrangements are not made by the other person within the specified period, elect in the specified manner that—
 - (i) the variation term shall have effect with such modifications as are specified with a view to eliminating the consequences of the representations of the other person; and
 - (ii) the provisions included in the notice by virtue of paragraph (d) shall cease to have effect; and
- (d) authorise the holder, if he satisfies the Secretary of State that the pipeline or a relevant part of it has been or will be constructed in accordance with the variation term, to recover those sums from the other person.

(8) In subsection (7), “specified” means specified in the notice.

PART III
Compulsory
modifications of
pipelines.

16.—(1) If in the case of a controlled pipeline it appears to the Secretary of State, on the application of a person other than the owner of the pipeline—

- (a) that the capacity of the pipeline can and should be increased by modifying apparatus and works associated with the pipeline; or
- (b) that the pipeline can and should be modified by installing in it a junction through which another pipeline may be connected to the pipeline,

then, subject to section 17(8), the Secretary of State may, after giving the owner of the pipeline an opportunity of being heard about the matter, serve on the owner and the applicant a notice in accordance with subsection (2).

(2) A notice under subsection (1) shall—

- (a) specify the modifications which the Secretary of State considers should be made in consequence of the application;
- (b) specify the sums or the method of determining the sums which the Secretary of State considers should be paid to the owner by the applicant for the purpose of defraying the cost of the modifications;
- (c) require the applicant to make, within the period specified for the purpose in the notice, arrangements which the Secretary of State considers appropriate to secure that those sums will be paid to the owner if he carries out the modifications or satisfies the Secretary of State that he will carry them out;
- (d) require the owner, if the applicant makes those arrangements within that period, to carry out the modifications within a period specified for the purpose in the notice; and
- (e) authorise the owner, if he satisfies the Secretary of State that he has carried out or will carry out the modifications, to recover those sums from the applicant.

(3) References in subsections (1) and (2) to modifications include, in the case of modifications of any apparatus and works, references to changes in, substitutions for and additions to the apparatus and works.

(4) For the purposes of section 14(1) a notice under subsection (1) of this section requiring a person to carry out modifications authorises him to carry out the modifications; but nothing in Schedule 2 shall apply to such a notice.

Acquisition of
rights to use
pipelines.

17.—(1) Subsections (2) and (3) apply where a person applies to the Secretary of State for a notice under this section securing to the applicant a right to have conveyed, by a controlled pipeline of which he is not the owner, quantities specified in the application of things which are of a kind so specified and which the pipeline is designed to convey.

(2) The Secretary of State shall—

- (a) give notice to the owner of the pipeline and the applicant that he proposes to consider the application; and
- (b) after the expiry of 21 days beginning with the date on which notice under paragraph (a) was served, but before considering the application, give them an opportunity of being heard with respect to the application.

PART III

(3) Where the Secretary of State is satisfied that, if he served a notice under this section the pipeline in question could be operated in accordance with the notice without prejudicing its efficient operation for the purpose of conveying, on behalf of its owner, the quantities of permitted substances which the owner requires or may reasonably be expected to require, the Secretary of State may serve such a notice on the owner and the applicant.

(4) In subsection (3), “permitted substances” means the things which may be conveyed by the pipeline in accordance with an authorisation (or, if no authorisation for the use of the pipeline is required by section 14(1), means the things which the pipeline is designed to convey).

(5) A notice under this section may contain such provisions as the Secretary of State considers appropriate for any of the following purposes—

- (b) to secure that the exercise of the right is not prevented or impeded;
- (c) to regulate the charges which may be made for the conveyance of things by virtue of the right; and
- (d) to secure to the applicant the right to have a pipeline of his connected to the pipeline by the applicant or owner.

(6) Such a notice may also authorise the owner to recover from the applicant payments by way of consideration for any right mentioned in subsection (5)(a) or (d) of amounts specified in the notice or determined in accordance with the notice.

(7) Before serving a notice under section 15(6) on a person other than the holder of the relevant authorisation, the Secretary of State shall give that person an opportunity to make an application under subsection (1) in respect of the proposed pipeline to which the authorisation relates; and subsections (1) to (6) shall have effect for this purpose as if references to a pipeline and the owner of it were references to the proposed pipeline and the proposed owner of it.

(8) Before serving a notice under section 16(1) on a person other than the owner of the relevant pipeline, the Secretary of State shall give that person particulars of the modifications which he proposes to specify in the notice and an opportunity to make an application under subsection (1) in respect of the pipeline; and subsections (1) to (6) shall have effect for this purpose as if references to a pipeline were references to the pipeline as it would be with those modifications.

(9) The use of a pipeline by any person in accordance with a right secured to him by virtue of this section is not a contravention of section 14(1); but a person to whom a right is so secured may not assign the right to any other person.

18.—(1) An authorisation shall cease to be in force at the earliest of the following—

Termination of authorisations.

PART III

- (c) the time specified in a notice under subsection (2) or (6).

(2) If it appears to the Secretary of State that the execution of works authorised by a works authorisation has not been begun at the expiry of the period specified in subsection (3), he shall serve on the holder a notice stating that the authorisation is to cease to be in force at a time specified in the notice.

(3) The period referred to in subsection (2) is—

- (a) the period of three years beginning with the date when the authorisation is expressed to come into force; or

 - (ii) such other persons, if any, as he considers appropriate in the circumstances; and

(6) Subject to subsections (7) and (8), if the Secretary of State considers that the holder of an authorisation—

- (a) has contravened a term of the authorisation; or
- (b) has contravened any provision of a notice which, under section 16 or 17, was served on him in his capacity as the owner of the pipeline (or the proposed owner of the proposed pipeline) to which the authorisation relates,

the Secretary of State may serve on the holder a notice stating that the authorisation is to cease to be in force at a time specified in the notice.

(7) The Secretary of State shall not serve a notice under subsection (6) without first giving the holder of the authorisation an opportunity to make written representations to him.

PART III

(8) The Secretary of State shall not serve a notice under subsection (6) in consequence of a contravention if the Secretary of State considers that—

- (a) having regard to the nature and consequences of the contravention and to any previous contravention, it would be unreasonable to terminate the authorisation in consequence of the contravention; and
- (b) the holder has taken adequate steps to prevent similar contraventions in future.

(9) When an authorisation ceases to be in force the Secretary of State shall publish in the London and Edinburgh and Belfast Gazettes, or in such of them as he considers appropriate, a notice stating that it has ceased to be in force.

19.—(1) When an authorisation ceases to be in force the controlled pipeline to which it relates shall, by virtue of this subsection, be transferred to and vest in the Secretary of State free from encumbrances, except that nothing in this subsection prejudices—

(3) Where an authorisation includes such a statement the pipeline to which the authorisation relates shall, by virtue of this subsection and at the time specified in the authorisation, be transferred to and vest in the holder of the authorisation subject to any interest or right then subsisting in respect of the pipeline by virtue of paragraph (a) or (b) of subsection (1).
