SCHEDULE 9

POWERS OF ENTRY AND INSPECTION

Matters exempt from inspection and seizure

- 10 If the person in occupation of any premises in respect of which a warrant is issued under this Schedule objects to the inspection or seizure under the warrant of any material on the grounds that it consists partly of matters in respect of which those powers are not exercisable, he shall, if the person executing the warrant so requests, furnish that person with a copy of so much of the material as is not exempt from those powers.
