the Board shall be taken to have made an order fixing in place of that minimum rate a minimum rate equal to the national minimum wage or, as the case may be, a minimum rate such as to yield an amount of wages for each hour worked equal to the hourly amount of the national minimum wage.

 (as in a case where the minimum rate for night work is fixed as the sum of the minimum rate payable in respect of work other than night work and a supplemental or additional minimum rate in respect of working at night) the national minimum wage provisions of this Article apply in relation to the principal component rate and not the supplemental or additional component rates.
