- (a) to which the transfer relates, and
- (b) which is specified, or of a description specified, for the purpose in the PPP scheme,

to be allocated to the transferee and treated for the purposes of the Corporation Tax Acts, as respects periods beginning on or after the transfer date, as expenditure by reference to which capital allowances may be made to the transferee instead of to the predecessor.

- (3) Where an amount of expenditure is allocated under sub-paragraph (2) above to the transferee then, subject to sub-paragraph (4) below, there shall be made to or on the transferee in accordance with the Capital Allowances Acts all such allowances and charges as would have fallen to be made to or on him had he incurred expenditure of that amount on the transfer date in the acquisition, for the purposes of a trade carried on by him, of anything falling within paragraphs (a) and (b) of sub-paragraph (2) above.
- (4) For the purposes of the Corporation Tax Acts, only such amounts (if any) as may be specified in or determined in accordance with the PPP scheme providing for a relevant transfer shall be allocated to the transferee in respect of expenditure by reference to which capital allowances may be made by virtue of sub-paragraph (3) above in relation to anything to which the transfer relates.

- (6) If the PPP scheme in question so provides, then, notwithstanding sub-paragraph (5) above,—
 - (a) the predecessor shall be entitled, for its accounting period in which the transfer date falls, to allowances, determined in accordance with the PPP scheme, in respect of the amount so allocated, but
 - (b) for that purpose that amount shall be treated as reduced to the amount which bears to it the proportion which that part of the accounting period which falls before the transfer date bears to twelve months;
 and a PPP scheme which makes any such provision may also make provision for or in connection with the making of an adjustment, determined in accordance with the PPP scheme, in relation to the transferee's entitlement to allowances.
- (7) Subject to sub-paragraph (8) below, the provisions of a PPP scheme providing for the determination of any amount which for the purposes of sub-paragraphs (2) and (4) above is to be allocated, in the case of any relevant transfer, to the transferee may include provision—
