

Health Act 1999

1999 CHAPTER 8

PART I

THE NATIONAL HEALTH SERVICE

Local administration

2 Primary Care Trusts.

(1) After section 16 of ^{M1}the National Health Service Act 1977 there is inserted—

“16A Primary Care Trusts.

- (1) The Secretary of State may establish bodies to be known as Primary Care Trusts with a view, in particular, to their—
 - (a) providing or arranging for the provision of services under this Part of this Act,
 - (b) exercising functions in relation to the provision of general medical services under Part II of this Act, and
 - (c) providing services in accordance with section 28C arrangements.
- (2) Each Primary Care Trust shall be established by an order made by him (referred to in this Act as a PCT order).
- (3) A Primary Care Trust shall be established for the area specified in its PCT order and shall exercise its functions in accordance with any prohibitions or restrictions in the order.
- (4) If any consultation requirements apply, they must be complied with before a PCT order is made.
- (5) In this section, “consultation requirements” means requirements about consultation contained in regulations (and the regulations must impose requirements where a PCT order establishes a Primary Care Trust).

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (6) Schedule 5A to this Act (which makes further provision about Primary Care Trusts) shall have effect.

16B Exercise of functions by Primary Care Trusts.

- (1) This section applies to functions which are exercisable by a Primary Care Trust under or by virtue of this Act (including this section), the ^{M2}National Health Service and Community Care Act 1990 or any prescribed provision of any other Act.
- (2) Regulations may provide for any functions to which this section applies to be exercised—
- (a) by another Primary Care Trust,
 - (b) by a Special Health Authority, or
 - (c) jointly with any one or more of the following: Health Authorities, NHS trusts and other Primary Care Trusts.
- (3) Regulations may provide—
- (a) for any functions to which this section applies to be exercised, on behalf of the Primary Care Trust by whom they are exercisable, by a committee, sub-committee or officer of the trust,
 - (b) for any functions which, under this section, are exercisable by a Special Health Authority to be exercised, on behalf of that authority, by a committee, sub-committee or officer of the authority,
 - (c) for any functions which, under this section, are exercisable by a Primary Care Trust jointly with one or more Health Authorities or other Primary Care Trusts (but not with any NHS trusts) to be exercised, on behalf of the health service bodies in question, by a joint committee or joint sub-committee.”

- (2) Schedule 1 (which inserts the new Schedule 5A in the 1977 Act) is to have effect.

3 Primary Care Trusts: finance.

Before section 98 of the 1977 Act there is inserted—

“97C Public funding of Primary Care Trusts.

- (1) It is the duty of every Health Authority, in respect of each financial year, to pay to each Primary Care Trust whose area falls within their area—
- (a) sums equal to the trust’s general Part II expenditure, and

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (b) sums not exceeding the amount allotted by the authority to the trust for that year towards meeting the trust's main expenditure in that year.
- (2) Any payment under subsection (1)(a) above shall be made out of money paid to the Health Authority under subsection (1) of section 97 above and any payment under subsection (1)(b) above shall be made out of money paid to the authority under subsection (3) of that section.
- (3) An amount is allotted to a Primary Care Trust for a year under this section when the trust is notified by the Health Authority that the amount is allotted to it for that year; and the Health Authority may make an allotment under this section increasing or reducing an allotment previously so made.
- (4) The Secretary of State may give directions to a Primary Care Trust about the payment of sums by the trust to the Health Authority in whose area the area of the trust falls in respect of charges or other sums referable to the valuation or disposal of assets.
- (5) Where any part of a sum paid to a Primary Care Trust by a Health Authority under subsection (1) above derives from a sum which was paid to the authority under subsection (1) or (3) of section 97 above subject to a direction (under subsection (6)(a) of that section) that it be applied for a particular purpose, the authority shall direct the trust that the sum paid to the trust shall be applied for the same purpose.
- (6) Sums falling to be paid to Primary Care Trusts under this section shall be payable subject to compliance with such conditions as to records, certificates or otherwise as the Secretary of State may determine.

97D Financial duties of Primary Care Trusts.

- (1) It is the duty of every Primary Care Trust, in respect of each financial year, to perform its functions so as to secure that the expenditure of the trust which is attributable to the performance by the trust of its functions in that year (not including expenditure within subsection (1)(a) of section 97C above) does not exceed the aggregate of—
 - (a) the amount allotted to it for that year under subsection (1)(b) of that section,
 - (b) any sums received by it in that year under any provision of this Act (other than sums received by it under that section), and
 - (c) any sums received by it in that year otherwise than under this Act for the purpose of enabling it to defray any such expenditure.
- (2) The Secretary of State may give such directions to a Primary Care Trust as appear to be requisite to secure that the trust complies with the duty imposed on it by subsection (1) above.
- (3) Directions under subsection (2) above may be specific in character.
- (4) To the extent to which—
 - (a) any expenditure is defrayed by a Primary Care Trust as trustee or on behalf of a Primary Care Trust by special trustees, or
 - (b) any sums are received by a Primary Care Trust as trustee or under section 96A above,

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

that expenditure and, subject to subsection (6) below, those sums shall be disregarded for the purposes of this section.

- (5) For the purposes of this section sums which, in the hands of a Primary Care Trust, cease to be trust funds and become applicable by the Primary Care Trust otherwise than as trustee shall be treated, on their becoming so applicable, as having been received by the Primary Care Trust otherwise than as trustee.
- (6) Of the sums received by a Primary Care Trust under section 96A above so much only as accrues to the Primary Care Trust after defraying any expenses incurred in obtaining them shall be disregarded under subsection (4) above.
- (7) Subject to subsection (4) above, the Secretary of State may by directions determine—
 - (a) whether specified sums are, or are not, to be treated for the purposes of this section as received under this Act by a specified Primary Care Trust,
 - (b) whether specified expenditure is, or is not, to be treated for those purposes as expenditure within subsection (1) above of a specified Primary Care Trust, or
 - (c) the extent to which, and the circumstances in which, sums received by a Primary Care Trust under section 97C above but not yet spent are to be treated for the purposes of this section as part of the expenditure of the Primary Care Trust and to which financial year's expenditure they are to be attributed.
- (8) In subsection (7) above, "specified" means of a description specified in the directions."

4 Expenditure of Health Authorities and Primary Care Trusts.

- (1) After Schedule 12 to the 1977 Act there is inserted—

"SCHEDULE
12A

EXPENDITURE OF HEALTH AUTHORITIES AND PRIMARY CARE TRUSTS

Health Authorities: general Part II expenditure

- 1 (1) In section 97 above and this Schedule, general Part II expenditure, in relation to a Health Authority, means expenditure of the authority which—
 - (a) is attributable to the payment of remuneration to persons providing services in pursuance of Part II of this Act, and
 - (b) is not excluded by sub-paragraph (2) below.
- (2) Expenditure is excluded if it is attributable to—

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (a) the reimbursement of expenses of persons providing services in pursuance of Part II which are designated expenses incurred in connection with the provision of the services (or in giving instruction in matters relating to the services),
- (b) remuneration referable to the cost of drugs,
- (c) remuneration paid to persons providing additional pharmaceutical services (in accordance with directions under section 41A above), in respect of such of those services as are designated, or
- (d) remuneration of a designated description which is determined by the Health Authority and paid to persons providing general medical services in pursuance of Part II.

Health Authorities: main expenditure

- 2 (1) In section 97 above, main expenditure, in relation to a Health Authority and the year in question, means—
 - (a) expenditure of the authority mentioned in sub-paragraph (2) below,
 - (b) any other expenditure of the authority attributable to the performance of their functions in that year (other than general Part II expenditure and remuneration referable to the cost of drugs), and
 - (c) expenditure attributable to remuneration referable to the cost of drugs for which the authority are accountable in that year (whether paid by them or another authority).
- (2) The expenditure referred to in sub-paragraph (1)(a) above is expenditure attributable to—
 - (a) the reimbursement in that year of expenses of persons providing services in pursuance of Part II which are designated expenses incurred in connection with the provision of the services (or in giving instruction in matters relating to the services),
 - (b) remuneration paid in that year to persons providing additional pharmaceutical services (in accordance with directions under section 41A above), in respect of such of those services as are designated, or
 - (c) remuneration of a designated description which is determined by the Health Authority and paid in that year to persons providing general medical services in pursuance of Part II.
- 3 (1) For each financial year, the Secretary of State shall apportion, in such manner as he thinks appropriate, among all Health Authorities the total of the remuneration referable to the cost of drugs which is paid by each Health Authority in that year.
- (2) A Health Authority are accountable in any year for remuneration referable to the cost of drugs to the extent (and only to the extent) that such remuneration is apportioned to them under sub-paragraph (1) above.
- (3) Where in any financial year any remuneration referable to the cost of drugs for which a Health Authority are accountable is paid by another Health Authority, the remuneration is to be treated (for the purposes of sections 97 and 97A above) as having been paid by the first authority in the performance of their functions.

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (4) The Secretary of State may, in particular, exercise his discretion under sub-paragraph (1) above—
- (a) so that any apportionment reflects, in the case of each Health Authority, the financial consequences of orders for the provision of drugs, being orders which in his opinion are attributable to the authority in question,
 - (b) by reference to averaged or estimated amounts.
- (5) The Secretary of State may make provision for any remuneration referable to the cost of drugs which is paid by a Health Authority other than the Health Authority which are accountable for the payment to be reimbursed in such manner as he may determine.

PCTs: general Part II expenditure

- 4 (1) In section 97C above and this Schedule, general Part II expenditure, in relation to a Primary Care Trust, means expenditure of the trust which—
- (a) is attributable to the payment of remuneration to persons providing services in pursuance of Part II of this Act, and
 - (b) is not excluded by sub-paragraph (2) below.
- (2) Expenditure is excluded if it is attributable to—
- (a) the reimbursement of expenses of persons providing services in pursuance of Part II which are designated expenses incurred in connection with the provision of the services (or in giving instruction in matters relating to the services), or
 - (b) remuneration of a designated description which is determined by the Health Authority within whose area the area of the trust falls and paid to persons providing general medical services in pursuance of Part II.

PCTs: main expenditure

- 5 (1) In section 97C above, main expenditure, in relation to a Primary Care Trust and the year in question, means—
- (a) expenditure of the trust mentioned in sub-paragraph (2) below, and
 - (b) any other expenditure of the trust attributable to the performance of its functions in that year (other than general Part II expenditure), and is to be treated as including any expenditure apportioned to the trust for that year under paragraph 6 below.
- (2) The expenditure referred to in sub-paragraph (1)(a) above is expenditure attributable to—
- (a) the reimbursement in that year of expenses of persons providing services in pursuance of Part II which are designated expenses incurred in connection with the provision of the services (or in giving instruction in matters relating to the services), or
 - (b) remuneration of a designated description which is determined by the Health Authority within whose area the area of the trust falls and paid in that year to persons providing general medical services in pursuance of Part II.

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- 6 (1) For each financial year, a Health Authority may apportion, to such extent and in such manner as they think appropriate, among the Primary Care Trusts whose areas fall within their area, the remuneration referable to the cost of drugs for which the authority are accountable in that year.
- (2) Where in any financial year—
 - (a) any remuneration referable to the cost of drugs for which the Health Authority are accountable is paid (whether by them or another Health Authority), and
 - (b) that remuneration is apportioned to a Primary Care Trust under sub-paragraph (1) above, that remuneration is to be treated for the purposes of sections 97C and 97D above as having been paid by the trust in the performance of its functions.

Interpretation

- 7 (1) In this Schedule—
 - “designated” means designated in writing by the Secretary of State (and different designations may be made for different purposes),
 - “drugs” includes medicines and listed appliances (within the meaning of section 41 above),
 - “pharmaceutical services” does not include additional pharmaceutical services.
 - (2) The Secretary of State shall determine what remuneration paid by Health Authorities to persons providing pharmaceutical services is to be treated for the purposes of this Schedule as remuneration referable to the cost of drugs.
 - (3) The Secretary of State may treat all remuneration paid by Health Authorities to such persons, so far as it is met by an NHS trust or Primary Care Trust under section 103(3) below, as remuneration referable to the cost of drugs for those purposes.”

9 Indemnity cover for Part II services.

- (1) Before section 44 of the 1977 Act there is inserted—

“ Indemnity cover

43C Indemnity cover.

- (1) Regulations may make provision for the purpose of securing that, in prescribed circumstances, prescribed Part II practitioners hold approved indemnity cover.
- (2) The regulations may, in particular, make provision as to the consequences of a failure to hold approved indemnity cover, including provision—
- (a) for securing that a person is not to be added to any list unless he holds approved indemnity cover;
 - (b) for the removal from a list prepared by a Health Authority of a Part II practitioner who does not within a prescribed period after the making of a request by the Health Authority in the prescribed manner satisfy the Health Authority that he holds approved indemnity cover.

- (3) For the purposes of this section—

“approved body” means a person or persons approved in relation to indemnity cover of any description, after such consultation as may be prescribed, by the Secretary of State or by such other person as may be prescribed;

“approved indemnity cover” means indemnity cover made—

- (a) on prescribed terms; and
- (b) with an approved body;

“indemnity cover”, in relation to a Part II practitioner (or person who proposes to provide Part II services), means a contract of insurance or other arrangement made for the purpose of indemnifying him and any person prescribed in relation to him to any prescribed extent against any liability which—

- (a) arises out of the provision of Part II services in accordance with arrangements made by him with a Health Authority under this Part of this Act; and
- (b) is incurred by him or any such person in respect of the death or personal injury of a person;

“list” has the same meaning as in section 46 below;

“Part II practitioner” means a person whose name is on a list;

“Part II services” means general medical services, general dental services, general ophthalmic services or pharmaceutical services;

10 Remuneration for Part II services.

- (1) For sections 43A and 43B of the 1977 Act (regulations as to Part II remuneration) there is substituted—

“43A Remuneration for Part II services.

- (1) The remuneration to be paid to persons who provide^{F3} . . . general ophthalmic services or pharmaceutical services under this Part of this Act shall be determined by determining authorities (and they may also determine the remuneration to be paid to persons providing those services in respect of the instruction of any person in matters relating to those services).
- (2) For the purposes of this section and section 43B below determining authorities are—
- (a) the Secretary of State, and
 - (b) so far as authorised by him to exercise the functions of determining authorities, any Health Authority [^{F4}, Primary Care Trust] or other person appointed by him in an instrument (referred to in this section and section 43B below as an instrument of appointment).
- (3) An instrument of appointment—

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (a) may contain requirements with which a determining authority appointed by that instrument must comply in making determinations, and
 - (b) may be contained in regulations.
- (4) Subject to this section and section 43B below, regulations may make provision about determining remuneration under subsection (1) above and may in particular impose requirements with which determining authorities must comply in making, or in connection with, determinations (including requirements as to consultation and publication).
- (5) Regulations may provide—
- (a) that determinations may be made by reference to any of the following—
 - (i) rates or conditions of remuneration of any persons or any descriptions of persons which are fixed or determined, or to be fixed or determined, otherwise than by way of a determination under subsection (1) above,
 - (ii) scales, indices or other data of any description specified in the regulations,
 - (b) that any determination which in accordance with regulations made by virtue of paragraph (a)(ii) above falls to be made by reference to a scale or an index or to any other data may be made not only by reference to that scale or index or those data in the form current at the time of the determination but also by reference to the scale, index or data in any subsequent form attributable to amendment or revision taking effect after that time or to any other cause.
- (6) Regulations may—
- (a) provide that determining authorities may make determinations which have effect in relation to remuneration in respect of a period beginning on or after a date specified in the determination, which may be the date of the determination or an earlier or later date, but may be an earlier date only if, taking the determination as a whole, it is not detrimental to the persons to whose remuneration it relates,
 - (b) provide that any determination which does not specify such a date shall have effect in relation to remuneration in respect of a period beginning—
 - (i) if it is required to be published, on the date of publication,
 - (ii) if it is not so required, on the date on which it is made.
- (7) A reference in this section or section 43B below to a determination is to a determination of remuneration under subsection (1) of this section.

43B Part II remuneration: supplementary.

- (1) Before a determination is made by the Secretary of State which relates to all persons who provide services of, or of a category falling within, one of the descriptions of services mentioned in section 43A(1) above, he—
- (a) shall consult a body appearing to him to be representative of persons to whose remuneration the determination would relate, and
 - (b) may consult such other persons as he considers appropriate.

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (2) Determinations may make different provision for different cases including different provision for any particular case, class of case or area.
- (3) Determinations may—
 - (a) be made in more than one stage,
 - (b) be made by more than one determining authority,
 - (c) be varied or revoked by subsequent determinations.
- (4) A determination may be varied—
 - (a) to correct an error, or
 - (b) where it appears to the determining authority that it was made in ignorance of or under a mistake as to a relevant fact.
- (5) Determinations may, in particular, provide that the whole or any part of the remuneration—
 - (a) is payable only if the determining authority is satisfied as to certain conditions, or
 - (b) is to be applied for certain purposes or is otherwise subject to certain conditions.
- (6) ^{F3} . . . remuneration under section 43A above may consist of payments by way of—
 - (a) salary,
 - (b) fees,
 - (c) allowances,
 - (d) reimbursement (in full or in part) of expenses incurred or expected to be incurred in connection with the provision of the services or instruction,and may be determined from time to time.
- (7) At the time a determination is made or varied, certain matters which require determining may be reserved to be decided at a later time.
- (8) The matters which may be reserved include in particular—
 - (a) the amount of remuneration to be paid in particular cases,
 - (b) whether any remuneration is to be paid in particular cases.
- (9) Any determination shall be made after taking into account all the matters which are considered to be relevant by the determining authority and such matters may include in particular—
 - (a) the amount or estimated amount of expenses (taking into account any discounts) incurred in the past or likely to be incurred in the future (whether or not by persons to whose remuneration the determination will relate) in connection with the provision of services of the description in section 43A(1) above to which the determination will relate or of any category falling within that description,
 - (b) the amount or estimated amount of any remuneration paid or likely to be paid to persons providing such services,
 - (c) the amount or estimated amount of any other payments or repayments or other benefits received or likely to be received by any such persons,

Status: Point in time view as at 01/10/2002.

Changes to legislation: There are currently no known outstanding effects for the Health Act 1999, Cross Heading: Local administration. (See end of Document for details)

- (d) the extent to which it is desirable to encourage the provision, either generally or in particular places, of the description or category of services to which the determination will relate,
 - (e) the desirability of promoting services which are—
 - (i) economic and efficient, and
 - (ii) of an appropriate standard.
- (10) If the determination is of remuneration for a category of services falling within one of the descriptions of services mentioned in section 43A(1) above, the reference in subsection (9)(a) above to a category of services is a reference to the same category of services or to any other category of services falling within the same description.”
- (2) Sections 43A and 43B of the 1977 Act, as substituted by this section, have effect in relation to—
- (a) the making of determinations on or after the commencement of this section, and
 - (b) the variation or revocation on or after the commencement of this section of determinations whenever made,
- and in this subsection “determinations” means determinations under Part II of the 1977 Act of the remuneration to be paid to persons who provide services mentioned in section 43A(1).
- (3) Section 7(4) of the ^{M5}Health and Social Security Act 1984 and section 15(3) of the ^{M6}Health and Medicines Act 1988 (determinations of remuneration for services under Part II of 1977 Act deemed to be valid) have effect in relation to England and Wales as if—
- (a) after “inserted by this section” in section 7(4)(b) of the 1984 Act, and
 - (b) after “section 7 of the Health and Social Security Act 1984” in section 15(3) of the 1988 Act,
- there were inserted “ and before the coming into force of section 10 of the ^{M7}Health Act 1999 ”.
