- (2) The transfers authorised by sub-paragraph (1) include transfers which are to take effect as if there were no such contravention, liability or interference with any interest or right as there would otherwise be by reason of any provision having effect (whether under any enactment or agreement or otherwise) in relation to the terms on which the transferor is entitled to the property or right, or subject to the liability, in question.
- 3 A transfer scheme may define the property, rights and liabilities to be transferred to the Authority by specifying them or describing them or by referring to all (or all except anything specified or described) of the property, rights and liabilities comprised in a specified part of the undertaking of the Board (or partly in one way and partly in the other).

 - (b) for the creation in favour of the Authority of an interest in or right over, property retained by the Board,
 - (c) for the creation of rights and liabilities as between the Authority and the Board, or
 - (d) for any rights or liabilities specified or described in the scheme to be, or to be to any extent, enforceable by or against the Authority.

- 14 (1) If at any time after a transfer scheme has come into force the Secretary of State considers it appropriate to do so, he may by order provide that the scheme shall for all purposes be deemed to have come into force with such modifications, other than modifications relating to the transfer of rights and liabilities under a contract of employment, as may be specified in the order.
- (2) An order under sub-paragraph (1) may make, with effect from the coming into force of the scheme, such provision as could have been made by the scheme, and in connection with giving effect to that provision from that time may contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate.
