- (4) Subject to sub-paragraph (5) below, where the person concerned satisfies the Commissioners or, on appeal, an appeal tribunal that there is a reasonable excuse for the conduct giving rise to the liability to pay penalty interest, that is a matter which (among other things) may be taken into account under sub-paragraph (3) above.
- (5) In determining whether there is a reasonable excuse for the purposes of sub-paragraph (4) above, no account shall be taken of any of the following matters, that is to say—
- (a) the insufficiency of the funds available to any person for paying any aggregates levy due or for paying the amount of the interest;
 - (b) the fact that there has, in the case in question or in that case taken with any other cases, been no or no significant loss of aggregates levy;

- (3) Where an amount has been assessed and notified to any person under this paragraph, it shall be recoverable as if it were aggregates levy due from him.
- (4) Sub-paragraph (3) above—
- (a) shall not apply so as to require any interest to be payable on interest except—
- (i) in accordance with paragraph 9 above; or
- (ii) in so far as it falls to be compounded in accordance with paragraph 10 above;
- and
- (b) shall not have effect if, or to the extent that, the assessment in question has been withdrawn or reduced.
- (5) Paragraph 4 above shall apply in relation to assessments under this paragraph as if any assessment to interest were an assessment under paragraph 2 above to aggregates levy due for the period which is the relevant accounting period in relation to that interest.
- (6) Subject to sub-paragraph (7) below, where a person—
- (a) is assessed under this paragraph to an amount due by way of any interest, and

- (a) in the case of interest on the levy due for any accounting period, that accounting period; and
- (b) in the case of interest on interest (whether under paragraph 9 above or by virtue of any compounding under paragraph 10 above) the period which is the relevant accounting period for the interest on which the interest is payable.
- (9) In a case where—
- (a) the amount of any interest falls to be calculated by reference to aggregates levy which was not paid at the time when it should have been, and
- (b) that levy cannot be readily attributed to any one or more accounting periods,
- that levy shall be treated for the purposes of interest on any of that levy as aggregates levy due for such period or periods as the Commissioners may determine to the best of their judgement and notify to the person liable.

 - (b) if the interest continues to accrue after that date, a further assessment or further assessments may be made under paragraph 12 above in respect of the amounts so accruing.
- (2) Where—
- (a) an assessment to penalty interest is made specifying a date for the purposes of sub-paragraph (1)(a) above, and
 - (b) within such period as may for the purposes of this sub-paragraph have been notified by the Commissioners to the person liable for the interest, the amount on which the interest is payable is paid,

- (2) For the purposes of this paragraph a walking possession agreement is an agreement under which, in consideration of the property distrained upon being allowed to remain in the custody of the person in default and of the delaying of its sale, the person in default—
- (a) acknowledges that the property specified in the agreement is under distraint and held in walking possession; and
 - (b) undertakes that, except with the consent of the Commissioners and subject to such conditions as they may impose, he will not remove or allow the removal of any of the specified property from the premises named in the agreement.

- (5) For the purposes of sub-paragraph (4) above the amounts of levy that were or were intended to be evaded shall be taken to include—

 - (b) are supported by such undertakings to comply with the provisions of the arrangements as may be required by the regulations to be given to the Commissioners.
- (2) In this paragraph “reimbursement arrangements” means any arrangements for the purposes of a claim to a repayment of aggregates levy which—

 - (b) provide for the reimbursement of persons who have for practical purposes borne the whole or any part of the cost of the original payment of that amount to the Commissioners.
- (3) Without prejudice to the generality of sub-paragraph (1) above, the provision that may be required by regulations under this paragraph to be contained in reimbursement arrangements includes—
- (a) provision requiring a reimbursement for which the arrangements provide to be made within such period after the repayment to which it relates as may be specified in the regulations;
 - (b) provision for the repayment of amounts to the Commissioners where those amounts are not reimbursed in accordance with the arrangements;

Interest payable by the Commissioners

- 2 (1) Where, due to an error on the part of the Commissioners, a person—
- (a) has paid to them by way of aggregates levy an amount which was not levy due and which they are in consequence liable to repay to him,
 - (b) has failed to claim a repayment of levy to which he was entitled, under tax credit regulations, in respect of any tax credits, or
 - (c) has suffered delay in receiving payment of an amount due to him from them in connection with aggregates levy,
- then, if and to the extent that they would not be liable to do so apart from this paragraph, they shall (subject to the following provisions of this paragraph) pay interest to him on that amount for the applicable period.
- (2) In sub-paragraph (1) above, the reference in paragraph (a) to an amount which the Commissioners are liable to repay in consequence of the making of a payment that was not due is a reference to only so much of that amount as is the subject of a claim that the Commissioners are required to satisfy or have satisfied.
- (3) In that sub-paragraph the amounts referred to in paragraph (c)—
- (a) do not include any amount payable under this paragraph;
 - (b) do not include the amount of any interest for which provision is made by virtue of section 30(3)(f) of this Act; but
 - (c) do include any amount due (in respect of an adjustment of overpaid interest) by way of a repayment under—
 - (i) paragraph 11(3) of Schedule 5 to this Act; or
 - (ii) paragraph 6(3) of Schedule 10 to this Act.
- (4) The applicable period, in a case falling within sub-paragraph (1)(a) above, is the period—
- (a) beginning with the date on which the payment is received by the Commissioners; and
 - (b) ending with the date on which they authorise payment of the amount on which the interest is payable.
- (5) The applicable period, in a case falling within sub-paragraph (1)(b) or (c) above, is the period—
- (a) beginning with the date on which, apart from the error, the Commissioners might reasonably have been expected to authorise payment of the amount on which the interest is payable; and
 - (b) ending with the date on which they in fact authorise payment of that amount.
- (6) In determining the applicable period for the purposes of this paragraph there shall be left out of account any period by which the Commissioners' authorisation of the payment of interest is delayed by circumstances beyond their control.
- (7) The reference in sub-paragraph (6) above to a period by which the Commissioners' authorisation of the payment of interest is delayed by circumstances beyond their control includes, in particular, any period which is referable to—
- (a) any unreasonable delay in the making of any claim for the payment or repayment of the amount on which interest is claimed;
 - (b) any failure by any person to provide the Commissioners—
 - (i) at or before the time of the making of a claim, or

- (ii) subsequently in response to a request for information by the Commissioners,
with all the information required by them to enable the existence and amount of the claimant's entitlement to a payment or repayment to be determined; and
- (c) the making, as part of or in association with any claim for the payment or repayment of the amount on which interest is claimed, of a claim to anything to which the claimant was not entitled.
- (8) In determining for the purposes of sub-paragraph (7) above whether any period of delay is referable to a failure by any person to provide information in response to a request by the Commissioners, there shall be taken to be so referable, except so far as may be provided for by regulations, any period which—
- (a) begins with the date on which the Commissioners require that person to provide information which they reasonably consider relevant to the matter to be determined; and
- (b) ends with the earliest date on which it would be reasonable for the Commissioners to conclude—
- (i) that they have received a complete answer to their request for information;
- (ii) that they have received all that they need in answer to that request; or
- (iii) that it is unnecessary for them to be provided with any information in answer to that request.
- (9) The Commissioners shall not be liable to pay interest under this paragraph except on the making of a claim for that purpose.
- (10) A claim under this paragraph must be in writing and must be made not more than three years after the end of the applicable period to which it relates.
- (11) References in this paragraph—
- (a) to receiving payment of any amount from the Commissioners, or
- (b) to the authorisation by the Commissioners of the payment of any amount, include references to the discharge by way of set-off (whether in accordance with regulations under paragraph 9 or 10 below or otherwise) of the Commissioners' liability to pay that amount.
- (12) Interest under this paragraph shall be payable at the rate applicable under section 197 of the Finance Act 1996 (c. 8).

- (b) the repayment is in respect of a tax credit the entitlement to which arose in a case falling within section 30(1)(e) (bad debts),
 - (c) the whole or any part of the credit is withdrawn on account of the payment of the whole or any part of the debt taken as bad,
 - (d) the amount of the repayment exceeded the amount which the Commissioners would have been liable to repay had the withdrawal taken place before the determination of the amount of the repayment,
- the Commissioners may, to the best of their judgement, assess the excess repaid to that person and notify it to him.
- (3) Where any person is liable to pay any amount to the Commissioners in pursuance of an obligation imposed by virtue of paragraph 1(4)(a) above, the Commissioners may, to the best of their judgement, assess the amount due from that person and notify it to him.
- (4) Subject to sub-paragraph (5) below, where—
- (a) an assessment is made on any person under this paragraph in respect of a repayment of levy made in relation to any accounting period, and
 - (b) the Commissioners have power under Schedule 5 to this Act to make an assessment on that person to an amount of aggregates levy due from that person for that period,
- the assessments may be combined and notified to him as one assessment.
- (5) A notice of a combined assessment under sub-paragraph (4) above must separately identify the amount being assessed in respect of repayments of levy.

Assessment for overpayments of interest

- 4 Where—
- (a) any amount has been paid to any person by way of interest under paragraph 2 above, but
 - (b) that person was not entitled to that amount under that paragraph,
- the Commissioners may, to the best of their judgement, assess the amount so paid to which that person was not entitled and notify it to him.

Assessments under paragraphs 3 and 4

- 5 (1) An assessment under paragraph 3 or 4 above shall not be made more than two years after the time when evidence of facts sufficient in the opinion of the Commissioners to justify the making of the assessment comes to the knowledge of the Commissioners.
- (2) Where an amount has been assessed and notified to any person under paragraph 3 or 4 above, it shall be recoverable as if it were aggregates levy due from him.
- (3) Sub-paragraph (2) above does not have effect if, or to the extent that, the assessment in question has been withdrawn or reduced.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2001. (See end of Document for details)

 - (b) so much of that amount as does not carry penalty interest under paragraph (a) above shall carry interest at the rate applicable under section 197 of the Finance Act 1996 (c. 8).
- (2) That period is the period which—
- (a) begins with the day after that on which the person is notified of the assessment; and
 - (b) ends with the day before that on which payment is made of the amount assessed.
- (3) Interest under this paragraph shall be paid without any deduction of income tax.
- (4) Penalty interest under this paragraph shall be compound interest calculated—

 - (b) adding 10 percentage points to that rate.
- (6) Where a person is liable under this paragraph to pay any penalty interest, the Commissioners or, on appeal, an appeal tribunal may reduce the amount payable to such amount (including nil) as they think proper.
- (7) Subject to sub-paragraph (8) below, where the person concerned satisfies the Commissioners or, on appeal, an appeal tribunal that there is a reasonable excuse for the conduct giving rise to the liability to pay penalty interest, that is a matter which (among other things) may be taken into account under sub-paragraph (6) above.
- (8) In determining whether there is a reasonable excuse for the purposes of sub-paragraph (7) above, no account shall be taken of any of the following matters, that is to say—
- (a) the insufficiency of the funds available to any person for paying any aggregates levy due or for paying the amount of the interest;
 - (b) the fact that there has, in the case in question or in that case taken with any other cases, been no or no significant loss of aggregates levy;
 - (c) the fact that the person liable to pay the interest or a person acting on his behalf has acted in good faith.
- (9) In the case of interest reduced by the Commissioners under sub-paragraph (6) above an appeal tribunal, on an appeal relating to the interest, may cancel the whole or any part of the reduction made by the Commissioners.

- (4) Sub-paragraph (3) above does not have effect if, or to the extent that, the assessment in question has been withdrawn or reduced.
- (5) Where an assessment is made under this paragraph to an amount of interest under paragraph 6 above—
 - (a) the notice of assessment shall specify a date, not later than the date of the notice of assessment, to which the amount of interest which is assessed is calculated; and
 - (b) if the interest continues to accrue after that date, a further assessment or further assessments may be made under this paragraph in respect of the amounts so accruing.
- (6) Where—
 - (a) an assessment to interest is made specifying a date for the purposes of sub-paragraph (5)(a) above, and
 - (b) within such period as may for the purposes of this sub-paragraph have been notified by the Commissioners to the person liable for the interest, the amount on which the interest is payable is paid,
 that amount shall be deemed for the purposes of any further liability to interest to have been paid on the specified date.

Supplementary assessments

- 8 If it appears to the Commissioners that the amount which ought to have been assessed in an assessment under paragraph 3, 4 or 7 above exceeds the amount which was so assessed, then—
 - (a) under the same paragraph as that assessment was made, and
 - (b) on or before the last day on which that assessment could have been made,

 - (5) Where—
 - (a) an assessment to a civil penalty is made specifying a date for the purposes of sub-paragraph (2) above, and

 - (b) adding 10 percentage points to that rate.
- (5) Where a person is liable under this paragraph to pay any penalty interest, the Commissioners or, on appeal, an appeal tribunal may reduce the amount payable to such amount (including nil) as they think proper.

 - (b) all or part of the amount turns out not to be due.
- (3) In such a case—
- (a) the amount or part that turns out not to be due shall not carry interest under paragraph 5 above and shall be treated as never having done so; and

Assessments to penalty interest on unpaid penalties

 - (b) shall not have effect if, or to the extent that, the assessment in question has been withdrawn or reduced.
- (5) Paragraph 4 above shall apply in relation to assessments under this paragraph as if any assessment to interest on a penalty were an assessment under paragraph 2 above to the penalty in question.

Status: Point in time view as at 01/04/2008.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2001. (See end of Document for details)

 the assessments may be combined and notified to him as one assessment.
- (7) A notice of a combined assessment under sub-paragraph (6) above must separately identify the interest being assessed.

Further assessments to interest on penalties

- 8 (1) Where an assessment is made under paragraph 7 above to an amount of penalty interest under paragraph 5 above—
 - (a) the notice of assessment shall specify a date, not later than the date of the notice of assessment, to which the amount of interest which is assessed is calculated; and
 - (b) if the interest continues to accrue after that date, a further assessment or further assessments may be made under paragraph 7 above in respect of the amounts so accruing.
- (2) Where—
 - (a) an assessment to penalty interest is made specifying a date for the purposes of sub-paragraph (1)(a) above, and
 - (b) within such period as may for the purposes of this sub-paragraph have been notified by the Commissioners to the person liable for the interest, the amount on which the interest is payable is paid,

CHAPTER 4

THE RELEVANT INTEREST IN THE FLAT

General rule as to what is the relevant interest

393F(1) The relevant interest in a flat in relation to any qualifying expenditure is the interest in the flat to which the person who incurred the expenditure was entitled when it was incurred.

(2) Subsection (1) is subject to the following provisions of this Chapter and to section 393V (provisions applying on termination of lease).

(3) If—

- (a) the person who incurred the qualifying expenditure was entitled to more than one interest in the flat when the expenditure was incurred, and
 - (b) one of those interests was reversionary on all the others,
- the reversionary interest is the relevant interest in the flat.

(4) An interest does not cease to be the relevant interest merely because of the creation of a lease or other interest to which that interest is subject.

(5) If—

- (a) the relevant interest is a leasehold interest, and
- (b) that interest is extinguished on the person entitled to it acquiring the interest which is reversionary on it,

the interest into which the leasehold interest merges becomes the relevant interest when the leasehold interest is extinguished.

Status: Point in time view as at 01/04/2008.
Changes to legislation: There are currently no known outstanding effects for the Finance Act 2001. (See end of Document for details)

Interest acquired on completion of conversion

- (a) incurs expenditure on the conversion of part of a building into the flat, and
 - (b) is entitled to an interest in the flat on or as a result of the completion of the conversion,
- is treated as having had that interest when the expenditure was incurred.

CHAPTER 5

INITIAL ALLOWANCES

Initial allowances

- 393H(1) A person who has incurred qualifying expenditure in respect of a flat is entitled to an initial allowance in respect of the expenditure.
- (2) The amount of the initial allowance is 100% of the qualifying expenditure.
 - (3) A person claiming an initial allowance under this section may require the allowance to be reduced to a specified amount.
 - (4) The initial allowance is made for the chargeable period in which the qualifying expenditure is incurred.

Flat not qualifying flat or relevant interest sold before flat first let

- 393I(1) No initial allowance is to be made under section 393H if, at the relevant time, the flat is not a qualifying flat.
- (2) An initial allowance which has been made in respect of a flat which is to be a qualifying flat is to be withdrawn if—
 - (a) the flat is not a qualifying flat at the relevant time, or
 - (b) the person to whom the allowance was made has sold the relevant interest in the flat before the relevant time.
 - (3) All such assessments and adjustments of assessments are to be made as are necessary to give effect to this section.

CHAPTER 6

 - (c) the flat is a qualifying flat.
- (2) In subsection (1)(b) “long lease” means a lease the duration of which exceeds 50 years.
- (3) Whether the duration of a lease exceeds 50 years is to be determined—
- (a) in accordance with section 38(1) to (4) and (6) of ICTA, and
 - (b) without regard to section 393V(3) (new lease granted as a result of the exercise of an option treated as continuation of old lease).
- (4) A person claiming a writing-down allowance may require the allowance to be reduced to a specified amount.

Amount of allowance

- 393K) The writing-down allowance for a chargeable period is 25% of the qualifying expenditure.
- (2) The allowance is proportionately increased or reduced if the chargeable period is more or less than a year.
- (3) The amount of the writing-down allowance for a chargeable period is limited to the residue of qualifying expenditure.
- (4) For this purpose the residue is ascertained immediately before writing off the writing-down allowance at the end of the chargeable period.

Meaning of “the residue of qualifying expenditure”

- 393L The residue of qualifying expenditure is the qualifying expenditure that has not yet been written off in accordance with Chapter 8.

CHAPTER 7

- (3) A balancing allowance or balancing charge is made to or on the person who incurred the qualifying expenditure.
- (4) No balancing adjustment is made if the balancing event occurs more than 7 years after the time when the flat was first suitable for letting as a dwelling.

Status: Point in time view as at 01/04/2008.
Changes to legislation: There are currently no known outstanding effects for the Finance Act 2001. (See end of Document for details)

- (b) a long lease of the flat is granted out of the relevant interest in consideration of the payment of a capital sum;
- (c) if the relevant interest is a lease, the lease ends otherwise than on the person entitled to it acquiring the interest reversionary on it;
- (d) the person who incurred the qualifying expenditure dies;
- (e) the flat is demolished or destroyed;
- (f) the flat ceases to be a qualifying flat (without being demolished or destroyed).

(2) Section 393J(2) and (3) (meaning of “long lease”) apply for the purposes of subsection (1)(b).

Proceeds from balancing events

393O) References in this Part to the proceeds from a balancing event are to the amounts received or receivable in connection with the event, as shown in the Table—

WRITING OFF QUALIFYING EXPENDITURE

Introduction

- 393Q For the purposes of this Part qualifying expenditure is written off to the extent and at the times specified in this Chapter.

Writing off initial allowances and writing-down allowances

- 393R(1) If an initial allowance is made in respect of the qualifying expenditure, the amount of the allowance is written off at the time when the flat is first suitable for letting as a dwelling.
- (2) If a writing-down allowance is made in respect of the qualifying expenditure, the amount of the allowance is written off at the end of the chargeable period for which the allowance is made.
- (3) If a balancing event occurs at the end of the chargeable period referred to in subsection (2), the amount written off under that subsection is to be taken into account in calculating the residue of qualifying expenditure immediately before the event to determine what balancing adjustment (if any) is to be made.

Treatment of demolition costs

- 393(S) This section applies if—
- (a) a qualifying flat is demolished, and
 - (b) the person who incurred the qualifying expenditure incurs the cost of the demolition.
- (2) The net cost of the demolition is added to the residue of qualifying expenditure immediately before the demolition.
- (3) “The net cost of the demolition” means the amount, if any, by which the cost of the demolition exceeds any money received for the remains of the flat.
- (4) If this section applies, neither the cost of the demolition nor the net cost of the demolition is treated for the purposes of any Part of this Act as expenditure on any other property replacing the flat demolished.

CHAPTER 9

SUPPLEMENTARY PROVISIONS

Giving effect to allowances and charges

- 393(T) This section applies if a person is entitled or liable under this Part to an allowance or charge for a chargeable period.
- (2) If the person’s interest in the flat is an asset of a Schedule A business carried on by him at any time in that period, the allowance or charge is to be given effect in calculating the profits of that business for that period, by treating—
- (a) the allowance as an expense of that business, and
 - (b) the charge as a receipt of that business.
- (3) If the person’s interest in the flat is not an asset of a Schedule A business carried on by him at any time in that period, the allowance or charge is to be given effect by treating him as if he had been carrying on a Schedule A business in that period and as if—
- (a) the allowance were an expense of that business, and
 - (b) the charge were a receipt of that business.

Apportionment of sums partly referable to non-qualifying assets

- 393(U) If the sum paid for the sale of the relevant interest in a flat is attributable—
- (a) partly to assets representing expenditure for which an allowance can be made under this Part, and
 - (b) partly to assets representing other expenditure,
- only so much of the sum as on a just and reasonable apportionment is attributable to the assets referred to in paragraph (a) is to be taken into account for the purposes of this Part.
- (2) Subsection (1) applies to other proceeds from a balancing event in respect of a flat as it applies to a sum given for the sale of the relevant interest in the flat.
- (3) Subsection (1) does not affect any other provision of this Act requiring an apportionment of the proceeds of a balancing event.

Status: Point in time view as at 01/04/2008.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2001. (See end of Document for details)

- (3) If on the termination a new lease is granted to the lessee as a result of the exercise of an option available to him under the terms of the first lease, the second lease is treated as a continuation of the first.
- (4) If on the termination the lessor pays a sum to the lessee in respect of a flat comprised in the lease, the lease is treated as if it had come to an end by surrender in consideration of the payment.
- (5) If on the termination—
 - (a) another lease is granted to a different lessee, and
 - (b) in connection with the transaction that lessee pays a sum to the person who was the lessee under the first lease,
 the two leases are to be treated as if they were the same lease which had been assigned by the lessee under the first lease to the lessee under the second lease in consideration of the payment.

Meaning of “lease” etc.

393~~W~~I) In this Part “lease” includes—

- (a) an agreement for a lease if the term to be covered by the lease has begun, and

but does not include a mortgage (and “lessee”, “lessor” and “leasehold interest” are to be read accordingly).
