## SCHEDULE

### CATEGORIES OF GOODS, TECHNOLOGY AND TECHNICAL ASSISTANCE

#### RELEVANT CONSEQUENCES

##### *Terrorism and crime*

- E The carrying out anywhere in the world of (or of acts which facilitate) acts of terrorism or serious crime anywhere in the world.
- (3) The question whether an activity involving goods, technology or technical assistance of any particular description is capable of having a relevant consequence is to be determined by the Secretary of State at the time the order imposing the controls is made.
- (4) In this paragraph—  
“country” includes a territory but does not include the United Kingdom or the Isle of Man; and  
“dependency” means the Isle of Man, any of the Channel Islands or a British overseas territory.
- 4 Export controls may be imposed in relation to objects of cultural interest.
