- (1) The amount of the deemed direct payment is the amount resulting from the following steps—

Step 1 Identify the amount or value of the chain payment made by the person who is treated as making the deemed direct payment, and deduct from that amount so much of it (if any) as is in respect of value added tax.

Step 2 Deduct, from the amount resulting from Step 1, so much of that amount as represents the direct cost to the intermediary of materials used, or to be used, in the performance of the services.

Step 3 Deduct, at the option of the person treated as making the deemed direct payment, from the amount resulting from Step 2, so much of that amount as represents expenses met by the intermediary that would have been deductible from the taxable earnings from the employment if—

- (a) the worker had been employed by the client, and
- (b) the expenses had been met by the worker out of those earnings.

Step 4 If the amount resulting from the preceding Steps is nil or negative, there is no deemed direct payment. Otherwise, that amount is the amount of the deemed direct payment.

- (3) In subsection (1), the reference to the amount or value of the chain payment means the amount or value of that payment before the deduction (if any) permitted under section 61S.
- (4) If the actual amount or value of the chain payment mentioned in Step 1 of subsection (1) is such that its recipient bears the cost of amounts due under PAYE regulations or contributions regulations in respect of the deemed direct payment, that Step applies as if the amount or value of that chain payment were what it would be if the burden of that cost were not being passed on through the setting of the level of the payment.
- (5) In Step 3 of subsection (1), the reference to expenses met by the intermediary includes—
 - (a) expenses met by the worker and reimbursed by the intermediary, and
 - (b) where the intermediary is a partnership and the worker is a member of the partnership, expenses met by the worker for and on behalf of the partnership.
