SCHEDULE 5

Section 56

STAMP DUTY LAND TAX: AMOUNT OF TAX CHARGEABLE: RENT

Introduction

- 1 This Schedule provides for calculating the tax chargeable—
- in respect of a chargeable transaction for which the chargeable consideration consists of or includes rent, or
 - where such a transaction is to be taken into account as a linked transaction.

[^{F22}Amounts payable in respect of periods before grant of lease

Textual Amendments

- 1A For the purposes of this Part “rent” does not include any chargeable consideration for the grant of a lease that is payable in respect of a period before the grant of the lease.]

Calculation of tax chargeable in respect of rent

- 2 (1) Tax is chargeable under this Schedule in respect of so much of the chargeable consideration as consists of rent.
- ^{F23}(2) The tax chargeable is the total of the amounts produced by taking the relevant percentage of so much of the relevant rental value as falls within each rate band.
- (3) The relevant percentages and rate bands are determined by reference to whether the relevant land—
- consists entirely of residential property (in which case Table A below applies), or

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. - (b) consists of or includes land that is not residential property (in which case Table B below applies).

TABLE A: RESIDENTIAL

<i>Rate bands</i>	<i>Percentage</i>
£0 to £60,000	0%
Over £60,000	1%

TABLE B: NON-RESIDENTIAL OR MIXED

<i>Rate bands</i>	<i>Percentage</i>
£0 to £150,000	0%
Over £150,000	1%

- (4) For the purposes of sub-paragraphs (2) and (3)—
- (a) the relevant rental value is the net present value of the rent payable over the term of the lease, and
 - (b) the relevant land is the land that is the subject of the lease.
- (5) If the lease in question is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the above provisions are modified.
- (6) In that case the tax chargeable is determined as follows.

First, calculate the amount of the tax that would be chargeable if the linked transactions were a single transaction, so that—

- (a) the relevant rental value is the total of the net present values of the rent payable over the terms of all the leases, and
- (b) the relevant land is all land that is the subject of any of those leases.

Then, multiply that amount by the fraction:

$$\frac{NPV}{TNPV}$$

where—

NPV is the net present value of the rent payable over the term of the lease in question, and

TNPV is the total of the net present values of the rent payable over the terms of the all the leases.]

- (4) The second condition is that after the acquisition has been made—

- (a) each shareholder of each of the companies is a shareholder of the other, and
- (b) the proportion of shares of one of the companies held by any shareholder is the same, or as nearly as may be the same, as the proportion of shares of the other company held by that shareholder.

- (5) The third condition is that the acquisition is effected for bona fide commercial reasons and does not form part of a scheme or arrangement of which the main purpose, or one of the main purposes, is the avoidance of liability to tax.

“Tax” here means stamp duty, income tax, corporation tax, capital gains tax or tax under this Part.

- (6) This paragraph is subject to paragraph 9 (withdrawal of reconstruction or acquisition relief).

the subject matter of the transaction or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (3) In sub-paragraphs (1) and (2) “an appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held at the relevant time by the acquiring company or, as the case may be, by that company and any relevant associated companies.

 - (b) of which control changes in consequence of the change of control of that company.
- (5) In this paragraph—

But see paragraph 11 (withdrawal in case of subsequent non-exempt transfer).

- (a) control of the acquiring company changes as a result of a loan creditor becoming, or ceasing to be, treated as having control of the company, and

Transfer of chargeable interest to a partnership: sum of the lower proportions

- 12 (1) The sum of the lower proportions in relation to a transaction to which paragraph 10 applies is determined as follows:—

Step One

Identify the relevant owner or owners.

A person is a relevant owner if—

- (a) immediately before the transaction, he was entitled to a proportion of the chargeable interest, and
- (b) immediately after the transaction, he is a partner or connected with a partner.

Step Two

A person is a corresponding partner in relation to a relevant owner if, immediately after the transaction—

- (b) he is the relevant owner or is connected with the relevant owner.

Step Three

Step Four

Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—

- (a) the proportion of the chargeable interest attributable to the partner, or
- (b) if lower, the partner's partnership share immediately after the transaction.

The proportion of the chargeable interest attributable to the partner is—

- (i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;
- (ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

Step Five

Add together the lower proportions of each person who is a corresponding partner in relation to one or more relevant owners.

The result is the sum of the lower proportions.

- (2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled

Transfer of chargeable interest from a partnership: sum of the lower proportions

- 20 (1) The sum of the lower proportions in relation to a transaction to which paragraph 18 applies is determined as follows:—

Step One

Identify the relevant owner or owners.

A person is a relevant owner if—

- (a) immediately after the transaction, he is entitled to a proportion of the chargeable interest, and

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) immediately before the transaction, he was a partner or connected with a partner.

Step Two

For each relevant owner, identify the corresponding partner or partners.

A person is a corresponding partner in relation to a relevant owner if, immediately before the transaction—

- (a) he was a partner, and
- (b) he was the relevant owner or was connected with the relevant owner.

Step Three

For each relevant owner, find the proportion of the chargeable interest to which he is entitled immediately after the transaction.

Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step Four

Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—

- (a) the proportion of the chargeable interest attributable to the partner, or
- (b) if lower, the partnership share attributable to the partner.

The proportion of the chargeable interest attributable to the partner is—

- (i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;
- (ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

The result is the sum of the lower proportions.

- (2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled to the chargeable interest as beneficial tenants in common (or, in Scotland, as owners in common) in equal shares.

- (2) Paragraph 22 applies for determining the partnership share attributable to a partner where—
- (a) the effective date of the transfer of the relevant chargeable interest to the partnership was before 20th October 2003, or
 - (b) the effective date of the transfer of the relevant chargeable interest to the partnership was on or after that date and—
 - (i) the instrument by which the transfer was effected has been duly stamped with *ad valorem* stamp duty, or
 - (ii) any tax payable in respect of the transfer has been duly paid under this Part.
- (3) Where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20th October 2003 but neither of the conditions in sub-paragraphs (i) and (ii) of sub-paragraph (2)(b) is met, the partnership share attributable to the partner is zero.
- (4) The relevant chargeable interest is—
- (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 18 applies, or
 - (b) where the transaction to which paragraph 18 applies is the grant or creation of a chargeable interest, the chargeable interest out of which that interest is granted or created.
- 22 (1) Where this paragraph applies, the partnership share attributable to the partner is determined as follows:—

Step One

Find the partner's actual partnership share on the relevant date.

In a case falling within paragraph 21(2)(a), the relevant date—

- (a) if the partner was a partner on 19th October 2003, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

In a case falling within paragraph 21(2)(b), the relevant date—

- (a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

Step Two

Add to that partnership share any increases in the partner's partnership share which—

- (a) occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies, and
- (b) count for this purpose.

The result is the increased partnership share.

An increase counts for the purpose of paragraph (b) only if—

- (i) where the transfer which resulted in the increase took place on or before the date on which the Finance Act 2004 was passed, the instrument by which

the transfer was effected has been duly stamped with *ad valorem* stamp duty under the enactments relating to stamp duty;

- (ii) where the transfer which resulted in the increase took place after that date, any tax payable in respect of the transfer has been duly paid under this Part.

Step Three

Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies.

The result is the partnership share attributable to the partner.

- (2) If the effect of applying Step Three would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
- (3) In a case falling within paragraph 21(2)(a), if the partner ceased to be a partner before 19th October 2003, the partnership share attributable to the partner is zero.
- (4) In a case falling within paragraph 21(2)(b), if the partner ceased to be a partner before the effective date of the transfer of the relevant chargeable interest to the partnership, the partnership share attributable to the partner is zero.
- (5) Paragraph 21(4) (relevant chargeable interest) applies for the purposes of this paragraph.

- (2) Where none of the chargeable consideration for the transaction is rent—
- (a) paragraphs 10(2) to (5) and 18(2) to (5) do not apply;

- (b) if the lease continues after the end of that term, as if it were a lease for a fixed term one year longer than the original fixed term,
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), as if it were a lease for a fixed term two years longer than the original fixed term,
- and so on.
- (3) Where the effect of sub-paragraph (2) in relation to the continuation of the lease after the end of a fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—
- (a) the purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,
 - (b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of the tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.
- (5) For the purposes of section 77 (notifiable transactions) a lease to which this paragraph applies is a lease for whatever is its fixed term.

Treatment of leases for indefinite term

- 4 (1) For the purposes of this Part (except section 77 (notifiable transactions))—
- (a) a lease for an indefinite term is treated in the first instance as if it were a lease for a fixed term of a year,
 - (b) if the lease continues after the end of the term resulting from the application of paragraph (a), it is treated as if it were a lease for a fixed term of two years,
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), it is treated as if it were a lease for a fixed term of three years,
- and so on.
- (2) No account shall be taken for the purposes of this Part of any other statutory provision in England and Wales or Northern Ireland deeming a lease for an indefinite period to be a lease for a different term.
- (3) Where the effect of sub-paragraph (1) in relation to the continuation of the lease after the end of a deemed fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—
- (a) the purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,

- (b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of the tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.
- (4A) For the purposes of section 77 (notifiable transactions) a lease for an indefinite term is a lease for a term of less than seven years.
- (5) References in this paragraph to a lease for an indefinite period include—
- (a) a periodic tenancy or other interest or right terminable by a period of notice,
 - (b) a tenancy at will in England and Wales or Northern Ireland, or
 - (c) any other interest or right terminable by notice at any time.

Treatment of successive linked leases

- 5 (1) This paragraph applies where—
- (a) successive leases are granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
 - (b) those grants are linked transactions.
- (2) This Part applies as if the series of leases were a single lease—
- (a) granted at the time of the grant of the first lease in the series,
 - (b) for a term equal to the aggregate of the terms of all the leases, and
 - (c) in consideration of the rent payable under all of the leases.
- (3) The grant of later leases in the series is accordingly disregarded for the purposes of this Part except section 81A (return or further return in consequence of later linked transaction).

Rent

- 6 (1) For the purposes of this Part a single sum expressed to be payable in respect of rent, or expressed to be payable in respect of rent and other matters but not apportioned, shall be treated as entirely rent.
- (2) Sub-paragraph (1) is without prejudice to the application of paragraph 4 of Schedule 4 (chargeable consideration: just and reasonable apportionment) where separate sums are expressed to be payable in respect of rent and other matters.

Variable or uncertain rent

- 7 (1) This paragraph applies to determine the amount of rent payable under a lease where that amount—
- (a) varies in accordance with provision in the lease, or

Status: Point in time view as at 06/04/2005.

- (b) is contingent, uncertain or unascertained.
- (2) As regards rent payable in respect of any period before the end of the fifth year of the term of the lease—
 - (a) the provisions of this Part apply as in relation to other chargeable consideration, and
 - (b) the provisions of section 51 (1) and (2) accordingly apply if the amount is contingent, uncertain or unascertained.
- (3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount is assumed for the purposes of this Part to be, in every case, equal to the highest amount of rent payable in respect of any consecutive twelve month period in the first five years of the term.

In determining that amount take into account (if necessary) any amounts determined as mentioned in sub-paragraph (2)(b), but disregard paragraph 9(2) (deemed reduction of rent for overlap period in case of grant of further lease).

- (4) This paragraph has effect subject to paragraph 8 (adjustment where rent payable ceases to be uncertain).
- (5) No account shall be taken for the purposes of this Part of any provision for rent to be adjusted in line with the retail prices index.

First rent review in final quarter of fifth year

- 7A Where—
- (a) a lease contains provision under which the rent may be adjusted,
 - (b) under that provision the first (or only) such adjustment—
 - (i) is to an amount that (before the adjustment) is uncertain, and
 - (ii) has effect from a date (the “review date”) that is expressed as falling five years after a specified date,
- and
- (c) the specified date falls within the three months before the beginning of the term of the lease,

this Schedule has effect as if references to the first five years of the term of the lease were to the period beginning with the start of the term of the lease and ending with the review date. References to the fifth year of the term of the lease shall be read accordingly.

Adjustment where rent ceases to be uncertain

- 8 (1) Where the provisions of section 51 (1) and (2) (contingent, uncertain or unascertained consideration) apply in relation to a transaction by virtue of paragraph 7 (uncertain rent) and—
- (a) the end of the fifth year of the term of the lease is reached, or
 - (b) the amount of rent payable in respect of the first five years of the term of the lease ceases to be uncertain at an earlier date,
- the following provisions have effect to require or permit reconsideration of how this Part applies to the transaction (and to any transaction in relation to which it is a linked transaction).

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the purposes of this paragraph the amount of rent payable ceases to be uncertain when—
- (a) in the case of contingent rent, the contingency occurs or it becomes clear that it will not occur, and
 - (b) in the case of uncertain or unascertained rent, the amount becomes ascertained.
- (3) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that a transaction becomes notifiable, or that additional tax is payable in respect of a transaction or that tax is payable where none was payable before—
- (a) the purchaser must make a return to the Inland Revenue within 30 days of the date referred to in sub-paragraph (1)(a) or (b),
 - (b) the return must contain a self-assessment of the tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the return must be accompanied by payment of any tax or additional tax payable.
- (4) The provisions of Schedule 10 (returns, enquiries, assessment and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to make land transaction return), subject to the adaptation that references to the effective date of the transaction shall be read as references to the date referred to in sub-paragraph (1)(a) or (b).
- (5) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that less tax is payable in respect of the transaction than has already been paid—
- (a) the purchaser may, within the period allowed for amendment of the land transaction return, amend the return accordingly;
 - (b) after the end of that period he may (if the land transaction return is not so amended) make a claim to the Inland Revenue for repayment of the amount overpaid.

Rent for overlap period in case of grant of further lease

- 9 (1) This paragraph applies where—
- (a) A surrenders an existing lease to B (“the old lease”) and in consideration of that surrender B grants a lease to A of the same or substantially the same premises (“the new lease”),
 - (b) the tenant under a lease (“the old lease”) of premises to which Part 2 of the Landlord and Tenant Act 1954 or the Business Tenancies (Northern Ireland) Order 1996 applies makes a request for a new tenancy (“the new lease”) which is duly executed,
 - (c) on termination of a lease (“the head lease”) a sub-tenant is granted a lease (“the new lease”) of the same or substantially the same premises as those comprised in his original lease (“the old lease”)—
 - (i) in pursuance of an order of a court on a claim for relief against re-entry or forfeiture, or

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (ii) in pursuance of a contractual entitlement arising in the event of the head lease being terminated,
 - or
 - (d) a person who has guaranteed the obligations of a lessee under a lease that has been terminated (“the old lease”) is granted a lease of the same or substantially the same premises (“the new lease”) in pursuance of the guarantee.
- (2) For the purposes of this Part the rent payable under the new lease in respect of any period falling within the overlap period is treated as reduced by the amount of the rent that would have been payable in respect of that period under the old lease.
- (3) The overlap period is the period between the date of grant of the new lease and what would have been the end of the term of the old lease had it not been terminated.
- (4) The rent that would have been payable under the old lease shall be taken to be the amount taken into account in determining the stamp duty land tax chargeable in respect of the acquisition of the old lease.
- (5) This paragraph does not have effect so as to require the rent payable under the new lease to be treated as a negative amount.

Tenants' obligations etc that do not count as chargeable consideration

- 10 (1) In the case of the grant of a lease none of the following counts as chargeable consideration—
- (a) any undertaking by the tenant to repair, maintain or insure the demised premises (in Scotland, the leased premises);
 - (b) any undertaking by the tenant to pay any amount in respect of services, repairs, maintenance or insurance or the landlord’s costs of management;
 - (c) any other obligation undertaken by the tenant that is not such as to affect the rent that a tenant would be prepared to pay in the open market;
 - (d) any guarantee of the payment of rent or the performance of any other obligation of the tenant under the lease;
 - (e) any penal rent, or increased rent in the nature of a penal rent, payable in respect of the breach of any obligation of the tenant under the lease.
- (2) Where sub-paragraph (1) applies in relation to an obligation, a payment made in discharge of the obligation does not count as chargeable consideration.
- (3) The release of any such obligation as is mentioned in sub-paragraph (1) does not count as chargeable consideration in relation to the surrender of the lease.

Cases where assignment of lease treated as grant of lease

- 11 (1) This paragraph applies where—
- (a) the grant of a lease is exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), or
 - (b) a lease is granted to a person as bare trustee of the grantor, with the result that the lease is treated as vested in the grantor by virtue of paragraph 3 of Schedule 16.

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The first assignment of the lease that is not exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), and in relation to which the assignee does not acquire the lease as a bare trustee of the assignor, is treated for the purposes of this Part as if it were the grant of a lease by the assignor—
- (a) for a term equal to the unexpired term of the lease referred to in sub-paragraph (1), and
 - (b) on the same terms as those on which the assignee holds that lease after the assignment.
- (3) The provisions are—
- (a) section 57A (sale and leaseback arrangements);
 - (b) Part 1 or 2 of Schedule 7 (group relief or reconstruction or acquisition relief);
 - (c) section 66 (transfers involving public bodies);
 - (d) Schedule 8 (charities relief);
 - (e) any such regulations as are mentioned in section 123(3) (regulations reproducing in relation to stamp duty land tax the effect of enactments providing for exemption from stamp duty).
- (4) This paragraph does not apply where the relief in question is group relief, reconstruction or acquisition relief or charities relief and is withdrawn as a result of a disqualifying event occurring before the effective date of the assignment.
- (5) For the purposes of sub-paragraph (4) “disqualifying event” means—
- (a) in relation to the withdrawal of group relief, the purchaser ceasing to be a member of the same group as the vendor (within the meaning of Part 1 of Schedule 7);
 - (b) in relation to the withdrawal of reconstruction or acquisition relief, the change of control of the acquiring company mentioned in paragraph 9(1)(a) of that Schedule or, as the case may be, the event mentioned in paragraph 11(1)(a) or (2)(a) of that Schedule;
 - (c) in relation to the withdrawal of charities relief, a disqualifying event as defined in paragraphs 2(3) or 3(2) of Schedule 8.

Assignment of lease: responsibility of assignee for returns etc

- 12 (1) Where a lease is assigned, anything that but for the assignment would be required or authorised to be done by or in relation to the assignor under or by virtue of—
- (a) section 80 (adjustment where contingency ceases or consideration is ascertained),
 - (b) section 81A (return or further return in consequence of later linked transaction),
 - (c) paragraph 3 or 4 of this Schedule (return or further return required where lease for indefinite period continues), or
 - (d) paragraph 8 of this Schedule (adjustment where rent ceases to be uncertain),
- shall, if the event giving rise to the adjustment or return occurs after the effective date of the assignment, be done instead by or in relation to the assignee.
- (2) So far as necessary for giving effect to sub-paragraph (1) anything previously done by or in relation to the assignor shall be treated as if it had been done by or in relation to the assignee.

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) This paragraph does not apply if the assignment falls to be treated as the grant of a lease by the assignor (see paragraph 11).

Agreement for lease

- 12A (1) This paragraph applies where in England and Wales or Northern Ireland—
- (a) an agreement for a lease is entered into, and
 - (b) the agreement is substantially performed without having been completed.
- (2) The agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance. The effective date of the transaction is that date.
- (3) Where a lease is subsequently granted in pursuance of the agreement—
- (a) the notional lease is treated as if it were surrendered at that time, and
 - (b) the lease itself is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.
- (4) Where sub-paragraph (1) applies and the agreement is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be repaid by the Inland Revenue. Repayment must be claimed by amendment of the land transaction return made in respect of the agreement.
- (5) In this paragraph “substantially performed” and “completed” have the same meanings as in section 44 (contract and conveyance).

Assignment of agreement for lease

- 12B (1) This paragraph applies, in place of section 45 (contract and conveyance: effect of transfer of rights), where in England and Wales or Northern Ireland a person assigns his interest as lessee under an agreement for a lease.
- (2) If the assignment occurs without the agreement having been substantially performed, section 44 (contract and conveyance) has effect as if—
- (a) the contract were with the assignee and not the assignor, and
 - (b) the consideration given by the assignee for entering into the contract included any consideration given by him for the assignment.
- (3) If the assignment occurs after the agreement has been substantially performed—
- (a) the assignment is a separate land transaction, and
 - (b) the effective date of that transaction is the date of the assignment.
- (4) Where there are successive assignments, this paragraph has effect in relation to each of them.

Increase of rent treated as grant of new lease: variation of lease

- 13 (1) Where a lease is varied so as to increase the amount of the rent, the variation is treated for the purposes of this Part as if it were the grant of a lease in consideration of the additional rent made payable by it.

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Sub-paragraph (1) does not apply to an increase of rent in pursuance of a provision contained in the lease (but see paragraph 14).

Increase of rent treated as grant of new lease: abnormal increase after fifth year

- 14 (1) This paragraph applies if, after the end of the fifth year of the term of a lease—
- (a) the amount of rent payable increases (or is increased) in accordance with the provisions of the lease, and
 - (b) the rent payable as a result (“the new rent”) is such that the increase falls to be regarded as abnormal (see paragraph 15).
- (2) The increase in rent is treated as if it were the grant of a lease in consideration of the excess rent.
- (3) The excess rent is the difference between the new rent and the rent previously taxed.
- (4) The rent previously taxed is—
- (a) where the provisions of this paragraph have not previously applied to a rent increase under the lease, the rent that is assumed to be payable after the fifth year of the term of the lease (in accordance with paragraph 7(3));
 - (b) where the provisions of this paragraph have previously so applied, the rent payable as a result of the last increase in relation to which the provisions of this paragraph applied.
- (5) The deemed grant is treated as—
- (a) made on the date on which the increased rent first became payable, and
 - (b) for a term equal to the unexpired part of the original lease,
- and as linked with the grant of the original lease (and with any other transaction with which that transaction is linked).
- (6) The assumption in paragraph 7(3) (that the rent does not change after the end of the fifth year of the term of a lease) does not apply for the purposes of this paragraph or paragraph 15 except for the purpose of determining the rent previously taxed.

Increase of rent after fifth year: whether regarded as abnormal

- 15 Whether an increase in rent is to be regarded for the purposes of paragraph 14 as abnormal is determined as follows:— *Step One*

Find the start date, which is—

- (a) where the provisions of that paragraph have not previously applied to a rent increase under the lease, the beginning of the period by reference to which the rent assumed to be payable after the fifth year of the term of the lease is determined in accordance with paragraph 7(3);
- (b) where the provisions of that paragraph have previously so applied, the date of the last increase in relation to which the provisions of that paragraph applied.

Step Two

Divide the period between the start date and the date on which the new rent first becomes payable (“the reference period”) into—

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) successive periods of twelve months running from the start date (if any), and
- (b) any remaining period which does not fall within paragraph (a).

Step Three

Find the factor by which the retail prices index has increased over each period identified in step two.

This is a figure expressed as a decimal and determined by the formula—

If, in relation to any period, RD is equal to or less than RI, the factor by which the retail prices index has increased over the period in question shall be treated as nil.

If, in relation to any period, the figure determined in accordance with the formula would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

Step Four

Find the relevant factor for each period identified in step two.

This is a figure expressed as a decimal and determined by the formula—

where—

m is the number of months in the period in question (treating part of a month as a whole month), and

r is the factor by which the retail prices index has increased over the period in question, determined under step three.

If, in relation to any period, the figure determined in accordance with the formula would have more than 3 decimal places, round it to the nearest third decimal place.

Step Five

Find the uplift factor for the reference period as follows.

If there is only one period identified in step two, the uplift factor for the reference period is the relevant factor for that period.

If there are only two periods identified in step two, the uplift factor for the reference period is calculated by multiplying the relevant factors for those periods.

If there are more than two periods identified in step two, the uplift factor for the reference period is calculated by—

- (a) multiplying the relevant factors for the first two periods,
- (b) multiplying the result by the relevant factor for the next period,
- (c) if there are further periods, multiplying the result by the relevant factor for the next period,

until all periods have been taken into account.

If the uplift factor for the reference period would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

Step Six

The rent increase is regarded as abnormal if the new rent is greater than:

Reduction of rent or term

- 15A (1) Where a lease is varied so as to reduce the amount of the rent, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessee.
- (2) Where a lease is varied so as to reduce the term, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessor.

Surrender of existing lease in return for new lease

- 16 Where a lease is granted in consideration of the surrender of an existing lease between the same parties—
- (a) the grant of the new lease does not count as chargeable consideration for the surrender, and
 - (b) the surrender does not count as chargeable consideration for the grant of the new lease.

Paragraph 5 (exchanges) of Schedule 4 (chargeable consideration) does not apply in such a case.

Assignment of lease: assumption of obligations by assignee

- 17 In the case of an assignment of a lease the assumption by the assignee of the obligation—
- (a) to pay rent, or
 - (b) to perform or observe any other undertaking of the tenant under the lease, does not count as chargeable consideration for the assignment.

Reverse premium

- 18 (1) In the case of the grant, assignment or surrender of a lease a reverse premium does not count as chargeable consideration.
- (2) A “reverse premium” means—
- (a) in relation to the grant of a lease, a premium moving from the landlord to the tenant;
 - (b) in relation to the assignment of a lease, a premium moving from the assignor to the assignee;
 - (c) in relation to the surrender of a lease, a premium moving from the tenant to the landlord.

Provisions relating to leases in Scotland

- 19 (1) In the application of this Part to Scotland—
- (a) any reference to the term of a lease is to the period of the lease, and
 - (b) any reference to the reversion on a lease is to the interest of the landlord in the property subject to the lease.
- (2) Where in Scotland there is a lease constituted by concluded missives of let (“the first lease”) and at some later time a lease is executed (“the second lease”)—
- (a) the first lease is treated as if it were surrendered at that time, and

Status: Point in time view as at 06/04/2005.

- (b) the second lease is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.
- (3) Where in Scotland—
- (a) there is an agreement (including missives of let not constituting a lease) under which a lease is to be executed, and
- (b) the agreement is substantially performed without a lease having been executed,
- the agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.
- The effective date of the transaction is when the agreement is substantially performed.
- (4) Where sub-paragraph (3) applies and at some later time a lease is executed—
- (a) the notional lease is treated as if it were surrendered at that time, and
- (b) the lease itself is treated for the purposes of paragraph 9 as if it were granted in consideration of that surrender.
- (5) References in sub-paragraphs (2) to (4) to the execution of a lease are to the execution of a lease that either is in conformity with, or relates to substantially the same property and period as, the missives of let or other agreement.
- (6) Where sub-paragraph (3) applies and the agreement is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be repaid by the Inland Revenue.
- Repayment must be claimed by amendment of the land transaction return made in respect of the agreement.]

- (2) The taxable amount determined under section 446C counts as employment income of the employee for the tax year in which the acquisition occurs.
- (3) But this section does not apply if section 425(2) (no charge on acquisition of certain restricted securities or restricted interests in securities) applies in relation to the employment-related securities.
- (4) This section does not affect any liability to income tax arising in respect of the acquisition of the employment-related securities under—

- (3) MV is the actual market value of the employment-related securities at the time of the acquisition.
- (4) But where what would be MV is less than the amount of any consideration given for the acquisition of the employment-related securities, MV is the amount of that consideration.

Restricted securities and convertible securities

- 446(D) Where the employment-related securities are restricted securities or a restricted interest in securities, FMV (but not MV) is to be determined as if the employment-related securities were not restricted securities or a restricted interest in securities; and, accordingly, sections 426 to 431 (post-acquisition charges on restricted securities) do not apply to the employment-related securities.
- (2) Where the employment-related securities are convertible securities or an interest in convertible securities, FMV and MV are to be determined as if they were not.

 - (5) Expressions used in this section and in Chapter 2 of this Part as originally enacted have the same meaning in this section as in that Chapter.

Adjustment of market value: consideration for entitlement to convert

- 446(G) This section applies where the market value of employment-related securities which are convertible securities or an interest in convertible securities (determined as if they were not) has been reduced by at least 10% as a result of things done otherwise than for genuine commercial purposes within the period of 7 years ending with the acquisition.

- (2) For the purposes of subsection (1) “employment” includes a former or prospective employment.
- (3) A right or opportunity to acquire a securities option made available by a person’s employer, or a person connected with a person’s employer, is to be regarded for the purposes of subsection (1) as available by reason of an employment of that person unless—

 - (b) the right or opportunity is made available in the normal course of the domestic, family or personal relationships of that person.
- (4) A right or opportunity to acquire a securities option available by reason of holding employment-related securities is to be regarded for the purposes of subsection (1) as available by reason of the same employment as that by reason of which the right or opportunity to acquire the employment-related securities was available.
- (5) In this Chapter—
- “the acquisition”, in relation to an employment-related securities option, means the acquisition of the employment-related securities option pursuant to the right or opportunity available by reason of the employment,
 - “the employment” means the employment by reason of which the right or opportunity to acquire the employment-related securities option is available (“the employee” and “the employer” being construed accordingly), and
 - “employment-related securities option” means a securities option to which this Chapter applies.

Associated persons

Investment managers: the 20% rule

- 4 (1) The requirements of the 20% rule are—
- (a) that in relation to a qualifying period (see sub-paragraph (2)) it has been or is the intention of the investment manager and the persons connected with him that the company's relevant excluded income (see sub-paragraph (3)) should, as to at least 80%, consist of amounts to which neither he nor any such person has a beneficial entitlement (see sub-paragraph (4)), and
 - (b) to the extent that there is a failure to fulfil that intention, that failure—
 - (i) is attributable (directly or indirectly) to matters outside the control of the investment manager and persons connected with him, and
 - (ii) does not result from a failure by him or any of those persons to take such steps as may be reasonable for mitigating the effect of those matters in relation to the fulfilment of that intention.
- (2) A “qualifying period” means—
- (a) the accounting period in which the transaction in question is carried out, or
 - (b) a period of not more than five years comprising two or more complete accounting periods including that one.
- (3) The “relevant excluded income” of a non-resident company for a qualifying period is the aggregate of such of the chargeable profits of the company for the accounting periods comprised in the qualifying period as derive from transactions carried out by the investment manager on the company's behalf in relation to which the manager does not (apart from the requirements of the 20% rule) fall to be treated as a permanent establishment of the company.
- (4) A person has a “beneficial entitlement” to relevant excluded income if he has or may acquire a beneficial entitlement by virtue of—
- (a) an interest of his (whether or not an interest giving a right to an immediate payment of a share in the profits or gains) in property in which the whole or any part of that income is represented, or
 - (b) an interest of his in or other rights in relation to the non-resident company, that is or would be attributable to that income.
- (5) In the case of a transaction in relation to which the conditions in paragraph 3 are met except for the requirements of the 20% rule, this Schedule has effect as if the requirements of that rule were met in relation to so much of the chargeable profits of the non-resident company deriving from the transaction as do not represent relevant excluded income of the company to which the investment manager or a person connected with him has or has had any beneficial entitlement.

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Investment managers: application of 20% rule to collective investment schemes

- 5 (1) This paragraph applies where amounts arise or accrue to the non-resident company as a participant in a collective investment scheme.
- (2) The requirements of the 20% rule need not be met in relation to a transaction carried out for the purposes of the scheme if the scheme is such that, if the following assumptions applied—
- (a) that all transactions carried out for the purposes of the scheme were carried out on behalf of a company constituted for the purposes of the scheme and resident outside the United Kingdom, and
 - (b) that the participants did not have any rights in respect of the amounts arising or accruing in respect of those transactions other than the rights that, if they held shares in the company on whose behalf the transactions are assumed to be carried out, would be their rights as shareholders,
- the assumed company would not, in relation to the accounting period in which the transaction was carried out, be regarded for tax purposes as carrying on a trade in the United Kingdom.
- (3) Where on those assumptions the assumed company would be regarded for tax purposes as carrying on a trade in the United Kingdom, paragraph 4 has effect with the following modifications in relation to a transaction carried out for the purposes of the scheme—
- (a) for references to the non-resident company substitute references to the assumed company;
 - (b) for references to the non-resident company's relevant excluded income substitute references to the aggregate of the amounts that would, for accounting periods comprised in the qualifying period, be chargeable to tax on the assumed company as profits deriving from the transactions carried out by the investment manager and assumed to be carried out on behalf of the company.
- (4) In this paragraph “collective investment scheme” has the meaning given by section 235 of the Financial Services and Markets Act 2000 (c. 8), and “participant”, in relation to such a scheme, shall be construed in accordance with that section.

Lloyd's agents

- 6 (1) Where a non-resident company is a member of Lloyd's and the transaction is carried out in the course of the company's underwriting business, a person who acts on behalf of the company in relation to the transaction is regarded as an independent agent acting in the ordinary course of his business if he acts as members' agent or as managing agent of the syndicate in question.
- (2) In sub-paragraph (1)—
- (a) the reference to the non-resident company being a member of Lloyd's is to its being a corporate member within the meaning of Chapter 5 of Part 4 of the Finance Act 1994 (c. 9); and
 - (b) the references to a members' agent and to a managing agent shall be construed in accordance with section 230 of that Act.

“Attribution of Schedule 4C gains to beneficiaries

- 8 (1) The gains in a settlement’s Schedule 4C pool at the end of any year of assessment are treated as chargeable gains accruing in that year to beneficiaries who receive in that year, or have received in an earlier year, capital payments from the trustees of any settlement that is a relevant settlement in relation to the pool.

Paragraph 8A defines “relevant settlement” for this purpose.

- (2) The attribution of chargeable gains to beneficiaries under this paragraph shall be made in proportion to, but shall not exceed, the amounts of the capital payments made to them.

Paragraphs 8B and 8C provide for the matching of gains with available capital payments.

- (3) A chargeable gain shall not be treated as accruing to a beneficiary under this Schedule unless he is chargeable to tax for that year of assessment.

- (a) he is resident in the United Kingdom for any part of that year or is ordinarily resident in the United Kingdom for that year, and
 - (b) he is domiciled in the United Kingdom for any part of that year.
- (5) Any gains in a settlement’s Schedule 4C pool that are not attributed to beneficiaries in a year of assessment are carried forward to the following year of assessment, when this paragraph applies again.

 - (b) make a transfer of settled property to which section 90 applies,
- any settlement that is a transferee settlement in relation to that transfer is also a relevant settlement in relation to that pool.

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) If the trustees of a settlement that is a relevant settlement in relation to a Schedule 4C pool make a transfer of value to which Schedule 4B applies, any other settlement that is a relevant settlement in relation to that pool is also a relevant settlement in relation to the Schedule 4C pool arising from the further transfer.

Attribution of gains in Schedule 4C pool

- 8B (1) The following rules apply as regards the attribution of the gains in a settlement's Schedule 4C pool to beneficiaries of relevant settlements.

This paragraph has effect subject to paragraph 8C (order of attribution as between gains in Schedule 4C pool and other trust gains).

- (2) Gains of earlier years are attributed to beneficiaries before gains of later years.

 - (b) a section 87/89 gain is a gain of the year of assessment in which it first forms part of a settlement's trust gains in accordance with section 87(2).
- (4) Gains of the same year are matched with available capital payments made at any time by trustees of any relevant settlement.
- (5) If gains of one year are wholly matched, gains of the next year are then matched, and so on.
- (6) The gains are attributed to beneficiaries in proportion to, but not so as to exceed, the amount of available capital payments received by them.

Attribution of gains: Schedule 4C pool gains and other gains

- 8C (1) Where in a year of assessment—
- (a) gains in a settlement's Schedule 4C pool fall to be attributed to beneficiaries of relevant settlements, and
 - (b) one or more of those settlements also have gains that fall to be attributed to beneficiaries under section 87(4) or 89(2),
- the provisions of paragraph 8B have effect as follows.
- (2) The rules in that paragraph apply in relation to all the gains falling to be so attributed.
- (3) As between gains of the same year, Schedule 4C gains are attributed to beneficiaries before other gains.

Attribution of gains: available capital payments

 - (6C) For the purposes of subsection (6B) above a potential advantage is conferred on the reinsurer by the contract if, taking the contract as “the actual provision” for the purposes of Schedule 28AA to the Taxes Act 1988, the effect of making the actual provision instead of the arm’s length provision (within the meaning of that Schedule) would have in relation to the reinsurer the effect specified in paragraph 5(1)(b) of that Schedule.”.
- (7) Subsection (8) is amended as follows.

““group life policy” means a policy of life insurance whose terms provide—

- (a) for the payment of benefits on the death of more than one individual; and
- (b) for those benefits to be paid on the death of each of those individuals;”.

Excepted group life policies

2 After section 539 of the Taxes Act 1988 insert—

“539A The conditions for being an excepted group life policy

- (1) The conditions mentioned in section 539(2)(f) (excepted group life policies) are those set out in the following provisions of this section.
- (2) Condition 1 is that under the terms of the policy a sum or other benefit of a capital nature is payable or arises on the death of each of the individuals insured under the policy who dies without attaining an age which is specified in the policy and is not greater than 75 years.

In determining whether this condition is satisfied, disregard any terms of the policy which exclude from benefit the death of a person in specified circumstances, if the exclusion applies in relation to death in those circumstances in the case of each of the individuals insured under the policy.

- (3) Condition 2 is that under the terms of the policy—
 - (a) the same method is to be used for calculating the sums or other benefits of a capital nature payable or arising on each death, and
 - (b) if there is any limitation on those sums or other benefits, the limitation is the same in the case of any death.
- (4) Condition 3 is that the policy does not have, and is not capable of having, on any day—
 - (a) a surrender value that exceeds the proportion of the premiums paid which, on a time apportionment, is referable to the unexpired paid-up period beginning with that day, or
 - (b) if there is no such period, any surrender value.

For the purposes of this subsection the unexpired paid-up period beginning with any day is the period (if any) which—

- (i) begins with that day, and
- (ii) ends with the earliest subsequent day on which—
 - (a) a payment of premium falls due under the policy, or
 - (b) the term of the policy ends.
- (5) Condition 4 is that no sums or other benefits may be paid or conferred under the policy, except as mentioned in condition 1 or condition 3.
- (6) Condition 5 is that any sums payable or other benefits arising under the policy must (whether directly or indirectly) be paid to or for, or conferred on, or applied at the direction of—
 - (a) an individual or charity beneficially entitled to them, or

Status: Point in time view as at 06/04/2005.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 21 June 2024. There are changes that may be brought into force at a future date. - (b) a trustee or other person acting in a fiduciary capacity who will secure that the sums or other benefits are paid to or for, or conferred on, or applied in favour of, an individual or charity beneficially.

In this subsection “charity” means any body of persons or trust established for charitable purposes only.

(7) Condition 6 is that no person—

- (a) who is an individual whose life is insured under the policy, or
- (b) who is, within the meaning of section 839, connected with an individual whose life is so insured,

may, by virtue of a group membership right relating to that individual, receive (directly or indirectly) any death benefit in respect of another group member.

In this subsection—

- (i) “group membership right”, in relation to an individual, means any right (including the right of any person to be considered by trustees in their exercise of a discretion) that is referable to that individual’s being one of the individuals whose lives are insured by the policy; and
- (ii) “death benefit in respect of another group member” means—
 - (a) any sums or other benefits payable or arising under the policy on the death of any other of those individuals, or
 - (b) anything representing any such sums or benefits.

(8) Condition 7 is that a tax avoidance purpose is not the main purpose, or one of the main purposes, for which a person is at any time—

- (a) the holder, or one of the holders, of the policy, or
- (b) the person, or one of the persons, beneficially entitled under the policy.

In this subsection—

- (i) “tax avoidance purpose” means any purpose that consists in securing a tax advantage (whether for the holder of the policy or any other person); and
- (ii) “tax advantage” has the same meaning as in Chapter 1 of Part 17 (tax avoidance).”.

Retrospective exception of past and present pure protection group life policies

- 3 (1) For the purposes of Chapter 2 of Part 13 of the Taxes Act 1988 (and any former enactment that is re-enacted in that Chapter), any event happening before 9th April 2003 in relation to a policy of life insurance which, at the time of the event, was a pure protection group life policy shall be deemed not to have been a chargeable event.
- (2) For the purposes of this paragraph a policy of life insurance is at any time a pure protection group life policy if at that time it is a group life policy whose terms do not provide for any sums or other benefits to be paid or conferred except on death or disability.

 - (i) paragraph 3(1),
 - (ii) sub-paragraph (1), and
 - (iii) Chapter 2 of Part 13 of the Taxes Act 1988,
 as a single policy issued in respect of an insurance made at the time of the making of the insurance in respect of which the old policy was issued, and
 - (b) that deemed single policy shall be treated for the purposes of sub-paragraph (1) as if the variation mentioned in sub-paragraph (2)(b) had been a variation of its terms taking effect on the date on which that variation takes effect (but not resulting in the replacement of the deemed single policy).
