SCHEDULE 5

Section 56

STAMP DUTY LAND TAX: AMOUNT OF TAX CHARGEABLE: RENT

Introduction

- 1 This Schedule provides for calculating the tax chargeable—
- (a) in respect of a chargeable transaction for which the chargeable consideration consists of or includes rent, or
 - (b) where such a transaction is to be taken into account as a linked transaction.

[^{F34}Amounts payable in respect of periods before grant of lease

Textual Amendments

F34 Sch. 5 para. 1A and cross-heading inserted (with effect in accordance with Sch. 39 para. 13(3)-(6) of the amending Act) by [Finance Act 2004 \(c. 12\)](#), [Sch. 39 para. 10](#)

- 1A For the purposes of this Part “rent” does not include any chargeable consideration for the grant of a lease that is payable in respect of a period before the grant of the lease.]

Calculation of tax chargeable in respect of rent

- 2 (1) Tax is chargeable under this Schedule in respect of so much of the chargeable consideration as consists of rent.
- ^{F35}(2) The tax chargeable is the total of the amounts produced by taking the relevant percentage of so much of the relevant rental value as falls within each rate band.
- (3) The relevant percentages and rate bands are determined by reference to whether the relevant land—
- (a) consists entirely of residential property (in which case Table A below applies), or
 - (b) consists of or includes land that is not residential property (in which case Table B below applies).

TABLE A: RESIDENTIAL

<i>Rate bands</i>	<i>Percentage</i>
£0 to [^{F36} £125,000]	0%
Over [^{F36} £125,000]	1%

TABLE B: NON-RESIDENTIAL OR MIXED

<i>Rate bands</i>	<i>Percentage</i>
£0 to £150,000	0%
Over £150,000	1%

- (4) For the purposes of sub-paragraphs (2) and (3)—
- (a) the relevant rental value is the net present value of the rent payable over the term of the lease, and
 - (b) the relevant land is the land that is the subject of the lease.
- (5) If the lease in question is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the above provisions are modified.
- (6) In that case the tax chargeable is determined as follows.
- First, calculate the amount of the tax that would be chargeable if the linked transactions were a single transaction, so that—
- (a) the relevant rental value is the total of the net present values of the rent payable over the terms of all the leases, and
 - (b) the relevant land is all land that is the subject of any of those leases.
- Then, multiply that amount by the fraction:

$$\frac{NPV}{TNPV}$$

where—

NPV is the net present value of the rent payable over the term of the lease in question, and

TNPV is the total of the net present values of the rent payable over the terms of the all the leases.]

- 2 (1) This Schedule applies to a chargeable transaction that is—

Status: Point in time view as at 01/04/2012.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 12 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Key terms

- 3 (1) A chargeable transaction to which this Schedule applies is referred to in this Schedule as a “relevant transaction”.
- (2) A relevant transaction is a “single dwelling transaction” if its main subject-matter consists of—
- (a) an interest in a single dwelling, or
 - (b) an interest in a single dwelling and other property.
- (3) In relation to such a transaction, the single dwelling is referred to as “the dwelling”.
- (4) A relevant transaction is a “multiple dwelling transaction” if its main subject-matter consists of—
- (a) an interest in at least two dwellings, or
 - (b) an interest in at least two dwellings and other property.
- (5) In relation to such a transaction, those dwellings are referred to as “the dwellings”.

The relief

- 4 (1) If relief under this Schedule is claimed for a relevant transaction, the amount of tax chargeable in respect of the transaction is—
- (a) a percentage of the consideration attributable to dwellings, plus
 - (b) a percentage of the remaining consideration (if any).
- (2) “The consideration attributable to dwellings” is—
- (a) for a single dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwelling,
 - (b) for a multiple dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwellings in total.
- (3) “The remaining consideration” is the chargeable consideration for the transaction less the consideration attributable to dwellings.
- (4) The percentages are determined in accordance with paragraph 5.
- (5) If the whole or part of the chargeable consideration for a relevant transaction is rent, sub-paragraph (1) has effect subject to section 56 and Schedule 5.
- (6) “Attributable” means attributable on a just and reasonable basis.

The percentages

- 5 (1) For the purposes of paragraph 4(1)(a), the percentage is the percentage that would be applied under section 55 if—
- (a) the relevant land consisted entirely of residential property, and
 - (b) the relevant consideration were the fraction produced by dividing total dwellings consideration by total dwellings.
- (2) But if that percentage turns out to be 0%, the percentage for the purposes of paragraph 4(1)(a) is 1%.

Status: Point in time view as at 01/04/2012.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 12 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For a transaction that is not one of a number of linked transactions, “total dwellings consideration” is the consideration attributable to dwellings for that transaction (see paragraph 4(2)).
- (4) For one of a number of linked transactions, “total dwellings consideration” is—
 - (a) the total of the consideration attributable to dwellings for that transaction and all the other linked transactions that are relevant transactions, plus
 - (b) so much of the chargeable consideration for any of the linked transactions (whether or not relevant transactions) as is not included in the calculation under paragraph (a) but is attributable to the same dwellings by reference to which that calculation is made.
- (5) “Total dwellings” is the total number of dwellings by reference to which total dwellings consideration is calculated.
- (6) In the application of sub-paragraph (1), no account is to be taken of—
 - (a) section 116(7), or
 - (b) paragraph 9A(4) of Schedule 5.
- (7) For the purposes of paragraph 4(1)(b), the percentage is the percentage that (but for this Schedule) would be applied under section 55 to the chargeable consideration for the transaction.

Adjustment for change of circumstances

- 6 (1) This paragraph applies if—
 - (a) relief under this Schedule is claimed for a relevant transaction,
 - (b) an event occurs in the relevant period, and
 - (c) had the event occurred immediately before the effective date of the transaction—
 - (i) the transaction would not have been a relevant transaction or the percentage applied by virtue of paragraph 4(1)(a) would have been higher, and
 - (ii) more tax would have been payable in respect of the transaction as a result.
- (2) If this paragraph applies, tax is chargeable on the transaction as if the event had occurred immediately before the effective date of the transaction.
- (3) In that case—
 - (a) the purchaser must make a return to Her Majesty's Revenue and Customs before the end of the period of 30 days beginning with the date of the event,
 - (b) the return must contain a self-assessment of the tax chargeable in respect of the transaction on the basis of the information contained in the return,
 - (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
 - (d) the additional tax payable must be paid not later than the filing date for the return.
- (4) The provisions of section 78A and Schedule 10 apply to a return under this paragraph as they apply to a return under section 76, but with references in Schedule 10 to the effective date of the transaction being read as references to the date of the event.

Status: Point in time view as at 01/04/2012.

Changes to legislation: Finance Act 2003 is up to date with all changes known to be in force on or before 12 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) “The relevant period” means the shorter of—
- (a) the period of 3 years beginning with the effective date of the transaction, and
 - (b) the period beginning with the effective date of the transaction and ending with the date on which the purchaser disposes of the dwelling, or the dwellings, to a person who is not connected with the purchaser.
- (6) In relation to a transaction effected on completion of a contract that was substantially performed before completion, sub-paragraph (5) applies as if references to the effective date of the transaction were to the date on which the contract was substantially performed.
- (7) In this paragraph—
- “completion” has the same meaning as in section 44;
 - “contract” includes any agreement (including, in the case of Scotland, missives of let not constituting a lease);

Transfer of chargeable interest from a partnership: sum of the lower proportions

20 (1) The sum of the lower proportions in relation to a transaction to which paragraph 18 applies is determined as follows:—

Step One

Identify the relevant owner or owners.

A person is a relevant owner if—

- (a) immediately after the transaction, he is entitled to a proportion of the chargeable interest, and
- (b) immediately before the transaction, he was a partner or connected with a partner.

Step Two

For each relevant owner, identify the corresponding partner or partners.

A person is a corresponding partner in relation to a relevant owner if, immediately before the transaction—

- (a) he was a partner, and
- (b) he was the relevant owner [^{F335}or was an individual connected with the relevant owner].

[^{F336}(If there is no relevant owner with a corresponding partner, the sum of the lower proportions is nil.)]

Step Three

For each relevant owner, find the proportion of the chargeable interest to which he is entitled immediately after the transaction.

Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step Four

Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—

- (a) the proportion of the chargeable interest attributable to the partner, or
- (b) if lower, the partnership share attributable to the partner.

The proportion of the chargeable interest attributable to the partner is—

- (i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;
- (ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

Paragraph 21 provides for determining the partnership share attributable to the partner.

Step Five

Add together the lower proportions of each person who is a corresponding partner in relation to one or more relevant owners.

The result is the sum of the lower proportions.

- (2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled to the chargeable interest as beneficial tenants in common (or, in Scotland, as owners in common) in equal shares.
- [^{F337}(3) For the purpose of paragraph (b) of Step 2 a company is to be treated as an individual connected with the relevant owner in so far as it—

- 21
- (1) This paragraph provides for determining the partnership share attributable to a partner for the purposes of paragraph 20 (1) (see Step Four).

 - (a) the effective date of the transfer of the relevant chargeable interest to the partnership was before 20th October 2003, or
 - (b) the effective date of the transfer of the relevant chargeable interest to the partnership was on or after that date and—
 - (i) the instrument by which the transfer was effected has been duly stamped with *ad valorem* stamp duty, or

- (ii) any tax payable in respect of the transfer has been duly paid under this Part.
- (3) Where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20th October 2003 but neither of the conditions in sub-paragraphs (i) and (ii) of sub-paragraph (2)(b) is met, the partnership share attributable to the partner is zero.
- (4) The relevant chargeable interest is—
- (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 18 applies, or
 - (b) where the transaction to which paragraph 18 applies is the grant or creation of a chargeable interest, the chargeable interest out of which that interest is granted or created.
- 22 (1) Where this paragraph applies, the partnership share attributable to the partner is determined as follows:—

Step One

Find the partner's actual partnership share on the relevant date.

In a case falling within paragraph 21(2)(a), the relevant date—

- (a) if the partner was a partner on 19th October 2003, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

In a case falling within paragraph 21(2)(b), the relevant date—

- (a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;
- (b) if the partner became a partner after that date, is the date on which he became a partner.

Step Two

Add to that partnership share any increases in the partner's partnership share which—

- (a) occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies, and
- (b) count for this purpose.

The result is the increased partnership share.

An increase counts for the purpose of paragraph (b) only if—

- (i) where the transfer which resulted in the increase took place on or before the date on which the Finance Act 2004 was passed, the instrument by which the transfer was effected has been duly stamped with *ad valorem* stamp duty under the enactments relating to stamp duty;
- (ii) where the transfer which resulted in the increase took place after that date, any tax payable in respect of the transfer has been duly paid under this Part.

Step Three

Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies.

The result is the partnership share attributable to the partner.

- (2) If the effect of applying Step Three would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
- (3) In a case falling within paragraph 21(2)(a), if the partner ceased to be a partner before 19th October 2003, the partnership share attributable to the partner is zero.
- (4) In a case falling within paragraph 21(2)(b), if the partner ceased to be a partner before the effective date of the transfer of the relevant chargeable interest to the partnership, the partnership share attributable to the partner is zero.
- (5) Paragraph 21(4) (relevant chargeable interest) applies for the purposes of this paragraph.

Transfer of chargeable interest from a partnership to a partnership

- (a) there is a transfer of a chargeable interest from a partnership to a partnership, and

[^{F339}(2) Paragraphs 10(2) and 18(2) do not apply.

- (3) Where the whole or part of the chargeable consideration for the transaction is rent—
 - (a) paragraphs 11 and 19 do not apply;
 - (b) the tax chargeable in respect of so much of the chargeable consideration as consists of rent shall be taken to be what it would have been if paragraph 11 had applied or, if greater, what it would have been if paragraph 19 had applied;

Treatment of successive linked leases

- 5 (1) This paragraph applies where—
- successive leases are granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
 - those grants are linked transactions.
- (2) This Part applies as if the series of leases were a single lease—
- granted at the time of the grant of the first lease in the series,
 - for a term equal to the aggregate of the terms of all the leases, and
 - in consideration of the rent payable under all of the leases.
- (3) The grant of later leases in the series is accordingly disregarded for the purposes of this Part except section 81A (return or further return in consequence of later linked transaction).

 - (b) the provisions of section 51 (1) and (2) accordingly apply if the amount is contingent, uncertain or unascertained.
- (3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount is assumed for the purposes of this Part to be, in every case, equal to the highest amount of rent payable in respect of any consecutive twelve month period in the first five years of the term.

In determining that amount take into account (if necessary) any amounts determined as mentioned in sub-paragraph (2)(b), but disregard [^{F373}paragraphs 9(2) and 9A(3) (deemed reduction of rent, where further lease granted, for period during which rents overlap)].

- (4) This paragraph has effect subject to paragraph 8 (adjustment where rent payable ceases to be uncertain).

- (2) For the purposes of this paragraph the amount of rent payable ceases to be uncertain when—
- (a) in the case of contingent rent, the contingency occurs or it becomes clear that it will not occur, and
 - (b) in the case of uncertain or unascertained rent, the amount becomes ascertained.
- (3) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that a transaction becomes notifiable, or that additional tax is payable in respect of a transaction or that tax is payable where none was payable before—
- (a) the purchaser must make a return to the Inland Revenue within 30 days of the date referred to in sub-paragraph (1)(a) or (b),

 - (b) after the end of that period he may (if the land transaction return is not so amended) make a claim to the Inland Revenue for repayment of the amount overpaid.

Increase of rent treated as grant of new lease: abnormal increase after fifth year

- 14 (1) This paragraph applies if, after the end of the fifth year of the term of a lease—
- (a) the amount of rent payable increases (or is increased) [^{F384}, whether in accordance with the provisions of the lease or otherwise], and
 - (b) the rent payable as a result (“the new rent”) is such that the increase falls to be regarded as abnormal (see paragraph 15).
- (2) The increase in rent is treated as if it were the grant of a lease in consideration of the excess rent.
- (3) The excess rent is the difference between the new rent and the rent previously taxed.
- [^{F385}(4) Where the provisions of this paragraph have not previously applied to an increase in the rent payable under the lease, the rent previously taxed is—
- (a) if paragraph (b) or (c) does not apply, the rent payable under the lease without the increase referred to in sub-paragraph (1);
 - (b) if the amount of rent payable under the lease is determined under paragraph 7 (variable or uncertain rent), the rent that is assumed to be payable after the fifth year of the term of the lease (in accordance with paragraph 7(3));
 - (c) if there has been a variation in the lease falling within paragraph 13 (increase of rent treated as grant of new lease: variation of lease in first five years), the rent payable as a result of the variation (or, if there has been more than one such variation, the most recent one).
- (4A) Where the provisions of this paragraph have previously applied to an increase in the rent payable under the lease, the rent previously taxed is the rent payable as a result of the last increase in relation to which the provisions of this paragraph applied.
- (4B) In determining the rent previously taxed, disregard paragraphs 9(2) and 9A(3) (deemed reduction of rent, where further lease granted, for period during which rents overlap).]
- (5) The deemed grant is treated as—
- (a) made on the date on which the increased rent first became payable, and
 - (b) for a term equal to the unexpired part of the original lease,
- and as linked with the grant of the original lease (and with any other transaction with which that transaction is linked).
- (6) The assumption in paragraph 7(3) (that the rent does not change after the end of the fifth year of the term of a lease) does not apply for the purposes of this paragraph or paragraph 15 except for the purpose of determining the rent previously taxed.
- [The reference to a lease in sub-paragraph (1) is to—
- ^{F386}(7) (a) a lease actually granted on or after the implementation date, or
- (b) a lease that is treated as existing by reason of a deemed grant under paragraph 12A(2) or 19(3) of which the effective date is on or after the implementation date.]

Increase of rent after fifth year: whether regarded as abnormal

15 Whether an increase in rent is to be regarded for the purposes of paragraph 14 as abnormal is determined as follows:—

^{F387}Step One

Find the start date. Where the provisions of paragraph 14 have not previously applied to an increase in the rent payable under the lease, the start date is—

- (a) if paragraph (b) or (c) does not apply, the beginning of the term of the lease;
- (b) if the amount of rent payable under the lease is determined under paragraph 7 (variable or uncertain rent), the beginning of the period by reference to which the rent assumed to be payable after the fifth year of the term of the lease is determined in accordance with paragraph 7(3);
- (c) if there has been a variation in the lease falling within paragraph 13 (increase of rent treated as grant of new lease: variation of lease in first five years), the date of the variation (or, if there has been more than one such variation, the date of the most recent one).

Where the provisions of paragraph 14 have previously applied to an increase in the rent payable under the lease, the start date is the date of the last increase in relation to which the provisions of that paragraph applied.

Step Two

Find the number of whole years in the period between the start date and the date on which the new rent first becomes payable.

Step Three

The rent increase is regarded as abnormal if the excess rent (see paragraph 14(3)) is greater than:

$$R \times Y5$$

where—

R is the rent previously taxed (see paragraph 14(4) or (4A)), and

Y is the number of whole years found under Step Two.]

- (a) anything done as part of a scheme or arrangement the main purpose, or one of the main purposes, of which is the avoidance of tax or national insurance contributions, and
 - (b) any transaction between companies which are members of the same group on terms which are not such as might be expected to be agreed between persons acting at arm’s length (other than a payment for group relief).
- (3) In subsection (2)(b)—

 - (b) “group relief” has the same meaning as in section 402(6) of ICTA.

- (2) The taxable amount determined under section 446C counts as employment income of the employee for the tax year in which the acquisition occurs.
- (3) But this section does not apply if section 425(2) (no charge on acquisition of certain restricted securities or restricted interests in securities) applies in relation to the employment-related securities.
- (4) This section does not affect any liability to income tax arising in respect of the acquisition of the employment-related securities under—

- (3) MV is the actual market value of the employment-related securities at the time of the acquisition.
- (4) But where what would be MV is less than the amount of any consideration given for the acquisition of the employment-related securities, MV is the amount of that consideration.

Restricted securities and convertible securities

- 446(D) Where the employment-related securities are restricted securities or a restricted interest in securities, FMV (but not MV) is to be determined as if the employment-related securities were not restricted securities or a restricted interest in securities; and, accordingly, sections 426 to 431 (post-acquisition charges on restricted securities) do not apply to the employment-related securities.
- (2) Where the employment-related securities are convertible securities or an interest in convertible securities, FMV and MV are to be determined as if they were not.

 - (5) Expressions used in this section and in Chapter 2 of this Part as originally enacted have the same meaning in this section as in that Chapter.

Adjustment of market value: consideration for entitlement to convert

- 446(G) This section applies where the market value of employment-related securities which are convertible securities or an interest in convertible securities (determined as if they were not) has been reduced by at least 10% as a result of things done otherwise than for genuine commercial purposes within the period of 7 years ending with the acquisition.
- (2) The reference to the market value of the employment-related securities in the definition of NCMV in section 442(5) (value of convertible securities at time of acquisition) is to what would be the market value but for the reduction as a result of the things done as mentioned in subsection (1) (and but for the fact that they are convertible securities or an interest in convertible securities).

- 446(1) This section applies where any consideration or benefit mentioned in—
- (a) section 428(9) (consideration on disposal of restricted securities),
 - (b) section 441(4), (5) or (9) (consideration for disposal of convertible securities or release of entitlement to convert or benefit received in respect of entitlement to convert),

- (2) For the purposes of subsection (1) “employment” includes a former or prospective employment.
- (3) A right or opportunity to acquire a securities option made available by a person’s employer, or a person connected with a person’s employer, is to be regarded for the purposes of subsection (1) as available by reason of an employment of that person unless—

 - (b) the right or opportunity is made available in the normal course of the domestic, family or personal relationships of that person.
- (4) A right or opportunity to acquire a securities option available by reason of holding employment-related securities is to be regarded for the purposes of subsection (1) as available by reason of the same employment as that by reason of which the right or opportunity to acquire the employment-related securities was available.
- (5) In this Chapter—
- “the acquisition”, in relation to an employment-related securities option, means the acquisition of the employment-related securities option pursuant to the right or opportunity available by reason of the employment,
 - “the employment” means the employment by reason of which the right or opportunity to acquire the employment-related securities option is available (“the employee” and “the employer” being construed accordingly), and

- 4 (1) For paragraphs 8 and 9 (attribution of gains to beneficiaries) substitute—

“Attribution of Schedule 4C gains to beneficiaries

- 8 (1) The gains in a settlement’s Schedule 4C pool at the end of any year of assessment are treated as chargeable gains accruing in that year to beneficiaries who receive in that year, or have received in an earlier year, capital payments from the trustees of any settlement that is a relevant settlement in relation to the pool.

Paragraph 8A defines “relevant settlement” for this purpose.

- (a) make a transfer of value to which Schedule 4B applies, or
 - (b) make a transfer of settled property to which section 90 applies,
- any settlement that is a transferee settlement in relation to that transfer is also a relevant settlement in relation to that pool.
- (4) If the trustees of a settlement that is a relevant settlement in relation to a Schedule 4C pool make a transfer of value to which Schedule 4B applies, any other settlement that is a relevant settlement in relation to that pool is also a relevant settlement in relation to the Schedule 4C pool arising from the further transfer.

Attribution of gains in Schedule 4C pool

- 8B (1) The following rules apply as regards the attribution of the gains in a settlement's Schedule 4C pool to beneficiaries of relevant settlements.

- (5) If gains of one year are wholly matched, gains of the next year are then matched, and so on.
- (6) The gains are attributed to beneficiaries in proportion to, but not so as to exceed, the amount of available capital payments received by them.

Attribution of gains: Schedule 4C pool gains and other gains

- (2) Where this paragraph applies, a capital payment equal to so much of that capital payment as exceeds the amount otherwise charged shall be deemed for the purposes of this Schedule to be made to the beneficiary in the year of return.
- (3) The “amount otherwise charged” means the total of any chargeable gains attributed to the beneficiary under section 87(4) or 89(2) by virtue of the capital payment.
