 - (a) require the applicant to give a notice containing details of the application to the holder of the premises licence and each responsible authority within such period as may be prescribed;
 - (b) require the authority to advertise the application and invite representations about it to be made to the authority by interested parties and responsible authorities;
 - (c) prescribe the period during which representations may be made by the holder of the premises licence, any responsible authority or any interested party;
 - (d) require any notice under paragraph (a) or advertisement under paragraph (b) to specify that period.

- (6) Where the authority rejects a ground for review under subsection (4)(b), it must notify the applicant of its decision and, if the ground was rejected because it was frivolous or vexatious, the authority must notify him of its reasons for making that decision.
- (7) The application is to be treated as rejected to the extent that any of the grounds for review are rejected under subsection (4).

Accordingly the requirements imposed under subsection (3)(a) and (b) and by section 52 (so far as not already met) apply only to so much (if any) of the application as has not been rejected.
