153 United Kingdom Plan for Frequency Authorisation

- (1) It shall be the duty of OFCOM, from time to time as they think fit, to publish a document (to be known as “the United Kingdom Plan for Frequency Authorisation”).
- (2) The plan must set out—
 - (a) the frequencies that, in relation to the United Kingdom, have been allocated for particular purposes for wireless telegraphy and are available for assignment; and
 - (b) the purposes for which the different frequencies have been allocated.
